SUPPLEMENT TO PROXY STATEMENT**

May 29, 2007

Dear Fellow Stockholder:

On or about May 10, 2007, we mailed to you a definitive proxy statement relating to a special meeting of our stockholders to be held on June 12, 2007 for the purpose of considering and voting on a proposal to adopt the Agreement and Plan of Merger, dated as of March 19, 2007 (the merger agreement), by and among Triad Hospitals, Inc., a Delaware corporation (Triad or the Company), Community Health Systems, Inc., a Delaware corporation (CHS), and FWCT-1 Acquisition Corporation, a Delaware corporation and a wholly-owned subsidiary of CHS (Merger Sub). Under the terms of the merger agreement, Merger Sub will be merged with and into the Company, with the Company continuing as the surviving corporation (the merger). If the merger is completed, Triad will become a wholly-owned subsidiary of CHS and you will be entitled to receive \$54.00 in cash for each share of Triad common stock that you own at the time of the merger.

The enclosed proxy supplement revises and updates certain information that was provided in the definitive proxy statement dated May 8, 2007 and contains additional information for your consideration in voting on the adoption of the merger agreement. We urge you to read this supplement to the proxy statement carefully and in its entirety. We also encourage you, if you have not done so already, to review the definitive proxy statement dated May 8, 2007.

The date, time and place of the special meeting of our stockholders to vote on a proposal to adopt the merger agreement remain the same and are as follows: June 12, 2007, at 10:00 a.m., local time, at Triad's executive offices located at 5800 Tennyson Parkway, Plano, Texas 75024. The record date for the special meeting has not changed. Only stockholders of record at the close of business on May 3, 2007, the record date for the special meeting, will be entitled to vote.

Our board of directors has unanimously determined (with James D. Shelton, Michael J. Parsons and Nancy-Ann DeParle not taking part in the vote) that the merger is advisable and that the terms of the merger are fair to and in the best interests of Triad and its stockholders, and approved the merger agreement and the transactions contemplated thereby, including the merger. The board's recommendation is based, in part, upon the unanimous recommendation of the special committee of the board of directors consisting of five independent and disinterested directors.

**Your vote is very important. We cannot complete the merger unless holders of a majority of all outstanding shares of Triad common stock entitled to vote on the matter vote to adopt the merger agreement. Our board of directors recommends that you vote FOR the proposal to adopt the merger agreement. The failure of any stockholder to vote on the proposal to adopt the merger agreement will have the same effect as a vote against the adoption of the merger agreement.**

**If you have already submitted a proxy, you do not need to do anything unless you wish to change your vote. Whether or not you plan to attend the special meeting, it is important that your shares be represented regardless of the number of shares you hold. If you have not previously voted or if you wish to revoke or change your vote, please sign and return, as promptly as possible, the enclosed proxy in the accompanying reply envelope, or submit your proxy by telephone or the Internet. Stockholders who attend the meeting may revoke their proxies and vote in person.**

Our board of directors and management appreciate your continuing support of the Company, and we urge you to support this transaction.

Sincerely,

James D. Shelton

*Chairman of the Board and Chief Executive Officer*

This supplement is dated May 29, 2007 and is first being mailed to stockholders on or about May 29, 2007.

**UPDATE TO QUESTIONS AND ANSWERS ABOUT**

**THE MERGER AND THE SPECIAL MEETING**

The following amends and restates in its entirety the question regarding participation in the Triad Hospitals, Inc. Retirement Savings Plan in the definitive proxy statement:

**Q: What do I do if I participate in the Triad Hospitals, Inc. Retirement Savings Plan?**

A: If you have money invested in the Triad Hospitals, Inc. Retirement Savings Plan (the *Savings Plan*), you do not actually own shares of Common Stock that are allocated to your account under the Savings Plan. The trustee of the trust established for the Savings Plan is the owner of record of the shares held in the Savings Plan and will vote those shares as described below.

Triad has determined to engage United States Trust Company, National Association ( *U.S. Trust* ) as an independent fiduciary with respect to the Savings Plan, to manage the shares of Common Stock held in the Company Stock Fund and in the ESOP Fund of the Savings Plan in connection with the merger. Subject to the requirements of the Employee Retirement Income Security Act of 1974, as amended ( *ERISA* ), participants, certain beneficiaries and certain alternate payees under the Savings Plan will be eligible to direct the voting of shares of Common Stock represented by their accounts' investment in the Company Stock and in the ESOP Fund. You may direct the voting of shares allocated to your account only by completing and returning the voting instruction card provided by U.S. Trust for individuals in the Savings Plan with this proxy statement in accordance with the procedures included with the voting instruction card before the applicable deadline noted below. If your voting instruction card is received by 11:59 p.m. Eastern Daylight Time on June 7, 2007, U.S. Trust will cause the Savings Plan's shares subject to your voting direction to be voted in accordance with your instructions. If you submit voting instructions and wish to change them, you may do so by submitting new voting instructions. Your new voting instructions must be received by the applicable deadline specified above. U.S. Trust will consider your voting instructions with the latest date and disregard all earlier instructions. U.S. Trust will cause any allocated shares for which it does not receive voting instructions by the applicable deadline specified above to be voted in the same manner and proportion as allocated shares for which it did receive voting instructions by the applicable deadline. U.S. Trust will vote any unallocated shares of Common Stock held in the ESOP Fund as U.S. Trust determines in its sole discretion consistent with its fiduciary duties under ERISA. Your voting instructions will be kept confidential. You may not vote or direct the voting of shares in the Savings Plan in person at the special meeting.

**Table of Contents****INTERESTS OF THE COMPANY'S DIRECTORS AND EXECUTIVE OFFICERS IN THE MERGER*****Treatment of Restricted Stock and Deferred Stock Units and James D. Shelton Employment Agreement***

The following supplements the information set forth under the heading "The Merger Interests of the Company's Directors and Executive Officers in the Merger" with respect to Triad's Chairman of the Board and Chief Executive Officer, James D. In addition, in accordance with its regular practice, the compensation committee approved the grant of 60,000 shares of restricted stock of the Company to Mr. Shelton under the Triad Hospitals, Inc. In addition, as a result of such compensation committee actions, the last paragraph under the heading "The Merger Interests of the Company's Directors and Executive Officers in the Merger James D. Shelton Employment Agreement" is amended and restated in its entirety as follows:

Pursuant to the employment agreement, assuming Mr. Shelton terminates his employment immediately following the merger, he would be entitled to receive an estimated lump sum payment of \$8,555,424, any other benefits described by the Company's existing plans and programs, accrued vacation and sick pay and continued medical benefits for three years.

**LITIGATION RELATED TO THE MERGER AGREEMENT**

The proxy statement is further supplemented by adding additional disclosure under the heading "The Merger - Litigation Related to the Merger Agreement" as follows:

Plaintiffs' counsel have informed defendants and the court that Plaintiffs do not intend to seek an injunction, and the hearing previously set for June 7, 2007 has been removed from the court's docket.

As described at pages 49-50 of the definitive proxy statement, Plaintiffs have filed a Consolidated Amended Shareholder Class Action Petition (the "Petition") in the litigation pending against the Company and various other defendants in the 296th District Court of Collin County, Texas. In that litigation, Plaintiffs claim, among other things, that the Company's preliminary proxy statement is deficient and that the defendants have failed to disclose all material information concerning the proposed transaction with CHS. While the Company believes that all material information relating to the proposed transaction has been adequately disclosed, a detailed description of Plaintiffs' disclosure claims and certain additional information relating to those subjects is set forth below.

In paragraph 61(a) of the Petition, Plaintiffs allege inadequate disclosures concerning the reasons why Triad attempted to engage a secondary financial advisor in addition to Lehman Brothers and why the Company was ultimately unable to reach mutually acceptable terms on which to engage another investment banking firm as co-financial advisor.

In paragraph 61(b) of the Petition, Plaintiffs allege inadequate disclosures concerning the financial projections management provided to Lehman Brothers, including the "Projections" and "Sensitivity Case Projections" as referenced on page 34 of the definitive proxy statement, together with their respective underlying assumptions, the dates each of those projections was prepared, and the dates they were provided to Lehman Brothers.

In paragraph 61(c) of the Petition, Plaintiffs allege inadequate disclosures concerning the expected earnings per share attributable to Triad and its components as well as Triad's EBITDA which Lehman Brothers determined using information provided by Triad's management.

In paragraph 61(d) of the Petition, Plaintiffs allege inadequate disclosures concerning the identity of bidders and potential bidders, including the identity of bidders who executed confidentiality agreements with Triad.

In paragraph 61(e) of the Petition, Plaintiffs allege inadequate disclosures concerning the amounts of the undisclosed bidders' preliminary bids.

In paragraph 61(f) of the Petition, Plaintiffs allege inadequate disclosures concerning the reasons why defendants elected to pursue an all cash transaction with CHS as opposed to an all stock or cash and stock transaction.

In paragraph 61(g) of the Petition, Plaintiffs allege inadequate disclosures concerning estimates of expected operational synergies that are expected to accrue to the combined CHS/Triad company post-merger, including the pro forma impact of synergy estimates on Triad's own financial projections and resulting impact on projected EPS and stock price estimates.

In paragraph 61(h) of the Petition, Plaintiffs allege inadequate disclosures concerning the business and personal relationships that existed between Triad and Lehman Brothers, or their respective agents or employees, before the Individual Defendants' decision to engage Lehman Brothers.

**Table of Contents**

In a letter dated May 4, 2007, Plaintiffs' counsel identified additional information they requested be disclosed. That additional information is described as follows:

Additional information concerning the Company's strategic alternatives other than a sale of the Company;

Additional information concerning the transactions selected for comparison in Lehman Brothers' Comparable Transactions Analysis;

Additional information concerning Lehman Brothers' rationale for selection of terminal values in 2011, terminal values in 2016 and discount rates in its Discounted Cash Flow Analysis; and

The amount of Lehman Brothers' fee that is contingent on the completion of the Proposed Acquisition. Our definitive proxy statement disclosures are supplemented with the following:

As previously disclosed on page 21 of the definitive proxy statement under "The Merger - Background of the Merger - Entry into the Prior Merger Agreement," the special committee of the board of directors, after personally interviewing four investment banking firms, decided to engage Lehman Brothers as its principal financial advisor. The committee also concluded that another firm could possibly add value to the committee's overall process. As a result, the committee pursued discussions with a second firm regarding its potentially serving in a financial advisory role junior to that of Lehman Brothers. The committee and the second firm were not able to agree upon mutually acceptable engagement terms, and discussions were discontinued. The committee determined that no business or personal relationships existed between Triad and Lehman Brothers at the time of the latter's engagement by the committee.

All proposals and all indications of interest that were received by the special committee contemplated 100% cash transactions. As regards the final proposal received from Buyer A (discussed in the last paragraph on page 25 of the definitive proxy statement), the price included in such proposal was \$45.00 per share in cash.

Stock consideration was never offered by CHS or any other bidder. The cash to be provided to our stockholders in the CHS transaction will permit them to monetize their investment in Triad at a significant premium. If our stockholders wish to invest in the resulting entity, they are free to do so with their cash merger proceeds. The all-cash consideration in the CHS transaction provides our stockholders with maximum financial flexibility.

The post-merger financial and operational performance of the combined CHS/Triad entity is largely irrelevant to our stockholders because they will have no continuing stake in that entity as a result of being cashed out in the merger with CHS.

As previously disclosed in the definitive proxy statement under "The Merger - Background of the Merger," the strategic alternatives that were considered by the special committee included the following:

Triad continuing as an independent company;

a leveraged recapitalization in which Triad incurred significant additional indebtedness and provided cash to its stockholders either in the form of a special dividend or through a significant stock buy-back program;

a merger or sale of Triad to a strategic buyer, i.e., a buyer or merger partner that was itself in the hospital industry or owned a participant in the industry; or

## Edgar Filing: TRIAD HOSPITALS INC - Form DEFA14A

a leveraged buy-out transaction.

With respect to the analysis of Lehman Brothers described under the heading "The Merger - Opinion of Financial Advisor - Comparable Transaction Analysis," the eight completed or proposed transactions that were considered, and the methodology used, by Lehman Brothers in performing its comparable transaction analysis were previously described on page 37 of the definitive proxy statement.

---

**Table of Contents**

As previously disclosed on page 36 of the definitive proxy statement under the heading "The Merger - Opinion of Financial Advisor - Discounted Cash Flow Analysis," Lehman Brothers prepared both five-year and ten-year discounted cash flow analyses. Lehman Brothers prepared the five-year analysis and used a terminal value as of 2011 because a five-year analysis is customary and because Triad management had provided financial projections over a five-year period that included years 2007 through 2011. Lehman Brothers extrapolated an additional five years of projected financial performance from the management projections in order to prepare a ten-year discounted cash flow analysis. Thus, Lehman used a terminal value as of 2016 in its ten-year analysis. Also as previously disclosed on page 36 of the definitive proxy statement under the heading "The Merger - Opinion of Financial Advisor - Discounted Cash Flow Analysis," the discount rates used by Lehman in its discounted cash flow analysis were based on Lehman Brothers' expertise and experience with the acute care facilities industry and also on an analysis of the weighted average cost of capital of Triad and of comparable companies, as is customary in this method of valuation analysis.

As previously disclosed on page 38 of the definitive proxy statement under the heading "The Merger - General," Triad has agreed to pay Lehman Brothers a financial advisory fee of approximately \$27 million. As of the date of this Supplement, Lehman Brothers has received approximately \$9.5 million of this amount, with an additional \$500,000 becoming payable on June 30, 2007 and the balance becoming payable upon closing of the merger with CHS.
