Item 8.01 Other Events.

On April 22, 2008, in response to a recommendation by Institutional Shareholder Services, Inc. (ISS), a shareholder advisory service, Microtune, Inc. (the Company) confirmed that management of the Company will make a presentation to its Board of Directors at its meeting to be held on April 29, 2008 recommending that the Amended and Restated Microtune, Inc. 2000 Stock Plan (the Stock Plan) be amended effective immediately to provide that the Company will not modify or substitute outstanding options to effect any repricing or replacement of underwater options, without shareholder approval. Such presentation will include, among other things, a recommendation to amend the Stock Plan to:

delete the last sentence of Section 6(c)(iv), which read as follows:

For this purpose, if the exercise price of an Option is reduced, the transaction will be treated as a cancellation of the Option and the grant of a new Option.

amend and restate Section 10(e) to read as follows:

(e) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares an Option previously granted based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made; provided, however, that the exercise price of any such Option is not greater than the Fair Market Value of the Common Stock on such date; provided, further, however, that this Section 10(e) shall not apply to any transaction contemplated by Section 15 hereof.

The Company acknowledges that another amendment to the Stock Plan was submitted to the Company's stockholders in the Company's most recently filed proxy statement. The amendment and restatement of the Stock Plan that was included with the proxy statement is modified by the amendment described in this Current Report on Form 8-K, but the proposed amendment and restatement that is to be voted on at the Company's 2008 Annual Meeting is not otherwise affected by this amendment.
