Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On May 16, 2005, Prolong Super Lubricants Inc. (the Company), a Nevada corporation and wholly-owned subsidiary of Prolong International Corporation (PIC), obtained a short-term loan of \$300,000 pursuant to a Subordinated Secured Promissory Note (the Note). The Note bears interest at a rate of 12% per annum and is due and payable on November 16, 2005. The indebtedness under the Note is subordinated pursuant to a Subordination Agreement entered into on May 16, 2005 with the holder of the Note and the Company's senior lenders. The Company's repayment obligations under the Note are secured by all of the assets of the Company. Upon an event of default under the Note, the outstanding amounts under the Note will become immediately due and payable. An event of default includes the failure to pay any amounts under the Note when due or the Company shall suffer the appointment of a receiver, trustee, custodian or similar fiduciary for all or substantially all of the assets, or shall make an assignment for the benefit of creditors, or any petition for an order for relief shall be filed by or against the Company under any applicable bankruptcy law and such proceeding is not controverted within thirty (30) days, or is not dismissed within sixty (60) days, after commencement of such proceeding.

In connection with the issuance of the Note, the Company issued the holder of the Note a Warrant to Purchase Shares of Common Stock of PIC (the Warrant). The Warrant is exercisable for 300,000 shares of the Common Stock of PIC at an exercise price of \$0.12 per share. The Warrant expires on May 16, 2008.

This announcement is not an offer to sell either the Notes, the Warrants or the common stock issuable upon exercise of the Warrants. The private placement was made by the Company without a selling agent, and the opportunity to participate in the private placement was available to a very limited group of accredited investors. The foregoing description of the Note, the Subordination Agreement and the Warrant does not purport to be complete and is qualified in its entirety by reference to such documents, a copies of which are attached hereto as Exhibits 99.1, 99.2 and 99.3, respectively, and incorporated herein by reference.
