Item 1.01 Entry into a Material Definitive Agreement.

On April 30, 2007, ManTech International Corporation (the **Company**) entered into a Credit Agreement by and among the Company, Bank of America, N.A. (as Administrative Agent and L/C Issuer), Citizens Bank of Pennsylvania (as Syndication Agent), PNC Bank, National Association and Branch Banking and Trust Company (each as a Documentation Agent) and the other lender parties thereto (the **Credit Agreement**). The Credit Agreement provides for a \$300 million revolving credit facility, with a \$25 million letter of credit sub limit and a \$30 million swing line loan sub limit. The Credit Agreement also contains an accordion feature that permits the Company to arrange with the lenders for them to provide up to \$100 million in additional commitments.

At closing, the Company did not have any borrowings under the Credit Agreement, although the Company expects to borrow approximately \$170 million in connection with the Company's completion of its acquisition of SRS Technologies, which the Company anticipates will occur on or about May 7, 2007.

Under the Credit Agreement, loans will bear interest at the election of the Company at a base rate or a LIBOR-based rate, in each case plus a margin that varies with the Company's leverage ratio. The Maturity Date for the Credit Agreement is April 30, 2012.

The terms of the Credit Agreement permit prepayment and termination of the loan commitments at any time, subject to certain conditions. The credit facility requires the Company to comply with specified financial covenants, including the maintenance of a certain leverage ratio and fixed charge coverage ratio. The Credit Agreement also contains various covenants, including affirmative covenants with respect to certain reporting requirements and maintaining certain business activities, and negative covenants that, among other things, may limit our ability to incur liens, incur additional indebtedness, make investments, make acquisitions, and undertake certain additional actions.

A copy of the Credit Agreement is filed as Exhibit 4.1 to this Current Report on Form 8-K, and the preceding description of the material terms of the Credit Agreement is qualified in its entirety by reference to the complete document filed as an exhibit to this Current Report on Form 8-K.

Item 1.02 Termination of a Material Definitive Agreement.

On April 30, 2007, in connection with the entry of the Company into the Credit Agreement, the Company repaid and terminated the commitments under the Amended and Restated Credit and Security, dated February 25, 2004, by and among the Company, Citizens Bank of Pennsylvania, Key Bank National Association, Branch Banking and Trust, Chevy Chase FSB and Riggs Bank.
