Item 8.01 Other Events

On December 9, 2009, the United States Department of the Treasury (Treasury) closed the secondary public offering of 12,657,960 warrants (the Warrant Offering), representing the right to purchase an aggregate of up to that same number of Capital One Financial Corporation s (Capital One or the Company) common stock, par value \$0.01 per share at an exercise price of \$42.13 per share (the Warrants), pursuant to an underwriting agreement dated December 3, 2009 (the Underwriting Agreement) among the Company, Treasury and Deutsche Bank Securities Inc. as the representative (the Representative) of the underwriters. The public offering price and the allocation of the Warrants in this offering were determined by an auction process. The public offering price of the Warrants was equal to the auction clearing price of \$11.75. The Company did not receive any of the proceeds of the Warrant Offering. The Warrant Offering was only made under a prospectus supplement and the accompanying prospectus filed with the Securities and Exchange Commission (the Commission) pursuant to the Company s automatic shelf registration statement on Form S-3 (Registration No. 333-159085).

In connection with the Warrant Offering, the Company and certain of its officers and directors have agreed to enter into 45-day lock-up agreements in substantially the form included in the Underwriting Agreement and subject to customary exceptions. Additionally, the Company entered into a warrant agreement dated December 3, 2009 (the Warrant Agreement) between the Company and Computershare Trust Company, N.A., as warrant agent.

The foregoing description of the Underwriting Agreement, Warrant Agreement, Warrants and other documents relating to this transaction does not purport to be complete and is qualified in its entirety by reference to the full text of these documents and securities, forms or copies of which are incorporated by reference or are attached as exhibits to this Current Report on Form 8-K and are incorporated herein by reference.
