Item 1.01. Entry into a Material Definitive Agreement.

On June 8, 2010, the Executive Compensation, Nominating, and Corporate Governance Committee (the Committee) of the Board of Directors (the Board) of Universal Corporation (the Company) approved a revised form of non-employee director restricted stock units award agreement (the RSU Agreement) for use with any future restricted stock unit awards to the Company's non-employee directors issued under the Company's 2007 Stock Incentive Plan, as amended. A copy of the RSU Agreement is filed with this Current Report and is incorporated herein by reference.

Restricted stock units (RSUs) granted under the RSU Agreement will vest on the third anniversary of the award date, provided the director remains in continuous service as a member of the Board through that time. If the director's service on the Board terminates for any reason (other than as described below) prior to the vesting date, the RSUs will be forfeited in their entirety. Payment for vested RSUs will be made in shares of the Company's common stock within 30 days of the vesting date. The shares of common stock received upon payment of the RSUs will be subject to restrictions on transfer for as long as the director continues to serve on the Board.

If prior to the vesting date, the director's service on the Board terminates at the end of such director's current three-year term due to (i) a decision by the Board not to nominate the director for reelection (other than for Cause (as defined in the RSU Agreement)), (ii) the failure of the Company's shareholders to reelect the director or (iii) the director's mandatory retirement after reaching the mandatory retirement age, the RSUs shall become fully vested as of the date of such termination.

If prior to the vesting date, the director's service on the Board terminates as a result of the director's death or Disability (as defined in the RSU Agreement), the RSUs will become fully vested as of the date of such termination.

In the event of a Change in Control (as defined in the RSU Agreement) prior to the vesting date, provided the director remains in continuous service through the date of the Change in Control, the RSUs shall become fully vested as of the date of such Change in Control. In addition, the restrictions on transfer of the common stock received upon payment of the RSUs will lapse upon a Change of Control.

Prior to the payment in common stock upon vesting of the RSUs, the RSUs will accumulate dividend equivalent rights in an amount equal to the dividends paid with respect to a share of the Company's common stock. In addition, the number of RSUs covered by each RSU Agreement shall be proportionately adjusted for certain changes in the Company's capital structure.
