Item 1.01 Entry into a Material Definitive Agreement

On March 16, 2007, the Registrant's wholly-owned subsidiary, Springfield Coach Industries Group, Inc. (the "Company") and Coach Financial Services, Inc. ("CFS") and together with the Company, collectively the "Seller") entered into an Asset Purchase Agreement (the "Agreement") with Imperial Systems, Inc. (the "Purchaser") pursuant to which the Purchaser agreed to acquire the assets (the "Acquisition") of the Company and CFS, including the assumption of the certain of the Company's obligations and liabilities with respect to leases of real and personal property used in the Company's operation of the businesses in the states of Florida and Missouri. The completion of the Acquisition is subject to customary closing conditions. The Board of Directors of each of the Company and the Purchaser approved the Acquisition and the Agreement.

The purchase price for the acquisition is \$2,500,000, payable by a credit against the amount outstanding to Laurus Master Funds, LLC ("Laurus"), holder of a term note guaranteed by the Registrant with an outstanding principal balance of \$6,837,209.30. Such amount was applied as a reduction to the principal, thereby leaving a principal balance of \$4,337,209 owed by the Registrant to Laurus.

Under the terms of the Agreement, the Purchaser will assume certain liabilities of the Seller and the Purchaser has agreed to release the Registrant and Seller of all obligations with respect to certain liabilities owed by certain third-parties.
