Annual Meeting of Stockholders

March 6, 2009

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Aberdeen Asia-Pacific Income Fund, Inc., a Maryland corporation (the Fund), to be voted at the Annual Meeting of Stockholders of the Fund (the Meeting) to be held at 1735 Market Street, 37th Floor, Philadelphia, Pennsylvania, on Friday, March 6, 2009, at 11:00 a.m. (Eastern time), or at any adjournments or postponements thereof. The approximate mailing date for this Proxy Statement is January 23, 2009, or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting, or at any adjournments or postponements thereof, in accordance with the instructions marked on the proxy card. Except as described below, unless instructions to the contrary are marked on the proxy card, proxies received will be voted **FOR** Proposals 1, 2 and 3. The persons named as proxy holders on the proxy card will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund (addressed to the Secretary at the principal executive office of the Fund, 800 Scudders Mill Road, Plainsboro, New Jersey 08536), or by attending the Meeting and voting in person. Stockholders may authorize proxy voting by using the enclosed proxy card along with the enclosed envelope with pre-paid postage. Stockholders may also authorize proxy voting by telephone, by following the instructions contained on their proxy card.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, withheld votes (with respect to Proposal 1) or abstentions (with respect to Proposals 2 and 3) and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the Meeting.

Approval of Proposal 1 (Election of Class III Directors to the Board of Directors) will require the affirmative vote of a majority of the shares of common stock outstanding and entitled to vote thereon. Approval of Proposal 2 (Ratification and approval of modifications to the Investment Management Agreement between the Fund and Aberdeen Asset Management Asia Limited, and modifications to the Investment Advisory Agreement among the Fund, Aberdeen Asset Management Asia Limited and Aberdeen Asset Management Limited and the fees paid thereunder to the extent based on assets attributable to investment leverage other than preferred stock with effect from April 22, 2008; and approval of the amended and restated Investment Management Agreement and Investment Advisory Agreement as new agreements) and Proposal 3 (Approval of a New Sub-advisory Agreement among the Fund, Aberdeen Asset Management Asia Limited and Aberdeen Asset Management Investment Services Limited) will each require the affirmative vote of a majority of the outstanding voting securities as

defined by the Investment Company Act of 1940, as amended (1940 Act). The term a majority of the outstanding voting securities, as defined by the 1940 Act and as used in this Proxy Statement, means: the affirmative vote of the lesser of (1) 67% or more of the voting securities of the Fund present at the Meeting, if the holders of more than 50% of the Fund s outstanding voting securities are present or represented by proxy, or (2) more than 50% of the Fund s outstanding voting securities (1940 Act Majority).

A withheld vote with respect to a Class III Director (Proposal 1) will be treated as present and will have the effect of a vote **AGAINST** that Director. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other person entitled to vote shares on Proposal 1 will be voted **FOR** such Proposal. An abstention as to Proposal 2 or Proposal 3 will be treated as present and will have the effect of a vote **AGAINST** the Proposal. With respect to Proposal 2 or Proposal 3, broker non-votes will be treated as present for purposes of determining quorum, but will not be considered votes cast at the Meeting and will have the same effect as a vote **AGAINST** such Proposal.

If a quorum is not present in person or by proxy at the time the Meeting is called to order, the chairman of the Meeting may adjourn the Meeting. If a quorum is present but there are not sufficient votes to approve a proposal, the chairman of the Meeting may adjourn the Meeting, or may permit the persons named as proxy holders to propose one or more adjournments of the Meeting, to permit further solicitation of proxies on that proposal. If the persons named as proxy holders propose to adjourn the Meeting, the vote required for stockholders to adjourn the Meeting is the affirmative vote of a majority of all the votes cast on the matter. In such a case, the persons named as proxy holders will vote those proxies which they are entitled to vote in favor of the proposal **FOR** the adjournment as to that proposal, and will vote those proxies required to be voted against the proposal **AGAINST** the adjournment as to that proposal. For purposes of votes with respect to adjournment, broker non-votes will not be counted as votes cast and will have no effect on the result of the vote. If the motion for adjournment is not approved, the voting on that proposal will be completed at the Meeting.

Only stockholders or their duly appointed proxy holders can attend the Meeting and any adjournment or postponement thereof. To gain admittance, if you are a stockholder of record or a proxy holder of a stockholder of record, you must bring a form of personal identification to the Meeting, where your name will be verified against our stockholder list. If a broker or other nominee holds your shares and you plan to attend the Meeting, you should bring a recent brokerage statement showing your ownership of the shares, as well as a form of personal identification. If you are a beneficial owner and plan to vote at the Meeting, you should also bring a proxy card from your broker.

The Board of Directors has fixed the close of business on December 22, 2008 as the record date (Record Date) for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof. Stockholders on the Record Date will be entitled to one vote for each share held. As of the Record Date, the Fund had outstanding 216,089,643 shares of common stock, par value \$0.01 per share.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on Friday, March 6, 2009. The Proxy Statement and the Fund s most recent annual report are available on the Internet at <http://www.aberdeen-asset.us>. To request a copy, please write to the Fund c/o Aberdeen Asset Management Inc., 1735 Market Street, 37th Floor, Philadelphia, PA 19103, or call Telephone: 1-800-522-5465. You may also call for information on how to obtain directions to be able to attend the Meeting and vote in person.

PROPOSAL 1: ELECTION OF CLASS III DIRECTORS

The Fund's bylaws provide that the Board of Directors to be elected by holders of the Fund's common stock will be divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year. Each year the term of office of one class expires. Directors who are deemed "interested persons" (as that term is defined in Section 2(a)(19) of the 1940 Act) of the Fund, the Fund's investment manager, Aberdeen Asset Management Asia Limited (the "Investment Manager" or "AAMAL"), or the Fund's investment adviser, Aberdeen Asset Management Limited (the "Investment Adviser" or "AAML"), are referred to in this Proxy Statement as "Interested Directors." Directors who are not interested persons, as described above, are referred to in this Proxy Statement as "Independent Directors."

The Board of Directors of the Fund, including the Independent Directors, upon the recommendation of the Board's Nominating and Corporate Governance Committee, which is composed entirely of Independent Directors, has nominated Martin J. Gilbert, William J. Potter, and Brian M. Sherman to serve as Class III Directors for three-year terms, to expire at the Annual Meeting of Stockholders to be held in 2012, and until their successors are duly elected and qualify. Mr. Gilbert was elected by stockholders as a Class III Director to serve until the 2009 Annual Meeting of Stockholders ("2009 Annual Meeting"). Messrs. William J. Potter and Brian M. Sherman were previously elected by holders of the Fund's auction market preferred stock ("AMPS") to serve as Preferred Directors for one-year terms expiring at the 2009 Annual Meeting. The Fund's AMPS were subsequently redeemed in April 2008 and replaced by a loan facility with a syndicate of financial institutions led by the Bank of Nova Scotia. Since there are no longer any AMPS outstanding, the Fund will no longer have Preferred Directors. Pursuant to the provisions of the Fund's bylaws and based on a recommendation by the Fund's Nominating and Corporate Governance Committee, the Fund's Board of Directors, at its December 9, 2008 meeting, determined to reclassify Messrs. Brian M. Sherman and William J. Potter as Class III Directors of the Fund, each to serve for the remainder of a three-year term set to expire at the 2009 Annual Meeting. Each of the nominees has indicated an intention to serve if elected and has consented to be named in this Proxy Statement.

It is the intention of the persons named on the enclosed proxy card to vote **FOR** the election of the persons indicated above to serve as Class III Directors. The Board of Directors of the Fund knows of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend.

The names of the Fund's nominees for election as Class III Directors, and each other Director of the Fund who will continue to serve after the 2009 Annual Meeting, and their addresses, ages and principal occupations during the past five years, are provided in the tables below.

PROPOSAL 2: RATIFICATION AND APPROVAL OF MODIFICATIONS TO THE INVESTMENT MANAGEMENT AGREEMENT (INVESTMENT MANAGEMENT AGREEMENT) BETWEEN THE FUND AND ABERDEEN ASSET MANAGEMENT ASIA LIMITED, AND MODIFICATIONS TO THE INVESTMENT ADVISORY AGREEMENT (INVESTMENT ADVISORY AGREEMENT) AMONG THE FUND, ABERDEEN ASSET MANAGEMENT ASIA LIMITED, AND ABERDEEN ASSET MANAGEMENT LIMITED, AND THE FEES PAID THEREUNDER TO THE EXTENT BASED ON ASSETS ATTRIBUTABLE TO INVESTMENT LEVERAGE OTHER THAN PREFERRED STOCK, WITH EFFECT FROM APRIL 22, 2008; AND APPROVAL OF THE AMENDED AND RESTATED AGREEMENTS AS NEW AGREEMENTS

The Fund is seeking stockholder ratification and approval of certain modifications to the Investment Management Agreement and the Investment Advisory Agreement (the Agreements) made by the Fund's Board of Directors at its meeting on June 11, 2008, payments made under the Agreements with respect to Fund assets attributable to bank borrowings with effect from April 22, 2008, as well as approval of the Agreements as new agreements. These modifications, which base the calculation of management and advisory fees on Managed Assets (described below) instead of net assets applicable to shares of common stock and shares of preferred stock , were approved by the Board of Directors following the Fund's redemption of its auction market preferred stock (AMPS), to clarify that the management and advisory fees payable under the Agreements are to be with respect to total managed assets as explained below. Prior to April 22, 2008 (the commencement of the redemption of the AMPS), the only form of investment leverage used by the Fund was the issuance of preferred stock (i.e., the AMPS); and investment management and advisory compensation under the Agreements was based on the Fund's total managed assets which included assets applicable to shares of the Fund's preferred stock. With the redemption of the AMPS and the Fund's use of bank borrowings for investment leverage, the Board of Directors modified the Agreements so that compensation under the Agreements would continue to be paid with reference to all of the Fund's managed assets, including those assets attributable to investment leverage in addition to preferred stock, which would include the bank borrowings used to redeem the AMPS. These modifications, which alter the Agreements' operative wording describing how the management and advisory fees are calculated, were made to reaffirm the intent of the Board of Directors, and to describe with precision that management and advisory fees are paid with respect to all Fund managed assets, including those obtained through any form of authorized investment leverage. Fees accrued under the Investment Management Agreement with respect to assets attributable to the bank borrowings, from April 22, 2008 to January 16, 2009, are \$1,880,787, of which \$1,743,274, through December 26, 2008 have been paid by the Fund. As of January 16, 2009, these accrued management fees are comparable to 0.119 percent of the Fund's average weekly net assets (or 0.087 percent of the Fund's average weekly Managed Assets). Total management fees accrued under the Investment Management Agreement with respect to all Managed Assets from April 22, 2008 to January 16, 2009 were \$8,272,279. If fees were accrued only with respect to the Fund's net assets applicable to common stock, such fees would have totaled \$6,391,492. In order to remove any doubt as to the intent of the Fund and the Board of Directors with regard to compensation payable under the Agreements, the modification of the compensation provisions, the payments made with respect to assets attributable to the bank borrowings, and the effectiveness and validity of such actions, the Fund is seeking stockholder ratification and approval of

the current Agreements, approval of the Agreements as new amended and restated Agreements, and the payments of management and advisory fees based on assets attributable to the bank borrowings with effect from April 22, 2008. The management fees based on assets attributable to the bank borrowings, paid by the Fund, have been placed in an escrow account and such fee payments will continue to be paid into an escrow account until the proposed vote is taken by Fund stockholders. If this Proposal 2 is approved, the fees in the escrow account will be paid to Aberdeen Asset Management Asia Limited; if this Proposal 2 is not approved, the fees in the escrow account will be returned to the Fund with interest and future payments under the Agreements will be attributable solely to the Fund's net assets. Forms of the Investment Management Agreement and the Investment Advisory Agreement, showing these modifications, are attached to this Proxy Statement as Exhibits A and B, respectively.

The Investment Manager, the Investment Adviser and the Agreements

Aberdeen Asset Management Asia Limited serves as investment manager to the Fund and Aberdeen Asset Management Limited serves as investment adviser to the Fund. The Fund last submitted the Agreements to shareholders for approval in 2000 in connection with the acquisition by Aberdeen Asset Management PLC (Aberdeen PLC) of The EquitiLink Group, the then-current manager and investment adviser of the Fund. The Fund's current Agreements were initially approved by the Board of Directors on December 11, 2003 and are dated as of March 8, 2004. Continuation of each of the Agreements was most recently approved unanimously by the Fund's Board of Directors, and by the Fund's Independent Directors voting separately, at a meeting held on September 9, 2008, as described in the Fund's annual report for the year ended October 31, 2008. The modification of the Agreements was approved and ratified by the Board of Directors on June 11, 2008 subject to shareholder ratification and approval to permit the Investment Adviser and Investment Manager to continue to be paid, as described in further detail below, for all assets under management following the Fund's redemption of its AMPS. In making this approval and ratification, the Board of Directors determined that, in the event Fund stockholders do not approve the clarification to the language with respect to the calculation of the management and advisory fees, the Investment Manager and Investment Adviser will return the fees, currently held in escrow, received from the assets of the Fund attributable to bank borrowings since April 22, 2008, plus interest.

Each Agreement shall continue in effect with respect to the Fund for successive periods of twelve months following its initial approval, provided that each such continuance shall be specifically approved annually by the vote of a majority of the Fund's Board of Directors who are not parties to that Agreement or interested persons (as defined in the 1940 Act) of any such party, cast in person at a meeting called for the purpose of voting on such approval and either (a) the vote of a majority of the outstanding voting securities of Fund (a 1940 Act Majority), or (b) the vote of a majority of the Fund's entire Board of Directors. Notwithstanding the foregoing, each Agreement may be terminated with respect to the Fund at any time, without the payment of any penalty, by a vote of a majority of the Fund's Board of Directors or a 1940 Act Majority upon at least sixty (60) days' written notice. Each Agreement shall automatically terminate as to any party in the event of its assignment (as defined in the 1940 Act).

Reason for the Modifications to the Agreements

The Agreements formerly contemplated that management and advisory fees be paid based on average weekly net assets applicable to shares of common stock and shares of preferred stock. As discussed below, the Fund replaced all of its preferred stock (the AMPS) with bank debt, which at that time was a lower cost form of leverage for common stockholders. As a result, the Board of Directors determined to modify the Agreements subject to stockholder ratification and approval to make clear that management and advisory fees are payable based on Managed Assets, a term that encompasses net assets applicable to common stock and assets applicable to all forms of investment leverage, including preferred stock and bank debt.

The Fund has, since 1989, used leverage to attempt to enhance investment returns. The sole form of leverage employed by the Fund until April 22, 2008 was \$600 million of AMPS, a form of preferred stock whose rates were set by auctions every 7 or 28 days. Common stockholders benefited when such rates were lower than the returns generated by the Fund's portfolio. The use of AMPS as leverage, over time, enhanced the Fund's returns to common stockholders and increased the Fund's overall asset size. Pursuant to the Agreements, the Investment Adviser and Investment Manager provide investment services with respect to all of the Fund's assets, regardless of whether such assets have been derived from the sale of common stock or the use of leverage; until April 22, 2008, the Investment Adviser and the Investment Manager were compensated on the basis of the Fund's net assets attributable to common stock and the Fund's then sole form of leverage, preferred stock in the form of AMPS.

In early February 2008, in part because of the liquidity crisis in the broader credit markets, AMPS auctions began to fail, meaning that AMPS holders were unable to sell their AMPS, and the AMPS rates automatically reset to the maximum rate permitted under the AMPS program. As a result, the average dividend rate paid on the AMPS increased and was 5.30% over the quarter ended April 30, 2008. The Fund and its Board of Directors moved quickly to seek other forms of leverage. On April 21, 2008, the Fund entered into a loan facility with a syndicate led by The Bank of Nova Scotia in the amount of \$600 million. As a result of the Board's timely action, common stockholders benefited from a relatively lower cost of leverage: the average interest rate on the loan facility was 4.23% for the period April 21, 2008 through April 30, 2008. By May 13, 2008, the Fund had completely replaced the \$600 million of AMPS with \$600 million of leverage from the credit facility.

Following the replacement of the Fund's AMPS, management discussed with the Board at the Board's June 11, 2008 meeting the provisions in the Agreements providing that calculation of management and advisory fees be paid partially based on the Fund's net assets applicable to shares of preferred stock. Management and the Board agreed that the intention was for the Investment Manager and Investment Adviser to be paid fees based on all assets under management, including assets attributable to authorized investment leverage. At the meeting held on June 11, 2008, the Board approved and ratified the modifications to the Agreements so that these calculations would be based on Managed Assets, which include Fund assets attributable to the bank debt used to replace the AMPS. Managed Assets are defined as follows:

total assets of the Fund, including any form of investment leverage, minus all accrued expenses incurred in the normal course of operations, but not excluding any liabilities or obligations attributable to investment leverage obtained through (i) indebtedness of any type (including, without limitation, borrowing through a credit facility or the issuance of debt securities), (ii) the issuance of preferred stock or other similar preference securities (including, without limitation, the liquidation value of any such stock or securities), (iii) the reinvestment of collateral received for securities loaned in accordance with the Fund's investment objectives and policies, and/or (iv) any other means.

The Board required that the fee calculation be fully disclosed to stockholders in subsequent stockholder reports and conditioned their approval on stockholder ratification and approval of the change at the 2009 Annual Meeting. This clarification of the basis on which management and advisory fees are to be calculated, as approved by the Board, permits the Board to evaluate and select any appropriate form of leverage for the Fund and move quickly in a highly volatile market environment without seeking further modifications to the Agreements. The Board also noted that the clarification encourages the Investment Manager to utilize assets derived from any form of approved leverage for the benefit of the Fund's stockholders.

Board Considerations

In determining to modify the Agreements and recommend that stockholders ratify and approve this action, the Board noted, in particular, that the services provided to the Fund under the Agreements remain unchanged and the Agreements as modified provide for the same fee schedule as before; fees paid for any level of Fund assets applicable to common stock and any form of investment leverage under the modified Agreements will be no greater than fees paid for the same level of Fund assets applicable to common stock and preferred stock (*i.e.*, the Investment Manager would receive exactly the same fee on

assets applicable to \$600 million of preferred stock as it would for assets applicable to \$600 million of bank debt). The Board noted that it had been the intent of all parties that the fee calculation in the Agreements was designed to compensate the Investment Manager and Investment Adviser on the basis of the amount of assets as to which they make investment decisions and provide investment management services and that the modified Agreements reflected this intention more clearly than the original formulation. The Board also believed it would be unfair to the Investment Manager and Investment Adviser to require the assets attributable to debt financing be managed without compensating the Investment Manager and Investment Adviser for doing so.

For your reference, the modified language is set forth below.

(A) Management Agreement:

Prior Fee Description:

The Fund will pay the Investment Manager a fee at the annual rate of 0.65% of the Fund's average weekly net assets applicable to shares of common stock and shares of preferred stock up to \$200 million, 0.60% of such assets between \$200 million and \$500 million, 0.55% of such assets between \$500 and \$900 million, 0.50% of such assets between \$900 million and \$1,750 million and 0.45% of such assets in excess of \$1,750 million, computed based upon net asset value applicable to shares of common stock and shares of preferred stock at the end of each week and payable at the end of each calendar month.

Fee Description as Modified:

The Fund will pay the Investment Manager a fee at the annual rate of 0.65% of the Fund's average weekly Managed Assets up to \$200 million, 0.60% of such assets between \$200 million and \$500 million, 0.55% of such assets between \$500 million and \$900 million, 0.50% of such assets between \$900 million and \$1,750 million and 0.45% of such assets in excess of \$1,750 million. For purposes of this calculation, Managed Assets of the Fund shall mean total assets of the Fund, including any form of investment leverage, minus all accrued expenses incurred in the normal course of operations, but not excluding any liabilities or obligations attributable to investment leverage obtained through (i) indebtedness of any type (including, without limitation, borrowing through a credit facility or the issuance of debt securities), (ii) the issuance of preferred stock or other similar preference securities (including, without limitation, the liquidation value of any such stock or securities), (iii) the reinvestment of collateral received for securities loaned in accordance with the Fund's investment objectives and policies, and/or (iv) any other means. Such compensation shall be determined at the end of each week and payable at the end of each calendar month.

Stockholders are being asked to consider the ratification and approval of the modification of the Investment Management Agreement relating to the calculation of fees excerpted above, as approved by the Fund's Board of Directors at its meeting on June 11, 2008, as well as ratify and approve the payments made under the Investment Management Agreement since April 22, 2008 (the effective date of the Fund's participation in the loan facility) with respect to assets attributable to loan facility leverage. Stockholders are also being asked to approve the amended and restated Investment Management Agreement as a new agreement. The Board of Directors conditioned its approvals on an agreement of the Investment Manager and Investment Adviser that, if stockholders do not ratify and approve the modifications of the Agreements and the fees paid thereunder, management fees paid by the Fund with respect to assets attributable to loan facility leverage since April 22, 2008, currently held in escrow, plus interest will be returned to the Fund and the fee calculation language in the Investment Management Agreement will revert to the prior fee description above.

(B) Advisory Agreement:

Prior Fee Description:

The Investment Manager will pay the Investment Adviser a fee computed at the annual rate of 0.25% of the Fund's average weekly net assets applicable to the shares of common stock and shares of preferred stock up to \$1,200 million and 0.20% of such assets in excess of \$1,200 million, computed based upon net asset value applicable to shares of common stock and shares of preferred stock at the end of each week and payable at the end of each calendar month.

Fee Description as Modified:

The Investment Manager will pay the Investment Adviser a fee at the annual rate of 0.25% of the Fund's average weekly Managed Assets up to \$1,200 million and 0.20% of such assets in excess of \$1,200 million. For purposes of this calculation, Managed Assets of the Fund shall mean total assets of the Fund, including any form of investment leverage, minus all accrued expenses incurred in the normal course of operations, but not excluding any liabilities or obligations attributable to investment leverage obtained through (i) indebtedness of any type (including, without limitation, borrowing through a credit facility or the issuance of debt securities), (ii) the issuance of preferred stock or other similar preference in securities (including, without limitation, the liquidation value of any such stock or securities), (iii) the reinvestment of collateral received for securities loaned in accordance with the Fund's investment objectives and policies, and/or (iv) any other means. Such compensation shall be determined at the end of each week and payable at the end of each calendar month.

Stockholders are being asked to consider the ratification and approval of the modification of the Investment Advisory Agreement relating to the calculation of fees excerpted above, as approved by the Fund's Board of Directors at its meeting on June 11, 2008, as well as ratify and approve the payments made under the Investment Advisory Agreement since April 22, 2008 (the effective date of the Fund's participation in the loan facility) with respect to assets attributable to loan facility leverage. Stockholders are also being asked to approve the amended and restated Investment Advisory Agreement as a new agreement. The Board of Directors conditioned its approvals on an agreement of the Investment Manager and Investment Adviser that, if stockholders do not ratify and approve the modifications of the Agreements and the fees paid thereunder, management fees paid by the Fund with respect to assets attributable to loan facility leverage since April 22, 2008, currently held in escrow, plus interest will be returned to the Fund and the fee calculation language in the Investment Advisory Agreement will revert to the prior fee description above.

Effect of the Modifications of the Agreements on Fees to be Paid

Fees accrued under the Investment Management Agreement with respect to assets attributable to the bank borrowings, from April 22, 2008 to January 16, 2009, are \$1,880,787, of which \$1,743,274, through December 26, 2008 have been paid by the Fund. As of January 16, 2009, these accrued management fees are comparable to 0.119 percent of the Fund's average weekly net assets (or 0.087 percent of the Fund's average weekly Managed Assets). Total management fees accrued under the Investment Management Agreement with respect to all Managed Assets from April 22, 2008 to January 16, 2009 were \$8,272,279. If fees were accrued only with respect to the Fund's net assets applicable to common stock, such fees would have totaled \$6,391,492. The Agreements as amended and restated provide for the same fee rates and breakpoints as before; fees paid for any level of Fund assets applicable to common stock and any form of leverage under the modified Agreements will be no greater than fees paid for the same level of Fund assets applicable to common stock and preferred stock. If the amount of the Fund's assets under management increases through additional borrowing, this would result in an increase in the amount of the fees payable by the Fund under the Management Agreement, but would not increase the fee rate.

Exhibit C to this Proxy Statement provides information regarding the principal executive officers and directors of the Investment Manager and the Investment Adviser. No officer or Director of the Fund is also an officer, employee or director

of the Investment Manager and Investment Adviser, other than Messrs. Gilbert, Bovingdon, Goodhand and Michael. No Independent Director of the Fund owns any securities of, or has any other material direct or indirect interest in, the Investment Manager and Investment Adviser or any of their affiliates. Messrs. Bartlett and Gilbert own shares of Aberdeen PLC. In addition, employees of Aberdeen PLC or its affiliates may receive, as a portion of their bonus, deferred shares of and/or stock options for Aberdeen PLC, which vest upon the occurrence of certain events.

The Investment Manager and Investment Adviser also provide investment management and advisory services to Aberdeen Global Income Fund, Inc. (FCO), a US registered closed-end management investment company within the same family of investment companies of the Fund. For additional information regarding FCO and the investment management and investment advisory fees paid by FCO to the Investment Manager and Investment Adviser, as well as to other affiliated entities, see Proposal 3.

The Board of Directors, including the Independent Directors, recommends that stockholders vote FOR PROPOSAL 2.

PROPOSAL 3: APPROVAL OF A NEW SUB-ADVISORY AGREEMENT AMONG THE FUND, ABERDEEN ASSET MANAGEMENT ASIA LIMITED AND ABERDEEN ASSET MANAGEMENT INVESTMENT SERVICES LIMITED

Introduction

At the Meeting, stockholders will be asked to approve the Sub-Advisory Agreement among the Fund, Aberdeen Asset Management Asia Limited and Aberdeen Asset Management Investment Services Limited (Sub-Advisory Agreement). The form of Sub-Advisory Agreement, which was considered and approved by the Fund's Board of Directors, including a majority of the Independent Directors of the Fund on December 9, 2008 at a regularly scheduled meeting of the Board of Directors, is attached to this Proxy Statement as Exhibit D. The Sub-Advisory Agreement provides that Aberdeen Asset Management Investment Services Limited (AAMISL or Sub-Adviser) will manage that portion or all of the assets of the Fund that Aberdeen Asset Management Asia Limited, the Fund's investment manager, allocates to it. A description of the Sub-Advisory Agreement is set forth below and is qualified in its entirety by reference to Exhibit D. Some terms of the Sub-Advisory Agreement are summarized below.

Currently, AAMAL makes investment decisions on behalf of the Fund on the basis of recommendations and information furnished to it by the Fund's Investment Adviser. In order to fulfill its obligations under its Investment Management Agreement with the Fund, AAMAL, pursuant a Memorandum of Understanding, also utilizes the services of persons employed by Aberdeen Asset Management PLC and its subsidiaries (collectively, the Aberdeen Group), including certain of those persons located in London at unregistered investment advisory affiliates of the Aberdeen Group (London Employees). The Board determined to approve the Sub-Advisory Agreement with AAMISL, as it would result in the services provided to the Fund by the London Employees being supervised by a US registered investment adviser (AAMISL) located in London. By approving the Sub-Advisory Agreement, subject to the provisions of Section 15 of the 1940 Act, the Fund's Board will be required to annually review the relationship between AAMAL and AAMISL and determine that such relationship remains in the best interest of the Fund. For business reasons, the London Employees are associated with, but not employed by, AAMISL. This arrangement will continue following the execution of the Sub-Advisory Agreement, with the London Employees providing services to AAMISL through a Memorandum of Understanding.

AAMISL The Proposed Sub-Adviser

Aberdeen Asset Management Investment Services Limited, located at One Bow Churchyard, London, EC4M 9HH, is a United Kingdom corporation and was acquired by Aberdeen PLC in December 2005. AAMISL is a U.S. registered

investment adviser and is also regulated in the United Kingdom by the Financial Services Authority. AAMISL provides equity and fixed income advisory services to US clients. AAMISL is a wholly-owned subsidiary of Aberdeen PLC, located at 10 Queen's Terrace, Aberdeen, AB10 1YG. Aberdeen PLC is the parent company of an asset management group managing assets for both institutional and retail clients from offices around the world. As of October 31, 2008, Aberdeen PLC was 9.63% owned by its management and staff. As of October 31, 2008, Aberdeen PLC had approximately \$167.5 billion in assets under management. As of October 31, 2008, AAMISL had approximately \$1.227 billion in assets under management.

Exhibit E to this Proxy Statement provides information regarding the principal executive officers and directors of AAMISL. No officer or Director of the Fund is also an officer, employee or director of AAMISL. No Independent Director of the Fund owns any securities of, or has any other material direct or indirect interest in, AAMISL or any of its affiliates. Messrs. Bartlett and Gilbert own shares of Aberdeen PLC. In addition, employees of Aberdeen PLC or its affiliates may receive, as a portion of their bonus, deferred shares of and/or stock options for Aberdeen PLC, which vest upon the occurrence of certain events.

It is also being proposed to the stockholders of Aberdeen Global Income Fund, Inc. (FCO), a US registered closed-end management investment company within the same family of investment companies of the Fund, that AAMISL be approved as a sub-adviser to that fund. As of October 31, 2008, FCO's managed assets were \$116.7 million. Pursuant to an investment management agreement with FCO and Aberdeen Asset Management Asia Limited, the fund's investment manager, AAMAL, is paid a fee, paid by the fund, at the annual rate of 0.65% of the fund's average weekly Managed Assets up to \$200 million, 0.60% of such assets between \$200 million and \$500 million, 0.55% of such assets in excess of \$500 million, computed based upon Managed Assets determined weekly and payable on the first business day of each calendar month. For purposes of this calculation, Managed Assets means net assets plus the amount of borrowings for investment purposes. Pursuant to an investment advisory agreement among FCO, AAML and Aberdeen Asset Management Limited, the fund's investment adviser, AAML, is paid a fee, by AAMAL, computed at the annual rate of (i) 0.15% of the Fund's average weekly Managed Assets (with respect to general advice provided by AAML regarding the overall structure of the fund's portfolio), and (ii) up to 0.10% of the Fund's average weekly Managed Assets (with respect to recommendations provided by AAML regarding specific portfolio securities to be purchased, retained or sold by the fund), computed based upon the value of the Managed Assets determined weekly and payable on the first business day of each calendar month. Neither AAML nor AAMAL has waived, reduced, or has otherwise agreed to reduce its compensation with respect to FCO under any applicable contracts.

For the fiscal year ended October 31, 2008, Aberdeen Asset Management Asia Limited, in its capacity as the Fund's Investment Manager, received \$12,208,677 from the Fund, Aberdeen Asset Management Limited, in its capacity as Investment Adviser to the Fund, received \$2,931,446 from AAMAL, and Aberdeen Asset Management Inc., in its capacity as the Fund's administrator and investor relations service provider, received \$3,076,021 and \$122,769, respectively, from the Fund.

The Sub-Advisory Agreement

Sub-advisory services. Under the terms of the proposed Sub-Advisory Agreement, AAMISL agrees, subject to the supervision and control of the Investment Manager and the Fund's Board, to manage the assets of the Fund entrusted to it by the Investment Manager under the Sub-Advisory Agreement (the Sub-Adviser Assets) in accordance with the Fund's investment objective(s), policies, limitations and restrictions as stated in the Fund's prospectus and statement of additional information, as currently in effect and as amended or supplemented from time to time. AAMISL will also monitor on a continuous basis, pursuant to the terms of the Sub-Advisory Agreement, the performance of the Sub-Adviser Assets and conduct a continuous program of investment, evaluation, and if appropriate, sale and reinvestment of the Sub-Adviser Assets.

Compensation. As compensation for its services under the Sub-Advisory Agreement, AAMISL will receive an annual total fee of \$100,000, to be paid in monthly increments. If the Sub-Advisory Agreement is approved by the Fund's

stockholders, AAMISL will be paid for its services by the Investment Manager from its fee as investment manager to the Fund. The overall investment management and advisory fees paid by the Fund will not change as a result of the approval of the Sub-Advisory Agreement.

Duration of the Sub-Advisory Agreement. If approved by stockholders of the Fund at the Meeting, the Sub-Advisory Agreement will have an initial term ending September 30, 2010 (unless sooner terminated) and shall continue automatically for successive annual periods, provided that such continuance is specifically approved at least annually by the Fund's Board of Directors or by a vote of a majority of the outstanding voting securities of the Fund (as defined in the 1940 Act); provided further that in either event its continuance also is approved by a majority of the Fund's Independent Directors, by a vote cast in person at a meeting called for the purpose of voting on such approval. A vote of a majority of the outstanding voting securities of the Fund means a vote of the lesser of (a) 67% of the shares of the Fund represented at a meeting if holders of more than 50% of the outstanding shares of the Fund are present in person or by proxy, or (b) more than 50% of the outstanding shares of the Fund.

Termination of the Sub-Advisory Agreement. The Sub-Advisory Agreement will automatically terminate upon assignment by any party or upon the termination of the Investment Management Agreement. The Sub-Advisory Agreement is also terminable, without penalty, by (a) a vote of a majority of the Fund's Board of Directors, or by a 1940 Act Majority, or by the Investment Manager, in each case, upon written notice to the Sub-Adviser; (b) any party to the Agreement immediately upon written notice to the other parties in the event of a breach of any provision of the Sub-Advisory Agreement by either of the other parties; or (c) AAMISL upon 90 days' written notice to the Investment Manager and the Fund.

Expenses. AAMISL is obligated to pay all expenses (excluding brokerage costs, custodian fees, fees of independent registered public accounting firms or other expenses of the Fund to be borne by the Fund) and overhead incurred by it in connection with the performance of its services under the Sub-Advisory Agreement. The Sub-Adviser shall, at its sole expense, employ or associate itself with such persons as it believes to be particularly fitted to assist it in the execution of its duties under this Agreement. The Sub-Adviser shall not be responsible for the Fund's or the Investment Manager's expenses. The Fund or the Investment Manager, as the case may be, shall reimburse AAMISL for any expenses of the Fund or the Investment Manager as may be reasonably incurred by AAMISL on behalf of the Fund or the Investment Manager. The Fund bears certain other expenses incurred in its operation. The services of AAMISL are not deemed to be exclusive and nothing in the Sub-Advisory Agreement prevents it or its affiliates from providing similar services to other investment companies and other clients (whether or not their investment objective and policies are similar to those of the Fund) or from engaging in other activities.

Liability of AAMISL. Under the Sub-Advisory Agreement, AAMISL will be liable for its willful misfeasance, bad faith or gross negligence in the performance of its duties or its reckless disregard of its obligations and duties under the Sub-Advisory Agreement.

Brokerage and Transactions. Under the Sub-Advisory Agreement, in the selection of a broker or dealer and the placing of orders, AAMISL shall seek to obtain for the Fund the most favorable price and execution available, except to the extent it may be permitted to pay higher brokerage commissions for brokerage and research services, as provided below. In using its reasonable efforts to obtain for the Fund the most favorable price and execution available, the Sub-Adviser, bearing in mind the best interests of the Fund at all times, shall consider all factors it deems relevant, including price, the size of the transaction, the breadth and nature of the market for the security, the difficulty of the execution, the amount of the commission, if any, the timing of the transaction, market prices and trends, the reputation, experience and financial stability of the broker or dealer involved, and the quality of service rendered by the broker or dealer in other transactions. Neither the Fund nor the Investment Manager shall instruct the Sub-Adviser to place orders with any particular broker(s) or dealer(s) with respect to the Sub-Adviser Assets. Subject to such policies as the Fund's Directors may determine, or as may be mutually agreed to by the Investment Manager and the Sub-Adviser, the Sub-Adviser is authorized but not obligated to

cause, and shall not be deemed to have acted unlawfully or to have breached any duty created by the Sub-Advisory Agreement or otherwise solely by reason of its having caused, the Fund to pay a broker or dealer that provides brokerage and research services (within the meaning of Section 28(e) of the Securities Exchange Act of 1934 (the "1934 Act")) to the Sub-Adviser an amount of commission for effecting a Sub-Adviser Assets investment transaction that is in excess of the amount of commission that another broker or dealer would have charged for effecting that transaction if, but only if, the Sub-Adviser determines in good faith that such commission was reasonable in relation to the value of the brokerage and research services provided by such broker or dealer viewed in terms of either that particular transaction or the overall responsibility of the Sub-Adviser with respect to the accounts as to which it exercises investment discretion and that the total commissions paid by the Fund with respect to Sub-Adviser Assets will be reasonable in relation to the benefits to the Fund in the long term.

Under the Sub-Advisory Agreement, if AAMISL deems the purchase or sale of a security to be in the best interests of the Fund with respect to the Sub-Adviser Assets as well as its other clients, AAMISL, to the extent permitted by applicable laws and regulations, and subject to any applicable procedures adopted by the Board of Directors, may, but is not required to, aggregate the securities to be sold or purchased in order to obtain the most favorable price or lower brokerage commissions and efficient execution. In such event, allocation of securities so sold or purchased and the expenses incurred in the transaction will be made by AAMISL in the manner it considers to be the most equitable and consistent with its fiduciary obligations to the Fund and such other clients. It is recognized that in some cases, this procedure may adversely affect the price paid or received by the Fund or the size of the position obtainable for, or disposed of by, the Fund with respect to the Sub-Adviser Assets. The Sub-Adviser and any affiliated person of the Sub-Adviser will not purchase securities or other instruments from or sell securities or other instruments to the Fund; provided, however, the Sub-Adviser or any affiliated person of the Sub-Adviser may purchase securities or other instruments from or sell securities or other instruments to the Fund if such transaction is permissible under applicable laws and regulations, including, without limitation, the 1940 Act and the Investment Advisers Act of 1940, as amended, and the rules and regulations promulgated thereunder.

Background and Board Considerations

On December 9, 2008, the Fund's Contract Review Committee met to consider the proposed sub-advisory arrangement with AAMISL and the Sub-Advisory Agreement. Based on the materials presented, the Contract Review Committee determined to recommend to the Fund's Board of Directors that it approve the proposed sub-advisory arrangement with AAMISL and the Sub-Advisory Agreement, as presented in the Board's materials. To assist the Board in its consideration of the Sub-Advisory Agreement, as discussed below, the Board received and considered extensive information about AAMISL and the resources that it intends to commit to the Fund. The Board of Directors also relied on information previously provided in connection with its annual review of the Fund's Investment Management Agreement and Investment Advisory Agreement. This information, which was discussed at the Board's September 9, 2008 meeting, included a description of the nature, extent and quality of the services to be provided to the Fund by AAMAL and AAML; the investment performance of the Fund; the costs of the services to be provided and the profitability to AAMAL and AAML from providing such services to the Fund; and the extent to which economies of scale would be realized as the Fund grows and whether fee levels reflect these economies of scale for the benefit of Fund investors. The Board of Directors noted that (1) the terms of the Sub-Advisory Agreement are consistent with the terms of the Investment Management and Investment Advisory Agreements previously considered and determined to be in the best interest of the Fund; (2) substantially all of the same London Employees of the Aberdeen Group who currently provide investment advisory services to the Fund would continue to provide the same services for the Fund's Sub-Adviser Assets pursuant to a Memorandum of Understanding; and (3) the overall scope of the services provided to the Fund and the standard of care applicable to those services would be the same.

The Board conducted a thorough review of the potential implications of the Sub-Advisory Agreement for the Fund's stockholders and was assisted in this review by independent legal counsel to the Fund's Independent Directors. After

consideration and discussion, the Board, including the Independent Directors, unanimously approved the Sub-Advisory Agreement, and directed that the Agreement be submitted to the Fund's stockholders for their consideration.

In approving the terms of the Sub-Advisory Agreement, the Board considered the following factors, among others:

The fees paid by the Fund in connection with investment management and advisory services would not change as a result of approving the sub-advisory arrangement with AAMISL and implementing the Sub-Advisory Agreement. The overall scope of services provided to the Fund and the standard of care applicable to those services would remain the same.

The terms of the Sub-Advisory Agreement are consistent with the terms of the Investment Management and Investment Advisory Agreements previously considered by the Board and determined to be in the best interests of stockholders on September 9, 2008. The Board considered the fee payable to AAMISL by the Investment Manager under the Sub-Advisory Agreement and concluded that such fee is fair and reasonable in light of the services to be provided and the quality of services provided by the London Employees historically.

The benefits that will be received by the Fund and its stockholders resulting from the approval of the Sub-Advisory Agreement. Specifically, the continuing access through AAMISL for the London Employees' expertise with respect to derivative trading and reverse repurchase transactions on behalf of the Fund, the greater formalization of the advisory services provided by the London Employees by entering into the Sub-Advisory Agreement which is subject to the requirements of Section 15 of the 1940 Act, and the services of AAMISL's Chief Compliance Officer.

The compliance policies and procedures of AAMISL, including its Code of Ethics, and the interaction among compliance personnel within the Aberdeen Group, including AAMISL's Chief Compliance Officer.

The resources and operations of the Aberdeen Group, including the experience and professional qualifications of Aberdeen personnel that would be providing compliance and other services to the Fund.

The Investment Manager's commitment to pay half the costs associated with obtaining stockholder approval of the Sub-Advisory Agreement.

Based on all of the foregoing, the Board and the Independent Directors, voting separately, concluded that the Sub-Advisory Agreement was in the best interest of the Fund.

The Board of Directors, including the Independent Directors, recommends that stockholders vote FOR the approval of the new Sub-Advisory Agreement among the Fund, Aberdeen Asset Management Asia Limited and Aberdeen Asset Management Investment Services Limited.

Committees of the Board of Directors

Current Committees and Members

The Board of Directors has a standing Audit and Valuation Committee, Contract Review Committee, and Nominating and Corporate Governance Committee, each of which is composed entirely of Independent Directors. Each member is also independent within the meaning of the NYSE Alternext US LLC (NYSE Alternext) listing standards.

Audit and Valuation Committee

The Audit and Valuation Committee, established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the 1934 Act), is responsible for the selection and engagement of the Fund's independent registered public accounting firm (subject to ratification by the Fund's Independent Directors), pre-approves and reviews both the audit and non-audit work of the Fund's independent registered public accounting firm, and reviews compliance of the Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The members of the Fund's Audit and Valuation Committee are Messrs. Neville J. Miles, Peter D. Sacks and John T. Sheehy.

The Board of Directors has adopted an Audit Charter and a Valuation Charter for its Audit and Valuation Committee. A copy of the Audit and Valuation Committee's Audit Charter was included as an appendix to the Fund's proxy statement in 2007.

The Audit and Valuation Committee oversees the activities of the Fund's Pricing Committee and performs the responsibilities assigned to the Audit and Valuation Committee in the Fund's Valuation and Liquidity Procedures, such as overseeing the implementation of the Fund's Valuation and Liquidity Procedures. The Board of Directors has delegated to the Audit and Valuation Committee the responsibility of determining the fair value of the Fund's securities or other assets in situations set forth in the Valuation and Liquidity Procedures.

Contract Review Committee

The Contract Review Committee reviews and makes recommendations to the Board of Directors with respect to entering into, renewing or amending the Fund's management agreement, advisory agreement, administration agreement, investor relations services agreement and other agreements. The members of the Fund's Contract Review Committee are Messrs. Neville J. Miles, William J. Potter and John T. Sheehy.

Nominating and Corporate Governance Committee; Consideration of Potential Director Nominees

The Nominating and Corporate Governance Committee recommends nominations for membership on the Board of Directors and reviews and evaluates the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund. It evaluates candidates qualifications for Board membership and, with respect to nominees for positions as Independent Directors, their independence from the Fund's Investment Manager and Investment Adviser and other principal service providers. The Committee generally meets twice annually to identify and evaluate nominees for director and makes its recommendations to the Board at the time of the Board's December meeting. The Committee also periodically reviews director compensation and will recommend any appropriate changes to the Board as a group. The Committee also reviews and may make recommendations to the Board relating to those issues that pertain to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. The Board of Directors has adopted a Nominating and Corporate Governance Committee Charter, a copy of which was included as an appendix to the Fund's proxy statement in 2008. The members of the Fund's Nominating and Corporate Governance Committee are Messrs. P. Gerald Malone, Neville J. Miles and William J. Potter.

The Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) the candidate's ability, judgment and expertise; and (vi) overall diversity of the Board's composition. The Committee will consider potential director candidates recommended by Fund stockholders provided that: (i) the proposed candidates satisfy the director qualification requirements set forth in the Fund's bylaws, and (ii) in addition to the procedures and requirements as are set forth in the Fund's bylaws, the nominating stockholders comply with the Fund's Policies for Consideration of Board Member Candidates Submitted by Fund Stockholders (the "Stockholder Nomination Policies"), a copy of which may be obtained from the Fund, by writing to Aberdeen Asset Management Inc., the Fund's investor relations services provider, at 1735 Market Street, 37th Floor, Philadelphia, PA 19103, or by sending an e-mail to Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com. The Stockholder Nomination Policies provide certain conditions that stockholder nominees must meet in order to be eligible for consideration by the Committee. The Stockholder Nomination Policies provide eligibility guidelines for stockholder nominees that take into account, among other things, the relationship between the nominating stockholder and the nominee. The Stockholder Nomination Policies also require nominating stockholders to meet certain qualifications with respect to their ownership of the Fund and certain regulatory reporting requirements. Finally, the Stockholder Nomination Policies impose certain procedural requirements for any stockholder submitting a nomination to the Committee. Other than compliance with the preceding requirements, the Committee will not otherwise evaluate stockholder director nominees in a different manner than other nominees and the standard of the Committee is to treat all equally qualified nominees in the same manner. The Committee may identify prospective director candidates from any reasonable source and has the ability to engage third-party search services for the identification and evaluation of potential nominees.

The Fund's bylaws (Article III, Section 2(c)) contain provisions regarding minimum qualifications for directors. These include a requirement that, to qualify as a nominee for a directorship, each candidate, at the time of nomination, other than persons who were directors at the time of the adoption of the minimum qualifications, must possess at least the following specific minimum qualifications: (i) a nominee shall have at least five years' experience in either investment management, economics, public accounting or Australian business; (ii) a nominee shall have a college undergraduate or graduate degree in economics, finance, business administration, accounting or engineering, or a professional degree in law, engineering, or medicine, from an accredited university or college in the United States, Australia, the United Kingdom, Canada or New Zealand, or the equivalent degree from an equivalent institution of higher learning in another country; and (iii) a nominee shall not have violated any provision of the U.S. federal or state securities laws, or comparable laws of another country.

The Fund's bylaws (Article II, Section 11) also contain advance notice provisions and general procedures with respect to the submission of proposals, including the nomination of directors. Stockholders who intend to propose potential director candidates must substantiate compliance with these requirements. The Fund's Board of Directors recently amended the Fund's bylaws in December 2008, with such enhancements including the information requirements set forth in the advance notice provisions, as well as a change to the notice period for stockholder nominations. Beginning with the 2010 Annual Meeting of Stockholders, notice of stockholder proposals must be provided to the Fund's Secretary not earlier than the 150th day and not later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the preceding year's proxy statement. Such an amendment synchronizes the advance notice timing under the Fund's bylaws with those under the federal proxy rules. Any stockholder may obtain a copy of the Fund's bylaws by calling the Investor Relations department of Aberdeen Asset Management Inc., the Fund's investor relations services provider, toll-free at 1-800-522-5465, by sending an e-mail to Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Board and Committee Meetings in Fiscal 2008

During the Fund's fiscal year ended October 31, 2008, the Board of Directors held four regular meetings and one special meeting; the Audit and Valuation Committee held two meetings; the Contract Review Committee held two meetings; and the Nominating and Corporate Governance Committee held three meetings. During such period, each incumbent Director attended at least 75% of the aggregate number of meetings of the Board of Directors and of all the Committees of the Board on which he served.

Communications with the Board of Directors

Stockholders who wish to communicate with Board members with respect to matters relating to the Fund may address their written correspondence to the Board as a whole or to individual Board members c/o Aberdeen Asset Management Inc., the Fund's investor relations services provider, at 1735 Market Street, 37th Floor, Philadelphia, PA 19103, or may send e-mail correspondence to the Director(s) c/o Aberdeen Asset Management Inc. at InvestorRelations@aberdeen-asset.com.

Director Attendance at Annual Meetings of Stockholders

Generally, in the event that any of the Fund's Directors are geographically close to the site of an annual meeting of stockholders at the time of such meeting, one or more of such Directors will attend the meeting. However, since a majority of the Fund's Directors reside outside of the United States, the Fund recognizes that it would be impractical for most Directors to attend such meetings and would create a significant expense for the Fund. In light of the fact that the residences of most Directors are substantial distances from the location of the annual meetings of stockholders and that, historically, few stockholders have attended annual meetings in person, the Fund has not established a policy with respect to Director attendance at annual meetings of stockholders. No Directors attended the 2008 Annual Meeting of Stockholders.

Compensation of Directors and Officers

The following table sets forth information regarding compensation of Directors by the Fund and by the Fund Complex of which the Fund is a part for the fiscal year ended October 31, 2008. Officers of the Fund and Directors who are interested persons of the Fund do not receive any compensation directly from the Fund or any other fund in the Fund Complex for performing their duties as officers or Directors, respectively.

Each Independent Director of the Fund receives a retainer fee of \$21,000 per year and a fee of \$2,000 per meeting for attendance at Board meetings. In addition, the Chairman of the Board receives a fee of \$12,000 per year; the Chairman of the Contract Review Committee receives a fee of \$5,000 per year; and the Chairman of the Audit and Valuation Committee receives a fee of \$5,000 per year. There are no per meeting fees for attendance at meetings of the Board's standing committees (Contract Review Committee, Audit and Valuation Committee, and Nominating and Corporate Governance Committee). Members of ad hoc committees of the Board receive a fee of \$500 per meeting attended and the Chairman of each ad hoc committee receives an additional fee of \$500 per meeting attended. However, the fees for attendance at ad hoc committee meetings may be less than \$500 per meeting, in certain instances where committee meetings are held jointly with committee meetings of other funds in the same Fund Complex.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the 1934 Act and Section 30(h) of the 1940 Act, as applied to the Fund, require the Fund's officers, Directors, the Investment Manager and Investment Adviser, affiliates of the Investment Manager or Investment Adviser, and persons who beneficially own more than 10% of a registered class of the Fund's outstanding securities (Reporting Persons) to electronically file reports of ownership of the Fund's securities and changes in such ownership with the SEC and the NYSE Alternext. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based solely on its review of the copies of such forms received by it and written representations from certain Reporting Persons that no year-end reports were required for those persons, and except as provided in the following sentence, the Fund believes that during the fiscal year ended October 31, 2008, its Reporting Persons complied with all applicable filing requirements. Mr. Gavin Goodhand, Vice President of the Fund and an affiliate of the Investment Adviser, filed a Form 3 Initial Statement of Beneficial Ownership of the Fund's securities subsequent to the 10-day period specified in the Form.

REPORT OF THE AUDIT AND VALUATION COMMITTEE; INFORMATION REGARDING THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit and Valuation Committee has selected, and the Fund's Independent Directors have ratified the selection of, PricewaterhouseCoopers LLP (PwC), independent registered public accounting firm, to audit the financial statements of the Fund for the fiscal year ending October 31, 2009.

Representatives from PwC are not expected to be present at the Meeting to make a statement or respond to questions from stockholders. However, such representatives are expected to be available by telephone to respond to questions raised by stockholders, if any, during the Meeting.

The Audit and Valuation Committee has received from PwC the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding PwC's communications with the Audit and Valuation Committee concerning independence, and has discussed with PwC its independence. The Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC addressed by Statements on Auditing Standards Nos. 61 and 90. Based on the foregoing, the Audit and Valuation Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the fiscal year ended October 31, 2008. The members of the Audit and Valuation Committee are Messrs. Neville J. Miles, Peter D. Sacks and John T. Sheehy.

The following table sets forth the aggregate fees billed for professional services rendered by PwC to the Fund during the Fund's two most recent fiscal years:

Fiscal year	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
2008	\$ 139,500	\$ 0	\$ 7,600	\$ 0
2007	\$ 134,500	\$ 21,250	\$ 7,250	\$ 0

All of the services described in the table above were approved by the Audit and Valuation Committee pursuant to its pre-approval policies and procedures (the Pre-Approval Policies and Procedures) which are summarized below. The tax fees were for the preparation of the Fund's federal income tax returns.

For the fiscal year ended October 31, 2008, PwC UK billed Aberdeen PLC \$325,800 primarily for audit-related services in connection with a SAS 70 review of Aberdeen PLC, which included the Investment Manager and Investment Adviser operations.

The Fund's Audit and Valuation Committee has adopted Pre-Approval Policies and Procedures pursuant to which the Committee pre-approves all audit and non-audit services provided by the Fund's independent registered public accounting firm (Auditor) and any non-audit services provided by the Auditor to the Fund's Investment Manager, Investment Adviser and any entity controlling, controlled by, or under common control with the Fund's Investment Manager or the Fund's Investment Adviser that provides ongoing services to the Fund (Service Affiliates) during the period of the Auditor's engagement to provide audit services to the Fund, if those services directly impact the Fund's operations and financial reporting. Audit services include those typically associated with the annual audit such as evaluation of internal controls. Non-audit services include (i) certain services that are audit-related, such as consultations regarding financial accounting and reporting standards and confirmations required under the terms of the AMPS, and (ii) tax services. Certain services may not be provided by the Auditor to the Fund or to the Fund's Service Affiliates without jeopardizing the Auditor's independence. These services are deemed prohibited services and include certain management functions; human resources services; broker-dealer, investment adviser or investment banking services; legal services; and expert services unrelated to the audit. Other services are conditionally prohibited and may be provided if the Audit and Valuation Committee reasonably concludes that the results of the services will not be subject to audit procedures during an audit of the client's financial statements. These types of services include bookkeeping; financial information systems design and implementation; appraisal or valuation services; actuarial services; and internal audit outsourcing services.

The Pre-Approval Policies and Procedures require Audit and Valuation Committee approval of the engagement of the Auditor for each fiscal year and approval of the engagement by at least a majority of the Fund's Independent Directors. In determining whether to engage the Auditor for its audit services, the Audit and Valuation Committee will consider the Auditor's proposed fees for the engagement, in light of the scope and nature of the audit services that the Fund will receive. The Pre-Approval Policies and Procedures also permit the Audit and Valuation Committee to pre-approve the provisions of types or categories of permissible non-audit services for the Fund and its Service Affiliates on an annual basis at the time of the Auditor's engagement and on a project-by-project basis. At the time of the annual engagement of the Fund's Auditor, the Audit and Valuation Committee is to receive a list of the categories of expected non-audit services with a description and an estimated budget of fees. In its pre-approval, the Audit and Valuation Committee should determine that the provision of the service is consistent with, and will not impair, the ongoing independence of the Auditor and set any limits on fees or other conditions it finds appropriate. Non-audit services may also be approved on a project-by-project basis by the Audit and Valuation Committee consistent with the same standards for determination and information.

The Audit and Valuation Committee may also appoint a Designated Member of the Committee to pre-approve non-audit services that have not been pre-approved or material changes in the nature or cost of any non-audit services previously pre-approved. Any actions by the Designated Member are to be ratified by the Audit and Valuation Committee by the time of its next regularly scheduled meeting. The Fund's Pre-Approval Policies and Procedures are to be reviewed annually by the Audit and Valuation Committee and the Fund maintains a record of the decisions made by the Committee pursuant to those procedures.

In order to obtain the necessary quorum at the Meeting, supplementary solicitation may be made by mail, telephone, telegraph or personal interview. Such solicitation may be conducted by, among others, officers, Directors and employees of the Fund, the Investment Manager, the Investment Adviser or the Fund's administrator. The Altman Group has been retained to assist in the solicitation of proxies. The Altman Group will be paid a project fee of \$5,500 and will be reimbursed for its related expenses. Authorization to permit The Altman Group to execute proxies may be obtained by telephonic instructions from stockholders of the Fund. Proxies that are obtained telephonically will be recorded in accordance with procedures that Management of the Fund believes are reasonably designed to ensure that the identity of the stockholder casting the vote is accurately determined and that the voting instructions of the stockholder are accurately determined.

Any proxy given by a stockholder is revocable. A stockholder may revoke the accompanying proxy at any time prior to its use by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund, or by attending the Meeting and voting in person.

Beneficial Ownership. To the best of the Fund's knowledge, based upon filings made with the SEC as of December 22, 2008, no persons or group beneficially owned more than 5% of the voting securities of the Fund.

If a stockholder intends to present a proposal, including the nomination of a director, at the Annual Meeting of Stockholders of the Fund to be held in 2010 and desires to have the proposal included in the Fund's proxy statement and form of proxy for that meeting, the stockholder must deliver the proposal to the Secretary of the Fund at the office of the Fund, 800 Scudders Mill Road, Plainsboro, New Jersey 08536, and such proposal must be received by the Secretary no later than September 25, 2009.

ABERDEEN ASIA-PACIFIC INCOME FUND, INC.

MANAGEMENT AGREEMENT

AGREEMENT dated as of March 8, 2004, between Aberdeen Asia-Pacific Income Fund, Inc. (the **Fund**), a Maryland corporation registered under the Investment Company Act of 1940, as amended (the **1940 Act**), and Aberdeen Asset Management Asia Limited, a Singapore corporation (**AAMAL** or the **Investment Manager**).

WHEREAS, the Fund is a closed-end management investment company; and

WHEREAS, the Fund engages in the business of investing its assets in the manner and in accordance with its stated current investment objective and restrictions;

WHEREAS, the Fund (then known as The First Australia Prime Income Fund, Inc.) entered into a management agreement dated December 22, 2000 (the **Former Management Agreement**) with Aberdeen Asset Managers (C.I.) Limited (then known as EquitiLink International Management Limited), a Jersey, Channel Islands corporation (**AAMCIL**);

WHEREAS, in December 2003, the Board of Directors of the Fund approved the transfer by AAMCIL to AAMAL of the rights and obligations of AAMCIL under the Former Management Agreement (the **Transfer**);

WHEREAS, the Transfer would not be deemed an assignment of the Former Management Agreement under the 1940 Act, based upon factors including: (1) both before and after the Transfer, Aberdeen Asset Management PLC will continue to indirectly own 100% of, and to control, AAMCIL and AAMAL; (2) the persons providing day-to-day portfolio management of the Fund prior to the Transfer will continue to provide such services after the Transfer; (3) AAMAL and its personnel have, since 2001, been providing portfolio management, research and trading services to the Fund pursuant to a Memorandum of Understanding, as amended, to which AAMAL, AAMCIL and Aberdeen Asset Management Limited (the Fund's Investment Adviser) are parties; (4) the Transfer will have no material impact on the investment management of the Fund's portfolio; (5) the nature and quality of the investment management services to be provided to the Fund by AAMAL will not be materially different from those provided to the Fund by AAMCIL; (6) the Transfer is not intended to, and will not result in, any change in the fundamental investment processes, investment strategies or investment techniques currently employed by portfolio managers and investment professionals in providing investment advisory services to the Fund; and (7) the Transfer will not result in any change in the terms of the Former Management Agreement, other than in the name of the investment manager.

NOW THEREFORE, in consideration of the premises and mutual covenants herein contained, the parties agree as follows:

1. Obligations.

1.1 The Investment Manager will manage, in accordance with the Fund's stated investment objective, policies and limitations and subject to the supervision of the Fund's Board of Directors, the Fund's investments and will make investment decisions on behalf of the Fund including the selection of and placing of orders with brokers and dealers to execute portfolio transactions on behalf of the Fund. The Investment Manager shall give the Fund the benefit of the Investment Manager's best judgment and efforts in rendering services under this Agreement.

1.2 The Fund will pay the Investment Manager a fee at the annual rate of 0.65% of the Fund's average weekly Managed Assets up to \$200 million, 0.60% of such assets between \$200 million and \$500 million, 0.55% of such assets between \$500 and \$900 million, 0.50% of such assets between \$900 million and \$1,750 million and 0.45% of such assets in excess of \$1,750 million. For purposes of this calculation, Managed Assets of the Fund shall mean total assets of the Fund, including any form of investment leverage, minus all accrued expenses incurred in the normal course of operations, but not excluding any liabilities or obligations attributable to investment leverage obtained through (i) indebtedness of any type (including, without limitation, borrowing through a credit facility or the issuance of debt securities), (ii) the issuance of preferred stock or other similar preference securities (including, without limitation, the liquidation value of any such stock or securities), (iii) the reinvestment of collateral received for securities loaned in accordance with the Fund's investment objectives and policies, and/or (iv) any other means. Such compensation shall be determined at the end of each week and payable at the end of each calendar month.

1.3 In rendering the services required under this Agreement, the Investment Manager may, at its expense, employ, consult or associate with itself such person or persons as it believes necessary to assist it in carrying out its obligations under this Agreement. However, the Investment Manager may not retain any person or company that would be an investment adviser, as that term is defined in the 1940 Act, to the Fund unless (i) the Fund is a party to the contract with such person or company and (ii) such contract is approved by a majority of the Fund's Board of Directors and a majority of Directors who are not parties to any agreement or contract with such company and who are not interested persons, as defined in the 1940 Act, of the Fund, the Investment Manager, or any such person or company retained by the Investment Manager, and is approved by the vote of a majority of the outstanding voting securities of the Fund to the extent required by the 1940 Act.

2. **Expenses.** The Investment Manager shall bear all expenses of its employees, except as provided in the following sentence, and overhead incurred in connection with its duties under this Agreement and shall pay all salaries and fees of the Fund's Directors and officers who are interested persons (as defined in the 1940 Act) of the Investment Manager. The Fund will bear all of its own expenses, including: expenses of organizing the Fund; fees of the Fund's Directors who are not interested persons (as defined in the 1940 Act) of any other party; out-of-pocket expenses for all Directors and officers of the Fund, including expenses incurred by the Investment Manager's employees, who serve as Directors and officers of the Fund, which may be reimbursed by the Fund under the Fund's policy governing reimbursement of Fund-related expenses; and other expenses incurred by the Fund in connection with meetings of Directors and shareholders; interest expense; taxes and governmental fees including any original issue taxes or transfer taxes applicable to the sale or delivery of shares or certificates therefor; brokerage commissions and other expenses incurred in acquiring or disposing of the Fund's portfolio securities; expenses in connection with the issuance, offering, distribution, sale or underwriting of securities issued by the Fund; expenses of registering and qualifying the Fund's shares for sale with the Securities and Exchange Commission and in various states and foreign jurisdictions; auditing, accounting, insurance and legal costs; custodian, dividend disbursing and transfer agent expenses; and the expenses of shareholders' meetings and of the preparation and distribution of proxies and reports to shareholders.

3. **Liability.** The Investment Manager shall not be liable for any error of judgment or for any loss suffered by the Fund in connection with the matters to which this Agreement relates, except a loss resulting from a breach of fiduciary duty with respect to receipt of compensation for services (in which case any award of damages shall be limited to the period and the amount set forth in Section 36(b)(3) of the 1940 Act) or a loss resulting from willful misfeasance, bad faith or gross negligence on its part in the performance of, or from reckless disregard by it of its obligations and duties under, this Agreement.

4. **Services Not Exclusive.** It is understood that the services of the Investment Manager are not deemed to be exclusive, and nothing in this Agreement shall prevent the Investment Manager or any affiliate, from providing similar services to other investment companies and other clients (whether or not their investment objectives and policies are similar to those of the

Fund) or from engaging in other activities. When other clients of the Investment Manager desire to purchase or sell a security at the same time such security is purchased or sold for the Fund, such purchases and sales will be allocated among the Investment Manager's clients, including the Fund, in a manner that is fair and equitable in the judgment of the Investment Manager in the exercise of its fiduciary obligations to the Fund and to such other clients.

5. Duration and Termination. This Agreement shall be effective as of the date first above written, and shall continue in effect until December 22, 2004. If not sooner terminated, this Agreement shall continue in effect with respect to the Fund for successive periods of twelve months thereafter, provided that each such continuance shall be specifically approved annually by the vote of a majority of the Fund's Board of Directors who are not parties to this Agreement or interested persons (as defined in the 1940 Act) of any such party, cast in person at a meeting called for the purpose of voting on such approval and either (a) the vote of a majority of the outstanding voting securities of the Fund, or (b) the vote of a majority of the Fund's entire Board of Directors. Notwithstanding the foregoing, this Agreement may be terminated with respect to the Fund at any time, without the payment of any penalty, by a vote of a majority of the Fund's Board of Directors or a majority of the outstanding voting securities of the Fund upon at least sixty (60) days' written notice to the Investment Manager or by the Investment Manager upon at least ninety (90) days' written notice to the Fund. This Agreement shall automatically terminate in the event of its assignment (as defined in the 1940 Act).

6. Miscellaneous.

6.1 This Agreement shall be construed in accordance with the laws of the State of New York, provided that nothing herein shall be construed as being inconsistent with the 1940 Act and any rules, regulations and orders thereunder.

6.2 The captions in this Agreement are included for convenience only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect.

6.3 If any provision of this Agreement shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby and, to that extent, the provisions of this Agreement shall be deemed to be severable.

6.4 Nothing herein shall be construed as constituting the Investment Manager an agent of the Fund.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed effective as of the day and year first above written.

WHEREAS, the Fund (then known as The First Australia Prime Income Fund, Inc.) entered into a management agreement dated December 22, 2000 (the **Former Management Agreement**) with Aberdeen Asset Managers (C.I.) Limited (then known as EquitiLink International Management Limited), a Jersey, Channel Islands corporation (**AAMCIL**), pursuant to which AAMCIL then managed the Fund's investments and made investment decisions on behalf of the Fund, and for which AAMCIL received a monthly fee from the Fund as specified in the **Former Management Agreement**;

WHEREAS, the Fund desires to have AAMAL assume the rights and obligations of AAMCIL under the **Former Advisory Agreement**, and AAMAL is willing to assume such rights and obligations, by entering into this investment advisory agreement (the **Agreement**);

Now, **THEREFORE**, in consideration of the premises and mutual covenants herein contained, the parties agree as follows:

I. Investment Adviser.

- A. The Investment Adviser will make recommendations to the Investment Manager as to specific portfolio securities to be purchased, retained or sold by the Fund and will provide or obtain such research and statistical data as may be necessary in connection therewith. The Investment Adviser shall give the Investment Manager (and the Fund) the benefit of the Investment Adviser's best judgment and efforts in rendering services under this Agreement.
- B. The Investment Manager will pay the Investment Adviser a fee at the annual rate of 0.25% of the Fund's average weekly Managed Assets up to \$1,200 million and 0.20% of such assets in excess of \$1,200 million. For purposes of this calculation, Managed Assets of the Fund shall mean total assets of the Fund, including any form of investment leverage, minus all accrued expenses incurred in the normal course of operations, but not excluding any liabilities or obligations attributable to investment leverage obtained through (i) indebtedness of any type (including, without limitation, borrowing through a credit facility or the issuance of debt securities), (ii) the issuance of preferred stock or other similar preference securities (including, without limitation, the liquidation value of any such stock or securities), (iii) the reinvestment of collateral received for securities loaned in accordance with the Fund's investment objectives and policies, and/or (iv) any other means. Such compensation shall be determined at the end of each week and payable at the end of each calendar month.

II. Expenses. The Investment Adviser shall bear all expenses of its respective employees, except certain expenses incurred by the Investment Adviser's employees who serve as officers and directors of the Fund which are reimbursed by the Fund under the Fund's policy governing reimbursement of Fund-related expenses. The Investment Adviser shall bear all overhead incurred in connection with its duties under this Agreement and shall pay all salaries and fees of the Fund's directors and officers who are interested persons (as defined in the 1940 Act) of the Investment Adviser but who are not interested persons of the Investment Manager.

III. Liability. Neither the Investment Manager nor the Investment Adviser shall be liable for any error of judgment or for any loss suffered by the Fund in connection with the matters to which this Agreement relates, except a loss resulting from a breach of fiduciary duty with respect to receipt of compensation for services (in which case any award of damages shall be limited to the period and the amount set forth in Section 36(b)(3) of the 1940 Act) or a loss resulting from willful misfeasance, bad faith or gross negligence on the part of the Investment Manager or the Investment Adviser, as appropriate, in the performance of, or from reckless disregard by such party of such party's obligations and duties under, this Agreement.

IV. Services Not Exclusive. It is understood that the services of the Investment Manager and the Investment Adviser are not deemed to be exclusive, and nothing in this Agreement shall prevent the Investment Manager or the Investment Adviser, or any affiliate of either of them, from providing similar services to other investment companies and other clients (whether or not their investment objectives and policies are similar to those of the Fund) or from engaging in other activities. When other clients of the Investment Manager or the Investment Adviser desire to purchase or sell a security at the same time such security is purchased or sold for the Fund, such purchases and sales will be allocated among the clients of each in a manner that is fair and equitable in the judgment of the Investment Manager and the Investment Adviser in the exercise of their fiduciary obligations to the Fund and to such other clients.

V. **Duration and Termination.** This Agreement shall be effective as of the date first above written, and shall continue in effect until December 22, 2004. If not sooner terminated, this Agreement shall continue in effect with respect to the Fund for successive periods of twelve months thereafter, provided that each such continuance shall be specifically approved annually by the vote of a majority of the Fund's Board of Directors who are not parties to this Agreement or interested persons (as defined in the 1940 Act) of any such party, cast in person at a meeting called for the purpose of voting on such approval and either (a) the vote of a majority of the outstanding voting securities of the Fund, or (b) the vote of a majority of the Fund's entire Board of Directors. Notwithstanding the foregoing, this Agreement may be terminated with respect to the Fund at any time, without the payment of any penalty, by a vote of a majority of the Fund's Board of Directors or a majority of the outstanding voting securities of the Fund upon at least sixty (60) days written notice to the Investment Manager and the Investment Adviser, or by either the Investment Manager or Investment Adviser upon at least ninety (90) days written notice to the Fund and the other party but any such termination shall not affect continuance of this Agreement as to the remaining parties. This Agreement shall automatically terminate as to any party in the event of its assignment (as defined in the 1940 Act).

VI. **Miscellaneous.**

- A. This Agreement shall be construed in accordance with the laws of the State of New York, provided that nothing herein shall be construed as being inconsistent with the 1940 Act and any rules, regulations and orders thereunder.
- B. The captions in this Agreement are included for convenience only and in no way define or delimit any of the provisions hereof or otherwise affect their construction or effect.
- C. If any provision of this Agreement shall be held or made invalid by a court decision, statute, rule or otherwise, the remainder of this Agreement shall not be affected thereby and, to that extent, the provisions of this Agreement shall be deemed to be severable.
- D. Nothing herein shall be construed as constituting any party an agent of the Fund or of any other party.

FORM OF

SUB-ADVISORY AGREEMENT

THIS AGREEMENT is made and entered into as of the __ day of _____, 200__ (Effective Date), by and among ABERDEEN ASIA-PACIFIC INCOME FUND, INC. (the Fund), a Maryland corporation, ABERDEEN ASSET MANAGEMENT ASIA LIMITED (the Manager) a Singapore corporation registered under the Investment Advisers Act of 1940, as amended (the Advisers Act), and ABERDEEN ASSET MANAGEMENT INVESTMENT SERVICES LIMITED, a United Kingdom corporation (the Sub-Adviser), and also registered under the Advisers Act.

WITNESSETH:

WHEREAS, the Fund is registered with the U.S. Securities and Exchange Commission (the SEC) as a closed-end management investment company under the Investment Company Act of 1940, as amended (the 1940 Act);

WHEREAS, the Manager has, pursuant to an Investment Management Agreement with the Fund dated as of the 8th day of March, 2004 (the IMA), been retained to act as investment manager of the Fund;

WHEREAS, the Sub-Adviser represents that it is willing and possesses legal authority to render such services subject to the terms and conditions set forth in this Agreement;

WHEREAS, the Fund and the Manager each represent that the IMA permits the Manager to, at its expense, employ, consult, or associate with itself such person or persons as it believes necessary to assist it in carrying out its obligations under the IMA, subject to the requirements of the 1940 Act; and

WHEREAS, the Manager desires to retain the Sub-Adviser to assist it in the provision of a continuous investment program for that portion of the Fund s assets that the Manager will assign to the Sub-Adviser, and the Sub-Adviser is willing to render such services subject to the terms and conditions set forth in this Sub-Advisory Agreement,

NOW, THEREFORE, the parties do mutually agree and promise as follows with respect to the Fund:

1. Appointment as Sub-Adviser. The Manager hereby appoints the Sub-Adviser to act as sub-adviser to the Fund to manage that portion or all of the assets of the Fund that the Manager from time to time upon reasonable prior notice allocates to, and puts under the control of, the Sub-Adviser (the Sub-Adviser Assets) subject to the supervision of the Manager and the Board of Directors of the Fund and subject to the terms of this Agreement; and the Sub-Adviser hereby accepts such appointment. In such capacity, the Sub-Adviser shall be responsible for the investment management of the Sub-Adviser Assets. It is recognized that the Sub-Adviser and certain of its affiliates now act, and that from time to time hereafter may act, as investment adviser to one or more other investment companies and to fiduciary or other managed accounts and that the Manager and the Fund cannot object to such activities.

2. Duties of Sub-Adviser.

(a) Sub-Advisory Services. The Sub-Adviser is hereby authorized and directed and hereby agrees, subject to the stated investment objective, policies, limitations and restrictions of the Fund, as set forth in the Fund s prospectus and statement of additional information as currently in effect and as supplemented or amended from time to time (collectively referred to hereinafter as the Registration Statement) and shareholder reports and subject to the directions of the Manager and the Fund s Board of Directors, to monitor on a continuous basis the performance of the

Sub-Adviser Assets and to conduct a continuous program of investment, evaluation and, if appropriate, sale and reinvestment of the Sub-Adviser Assets. The Manager agrees to provide the Sub-Adviser with such assistance as may be reasonably requested by the Sub-Adviser in connection with the Sub-Adviser's activities under this Agreement, including, without limitation, providing information concerning the Fund, its funds available, or to become available, for investment and generally as to the conditions of the Fund or the Fund's affairs.

(b) Compliance with Applicable Laws, Governing Documents and Fund Compliance Procedures. In the performance of its services under this Agreement, the Sub-Adviser shall act in conformity with: (i) the Fund's Registration Statement and investment objective, policies, limitations and restrictions; (ii) the Fund's Articles of Incorporation and By-Laws as currently in effect and, as soon as practical after the Fund or the Manager notifies the Sub-Adviser thereof, as supplemented, amended and/or restated from time to time (referred to hereinafter as the "Articles and By-Laws," respectively); (iii) the policies and procedures for compliance by the Fund with the Federal Securities Laws (as that term is defined in Rule 38a-1 under the 1940 Act) provided to the Sub-Adviser (together, the "Fund Compliance Procedures"); and (iv) with the instructions and directions received in writing from the Manager or the Directors of the Fund. The Sub-Adviser in performing its services under this Agreement will conform to, and comply with, the requirements of the 1940 Act, the Internal Revenue Code of 1986, as amended (the "Code"), and all other applicable federal and state laws and regulations. Without limiting the preceding sentence, the Manager promptly shall notify the Sub-Adviser as to any act or omission of the Sub-Adviser hereunder that the Manager reasonably deems to constitute or to be the basis of any noncompliance or nonconformance with any of the Fund's Articles and By-Laws, the Registration Statement and Fund Compliance Procedures, the instructions and directions received in writing from the Manager or the Directors of the Fund or the 1940 Act, the Code, and all other applicable federal and state laws and regulations. Notwithstanding the foregoing, the Manager shall remain responsible for ensuring the Fund's overall compliance with the 1940 Act, the Code and all other applicable federal and state laws and regulations and the Sub-Adviser is only obligated to comply with this subsection (b) with respect to the Sub-Adviser Assets. The Manager will promptly provide the Sub-Adviser with a copy of the minutes of the meetings or resolutions of the Board of Directors of the Fund to the extent they may affect the Fund or the services of the Sub-Adviser, copies of any financial statements or reports made by the Fund to its shareholders, and any further materials or information which the Sub-Adviser may reasonably request to enable it to perform its functions under this Agreement.

Quarterly and annual tax compliance tests are performed to ensure that the Fund is in compliance with Subchapter M and Section 817(h) of the Code. In connection with such compliance tests, the Manager shall inform the Sub-Adviser at least ten (10) business days prior to a calendar quarter end if the Sub-Adviser Assets are out of compliance with the diversification requirements under either Subchapter M or Section 817(h). If the Manager notifies the Sub-Adviser that the Sub-Adviser Assets are not in compliance with such requirements noted above, the Sub-Adviser will take prompt action to bring the Sub-Adviser Assets back into compliance within the time permitted under the Code thereunder.

The Manager will provide the Sub-Adviser with reasonable advance notice of any change in the Fund's investment objectives, policies, limitations and restrictions, and the Sub-Adviser shall, in the performance of its duties and obligations under this Agreement, manage the Sub-Adviser Assets consistent with such changes, as soon as practical after the Fund or the Manager notifies the Sub-Adviser thereof and provided that the Sub-Adviser has received prompt notice of the effectiveness of such changes from the Fund or the Manager. In addition to such notice, the Manager shall provide to the Sub-Adviser a copy of the document(s) reflecting such changes. The Manager acknowledges that the Fund will at all times be in compliance with all disclosure requirements under all applicable federal and state laws and regulations relating to the Fund, including, without limitation, the 1940 Act, and the rules and regulations thereunder, and that the Sub-Adviser shall have no liability in connection therewith, except as to the accuracy of material information furnished in writing by the Sub-Adviser to the Fund or to the Manager specifically for inclusion in such materials. The Sub-Adviser hereby agrees to provide to the Manager in a timely manner such information relating to the Sub-Adviser and its relationship to, and actions for, the Fund as may be required by the Fund or the Manager.

In order to assist the Fund and the Fund's Chief Compliance Officer (the Fund CCO) to satisfy the requirements contained in Rule 38a-1 under the 1940 Act, the Sub-Adviser shall provide to the Fund CCO: (i) direct access to the Sub-Adviser's chief compliance officer (the Sub-Adviser CCO), as reasonably requested by the Fund CCO; (ii) quarterly reports confirming that the Sub-Adviser has complied with the Fund Compliance Procedures in managing the Sub-Adviser Assets; and (iii) quarterly certifications that there were no Material Compliance Matters (as that term is defined by Rule 38a-1(e)(2)) that arose under the Fund Compliance Procedures that related to the Sub-Adviser's management of the Sub-Adviser Assets. In addition, the Sub-Adviser will provide sub-certifications, upon request, with respect to Forms N-CSR and N-Q filings for the Fund.

(c) Sub-Adviser Compliance Policies and Procedures. The Sub-Adviser shall promptly provide the Fund CCO with copies of: (i) the Sub-Adviser's policies and procedures for compliance by the Sub-Adviser with the Federal Securities Laws (together, the Sub-Adviser Compliance Procedures), and (ii) any material changes to the Sub-Adviser Compliance Procedures. The Sub-Adviser shall cooperate fully with the Fund CCO so as to facilitate the Fund CCO's performance of the Fund CCO's responsibilities under Rule 38a-1 to review, evaluate and report to the Fund's Board of Directors on the operation of the Sub-Adviser Compliance Procedures, and shall promptly report to the Fund CCO any Material Compliance Matter arising under the Sub-Adviser Compliance Procedures involving the Sub-Adviser Assets. The Sub-Adviser shall provide to the Fund CCO: (i) quarterly reports confirming the Sub-Adviser's compliance with the Sub-Adviser Compliance Procedures in managing the Sub-Adviser Assets, and (ii) certifications that there were no Material Compliance Matters involving the Sub-Adviser that arose under the Sub-Adviser Compliance Procedures that affected the Sub-Adviser Assets. At least annually, the Sub-Adviser shall provide a certification to the Fund CCO to the effect that the Sub-Adviser has in place and has implemented policies and procedures that are reasonably designed to ensure compliance by the Sub-Adviser with the Federal Securities Laws.

(d) Voting of Proxies. The Manager hereby delegates to the Sub-Adviser the Manager's discretionary authority to exercise voting rights with respect to the securities and other investments in the Sub-Adviser Assets and authorizes the Sub-Adviser to delegate further such discretionary authority to a designee identified in a notice given to the Fund and the Manager. The Sub-Adviser, including without limitation its designee, shall have the power to vote, either in person or by proxy, all securities in which the Sub-Adviser Assets may be invested from time to time, and shall not be required to seek or take instructions from, the Manager or the Fund or take any action with respect thereto. If both the Sub-Adviser and another entity managing assets of the Fund have invested the Fund's assets in the same security, the Sub-Adviser and such other entity will each have the power to vote its pro rata share of the Fund's security.

The Sub-Adviser has established a written procedure for proxy voting in compliance with current applicable rules and regulations, including but not limited to Rule 30b1-4 under the 1940 Act. The Sub-Adviser has provided the Manager a copy of such procedure and has established a process for the timely distribution of the Sub-Adviser's voting record with respect to the Fund's securities and other information necessary for the Fund to complete information Form N-PX under the 1940 Act, Form N-Q under the 1940 Act, and Form N-CSR under the 1940 Act, respectively.

(e) Agent. Subject to any other written instructions of the Manager or the Fund, the Sub-Adviser is hereby appointed the Manager's and the Fund's agent and attorney-in-fact for the limited purposes of executing account documentation, agreements, contracts and other documents as the Sub-Adviser shall be requested by brokers, dealers, counterparties and other persons in connection with its management of the Sub-Adviser Assets. The Sub-Adviser agrees to provide the Manager and the Fund with copies of any such agreements executed on behalf of the Manager or the Fund.

(f) Brokerage. The Sub-Adviser is authorized, subject to the supervision of the Manager and the plenary authority of the Fund's Board of Directors, to establish and maintain accounts on behalf of the Fund with, and place orders for the investment and reinvestment, including without limitation purchase and sale of the Sub-Adviser Assets with or through, such persons, brokers (including, to the extent permitted by applicable law, any broker affiliated with the Sub-Adviser) or dealers (collectively Brokers) as the Sub-Adviser may elect and negotiate commissions to be paid on such

transactions. The Sub-Adviser, however, is not required to obtain the consent of the Manager or the Fund's Board of Directors prior to establishing any such brokerage account. The Sub-Adviser shall place all orders for the purchase and sale of portfolio investments for the Fund's account with Brokers selected by the Sub-Adviser. In the selection of such Brokers and the placing of such orders, the Sub-Adviser shall seek to obtain for the Fund the most favorable price and execution available, except to the extent it may be permitted to pay higher brokerage commissions for brokerage and research services, as provided below. In using its reasonable efforts to obtain for the Fund the most favorable price and execution available, the Sub-Adviser, bearing in mind the best interests of the Fund at all times, shall consider all factors it deems relevant, including price, the size of the transaction, the breadth and nature of the market for the security, the difficulty of the execution, the amount of the commission, if any, the timing of the transaction, market prices and trends, the reputation, experience and financial stability of the Broker involved, and the quality of service rendered by the Broker in other transactions. Notwithstanding the foregoing, neither the Fund nor the Manager shall instruct the Sub-Adviser to place orders with any particular Broker(s) with respect to the Sub-Adviser Assets. Subject to such policies as the Directors may determine, or as may be mutually agreed to by the Manager and the Sub-Adviser, the Sub-Adviser is authorized but not obligated to cause, and shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement or otherwise solely by reason of its having caused, the Fund to pay a Broker that provides brokerage and research services (within the meaning of Section 28(e) of the Securities Exchange Act of 1934 (the "1934 Act")) to the Sub-Adviser an amount of commission for effecting a Sub-Adviser Assets investment transaction that is in excess of the amount of commission that another Broker would have charged for effecting that transaction if, but only if, the Sub-Adviser determines in good faith that such commission was reasonable in relation to the value of the brokerage and research services provided by such Broker viewed in terms of either that particular transaction or the overall responsibility of the Sub-Adviser with respect to the accounts as to which it exercises investment discretion and that the total commissions paid by the Fund with respect to Sub-Adviser Assets will be reasonable in relation to the benefits to the Fund in the long term.

It is recognized that the services provided by such Brokers may be useful to the Sub-Adviser in connection with the Sub-Adviser's services to other clients. On occasions when the Sub-Adviser deems the purchase or sale of a security to be in the best interests of the Fund with respect to the Sub-Adviser Assets as well as other clients of the Sub-Adviser, the Sub-Adviser, to the extent permitted by applicable laws and regulations, and subject to any applicable procedures adopted by the Board of Directors, may, but shall be under no obligation to, aggregate the securities to be sold or purchased in order to obtain the most favorable price or lower brokerage commissions and efficient execution. In such event, allocation of securities so sold or purchased, as well as the expenses incurred in the transaction, will be made by the Sub-Adviser in the manner the Sub-Adviser considers to be the most equitable and consistent with its fiduciary obligations to each Fund and to such other clients. It is recognized that in some cases, this procedure may adversely affect the price paid or received by the Fund or the size of the position obtainable for, or disposed of by, the Fund with respect to the Sub-Adviser Assets.

(g) Securities Transactions. The Sub-Adviser and any affiliated person of the Sub-Adviser will not purchase securities or other instruments from or sell securities or other instruments to the Fund; provided, however, the Sub-Adviser or any affiliated person of the Sub-Adviser may purchase securities or other instruments from or sell securities or other instruments to the Fund if such transaction is permissible under applicable laws and regulations, including, without limitation, the 1940 Act and the Advisers Act and the rules and regulations promulgated thereunder.

The Sub-Adviser acknowledges that the Manager and the Fund may rely on Rule 17a-7, Rule 17a-10, Rule 10f-3, Rule 12d3-1 and Rule 17e-1 under the 1940 Act, and the Sub-Adviser hereby agrees that it shall not consult with any other subadviser to the Fund with respect to transactions in securities for the Sub-Adviser Assets or any other transactions of Fund assets.

The Sub-Adviser, on its own behalf and with respect to its Access Persons (as defined in subsection (e) of Rule 17j-1 under the 1940 Act), agrees to observe and comply with Rule 17j-1 and its Code of Ethics (which shall comply in

all material respects with Rule 17j-1), as the same may be amended from time to time. Every quarter, the Sub-Adviser will comply with the reporting requirements of Rule 17j-1, which may include either (i) certifying to the Manager that the Sub-Adviser and its Access Persons have complied with the Sub-Adviser's Code of Ethics with respect to the Sub-Adviser Assets or (ii) identifying any violations which have occurred with respect to the Sub-Adviser Assets. The Sub-Adviser will have also submitted its Code of Ethics for its initial approval by the Board of Directors no later than the date of execution of this agreement and subsequently within six months of any material change thereto.

(h) Books and Records. The Sub-Adviser shall maintain separate detailed records as are required by applicable laws and regulations of all matters hereunder pertaining to the Sub-Adviser Assets (the Fund's Records), including, without limitation, brokerage and other records of all securities transactions. In compliance with the requirements of Rule 31a-3 under the 1940 Act, the Sub-Adviser hereby agrees that all records which it maintains for the Fund are the property of the Fund, agrees to preserve for the periods prescribed by Rule 31a-2 under the 1940 Act any records that it maintains for the Fund and that are required to be maintained by Rule 31a-1 under the 1940 Act, and further agrees to surrender promptly to the Fund any records which it maintains for the Fund upon request by the Fund (except that the Sub-Adviser, at its own expense, is entitled to make and keep a copy of the Fund's Records for its internal files). The Fund's Records shall be available to the Manager or the Fund at any time upon reasonable request during normal business hours and shall be available for telecopying promptly to the Manager during any day that the Fund is open for business as set forth in the Registration Statement.

(i) Information Concerning Sub-Adviser Assets and Sub-Adviser. From time to time as the Manager or the Fund reasonably may request in good faith, the Sub-Adviser will furnish the requesting party reports on portfolio transactions and reports on the Sub-Adviser Assets, all in such reasonable detail as the parties may reasonably agree in good faith. The Sub-Adviser will also inform the Manager prior to any such change of material changes in portfolio managers responsible for Sub-Adviser Assets, any changes in the ownership or management of the Sub-Adviser, or of material changes in the control of the Sub-Adviser. Upon the Fund's or the Manager's reasonable request, the Sub-Adviser will make available its officers and employees to meet with the Fund's Board of Directors to review the Sub-Adviser Assets via telephone on a quarterly basis and on a less frequent basis as agreed upon by the parties in person.

Subject to the other provisions of this Agreement, the Sub-Adviser will also provide such information or perform such additional acts with respect to the Sub-Adviser Assets as are reasonably required for the Fund or the Manager to comply with their respective obligations under applicable laws, including without limitation, the Code, the 1940 Act, the Advisers Act, and the Securities Act of 1933, as amended, and any rule or regulation thereunder.

(j) Custody Arrangements. The Fund or the Manager shall notify the Sub-Adviser of the identities of its custodian banks and the custody arrangements therewith with respect to the Sub-Adviser Assets and shall give the Sub-Adviser written notice of any changes in such custodian banks or custody arrangements. The Sub-Adviser shall on each business day provide the Manager and the Fund's custodian such information as the Manager and the Fund's custodian may reasonably request in good faith relating to all transactions concerning the Sub-Adviser Assets. The Fund shall instruct its custodian banks to (A) carry out all investment instructions as may be directed by the Sub-Adviser with respect to the Sub-Adviser Assets (which instructions may be orally given if confirmed in writing); and (B) provide the Sub-Adviser with all operational information necessary for the Sub-Adviser to trade the Sub-Adviser Assets on behalf of the Fund. The Sub-Adviser shall have no liability for the acts or omissions of the authorized custodian(s), unless such act or omission is required by and taken in reliance upon instructions given to the authorized custodian(s) by a representative of the Sub-Adviser properly authorized (pursuant to written instruction by the Manager) to give such instructions.

(k) Valuation of Sub-Adviser Assets. The Sub-Adviser agrees to monitor the Sub-Adviser Assets and to notify the Manager or its designee on any day that the Sub-Adviser determines that a significant event has occurred with respect to one or more securities held in the Sub-Adviser Assets. As requested by the Manager or the Fund's Valuation Committee, the Sub-Adviser hereby agrees to provide additional assistance to the Valuation Committee of the Fund, the Manager and the Fund's pricing agents in valuing Sub-Adviser Assets held in the portfolio. Such assistance may include

fair value pricing of portfolio securities, as requested by the Manager. The Sub-Adviser agrees that it will act, at all times, in accordance with the Fund's Valuation Procedures, and will provide such certifications or sub-certifications relating to its compliance with the Fund's Valuation Procedures as reasonably may be requested, from time to time, by the Manager or the Fund. The Sub-Adviser agrees that it will regularly reconcile its portfolio holdings list for the Fund against the portfolio holdings list provided by the Fund's service providers and alert the Manager in the event that the Sub-Adviser's list does not match the list provided by the Fund's service providers.

The Sub-Adviser also will provide such information or perform such additional acts as are customarily performed by a Sub-Adviser and may be required for a Fund or the Manager to comply with their respective obligations under applicable federal securities laws, including, without limitation, the 1940 Act, the Advisers Act, the 1934 Act, the Securities Act, and any rule or regulation thereunder.

3. **Independent Contractor.** In the performance of its services hereunder, the Sub-Adviser is and shall be an independent contractor and unless otherwise expressly provided herein or otherwise authorized in writing, shall have no authority to act for or represent the Fund, the Fund or the Manager in any way or otherwise be deemed an agent of the Fund, the Fund or the Manager.

4. **Expenses.** During the term of this Agreement, the Sub-Adviser will pay all expenses and overhead incurred by it in connection with its activities under this Agreement. The Sub-Adviser shall, at its sole expense, employ or associate itself with such persons as it believes to be particularly fitted to assist it in the execution of its duties under this Agreement. The Sub-Adviser shall not be responsible for the Fund's or the Manager's expenses, which shall include, but not be limited to, the cost of securities, commodities and other investments (including brokerage commissions and other transaction charges, if any) purchased for the Fund and any losses incurred in connection therewith, expenses of holding or carrying Sub-Adviser Assets, including, without limitation, expenses of dividends on stock borrowed to cover a short sale and interest, fees or other charges incurred in connection with leverage and related borrowings with respect to the Sub-Adviser Assets, organizational and offering expenses (which include, but are not limited to, out-of-pocket expenses, but not overhead or employee costs of the Sub-Adviser); expenses for legal, accounting and auditing services; taxes and governmental fees; dues and expenses incurred in connection with membership in investment company organizations; costs of printing and distributing shareholder reports, proxy materials, Registration Statements, stock certificates and distribution of dividends; charges of the Fund's custodians and sub-custodians, administrators and sub-administrators, registrars, transfer agents, dividend disbursing agents and dividend reinvestment plan agents; payment for portfolio pricing services to a pricing agent, if any; registration and filing fees of the SEC; expenses of registering or qualifying securities of the Fund for sale in the various states; freight and other charges in connection with the shipment of the Fund's portfolio securities; fees and expenses of non-interested Directors; salaries of shareholder relations personnel; costs of shareholders meetings; insurance; interest; brokerage costs; and litigation and other extraordinary or non-recurring expenses of the Fund. The Fund or the Manager, as the case may be, shall reimburse the Sub-Adviser for any expenses of the Fund or the Manager as may be reasonably incurred by such Sub-Adviser on behalf of the Fund or the Manager. The Sub-Adviser shall keep and supply to the Fund and the Manager reasonable records of all such expenses.

5. **Compensation.** For services provided pursuant to this Agreement, the Sub-Adviser is entitled to the fee listed for the Fund on Exhibit A hereto. Such fees will be paid by the Manager no later than the twentieth (20th) business day following the end of each month.
