Item 1.01 Entry into a Material Definitive Agreement

The Colonial BancGroup, Inc. (BancGroup) entered into a Stock Purchase Agreement, dated March 31, 2009, (the Stock Purchase Agreement) with investors led by Taylor Bean & Whitaker Mortgage Corp. (TBW and collectively the Purchasers) pursuant to which BancGroup would raise \$300 million of additional capital. TBW and certain other Purchasers are customers of BancGroup s subsidiary Colonial Bank. The Stock Purchase Agreement is subject to various closing conditions as follows:

The Purchasers shall have received satisfactory confirmation that the United States Treasury Department (the U.S. Treasury) will, immediately after BancGroup s receipt of the purchase price, invest funds in BancGroup through the Capital Purchase Program in an amount equal to three percent (3%) of the risk weighted assets of BancGroup.

All necessary regulatory approvals must be obtained.

Colonial Bank shall have converted to a federal savings and loan association.

The Purchasers shall have received satisfactory approvals, clearances and/or waivers from the OTS as to the applicability of Regulation W.

No Material Adverse Effect has occurred to BancGroup.

The Purchasers shall have obtained satisfactory financing.

The Purchasers shall have satisfactorily completed their due diligence by April 30, 2009, and all purchasers shall have executed a joinder to the Stock Purchase Agreement by that date.

All of the representations and warranties made by BancGroup in the Stock Purchase Agreement shall be true and correct.

The Purchasers and BancGroup shall be satisfied that the transaction shall not result in a change of control of BancGroup for accounting purposes.

The Purchasers and BancGroup have the right to terminate the Stock Purchase Agreement if the Closing has not occurred by July 31, 2009, or if any of the above mentioned conditions have not been satisfied.

Under the terms of the Stock Purchase Agreement, BancGroup has agreed to issue 466,600 shares of Class A Preference Stock and 133,400 shares of Class B Preference Stock at a purchase price of \$500 per share. The Class A Preference Shares will carry voting rights, on an as-converted basis with BancGroup s common shareholders, whereas the Class B Preference Shares will have only limited protective voting rights. Each share of Preference Stock will be convertible into 1,000 shares of BancGroup s common stock at the conversion ratio of \$0.50 per share, subject to BancGroup obtaining shareholder approval or taking other necessary action. So long as the Class B Preference Shares are held by TBW or any of its affiliates, those shares shall not be convertible into common stock.

While the rules of the New York Stock Exchange (the NYSE) generally require shareholder approval prior to the issuance of securities representing 20% of the outstanding shares of a listed company, the NYSE provides an exception in cases where the delay involved in securing shareholder approval for the issuance would seriously jeopardize the financial viability of the listed company. In accordance with the NYSE rule providing that exception, the Audit Committee of BancGroup s Board of Directors has expressly approved, and the full Board of Directors has concurred with, BancGroup s reliance on the exception.

Edgar Filing: COLONIAL BANCGROUP INC - Form 8-K

The Stock Purchase Agreement stipulates that BancGroup's Board of Directors shall consist of fifteen directors. The Purchasers shall be entitled to select five representatives to BancGroup's Board. Two of the Purchasers' representatives shall also be appointed to the Executive Committee of the Board of Directors. Within 60 days of the Closing Date, the Board of Directors shall be composed of: (i) the Purchasers' five representatives; (ii) five other continuing directors; and (iii) five other directors mutually agreeable to BancGroup and the Purchasers. The Purchasers shall also appoint the same representatives to the Colonial Bank Board of Directors, which shall consist of thirteen total directors. The Purchasers also have continuing representation rights on the BancGroup Board of Directors.

BancGroup agrees not to solicit competing offers, however, if within 30 days after the signing of the Stock Purchase Agreement an unsolicited proposal is received by BancGroup that BancGroup's Board of Directors concludes in good faith is reasonably likely to result in a Superior Proposal as defined in the Stock Purchase Agreement, then the Board of Directors, pursuant to conditions stated in the Stock Purchase Agreement, may enter into an agreement with respect to such proposal. In that event, or if the Stock Purchase Agreement is terminated for certain other events, BancGroup will pay a termination fee of \$10,000,000 to the Purchasers.

The Purchasers shall have preemptive rights on any future Qualified Offering of Covered Securities by BancGroup such that the Purchasers have the ability to prevent dilution of their ownership percentage in BancGroup.

For a period of one year after closing, without the prior written consent of BancGroup's Board, each Purchaser will be restricted as to their ability to sell, transfer, pledge, convey or otherwise encumber shares representing more than 9.9% of the aggregate outstanding shares of BancGroup.

BancGroup has determined that this transaction shall not constitute a change in control under BancGroup's employee benefit plans.

The Purchasers obtain the right to require BancGroup to register their shares for sale by them from time to time, commencing on or after the date that is 270 days after the Closing Date.

The description of the Stock Purchase Agreement is a summary and does not purport to be a complete description of all of the terms of such agreement, and is qualified in its entirety by reference to the Stock Purchase Agreement, attached hereto as Exhibit 10.1, and incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities

The disclosure in Item 1.01 above is incorporated herein by reference. Upon consummation of the transaction, BancGroup would issue and sell 466,600 shares of Class A Preference Stock and 133,400 share of Class B Preference Stock at a purchase price of \$500 per share. The Preference Stock will be offered and sold to institutional and accredited investors in an offering that is exempt from the registration requirements of the Securities Act of 1933. Upon receipt of shareholder approval to increase the number of authorized shares of BancGroup's common stock and to reduce the par value of BancGroup's common stock to \$0.01 per share, each share of Preference Stock will be convertible into 1,000 shares of BancGroup common stock. However, so long as the Class B Preference Shares are held by TBW or any of its affiliates, those shares shall not be convertible into BancGroup common stock.
