PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

INTRODUCTION

This Proxy Statement is furnished by the Board of Directors of Veri-Tek International, Corp., a Michigan corporation, (the Company) in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders to be held on June 18, 2007 and at any adjournments thereof. The Annual Meeting has been called to consider and vote upon (1) the election of four (4) Directors, (2) the ratification of UHY LLP as our independent public accountants, and (3) such other business as may properly come before the Annual Meeting or any adjournment(s) thereof. This Proxy Statement and the accompanying Proxy are being sent to Stockholders on or about May 21, 2007.

Persons Making the Solicitation

The Proxy is solicited on behalf of our Board of Directors. The original solicitation will be by mail. Following the original solicitation, the Board of Directors expects that certain individual Stockholders will be further solicited through telephone or other oral communications from the Board of Directors. The Board of Directors does not intend to use specially engaged employees or paid solicitors. The Board of Directors intends to solicit Proxies for shares which are held of record by brokers, dealers, banks or voting trustees, or their nominees, and may pay the reasonable expenses of such record holders for completing the mailing of solicitation materials to persons for whom they hold shares. All solicitation expenses will be borne by the Company.

Terms of the Proxy

The enclosed Proxy indicates the matters to be acted upon at the Annual Meeting and provides boxes to be marked to indicate the manner in which the Stockholder's shares are to be voted with respect to such matters. By appropriately marking the boxes, a Stockholder may specify whether the proxyholder shall vote for or against or shall be without authority to vote the shares represented by the Proxy. The Proxy also confers upon the proxyholder discretionary voting authority with respect to such other business as may properly come before the Annual Meeting.

If the Proxy is executed properly and is received by the proxy holder prior to the Annual Meeting, the shares represented by the Proxy will be voted. An abstention and a broker non-vote would be included in determining whether a quorum is present at the meeting, but would otherwise not affect the outcome of any vote. Where a Stockholder specifies a choice with respect to the matter to be acted upon, the shares will be voted in accordance with such specification. Any Proxy which is executed in such a manner as not to withhold authority to vote for the election of the specified nominees as Directors (see Matters To Be Acted Upon Item 1: Election of Directors) shall be deemed to confer such authority. A Proxy may be revoked at any time prior to its exercise by giving written notice of the revocation thereof to David H. Gransee, Secretary, 7402 W. 100th Place, Bridgeview, Illinois 60455, by attending the meeting and electing to vote in person, or by a duly executed Proxy bearing a later date.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

This compensation discussion and analysis, or CD&A, is intended to provide information regarding our philosophy, principles and processes for compensating our principal executive officer, principal financial officer and other executive officers. We sometimes collectively refer to these executive officers as our named executive officers. This CD&A is intended to improve your understanding of why and how we make our executive compensation decisions and facilitate your reading of the information contained in the tables and descriptions that follow this discussion. Our CD&A is organized as follows:

Compensation Philosophy and Objectives. In this section, we describe our executive compensation philosophy and the core principles underlying our executive compensation programs and decisions.

Role of our Compensation Committee. This section describes the process and procedures that our Compensation Committee followed to arrive at its executive compensation decisions.

Compensation Components. This section provides a description of the types of compensation paid and payable to our named executive officers.

Tax and Accounting Considerations. This section discusses Section 162(m) of the Internal Revenue Code and certain accounting consequences that may impact some of our executive compensation programs and decisions.

Compensation Philosophy and Objectives

Our Compensation Committee has developed an overall compensation philosophy and specific compensation plans that tie executive compensation to our success in meeting certain performance goals. The objectives of this philosophy are to:

enhance our ability to attract and retain the best possible executive talent;

motivate our executives to achieve goals that support our business strategy;

establish a link between executive and stockholder interests; and

provide a compensation package that is based on individual performance and initiative, as well as overall business results, both long- and short-term.

Role of our Compensation Committee

Our Compensation Committee has responsibility to design, approve and evaluate our executive compensation plans, policies and programs. Our Compensation Committee determines the compensation of our named executive officers, reviews the compensation policies and philosophy for the next level of key executives and evaluates and recommends to the Board of Directors all long-term incentive plans. This process is designed to ensure consistency throughout the executive compensation program.

Our executive compensation program is reviewed by our Compensation Committee on an annual basis. In connection with this review, the Compensation Committee considers, with respect to each executive, the customary compensation practices in our industry for that executive

position, the needs of the Company and specialized expertise the executive possesses.

Compensation Components

The key elements of our executive compensation program are base salary, annual bonus, the 2004 Equity Incentive Plan, perquisites, retirement benefits and post-employment compensation.

Base Salary

Base salaries for named executive officers are based primarily on the responsibilities of the position and the experience of the individual, with reference to the competitive marketplace for management talent.

Annual Bonus

Total direct compensation of our principal executive and financial officers includes a mixture of base salary and incentive pay (primarily annual bonus) that is weighted such that targeted incentive pay accounts for approximately 40% of total direct compensation.

In 2006, annual bonuses were granted, at the discretion of the Compensation Committee, to David J. Langevin and David H. Gransee in the amounts of \$125,000 and \$35,000, respectively.

In 2007, bonus-related performance will be measured against a target amount of earnings before interest, taxes, depreciation and amortization (EBITDA). The target EBITDA for 2007 is \$7.5 million. If target EBITDA is achieved, Messrs. Langevin, Gransee and Rooke will receive a bonus equal to 70% of their annual salary and may receive bonuses of up to 100% of their salary if the Company achieves EBITDA of \$9 million.

Although annual bonuses depend primarily on the achievement of our performance objectives described above, the Compensation Committee may adjust bonus measures and awards based on other financial or non-financial actions that the Committee believes will benefit long-term stockholder value.

2004 Equity Incentive Plan

In 2004, we adopted the 2004 Equity Incentive Plan (the Plan), to enable us to attract, retain and motivate our employees and non-employee directors through equity-based compensatory awards including stock options, stock appreciation rights, restricted stock, restricted stock units, performance shares and performance units. To date, no equity-based awards have been granted under the Plan.

The maximum number of shares of Common Stock reserved for issuance under the Plan is 350,000 shares. The total number of shares reserved for issuance may, however, be adjusted to reflect certain corporate transactions or changes in our capital structure.

During any calendar year, participants are limited in the number of grants they may receive under the Plan. No participant may receive options for more than 15,000 shares, stock appreciation rights with respect to more than 20,000 shares, more than 20,000 shares of restricted stock and/or an award for more than 10,000 performance shares or restricted stock units or performance units. The Plan must be administered by a committee of our Board comprised of members who are outside directors within the meaning of Section 162(m) of the Internal Revenue Code of 1986 and non-employee directors within the meaning of Rule 16b-3 promulgated under Section 16 of the Securities Exchange Act of 1934. The committee may delegate administration of the Plan to an executive officer who is not subject to Section 16 of the Exchange Act. The Plan provides that the committee has the authority to, among other things, select plan participants, determine the type and amount of awards, determine award terms, fix all other conditions of any awards, interpret the Plan and any Plan awards.

Executive officers may be granted stock options under the Plan that are intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, or stock options that are not intended to so qualify, called non-qualified stock options. The committee shall determine the type of option, the price and the term and vesting schedule of each stock option, but no incentive stock option will vest less than one year after the date of the grant or be exercisable more than ten years after the date of grant. The exercise price of each incentive stock option must not be less than 100% of the fair market value of our Common Stock on the grant date. The exercise price of each stock option granted under the Plan will be paid in the form(s) specified by the committee, and may be made in a single payment, in installments, or on a deferred basis, as prescribed by the committee. Stock options are not transferable except by will or the laws of descent and distribution.

Employees may be granted stock appreciation rights under the Plan. Stock appreciation rights entitle employees to receive, upon exercise, an amount equal to the number of shares of Common Stock subject to the award multiplied by the excess of the fair market value of a share of Common Stock at the time of exercise over

the grant price per share. A stock appreciation right may be granted by the committee at any time, will become exercisable as determined by the committee and must have an exercise price of at least 100% of the fair market value of a share of Common Stock on the grant date. Stock appreciation rights may be settled in cash, shares of stock, other securities, other awards, other property, or any combination of the foregoing, as determined by the committee.

The Plan also provides for awards of restricted stock and restricted stock units to executive officers, entitling the recipients to acquire or receive shares of our Common Stock that are subject to such vesting, transferability, forfeiture, repurchase and other conditions as the committee may determine. Restricted shares and restricted stock units are subject to restrictions as determined by the committee including, with respect to restricted shares, limitation on voting rights and the right to receive dividends, and other restrictions that lapse upon the achievement of goals such as completion of service or performance goals. If vesting of restricted stock and restricted stock units is subject only to completion of specified period of employment or Board service, the minimum period of service must be at least three years. The restricted shares or restricted stock units will be evidenced as determined by the committee. Any stock certificates issued with respect to restricted shares will contain legends describing the restrictions on the stock. At the end of the restriction period, stock certificates without restrictive legends will be delivered or, if stock certificates with legends were previously issued with respect to restricted shares, the legends on these certificates will be removed. If any executive officer's employment terminates for any reason during the restriction period, all shares of restricted stock or restricted stock units still subject to restriction will be forfeited, unless the committee determines that it is in our best interest to waive the restrictions.

The Plan provides that performance shares and performance units may be granted to our employees. Performance shares entitle our employees to acquire shares of our Common Stock upon the attainment of specified performance goals as described in the Plan. Performance units entitle our employees to receive cash, shares of stock or restricted stock or restricted stock units upon the attainment of specific performance goals as described in the Plan. The committee may determine in its discretion the specific performance goals applicable under each performance share or unit award, the periods during which performance shares are to be measured and all other limitations and conditions applicable to the award. Following the end of the performance period, if the performance goals have been met, payment of the earned performance shares or performance units will be made. The form of payment will be designated by the committee and can include cash shares, restricted shares, restricted stock units, or a combination of the foregoing.

At any time, the Board of Directors may amend the Plan, subject to stockholder approval for certain amendments, including increasing the shares that may be awarded under the Plan and expanding the persons who may participate in the Plan. The committee may amend any outstanding award in accordance with the Plan. The Board of Directors may suspend or terminate the Plan at any time; however, termination will not affect the participants' rights with respect to awards previously granted to them, and unexpired awards will continue in full force until they lapse by their own terms.

In 2006, aggregate car allowances were paid to Mr. Langevin, Mr. Gransee, Donald Brown and Todd C. Antenucci in amounts of \$9,000, \$2,250, \$12,276 and \$2,538, respectively.

For more details, see [Disclosure Regarding Termination and Change in Control Provisions](#) below.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code limits the tax deduction that we can take for compensation we pay to our chief executive officer and our four other highest paid officers (determined as of the end of each year) to \$1.0 million per year per individual. However, certain performance-based compensation that meets the requirements of Code Section 162(m) does not have to be included as part of the \$1.0 million limit. The regulations exclude from this limit performance-based compensation and stock options, provided certain requirements, such as stockholder approval, are satisfied. To date, Code Section 162(m) has not impacted the compensation paid to our named executive officers. However, we plan to take action in the future, as necessary, to insure that our stock option plans and executive compensation plans qualify for exclusion.

In making executive compensation decisions, particularly with respect to the grant of any equity-based long-term incentive awards, our Compensation Committee considers the accounting treatment and the anticipated financial statement impact of such decisions, as well as the anticipated dilutive impact to our stockholders.

Compensation Committee Report

The Compensation Committee of the Board of Directors has reviewed and discussed the above Compensation Discussion and Analysis with management and, based on such review and discussion, has recommended to the Board of Directors that the Compensation Discussion & Analysis be included in this Proxy Statement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who beneficially own more than 10% of a registered class of our equity securities to file reports of securities ownership and changes in such ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors and greater than 10% beneficial owners are also required by rules promulgated by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely upon a review of the copies of such forms furnished to us or written representations that no Form 5 filings were required, we believe that during the period from January 1, 2006 through December 31, 2006, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% beneficial owners were complied with, except the initial Form 3 reporting requirement of Marvin B. Rosenberg and David H. Gransee and a Form 4 reporting the shares of the company received as a liquidating distribution by Robert J. Skandalaris, Michael Azar, and David J. Langevin. Each of these forms were subsequently filed.

Code of Ethics

We have adopted a code of ethics that applies to all of our employees, executive officers and Directors including our principal executive officer and principal financial officer. The code of ethics includes provisions covering compliance with laws and regulations, insider trading practices, conflicts of interest, confidentiality, protection and proper use of our assets, accounting and record keeping, fair competition and fair dealing and reporting of illegal or unethical behavior. The code of ethics is posted on our website at www.Veri-Tek.com. Waiver of any provision of the code of ethics granted to an executive officer or Director may only be made by our Board of Directors and will be promptly disclosed on our website.

Transactions with Related Persons

Discussed below are certain direct and indirect relationships and transactions involving the Company and any director, executive officer, director nominee, beneficial owner of more than five percent of our Common Stock and any member of the immediate family of the foregoing. We believe that the terms of the following transactions are comparable to terms that would have been reached by unrelated parties in arms-length transactions.

Robert J. Skandalaris

In April 2006, prior to its acquisition by the Company, one of our subsidiaries, Manitex, Inc. ("Manitex"), completed a sale and leaseback transaction of its Georgetown, Texas facility to an entity controlled by Robert J. Skandalaris, who was a significant stockholder of the Company during fiscal 2006. The sale price was \$5 million and the proceeds of the transactions were used to reduce Manitex's debt under its credit facility. The lease has a 12-year term and provides for monthly rent of \$67,000.

GT Distribution, Inc.

The Company, through its Manitex and Manitex Liftking subsidiaries, purchases and sells parts to GT Distribution, Inc. ("GT Distribution"). GT Distribution is owned in part by David H. Langevin, the Company's Chairman and Chief Executive Officer. In 2006, the Company made purchases from BGI USA, Inc., SL Industries, Ltd., Schaeff Lift Truck, Inc., three subsidiaries of GT Distribution, in the aggregate amounts of \$367,000, \$512,000 and \$168,000, respectively. As of December 31, 2006, the Company had \$37,000 in current accounts receivable from GT Distribution and \$253,000 in accounts payable due to GT Distribution.

In 2006, GT Distribution, Inc. and its subsidiaries were covered under Manitex's general, product liability and umbrella insurance policies. In exchange for this coverage, GT Distribution paid Manitex \$139,000 based on GT Distribution's annual sales.

As of December 31, 2006, we had a receivable of \$4,722,000 from GT Distribution, which includes amounts owed by its subsidiary, Crane & Machinery, Inc. GT Distribution expects to settle this receivable within 12 months by transferring certain of its assets to the Company. On March 29, 2007, the Company and GT

Distribution entered into a non-binding letter of intent in which GT Distribution agreed to transfer to the Company all of its rights to an interests in the assets constituting its Noble forklift product line, including all inventory, contract rights and intellectual property. The consummation of this transaction is subject to our obtaining an opinion as to the fairness, from a financial point of view to the Company and our stockholders, of the consideration to be paid by the Company, the negotiation and execution of a definitive purchase agreement and approval of the transaction by the Audit Committee. Therefore, we cannot assure that this transaction will be completed on terms satisfactory to us or at all.

Other

We have a note payable to the former members of Quantum Value Management, LLC (QVM) for \$1,072,000 issued in the connection with our acquisition of the membership interests of QVM. Immediately following the transaction, three of the members of QVM, Michael Azar, David Langevin and Robert J. Skandalaris held 6.1%, 12.1% and 12.1% of our outstanding Common Stock. At that time Michael Azar was also our Vice President and Secretary and David Langevin was our Chief Executive Officer of the Company.

Approval Process

Transactions involving related persons are approved, or ratified if pre-approval is not feasible, by our Audit Committee, which approves or ratifies the transaction only if our Audit Committee determines that it is in the best interests of our stockholders. In considering the transaction, our Audit Committee considers all relevant factors, including, as applicable (i) the business rationale for entering into the transaction; (ii) available alternatives to the transaction; (iii) whether the transaction is on terms no less favorable than terms generally available to an unrelated third party under the same or similar circumstances; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction. Our Audit Committee also periodically monitors ongoing transactions involving related persons to ensure that there are no changed circumstances that would render it advisable to amend or terminate the transaction.

THE COMMITTEE ON DIRECTORS AND BOARD GOVERNANCE

The Committee on Directors and Board Governance is currently composed of three directors, Robert S. Gigliotti, Terrence P. McKenna and Marvin B. Rosenberg. Messrs. Gigliotti, McKenna and Rosenberg meet the criteria for independence specified in the listing standards of the American Stock Exchange. The principal functions of the Committee on Directors and Board Governance is to:

consider and recommend to the Board qualified candidates for election as directors of the Company;

periodically prepare and submit to the Board for adoption the Committee's selection criteria for directors nominees;

recommend to the Board and management a process for new Board member orientation;

consider matters of corporate governance and Board practices and recommend improvements to the Board;

review periodically our charter and bylaws in light of statutory changes and current best practices;

review periodically the charter, responsibilities, membership and chairmanship of each committee of the Board and recommend appropriate changes;

review Director independence, conflicts of interest, qualifications and conduct and recommend to the Board removal of a Director when appropriate; and

annually assess the Committee's performance.

The Committee on Directors and Board Governance held one meeting in fiscal year 2006. See "Nominating Procedures" below for further information on the nominating process.

Nominating Procedures

As described above, we have a standing Committee on Directors and Board Governance. The Committee on Directors and Board Governance's charter is posted on our website, www.Veri-Tek.com in the investor relations section.

The Board has adopted membership guidelines that outline the desired composition of the Board and the criteria to be used in selecting directors. These guidelines provide that the Board should be composed of directors with a variety of experience and backgrounds, who have high-level managerial experience in a complex organization and who represent the balanced interests of shareowners as a whole rather than those of special interest groups. Other important factors in Board composition include diversity, age, international background and experience and specialized expertise. A significant majority of the Board should be directors who are not our past or present employees or a significant stockholder, customer or supplier.

In considering candidates for the Board, the Committee on Directors and Board Governance considers the entirety of each candidate's credentials and does not have any specific, minimum qualifications that must be met by a Board nominee. The Committee is guided by the composition guidelines set forth above and by the following basic selection criteria: highest character, integrity and experience.

Corporate Governance

The Board of Directors has determined that three of our directors are independent under the rules of the American Stock Exchange. The independent directors are: Robert S. Gigliotti, Terrence P. McKenna and Marvin B. Rosenberg. Each of the directors serving on the Audit

Edgar Filing: Veri-Tek International, Corp. - Form DEF 14A

Committee, the Compensation Committee and the Corporate Governance Committee are independent under the standards of the American Stock Exchange.

Meetings of Non-Employee Directors

The non-employee directors of the Board typically meet in executive session without management present either prior to or immediately following each scheduled Board Meeting, and as otherwise needed. When the non-employee directors of the Board or respective committees meet in executive session without management, a temporary chair is selected from among the directors to preside at the executive session.

Charters

We have adopted charters for our Audit, Compensation, Executive and Corporate Governance Committees. These charters are posted on our website: www.Veri-Tek.com. We will provide without charge a copy of the charters to any stockholder upon written request to the Corporate Secretary.

Communication with the Board of Directors

Correspondence for any member of Veri-Tek's Board of Directors may be sent to his attention: c/o Corporate Secretary, VERI-TEK INTERNATIONAL, CORP., 7402 W. 100th Place, Bridgeview, Illinois 60455 Any written communication will be forwarded to the Board for its consideration.

Director Attendance at Annual Meetings

Our Directors are expected to attend the Annual Meeting of Stockholders except where attendance is impractical due to illness or unavoidable scheduling conflicts.

AUDIT COMMITTEE

The Board of Directors has adopted a written charter for the Audit Committee. The three members of the Audit Committee are independent directors as that term is defined in Section 121 of the American Stock Exchange listing standards.

Change in Principal Accounting Firm. On August 28, 2006, Freedman & Goldberg, CPAs, P.C. (Freedman & Goldberg) was dismissed as our independent registered public accountant and simultaneously UHY LLP (UHY) was appointed as our independent registered public accountant.

The decision to change independent accountants was approved by our Board of Directors and did not result from any dissatisfaction with the quality of professional services rendered by Freedman & Goldberg.

Freedman & Goldberg's report on our financial statements for the fiscal year ended December 31, 2005 did not contain an adverse report or disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal year ended December 31, 2005 and the subsequent interim period, there were no disagreements with Freedman & Goldberg on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

During the fiscal year ended December 31, 2005 and the subsequent interim period, there were no reportable events with respect to the Company, as that term is defined in Item 304(a)(1)(v) of Regulation S-K, and the Company did not consult with UHY with respect to the Company regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Principal Accounting Firm Fees. The aggregate amount of fees billed for professional services by UHY and UHY Advisors, Inc. (Advisors) for the fiscal year ended December 31, 2006 and Freedman & Goldberg, CPAs, P.C. (Freedman & Goldberg) for the fiscal year ended December 31, 2005, are as follows:

	2006	2005
Audit Fees	\$ 248,422	\$ 71,059
Audit-Related Fees	19,675	0
Total Audit and Audit-Related Fees	268,097	71,059
Tax Fees	111,725	5,500
All Other Fees	62,510	33,193
 Total Fees	 \$ 442,332	 \$ 109,752

Audit Fees. These fees are for professional services rendered in connection with the audit of our annual financial statements for the fiscal years ended December 31, 2006 and December 31, 2005, and for the reviews of the financial statements included in the Company's Quarterly Reports on Form 10-Q for those fiscal years.

Audit Related Fees. These fees are fees billed in the fiscal year for assurance and related services that are related to the performance of the audit or review of our financial statements but are not Audit Related Fees.

Tax Fees. These fees relate to federal, state and foreign tax compliance services, including preparation, compliance, advice and planning.

All Other Fees. These fees are for professional services rendered other than Tax Fees or in connection with our audit.

The Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy which requires the Audit Committee's pre-approval of audit and non-audit services performed by the independent auditor to assure that the provisions of such services does not impair the auditor's independence. The Audit Committee approved all audit and non-audit services rendered by Freedman & Goldberg and UHY LLP for the fiscal years ended December 31, 2006 and December 31, 2005, respectively.

Leased Employees. UHY acts as our principal independent registered public accounting firm. Through December 31, 2006, UHY had a continuing relationship with Advisors from which it leased auditing staff who were full time, permanent employees of Advisors and through which UHY's partners provide non-audit services. UHY has only a few full time employees. Therefore, few, if any, of the audit services performed were provided by permanent full-time employees of UHY. UHY manages and supervises the audit services and audit staff, and is exclusively responsible for the opinion rendered in connection with its examination.

Freedman & Goldberg has informed us that none of the hours expended to audit our financial statements for the fiscal year ended December 31, 2005 were attributable to work performed by persons other than full time, permanent employees.

The Audit Committee report set forth below shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such acts.

Audit Committee Report. Management is responsible for the Company's internal controls, financial reporting process and compliance with laws and regulations and ethical business standards. The independent auditor is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes on behalf of the Board of Directors. In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from the Company and its management. Moreover, the Audit Committee has considered whether the independent auditor's provision of other non-audit services to the Company is compatible with the auditor's independence. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006, for filing with the Securities and Exchange Commission. By recommending to the Board of Directors that the audited financial statements be so included, the Audit Committee is not opining on the accuracy, completeness or fairness of the audited financial statements.

Sincerely,

Robert S. Gigliotti

Terrence P. McKenna

Marvin B. Rosenberg

AUDIT COMMITTEE

ITEM 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The Board of Directors, upon recommendation of the Audit Committee, has appointed UHY LLP as independent public accountants, to audit our consolidated financial statements for the year ending December 31, 2007, and to perform other appropriate services as directed by our management and Board of Directors.

A proposal will be presented at the meeting to ratify the appointment of UHY LLP as the Company's independent public accountants. It is expected that a representative of UHY LLP will be present at the Annual Meeting to respond to appropriate questions or to make a statement if he or she so desires. Stockholder ratification of the selection of UHY LLP as our independent public accountants is not required by our bylaws or other applicable legal requirement. However, the Board of Directors is submitting the selection of UHY LLP to the Stockholders for ratification as a matter of good corporate practice. If the Stockholders fail to ratify this appointment other independent public accountants will be considered by the Board of Directors upon recommendation of the Audit Committee. Even if the appointment is ratified, the Board of Directors at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its Stockholders.

Vote Required

The ratification of UHY LLP as the Company's independent public accountants will require the affirmative vote of the holders of at least a majority of the outstanding shares of our Common Stock present or represented at the meeting. **THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF UHY LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS.**

ITEM 3: OTHER MATTERS

Except for the matters referred to in the accompanying Notice of Annual Meeting, management does not intend to present any matter for action at the Annual Meeting and knows of no matter to be presented at the meeting that is a proper subject for action by the Stockholders. However, if any other matters should properly come before the meeting, it is intended that votes will be cast pursuant to the authority granted by the enclosed Proxy in accordance with the recommendation of the Board of Directors.
