Dear Shareholder:

On behalf of the Board of Directors of PIMCO Strategic Global Government Fund, Inc. (the Fund), we are pleased to invite you to the annual meeting of shareholders of the Fund to be held at 800 Newport Center Drive, 6th Floor, Newport Beach, California 92660 on June 9, 2008 at 10:00 a.m., Pacific time. At the meeting, shareholders of the Fund will be asked to elect a new slate of directors, each of whom currently serves as a director of closed-end funds managed by Allianz Global Investors Fund Management LLC (AGIFM). It is anticipated that if elected, the Director nominees will appoint AGIFM as the investment manager of the Fund and Pacific Investment Management Company LLC (PIMCO) as the sub-adviser of the Fund. As discussed in greater detail in the proxy statement, the purpose of these changes to the management structure of the Fund is to more efficiently manage and administer the Fund within the AGIFM fund complex. The appointment of AGIFM as investment manager of the Fund and PIMCO as sub-adviser of the Fund would be subject to shareholder approval at a special meeting of shareholders that is expected to be held in the third quarter of 2008.

On behalf of the Board of Directors, I ask you to review the proposal and vote. The Board of Directors recommends that you vote FOR the proposal to elect new directors of the Fund. For more information about the issues requiring your vote, please refer to the accompanying proxy statement.

IMPORTANT INFORMATION TO HELP YOU UNDERSTAND AND VOTE ON THE PROPOSAL

The following questions and answers provide an overview of the matters on which you are being asked to vote. The enclosed proxy statement contains more detailed information about the proposal, and we encourage you to read it in its entirety before voting. Your vote is important.

QUESTIONS AND ANSWERS

Q: WHAT IS BEING PROPOSED?

A: The Board of Directors (the Board) of the Fund is proposing that you vote to elect a new slate of directors, each of whom currently serves as a director of closed-end funds managed by Allianz Global Investors Fund Management LLC (AGIFM).

Q: WHY AM I BEING ASKED TO ELECT NEW DIRECTORS FOR THE FUND?

A: Pacific Investment Management Company LLC (PIMCO) has determined to exit the business of providing closed-end fund administration. It is anticipated that if elected, the Director nominees will appoint AGIFM, an affiliate of PIMCO, to provide management oversight and administrative services to the Fund as investment manager of the Fund, and will appoint PIMCO to continue to provide day-to-day investment advisory services for the Fund as its sub-adviser. No changes to the team of investment professionals that is responsible for managing the assets of the Fund are anticipated. The appointment of AGIFM as investment manager of the Fund and PIMCO as sub-adviser of the Fund would be subject to shareholder approval at a special meeting of shareholders that is expected to be held in the third quarter of 2008.

In connection with the anticipated appointment of AGIFM and in order to maximize efficiencies in connection with the administration of the Fund going forward, it is proposed that the Fund have the same Board composition as the other closed-end funds managed by AGIFM and sub-advised by PIMCO. The nominees, each of whom currently serves as a director of an AGIFM-managed closed-end fund, are familiar with the AGIFM management model and have experience with a wide range of issues relating to closed-end funds. Election of the nominees would allow the Fund to hold consolidated board meetings with other AGIFM-managed closed-end funds, which may result in cost savings to the Fund. Consolidated board meetings would also allow PIMCO and AGIFM to focus greater resources on issues that directly benefit shareholders and less time and resources addressing common issues with multiple boards of directors.

Q: HOW DOES THE BOARD RECOMMEND THAT I VOTE?

A: The Board recommends that you vote FOR each nominee described in the enclosed proxy statement.

Q: HOW DO I VOTE MY SHARES?

A: By Mail: Vote, sign and return the enclosed proxy card in the enclosed self-addressed, postage-paid envelope.

In Person: Attend the shareholder meeting as described in the enclosed proxy statement.

Annual Meeting of Shareholders

To be held June 9, 2008

INTRODUCTION

This Proxy Statement is being furnished in connection with the solicitation of proxies by the Board of Directors (collectively the **Board** or individually a **Director**) of PIMCO Strategic Global Government Fund, Inc. (the **Fund** or **RCS**), a Maryland corporation, for use at the annual meeting of shareholders of the Fund to be held at 800 Newport Center Drive, 6th Floor, Newport Beach, California 92660, on June 9, 2008 at 10:00 a.m., Pacific time, or as adjourned and reconvened from time to time (the **Meeting**), for the purposes set forth in the accompanying notice. It is anticipated that the first mailing of proxies and proxy statements to shareholders will be on or about May 16, 2008.

Shareholder Reports. Shareholders can find important information about the Fund in the annual report dated January 31, 2008, which previously has been furnished to shareholders. Shareholders may request another copy of this report, without charge, by writing to the Fund at the above address, or by calling the toll-free telephone number above.

The Board is soliciting proxies from shareholders of the Fund with respect to the following:

- 1. To consider the election of the nominees set forth herein to serve as members of the Fund's Board of Directors for terms expiring as described herein, and until their successors are elected and qualify; and**
- 2. Such other business as may properly come before the Meeting.**

PROPOSAL 1: TO ELECT THE NOMINEES SET FORTH HEREIN TO SERVE AS MEMBERS OF THE FUND'S BOARD OF DIRECTORS FOR TERMS EXPIRING ON THE DATES DESCRIBED HEREIN, UNTIL THEIR SUCCESSORS ARE ELECTED AND QUALIFY.

Pacific Investment Management Company LLC (PIMCO) has determined to exit the business of providing administrative services to closed-end funds. It is anticipated that if elected, the Director nominees set forth in this proposal will appoint AGIFM, an affiliate of PIMCO, to provide management oversight and administrative services to the Fund as its investment manager, and will appoint PIMCO to continue to provide day-to-day investment advisory services to the Fund as its sub-adviser. In connection with the anticipated appointment of AGIFM and in order to maximize efficiencies in connection with the administration of the Fund going forward, it is proposed that the Fund have the same Board composition as the other closed-end funds managed by AGIFM and sub-advised by PIMCO. The current Directors of the Fund have indicated that they will resign in order to facilitate the oversight of the Fund by individuals who serve as directors of such funds. Accordingly, the Board of Directors proposes that shareholders elect Paul Belica, Robert E. Connor, John J. Dalessandro II, Hans W. Kertess, William B. Ogden, IV, R. Peter Sullivan III and John C. Maney (the Nominees), each of whom currently serves as a director of AGIFM-managed closed-end funds, as a Director of the Fund. By electing the Nominees to the Board of Directors, the Fund can leverage the knowledge and expertise of these individuals, each of whom is familiar with the AGIFM management model as well as with a wide range of oversight issues relating to closed-end funds, and each of whom would provide the benefit of different experiences and diversity of viewpoints. Election of the Nominees could also result in direct cost savings to the Fund. For example, by holding consolidated board meetings with other AGIFM-managed closed-end funds, travel and related expenses, including support staff expenses and other similar costs necessary to support multiple board meetings, could be reduced. Furthermore, by reducing the number of separate boards, PIMCO and AGIFM can focus greater resources on issues that will directly benefit shareholders and less time and fewer resources addressing common issues with multiple boards of directors. The appointment of AGIFM as investment manager of the Fund and PIMCO as sub-adviser of the Fund would be subject to approval by shareholders at a Special Meeting that is expected to be held in the third quarter of 2008.

At a meeting held on March 20, 2008, the Board, including the Independent Directors, nominated each Nominee for election by shareholders of the Fund. The Nominees have indicated their willingness to serve. The Board knows of no reason why any Nominee would be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substituted nominee as the Board may recommend. The persons named as proxies on the enclosed proxy card will vote your shares for the election of the Nominees unless you withhold authority to vote for the Nominees in your proxy. If elected by shareholders, the Nominees will continue to serve as Directors of the Fund until their term expires, unless sooner succeeded as provided in the Fund's Articles of Incorporation.

The Fund's Articles of Incorporation provide that the Fund's Board of Directors shall be divided into three classes, as nearly equal in number as possible, which shall be designated as Class I, Class II and Class III. The term of service for each Class of Directors is staggered, such that each year shareholders vote for the re-election of one Class of Directors. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying for up to two years the replacement of a majority of the Directors. It is being proposed that Messrs. John J. Dalessandro II and William B.

Ogden, IV serve as Class I Directors, whose terms will expire in 2010, that Messrs. Hans W. Kertess, John C. Maney and R. Peter Sullivan III serve as Class II Directors, whose terms will expire in 2011, and that Messrs. Paul Belica and Robert E. Connor serve as Class III Directors, whose terms will expire in 2009.

The current Directors of the Fund are expected to resign effective upon the Nominees taking office. It is proposed and the Board recommends that shareholders elect the Nominees.

The following table sets forth certain information concerning each of the Nominees.

Board of Directors Committees

Audit Oversight Committee

The Audit Oversight Committee (the Committee) reviews both the audit and non-audit work of the Fund's independent registered public accounting firm, submits a recommendation to the Board as to the selection of the independent registered public accounting firm, and reviews generally the maintenance of the Fund's records and the safekeeping arrangements of the Fund's custodian. During the fiscal year ended January 31, 2008, the Committee met four times. All members of the Committee attended 100% of the Committee meetings.

The Board has adopted an Audit Oversight Committee Charter, which is available on the Fund's website at www.rcsfund.com. The Committee has received written disclosures and the letter required by Independence Standards Board Standard No. 1 from its independent registered public accounting firm, and has discussed with its independent registered public accounting firm its independence. The Committee has also reviewed and discussed the audited financial statements with Fund management and its independent registered public accounting firm, and discussed certain matters with its independent registered public accounting firm addressed by Statements on Auditing Standards No. 61. Based on the foregoing, the Audit Oversight Committee recommended to the Board that the Fund's audited financial statements be included in the Fund's annual report for the fiscal year ended January 31, 2008.

The Fund's Audit Oversight Committee consists of all the Independent Directors, Messrs. Dunlap, Lundy, Whitaker and Young (Chairman). Mr. Young, an Independent Director, has been designated as the Audit Oversight Committee's financial expert.

Valuation Committee

The Fund has a standing Valuation Committee whose function is to monitor the valuation of portfolio securities and other investments and, as required by the Fund's valuation policies, when the Board is not in session, it shall determine the fair value of portfolio holdings after consideration of all relevant factors, which determinations shall be reported to the full Board. The Valuation Committee consists of any one Director. During the fiscal year ended January 31, 2008, there were 12 meetings of the Valuation Committee.

Nominating Committee

The Fund has a Nominating Committee, which makes recommendations to the Board regarding nominations for membership on the Board. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as independent directors, their independence from the Fund's investment adviser and other principal service providers. The Nominating Committee is comprised solely of the Fund's Independent Directors, Messrs. Dunlap (Chairman), Lundy, Whitaker and Young. The Board has adopted a written charter for the Nominating Committee, which is available on the Fund's website at www.rcsfund.com.

The Nominating Committee identifies prospective director nominees from any reasonable source and has the ability to engage third-party services for the identification and evaluation of potential nominees. The charter of the Nominating Committee provides that each prospective director candidate have a college degree or equivalent business experience. In addition, it is the Board's policy that Directors on the Board may not serve in a similar capacity on the board of a registered investment company which is not sponsored or advised by the Fund's investment adviser or its affiliates. Although there are no minimum qualifications other than as described above, the Nominating Committee may take into account a wide variety of factors in considering prospective director nominees, including (but not limited to) the overall diversity of the Board's composition and the prospective nominee's (i) availability and commitment to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; and (v) ability, judgment and expertise.

The Nominating Committee will consider potential director nominees recommended by Fund shareholders provided that the proposed nominees satisfy the director qualification requirements provided in the Fund's Articles of Incorporation and Bylaws, are not interested persons of the Fund or the Fund's investment adviser within the meaning of the 1940 Act, and otherwise satisfy the eligibility requirements which are set forth in the Nominating Committee charter and the Procedures and Eligibility Requirements for Shareholder Submission of Nominee Candidates, Appendix A to the charter (the Shareholder Nominating Procedures); and, provided further, that the recommending shareholder follows the procedures set forth in the Shareholder Nominating Procedures for submitting the nominee recommendation to the Nominating Committee. Among other requirements, the Shareholder Nominating Procedures require that a recommending shareholder submit any recommendation in writing to the Fund at its principal executive offices to the attention of the Fund's Secretary, and require that such a submission be received by the Fund by the deadline for submission of shareholder proposals for presentation at the next annual meeting of the Fund, as set forth in the Fund's Bylaws (i.e., normally not less than 45 nor more than 60 days prior to the date the Fund first mailed its proxy materials for the prior year's annual meeting).

Shareholders recommending potential director nominees must substantiate compliance with the Shareholder Nominating Procedures at the time of submitting their proposed director nominee to the attention of the Fund's Secretary. Notice to the Fund's Secretary should be provided in accordance with the deadline specified above and include, among other things, (i) the shareholder's contact information; (ii) the director nominee's contact information and the number of Fund shares owned by the proposed nominee; (iii) all information regarding the proposed nominee that would be required to be disclosed in solicitations of proxies for election of directors required by Regulation 14A of the Securities Exchange Act of 1934, as amended (the 1934 Act); and (iv) a written consent executed by the proposed nominee, stating his or her intention to serve as a nominee and be named in the Fund's proxy statement, if nominated by the Board, and to be named as a director if so elected.

Other than compliance with the requirements mentioned above and set forth in greater detail in the Shareholder Nominating Procedures for submission by shareholders of recommendations for director nominees, the Nominating Committee does not otherwise evaluate potential director nominees recommended by shareholders in a different manner and the standard of the Nominating Committee is to treat all equally qualified potential nominees in the same manner. The foregoing description of the requirements for shareholder submission of a nominee recommendation is only a summary. For additional information, please refer to the Procedures and Eligibility Requirements for Shareholder Submission of Nominee Candidates, Appendix A to the Nominating Committee Charter, which is available on the Fund's website at www.rcsfund.com.

No nominee recommendations have been received from shareholders.

During the fiscal year ended January 31, 2008, the Nominating Committee met twice.

In recognition of their past service to the Fund, and contingent upon the approval by shareholders of a new slate of Directors, PIMCO will make a one-time payment to all current Independent Directors. The payment is based on several factors, including the number of years each Independent Director has served on the Board. If Proposal 1 is approved, PIMCO will pay the current Independent Directors their annual retainer for the remainder of 2008, plus the following additional amounts: Francis E. Lundy (\$120,000), James M. Whitaker (\$120,000), Gregory S. Young (\$90,000) and Carter W. Dunlap, Jr. (\$60,000). Pre-approval Policies and Procedures

The pre-approval policies and procedures of the Fund require that the Audit Oversight Committee pre-approve all audit services and permitted non-audit services provided by PwC or any other independent registered public accounting firm engaged by the Fund (the Auditor). The Audit Oversight Committee must also pre-approve any engagement of the Auditor to provide non-audit services to (i) the Fund's investment adviser, and (ii) any entity controlling, controlled by, or under common control with the Fund's investment adviser that provides ongoing services to the Fund (entities in (i) and (ii), hereinafter Service Affiliates) if the services provided to such Service Affiliates relate directly to the operations and financial reporting of the Fund (Covered Non-Audit Services). At each meeting of the Audit Oversight Committee, the Committee considers and pre-approves a list of non-audit services that may be provided by the Auditor to the Fund or its Service Affiliates prior to the Committee's next meeting and the maximum compensation therefor.

There is an exception to the pre-approval requirement for non-audit services, which would apply only if certain conditions are met, including that (i) the aggregate fees and costs of all non-audit services that, but for this limited exception, would require pre-approval by the Audit Oversight Committee constitutes no more than five percent of the total fees and costs paid by the Fund and Services Affiliates to the Auditor during the fiscal year during which such non-audit services are provided; (ii) at the time of engagement for such services, the Fund did not recognize that the services were non-audit services that required pre-approval; and (iii) each such service is promptly brought to the attention of and approved by the Audit Oversight Committee prior to the completion of the audit. The exception to the pre-approval requirement was not invoked with respect to any of the non-audit services described above.

Compliance with Section 16(a) of the 1934 Act

Section 16(a) of the 1934 Act, and Section 30(h) of the 1940 Act require the Fund's officers and Directors, investment adviser, affiliates of the investment adviser, and persons who beneficially own more than ten percent of a registered class of the Fund's securities (Reporting Persons), to file reports of ownership of the Fund's securities and changes in ownership with the Securities and Exchange Commission (SEC) and New York Stock Exchange (NYSE). Reporting Persons are also required by such regulations to furnish the Fund with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it and written representation of certain Reporting Persons, the Fund believes that during fiscal year 2007, all Reporting Persons complied with all applicable filing requirements.

OTHER BUSINESS

The Directors do not know of any matters to be presented at the Meeting other than those set forth in this proxy statement. If other business should properly come before the Meeting, proxies will be voted in accordance with the judgment of the persons named in the accompanying proxy.

ADDITIONAL INFORMATION

Legal Proceedings

Since February 2004, PIMCO, AGI, and certain of their affiliates, including the PIMCO Funds (a complex of mutual funds managed by PIMCO), the Allianz Funds (a complex of mutual funds managed by affiliates of PIMCO), certain PIMCO Funds trustees, and certain employees of PIMCO have been named as defendants in eleven lawsuits filed in various jurisdictions. These lawsuits concern market timing, and they have been transferred to and consolidated for pre-trial proceedings in a multi-district litigation proceeding in the U.S. District Court for the District of Maryland. The lawsuits have been commenced as putative class actions on behalf of investors who purchased, held or redeemed shares of the various series of the PIMCO Funds and the Allianz Funds during specified periods, or as derivative actions on behalf of the PIMCO Funds and the Allianz Funds. These lawsuits seek, among other things, unspecified compensatory damages plus interest and in some cases, punitive damages, the rescission of investment advisory contracts, the return of fees paid under those contracts and restitution.

These actions generally allege that certain hedge funds were allowed to engage in market timing in certain funds of the Allianz Funds and of the PIMCO Funds and this alleged activity was not disclosed. Pursuant to tolling agreements entered into with the derivative and class action plaintiffs, PIMCO, certain PIMCO Funds trustees, and certain employees of PIMCO who were previously named as defendants have all been dropped as defendants in the market timing actions; however, the plaintiffs continue to assert claims on behalf of the shareholders of the PIMCO Funds or on behalf of the PIMCO Funds themselves against other defendants. By order dated November 3, 2005, the U.S. District Court for the District of Maryland granted the PIMCO Funds motion to dismiss claims asserted against it in a consolidated amended complaint where the PIMCO Funds were named, in the complaint, as a nominal defendant. Thus, at present the PIMCO Funds are not a party to any market timing lawsuit.

Two nearly identical class action civil complaints have been filed in August 2005, in the Northern District of Illinois Eastern Division, alleging that the plaintiffs each purchased and sold a 10-year Treasury note futures contract and suffered damages from an alleged shortage when PIMCO held both physical and futures positions in 10-year Treasury notes for its client accounts. The two actions have been consolidated into one action, and the two separate complaints have been replaced by a consolidated complaint. PIMCO is a named defendant, and the PIMCO Funds have been added as a defendant, to the consolidated action. PIMCO and the PIMCO Funds strongly believe the complaint is without merit and intend to vigorously defend themselves.

In April 2006, certain registered investment companies and other funds managed by PIMCO were served in an adversary proceeding brought by the Official Committee of Asbestos Claimants of G-I Holdings, Inc. in G-I Holdings, Inc.'s bankruptcy in the District of New Jersey. In July 2004, PIMCO was named in this lawsuit and remains a defendant. The plaintiff seeks to recover for the bankruptcy estate assets that were transferred by the predecessor entity of G-I Holdings, Inc. to a wholly-owned subsidiary in 1994. The subsidiary has since issued notes, of which certain registered investment companies and other funds managed by PIMCO are alleged to be holders. The complaint alleges that in 2000, more than two hundred noteholders including certain registered investment companies and other funds managed by PIMCO were granted a second priority lien on the assets of the subsidiary in exchange for their consent to a refinancing transaction and the granting of a first priority lien to the lending banks. The plaintiff is seeking invalidation of the lien in favor of the noteholders and/or the value of the lien. On June 21, 2006, the District of New Jersey overturned the Bankruptcy Court's decision granting permission to file the adversary proceeding and remanded the matter to the Bankruptcy Court for further proceedings. Following a motion to reconsider, the District Court upheld its remand on August 7, 2006, and instructed the Bankruptcy Court to conduct a cost-benefit analysis of the Committee's claims, including the claims against the noteholders. The Bankruptcy Court held a status conference on October 25, 2006 and set a briefing schedule relating to this cost-benefit analysis. To date, no briefs have been filed. This matter is not expected to have a material adverse effect.

None of the aforementioned complaints alleges that any improper activity took place in the Fund.

The foregoing speaks only as of the date of this proxy statement. It is possible that these matters and/or other developments resulting from these matters could lead to a decrease in the market value of the Fund's shares or other adverse consequences to the Fund. However, PIMCO believes that these matters are not likely to have a material adverse effect on the Fund or on PIMCO's ability to perform its investment advisory services relating to the Fund.

Expenses

The cost of solicitation, including postage, printing and handling, will be borne by the Fund. The solicitation will be made primarily by mail, but may be supplemented by telephone calls, and personal interview by officers, employees and agents of the Fund.

Quorum and Votes Required

The representation in person or by proxy of at least a majority of the outstanding shares of common stock of the Fund entitled to vote is necessary to constitute a quorum for transacting business at the Meeting. For purposes of determining the presence of a quorum, abstentions, withheld votes or broker non-votes will be counted as present. Broker non-votes occur when the Fund receives a proxy from a broker or nominee indicating that the broker or nominee does not have discretionary power to vote on a particular matter and that the broker or nominee has not received instructions from the beneficial owner or other person entitled to vote the shares represented by the proxy. Abstentions or broker non-votes with respect to Proposal 1 will have the effect of a vote AGAINST that proposal. Pursuant to the rules and policies of the NYSE, members of the NYSE who exercise investment discretion pursuant to an advisory contract for the beneficial owner may vote on Proposal 1 without instructions from beneficial owners of the Fund's shares.

All shares represented by each properly signed proxy received prior to the Meeting will be voted at the Meeting. If a shareholder specifies how the proxy is to be voted on any of the business matters to come before the Meeting, it will be voted in accordance with the specification. If no specification is made, the proxy will be voted FOR the election of the Directors nominated by the Board of Directors (Proposal 1). The proxy may be revoked by a shareholder at any time prior to its use by written notice to the Fund, by submission of a subsequent proxy, or by voting in person at the Meeting.

In the event that sufficient votes in favor of the proposal set forth in the Notice of the Annual Meeting of Shareholders are not received by the time scheduled for the Meeting, the persons named as proxies may propose one or more adjournments of the Meeting after the date set for the original Meeting to permit further solicitation of proxies with respect to the proposal. In addition, if, in the judgment of the persons named as proxies, it is advisable to defer action on the proposal, the persons named as proxies may propose one or more adjournments of the Meeting for a reasonable time. Any such adjournments will require the affirmative vote of a majority of the votes cast on the question in person or by proxy at the session of the Meeting to be adjourned, as required by the Fund's Articles of Incorporation and By-Laws. The persons named as proxies will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the proposal. They will vote against any such adjournment those proxies required to be voted against the proposal. The costs of any additional solicitation and of any adjourned session will be borne by the Fund. Any proposal for which sufficient favorable votes have been received by the time of the Meeting may be acted upon and such action will be final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal.

At the close of business on April 25, 2008, the record date for the determination of shareholders entitled to vote at the Meeting, there were 37,830,167 outstanding shares of common stock. Each such share is entitled to one vote.

Voting

To vote, shareholders may sign and mail the proxy card received with the proxy statement or attend the Meeting in person.

Required Vote

Election of the Nominees to the Board of Directors (Proposal 1) will require the affirmative vote of a plurality of the votes cast in the election of directors at the Meeting, in person or by proxy. Withheld votes and broker non-votes will not be counted in favor of Proposal 1.

Shareholders' Proposals

A shareholder's proposal that is intended to be presented at the Fund's Annual Meeting of Shareholders in 2009 must have been received by the Fund no later than January 15, 2009 in order to be included in the Fund's proxy statement and form of proxy relating to that meeting. A shareholder who wishes to make a proposal at the Fund's Annual Meeting of Shareholders in 2009 without including the proposal in the Fund's proxy statement must notify the Fund in writing, at the Fund's offices, of such

proposal no earlier than March 16, 2009 and no later than March 31, 2009. If a shareholder fails to give timely notice, then the persons named as proxies in the proxies solicited by the Board for the Fund's Annual Meeting of Shareholders in 2009 may exercise discretionary voting power, to the extent permitted by NYSE rules, with respect to any such proposal.

Other Information

To ensure the presence of a quorum at the Meeting, prompt execution and return of the enclosed proxy is requested. A self-addressed, postage-paid envelope is enclosed for your convenience.
