List of Retained Causes of Action

List of Retained Causes of Action¹

Section 5.29 of the Plan provides as follows:

In accordance with section 1123(b) of the Bankruptcy Code, and except where such Causes of Action have been expressly released (including, for the avoidance of doubt, pursuant to the Releases by the Debtors provided by Section 11.2 hereof), the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, and the Reorganized Debtors' rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. The Reorganized Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. No Entity may rely on the absence of a specific reference in the Plan or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action against them. Except with respect to Causes of Action as to which the Debtors or Reorganized Debtors have released any Person or Entity on or before the Effective Date (including pursuant to the Releases by the Debtors or otherwise), the Debtors or Reorganized Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches, shall apply to such Causes of Action upon, after or as a consequence of the Confirmation or Consummation.

Notwithstanding and without limiting the generality of Section 5.29 of the Plan, the Debtors have identified below certain specific Causes of Action, including: (a) claims related to contracts and leases; (b) claims related to pending and possible litigation; (c) claims related to accounts receivable and accounts payable; (d) claims related to environmental matters; and (e) claims related to workers' compensation. These categories, however, shall not be deemed limiting and any specific Cause of Action listed in one category shall be viewed as if listed in all.

Failure to include an Entity on the attached Schedules shall not constitute a release of such Entity and shall not indicate that causes against such Entity have not been retained. Moreover, failure to attribute any specific cause of action to a particular Entity on the attached Schedules shall not mean that such cause of action is not retained against such Entity. All possible causes of action, including causes of action not listed on the attached Schedules, are retained against all Entities not expressly released pursuant to the Plan or a Final Order.

¹ This Exhibit D List of Retained Causes of Action remains subject to further revision. The Debtors expressly reserve the right to alter, modify, amend, remove, augment or supplement this Exhibit at any time in accordance with the Plan.

Claims Related to Contracts and Leases

Unless otherwise released by the Plan, the Debtors expressly reserve the Causes of Action, based in whole or in part upon any and all contracts and leases to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or lease is explicitly identified in the attached Schedules. The claims and Causes of Action reserved include, without limitation, Causes of Action against vendors, suppliers of goods and services, or any other parties: (a) for overpayments, back charges, duplicate payments, improper holdbacks, deposits, warranties, guarantees, indemnities, recoupment or setoff; (b) for wrongful or improper termination, suspension of services or supply of goods, breach or failure to meet other contractual or regulatory obligations; (c) for failure to fully perform or to condition performance on additional requirements under contracts with any one or more of the Debtors before the assumption or rejection, if applicable, of such contracts; (d) for payments, deposits, holdbacks, reserves or other amounts owed by any creditor, utility, supplier, vendor, insurer, surety, factor, lender, bondholder, lessor or other party; (e) for any liens, including mechanic s, artisan s, materialmen s possessory or statutory liens held by any one or more of the Debtors; (f) arising out of environmental, contaminant exposure, or related matters against landlords, lessors, environmental consultants, environmental agencies or suppliers of environmental services or goods; (g) for insurance coverage pursuant to contracts of insurance or settlement agreements with insurers; (h) counter-claims and defenses related to any contractual obligations; (i) any turnover actions arising under section 542 or 543 of the Bankruptcy Code; and (j) for unfair competition, interference with contract or potential business advantage, breach of contract, infringement of intellectual property or any business tort claims.

Claims, Defenses, Cross-Claims and

Counter-Claims Related to Litigation and Possible Litigation

The Debtors are party to or believe they may become a party to litigation, arbitration or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial, regardless of whether such proceeding is explicitly identified in the attached Schedules. Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action against or related to all Entities that are party to or that may in the future become party to litigation, arbitration or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial, including those litigation, arbitration or other types of adversarial proceedings or dispute resolution proceedings listed on the *Debtors' Statements of Financial Affairs*, filed on June 11, 2009 and August 23, 2010.

Claims Related to Accounts Receivable and Accounts Payable

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action against or related to all Entities that owe or that may in the future owe money to the Debtors or Reorganized Debtors, regardless of whether such Entity is explicitly identified in the attached

Schedules. Furthermore, the Debtors expressly reserve all Causes of Action against or related to all Entities who assert or may assert that the Debtors or Reorganized Debtors owe money to them.

Claims Related to Environmental Matters

The Debtors are party to or believe they may become party to litigation, arbitration or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial regardless of whether such proceeding is explicitly identified in the attached Schedules. Unless otherwise released by the Plan, the Debtors expressly reserve and retain any and all Causes of Action for contribution or indemnification from or against or related to all Entities that are party to or that may in the future become party to litigation, arbitration or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial, including those proceedings identified in the attached Schedules relative to all environmental sites which are governed by local, state, or federal environmental laws, including, without limitation, the Comprehensive Environmental Response, Compensation and Liability Act, as amended, 42 U.S.C. §§ 9601 *et seq.* (CERCLA).

Claims Related to Workers Compensation and Related Liabilities

The Debtors are party to or believe they may become party to litigation, arbitration or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial regardless of whether such proceeding is explicitly identified in the attached Schedules. Unless otherwise released by the Plan, the Debtors expressly reserve and retain any and all Causes of Action they may have to seek insurance coverage for workers compensation liability, employers liability, and related matters, from any and all insurers, including, without limitation, Ace American Insurance Company, CNA Insurance Co., Hartford Insurance Group, Lumberman's Mutual Casualty Company, National Union Fire Insurance Company, Old Republic Insurance Company, Reliance Insurance Company, Travelers Insurance Co., XL Insurance and Zurich American Insurance Co., relative to such claims or claims that may arise in the future through litigation, arbitration or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial, including those proceedings identified in the attached Schedules or any past, present or future proceedings in which Debtors were, are now or may become involved. The foregoing is without prejudice to the Debtors' rights to seek insurance coverage from any insurer of Debtors for any related or other matters, or to seek enforcement of settlement agreements with insurers for any related or other matters.

The above referenced account will be established with the Escrow Agent or an affiliate in the name of the Escrow Agent, as escrow agent on behalf of the Trustee and the Company (together with any successor account or accounts, the **Escrow Account**), to administer the Escrow Account in accordance with the provisions of this Agreement, including, without limitation, holding in escrow, investing and reinvesting, and releasing or distributing the Escrow Property.

(b) As security for the due and punctual payment when due and punctual performance of all amounts that may be payable from time to time under the Indenture and the Notes, now or hereafter arising, the Company hereby pledges, assigns and grants to the Trustee, for the benefit of the holders of the Notes, a continuing security interest in, and a lien on, its interests in this Agreement, the Escrow Account and all Escrow Property. The security interest of the Trustee shall at all times be valid, perfected and enforceable as a first priority security interest by the Trustee against the Company in accordance with the terms of this Agreement. The Company hereby authorizes the filing of (and agrees to file) a financing statement (which financing statement shall describe as collateral the interest of the Company in this Agreement, in the Escrow Account and in the Escrow Property) in the State of Delaware to perfect the foregoing security interest granted to the Trustee.

(c) The Escrow Agent hereby agrees that each item of property (which shall be in the form of Government Securities, Cash Equivalents (solely with respect to instruments or investments satisfying clauses (a), (b), (c) and (d) of the definition thereof in the Indenture, in each case maturing no later than the Escrow End Date (as defined below), and with respect to clause (c) thereof with a bank or trust company having capital, surplus and undivided profits aggregating in excess of \$500,000,000) and other Escrow Investments (in each case, as defined in the Indenture) (collectively, the **Escrow Agreement Permitted Investments**) deposited in or credited to any Escrow Account maintained as a securities account shall be treated as a financial asset within the meaning of Section 8-102(a)(9) of the New York UCC.

(d) If at any time the Escrow Agent receives (i) any entitlement order (as such term is defined in Section 8-102(a)(8) of the New York UCC) with respect to any financial asset credited to an Escrow Account or (ii) any instruction (within the meaning of Section 9-104(b) of the New York UCC) concerning the disposition of funds held in an Escrow Account from the Trustee acting on the written directions of the majority of the holders of the Notes, the Escrow Agent shall comply with such entitlement order or instruction, as applicable, without further consent of the Company or any other Person. The Trustee hereby agrees that so long as no Event of Default (as defined in the Indenture) has occurred and is continuing and the Notes are not due and payable, it shall not give any entitlement orders or instructions, as applicable, unless a Special Mandatory Redemption shall be required pursuant to Section 3.09 of the Indenture or as otherwise permitted pursuant to Section 5 hereof. The Escrow Agent agrees that it shall honor instructions issued in accordance with Sections 5.1, 5.2, 5.3, 5.4, 5.5 and 5.6 hereof.

(e) Upon the release of any Escrow Property pursuant to Section 5 hereof, the security interest granted hereby to the Trustee for the benefit of the holders of the Notes shall automatically terminate without any further action and the Escrow Property shall be delivered to the recipient free and clear of any and all liens, claims or encumbrances of any person, including, without limitation, the Escrow Agent, the Trustee and the holders of the Notes.

SECTION 4. Investment of the Escrow Property. During the term of this Agreement, the Escrow Agent shall invest and reinvest the Escrow Property in the Escrow Agreement Permitted Investments at the written direction of one of the authorized representatives of the Company identified on Schedule I hereto (each such representative, an **Authorized Person**).

The Escrow Agent shall have no obligation to invest or reinvest the Escrow Property if deposited with the Escrow Agent after 11:00 a.m. local time in the City of New York on such day of deposit until the next Business Day. Instructions received after 11:00 a.m. local time in the City of New York will be treated as if received on the following Business Day. The Escrow Agent shall have no responsibility for any investment losses resulting from the investment, reinvestment or liquidation of the Escrow Property. Any interest or other income received on such investment and reinvestment of the Escrow Property shall become part of the Escrow Property and any losses incurred on such investment and reinvestment of the Escrow Property shall be debited against the Escrow Property. If a selection is not made and a written direction not given to the Escrow Agent, the Escrow Property shall remain uninvested with no liability for interest therein. It is agreed and understood that the entity serving as Escrow Agent may earn fees associated with the investments outlined above in accordance with the terms of such investments. Notwithstanding the foregoing, the Escrow Agent shall have the power to sell or liquidate the foregoing investments whenever the Escrow Agent shall be required to release all or any portion of the Escrow Property pursuant to Section 5 hereof. In no event shall the Escrow Agent be deemed an investment manager or adviser in respect of any selection of investments

hereunder. It is understood and agreed that the Escrow Agent or its affiliates are permitted to receive additional compensation that could be deemed to be in the Escrow Agent's economic self-interest for (1) serving as investment adviser, administrator, shareholder servicing agent, custodian or sub-custodian with respect to certain of the investments, (2) using affiliates to effect transactions in certain investments and (3) effecting transactions in investments.

The Escrow Property may be held in custody and deposit accounts established by the Escrow Agent with one or more domestic or foreign banks or other institutions (each a **Subcustodian**), as may be notified in writing by the Escrow Agent to the Company from time to time, or through the facilities of one or more affiliate of the Escrow Agent. Any Subcustodian may hold the Escrow Property in a securities depository and may utilize a clearing agency. Notwithstanding anything herein to the contrary, such securities depositories and clearing agencies shall not be deemed to be agents of the Escrow Agent.

SECTION 5. Distribution of the Escrow Property. The Escrow Agent is directed to distribute the Escrow Property in the following manner:

5.1 if at any time prior to the Initial Escrow End Date, as may be extended to the First Escrow Extension Date or the Second Escrow Extension Date pursuant to this Agreement (the **Escrow End Date**), the Escrow Release Conditions (as defined in Section 6 hereof) are satisfied and the Escrow Agent receives (i) a certificate from the Company substantially in the form of Exhibit A, dated as of the date the Escrow Property is to be released pursuant to the Release Notice (as defined below), executed by at least two Officers of the Company, one of whom must be the principal executive officer, the principal financial officer, the treasurer or the principal accounting officer of the Company, certifying to the Escrow Agent as to the matters set forth therein (an **Officers Certificate**) and (ii) a written notice substantially in the form of Exhibit B, executed by an Authorized Person of the Company and acknowledged by the Trustee (a **Release Notice**), the Escrow Agent shall within one (1) Business Day, provided that the Release Notice is received by 11:00 a.m. local time in the City of New York on the prior Business Day, release the Escrow Property as directed and in the manner set forth in the Release Notice;

5.3 if on the Initial Escrow End Date, the Escrow Agent has not received (a) (i) a written notice from the Company indicating its election to extend the Initial Escrow End Date to the First Escrow Extension Date and (ii) the amount of the First Additional Interest Deposit as set forth in Section 3.2, or (b) a Release Notice, the Escrow Agent shall give written notice to the Trustee within one (1) Business Day of the Initial Escrow End Date of a release of Escrow Property under this Section 5.3 and, not less than one (1) Business Day after the date of such notice, (x) release the Escrow Property (less any interest or other income received from the investment or reinvestment thereof pursuant to Section 4) to the Trustee, by wire transfer of immediately available funds to the account set forth in Section 12.4 (or such other account as the Trustee shall have specified by notice to the Escrow Agent), and (y) after making the transfer described in the preceding clause (x), release all amounts remaining in the Escrow Account to the Company, by wire transfer of immediately available funds to the account set forth in Section 12.4 (or such other account as the Company shall have specified by notice to the Escrow Agent);

5.4 if on the First Escrow Extension Date, the Escrow Agent has not received (a) (i) a written notice from the Company indicating its election to extend the Initial Escrow End Date to the Second Escrow Extension Date and (ii) the amount of the Second Additional Interest Deposit as set forth in Section 3.3, or (b) a Release Notice, the Escrow Agent shall give written notice to the Trustee within one (1) Business Day of the First Escrow Extension Date of a release of Escrow Property under this Section 5.4 and, not less than one (1) Business Day after the date of such notice, (x) release the Escrow Property (less any interest or other income received from the investment or reinvestment thereof pursuant to Section 4) to the Trustee, by wire transfer of immediately available funds to the account set forth in Section 12.4 (or such other account as the Trustee shall have specified by notice to the Escrow Agent), and (y) after making the transfer described in the preceding clause (x), release all amounts remaining in the Escrow Account to the Company, by wire transfer of immediately available funds to the account set forth in Section 12.4 (or such other account as the Company shall have specified by notice to the Escrow Agent);

5.5 if on the Second Escrow Extension Date, the Escrow Property shall not have been released pursuant to Section 5.1, 5.2, 5.3, 5.4 or 5.6, then the Escrow Agent shall, on the Second Escrow Extension Date, give written notice to the Trustee within one (1) Business Day of the Second Escrow Extension Date of a release of Escrow Property under this Section 5.5 and, not less than one (1) Business Day after the date of such notice, (x) release the Escrow Property (less any interest or other income received from the investment or reinvestment thereof pursuant to Section 4) to the Trustee, by wire transfer of immediately available funds to the account set forth in Section 12.4 (or such other account as the Trustee shall have specified by notice to the Escrow Agent), and (y) after making the transfer described in the preceding clause (x), release all amounts remaining in the Escrow Account to the Company, by wire transfer of immediately available funds to the account set forth in Section 12.4 (or such other account as the Company shall have specified by notice to the Escrow Agent); or

5.6 if at any time prior to the Escrow End Date, the Escrow Agent receives an entitlement order or instructions, as applicable, from the Trustee pursuant to Section 3.4(d) hereof, executed by the Trustee, the Escrow Agent shall liquidate the Escrow Property no later than one (1) Business Day prior to the date specified in such entitlement order or instructions, as the case may be, for the release of such Escrow Property and shall release the Escrow Property as directed and in the manner set forth in such entitlement order or instructions from the Trustee pursuant to Section 3.4(d) hereof, as the case may be; it being understood that the Trustee shall not deliver any such entitlement order or instructions in reliance on this Section 5.6 unless an Event of Default has occurred and is continuing under the Indenture.

SECTION 6. Escrow Release Conditions

The Escrow Agent shall only release the Escrow Property to the Company upon satisfaction of the following conditions (the **Escrow Release Conditions**), which shall be certified in writing by the Company in an Officers Certificate in accordance with Section 5 hereof:

6.1 issuance by the Bankruptcy Court of a final order that has not been stayed pending appeal confirming a Reorganization Plan and, other than release of the Escrow Property and other conditions to be satisfied substantially simultaneously with release of the Escrow Property, satisfaction of all conditions precedent to effectiveness of such Reorganization Plan;

6.2 except as contemplated by the Reorganization Plan proposed by the Company as of August 13, 2010, including transfers to certain litigation and environmental trusts,

(a) the Company shall directly or indirectly own subsidiaries that own all or substantially all of the assets and businesses directly or indirectly owned by the Company and its subsidiaries immediately prior to the consummation of the transactions contemplated by such Reorganization Plan, and

(b) the cash expenditures to be made in respect of Specified Claims pursuant to such Reorganization Plan shall not exceed \$1,100,000,000; provided, however, that in the event the Company consummates the Rights Offering, such amount shall be increased by the net proceeds of such offering;

6.3 no Default or Event of Default shall have occurred and be continuing under the Indenture;

6.4 substantially simultaneously with the release of Escrow Property, the respective parties shall have executed and delivered documents relating to the other elements of the Exit Financing, and the conditions to effectiveness thereunder shall have been satisfied or waived by the parties thereto, and funds shall have been borrowed or received or available to be borrowed pursuant to offerings (as necessary to consummate the Reorganization Plan), as follows:

(b) the ABL Facility, which shall provide for commitments in an aggregate principal amount not to exceed approximately \$275,000,000 (availability is subject to borrowing base and advance rate calculations); and

6.5 each Guarantor shall have executed a Note Guarantee in accordance with the provisions of the Indenture.

SECTION 7. Termination. This Agreement shall terminate upon the distribution of all Escrow Property from the Escrow Account. The provisions of Sections 8, 9, 10 and 11 shall survive the termination of this Agreement or the earlier resignation or removal of the Escrow Agent.

SECTION 8. Compensation of Escrow Agent. The Escrow Agent shall be entitled to payment from the Company for customary fees and reasonable out-of-pocket expenses for all services rendered by it hereunder as listed on Exhibit D hereto (as such fees may be adjusted from time to time). The Company shall reimburse the Escrow Agent on demand for all loss, liability, damage, disbursements, advances or reasonable out-of-pocket expenses paid or incurred by it in the administration of its duties hereunder, including, but not limited to, all counsel, advisors and agents' reasonable out-of-pocket fees and disbursements and all taxes or other governmental charges. At all times, the Escrow Agent will have a right of set off and first lien on the funds in the Escrow Property for payment of customary fees and reasonable out-of-pocket expenses and all such loss, liability, damage or expenses. Such compensation and expenses shall be paid from the Escrow Property to the extent not otherwise paid within thirty (30) days after an invoice has been rendered. Except as expressly provided in this Section 8, the Escrow Agent subordinates any lien or right of set off it may have with respect to the Escrow Property to the Trustee's security interests granted hereunder other than in connection with fees pursuant to this Section 8 or the indemnification obligations in Section 10.

SECTION 9. Resignation of Escrow Agent. The Escrow Agent may resign and be discharged from its duties hereunder at any time by giving thirty (30) calendar days prior written notice of such resignation to the Company and the Trustee. Upon such notice, a successor escrow agent shall be appointed by the Company and the Trustee, who shall provide written notice of such to the resigning Escrow Agent. Such successor escrow agent shall become the escrow agent hereunder upon the resignation specified in such notice. If the Company and the Trustee are unable to agree upon a successor escrow agent within thirty (30) days after such notice, the Escrow Agent may, in its sole discretion, deliver the Escrow Property to the Trustee at the address provided herein or may apply to a court of competent jurisdiction for the appointment of a successor escrow agent or for other appropriate relief. The reasonable out-of-pocket costs and expenses (including its attorneys' fees and expenses) incurred by the Escrow Agent in connection with such proceeding shall be paid by the Company. Upon receipt of the identity of the successor escrow agent, the Escrow Agent shall either deliver the Escrow Property then held hereunder to the successor Escrow Agent, less the Escrow Agent's fees, costs and expenses or other obligations owed to the Escrow Agent to be paid from any interest earned in respect of the Escrow Property, or hold any interest earned in respect of the Escrow Property (or any portion thereof), pending distribution, until all such fees, costs and expenses or other obligations are paid. Upon its resignation and delivery of the Escrow Property as set forth in this Section 9, the Escrow Agent shall be discharged of and from any and all further obligations arising in connection with the Escrow Property or this Agreement.

SECTION 10. Indemnification of Escrow Agent. The Company shall indemnify, defend and hold harmless the Escrow Agent and its officers, directors, employees and agents, from and against and reimburse the Escrow Agent for any and all claims, obligations, liabilities,

losses, damages, injuries (to person, property, or natural resources), penalties, stamp or other similar taxes, actions, suits, judgments and reasonable out-of-pocket costs and expenses (including reasonable attorneys' fees and expenses) of whatever kind or nature regardless of their merit, demanded, asserted or claimed against the Escrow Agent directly or indirectly relating to, or arising from, claims against the Escrow Agent by reason of its participation in the transactions contemplated hereby, including without limitation all reasonable out-of-pocket costs required to be associated with claims for damages to persons or property, and reasonable out-of-pocket attorneys' and consultants' fees and reasonable out-of-pocket expenses and court costs except to the extent caused by the Escrow Agent's bad faith, gross negligence or willful misconduct; provided, however, that in no case shall the Company be responsible for any indemnification amount payable pursuant to this Section 10 in excess of the amounts deposited in the Escrow Account hereunder. The provisions of this Section 10 shall survive the termination of this Agreement or the earlier resignation or removal of the Escrow Agent.

SECTION 11. The Escrow Agent.

11.1 The duties, responsibilities and obligations of the Escrow Agent shall be limited to those expressly set forth herein and no duties, responsibilities or obligations shall be inferred or implied against the Escrow Agent. The Escrow Agent shall not be subject to, nor required to comply with, any other agreement to which the Company or the Trustee is a party, even though reference thereto may be made herein, or to comply with any direction or instruction (other than those contained herein or delivered in accordance with this Agreement) from the Company or the Trustee or an entity acting on its behalf. The Escrow Agent shall not be required to expend or risk any of its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties hereunder.

11.2 If at any time the Escrow Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process which in any way affects the Escrow Property (including but not limited to orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of the Escrow Property), the Escrow Agent is authorized to comply therewith in any manner it or legal counsel of its own choosing reasonably deems appropriate; and if the Escrow Agent reasonably complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, Escrow Agent shall not be liable to any of the parties hereto or to any other person or entity even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

11.3 The Escrow Agent shall not be liable for any action taken or omitted or for any loss or injury resulting from its actions or its performance or lack of performance of its duties hereunder in the absence of bad faith, gross negligence or willful misconduct on its part. In no event shall the Escrow Agent be liable (i) for acting in accordance with or conclusively relying upon any instruction, notice, demand, certificate or document from the Company or Trustee or any entity acting on behalf of the Company and the Trustee, given in accordance with the terms of this Agreement, (ii) for any indirect, consequential, punitive or special damages, regardless of the form of action and whether or not any such damages were foreseeable or contemplated, (iii) for the acts or omissions of its nominees, correspondents, designees, agents, subagents or subcustodians, (iv) for the investment or reinvestment of any cash held by it

hereunder, in each case in good faith, in accordance with the terms hereof, including without limitation any liability for any delays (not resulting from its bad faith, gross negligence or willful misconduct) in the investment or reinvestment of the Escrow Property, or any loss of interest or income incident to any such delays, or (v) for an amount in excess of the value of the Escrow Property, valued as of the date of deposit, but only to the extent of direct money damages.

11.4 If any fees, reasonable out-of-pocket expenses or costs incurred by, or any obligations owed to, the Escrow Agent or its counsel hereunder are not promptly paid when due, the Escrow Agent may reimburse itself therefor from the Escrow Property and may sell, liquidate, convey or otherwise dispose of any investment in respect of the Escrow Property for such purpose. The Escrow Agent may in its sole discretion withhold from any distribution of any interest earned in respect of the Escrow Property an amount it believes would, upon sale or liquidation, produce proceeds equal to any unpaid amounts to which the Escrow Agent is entitled to hereunder.

11.5 The Escrow Agent may consult with one legal counsel of its own choosing, at the expense of the Company, as to any matter relating to this Agreement, and the Escrow Agent shall not incur any liability in acting in good faith in accordance with any advice from such counsel.

11.6 The Escrow Agent shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Escrow Agent (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

11.7 The Escrow Agent shall be entitled to conclusively rely upon any order, judgment, certification, demand, notice, instrument or other writing delivered to it in accordance with this Agreement without being required to determine the authenticity or the correctness of any fact stated therein or the propriety or validity or the service thereof. The Escrow Agent may act in conclusive reliance upon any instrument or signature believed by it to be genuine and may assume that any person purporting to give receipt or advice to make any statement or execute any document in connection with the provisions hereof has been duly authorized to do so; provided that any Release Notice or Redemption Notice from the Company shall be executed by an Authorized Person.

11.8 The Escrow Agent shall not be responsible in any respect for the form, execution, validity, value or genuineness of documents or securities deposited hereunder, or for any description therein, or for the identity, authority or rights of persons executing or delivering or purporting to execute or deliver any such document, security or endorsement. The Escrow Agent shall not be called upon to advise any party as to the wisdom in selling or retaining or taking or refraining from any action with respect to any securities or other property deposited hereunder.

11.9 The Escrow Agent shall not be under any duty to give the Escrow Property held by it hereunder any greater degree of care than it gives similar escrow property held by Wells Fargo Bank, National Association for similar escrow accounts and shall not be required to invest any funds held hereunder except as directed in this Agreement. Uninvested funds held hereunder shall not earn or accrue interest.

11.10 When the Escrow Agent acts on any information, instructions, communications, (including, but not limited to, communications with respect to the delivery of securities or the wire transfer of funds) sent by telex, facsimile, email or other form of electronic or data transmission, the Escrow Agent, absent bad faith, gross negligence or willful misconduct, shall not be responsible or liable in the event such communication is not an authorized or authentic communication of the Company or the Trustee or is not in the form the Company and the Trustee sent or intended to send (whether due to fraud, distortion or otherwise). The Company shall indemnify the Escrow Agent against any loss, liability, claim or reasonable out-of-pocket expense (including reasonable out-of-pocket legal fees and expenses) it may incur with its acting in accordance with any such communication.

11.11 In the event of any ambiguity or uncertainty hereunder or in any notice, instruction or other communication received by the Escrow Agent hereunder, the Escrow Agent may, in its sole discretion, refrain from taking any action other than to retain possession of the Escrow Property, unless the Escrow Agent receives written instructions, signed by the Company or the Trustee, which eliminates such ambiguity or uncertainty.

11.12 In the event of any dispute between or conflicting claims among the Company and the Trustee and any other person or entity with respect to any Escrow Property, the Escrow Agent shall be entitled, in its sole discretion, to refuse to comply with any and all claims, demands or instructions with respect to such Escrow Property so long as such dispute or conflict shall continue, and the Escrow Agent shall not be or become liable in any way to the Company or the Trustee for failure or refusal to comply with such conflicting claims, demands or instructions. The Escrow Agent shall be entitled to refuse to act until, in its sole discretion, either (i) such conflicting or adverse claims or demands shall have been determined by a final order, judgment or decree of a court of competent jurisdiction, which order, judgment or decree is not subject to appeal, or settled by agreement between the conflicting parties as evidenced in a writing satisfactory to the Escrow Agent or (ii) the Escrow Agent shall have received security or an indemnity satisfactory to it sufficient to hold it harmless from and against any and all losses which it may incur by reason of so acting. Any court order, judgment or decree shall be accompanied by a legal opinion by counsel for the presenting party, satisfactory to the Escrow Agent, to the effect that said order, judgment or decree represents a final adjudication of the rights of the parties by a court of competent jurisdiction, and that the time for appeal from such order, judgment or decree has expired without an appeal having been filed with such court. The Escrow Agent shall act on such court order and legal opinions without further question. The Escrow Agent may, in addition, elect, in its sole discretion, to commence an interpleader action or seek other judicial relief or orders as it may deem, in its sole discretion, necessary. The reasonable out-of-pocket costs and expenses (including attorneys' fees and expenses) incurred in connection with such proceeding shall be paid by the Company.

11.13 The Escrow Agent shall have no responsibility for the contents of any writing of the arbitrators or any third party contemplated herein as a means to resolve disputes and may conclusively rely without any liability upon the contents thereof.

11.14 Except as otherwise stated herein, the Escrow Agent does not have any interest in the Escrow Property deposited hereunder but is serving as escrow holder only and having only possession thereof. The Company shall pay or reimburse the Escrow Agent upon request for any transfer taxes or other taxes relating to the Escrow Property incurred in connection herewith and shall indemnify and hold harmless the Escrow Agent from any amounts that it is obligated to pay in the way of such taxes. Any payments of income from this Escrow Account shall be subject to withholding regulations then in force with respect to United States taxes. The Company will provide the Escrow Agent with appropriate W-9 forms for tax identification number certifications, or W-8 forms for non-resident alien certifications. It is understood that the Escrow Agent shall only be responsible for income reporting with respect to income earned on the Escrow Property and will not be responsible for any other reporting. This paragraph shall survive notwithstanding any termination of this Agreement or the resignation or removal of the Escrow Agent.

11.15

(a) The Escrow Agent shall report to the Internal Revenue Service (the **IRS**) and to the Company, as of each calendar year-end, all income earned from the investment of any sum held in the Escrow Account, as and to the extent required under the provisions of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder (the **Code**).

(b) The Company is required to prepare and file any and all income or other tax returns applicable to the Escrow Account with the IRS and all required state and local departments of revenue in all years income is earned in any particular tax year to the extent required under the provisions of the Code.

(c) Any taxes payable on income earned from the investment of any sums held in the Escrow Account shall be paid by the Company, whether or not the income was distributed by the Escrow Agent during any particular year and to the extent required under the provisions of the Code.

(d) The Escrow Agent shall have no responsibility for the preparation and/or filing of any tax or information return with respect to any transactions, whether or not related to this Agreement, that occur outside the Escrow Account.

11.16 The Escrow Agent shall provide to the Company monthly statements identifying transactions, transfers or holdings of Escrow Property and each such statement shall be deemed to be correct and final upon receipt thereof by the Company and the Trustee unless the Escrow Agent is notified in writing, by the Company and the Trustee, to the contrary within thirty (30) Business Days of the date of such statement.

Notes issued in global form shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend thereon and the Schedule of Exchanges of Interests in the Global Note attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the Schedule of Exchanges of Interests in the Global Note attached thereto). (b) The amount of interest for each day that the Notes are outstanding (the **Daily Interest Amount**) shall be calculated by dividing the interest rate in effect for such day by 360 and multiplying the result by the principal amount of the Notes. The amount of interest to be paid on the Notes for each Interest Period shall be calculated by adding the Daily Interest Amounts for each day in the Interest Period. All percentages resulting from any of the above calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 9.876545% (or .09876545) being rounded to 9.87655% (or .0987655)) and all dollar amounts used in or resulting from such calculations shall be rounded to the nearest cent (with one-half cent being rounded upwards). All calculations made by the calculation agent (the **Calculation Agent**), which shall initially be the Paying Agent, in the absence of manifest error by such Calculation Agent, shall be conclusive for all purposes.

Section 2.04 Registrar and Paying Agent. (a) The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the **Registrar**) and an office or agency where Notes may be presented for payment (the **Paying Agent**). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may appoint one or more co-registrars and one or more additional paying agents. The term Registrar includes any co-registrar and the term Paying Agent includes any additional paying agent. The Company may change any Paying Agent or Registrar without prior notice to any Holder. The Company shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(b) The Company initially appoints The Depository Trust Company (**DTC**) to act as Depository with respect to the Global Notes.

(c) The Trustee shall initially act as the Paying Agent and the Registrar and shall act as Custodian with respect to the Global Notes.

Section 2.05 Paying Agent to Hold Money in Trust.

While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or one of its Subsidiaries) shall have no further liability for the money. If the Company or one of its Subsidiaries acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Trustee shall serve as Paying Agent for the Notes.

All Global Notes shall be exchanged by the Company for Definitive Notes if (i) the Depositary notifies the Company that it is unwilling or unable to continue to act as Depositary or that it has ceased to be a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 120 days after the date of such notice from the Depositary; (ii) the Company, in its sole discretion, determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; or (iii) there shall have occurred and be continuing a Default or Event of Default with respect to the Notes, and the Depositary requests such exchange. Upon the occurrence of any of the preceding events in (i), (ii) or (iii) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.08 and 2.11 hereof. A Global Note may not be exchanged for another Note other than as provided in this Section 2.07(a); *provided, however*, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.07(b), (c) or (f) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes.* The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. None of the Company, any agent of the Company or the Trustee shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a Global Note, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act, or for complying with or ensuring compliance with any Applicable Procedures. Transfers of beneficial interests in the Global Notes also shall require compliance with either clause (i) or (ii) below, as applicable, as well as one or more of the other following clauses, as applicable:

The holder shall be solely responsible for providing such certifications that may be required by Rule 903 under the Securities Act and the Trustee (in any of its capacities hereunder) shall have no duty to verify that such certifications comply therewith, nor shall the Trustee have any liability whatsoever if the holder does not comply therewith. Upon consummation of an Exchange Offer by the Company in accordance with Section 2.07(f) hereof, the requirements of this Section 2.07(b)(ii) shall be deemed to have been satisfied upon receipt by the Registrar of the instructions contained in the Letter of Transmittal delivered by the Holder of such beneficial interests in the Restricted Global Notes. If any such transfer is effected pursuant to subparagraph (B) or (D) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (B) or (D) above.

(i) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.12 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee, or by the Custodian or the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee, or by the Custodian or the Depositary at the direction of the Trustee to reflect such increase.

(j) *General Provisions Relating to Transfers and Exchanges.*

- (i) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

- (ii) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.11, 3.06, and 9.05 hereof).
- (iii) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.
- (iv) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid and legally binding obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.
- (v) Neither the Registrar nor the Company shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Notes selected for redemption under Section 3.02 hereof except the unredeemed portion of any Note being redeemed in part, or (C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.
- (vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.
- (vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.
- (viii) All certifications, certificates and opinions of counsel required to be submitted to the Trustee and/or the Company pursuant to this Section 2.07 to effect a registration of transfer or exchange may be submitted by facsimile with the original to follow by first class mail.
- (ix) The Trustee shall retain copies of all letters, notices and other written communications received pursuant to this Section 2.07 (including all Notes received for transfer pursuant to this Section 2.07). The Company shall have the right to require the Trustee to deliver to the Company, at the Company's expense, copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Trustee.

- (x) In connection with any transfer of any Note, the Trustee and the Company shall be entitled to receive, shall be under no duty to inquire into, may conclusively presume the correctness of, and shall be fully protected in relying upon the certificates, opinions and other information referred to herein (or in the forms provided herein, attached hereto or to the Notes, or otherwise) received from any Holder and any transferee of any Note regarding the validity, legality and due authorization of any such transfer, the eligibility of the transferee to receive such Note and any other facts and circumstances related to such transfer.

Section 2.08 Replacement Notes.

(a) If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's and the Company's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

(b) Every replacement Note is an additional obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.09 Outstanding Notes.

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.09 as not outstanding. Except as set forth in Section 2.10 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

(b) If a Note is replaced pursuant to Section 2.08 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

(c) If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

(d) If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any of the foregoing) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.10 Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned shall be so disregarded.

Section 2.11 Temporary Notes.

(a) Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Notes but may have variations that the Company considers appropriate for temporary Notes and as shall be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate Definitive Notes in exchange for temporary Notes.

(b) Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.12 Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of canceled Notes in accordance with its procedures for the disposition of canceled securities in effect as of the date of such disposition (subject to the record retention requirement of the Exchange Act). Certification of the disposition of all cancelled Notes shall be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.13 Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof; provided that if the Company pays the defaulted interest prior to the date that is 30 days after the date of default in payment of interest, payment shall be to the recordholders of the Notes on the original record date relating to the date of default in payment of interest. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. If such default in interest continues for 30 days, the Company shall fix or cause to be fixed each such special record date and payment date, *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

Section 2.14 CUSIP Numbers.

The Company in issuing the Notes may use CUSIP and ISIN numbers (if then generally in use), and, if so, the Trustee shall use such CUSIP and ISIN numbers in notices of redemption as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company shall promptly notify the Trustee of any change in the CUSIP or ISIN numbers.

ARTICLE THREE

REDEMPTION AND PREPAYMENT

Section 3.01 Notices to Trustee.

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it shall furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an Officers Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed.

(a) If less than all of the Notes issued under this Indenture are to be redeemed at any time, the selection of Notes for redemption shall be made by the Trustee on a pro rata basis, by lot or by such other method as the Trustee deems fair and appropriate; *provided* that no Notes of \$2,000 or less shall be redeemed in part. Notices of redemption shall be mailed by first-class mail, at least 30 but not more than 60 days before the redemption date, to each Holder of Notes to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note shall state the portion of the principal amount thereof to be redeemed. A new Note in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder thereof upon cancellation of the original Note. Notes called for redemption become due on the date fixed for redemption. On and after the redemption date, interest shall cease to accrue on Notes or portions thereof called for redemption.

(b) The Trustee shall promptly notify the Company in writing of the Notes selected for redemption and, in the case of any Note selected for partial redemption, the principal amount thereof to be redeemed. Notes and portions of Notes selected shall be in amounts of \$2,000 or integral multiples of \$1,000, in excess thereof; *provided, however*, that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not \$2,000 or a multiple of \$1,000 in excess thereof, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

(c) Any notice of redemption may be given prior to the completion of any event or transaction related to such redemption, and any such redemption or notice may, at the Company's discretion, be subject to one or more conditions precedent, including in the case of any Equity Offering, completion of such Equity Offering. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Company's discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date so delayed.

Section 3.03 Notice of Redemption.

(a) At least 30 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed, at its registered address. The notice shall identify the Notes to be redeemed and shall state:

- (i) the redemption date;
- (ii) the redemption price;
- (iii) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date and upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion of the original Note shall be issued in the name of the Holder thereof upon cancellation of the original Note;
- (iv) the name and address of the Paying Agent;
- (v) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price, *plus* accrued interest and become due on the date fixed for redemption;
- (vi) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (vii) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (viii) that no representation is made as to the correctness or accuracy of the CUSIP or ISIN number, if any, listed in such notice or printed on the Notes.

(b) At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company shall have delivered to the Trustee, at least 35 days (unless a shorter notice shall be satisfactory to the Trustee) prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in Section 3.03(a) above.

(c) The notice if mailed in the manner herein provided shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or any defect in the notice to the Holder of any Note designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Note. Notwithstanding the foregoing, if any Notes are held in the form of a Global Note, the notice required to be provided hereunder shall be conclusively presumed to have been given if delivered via facsimile, PDF or other electronic transmission to the Depository or to the Persons who are registered Holders of Notes, as the case may be, with accompanying instructions directing such Depository or such Persons who are registered Holders of Notes to forward such notice to the beneficial holders of the Notes.

Section 3.04 Effect of Notice of Redemption.

Once notice of redemption is mailed in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 Deposit of Redemption Price.

(a) Prior to 10:00 a.m. Eastern Time on the redemption date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued interest and Additional Interest, if any, on all Notes to be redeemed on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

(b) If the Company complies with Section 3.05(a) above, on and after the redemption date, interest and Additional Interest, if any, shall cease to accrue on the Notes or the portions of Notes called for redemption. If a Note is redeemed on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption shall not be so paid upon surrender for redemption on the redemption date because of the failure of the Company to comply with Section 3.05(a) hereof, interest and Additional Interest, if any, shall continue to accrue on the unpaid principal of such Note or the portions thereof called for redemption from the redemption date until such principal is paid.

Section 3.06 Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Company shall issue and the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed portion of the Note surrendered; *provided* that each new Note shall be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

Section 3.07 Optional Redemption.

(a) Prior to September 1, 2013, the Company may, at its option on any one or more occasions, redeem Notes in an aggregate principal amount not to exceed 35% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) at a redemption price of 107.875% of the principal amount, *plus* accrued and unpaid interest and Additional Interest, if any, thereon up to, but excluding, the redemption date (subject to the rights of Holders of Notes on a relevant record date to receive interest due on an interest payment date that occurs prior to the redemption date), with the net cash proceeds of one or more Equity Offerings; *provided* that:

- (i) at least 65% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or its Affiliates); and

(ii) the redemption must occur within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to September 1, 2014, the Company may redeem all or part of the Notes, upon not less than 30 nor more than 60 days prior notice mailed by first-class mail to the registered address of each Holder of Notes or otherwise delivered in accordance with the procedures of DTC, at a redemption price equal to the sum of (i) 100% of the principal amount thereof, *plus* (ii) the Applicable Premium as of the date of redemption, *plus* (iii) accrued and unpaid interest and Additional Interest, if any, thereon up to, but excluding, the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest due on an interest payment date that occurs prior to the redemption date).

(c) On or after September 1, 2014, the Company may redeem all or a part of the Notes, at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest, if any, thereon up to, but excluding, the applicable redemption date (subject to the rights of Holders of Notes on a relevant record date to receive interest due on the relevant interest payment date that occurs prior to the redemption date), if redeemed during the twelve-month period beginning on September 1 of the years indicated below:

Year	Percentage
2014	103.938%
2015	101.969%
2016 and thereafter	100.000%

(d) Any redemption pursuant to this Section 3.07 shall be made in accordance with the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 Mandatory Redemption.

(a) Except for a Special Mandatory Redemption pursuant to Section 3.09, the Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

(b) Under certain circumstances, the Company may be required to offer to purchase the Notes pursuant to Sections 4.06 and 4.07. The Company and its Restricted Subsidiaries may at any time and from time to time purchase Notes in the open market or otherwise.

Section 3.09 Special Mandatory Redemption.

- (a) All outstanding Notes shall be subject to a mandatory redemption (a **Special Mandatory Redemption**) in whole in the event that either:
- (i) prior to the Escrow End Date, the Company shall have determined, in its discretion, that the escrow conditions cannot be satisfied by such date (any such date, a **Trigger Date**) and shall have provided a Redemption Notice as defined in the Escrow Agreement (a **Company Special Mandatory Redemption Notice**) to the Escrow Agent acknowledged by the Trustee no later than the next Business Day following such Trigger Date; or
 - (ii) a Release Date shall not have occurred prior to the Escrow End Date, and the Escrow Agent shall have distributed Escrow Proceeds to the Trustee pursuant to the terms and conditions of the Escrow Agreement (any such date, the **Distribution Date**). Pursuant to the Escrow Agreement, the Escrow Agent shall have provided notice to the Trustee within one (1) Business Day of the Escrow End Date (an **Escrow Agent Special Mandatory Redemption Notice**).
- (b) In the event that the Trustee receives either a Company Special Mandatory Redemption Notice or an Escrow Agent Special Mandatory Redemption Notice, it shall mail or cause to be mailed by first class mail, not later than the next Business Day following the receipt of such Notice, a notice of redemption to each Holder whose Notes are to be redeemed, at its registered address. Such notice shall state the information set forth in Section 3.03(a). Notice given hereunder shall be subject to the terms and conditions of Section 3.03(c).
- (c) The date of the Special Mandatory Redemption shall be not later than five (5) Business Days following the date of the Company Special Mandatory Redemption Notice or the Escrow Agent Special Mandatory Redemption Notice. The redemption price paid upon a Special Mandatory Redemption shall be the sum of 101% of the issue price of the Notes, plus accrued and unpaid interest, including accrual of original issue discount, on the Notes from the Issue Date up to, but excluding, the date of the Special Mandatory Redemption. On and after the date of the Special Mandatory Redemption, interest shall cease to accrue on outstanding Notes.

ARTICLE FOUR

COVENANTS

The covenants described in this Indenture shall not bind the Company and its Restricted Subsidiaries prior to the Release Date. The references in Articles Four and Five in this Indenture to Obligations of the Company and its Restricted Subsidiaries, refer to the period beginning on and after the Release Date.

To the extent the Company or any Restricted Subsidiary has Incurred Indebtedness (including issuance of Disqualified Stock or Preferred Stock) (treating Indebtedness not discharged pursuant to the Reorganization Plan and remaining outstanding on the Release Date as having been Incurred as of the Release Date), made any Restricted Payments, consummated any Asset Sale or otherwise taken any action or engaged in any activities during the period beginning on the Issue Date and ending on the Release Date, such actions and activities shall be treated and classified under this Indenture (including but not limited to impacting relevant baskets and determining whether a Default or Event of Default would have occurred as of the Release Date for purposes of the release conditions set forth in the Escrow Agreement), as if this Indenture and the covenants set forth herein had applied to the Company and the Restricted Subsidiaries during such period; *provided* that the calculations made under this Indenture shall be made as if the covenants had been in effect since the Issue Date throughout the period ending on the Release Date. For purposes of the foregoing, all Subsidiaries of the Company shall be deemed to be Restricted Subsidiaries for the period from the Issue Date through the Release Date. The foregoing shall not limit, prevent or otherwise adversely affect (including but not limited to impacting relevant baskets and resulting in a Default or an Event of Default) the consummation of the Rights Offering or any of the other Emergence Transactions, or any other action contemplated by or in furtherance of the Reorganization Plan and the Company's emergence from Chapter 11, in each case prior to the Release Date.

Section 4.01 Payment of Notes.

(a) The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or one of its Subsidiaries, holds as of 11:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due. The Company shall pay all Additional Interest, if any, in the same manner on the dates and in the amounts set forth in the Registration Rights Agreement.

(b) The Company shall pay interest on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest on overdue installments of interest, and Additional Interest (without regard to any applicable grace period), at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency.

(a) The Company shall maintain one or more offices or agencies designated by it (which may be an office of the Trustee or an agent of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of any such designation or rescission of any such designation, and the location, and any change in the location, of such office or agency (other than the designation and location specified in Section 4.02(b) hereof). If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

(b) The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.04 hereof.

Section 4.03 Provision of Financial Information.

(a) Whether or not required by the Commission, so long as any Notes are outstanding, the Company shall furnish to the Holders of Notes, or file electronically with the Commission through the Commission's Next-Generation EDGAR System (or any successor system), within the time periods specified in the Commission's rules and regulations that are then applicable to the Company:

- (i) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such reports, including a Management's Discussion and Analysis of Financial Condition and Results of Operations and, with respect to the annual information only, a report on the annual financial statements by the Company's certified independent accountants; and
- (ii) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports.

(b) Whether or not required by the Commission, the Company shall file a copy of all of the information and reports specified in Section 4.03(a) hereof with the Commission for public availability within the time periods specified in the Commission's rules and regulations (unless the Commission shall not accept such a filing) and make such information available to prospective investors. In addition, the Company and the Guarantors, for so long as any Notes remain outstanding and not freely transferable under the Securities Act, during any period when they are not subject to Section 13 or 15(d) of the Exchange Act, or otherwise permitted, shall furnish the Commission with certain information pursuant to Rule 12g3-2(b), and shall furnish to the Holders and to prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(c) If the Company has designated any Subsidiaries as Unrestricted Subsidiaries and such Unrestricted Subsidiaries, either individually or collectively, would otherwise have been a Significant Subsidiary, then the quarterly and annual financial information required by the preceding paragraph shall include a reasonably detailed presentation, as determined in good faith by senior management of the Company, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries.

Section 4.04 Stay, Extension and Usury Laws.

The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.05 Limitation on Liens.

The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind (other than Permitted Liens) upon any of their property or assets, now owned or hereafter acquired, unless all payments due under this Indenture and the Notes are secured by a Lien on such property or assets on an equal and ratable basis with the obligations so secured (or, in the case of Indebtedness subordinated to the Notes or the Note Guarantees, senior in priority thereto, with the same relative priority as the Notes shall have with respect to such subordinated Indebtedness) until such time as such obligations are no longer secured by a Lien.

Section 4.06 Offer to Repurchase upon a Change of Control.

(a) Unless the Company has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes as described under Section 3.07 hereof, the Company must commence, within 30 days of the occurrence of a Change of Control after the Release Date, and consummate an Offer to Purchase for all Notes then outstanding, at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest and Additional Interest, if any, thereon, up to, but excluding, the date of repurchase (subject to the rights of Holders of Notes on a relevant record date to receive interest due on an interest payment date that occurs prior to the repurchase date).

(b) The Company shall not be required to make an Offer to Purchase upon a Change of Control if a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to an Offer to Purchase made by the Company and purchases all Notes validly tendered and not withdrawn under such Offer to Purchase. Notwithstanding anything to the contrary herein, an Offer to Purchase upon a Change of Control may be made in advance of a Change of Control, and conditioned upon the consummation of such Change of Control, if a definitive agreement is in place providing for the Change of Control at the time the Offer to Purchase is made.

Section 4.07 Limitation on Asset Sales.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate an Asset Sale unless:

(i) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of such Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of:

(A) Cash Equivalents (including any Cash Equivalents received from the conversion within 180 days of such Asset Sale of any securities, notes or other obligations received in consideration of such Asset Sale);

(B) Replacement Assets;

(C) any liabilities of the Company or any Restricted Subsidiary as shown on the Company's or such Restricted Subsidiary's most recent balance sheet or in the notes thereto prepared in accordance with GAAP (other than contingent liabilities, Indebtedness that is by its terms subordinated in right of payment to the Notes or any Note Guarantee and liabilities to the extent owed to the Company or any Restricted Subsidiary) that are assumed by the transferee of any such assets or Equity Interests and for which the Company and all of the Restricted Subsidiaries have been validly released by all creditors in writing;

(D) any Designated Noncash Consideration received by the Company or any Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Noncash Consideration received pursuant to this Section 4.07(a)(ii)(D) that is at the time outstanding and held by the Company or any Restricted Subsidiary, not to exceed the greater of (x) \$75,000,000 and (y) 2.5% of Total Assets at the time of the receipt of such Designated Noncash Consideration (with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value); or

(E) any combination of the consideration specified in clauses (A) through (D).

(b) Within 12 months after the receipt of any Net Available Cash from an Asset Sale, the Company or a Restricted Subsidiary, as the case may be, may apply an amount equal to such Net Available Cash at its option:

- (i) to repay or retire Indebtedness secured by such assets, Indebtedness of a Restricted Subsidiary that is not a Guarantor (other than Indebtedness owed to the Company or another Restricted Subsidiary) or Indebtedness under the Credit Agreements and, if the Indebtedness repaid is revolving credit Indebtedness, to correspondingly reduce commitments with respect thereto;
- (ii) to purchase Replacement Assets (or enter into a binding agreement to purchase such Replacement Assets; *provided* that (x) such purchase is consummated no later than the later of (i) the day that is 12 months after such Asset Sale and (ii) 90 days after the date of such binding agreement and (y) if such purchase is not consummated within the period set forth in subclause (x), the Net Available Cash not so applied shall be deemed to be Excess Proceeds (as defined below));
- (iii) to make capital expenditures; or

Pending the final application of any Net Available Cash from Asset Sales in accordance with clauses (i) through (iv) in the preceding paragraph, the Company and the Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise apply such Net Available Cash in any manner not prohibited by this Indenture.

(c) The amount of such Net Available Cash required to be applied (or to be committed to be applied) during such 12-month period as set forth in the preceding paragraph and not applied (or committed to be applied) as so required by the end of such period shall constitute **Excess Proceeds**. If, as of the first day of any calendar month, the aggregate amount of Excess Proceeds totals at least \$25,000,000, the Company must commence, not later than the fifteenth Business Day of such month, and consummate an Offer to Purchase, from the Holders and, at the Company's option, all holders of Pari Passu Debt containing provisions similar to those set forth in this Indenture with respect to offers to purchase with the proceeds of sales of assets, the maximum principal amount of Notes and such Pari Passu Debt, if any, that may be purchased out of the Excess Proceeds. - (xxiv) Indebtedness consisting of Indebtedness issued by the Company or a Restricted Subsidiary of the Company to future, current or former employees, directors and consultants thereof, or their respective estates, spouses or former spouses, in each case to finance the purchase or redemption of Equity Interests of the Company to the extent described in Section 4.08(b)(vi) hereof;
- (xxv) Indebtedness Incurred on behalf of, or representing guarantees of Indebtedness of, Joint Ventures of the Company or any Restricted Subsidiary not to exceed, at any one time outstanding, the greater of (i) \$50,000,000 and (ii) 2% of the Consolidated Net Tangible Assets of the Company and any Indebtedness to exchange, extend, refinance, renew, replace, defease or refund such Indebtedness originally Incurred pursuant to clause (ii) Section 4.09(b)(xxv), *provided* that any such Indebtedness until reclassified in accordance with this Indenture shall remain Incurred pursuant to this Section 4.09(b)(xxv) prior to its maturity;
- (xxvi) Indebtedness Incurred by the Company or any Restricted Subsidiary of up to \$25,000,000 relating to funding of contributions to the foreign pension plans; and
- (xxvii) Indebtedness which may be deemed to exist pursuant to any surety bonds, appeal bonds or similar obligations Incurred in connection with any judgment not constituting an Event of Default.

(c) For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness, (including Disqualified Stock or Preferred Stock) (or any portion thereof) meets the criteria of more than one of the categories of Permitted Debt described in Section 4.09(b)(i) through (xxvii) above or is entitled to be Incurred or issued pursuant to the Section 4.09(a), the Company shall, in its sole discretion, classify such item of Indebtedness (including Disqualified Stock or Preferred Stock) and may divide and classify such Indebtedness (including Disqualified Stock or Preferred Stock) in more than one of the categories described and may later reclassify such item into any one or more of the categories described above (provided that at the time of reclassification it meets the criteria in such category or categories). The maximum amount of Indebtedness that the Company or any Restricted Subsidiary may Incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as the result of fluctuations in the exchange rates of currencies. In determining the amount of Indebtedness outstanding under one of the clauses above, the outstanding principal amount of any particular Indebtedness of any Person shall be counted only once and any obligation of such Person or any other Person arising under any guarantee, Lien, letter of credit or similar instrument supporting such Indebtedness shall be disregarded so long as it is permitted to be Incurred by the Person or Persons Incurring such obligation. Notwithstanding the foregoing, Indebtedness under the Credit Agreements outstanding on the Issue Date or the Release Date, as applicable, shall be deemed to have been Incurred on such date in reliance on the exception provided by Section 4.09(b)(i).

(d) Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest or dividends in the form of additional Indebtedness (including Disqualified Stock or Preferred Stock) of the same class, and the reclassification of Preferred Stock as Indebtedness due to a change in accounting principles shall not be deemed to be an Incurrence of Indebtedness.

(e) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this section any other obligation of the obligor on such Indebtedness (or of any other Person who could have Incurred such Indebtedness under this section) arising under any Note Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation supporting such Indebtedness shall be disregarded to the extent that such Note Guarantee, Lien or letter of credit, bankers' acceptance or other similar instrument or obligation secures the principal amount of such Indebtedness.

(f) Notwithstanding the foregoing, the Company shall not, and shall not permit any other Guarantor to, Incur any Indebtedness that purports to be by its terms (or by the terms of any agreement or instrument governing such Indebtedness) subordinated in right of payment to any other Indebtedness of the Company or of such other Guarantor, as the case may be, unless such Indebtedness is also by its terms made subordinated in right of payment to the Notes or the Note Guarantee of such Guarantor, as applicable, to at least the same extent as such Indebtedness is subordinated in right of payment to such other Indebtedness of the Company or such Guarantor, as the case may be.

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. Dollar Equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred (or first committed, in the case of revolving credit debt); *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

(h) The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

Section 4.10 Limitation on Dividend and Other Restrictions Affecting Restricted Subsidiaries.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, cause or suffer to exist or become effective or enter into any encumbrance or restriction on the ability of any Restricted Subsidiary to:

- (i) pay dividends or make any other distributions on its Capital Stock (or with respect to any other interest or participation in, or measured by, its profits) to the Company or any Restricted Subsidiary (it being understood that the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock shall not be deemed a restriction on the ability to make distributions on Capital Stock);
- (ii) pay any liabilities owed to the Company or any Restricted Subsidiary;
- (iii) make loans or advances to the Company or any Restricted Subsidiary (it being understood that the subordination of loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances); or

(iv) sell, lease or transfer any of its properties or assets to the Company or any Restricted Subsidiary; *provided* that (x) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on Common Stock and (y) the subordination of (including the application of any standstill period to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness Incurred by the Company or any Restricted Subsidiary, in each case, shall not be deemed to constitute such an encumbrance or restriction.

(b) However, the restrictions set forth in Section 4.10(a) above shall not apply to encumbrances or restrictions:

- (i) existing under, by reason of or with respect to the Credit Agreements as in effect on the Issue Date or the Release Date, as applicable, Existing Indebtedness or any other agreements in effect on the Release Date and any amendments, modifications, restatements, renewals, extensions, supplements, refundings, replacements or refinancings thereof, *provided* that the encumbrances and restrictions in any such amendments, modifications, restatements, renewals, extensions, supplements, refundings, replacements or refinancings, taken as a whole, are not materially more restrictive with respect to dividend and payment restrictions (as determined by the Company in good faith) than those contained in the Credit Agreements, Existing Indebtedness or such other agreements, as the case may be, as in effect on such dates;
- (ii) set forth in this Indenture, the Notes, the Exchange Notes in respect thereof and the related Note Guarantees;
- (iii) existing under, by reason of or with respect to agreements governing other Indebtedness permitted to be Incurred under Section 4.09 hereof and any amendments, restatements, modifications, restatements, renewals, extensions, supplements, refundings, replacements or refinancings of those agreements; *provided* that the encumbrances and restrictions therein, taken as a whole, (x) are not materially more restrictive than the agreements governing Indebtedness as in effect on the date of this Indenture, or (y) shall not affect the Company's ability to make principal or interest payments on the Notes (as determined by the Company in good faith);
- (iv) existing under or by reason of applicable law, rule, regulation or order;
- (v) with respect to any Person, or the property or assets of a Person, acquired by the Company or any Restricted Subsidiary existing at the time of such acquisition and not Incurred in connection with or in contemplation of such acquisition, which encumbrance or restriction is not applicable to any Person, or the property or assets of any Person, other than the Person, or the property or assets of the Person, so acquired, and any amendments, modifications, restatements, renewals, extensions, supplements, refundings, replacements or refinancings thereof, *provided* that the encumbrances and restrictions in any such amendments, modifications, restatements, renewals, extensions, supplements, refundings, replacements or refinancings, taken as a whole, are not materially more restrictive with respect to dividend and other payment restrictions than those in effect on the date of the acquisition;
- (vi) that restrict in a customary manner the subletting, assignment or transfer of any property or asset that is a lease, license, conveyance or contract or similar property or asset;

- (vii) existing under or by reason of Permitted Refinancing Indebtedness; *provided* that the encumbrances and restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive with respect to dividend and payment restrictions, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;
- (viii) existing by virtue of any transfer of, agreement to transfer, option or right with respect to, or Lien on, any property or assets of the Company or any Restricted Subsidiary not otherwise prohibited by this Indenture;

- (x) existing under, by reason of or with respect to any agreement for the sale or other disposition of all or substantially all of the Capital Stock of, or property and assets of, a Restricted Subsidiary that restrict distributions or transfer by that Restricted Subsidiary pending such sale or other disposition;
- (xi) under Indebtedness or other contractual requirements of a Receivables Entity in connection with a Qualified Receivables Transaction, *provided* that such restrictions apply only to such Receivables Entity or the Receivables Assets that are subject to such Qualified Receivables Transaction;
- (xii) on cash or other deposits or net worth, which encumbrances or restrictions are imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;
- (xiii) arising from customary provisions in Joint Venture agreements and other similar agreements relating solely to such Joint Venture, which the Board of Directors of the Company determines in good faith shall not adversely affect the Company's ability to make payments of principal of or interest on the Notes;
- (xiv) existing under Indebtedness of a Foreign Subsidiary permitted to be Incurred under this Indenture, which encumbrances or restrictions apply solely to such Foreign Subsidiary and are ordinary and customary with respect to the type of Indebtedness being Incurred and which the Board of Directors of the Company determines in good faith shall not adversely affect the Company's ability to make payments of principal of or interest on the Notes;

- (xv) existing under or by reason of Secured Indebtedness permitted to be Incurred pursuant to Section 4.05 and Section 4.09 hereof that limit the right of the Company or any Restricted Subsidiary to dispose of the assets securing such Indebtedness;

- (xix) arising from customary provisions in Hedging Obligations permitted under this Indenture and entered into in the ordinary course of business; and
- (xx) existing under, by reason of or with respect to any Restricted Payment not prohibited by Section 4.08 hereof and any Permitted Investment.

Section 4.11 Limitation on Transactions with Affiliates.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into, make, amend, renew or extend any transaction or series of related transactions, contract, agreement, understanding, loan, advance or Guarantee with, or for the benefit of, any of their Affiliates (each of the foregoing, an **Affiliate Transaction**), unless:

- (i) such Affiliate Transaction is on terms that, taken as a whole, are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm's-length transaction by the Company or such Restricted Subsidiary with a Person that is not an Affiliate of the Company or any Restricted Subsidiary (as determined by the Company); and

- (ii) the Company delivers to the Trustee:

(A) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$25,000,000, a Board Resolution set forth in an Officers' Certificate certifying that such Affiliate Transaction or series of related Affiliate Transactions complies with this Section 4.11 and that such Affiliate Transaction or series of related Affiliate Transactions has been approved by a majority of the Disinterested Members; and

(B) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of \$50,000,000, an opinion issued by an Independent Financial Advisor stating that such Affiliate Transaction or series of related Affiliate Transactions is fair to the Company or such Restricted Subsidiary from a financial point of view.

- (v) payments by the Company and its Subsidiaries pursuant to tax sharing agreements among the Company (and any Parent) and its Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Company and its Subsidiaries; *provided* that in each case the amount of such payments in any fiscal year does not exceed the amount that the Company, its Restricted Subsidiaries and its Unrestricted Subsidiaries (to the extent of amounts received from Unrestricted Subsidiaries) would be required to pay in respect of foreign, federal, state and local taxes for such fiscal year were the Company and its Subsidiaries (to the extent described above) to pay such taxes separately from any such parent entity;
- (vi) payment of reasonable and customary fees and reimbursement of expenses paid to, and reasonable and customary indemnification arrangements and similar payments on behalf of, directors of the Company or any Subsidiary thereof;

- (viii) any transaction with a Receivables Entity effected as part of a Qualified Receivables Transaction and otherwise in compliance with the terms of this Indenture on fair and reasonable terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable arm's-length transaction by the Company or such Restricted Subsidiary with a Person that is not an Affiliate of the Company or any Restricted Subsidiary (as determined in good faith by the Company);

- (ix) purchases and sales of raw materials or Inventory in the ordinary course of business on market terms;

- (x) (a) transactions with customers, clients, lessors, landlords, suppliers, contractors, purchasers or sellers of goods or services, or transactions otherwise relating to the purchase or sale of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture, which are fair to the Company and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Company, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party or (b) transactions with Joint Ventures or Unrestricted Subsidiaries entered into in the ordinary course of business and consistent with past practice or industry norm;

- (xi) the existence of, or the performance by the Company or any Restricted Subsidiary of its obligations under the terms of, any stockholders' agreements (or equity purchase agreements related thereto) the terms of which are fair to the Company and its Restricted Subsidiaries in the reasonable determination of the Board of Directors or the senior management of the Company;

- (xvi) pledges of Equity Interests of Unrestricted Subsidiaries;
- (xvii) transactions between the Company or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Company or any Parent of the Company; *provided, however*, that such director abstains from voting as a director of the Company or such Parent of the Company on any matter involving such other Person; and
- (xviii) Emergence Transactions, including the payment of fees and expenses paid in connection therewith.

Section 4.12 Designation of Restricted and Unrestricted Subsidiaries.

(a) The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company in the Subsidiary designated as Unrestricted shall be deemed to be an Investment made as of the time of the designation and shall reduce the amount available for Restricted Payments under Section 4.08 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation shall only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Board of Directors of the Company may re-designate any Unrestricted Subsidiary to be a Restricted Subsidiary if that re-designation would not cause a Default.

(b) Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary shall be evidenced to the Trustee by filing with the Trustee a certified copy of a Board Resolution giving effect to such designation and an Officers Certificate certifying that such designation complied with the preceding conditions and was permitted under Section 4.08. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Company as of such date and, if such Indebtedness is not permitted to be Incurred as of such date under Section 4.09 hereof, the Company shall be in default of Section 4.09. The Company's Board of Directors may at any time designate any Unrestricted Subsidiary to

be a Restricted Subsidiary; *provided* that such designation shall be deemed to be an Incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation shall only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period, and (2) no Default or Event of Default would be in existence following such designation.

Section 4.13 Business Activities.

The Company shall not, and shall not permit any Restricted Subsidiary to, engage in any business other than a Permitted Business, except to such extent as would not be material to the Company and its Restricted Subsidiaries taken as a whole.

Section 4.14 Payments for Consent.

The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, pay or cause to be paid any consideration to or for the benefit of any Holder of Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid to all Holders that may legally participate in the transaction, as proposed by the Company and is paid to all Holders of the Notes that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

Section 4.15 Additional Note Guarantees.

(a) If the Company or any Restricted Subsidiary acquires or creates another Domestic Subsidiary (other than an Excluded Subsidiary) on or after the Issue Date, then that newly acquired or created Domestic Subsidiary must become a Guarantor and execute a supplemental indenture and deliver an Opinion of Counsel to the Trustee.

(b) The Company shall not permit any Domestic Subsidiary (other than an Excluded Subsidiary), directly or indirectly, to Guarantee any Indebtedness of the Company or any Restricted Subsidiary unless such Domestic Subsidiary (other than any Excluded Subsidiary) (i) is a Guarantor or (ii) within 15 Business Days executes and delivers to the Trustee an Opinion of Counsel and a supplemental indenture providing for the Guarantee of the payment of the Notes by such Restricted Subsidiary, which Guarantee shall rank senior in right of payment to or equally in right of payment with such Restricted Subsidiary's Guarantee of such other Indebtedness.

Section 4.16 Compliance Certificate.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year commencing with the fiscal year ending December 31, 2010, an Officers' Certificate stating that in the course of the performance by the signers of their duties as Officers of the Company they would normally have knowledge of any Default or Event of Default and whether or not the signers know of any Default or Event of Default that occurred during such period (and if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto).

(b) The Company shall, so long as any of the Notes are outstanding, deliver to the Trustee, within five Business Days upon any Officer becoming aware of any Default or Event of Default, an Officers Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.17 Covenant Suspension.

(a) During any period of time that (i) the Notes have Investment Grade Ratings from both Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the events described in the foregoing clauses (i) and (ii) of this Section 4.17(a) being collectively referred to as a **Covenant Suspension Event**), the Company and the Restricted Subsidiaries shall not be subject to the covenants described under Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.13, 4.15 and 5.01(a)(iii) (the **Suspended Covenants**).

(b) In the event that the Company and the Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the **Reversion Date**) (a) one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating or (b) the Company or any of its Affiliates enters into an agreement to effect a transaction that would result in a Change of Control and one or more of the Rating Agencies indicate that if consummated, such transaction (alone or together with any related recapitalization or refinancing transactions) would cause such Rating Agency to withdraw its Investment Grade Rating or downgrade the ratings assigned to the Notes below an Investment Grade Rating, then the Company and the Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period beginning on the day of a Covenant Suspension Event and ending on a Reversion Date is called a **Suspension Period**. The ability of the Company and the Restricted Subsidiaries to make Restricted Payments after the time of such withdrawal, downgrade, Default or Event of Default shall be calculated as if Section 4.08 had been in effect during the entire period of time since the Release Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period shall reduce the amount available to be made as Restricted Payments under Section 4.08(a) hereof. However, no Default or Event of Default shall be deemed to have occurred on the Reversion Date as a result of any actions taken by the Company or its Restricted Subsidiaries during the Suspension Period.

(c) The Company shall give prompt written notice to the Trustee of each Covenant Suspension Event and Reversion Date.

Section 4.18 Guarantors.

On or prior to the Release Date, all Domestic Subsidiaries of the Company, other than Excluded Subsidiaries, shall each provide a Note Guarantee by executing the supplemental indenture substantially in the form attached hereto as Exhibit D and deliver an Opinion of Counsel to the Trustee.

ARTICLE FIVE

SUCCESSORS

Section 5.01 Merger, Consolidation or Sale of Assets.

(a) The Company shall not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not the Company is the surviving corporation), or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

- (i) immediately after giving effect to such transaction, no Default or Event of Default exists;
- (ii) either: (A) the Company is the surviving corporation; or (B) the Person formed by or surviving any such consolidation or merger (if other than the Company) or to which such sale, assignment, transfer, conveyance or other disposition shall have been made (1) is a Person organized or existing under the laws of the United States, any state thereof or the District of Columbia; *provided* that in the case where such Person is not a corporation, a co-obligor of the Notes is a corporation and (2) assumes all the obligations of the Company under the Notes, this Indenture and the Registration Rights Agreement, pursuant to a supplemental indenture or other documents, agreements or instruments in form reasonably satisfactory to the Trustee;
- (iii) immediately after giving effect to such transaction on a *pro forma* basis, either (A) the Company or the Person formed by or surviving any such consolidation or merger (if other than the Company), or to which such sale, assignment, transfer, conveyance or other disposition shall be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof, or (B) the Fixed Charge Coverage Ratio for the Company or surviving Person and its Restricted Subsidiaries shall be greater than such ratio for the Company or surviving Person and its Restricted Subsidiaries shall be greater than such ratio for the Company and its Restricted Subsidiaries immediately prior to such transaction; and
- (iv) each Guarantor, unless such Guarantor is the Person with which the Company has entered into a transaction under this Section 5.01, shall have confirmed to the Trustee in writing that its Note Guarantee shall apply to the obligations of the Company or the surviving Person in accordance with the Notes and this Indenture.

provided, however, that Section 5.01(a)(iii) hereof shall not apply (A) if, in the good faith determination of the Board of Directors of the Company, whose determination shall be evidenced by a Board Resolution, the principal purpose of such transaction is to change the state

of incorporation of the Company, and any such transaction shall not have as one of its purposes the evasion of the foregoing limitations; or (B) to any consolidation, merger, sale, assignment, transfer, conveyance or other disposition of assets between or among the Company and any Restricted Subsidiary.

(b) Upon any consolidation, merger, sale, assignment, transfer, conveyance or other disposition in accordance with this Section 5.01, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, conveyance or other disposition, the provisions of this Indenture referring to the Company shall refer instead to the successor Person and not to the Company), and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company in this Indenture.

(c) The Company and the Restricted Subsidiaries shall not, directly or indirectly, lease all or substantially all of the properties or assets of the Company and the Restricted Subsidiaries considered as one enterprise, in one or more related transactions, to any other Person.

(d) Notwithstanding anything to the contrary herein, the Company and any Restricted Subsidiary shall be permitted, directly or indirectly, to consolidate or merge with or into another Person (whether or not the Company is the surviving corporation), and to sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties and assets of the Company and the Restricted Subsidiaries, in each case, as contemplated in the Reorganization Plan. In addition, any Guarantor shall be permitted to liquidate, dissolve or consolidate or merge with or into the Company or another Guarantor.

ARTICLE SIX

DEFAULTS AND REMEDIES

Section 6.01 Events of Default.

(a) Prior to the Release Date, each of the following shall be an **Event of Default** under this Indenture:

- (i) default in the payment of any interest upon any Note when it becomes due and payable, and continuance of such default for a period of 5 days;
- (ii) failure to comply with the provisions of Section 3.09 hereof, and
- (iii) the first priority security interest granted in the escrow account holding the Escrow Proceeds and all deposits therein to secure the Notes (a) ceases to be in full force and effect, (b) ceases to give the Trustee, for the benefit of the Holders of the Notes, the liens, rights, powers and privileges purported to be created and granted thereby in favor of the Trustee, or (c) is asserted by the Company not to be a valid, perfected first priority security interest in or lien on the proceeds covered thereby.

(b) Following the Release Date, the following shall be an **Event of Default** under this Indenture:

- (i) default in the payment in respect of the principal of (or premium, if any, on) any Note when due and payable (whether at Stated Maturity or upon repurchase, acceleration, optional redemption or otherwise);
- (ii) default in the payment of any interest upon any Note when it becomes due and payable, and continuance of such default for a period of 30 days;
- (iii) failure to perform or comply with Section 4.03 hereof and continuance of such failure to perform or comply for a period of 120 days after written notice thereof has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the outstanding Notes, voting as a single class;
- (iv) except as permitted by this Indenture, any Note Guarantee or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) shall for any reason cease to be, or it shall be asserted by any Guarantor or the Company not to be, in full force and effect and enforceable in accordance with its terms;
- (v) default in the performance, or breach, of any covenant or agreement of the Company or any Restricted Subsidiary in this Indenture (other than a covenant or agreement a default in whose performance or whose breach is

specifically dealt with in clauses (i), (ii), (iii) or (iv) of this Section 6.01(b)), and continuance of such default or breach for a period of 60 days after written notice thereof has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the outstanding Notes, voting as a single class;

- (vi) a default or defaults under any bonds, debentures, notes or other evidences of Indebtedness (other than the Notes) by the Company or any Restricted Subsidiary having, individually or in the aggregate, a principal or similar amount outstanding of at least \$30,000,000, whether such Indebtedness now exists or shall hereafter be created, which default or defaults either (a) shall have resulted in the acceleration of the maturity of such Indebtedness prior to its express maturity or (b) shall constitute a failure to pay principal of, or interest or premium on, such Indebtedness when due and payable after the expiration of any applicable grace period with respect thereto;

- (vii) the entry against the Company or any Restricted Subsidiary that is a Significant Subsidiary of a final judgment(s) for the payment of money in an aggregate amount in excess of \$30,000,000 (net of amounts covered by (x) insurance for which the insurer thereof has been notified of such claim and has not challenged such coverage or (y) valid third-party indemnifications for which the indemnifying party thereof has been notified of such claim and has not challenged such indemnification), by a court or courts of competent jurisdiction, which judgment(s) remain undischarged, unwaived, unstayed, unbonded or unsatisfied for a period of 60 consecutive days;

- (viii) the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case;

(B) consents to the entry of an order for relief against it in an involuntary case;

(C) consents to the appointment of a custodian of it or for all of substantially all of its property;

(D) makes a general assignment for the benefit of its creditors; or

(E) admits in writing its inability to pay its debts generally as they become due; or

(ix) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(A) is for relief against the Company, any Guarantor or any Significant Subsidiary of the Company (or any Restricted Subsidiaries that together would constitute a Significant Subsidiary of the Company), in an involuntary case;

(B) appoints a custodian of the Company, any Guarantor or any Significant Subsidiary of the Company (or any Restricted Subsidiaries that together would constitute a Significant Subsidiary of the Company), for all or substantially all of the property of the Company; or

(C) orders the liquidation of the Company, any Guarantor or any Significant Subsidiary of the Company (or any Restricted Subsidiaries that together would constitute a Significant Subsidiary of the Company), and the order or decree remains unstayed and in effect for 60 consecutive days.

(c) The Company shall give prompt written notice to the Trustee if it becomes aware of the occurrence of any Default or Event of Default.

Section 6.02 Acceleration.

(a) If an Event of Default specified in Section 6.01(a)(i), (ii) or (iii) occurs, the principal of, premium, and any accrued interest on the Notes then outstanding shall *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The exclusive remedy upon any Event of Default specified in Section 6.01(a)(i), (ii) or (iii) above shall be to enforce, collect or realize on the Escrow Proceeds or exercise any other right or remedy with respect to the Escrow Proceeds.

(b) If an Event of Default (other than an Event of Default specified in Section 6.01(b)(viii) with respect to the Company) occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may declare the principal of the Notes and any accrued interest on the Notes to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by Holders); *provided however*, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of the outstanding Notes may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal of or interest on the Notes, have been cured or waived as provided in this Indenture.

(c) In the event of a declaration of acceleration of the Notes solely because an Event of Default described in Section 6.01(b)(vi) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically rescinded and annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(b)(vi) shall be remedied or cured by the Company or a Restricted Subsidiary of the Company or waived by the holders of the relevant Indebtedness within 20 Business Days after the declaration of acceleration with respect thereto and if the rescission and annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction obtained by the Trustee for the payment of amounts due on the Notes.

(d) If an Event of Default specified in Section 6.01(b)(viii) occurs with respect to the Company, the principal of and any accrued interest on the Notes then outstanding shall *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Trustee may withhold from Holders notice of any Default (except Default in payment of principal, premium, if any, and interest) if the Trustee determines that withholding notice is in the interests of the Holders to do so.

Section 6.03 Other Remedies.

(a) If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, interest, and Additional Interest, if any, with respect to the Notes or to enforce the performance of any provision of the Notes or this Indenture.

(b) The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 Waiver of Past Defaults.

Holders of a majority in aggregate principal amount of the then outstanding Notes by notice to the Trustee may on behalf of the Holders of all of the Notes waive an existing Default or Event of Default and its consequences hereunder except a continuing Default or Event of Default in the payment of premium, if any, interest or Additional Interest, if any, on, or the principal of, the Notes (*provided, however*, that the Holders of a majority in principal amount of the then outstanding Notes may with such exception, on behalf of all Holders, rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration). The Company shall deliver to the Trustee an Officers Certificate stating that the requisite percentage of Holders have consented to such waiver and attaching copies of such consents. In case of any such waiver, the Company, the Trustee and the Holders shall be

restored to their former positions and rights hereunder and under the Notes, respectively. This Section 6.04 shall be in lieu of Section 316(a)(1)(B) of the TIA and such Section 316(a)(1)(B) of the TIA is hereby expressly excluded from this Indenture and the Notes, as permitted by the TIA. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 Control by Majority.

Holders of a majority in principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee. Notwithstanding the foregoing, the Trustee may refuse to follow any direction that conflicts with law or this Indenture that may involve the Trustee in personal liability or that the Trustee determines in good faith may be unduly prejudicial to the rights of other Holders of Notes not joining in the giving of such direction, and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06 Limitation on Suits.

(a) No Holder of any Note shall have any right to institute any proceeding with respect to this Indenture or for any remedy thereunder, unless:

- (i) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default,
- (ii) the Holders of at least 25% in aggregate principal amount of the outstanding Notes shall have made written request to the Trustee, and provided indemnity reasonably satisfactory to the Trustee, to institute such proceeding as Trustee, and
- (iii) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days.

(b) Such limitations do not apply, however, to a suit instituted by a Holder of a Note directly (as opposed to through the Trustee) for enforcement of payment of the principal of (and premium, if any) or interest on such Note on or after the respective due dates expressed in such Note.

Section 6.07 Rights of Holders of Notes to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of the principal of, premium, if any, or Additional Interest, if any, or interest with respect to, the Note, on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

(b) Except during the continuance of an Event of Default:

- (i) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and
- (ii) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

- (m) Delivery of reports, information and documents to the Trustee under this Indenture, including, without limitation, Section 4.03 hereof, is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officers Certificates). The Trustee is under no duty to examine such reports, information or documents to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein.

However, in the event that the Trustee acquires any conflicting interest as described in the TIA, it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as trustee or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.05 Notice of Defaults.

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to Holders of Notes a notice of the Default or Event of Default promptly and in any event within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium, if any, and Additional Interest, if any, or interest on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders. Notwithstanding the foregoing, if any Notes are held in the form of a Global Note, the notice required to be provided hereunder shall be conclusively presumed to have been given if delivered via facsimile, PDF or other electronic transmission to the Depositary or to the Persons who are registered Holders of Notes, as the case may be, with accompanying instructions directing such Depositary or such Persons who are registered Holders of Notes to forward such notice to the beneficial holders of the Notes.

The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. (e) When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(c)(viii) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of Notes of at least 10% in principal amount of the then outstanding Notes may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee, *provided* all sums owing to the Trustee hereunder have been paid and subject to the claim provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

The Company shall do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Escrow Agreement, to assure and confirm to the Trustee the security interest contemplated by the Escrow Agreement or any part thereof, as from time to time constituted, so as to render the same available for the security and benefit of this Indenture and of the Notes secured hereby, according to the intent and purpose herein expressed. Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance.

The Company may, at the option of the Board of Directors evidenced by a resolution set forth in an Officers Certificate, at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article Eight.

Section 8.02 Legal Defeasance and Discharge.

(a) Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from its obligations with respect to all outstanding Notes and all obligations of the Guarantors shall be deemed to have been discharged with respect to their obligations under the Note Guarantees on the date the conditions set forth below are satisfied (**Legal Defeasance**). For this purpose, Legal Defeasance means that the Company and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes and Note Guarantees, respectively, which shall thereafter be deemed to be outstanding only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in this clause (a) and clause (b) below, and to have satisfied all its other obligations under such Notes and this Indenture including those of the Guarantors (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

- (i) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest or premium and Additional Interest, if any, on such Notes when such payments are due from the Defeasance Trust (as defined below); and
- (ii) the Company's obligations with respect to Sections 2.07, 2.08, 2.11 and 4.02 hereof;
- (iii) the rights, powers, trusts, duties and immunities of the Trustee hereunder and the Company's and the Guarantors' obligations in connection herewith; and
- (iv) this section 8.02.

(b) If the Company exercises its legal defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect thereto.

(c) Subject to compliance with this Article Eight, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

(d) If the Company exercises its option under this Section 8.02, each Guarantor shall be released from all of its Obligations with respect to the Notes.

Section 8.03 Covenant Defeasance.

(a) Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company shall, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from its obligations pursuant to Section 6.01 (but only to the extent that those provisions relate to the Defaults with respect to the Notes and not including non-payment, bankruptcy, receivership, rehabilitation and insolvency events), Sections 4.03, 4.05 through 4.18 and Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 are satisfied (hereinafter, **Covenant Defeasance**), and the Notes shall thereafter be deemed not outstanding for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed outstanding for all other purposes hereunder (it being understood that (unless the Company shall otherwise determine) such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(b)(ii) through (viii) shall not constitute Events of Default.

(b) If the Company exercises its option under this Section 8.03, each Guarantor shall be released from all of its Obligations with respect to the Notes.

Section 8.04 Conditions to Legal or Covenant Defeasance.

(a) In order to exercise its option under Section 8.02 or 8.03 hereof, the Company must:

- (ii) deliver to the Trustee of an Opinion of Counsel to the effect that Holders of the Notes shall not recognize income, gain or loss for federal income tax purposes as a result of such deposit and defeasance and shall be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

- (iii) in the case of an election under Section 8.02 hereof, the Company shall have delivered to the Trustee an Opinion of Counsel be based on a ruling of the Internal Revenue Service or change in applicable federal income tax law). Notwithstanding the foregoing, the Opinion of Counsel required with respect to an election under Section 8.02 need not be delivered if all of the Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable or (ii) shall become due and payable at their Stated Maturity within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

(c) Anything in this Article Eight to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the request of the Company any money or Government Securities held by it as provided in Section 8.04 hereof are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.07 Reinstatement.

If the Trustee or Paying Agent is unable to apply any United States dollars or non-callable Government Securities in accordance with Section 8.04 or 8.05 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium, if any, and Additional Interest, if any, or interest on any Note following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

- (viii) to provide for the issuance of Additional Notes in accordance with this Indenture; or
- (ix) to conform this Indenture, the Note Guarantees or the Notes to any provision of the Description of Notes in the Offering Memorandum to the extent such provision is intended to be a verbatim recitation thereof.

(b) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Sections 7.02 and 12.04 hereof, the Trustee shall join with the Company in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 With Consent of Holders of Notes.

(a) Except as provided below in this Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes and the Note Guarantees with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), and any existing Default or Event of Default or compliance with any provision of this Indenture or the Notes may be waived with the consent of the Holders of a majority in principal amount of the then-outstanding Notes (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes).

(b) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the filing with the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Sections 7.02 and 12.04 hereof, the Trustee shall join with the Company in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

(c) The consent of the applicable Holders shall not be necessary under this Indenture to approve the particular form of any proposed amendment or waiver. It shall be sufficient if such consent approves the substance of the proposed amendment or waiver.

(d) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company shall mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture, or the Notes. However, without the consent of each Holder affected, an amendment or waiver under this Section 9.02 shall not (with respect to any Notes held by a non-consenting Holder):

- (i) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (ii) change the Stated Maturity of the principal of, or any installment of interest on, any Note;
- (iii) reduce the principal amount of, or premium, if any, or interest on, any Note;

- (iv) change the optional redemption dates or optional redemption prices of the Notes from those stated under Section 3.07 hereof;
- (v) waive a Default or Event of Default in the payment of principal of, or interest or premium and Additional Interest, if any, on, the Notes (except, upon a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the Notes, a waiver of the payment default that resulted from such acceleration) or in respect of any other covenant or provision that cannot be amended or modified without the consent of all Holders;
- (vi) make any Note payable in money other than U.S. dollars;
- (vii) make any change in the amendment and waiver provisions of this Indenture;
- (viii) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;
- (ix) impair the right to institute suit for the enforcement of any payment on or with respect to the Notes or the Note Guarantees;
- (x) amend, change or modify the obligation of the Company to make and consummate an Offer to Purchase with respect to any Asset Sale in accordance with Section 4.07 hereof after the obligation to make such Offer to Purchase has arisen, or the obligation of the Company to make and consummate an Offer to Purchase in the event of a Change of Control in accordance with Section 4.06 hereof after such Change of Control has occurred, including, in each case, amending, changing or modifying any definition relating thereto;
- (xi) except as otherwise permitted under Section 5.01 hereof and Section 4.15 hereof, consent to the assignment or transfer by the Company or any Guarantor of any of their rights or obligations under this Indenture; or
- (xii) amend or modify any of the provisions of this Indenture or the related definitions affecting the subordination of the Notes or any Note Guarantee in any manner adverse to the Holders of the Notes or any Note Guarantee.

Section 9.03 Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall be set forth in an amended or supplemental indenture that complies with the TIA as then in effect.

Section 9.04 Revocation and Effect of Consents.

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the consenting Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting

Holder's Note, even if a notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee, or the Company, receives written notice of revocation before the date on which the Company certifies to such Trustee that the Holders of the requisite principal amount of Notes have consented to such amendment or waiver. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 Notation on or Exchange of Notes.

(a) The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

(b) Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 Trustee to Sign Amendments, Etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article Nine if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amendment or supplement until its Board of Directors approves it. In executing any amendment, supplement or waiver, the Trustee shall be entitled to receive and (subject to Section 7.01 hereof) shall be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating that the execution of such amendment, supplement or waiver is authorized or permitted by this Indenture, that all conditions precedent thereto have been satisfied and that such amendment, supplement or waiver constitutes the legal, valid and binding obligations of the Company (and the Guarantors, if applicable).

ARTICLE TEN

NOTE GUARANTEES

Section 10.01 Guarantee.

(a) Effective upon execution of the supplemental indenture substantially in the form attached hereto as Exhibit D by the parties thereto, subject to this Article Ten, each of the Guarantors hereby, jointly and severally, and fully and unconditionally, guarantees as of the Release Date to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of, this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that: (a) the principal of, premium, if any, and interest and Additional Interest, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, and interest and Additional Interest, if any, on the Notes, if lawful (subject in all cases to any applicable grace period provided herein), and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, the same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors shall be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) The Guarantors hereby agree that, to the maximum extent permitted under applicable law, their obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives (to the fullest extent permitted by law) diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenants that this Note Guarantee shall not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to any of the Company or the Guarantors, any amount paid by any of them to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

(d) Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article Six hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article Six hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors shall have the right to seek contribution from any non paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02 Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to such Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor shall be limited to the maximum amount as shall, after giving effect to all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article Ten, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03 Notation Not Required.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Note Guarantee of each applicable Guarantor set forth in this Indenture or any Supplemental Indenture on behalf of such Guarantor. Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee.

Section 10.04 Releases

(a) A Note Guarantee of a Guarantor shall be automatically and unconditionally released (and thereupon shall terminate and be discharged and be of no further force and effect):

- (i) in connection with any sale or other disposition (including by merger or otherwise) of Capital Stock of the Guarantor after which such Guarantor is no longer a Subsidiary of the Company, or of all or substantially all of the assets of such Guarantor, which sale or other disposition complies with the applicable provisions of this Indenture and all the obligations of such Guarantor in respect of all other Indebtedness of the Company or the Guarantors terminate upon consummation of such transaction;

- (ii) if the Company properly designates the Guarantor as an Unrestricted Subsidiary under this Indenture;
 - (iii) solely in the case of a Note Guarantee created pursuant to the provisions described under Section 4.15(b) hereof, upon the release or discharge of the Note Guarantee or Incurrence of Indebtedness that resulted in the creation of such Note Guarantee pursuant to Section 4.15(b), except a discharge or release by or as a result of payment under such Guarantee;
 - (iv) upon a Legal Defeasance, Covenant Defeasance or satisfaction and discharge of this Indenture, in each case which complies with the applicable provisions under Section 8.02, Section 8.03 or Section 11.01, respectively; or
 - (v) upon payment in full of the aggregate principal amount of all Notes then outstanding and all other obligations under this Indenture and the Notes then due and owing;
 - (vi) in the case of any Excluded Subsidiary which, after the date of this Indenture, is required to guarantee the Notes as a result of its provision of guarantees or other direct credit support for any other Indebtedness of the Company or any Guarantor, upon the release or discharge of all such Indebtedness or such guarantees or other direct credit support obligations of such Excluded Subsidiary that caused it to be obligated to guarantee the Notes;
 - (vii) in the case of any Guarantor which, after the date of this Indenture, liquidates or dissolves or consolidates or merges with or into another Guarantor or the Company, upon such liquidation, dissolution, consolidation or merger;
 - (viii) as discussed under Article Nine hereof; or
 - (ix) in the case of any Guarantor which is also a guarantor under the Credit Facilities, upon the release of such guarantee under the Credit Facilities (which release under the Credit Facilities may be conditioned upon the concurrent release of the Note Guarantee hereunder).
- (b) Upon any occurrence giving rise to a release of a Note Guarantee as specified in Section 10.04(a) hereof, the Trustee shall execute any documents reasonably required in order to evidence or effect such release, termination and discharge in respect of such Note Guarantee. Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect any Note Guarantee or any such release, termination or discharge.

Section 10.05 Guarantors May Consolidate, Etc., on Certain Terms

A Guarantor shall not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Guarantor is the surviving Person), or (2) sell, assign, transfer, convey or otherwise dispose of all or substantially all of the properties and assets of the Guarantor, in one or more related transactions, to another Person, other than the Company or another Guarantor, unless:

(a) immediately after giving effect to that transaction, no Default or Event of Default exists; and

(b) either:

(i) the Guarantor is the surviving corporation, or the Person formed by or surviving any such consolidation or merger (if other than the Guarantor) or to which such sale, assignment, transfer, conveyance or other disposition has been made (i) is organized or existing under the laws of the United States, any state thereof or the District of Columbia and (ii) assumes all the obligations of that Guarantor under this Indenture, including its Note Guarantee, and the Registration Rights Agreement pursuant to a supplemental indenture or other documents, agreements or instruments in form reasonably satisfactory to the Trustee; or

(ii) such sale, assignment, transfer, conveyance or other disposition or consolidation or merger complies with Section 4.07 hereof.

ARTICLE ELEVEN

SATISFACTION AND DISCHARGE

Section 11.01 Satisfaction and Discharge.

(a) This Indenture shall be discharged and shall cease to be of further effect as to all Notes issued thereunder, when:

(i) either:

(A) all Notes that have been authenticated (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust and thereafter repaid to the Company) have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation (x) have become due and payable (by reason of the mailing of a notice of redemption or otherwise), (y) shall become due and payable at Stated Maturity within one year, or (z) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the Company's name and at the Company's expense, and in each such case the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination thereof, in such amounts as shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Interest, if any, and accrued interest to the Stated Maturity or redemption date, as the case may be;

(ii) no Default or Event of Default shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(iii) the Company or any Guarantor has paid or caused to be paid all sums then payable by it under this Indenture; and

(iv) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at Stated Maturity or the redemption date, as the case may be.

(b) The Company shall deliver an Officers Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge as contemplated by this Article Eleven shall have been satisfied.

Section 11.02 Deposited Money and Government Securities to Be Held in Trust; Other Miscellaneous Provisions.

Subject to the provisions of Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee pursuant to Section 11.01 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and Additional Interest, if any, and interest, but such money need not be segregated from other funds except to the extent required by law.

Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or any of its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. Delivery of an executed counterpart of a signature page to this Indenture by facsimile, PDF or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Indenture. The exchange of copies of this Indenture and of signature pages by facsimile, PDF transmission or other electronic transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile, PDF or other electronic transmission shall be deemed to be their original signatures for all purposes.

Section 12.14 Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by the Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the **Act** of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Company if made in the manner provided in this Section 12.14.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such witness, notary or officer the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) Notwithstanding anything to the contrary contained in this Section 12.14, the principal amount and serial numbers of Notes held by any Holder, and the date of holding the same, shall be proved by the register of the Notes maintained by the Registrar as provided in Section 2.04 hereof.

(d) If the Company shall solicit from the Holders of the Notes any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, by or pursuant to a resolution of its Board of Directors, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall have no obligation to do so. Notwithstanding TIA § 316(c), such record date shall be the record date specified in or pursuant to such resolution, which shall be a date not earlier than the date 30 days prior to the first solicitation of Holders generally in connection therewith or the date of the most recent list of Holders forwarded to the Trustee prior to such solicitation pursuant to Section 2.06 hereof and not later than the date such solicitation is completed. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of the then outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the then outstanding Notes shall be computed as of such record date; *provided* that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than eleven months after the record date.

(e) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration or transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Note.

(f) Without limiting the foregoing, a Holder entitled hereunder to take any action hereunder with regard to any particular Note may do so itself with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any part of such principal amount.

Section 12.15 Benefit of Indenture.

Nothing, in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto, any Paying Agent, any Registrar and its successors hereunder, and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 12.16 Table of Contents, Headings, Etc.

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Nothing, in this Indenture or in the Notes, express or implied, shall give to any Person, other than the parties hereto, any Paying Agent, any Registrar and its successors hereunder, and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 12.17 Waiver of Jury Trial.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS INDENTURE OR THE NOTES.

Section 12.18 U.S.A. Patriot Act.

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act (the **Patriot Act**), the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they shall provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the Patriot Act.

1. *Interest.* The Company promises to pay interest on the principal amount of this Note at 7.875% per annum from the date hereof until maturity and shall pay the Additional Interest, if any, payable pursuant to the Registration Rights Agreement referred to below. Interest on the Notes will be payable semiannually in arrears on March 1 and September 1 each year, commencing on March 1, 2011. The Company will make each interest payment to the Holders of record on the immediately preceding February 15 and August 15. Any Additional Interest due will be paid on the same dates as interest on the Notes. The Company shall pay interest (including post petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest, and premium, if any, and Additional Interest, if any (without regard to any applicable grace period), at the same rate to the extent lawful. Interest on the Notes will accrue from the date of original issuance or, if interest has already been paid, from the date it was most recently paid. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. *Method of Payment.* The Company shall pay interest on the Notes (except defaulted interest) to the Persons who are registered Holders of Notes at the close of business on the February 15 and August 15 next preceding the interest payment date, even if such Notes are canceled after such record date and on or before such interest payment date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, premium, if any, interest and Additional Interest, if any, at the offices or agencies of one or more Paying Agents and Registrars maintained for such purpose in The City of New York, New York, or, at the option of the Company, payment of interest, may be made by check mailed to the Holders at their addresses set forth in the register of Holders, and provided that payment by wire transfer of immediately available funds shall be required with respect to the principal of, and premium, if any, interest and Additional Interest, if any, on, all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Company or the Paying Agent. Such payment shall be in U.S. dollars.

3. *Paying Agent and Registrar.* Initially, U.S. Bank National Association, the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without prior notice to any Holder.

4. *Indenture*. The Company issued the Notes under an Indenture dated as of August 27, 2010 (the *Indenture*) between the Company and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. Terms defined in the Indenture and not defined herein have the meanings ascribed thereto in the Indenture. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall (to the fullest extent permitted by law) govern and be controlling. The Indenture pursuant to which this Note is issued provides that an unlimited aggregate principal amount of Additional Notes may be issued thereunder.

5. *Optional Redemption*.

(a) Prior to September 1, 2013, the Company may, at its option on any one or more occasions, redeem Notes in an aggregate principal amount not to exceed 35% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) at a redemption price of 107.875% of the principal amount, *plus* accrued and unpaid interest and Additional Interest, if any, thereon up to, but excluding, the redemption date (subject to the rights of Holders of Notes on a relevant record date to receive interest due on an interest payment date that occurs prior to the redemption date), with the net cash proceeds of one or more Equity Offerings; *provided* that (i) at least 65% of the aggregate principal amount of Notes issued under this Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company or its Affiliates); and (ii) the redemption must occur within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to September 1, 2014, the Company may redeem all or part of the Notes, upon not less than 30 nor more than 60 days prior notice mailed by first class mail to the registered address of each Holder of Notes or otherwise delivered in accordance with the procedures of DTC, at a redemption price equal to the sum of (i) 100% of the principal amount thereof, *plus* (ii) the Applicable Premium as of the date of redemption, *plus* (iii) accrued and unpaid interest and Additional Interest, if any, thereon up to, but excluding, the date of redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on an interest payment date that occurs prior to the redemption date.

(c) On or after September 1, 2014, the Company may redeem all or a part of the Notes at the redemption prices (expressed as percentages of principal amount) set forth below plus accrued and unpaid interest and Additional Interest, if any, thereon up to, but excluding, the applicable redemption date, (subject to the right of Holders of Notes on a relevant record date to receive interest due on the relevant interest payment date that occurs prior to the redemption date), if redeemed during the twelve-month period beginning on September 1 of the years indicated below:

Year	Percentage
2014	103.938%
2015	101.969%
2016 and thereafter	100.000%

6. *Mandatory Redemption.* Except for a Special Mandatory Redemption pursuant to Section 3.09 of the Indenture, the Company shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes. Under certain circumstances, the Company may be required to Offer to Purchase the Notes pursuant to Sections 4.06 and 4.07 of the Indenture. The Company and its Restricted Subsidiaries may at any time and from time to time purchase Notes in the open market or otherwise.

7. *Special Mandatory Redemption.*

If (i) prior to the Escrow End Date, the Company shall have determined, in its discretion, that the escrow conditions cannot be satisfied by such date (any such date, a *Trigger Date*) and shall have provided a Redemption Notice as defined in the Escrow Agreement (a *Company Special Mandatory Redemption Notice*) to the Escrow Agent acknowledged by the Trustee no later than the next Business Day following such Trigger Date; or (ii) a Release Date shall not have occurred on or prior to the Escrow End Date, and the Escrow Agent shall have distributed Escrow Proceeds to the Trustee pursuant to the terms and conditions of the Escrow Agreement (any such date, the *Distribution Date*), then the Company shall redeem the Notes (the *Special Mandatory Redemption*) at a price equal to the sum of 101% of the issue price of the Notes, plus accrued and unpaid interest including accrual of original issue discount on the Notes from the Issue Date up to, but excluding, the date of the Special Mandatory Redemption.

8. *Selection and Notice of Redemption.* Any redemption pursuant to paragraph 5 above shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture.

9. *Repurchase at Option of Holder.*

(a) Unless the Company has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes as described under Section 3.07 of the Indenture, the Company must commence, within 30 days of the occurrence of a Change of Control after the Release Date, and consummate an Offer to Purchase for all Notes then outstanding, at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest and Additional Interest, if any, thereon up to, but excluding, the date of repurchase (subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date).

(b) The Company shall not be required to make an Offer to Repurchase upon a Change of Control if a third party makes the Offer to Purchase in the manner, at the times and otherwise in compliance with the requirements set forth in the Indenture applicable to an Offer to Purchase made by the Company and purchases all Notes validly tendered and not withdrawn under such Offer to Purchase. Notwithstanding anything to the contrary in the Indenture, an Offer to Purchase upon a Change of Control may be made in advance of a Change of Control, and conditioned upon the consummation of such Change of Control, if a definitive agreement is in place providing for the Change of Control at the time the Offer to Purchase is made

10. *Denominations, Transfer and Exchange.* The Notes are in registered form, without coupons, in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. As set forth more fully in the Indenture, (a) the Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes required by law or permitted by the Indenture; (b) the Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part; and (c) the Company need not transfer or exchange any Note for a period of 15 days prior to a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

11. *Persons Deemed Owners.* The registered Holder of a Note shall be treated as its owner for all purposes.

12. *Amendments and Waiver.* Subject to certain exceptions, the Indenture or the Notes may be amended or supplemented with the consent of the Holders of at least a majority in principal amount of the Notes then outstanding and Additional Notes, if any, voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), and any existing Default or Event of Default, or compliance with any provision of the Indenture or the Notes, may be waived with the consent of the Holders of a majority in principal of the Notes then outstanding and Additional Notes, if any, voting as a single class (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes). The Indenture may also be amended without the consent of any Holders as provided in the Indenture.

13. *Defaults and Remedies.* In the case of an Event of Default prior to the release of Escrow Proceeds pursuant to Section 6.01(a) or arising from certain events of bankruptcy, insolvency or reorganization with respect to the Company or any Significant Subsidiary of the Company (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary), all outstanding Notes shall *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder; provided that the exclusive remedy upon an Event of Default pursuant to Section 6.01(a) is to enforce, collect or realize on the Escrow Proceeds or exercise any other right or remedy with respect to the Escrow Proceeds. If any other Event of Default occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may declare the principal of the Notes and any accrued interest on the Notes to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by Holders); provided however, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of the outstanding Notes may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal of or interest on the Notes, have been cured or waived as provided in the Indenture. The Holders of the Notes may not enforce the Indenture or the Notes except as provided in the Indenture. As more particularly provided in the Indenture, (a) subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power and (b) the Trustee may withhold from Holders of the Notes notice of any Default (except a Default in payment of principal, premium, if any, and interest) if it determines that withholding notice is in their interest and (c) the Holders of a majority in aggregate principal

amount of the Notes then outstanding by notice to the Trustee may, on behalf of the Holders of all of the Notes, waive any existing Default or Event of Default and its consequences under the Indenture except a continuing Default or Event of Default in the payment of premium, if any, interest or Additional Interest, if any, on, or the principal of, the Notes.

14. *Trustee Dealings with the Company.* The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its Affiliates, and may otherwise deal with the Company or its Affiliates, as if it were not the Trustee.

15. *Guarantees.* On the Release Date, the Company's obligations under the Notes will be guaranteed on a joint and several basis by each of the Guarantors to the extent set forth in the Indenture.

16. *No Recourse Against Others.* No director, officer, employee, incorporator, stockholder, member, manager or partner of the Company or any Guarantor, as such, shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Indenture, the Note Guarantees, or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

17. *Authentication.* This Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

18. *Additional Rights of Holders of Restricted Global Notes and Restricted Definitive Notes.* In addition to the rights provided to Holders under the Indenture, Holders of Restricted Global Notes and Restricted Definitive Notes shall have all the rights set forth in the Registration Rights Agreement dated August 27, 2010, among the Company, and the parties named on the signature pages thereof or, in the case of Additional Notes, the Holders of Additional Notes shall have the rights set forth in one or more registration rights agreements, if any, between the Company and the other parties thereto, relating to rights given by the Company and the Guarantors to the purchasers of Additional Notes (the *Registration Rights Agreement*).

19. *CUSIP and ISIN Numbers.* Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP and ISIN numbers to be printed on the Notes and the Trustee may use CUSIP and ISIN numbers in notices of redemption as a convenience to the Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

20. *GOVERNING LAW.* THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THIS NOTE AND THE GUARANTEES.

(b) Upon the effectiveness of the Exchange Offer Registration Statement, the Company and the Guarantors shall promptly commence the Registered Exchange Offer, it being the objective of such Registered Exchange Offer to enable each Holder to exchange Securities for Exchange Securities (assuming that such Holder is not an Affiliate of the Company or any of the Guarantors, acquires the Exchange Securities in the ordinary course of such Holder's business, has no arrangements with any person to participate in the distribution of the Exchange Securities and is not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer) that are, from and after their receipt, transferable by each such Holder without any limitations or restrictions under the Act.

(i) mail or cause to be mailed to each Holder a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(ii) keep the Registered Exchange Offer open for not less than 20 Business Days after the date notice thereof is mailed to the Holders (or longer if required by applicable law);

(iv) utilize the services of a depository for the Registered Exchange Offer, which may be the Trustee or an Affiliate of the Trustee;

(v) permit Holders to withdraw tendered Securities at any time prior to the close of business, New York time, on the last Business Day on which the Registered Exchange Offer is open;

(vi) prior to effectiveness of the Exchange Offer Registration Statement, if requested by the staff of the Commission, provide a supplemental letter to the Commission (A) stating that the Company and the Guarantors are conducting the Registered Exchange Offer in reliance on the position of the Commission in Exxon Capital Holdings Corporation (pub. avail. May 13, 1988) and Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991); and (B) including a representation that the Company and the Guarantors have not entered into any arrangement or understanding with any person to distribute the Exchange Securities to be received in the Registered Exchange Offer and that, to the best of the Company's and the Guarantors' information and belief, each Holder participating in the Registered Exchange Offer is acquiring the Exchange Securities in the ordinary course of business and has no arrangement or understanding with any person to participate in the distribution of the Exchange Securities; and

(vii) comply in all material respects with all applicable laws.

(d) As soon as practicable after the close of the Registered Exchange Offer, the Company and the Guarantors shall:

(i) accept for exchange all Securities properly tendered and not validly withdrawn pursuant to the Registered Exchange Offer on or prior to its expiration;

(ii) deliver or cause to be delivered to the Trustee for cancellation in accordance with Section 4(q) all Securities so accepted for exchange; and

(iii) cause the Trustee promptly to authenticate and deliver to each Holder of Securities a principal amount of Exchange Securities equal to the principal amount of the Securities of such Holder so accepted for exchange; provided, however, that, in case of any Securities held in global form by a depository, authentication and delivery to such depository of one or more replacement Securities in global form in an equivalent principal amount thereto for the account of such Holders in accordance with the Indenture shall satisfy such authentication and delivery requirement.

(e) Each Holder hereby acknowledges and agrees that any Broker-Dealer and any such Holder using the Registered Exchange Offer to participate in a distribution of the Exchange Securities (x) could not under Commission policy as in effect on the date of this Agreement rely on the position of the Commission in Exxon Capital Holdings Corporation (pub. avail. May 13, 1988) and Morgan Stanley and Co., Inc. (pub. avail. June 5, 1991), as interpreted in the Commission's letter to Shearman & Sterling LLP dated July 2, 1993 and similar no-action letters; and (y) must comply with the registration and prospectus delivery requirements of the Act in connection with any secondary resale transaction, which must be covered by an effective registration statement containing the selling security holder information required by Item 507 or 508, as applicable, of Regulation S-K under the Act if the resales are of Exchange Securities obtained by such Holder in exchange for Securities acquired by such Holder directly from the Company, the Guarantors or one of their respective Affiliates. Accordingly, each Holder participating in the Registered Exchange Offer shall be required to represent to the Company and the Guarantors that, at the time of the consummation of the Registered Exchange Offer:

(i) any Exchange Securities received by such Holder will be acquired in the ordinary course of business;

(ii) such Holder will have no arrangement or understanding with any person to participate in the distribution of the Securities or the Exchange Securities within the meaning of the Act; and

(iii) such Holder is not an Affiliate of the Company or any of the Guarantors.

(f) If any Initial Purchaser determines that it is prohibited by law or Commission policy from participating in the Registered Exchange Offer with respect to the exchange of Securities constituting any portion of an unsold allotment, at the request of such Initial Purchaser, the Company and the Guarantors shall issue and deliver to the person purchasing Securities registered under a Shelf Registration Statement as contemplated by Section 3 hereof from such Initial Purchaser, in exchange for such Securities, a like principal amount of Exchange Securities.

3. Shelf Registration. (a) If (i) the Company and the Guarantors are not permitted to consummate the Registered Exchange Offer as contemplated by Section 2 hereof because the Registered Exchange Offer is not permitted by applicable law or Commission policy; (ii) for any reason, the Registered Exchange Offer has not been consummated by the Exchange Date; or (iii) any Holder notifies the Company within 25 days following the consummation of the Registered Exchange Offer that (A) it is prohibited by law or Commission policy from participating in the Registered Exchange Offer; (B) it may not resell the Exchange Securities acquired by it in the Registered Exchange Offer to the public without delivering a prospectus and the prospectus contained in the Exchange Offer Registration Statement is not appropriate or available for such resales; or (C) it is a broker-dealer and owns Securities acquired directly from the Company or an affiliate of the Company, then the Company and the Guarantors shall effect a Shelf Registration Statement in accordance with subsection (b) below.

(b) (i) Following the Request Date, the Company and the Guarantors shall use their commercially reasonable efforts to file as soon as commercially reasonable after such obligation arises, but in no event on or prior to the date that is 365 days after the Release Date, pursuant to subsection (a) of this Section 3, a Shelf Registration Statement relating to the offer and sale of the Securities or the Exchange Securities, as applicable, by the Holders thereof from time to time in accordance with the methods of distribution elected by such Holders and set forth in such Shelf Registration Statement; provided, however, that no Holder shall be entitled to have the Securities held by it covered by such Shelf Registration Statement or be entitled to use a Prospectus forming a part thereof unless such Holder agrees in writing to be bound by all of the provisions of this Agreement applicable to such Holder and has returned to the Company a completed and signed selling securityholder questionnaire in reasonable and customary form by the reasonable deadline for responses set forth therein; and provided, further, that with respect to Exchange Securities received by an Initial Purchaser in exchange for Securities constituting any portion of an unsold allotment, the Company and the Guarantors may, if permitted by current interpretations by the Commission's staff, file a post-effective amendment to the Exchange Offer Registration Statement containing the information required by Item 507 or 508 of Regulation S-K,

as applicable, in satisfaction of their obligations under this subsection with respect thereto, and any such Exchange Offer Registration Statement, as so amended, shall be referred to herein as, and governed by the provisions herein applicable to, a Shelf Registration Statement.

(ii) Subject to Section 4 hereof, the Company and the Guarantors shall use their commercially reasonable efforts to cause such Shelf Registration Statement to be declared effective under the Act and keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the Act, in order to permit the Prospectus forming part thereof to be usable by Holders for a period (the Shelf Registration Period) from the date the Shelf Registration Statement is declared effective by the Commission until the first to occur of (A) the date upon which all the Securities or Exchange Securities, as applicable, covered by the Shelf Registration Statement have been sold pursuant to the Shelf Registration Statement or ceases to be outstanding or (B) one year after the date the Shelf Registration Statement is declared effective.

(iii) Subject to the provisions of Section 4 hereof, the Company and the Guarantors shall cause the Shelf Registration Statement and the related Prospectus and any amendment or supplement thereto, as of the effective date of the Shelf Registration Statement or such amendment or supplement, (A) to comply as to form in all material respects with the applicable requirements of the Act; and (B) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading.

4. Additional Registration Procedures. In connection with any Shelf Registration Statement and, to the extent applicable, any Exchange Offer Registration Statement, the following provisions shall apply:

(a) The Company and the Guarantors shall:

(i) furnish to the Initial Purchasers, not less than five Business Days prior to the filing thereof with the Commission, a copy of any Exchange Offer Registration Statement and any Shelf Registration Statement, and each amendment thereof and each amendment or supplement, if any, to the Prospectus included therein (but excluding all documents incorporated by reference therein after the initial filing) and shall use their commercially reasonable efforts to reflect in each such document, when so filed with the Commission, such comments as the Initial Purchasers reasonably propose;

(ii) include the information (as may be revised at the request or requirement of the Commission) substantially in the form set forth in Annex A hereto on the facing page of the Exchange Offer Registration Statement, in Annex B hereto in the forepart of the Exchange Offer Registration Statement in a section setting forth details of the Registered Exchange Offer, in Annex C hereto in the underwriting or plan of distribution section of the Prospectus contained in the Exchange Offer Registration Statement, and in Annex D hereto in the letter of transmittal delivered pursuant to the Registered Exchange Offer;

(iii) if requested by an Initial Purchaser, include the information required by Item 507 or 508 of Regulation S-K, as applicable, in the Prospectus contained in the Exchange Offer Registration Statement; and

(iv) in the case of a Shelf Registration Statement, include the names of the Holders (to the extent provided by such Holders) that propose to sell Securities pursuant to the Shelf Registration Statement as selling security holders; provided, however, that, the Company shall not be required to include the name of any Holder that has not complied with the requirements set forth in Section 3(b)(i) hereof.

(b) Subject to the following provisions of this Section 4, the Company and the Guarantors shall use their commercially reasonable efforts to ensure that:

(i) any Registration Statement and any amendment thereto and any Prospectus forming a part thereof and any amendment or supplement thereto complies as to form in all material respects with the Act; and

(ii) any Registration Statement and any amendment thereto does not, as of the effective date of the Registration Statement or such amendment, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading.

(c) The Company and the Guarantors shall advise the Initial Purchasers, the Holders of Securities covered by any Shelf Registration Statement and any Exchanging Dealer under any Exchange Offer Registration Statement that has provided in writing to the Company or any Guarantor a telephone or facsimile number and address for notices (a Known Exchanging Dealer), and, if requested by the Initial Purchasers or any such Holder or Known Exchanging Dealer, shall confirm such advice in writing (which notice pursuant to clauses (ii)-(v) hereof shall be accompanied by an instruction to suspend the use of the Prospectus until the Company and the Guarantors shall have remedied the basis for such suspension):

(i) when the relevant Registration Statement and any amendment thereto has been filed with the Commission and when the Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for any amendment or supplement to the Registration Statement or the Prospectus or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceeding for that purpose;

(iv) of the receipt by the Company or the Guarantors of any notification with respect to the suspension of the qualification of the securities included therein for sale in any jurisdiction or the initiation of any proceeding for such purpose; and

(v) at a time when a Prospectus is required to be delivered under the Act, of the happening of any event that requires any change in the Registration Statement or the Prospectus so that, as of such date, they (A) do not contain any untrue statement of a material fact and (B) do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the Prospectus, in the light of the circumstances under which they were made) not misleading.

(d) The Company and the Guarantors shall use their commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement or the qualification of the securities therein for sale in any jurisdiction.

(e) The Company and the Guarantors shall furnish, upon written request, to each Holder of Securities covered by any Shelf Registration Statement, without charge, at least one copy of such Shelf Registration Statement and any post-effective amendment thereto.

(f) Subject to the provisions of this Section 4, the Company and the Guarantors shall, during the Shelf Registration Period, deliver to each Holder of Securities covered by any Shelf Registration Statement, without charge, as many copies of the Prospectus (including the preliminary Prospectus) included in such Shelf Registration Statement and any amendment or supplement thereto as such Holder may reasonably request, except during any suspension period referred to in Section 4(c) above or Section 4(k) below. Subject to the provisions of this Section 4, the Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by each of the selling Holders of Securities in connection with the offering and sale of the Securities covered by the Prospectus, or any amendment or supplement thereto, included in the Shelf Registration Statement (in each case, if such Holder is properly named in such Prospectus, as amended and supplemented), except during any suspension period referred to in Section 4(c) above or Section 4(k) below.

(g) The Company and the Guarantors shall furnish to each Exchanging Dealer which so requests, without charge, at least one copy of the Exchange Offer Registration Statement and any post-effective amendment thereto (excluding any material incorporated by reference therein).

(h) The Company and the Guarantors shall promptly deliver to each Initial Purchaser, each Exchanging Dealer and each other person required to deliver a Prospectus during the Exchange Offer Registration Period, without charge, as many copies of the Prospectus included in such Exchange Offer Registration Statement and any amendment or supplement thereto as any such person may reasonably request. Subject to the provisions of this Section 4, the Company and the Guarantors consent to the use of the Prospectus or any amendment or supplement thereto by any Initial Purchaser, any Exchanging Dealer and any such other person that may be required to deliver a Prospectus following the Registered Exchange Offer in connection with the offering and sale of the Exchange Securities covered by the Prospectus, or any amendment or supplement thereto, included in the Exchange Offer Registration Statement (in each case, if such Initial Purchaser, Exchanging Dealer or other person is properly named in such Prospectus, as amended and supplemented), except during any suspension period referred to in Section 4(c) above or Section 4(k) below.

(i) Prior to the Registered Exchange Offer or any other offering of Securities pursuant to any Registration Statement, the Company and the Guarantors shall arrange, if necessary, for the qualification of the Securities or the Exchange Securities for sale under the laws of such jurisdictions as any Holder shall reasonably request and shall maintain such qualification in effect so long as required; provided that in no event shall the Company or any Guarantor be obligated to qualify to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the Initial Placement, the Registered Exchange Offer or any offering pursuant to a Shelf Registration Statement, in any such jurisdiction where it is not then so subject, or to subject itself to taxation in any jurisdiction where it is not now subject.

(j) The Company and the Guarantors shall cooperate with the Holders of Securities to facilitate the timely preparation and delivery of certificates representing Exchange Securities or Securities to be issued or sold pursuant to any Registration Statement free of any restrictive legends and in such denominations and registered in such names as Holders may request in writing at least three (3) Business Days prior to the closing date of any sales of Exchange Securities.

(k)(i) Upon the occurrence of any event contemplated by subsections (c)(ii) through (v) above or subsection (k)(ii) below, the Company and the Guarantors shall promptly (or within the time period provided for by clause (ii) hereof, if applicable) prepare and file a post-effective amendment to the applicable Registration Statement or an amendment or supplement to the related Prospectus or file any other required document so that, as thereafter delivered to the Initial Purchasers of the securities included therein, the Prospectus will not include an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. In such circumstances, the Exchange Offer Registration Period and the Shelf Registration Period shall be extended by the number of days from and including the date of the giving of a notice of suspension pursuant to Section 4(c) or Section 4(k)(ii), as applicable, to and including the date when the Initial Purchasers, the Holders of the Securities covered by any Shelf Registration Statement and any Known Exchanging Dealer shall have received such amended or supplemented Prospectus pursuant to this Section or shall have been advised in writing by the Company and the Guarantors that the Prospectus may be used.

(ii) Upon the occurrence of any event contemplated by subsections (c)(ii) through (v) above, or the occurrence or existence of any pending corporate development or any other material event that, in the reasonable judgment of the Company, makes it appropriate to suspend the availability of a Registration Statement and the related Prospectus, the Company shall use commercially reasonable efforts to give notice (without notice of the nature or details of such events) to the Holders of the Securities covered by any Shelf Registration Statement, the Initial Purchasers and any Known Exchanging Dealer, as applicable, that the Registration Statement is suspended and, upon actual receipt of any such notice, each such Holder, Initial Purchaser and Exchanging Dealer, as applicable, agrees not to sell any Registrable Securities pursuant to the Registration Statement until such Holder, Initial Purchaser or Exchanging Dealer, as applicable, shall have received such amended or supplemented Prospectus pursuant to this Section or have been advised in writing by the Company that the Prospectus may be used. The period during which the Company and the Guarantors suspend the availability of the Shelf Registration and any Prospectus (the Deferral Period) shall not exceed 60 days in any six-month period or 120 days in any twelve-month period.

(l) The Company and the Guarantors shall comply in all material respects with all applicable rules and regulations of the Commission and shall make generally available to their security holders an earnings statement satisfying the provisions of Section 11(a) of the Act as soon as practicable after the effective date of the applicable Registration Statement.

(m) The Company and the Guarantors may require each Holder of Registrable Securities to be sold pursuant to any Registration Statement to furnish to the Company and the Guarantors such information regarding the Holder and the distribution of such securities as the Company and the Guarantors may from time to time reasonably require for inclusion in such Registration Statement, including such information requested or required by the Commission. The Company and the Guarantors may exclude from such Registration Statement the Registrable Securities of any Holder that fails to furnish such information within a reasonable time after such request. Each Holder as to which Registrable Securities are being included in a Registration Statement agrees to furnish to the Company all information with respect to such Holder necessary to make any information previously furnished to the Company by such Holder pursuant to this Section 4(m) or otherwise not materially misleading.

(n) In the case of any Shelf Registration Statement, upon the request of the Majority Holders, the Company and the Guarantors shall enter into reasonable and customary agreements (including, if requested, an underwriting agreement in reasonable and customary form) and take all other reasonably appropriate actions, if any, in order to expedite or facilitate the registration or the disposition of the Securities, and in connection therewith, if an underwriting agreement is entered into, cause the same to contain indemnification provisions and procedures no less favorable than those set forth in Section 6 hereof.

(o) In the case of any Shelf Registration Statement, the Company and the Guarantors shall, if requested:

(i) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business hours, make reasonably available for inspection by the Holders of Securities to be registered thereunder, any Underwriter participating in any disposition pursuant to such Registration Statement, and any attorney, accountant or other agent retained by the Holders or any such Underwriter, at the Company's principal place of business, all relevant financial and other records and pertinent corporate documents of the Parent and its subsidiaries reasonably requested by the Holders or any such Underwriter, attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; provided, however, that with respect to any attorney engaged by the Holders or any Underwriter, the foregoing inspection and information gathering shall be coordinated by one counsel designated by the Holders and one counsel designated by the Underwriter or Underwriters;

(ii) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business hours, use their commercially reasonable efforts to cause the Company's officers, employees,

accountants and auditors to supply, at the Company's principal place of business, all relevant information reasonably requested by the Holders or any such Underwriter, attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; provided, however, that with respect to any attorney engaged by the Holders or any Underwriter, the foregoing inspection and information gathering shall be coordinated by one counsel designated by the Holders and one counsel designated by the Underwriter or Underwriters;

(iii) in connection with an underwritten offering pursuant to such Shelf Registration Statement, make such representations and warranties to the Underwriters, in form, substance and scope as are reasonably and customarily made by issuers to underwriters in primary underwritten offerings and covering matters including, but not limited to, those set forth in the Purchase Agreement;

(iv) in connection with an underwritten offering pursuant to such Shelf Registration Statement, use commercially reasonable efforts to obtain opinions of counsel to the Company and the Guarantors and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the Managing Underwriters, if any) addressed to the Underwriters, covering such matters concerning the Company and the Guarantors as are customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by such Underwriters;

(v) in connection with an underwritten public offering pursuant to such Shelf Registration Statement, use commercially reasonable efforts to obtain comfort letters and updates thereof from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included in the Registration Statement), addressed to the Underwriters, in customary form reasonably acceptable to such independent certified public accountants and covering matters of the type customarily covered in comfort letters in connection with primary underwritten offerings; and

(vi) deliver such documents and certificates as may be reasonably requested by the Managing Underwriters, including those to evidence compliance with Section 4(k) and with any customary conditions contained in the underwriting agreement or any other customary agreement entered into by the Company in connection therewith.

The actions set forth in clauses (iii), (iv), (v) and (vi) of this paragraph (o) shall be performed at each closing under any underwriting or similar customary agreement as and to the extent required thereunder.

(p) In the case of any Exchange Offer Registration Statement, the Company and the Guarantors shall, if requested by an Initial Purchaser, or by a Broker-Dealer that holds Securities that were acquired as a result of market making or other trading activities:

(i) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business

hours, make reasonably available for inspection by the requesting party, and any attorney, accountant or other agent retained by the requesting party, at the Company's principal place of business, all relevant financial and other records, pertinent corporate documents and properties of the Company and its subsidiaries reasonably requested by the requesting party or any such attorney, accountant or agent in connection with any such Registration Statement as is customary for similar due diligence examinations; and

(ii) subject to the execution of confidentiality agreements reasonably satisfactory to the Company, upon reasonable prior written notice and during regular business hours, cause the Company's officers, employees, accountants and auditors to supply, at the Company's principal place of business, all relevant information reasonably requested by the requesting party, and any attorney, accountant or other agent retained by the requesting party in connection with any such Registration Statement as is customary for similar due diligence examinations.

(q) If a Registered Exchange Offer is to be consummated, upon delivery of the Securities by Holders to the Company (or to such other person as directed by the Company) in exchange for the Exchange Securities, the Company and the Guarantors shall mark, or caused to be marked, on the Securities so exchanged that such Securities are being cancelled in exchange for the Exchange Securities. In no event shall the Securities be marked as paid or otherwise satisfied.

(r) In the event that any Broker-Dealer shall underwrite any Securities or participate as a member of an underwriting syndicate or selling group or assist in the distribution (within the meaning of the FINRA Rules) thereof, whether as a Holder of such Securities or as an Underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, the Company and the Guarantors shall provide reasonable assistance to such Broker-Dealer in complying with the FINRA Rules.

(s) The Company and the Guarantors shall use their commercially reasonable efforts to take all other steps necessary to effect the registration of the Securities or the Exchange Securities, as the case may be, covered by a Registration Statement.

5. Registration Expenses. The Company and the Guarantors shall bear all expenses incurred in connection with the performance of their obligations under Sections 2, 3 and 4 hereof and, in the event of any Shelf Registration Statement, will reimburse the Holders for the reasonable fees and disbursements of one firm or counsel (which shall initially be Shearman & Sterling LLP, but which may be another nationally recognized law firm experienced in securities matters designated by the Majority Holders) in connection with the preparation, filing and effectiveness of such Shelf Registration Statement. Notwithstanding the foregoing, the Holders of the Securities or Exchange Securities being registered shall pay all agency fees and commissions and underwriting discounts, commissions and costs attributable to the sale of such Registrable Securities and the fees and disbursements of any counsel or other advisors or experts retained by or on behalf of such Holders (severally or jointly), other than the counsel specifically referred to above.

6. Indemnification and Contribution. (a) The Company and the Guarantors, jointly and severally, agree to indemnify and hold harmless each Holder of Securities or Exchange Securities, as the case may be, covered by any Registration Statement, each Initial Purchaser and, with respect to any Prospectus delivery as contemplated in Section 4(h) hereof, each Exchanging Dealer, the partners, members, directors, officers, employees, Affiliates and agents of each such Holder, Initial Purchaser or Exchanging Dealer and each person who controls any such Holder, Initial Purchaser or Exchanging Dealer within the meaning of either Section 15 of the Act or Section 20 of the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement as originally filed or in any amendment thereof, or in any preliminary Prospectus or the Prospectus, or any writings used by or on behalf of the Company or any Guarantor that the parties expressly agree in writing to use in connection with the offer, sale or exchange of the Securities or the Exchange Securities or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any preliminary Prospectus or the Prospectus, in the light of the circumstances under which they were made) not misleading, and agrees to reimburse each such indemnified party, as incurred, for any out of pocket legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company and any Guarantor will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company or any Guarantor by or on behalf of the party claiming indemnification specifically for inclusion therein. This indemnity agreement shall be in addition to any liability that the Company and any Guarantor may otherwise have.

The Company and the Guarantors also, jointly and severally, agree to indemnify as provided in this Section 6(a) or contribute as provided in Section 6(d) hereof to Losses (as defined below) of each Underwriter, if any, of Securities or Exchange Securities, as the case may be, registered under a Shelf Registration Statement, their directors, officers, employees, Affiliates and agents and each person who controls such Underwriter on substantially the same basis as that of the indemnification of the Initial Purchasers and the selling Holders provided in this Section 6(a) and shall, if requested by any Holder, enter into an underwriting agreement reflecting such agreement, as provided in Section 4(n) hereof.

(b) Each Holder of Securities or Exchange Securities covered by a Registration Statement (including each Initial Purchaser as a Holder, in such capacity) severally and not jointly agrees to indemnify and hold harmless the Company and the Guarantors, each of their respective directors, officers, employees, Affiliates and agents and each person who controls the Company or any Guarantor within the meaning of either the Act or the Exchange Act, to the same extent as the foregoing indemnity from the Company and the Guarantors to each such Holder, but only with reference to written information relating to such Holder furnished to the Company or any Guarantor by or on behalf of such Holder specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability that any such Holder may otherwise have.

(c) Promptly after receipt by an indemnified party under this Section 6 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent such failure results in the forfeiture by the indemnifying party of substantial rights and defenses; and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel, and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest; (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party; provided, however, that, in each case, not more than one such separate counsel shall be employed for all indemnified parties. An indemnifying party will not, without the prior written consent of the indemnified parties (such consent not to be unreasonably withheld, conditioned or delayed), settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding, and (ii) does not include any statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party. In addition, no indemnified party shall, without the written consent of the indemnifying party (such consent not to be unreasonably withheld, conditioned or delayed), effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section is unavailable to or insufficient to hold harmless an indemnified party for any reason, then each

applicable indemnifying party shall have a joint and several obligation to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending any loss, claim, liability, damage or action) (collectively Losses) to which such indemnified party may be subject in such proportion as is appropriate to reflect the relative benefits received by such indemnifying party, on the one hand, and such indemnified party, on the other hand, from the Initial Placement and the Registration Statement which resulted in such Losses; provided, however, that in no case shall any Initial Purchaser be responsible, in the aggregate, for any amount in excess of the purchase discount or commission applicable to such Securities, or in the case of an Exchange Security, as applicable to such Exchange Securities, as set forth in the Final Memorandum, nor shall any Underwriter be responsible for any amount in excess of the underwriting discount or commission applicable to the securities purchased by such Underwriter under the Registration Statement which resulted in such Losses. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the indemnifying party and the indemnified party shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of such indemnifying party, on the one hand, and such indemnified party, on the other hand, in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Company and the Guarantors shall be deemed to be equal to the total net proceeds from the Initial Placement (before deducting expenses) as set forth in the Final Memorandum. Benefits received by the Initial Purchasers shall be deemed to be equal to the total purchase discounts and commissions as set forth on the cover page of the Final Memorandum, and benefits received by any other Holders shall be deemed to be equal to the value of receiving Securities or Exchange Securities, as applicable, registered under the Act. Benefits received by any Underwriter shall be deemed to be equal to the total underwriting discounts and commissions, as set forth on the cover page of the Prospectus forming a part of the Registration Statement which resulted in such Losses. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information provided by the indemnifying party, on the one hand, or by the indemnified party, on the other hand, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The parties agree that it would not be just and equitable if contribution were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section, each person who controls a Holder within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of such Holder shall have the same rights to contribution as such Holder, and each person who controls the Company or any Guarantor within the meaning of either the Act or the Exchange Act, each director, officer, employee, Affiliate and agent of either the Company or any Guarantor shall have the same rights to contribution as the Company or any Guarantor, subject in each case to the applicable terms and conditions of this paragraph (d).

(e) The provisions of this Section will remain in full force and effect, regardless of any investigation made by or on behalf of any Holder or the Company or any Guarantor or any of the indemnified parties referred to in this Section 6, and will survive the sale by a Holder of Securities or Exchange Securities covered by a Registration Statement.

7. Underwritten Registrations. (a) If any of the Securities or Exchange Securities, as the case may be, covered by any Shelf Registration Statement are to be sold in an underwritten offering, the Managing Underwriters shall be selected by the Majority Holders, such selection to be subject to the Company's prior written approval, not to be unreasonably withheld, conditioned or delayed, and the Holders of Securities or Exchange Securities covered by such Shelf Registration Statement shall be responsible for all underwriting commissions and discounts.

(b) No person may participate in any underwritten offering pursuant to any Shelf Registration Statement, unless such person (i) agrees to sell such person's Securities or Exchange Securities, as the case may be, on the basis reasonably provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements; and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

8. Registration Defaults and Additional Interest. If (a) the Company and the Guarantors fail to consummate the Registered Exchange Offer on or prior to the date that is 365 calendar days after the Release Date or, if applicable, (b) after a Shelf Registration Statement has been declared effective, such Shelf Registration Statement thereafter ceases to be effective or usable in connection with resales or exchanges of Securities or Exchange Securities in accordance with and during the periods specified in this Agreement (other than as permitted pursuant to Section 4(c) or Section 4(k)(ii))(each such event referred to in clauses (a) and (b), a Registration Default), interest (Additional Interest) will accrue, and be paid as liquidated damages, on the principal amount of the Registrable Securities (in addition to the stated interest on such Registrable Securities) from and including the date on which any such Registration Default shall occur to but excluding the date on which all Registration Defaults have been cured. Additional Interest will accrue at a rate of 0.25% per annum during the 90-day period immediately following the occurrence of such Registration Default and shall increase by 0.25% per annum at the end of each subsequent 90-day period, but in no event shall such rate exceed 1.00% per annum. If, after the cure of all Registration Defaults then in effect, there is a subsequent Registration Default, the rate of Additional Interest for such subsequent Registration Default shall initially be 0.25% regardless of the rate in effect with respect to any prior Registration Default at the time of cure of such Registration Default. Additional Interest will accrue and be payable only with respect to a single Registration Default at any given time. Additional Interest will be the exclusive monetary remedy for any Registration Default and a Registration Default shall not constitute a default under the Indenture. Following the cure of all Registration Defaults, the accrual of Additional Interest will cease.

All obligations of the Company and the Guarantors set forth in the preceding paragraph that are outstanding with respect to any Security at the time such Security is exchanged for an Exchange Security shall survive until such time as all such obligations with respect to such Security have been satisfied in full.

9. No Inconsistent Agreements. The Company and the Guarantors have not entered into, and agree not to enter into, any agreement with respect to its securities that is inconsistent with the rights granted to the Holders herein or that otherwise conflicts with the provisions hereof.

10. Amendments and Waivers. The provisions of this Agreement may not be amended, qualified, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given at any time, unless the Company and the Guarantors have obtained the written consent of the Holders of a majority of the aggregate principal amount of the Registrable Securities then outstanding. Notwithstanding the foregoing, a waiver or consent to departure from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders whose Securities or Exchange Securities, as the case may be, are being sold pursuant to a Registration Statement and that does not directly or indirectly affect the rights of other Holders in any material respect may be given by the Majority Holders, determined on the basis of Securities or Exchange Securities, as the case may be, being sold rather than registered under such Registration Statement.

11. Notices. All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, first-class mail, telex, telecopier or air courier guaranteeing overnight delivery:

(a) if to a Holder, at the most current address given by such holder to the Company in accordance with the provisions of this Section 11, which address initially is, with respect to each Holder, the address of such Holder maintained by the registrar under the Indenture;

(b) if to the Initial Purchasers, initially at the address or addresses set forth in the Purchase Agreement; and

(c) if to the Company or any Guarantor, initially at its address set forth in the Purchase Agreement.

All such notices and communications shall be deemed to have been duly given when received.

The Initial Purchasers, the Company and the Guarantors by notice to the other parties may designate additional or different addresses for subsequent notices or communications.

12. Remedies. Each Holder, in addition to being entitled to exercise all rights provided to it herein, in the Indenture or in the Purchase Agreement (if an Initial Purchaser) or granted by law, including recovery of liquidated or other damages, will be entitled to specific performance of its rights under this Agreement. The Company and the Guarantors agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive in any action for specific performance the defense that a remedy at law would be adequate.

13. Successors. This Agreement shall inure to the benefit of and be binding upon the parties hereto, their respective successors and assigns, including, without the need for an express

assignment or any consent by the Company or any Guarantor thereto, subsequent Holders of Securities and the Exchange Securities, and the indemnified persons referred to in Section 6 hereof. The Company and the Guarantors hereby agree to extend the benefits of this Agreement to any Holder of Securities and the Exchange Securities, and any such Holder may specifically enforce the provisions of this Agreement as if an original party hereto.

14. Counterparts. This Agreement may be signed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same agreement.

15. Headings. The section headings used herein are for convenience only and shall not affect the construction hereof.

16. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of New York. The parties hereto each hereby waive any right to trial by jury in any action, proceeding or counterclaim arising out of or relating to this Agreement.

17. Severability. In the event that any one or more of the provisions contained herein, or the application thereof in any circumstances, is held invalid, illegal or unenforceable in any respect for any reason, the validity, legality and enforceability of any such provision in every other respect and of the remaining provisions hereof shall not be in any way impaired or affected thereby, it being intended that all of the rights and privileges of the parties shall be enforceable to the fullest extent permitted by applicable law.

18. Securities Held by the Company, etc. Whenever the consent or approval of Holders of a specified percentage of principal amount of Securities or Exchange Securities is required hereunder, Securities or Exchange Securities, as applicable, held by the Company, the Guarantors or any of their respective Affiliates (other than subsequent Holders of Securities or Exchange Securities if such subsequent Holders are deemed to be Affiliates solely by reason of their holdings of such Securities or Exchange Securities) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

ANNEX C

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange securities for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange securities. This prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of exchange securities received in exchange for securities where such securities were acquired as a result of market-making activities or other trading activities. Chemtura Corporation has agreed that, beginning on the date of consummation of the exchange offer and ending on the close of business 180-days after the consummation of the exchange offer, it will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale. In addition, until _____, _____, all dealers effecting transactions in the exchange securities may be required to deliver a prospectus.

The company will not receive any proceeds from any sale of exchange securities by brokers-dealers. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer and/or the purchasers of any such exchange securities. Any broker-dealer that resells exchange securities that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange securities may be deemed to be an underwriter within the meaning of the Act and any profit of any such resale of exchange securities and any commissions or concessions received by any such persons may be deemed to be underwriting compensation under the Act. For a period of one year after the consummation of the exchange offer, Chemtura Corporation will promptly send a reasonable number of additional copies of this prospectus and any amendment or supplement to this prospectus to any broker-dealer that requests such documents in the Letter of Transmittal. Chemtura Corporation has agreed to pay all expenses incident to the exchange offer (including the expenses of one counsel for the holder of the securities) other than commissions or concessions of any brokers or dealers and will indemnify the holders of the securities (including any broker-dealers) against certain liabilities, including liabilities under the Act.

SECTION 3. Escrow Property

3.1 On the date hereof (the **Closing Date**):

(a) \$287,548,975.43 (the **Prefunded Amount**), representing the principal amount of the Advances under the Term Facility to be made to the Company less the Top Up Amount (as defined below) and less 1.0% original issue discount on the Advances, shall be deposited by the Administrative Agent, on behalf of the Lenders party to the Credit Agreement, directly into the Escrow Account (as defined below);

(b) \$4,501,024.57, representing the costs, fees (other than original issue discount) and expenses (other than legal fees and expenses) payable by the

Company, the payment of which is a condition precedent to the prefunding of the Prefunded Amount under the Credit Agreement (the **Top Up Amount**), shall be deposited by the Company into the Escrow Account; and

(c) \$2,704,166.67, representing the amount of interest that would accrue on the principal amount of the Advances from the Closing Date up to, but excluding, the 60th day after the Closing Date (the **Initial Escrow End Date**) at the rate set forth in Section 2.06(a)(ii) of the Credit Agreement for an Interest Period of two months commencing on the Closing Date (the foregoing interest amount being the **Interest Deposit** , and together with the Prefunded Amount, the Top Up Amount and any Additional Interest Deposit (as defined below), plus all interest, dividends and other distributions and payments thereon, collectively referred to herein as the **Escrow Property**), shall be deposited by the Company into the Escrow Account.

3.2 If prior to the Initial Escrow End Date, the Company elects to extend the Initial Escrow End Date to the 90th day following the Closing Date (such date, the **First Escrow Extension Date**), no later than three (3) Business Days (as defined below) prior to the Initial Escrow End Date, the Company shall provide written notice of its election to the Administrative Agent and the Escrow Agent and no later than one (1) Business Day prior to the Initial Escrow End Date the Company shall deposit with the Escrow Agent an amount (the **First Additional Interest Deposit**) equal to the amount of interest that would accrue on the principal amount of the Advances from the Initial Escrow End Date up to, but excluding, the First Escrow Extension Date at the rate set forth in Section 2.06(a)(ii) of the Credit Agreement for an Interest Period of one month commencing on the Initial Escrow End Date (as determined by the Administrative Agent in a notice to the Company and the Escrow Agent delivered no later than two (2) Business Days prior to the Initial Escrow End Date).

3.3 If prior to the date of the First Escrow Extension Date, the Company elects to extend the Initial Escrow End Date to the 120th day following the Closing Date (such date, the **Second Escrow Extension Date**), no later than three (3) Business Days prior to the First Escrow Extension Date the Company shall provide written notice of its election to the Administrative Agent and the Escrow Agent and no later than one (1) Business Day prior to the First Escrow Extension Date, the Company shall deposit with the Escrow Agent an amount (the **Second Additional Interest Deposit**) equal to the amount of interest that would accrue on the principal amount of the Advances from the First Escrow Extension Date up to, but excluding, the Second Escrow Extension Date at the rate set forth in Section 2.06(a)(ii) of the Credit Agreement for an Interest Period of one month commencing on the Initial Escrow Extension Date (as determined by the Administrative Agent in a notice to the Company and the Escrow Agent delivered no later than two (2) Business Days prior to the Initial Escrow Extension End Date). The First Additional Interest Deposit and the Second Additional Interest Deposit are collectively referred to herein as the **Additional Interest Deposit** .

The Escrow Agent shall have no duty to solicit the Escrow Property. The Company certifies that all amounts deposited pursuant to this Agreement shall be satisfactory for such purposes pursuant to the Credit Agreement, and shall notify the Escrow Agent in writing at or prior to the time when any Escrow Property is sent to the Escrow Agent pursuant to this Agreement. The Escrow Agent shall have no liability for Escrow Property, or interest thereon, sent to it that remains unclaimed or is returned if such written notification is not given.

3.4

(a) Subject to and in accordance with the provisions hereof, the Escrow Agent agrees to hold the Escrow Property in either a securities account (as defined in Section 8-501(a) of the New York UCC) or in a deposit account (as defined in Section 9-102(a)(29) of the New York UCC), as applicable. Escrow Property will be held in the following account:

Wire Instructions:

Wells Fargo Bank, National Association

[]

The above referenced account will be established with the Escrow Agent or an affiliate in the name of the Escrow Agent, as escrow agent on behalf of the Administrative Agent and the Company (together with any successor account or accounts, the **Escrow Account**), to administer the Escrow Account in accordance with the provisions of this Agreement, including, without limitation, holding in escrow, investing and reinvesting, and releasing or distributing the Escrow Property.

(b) As security for the due and punctual payment when due and punctual performance of all amounts that may be payable from time to time under the Loan Documents, now or hereafter arising, the Company hereby pledges, assigns and grants to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in, and a lien on, its interests in this Agreement, the Escrow Account and all Escrow Property. The security interest of the Administrative Agent shall at all times be valid, perfected and enforceable as a first priority security interest by the Administrative Agent against the Company in accordance with the terms of this Agreement. The Company hereby authorizes the filing of (and agrees to file) a financing statement (which financing statement shall describe as collateral the interest of the Company in this Agreement, in the Escrow Account and in the Escrow Property) in the State of Delaware to perfect the foregoing security interest granted to the Administrative Agent.

(c) The Escrow Agent hereby agrees that each item of property (including, without limitation, the Escrow Agreement Permitted Investments under and as defined in the Escrow Agreement, dated as of the date hereof, among the Company, U.S. Bank National Association, as trustee, and Wells Fargo Bank, National Association, as escrow agent, and any investment

property, financial asset, security, instrument or cash or cash balances (irrespective of the currency in which such cash or cash balances are denominated)) deposited in or credited to any Escrow Account maintained as a securities account shall be treated as a financial asset within the meaning of Section 8-102(a)(9) of the New York UCC.

(d) If at any time the Escrow Agent receives (i) any entitlement order (as such term is defined in Section 8-102(a)(8) of the New York UCC) with respect to any financial asset credited to an Escrow Account or (ii) any instruction (within the meaning of Section 9-104(b) of the New York UCC) concerning the disposition of funds held in an Escrow Account from the Administrative Agent acting on the written directions of the Required Lenders, the Escrow Agent shall comply with such entitlement order or instruction, as applicable, without further consent of the Company or any other Person. The Administrative Agent hereby agrees that unless (a) an Event of Default has occurred and is continuing and (b) a notice of acceleration of the maturity of the Advances has been delivered to the Company in accordance with Section 6.01(ii) of the Credit Agreement, and any Advance remains unpaid, it shall not give any entitlement orders or instructions, as applicable, unless a Special Mandatory Prepayment shall be required pursuant to Section 2.05(c) of the Credit Agreement or as otherwise permitted pursuant to Section 5 hereof. The Escrow Agent agrees that it shall honor instructions issued in accordance with Sections 5.1, 5.2, 5.3, 5.4, 5.5 and 5.6 hereof.

(e) Upon the release of any Escrow Property pursuant to Section 5 hereof, the security interest granted hereby to the Administrative Agent for the benefit of the Secured Parties shall automatically terminate without any further action and the Escrow Property shall be delivered to the recipient free and clear of any and all liens, claims or encumbrances of any person, including, without limitation, the Escrow Agent, the Administrative Agent and the Secured Parties.

SECTION 4. Investment of the Escrow Property. During the term of this Agreement, the Escrow Agent shall invest and reinvest the Escrow Property in the Escrow Agreement Permitted Investments at the written direction of one of the authorized representatives of the Company identified on Schedule I hereto (each such representative, an **Authorized Person**).

The Escrow Agent shall have no obligation to invest or reinvest the Escrow Property if deposited with the Escrow Agent after 11:00 a.m. local time in the City of New York on such day of deposit until the next Business Day. Instructions received after 11:00 a.m. local time in the City of New York will be treated as if received on the following Business Day. The Escrow Agent shall have no responsibility for any investment losses resulting from the investment, reinvestment or liquidation of the Escrow Property. Any interest or other income received on such investment and reinvestment of the Escrow Property shall become part of the Escrow Property and any losses incurred on such investment and reinvestment of the Escrow Property shall be debited against the Escrow Property. If a selection is not made and a written direction not given to the Escrow Agent, the Escrow Property shall remain uninvested with no liability for interest therein. It is agreed and understood that the entity serving as Escrow Agent may earn fees associated with the investments outlined above in accordance with the terms of

such investments. Notwithstanding the foregoing, the Escrow Agent shall have the power to sell or liquidate the foregoing investments whenever the Escrow Agent shall be required to release all or any portion of the Escrow Property pursuant to Section 5 hereof. In no event shall the Escrow Agent be deemed an investment manager or adviser in respect of any selection of investments hereunder. It is understood and agreed that the Escrow Agent or its affiliates are permitted to receive additional compensation that could be deemed to be in the Escrow Agent's economic self-interest for (1) serving as investment adviser, administrator, shareholder servicing agent, custodian or sub-custodian with respect to certain of the investments, (2) using affiliates to effect transactions in certain investments and (3) effecting transactions in investments.

The Escrow Property may be held in custody and deposit accounts established by the Escrow Agent with one or more domestic or foreign banks or other institutions (each a **Subcustodian**), as may be notified in writing by the Escrow Agent to the Company from time to time, or through the facilities of one or more affiliate of the Escrow Agent. Any Subcustodian may hold the Escrow Property in a securities depository and may utilize a clearing agency. Notwithstanding anything herein to the contrary, such securities depositories and clearing agencies shall not be deemed to be agents of the Escrow Agent.

SECTION 5. Distribution of the Escrow Property. The Escrow Agent is directed to distribute the Escrow Property in the following manner:

5.1 if at any time prior to the Initial Escrow End Date, as may be extended to the First Escrow Extension Date or the Second Escrow Extension Date pursuant to this Agreement (the **Escrow End Date**), the Escrow Agent receives a certificate from the Company substantially in the form of Exhibit A, dated as of the date the Escrow Property is to be released pursuant to the Release Notice (as defined below), executed by an Authorized Person of the Company and certifying to the Escrow Agent as to the matters set forth therein (an **Officers Certificate**), and a written notice substantially in the form of Exhibit B, executed by an Authorized Person of the Company and countersigned by the Administrative Agent (a **Release Notice**), the Escrow Agent shall within one (1) Business Day, provided that the Release Notice is received by 11 :00 a.m. local time in the City of New York on the prior Business Day, release the Escrow Property as directed and in the manner set forth in the Release Notice;

5.2 if at any time prior to the Escrow End Date, the Escrow Agent receives a written notice from the Company setting forth the date on which a Special Mandatory Prepayment will occur (a **Prepayment Notice**) in the form of Exhibit C hereto, executed by an Authorized Person of the Company and countersigned by the Administrative Agent (for purposes of confirming the amounts set forth therein, such confirmation not to be unreasonably withheld or delayed), the Escrow Agent shall liquidate the Escrow Property no later than one (1) Business Day prior to the date specified for the Special Mandatory Prepayment, and shall release the Escrow Property as directed and in the manner set forth in the Prepayment Notice;

5.3 if on the Initial Escrow End Date, the Escrow Agent has not received (a) (i) a written notice from the Company indicating its election to extend the Initial Escrow End Date to the First Escrow Extension Date and (ii) the amount of the First Additional Interest Deposit as set forth Section 3.2, or (b) a Release Notice, the Escrow Agent shall release the Escrow Property (less any interest or other income received from the investment or reinvestment thereof pursuant to Section 4) to the Administrative Agent, by wire transfer of immediately

available funds to the account set forth in Section 11.4 (or such other account as the Administrative Agent shall have specified by notice to the Escrow Agent), and (b) after making the transfer described in the preceding clause (a), release all amounts remaining in the Escrow Account to the Company, by wire transfer of immediately available funds to the account set forth in Section 11.4 (or such other account as the Company shall have specified by notice to the Escrow Agent);

5.4 if on the First Escrow Extension Date, the Escrow Agent has not received (a) (i) a written notice from the Company indicating its election to extend the Initial Escrow End Date to the Second Escrow Extension Date and (ii) the amount of the Second Additional Interest Deposit as set forth in Section 3.3, or (b) a Release Notice, the Escrow Agent shall release the Escrow Property (less any interest or other income received from the investment or reinvestment thereof pursuant to Section 4) to the Administrative Agent, by wire transfer of immediately available funds to the account set forth in Section 11.4 (or such other account as the Administrative Agent shall have specified by notice to the Escrow Agent), and (b) after making the transfer described in the preceding clause (a), release all amounts remaining in the Escrow Account to the Company, by wire transfer of immediately available funds to the account set forth in Section 11.4 (or such other account as the Company shall have specified by notice to the Escrow Agent);

5.5 if on the Second Escrow Extension Date the Escrow Property shall not have been released pursuant to Section 5.1, 5.2, 5.3, 5.4 or 5.6, then the Escrow Agent shall, on the Second Escrow Extension Date, (a) release the Escrow Property (less any interest or other income received from the investment or reinvestment thereof pursuant to Section 4) to the Administrative Agent, by wire transfer of immediately available funds to the account set forth in Section 11.4 (or such other account as the Administrative Agent shall have specified by notice to the Escrow Agent), and (b) after making the transfer described in the preceding clause (a), release all amounts remaining in the Escrow Account to the Company, by wire transfer of immediately available funds to the account set forth in Section 11.4 (or such other account as the Company shall have specified by notice to the Escrow Agent); or

5.6 if at any time prior to the Escrow End Date, the Escrow Agent receives an entitlement order or instructions, as applicable, from the Administrative Agent pursuant to Section 3.4(d) hereof, executed by the Administrative Agent, the Escrow Agent shall liquidate the Escrow Property no later than one (1) Business Day prior to the date specified in such entitlement order or instructions, as the case may be, for the release of such Escrow Property and shall release the Escrow Property as directed and in the manner set forth in such entitlement order or instructions from the Administrative Agent pursuant to Section 3.4(d) hereof, as the case may be; it being understood that the Administrative Agent shall not deliver any such entitlement order or instructions in reliance on this Section 5.6 unless (a) an Event of Default has occurred and is continuing and (b) a notice of acceleration of the maturity of the Advances has been delivered to the Company in accordance with Section 6.01(ii) of the Credit Agreement, and any Advance remains unpaid.

SECTION 6. Termination. This Agreement shall terminate upon the distribution of all Escrow Property from the Escrow Account. The provisions of Sections 7, 8, 9 and 10 shall survive the termination of this Agreement and the earlier resignation or removal of the Escrow Agent.

SECTION 7. Compensation of Escrow Agent. The Escrow Agent shall be entitled to payment from the Company for customary fees and reasonable out-of-pocket expenses for all services rendered by it hereunder as listed on Exhibit D hereto (as such fees may be adjusted from time to time). The Company shall reimburse the Escrow Agent on demand for all loss, liability, damage, disbursements, advances or reasonable out-of-pocket expenses paid or incurred by it in the administration of its duties hereunder, including, but not limited to, all counsel, advisors and agents' reasonable out-of-pocket fees and disbursements and all taxes or other governmental charges. At all times, the Escrow Agent will have a right of set off and first lien on the funds in the Escrow Property for payment of customary fees and reasonable out-of-pocket expenses and all such loss, liability, damage or expenses. Such compensation and expenses shall be paid from the Escrow Property to the extent not otherwise paid within thirty (30) days after an invoice has been rendered. Except as expressly provided in this Section 7, the Escrow Agent subordinates any lien or right of set off it may have with respect to the Escrow Property to the Administrative Agent's security interests granted hereunder other than in connection with fees pursuant to this Section 7 or the indemnification obligations in Section 9.

SECTION 8. Resignation of Escrow Agent. The Escrow Agent may resign and be discharged from its duties hereunder at any time by giving thirty (30) calendar days prior written notice of such resignation to the Company and the Administrative Agent. Upon such notice, a successor escrow agent shall be appointed by the Company and the Administrative Agent, who shall provide written notice of such to the resigning Escrow Agent. Such successor escrow agent shall become the escrow agent hereunder upon the resignation specified in such notice. If the Company and the Administrative Agent are unable to agree upon a successor escrow agent within thirty (30) days after such notice, the Escrow Agent may, in its sole discretion, deliver the Escrow Property to the Administrative Agent at the address provided herein or may apply to a court of competent jurisdiction for the appointment of a successor escrow agent or for other appropriate relief. The reasonable out-of-pocket costs and expenses (including its attorneys' fees and expenses) incurred by the Escrow Agent in connection with such proceeding shall be paid by the Company. Upon receipt of the identity of the successor escrow agent, the Escrow Agent shall either deliver the Escrow Property then held hereunder to the successor Escrow Agent, less the Escrow Agent's fees, costs and expenses or other obligations owed to the Escrow Agent to be paid from any interest earned in respect of the Escrow Property, or hold any interest earned in respect of the Escrow Property (or any portion thereof), pending distribution, until all such fees, costs and expenses or other obligations are paid. Upon its resignation and delivery of the Escrow Property as set forth in this Section 8, the Escrow Agent shall be discharged of and from any and all further obligations arising in connection with the Escrow Property or this Agreement.

SECTION 9. Indemnification of Escrow Agent. The Company shall indemnify, defend and hold harmless the Escrow Agent and its officers, directors, employees and agents, from and against and reimburse the Escrow Agent for any and all claims, obligations, liabilities, losses, damages, injuries (to person, property, or natural resources), penalties, stamp or other similar taxes, actions, suits, judgments and reasonable out-of-pocket costs and expenses (including reasonable attorney's fees and expenses) of whatever kind or nature regardless of their merit, demanded, asserted or claimed against the Escrow Agent directly or indirectly relating to, or arising from, claims against the Escrow Agent by reason of its participation in the transactions contemplated hereby, including without limitation all reasonable out-of-pocket costs required to

be associated with claims for damages to persons or property, and reasonable out-of-pocket attorneys' and consultants' fees and reasonable out-of-pocket expenses and court costs except to the extent caused by the Escrow Agent's bad faith, gross negligence or willful misconduct; provided, however, that in no case shall the Company be responsible for any indemnification amount payable pursuant to this Section 9 in excess of the amounts deposited in the Escrow Account hereunder. The provisions of this Section 9 shall survive the termination of this Agreement or the earlier resignation or removal of the Escrow Agent.

SECTION 10. The Escrow Agent.

10.1 The duties, responsibilities and obligations of the Escrow Agent shall be limited to those expressly set forth herein and no duties, responsibilities or obligations shall be inferred or implied against the Escrow Agent. The Escrow Agent shall not be subject to, nor required to comply with, any other agreement to which the Company or the Administrative Agent is a party, even though reference thereto may be made herein, or to comply with any direction or instruction (other than those contained herein or delivered in accordance with this Agreement) from the Company or the Administrative Agent or an entity acting on its behalf. The Escrow Agent shall not be required to expend or risk any of its own funds or otherwise incur any liability, financial or otherwise, in the performance of any of its duties hereunder.

10.2 If at any time the Escrow Agent is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process which in any way affects the Escrow Property (including but not limited to orders of attachment or garnishment or other forms of levies or injunctions or stays relating to the transfer of the Escrow Property), the Escrow Agent is authorized to comply therewith in any manner it or legal counsel of its own choosing reasonably deems appropriate; and if the Escrow Agent reasonably complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, Escrow Agent shall not be liable to any of the parties hereto or to any other person or entity even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

10.3 The Escrow Agent shall not be liable for any action taken or omitted or for any loss or injury resulting from its actions or its performance or lack of performance of its duties hereunder in the absence of bad faith, gross negligence or willful misconduct on its part. In no event shall the Escrow Agent be liable (i) for acting in accordance with or conclusively relying upon any instruction, notice, demand, certificate or document from the Company or Administrative Agent, or any entity acting on behalf of the Company and the Administrative Agent, given in accordance with the terms of this Agreement, (ii) for any indirect, consequential, punitive or special damages, regardless of the form of action and whether or not any such damages were foreseeable or contemplated, (iii) for the acts or omissions of its nominees, correspondents, designees, agents, subagents or subcustodians, (iv) for the investment or reinvestment of any cash held by it hereunder, in each case in good faith, in accordance with the terms hereof, including without limitation any liability for any delays (not resulting from its bad faith, gross negligence or willful misconduct) in the investment or reinvestment of the Escrow Property, or any loss of interest or income incident to any such delays, or (v) for an amount in excess of the value of the Escrow Property, valued as of the date of deposit, but only to the extent of direct money damages.

10.4 If any fees, reasonable out-of-pocket expenses or costs incurred by, or any obligations owed to, the Escrow Agent or its counsel hereunder are not promptly paid when due, the Escrow Agent may reimburse itself therefor from the Escrow Property and may sell, liquidate, convey or otherwise dispose of any investment in respect of the Escrow Property for such purpose. The Escrow Agent may in its sole discretion withhold from any distribution of any interest earned in respect of the Escrow Property an amount it believes would, upon sale or liquidation, produce proceeds equal to any unpaid amounts to which the Escrow Agent is entitled to hereunder.

10.5 The Escrow Agent may consult with one legal counsel of its own choosing, at the expense of the Company, as to any matter relating to this Agreement, and the Escrow Agent shall not incur any liability in acting in good faith in accordance with any advice from such counsel.

10.6 The Escrow Agent shall not incur any liability for not performing any act or fulfilling any duty, obligation or responsibility hereunder by reason of any occurrence beyond the control of the Escrow Agent (including but not limited to any act or provision of any present or future law or regulation or governmental authority, any act of God or war, civil unrest, local or national disturbance or disaster, any act of terrorism, or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility).

10.7 The Escrow Agent shall be entitled to conclusively rely upon any order, judgment, certification, demand, notice, instrument or other writing delivered to it in accordance with this Agreement without being required to determine the authenticity or the correctness of any fact stated therein or the propriety or validity or the service thereof. The Escrow Agent may act in conclusive reliance upon any instrument or signature believed by it to be genuine and may assume that any person purporting to give receipt or advice to make any statement or execute any document in connection with the provisions hereof has been duly authorized to do so; provided that any Release Notice or Prepayment Notice from the Company shall be executed by an Authorized Person.

10.8 The Escrow Agent shall not be responsible in any respect for the form, execution, validity, value or genuineness of documents or securities deposited hereunder, or for any description therein, or for the identity, authority or rights of persons executing or delivering or purporting to execute or deliver any such document, security or endorsement. The Escrow Agent shall not be called upon to advise any party as to the wisdom in selling or retaining or taking or refraining from any action with respect to any securities or other property deposited hereunder.

10.9 The Escrow Agent shall not be under any duty to give the Escrow Property held by it hereunder any greater degree of care than it gives similar escrow property held by Wells Fargo Bank, National Association for similar escrow accounts and shall not be required to invest any funds held hereunder except as directed in this Agreement. Uninvested funds held hereunder shall not earn or accrue interest.

10.10 When the Escrow Agent acts on any information, instructions, communications, (including, but not limited to, communications with respect to the delivery of securities or the wire transfer of funds) sent by telex, facsimile, email or other form of electronic

or data transmission, the Escrow Agent, absent bad faith, gross negligence or willful misconduct, shall not be responsible or liable in the event such communication is not an authorized or authentic communication of the Company or the Administrative Agent or is not in the form the Company and the Administrative Agent sent or intended to send (whether due to fraud, distortion or otherwise). The Company shall indemnify the Escrow Agent against any loss, liability, claim or reasonable out-of-pocket expense (including reasonable out-of-pocket legal fees and expenses) it may incur with its acting in accordance with any such communication.

10.11 In the event of any ambiguity or uncertainty hereunder or in any notice, instruction or other communication received by the Escrow Agent hereunder, the Escrow Agent may, in its sole discretion, refrain from taking any action other than to retain possession of the Escrow Property, unless the Escrow Agent receives written instructions, signed by the Company or the Administrative Agent, which eliminates such ambiguity or uncertainty.

10.12 In the event of any dispute between or conflicting claims among the Company and the Administrative Agent and any other person or entity with respect to any Escrow Property, the Escrow Agent shall be entitled, in its sole discretion, to refuse to comply with any and all claims, demands or instructions with respect to such Escrow Property so long as such dispute or conflict shall continue, and the Escrow Agent shall not be or become liable in any way to the Company or the Administrative Agent for failure or refusal to comply with such conflicting claims, demands or instructions. The Escrow Agent shall be entitled to refuse to act until, in its sole discretion, either (i) such conflicting or adverse claims or demands shall have been determined by a final order, judgment or decree of a court of competent jurisdiction, which order, judgment or decree is not subject to appeal, or settled by agreement between the conflicting parties as evidenced in a writing satisfactory to the Escrow Agent or (ii) the Escrow Agent shall have received security or an indemnity satisfactory to it sufficient to hold it harmless from and against any and all losses which it may incur by reason of so acting. Any court order, judgment or decree shall be accompanied by a legal opinion by counsel for the presenting party, satisfactory to the Escrow Agent, to the effect that said order, judgment or decree represents a final adjudication of the rights of the parties by a court of competent jurisdiction, and that the time for appeal from such order, judgment or decree has expired without an appeal having been filed with such court. The Escrow Agent shall act on such court order and legal opinions without further question. The Escrow Agent may, in addition, elect, in its sole discretion, to commence an interpleader action or seek other judicial relief or orders as it may deem, in its sole discretion, necessary. The reasonable out-of-pocket costs and expenses (including attorneys' fees and expenses) incurred in connection with such proceeding shall be paid by the Company.

10.13 The Escrow Agent shall have no responsibility for the contents of any writing of the arbitrators or any third party contemplated herein as a means to resolve disputes and may conclusively rely without any liability upon the contents thereof.

10.14 Except as otherwise stated herein, the Escrow Agent does not have any interest in the Escrow Property deposited hereunder but is serving as escrow holder only and having only possession thereof. The Company shall pay or reimburse the Escrow Agent upon request for any transfer taxes or other taxes relating to the Escrow Property incurred in connection herewith and shall indemnify and hold harmless the Escrow Agent from any amounts that it is obligated to pay in the way of such taxes. Any payments of income from this Escrow Account shall be subject to withholding regulations then in force with respect to United States

taxes. The Company will provide the Escrow Agent with appropriate W-9 forms for tax identification number certifications, or W-8 forms for non-resident alien certifications. It is understood that the Escrow Agent shall only be responsible for income reporting with respect to income earned on the Escrow Property and will not be responsible for any other reporting. This paragraph shall survive notwithstanding any termination of this Agreement or the resignation or removal of the Escrow Agent.

10.15

(a) The Escrow Agent shall report to the Internal Revenue Service (the IRS) and to the Company, as of each calendar year-end, all income earned from the investment of any sum held in the Escrow Account, as and to the extent required under the provisions of the Internal Revenue Code.

(b) The Company is required to prepare and file any and all income or other tax returns applicable to the Escrow Account with the IRS and all required state and local departments of revenue in all years income is earned in any particular tax year to the extent required under the provisions of the Internal Revenue Code.

(c) Any taxes payable on income earned from the investment of any sums held in the Escrow Account shall be paid by the Company, whether or not the income was distributed by the Escrow Agent during any particular year and to the extent required under the provisions of the Internal Revenue Code.

(d) The Escrow Agent shall have no responsibility for the preparation and/or filing of any tax or information return with respect to any transactions, whether or not related to this Agreement that occurs outside the Escrow Account.

10.16 The Escrow Agent shall provide to the Company monthly statements identifying transactions, transfers or holdings of Escrow Property and each such statement shall be deemed to be correct and final upon receipt thereof by the Company and the Administrative Agent unless the Escrow Agent is notified in writing, by the Company and the Administrative Agent, to the contrary within thirty (30) Business Days of the date of such statement.

Notwithstanding anything in this Agreement to the contrary, prior to the Escrow Release Date, the Lenders recourse in respect of their Advances will be limited to amounts in the Escrow Account, and the Borrower shall have no obligations in respect of such Advances other than funding amounts into the Escrow Account in accordance with the terms of the Escrow Agreement. The Borrowing under this Section 2.01 shall consist of Advances made simultaneously by the Lenders in the amount of their Commitments. Amounts borrowed under this Section 2.01 and repaid or prepaid may not be reborrowed. Each Lender shall, before 11:00 A.M. (New York City time) on the date of such Borrowing, make available for the account of its Applicable Lending Office to the Administrative Agent at the Administrative Agent's Office, in same day funds, such Lender's ratable portion of such Borrowing in accordance with the respective Commitments of such Lender and the other Lenders. After the Administrative Agent's receipt of such funds and upon fulfillment of the applicable conditions set forth in Article III, (i) in the case of the initial Borrowing hereunder, the Administrative Agent will deposit such funds into the Escrow Account on the Funding Date in accordance with the Escrow Agreement or (ii) in the case of any Borrowing on or after the Escrow Release Date, the Administrative Agent will make such funds available to the Borrower by crediting the Borrower's Account or such other account as the Borrower shall request.

(b) Anything in subsection (a) above to the contrary notwithstanding, the Borrower may not select Eurodollar Rate Advances if the obligation of the Lenders to make Eurodollar Rate Advances shall then be suspended pursuant to Section 2.08 or 2.09.

(c) Each Notice of Borrowing shall be irrevocable and binding on the Borrower. In the case of any Borrowing that the related Notice of Borrowing specifies is to be comprised of Eurodollar Rate Advances, the Borrower shall indemnify each Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Borrowing for such Borrowing the applicable conditions set forth in Article III, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Advance to be made by such Lender as part of such Borrowing when such Advance, as a result of such failure, is not made on such date.

(d) Unless the Administrative Agent shall have received notice from any Lender prior to the date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's ratable portion of such Borrowing, the Administrative Agent may assume that such Lender has made such portion available to the Administrative Agent on the date of such Borrowing in accordance with subsection (a) of this Section 2.02 and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Administrative Agent, such Lender and the Borrower severally agree to repay or pay to the Administrative Agent forthwith on demand such corresponding amount and to pay interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid or paid to the Administrative Agent, at (i) in the case of the Borrower, the interest rate applicable at such time under Section 2.06 to Advances comprising such Borrowing and (ii) in the case of such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Advance included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(e) The failure of any Lender to make the Advance to be made by it shall not relieve any other Lender of its obligation, if any, hereunder to make its Advance or make available on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Advance to be made by it.

(f) If any Lender makes available to the Administrative Agent funds for any Advance to be made by such Lender as provided in the foregoing provisions of this Section 2.02, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(New York, New York time) stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given the Borrower shall, prepay the outstanding aggregate principal amount of Advances, in whole or ratably in part, together with accrued interest to the date of such prepayment on the aggregate principal amount prepaid and any additional amounts required pursuant to Section 9.04(d); provided, however, that each partial prepayment shall be in an aggregate principal amount of \$5,000,000 or an integral multiple of \$1,000,000 in excess thereof or, if less, the aggregate outstanding principal amount of the Advances. Notwithstanding the foregoing, to the extent the Borrower makes a prepayment of Advances pursuant to this Section 2.05(a) in connection with an incurrence of Specified Refinancing Debt on or prior to the first anniversary of the Closing Date, the Borrower shall pay a premium of 1% of the aggregate principal amount of such Advances prepaid.

(b) Mandatory.

(i) The Borrower shall, on the Business Day following the date of receipt of any Net Cash Proceeds by any Loan Party or any of its Subsidiaries with respect to any sale, lease, transfer or other disposition of any Term Facility Collateral or any Extraordinary Receipt, prepay an aggregate principal amount of the Advances equal to such Net Cash Proceeds; provided, however, that (A) in the case of Net Cash Proceeds that are Extraordinary Receipts in respect of any casualty or condemnation event related to the Term Facility Collateral (Extraordinary Receipts Proceeds), to the extent such Extraordinary Receipts Proceeds are used to repair, restore or replace the assets that are the subject of such event in substantially the same location within 180 days after the receipt of such Extraordinary Receipts Proceeds by a Loan Party or any of its Subsidiaries, no such Extraordinary Receipts Proceeds shall be required to be applied to any prepayment hereunder; (B) with respect to any Net Cash Proceeds (that are not Extraordinary Receipts Proceeds) realized under a sale, transfer or other disposition, at the election of the Borrower (as notified by the Borrower to the Administrative Agent on or prior to the date

of such sale, transfer or other disposition), and so long as no Default shall have occurred and be continuing, the Borrower or such Subsidiary may reinvest all or any portion of such Net Cash Proceeds in operating assets so long as within 180 days after the receipt of such Net Cash Proceeds, such reinvestment shall have been consummated; and provided, further, however, that any Net Cash Proceeds not so reinvested by the conclusion of such reinvestment period shall on the following Business Day be applied to the prepayment of Loans as set forth in this Section 2.05(b)(i); and (C) in the case of Extraordinary Receipts Proceeds on account of the claims subject to the Conyers Fire Settlement, no such Extraordinary Receipts Proceeds shall be required to be applied to any prepayment hereunder to the extent that such Extraordinary Receipts Proceeds shall be used to pay or reimburse the Loan Parties and their Subsidiaries for funding the settlement fund described in the definition of Conyers Fire Settlement and/or for legal fees and expenses incurred in connection therewith.

(ii) Upon the incurrence or issuance by any Loan Party or any of its Subsidiaries of any Debt (other than Debt expressly permitted to be incurred or issued pursuant to Section 5.02(b)), the Borrower shall prepay an aggregate principal amount of Advances equal to 100% of all Net Cash Proceeds received therefrom immediately upon receipt thereof by such Loan Party or such Subsidiary.

(iii) Within five Business Days after financial statements and the related certificate of a Responsible Officer of the Borrower have been delivered pursuant to Section 5.03(c) for the Fiscal Year ended on December 31, 2012 and for each Fiscal Year thereafter, the Borrower shall (subject to the ECF Prepayment Conditions being satisfied in respect of such prepayment) prepay an aggregate principal amount of Advances equal to (A) the Applicable ECF Percentage of Excess Cash Flow for the Fiscal Year covered by such financial statements, minus (B) the aggregate principal amount of voluntary principal prepayments of the Advances and advances under the Revolving Facility (so long as such prepayments of advances under the Revolving Facility are accompanied by a corresponding permanent commitment reduction of the Revolving Facility) made pursuant to Section 2.05(a) hereof or in accordance with the terms of the Revolving Facility Credit Agreement, as the case may be.

(c) Special Mandatory Prepayment. If the Escrow Release Date has not occurred prior to the earlier of (x) the date on which the Borrower determines in its sole discretion that any of the conditions precedent set forth in Section 3.02 cannot be satisfied and (y) the Escrow End Date (the earlier of such dates being the Escrow Conditions Failure Date), then on the third Business Day following the Escrow Conditions Failure Date (or, if the Escrow Conditions Failure Date shall be the Escrow End Date, on the Escrow End Date), the outstanding principal amount of the Advances (less any original issue discount related to the Advances) shall be prepaid out of amounts released from the Escrow Account, together with all accrued and unpaid interest thereon from the Funding Date to but excluding the date of such prepayment and all other expenses or other amounts then due and owing under any Loan Document.

(d) All prepayments under subsections (b) and (c) of this Section 2.05 shall be made together with accrued interest to the date of such prepayment on the principal amount prepaid and any additional amounts required pursuant to Section 9.04(d). All prepayments of Advances under this Section 2.05 shall be applied to remaining installments of the Advances in the inverse order of their maturity.

Section 2.06 Interest. (a) Scheduled Interest. The Borrower shall pay interest on each Advance owing to each Lender from the date of such Advance until such principal amount shall be paid in full, at the following rates per annum:

(i) Base Rate Advances. During such periods as such Advance is a Base Rate Advance, a rate per annum equal at all times to the sum of (A) the Base Rate in effect from time to time plus (B) the Applicable Margin in effect from time to time, payable in arrears monthly on the last Business Day of each month during such periods and on the date such Base Rate Advance shall be Converted or paid in full.

(ii) Eurodollar Rate Advances. During such periods as such Advance is a Eurodollar Rate Advance, a rate per annum equal at all times during each Interest Period for such Advance to the sum of (A) the Eurodollar Rate for such Interest Period for such Advance plus (B) the Applicable Margin in effect on the first day of such Interest Period, payable in arrears on the last day of such Interest Period (and, if such Interest Period has a duration of six months, also on the date falling three months from the first day of such Interest Period) and on the date such Eurodollar Rate Advance shall be Converted or paid in full.

(b) Default Interest. Upon the occurrence and during the continuance of an Event of Default the Borrower shall pay interest on (i) the unpaid principal amount of each Advance owing to each Lender (whether or not due), payable in arrears on the dates referred to in clause (a) above and on demand, at a rate per annum equal at all times to 2% per annum above the rate per annum required to be paid on such Advance pursuant to clause (a) and (ii) to the fullest extent permitted by law, the amount of any interest, fee or other amount payable hereunder that is not paid when due, from the date such amount shall be due until such amount shall be paid in full, payable in arrears on the date such amount shall be paid in full and on demand, at a rate per annum equal at all times to 2% per annum above the rate per annum required to be paid on Advances pursuant to clause (a)(i) above.

(c) Notice of Interest Rate. Promptly after receipt of a Notice of Borrowing pursuant to Section 2.02(a), the Administrative Agent shall give notice to the Borrower and each Lender of the interest rate determined by the Administrative Agent for purposes of clause (a) above.

Section 2.07 Initial Lender Fees. The Borrower shall pay to the Administrative Agent and the Bookrunners (or their respective Affiliates) such other fees as may be from time to time agreed among the Borrower, the Administrative Agent and the Bookrunners (or their respective Affiliates).

Section 2.08 Conversion of Advances. (a) Optional. The Borrower may on any Business Day, upon notice given to the Administrative Agent not later than 11:00 A.M. (New York City time) on the third Business Day prior to the date of the proposed Conversion (or the Business Day prior to the date of the proposed Conversion, in the case of a Conversion of a Eurodollar Rate Advance to a Base Rate Advance) and subject to the provisions of Section 2.09, Convert all or any portion of the Advances of one Type comprising the same Borrowing into Advances of the other Type; provided, however, that any Conversion of Eurodollar Rate Advances into Base Rate Advances shall be made only on the last day of an Interest Period for such Eurodollar Rate Advances, any Conversion of Base Rate Advances into Eurodollar Rate Advances shall be in an amount not less than \$5,000,000, no Conversion of Advances shall result in more than 10 separate Interest Periods in effect with respect to the Advances, and each Conversion of Advances comprising part of the same Borrowing shall be made ratably among the Lenders in accordance with their Commitments. Each such notice of Conversion shall, within the restrictions specified above, specify (i) the date of such Conversion, (ii) the principal amount of Advances to be Converted and (iii) if such Conversion is into Eurodollar Rate Advances, the duration of the initial Interest Period for such Advances. Each notice of Conversion shall be irrevocable and binding on the Borrower.

(b) Mandatory.

(i) On the date on which the aggregate unpaid principal amount of Eurodollar Rate Advances comprising any Borrowing shall be reduced, by payment or prepayment or otherwise, to less than \$5,000,000, such Advances shall, at the end of the applicable Interest Period, automatically Convert into Base Rate Advances.

(ii) If the Borrower shall fail to select the duration of any Interest Period for any Eurodollar Rate Advances in accordance with the provisions contained in the definition of Interest Period in Section 1.01, the Administrative Agent will forthwith so notify the Borrower and the Lenders, whereupon each such Eurodollar Rate Advance will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Advance.

(iii) Upon the occurrence and during the continuance of any Event of Default, (x) each Eurodollar Rate Advance will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Advance and (y) the obligation of the Lenders to make, or to Convert Advances into, Eurodollar Rate Advances shall be suspended.

Section 2.09 Increased Costs, Etc. (a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation or (ii) the compliance with any guideline or request from any central bank or other governmental authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or of making, funding or maintaining Eurodollar Rate Advances (excluding, for purposes of this Section 2.09, any such increased costs resulting from (x) Taxes or Other Taxes (as to which Section 2.11 shall govern) and (y) changes in the basis of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender is organized or has its Applicable Lending Office or any political subdivision thereof), then the Borrower shall from time to time, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost. A certificate as to the amount of such increased cost, submitted to the Borrower by such Lender, shall be conclusive and binding for all purposes, absent manifest error.

(b) If any Lender determines that compliance with any law or regulation or any guideline or request from any central bank or other governmental authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender and that the amount of such capital is increased by or based upon the existence of such Lender's commitment to lend hereunder and other commitments of such type, then, upon demand by such Lender or such corporation (with a copy of such demand to the Administrative Agent), the Borrower shall pay to the Administrative Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital to be allocable to the existence of such Lender's commitment to lend hereunder. A certificate as to such amounts submitted to the Borrower by such Lender shall be conclusive and binding for all purposes, absent manifest error.

(c) If, with respect to any Eurodollar Rate Advances, the Required Lenders notify the Administrative Agent that the Eurodollar Rate for any Interest Period for such Advances will not adequately reflect the cost to such Lenders of making, funding or maintaining their Eurodollar Rate Advances for such Interest Period, the Administrative Agent shall forthwith so notify the Borrower and the Lenders, whereupon (i) each such Eurodollar Rate Advance will automatically, on the last day of the then existing Interest Period therefor, Convert into a Base Rate Advance and (ii) the obligation of the Lenders to make, or to Convert Advances into, Eurodollar Rate Advances shall be suspended until the Administrative Agent shall notify the Borrower that such Lenders have determined that the circumstances causing such suspension no longer exist.

(d) Notwithstanding any other provision of this Agreement, if the introduction of or any change in or in the interpretation of any law or regulation shall make it unlawful, or any central bank or other governmental authority shall assert that it is unlawful, for any Lender or its Eurodollar Lending Office to perform its obligations hereunder to make Eurodollar Rate Advances or to continue to fund or maintain Eurodollar Rate Advances hereunder, then, on notice thereof and demand therefor by such Lender to the Borrower through the Administrative Agent, (i) each Eurodollar Rate Advance will automatically, upon such demand, Convert into a Base Rate Advance and (ii) the obligation of the Lenders to make, or to Convert Advances into, Eurodollar Rate Advances shall be suspended until the Administrative Agent shall notify the Borrower that such Lender has determined that the circumstances causing such suspension no longer exist.

Section 2.10 Payments and Computations. (a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff, not later than 11:00 A.M. (New York, New York time) on the day when due in U.S. dollars to the Administrative Agent at the Administrative Agent's Office in same day funds. The Administrative Agent will promptly thereafter cause like funds to be distributed (i) if such payment by the Borrower is in respect of principal, interest, commitment fees or any other Obligation then payable hereunder and under the Notes to more than one Lender, to such Lenders for the account of their respective Applicable Lending Offices ratably in accordance with the amounts of such respective Obligations then payable to such Lenders) and (ii) if such payment by the Borrower is in respect of any Obligation then payable hereunder to one Lender, to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.07(d), from and after the effective date of such Assignment and Acceptance, the Administrative Agent shall make all payments hereunder and under the Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) If the Administrative Agent receives funds for application to the Obligations under the Loan Documents under circumstances for which the Loan Documents do not specify the Advances to which, or the manner in which, such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each Lender ratably in accordance with such Lender's proportionate share of the principal amount of all outstanding Advances then outstanding, in repayment or prepayment of such of the outstanding Advances or other Obligations under the Loan Documents owed to such Lender, and for application to such principal installments, as the Administrative Agent shall direct.

(c) The Borrower hereby authorizes each Lender, if and to the extent payment owed to such Lender is not made when due hereunder or, in the case of a Lender, under the Note held by such Lender, to charge from time to time against any or all of the Borrower's accounts with such Lender any amount so due (subject to the limitations on the exercise of remedies upon an Event of Default set forth in Article VI hereof). Each of the Lenders hereby agrees to notify the Borrower promptly after any such setoff and application shall be made by such Lender; provided, however, that the failure to give such notice shall not affect the validity of such charge.

(d) All computations of interest based on the Base Rate shall be made by the Administrative Agent on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the Eurodollar Rate or the Federal Funds Rate shall be made by the Administrative Agent on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable. Each determination by the Administrative Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(e) Whenever any payment hereunder or under the Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest or commitment fee, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurodollar Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(f) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to any Lender hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each such Lender on such due date an amount equal to the amount then due such Lender. If and to the extent the Borrower shall not have so made such payment in full to the Administrative Agent, each such Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender in immediately available funds together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 2.11 Taxes. (a) Any and all payments by any Loan Party to or for the account of any Lender or any Agent hereunder or under any other Loan Document shall be made, in accordance with Section 2.10 or the applicable provisions of such other Loan Document, if any, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding, in the case of each Lender and each Agent, taxes that are imposed on its overall net income by the United States and taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction under the laws of which such Lender or such Agent, as the case may be, is organized or any political subdivision thereof and any United States federal withholding tax that would not have been imposed but for a failure by such Lender or such Agent (or any financial institution through which any payment is made to such Lender or such Agent) to comply with the applicable requirements of Sections 1471 through 1474 of the Internal Revenue Code and, in the case of each Lender, taxes that are imposed on its overall net income (and franchise taxes imposed in lieu thereof) by the state or foreign jurisdiction of such Lender's Applicable Lending Office or any political subdivision thereof (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities in respect of payments hereunder or under any other Loan Document being hereinafter referred to as "Taxes"). If any Loan Party shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any other Loan Document to any Lender or any Agent, (i) the sum payable by such Loan Party shall be increased as may be necessary so that after such Loan Party and the Administrative Agent have made all required deductions (including deductions applicable to additional sums payable under this Section 2.11) such Lender or such Agent, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Loan Party shall make all such deductions and (iii) such Loan Party shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, each Loan Party shall pay any present or future stamp, documentary, excise, property, intangible, mortgage recording or similar taxes, charges or levies that arise from any payment made by such Loan Party hereunder or under any other Loan Documents or from the execution, delivery or registration of, performance under, or otherwise with respect to, this Agreement or the other Loan Documents (hereinafter referred to as "Other Taxes").

(c) The Loan Parties shall indemnify each Lender and each Agent for and hold them harmless against the full amount of Taxes and Other Taxes, including Taxes or Other Taxes imposed or asserted by any jurisdiction on amounts payable under this Section 2.11, imposed on or paid by such Lender or such Agent (as the case may be) and any liability (including penalties, additions to tax, interest and expenses) arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted. A certificate as to the amount of any such taxes or liability delivered to the Loan Parties by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. This indemnification shall be made within 30 days from the date such Lender or such Agent (as the case may be) makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes, the appropriate Loan Party shall furnish to the Administrative Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment, to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Administrative Agent. In the case of any payment hereunder or under the other Loan Documents by or on behalf of a Loan Party through an account or branch outside the United States or by or on behalf of a Loan Party by a payor that is not a United States person, if such Loan Party determines that no Taxes are payable in respect thereof, such Loan Party shall furnish, or shall cause such payor to furnish, to the Administrative Agent, at such address, an opinion of counsel acceptable to the Administrative Agent stating that such payment is exempt from Taxes. For purposes of subsections (d) and (e) of this Section 2.11, the terms United States and United States person shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender organized under the laws of a jurisdiction outside the United States shall, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender and on the date of the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each other Lender, and from time to time thereafter as reasonably requested in writing by the Borrower (but only so long thereafter as such Lender remains lawfully able to do so), provide each of the Administrative Agent and Borrower with whichever of the following is applicable: (i) two executed originals of Internal Revenue Service Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States is a party, (ii) two executed originals of Internal Revenue Service Form W-8ECI, (iii) two executed originals of Internal Revenue Service Form W-8IMY and all required supporting documentation, (iv) in the case of a Lender claiming the benefits of the exemption for portfolio interest under section 881(c) of the Internal Revenue Code, (x) a certificate to the effect that such Lender is not (A) a bank within the meaning of section 881(c)(3)(A) of the Internal Revenue Code, (B) a 10 percent shareholder of any Loan Party within the meaning of section 881(c)(3)(B) of the Internal Revenue Code, or (C) a controlled foreign corporation described in section 881(c)(3)(C) of the Internal Revenue Code and (y) two executed originals of Internal Revenue Service Form W-8BEN, or (v) two executed originals of any other form prescribed by applicable laws as a basis for claiming exemption from or a reduction in United States federal withholding tax together with such supplementary documentation as may be prescribed by applicable laws to permit the Administrative Agent to determine the withholding or deduction required to be made. If the forms provided by a Lender at the time such Lender first becomes a party to this Agreement indicate a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such forms; provided, however, that if, at the effective date of the Assignment and Acceptance pursuant to which a

Lender becomes a party to this Agreement, the Lender assignor was entitled to payments under subsection (a) of this Section 2.11 in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. Each Lender that is a United States person within the meaning of Section 7701(a)(30) of the Internal Revenue Code shall deliver to the Borrower and the Administrative Agent two executed originals of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable Laws or reasonably requested by the Borrower or the Administrative Agent if necessary to enable the Borrower or the Administrative Agent, as the case may be, to determine whether or not such Lender is subject to backup withholding or information reporting requirements. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service Form W-8BEN or W-8ECI, or the related certificate described above, that the applicable Lender reasonably considers to be confidential, such Lender shall give notice thereof to the Borrower and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender has failed to provide the Borrower with the appropriate form, certificate or other document described in subsection (e) above (*other than* if such failure is due to a change in law, or in the interpretation or application thereof, occurring after the date on which a form, certificate or other document originally was required to be provided or if such form, certificate or other document otherwise is not required under subsection (e) above), such Lender shall not be entitled to indemnification under subsection (a) or (c) of this Section 2.11 with respect to Taxes imposed by the United States by reason of such failure; provided that should a Lender become subject to Taxes because of its failure to deliver a form, certificate or other document required hereunder, the Loan Parties shall take such steps as such Lender shall reasonably request to assist such Lender to recover such taxes.

(g) Unless required by applicable laws, at no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If the Administrative Agent or any Lender determines, in its sole discretion, that it has received a refund of any Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section, it shall pay to such Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section with respect to the Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses incurred by the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Loan Parties, upon the request of the Administrative Agent or such Lender, agree to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Person.

(h) Any Lender claiming any additional amounts pursuant to this Section 2.11 shall use its reasonable efforts (consistent with its internal policies and requirements of law) to change the jurisdiction of its lending office if such a change (i) is necessary to reduce any such additional amounts and (ii) would not, in the sole determination of such Lender, be disadvantageous to such Lender.

Section 2.12 Sharing of Payments, Etc. If any Lender shall obtain at any time any payment, whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise (other than pursuant to Section 2.09, 2.11, 9.04 or 9.07), (a) on account of Obligations due and payable to such Lender hereunder and under the Notes at such time in excess of its ratable share (according to the proportion of (i) the amount of such Obligations due and payable to such Lender at such time (other than pursuant to Section 2.09, 2.11, 9.04 or 9.07) to (ii) the aggregate amount of the Obligations due and payable to all Lenders hereunder and under the Notes at such time) of payments on account of the Obligations due and payable to all Lenders hereunder and under the Notes at such time obtained by all the Lenders at such time or (b) on account of Obligations owing (but not due and payable) to such Lender hereunder and under the Notes at such time (other than pursuant to Section 2.09, 2.11, 9.04 or 9.07) in excess of its ratable share (according to the proportion of (i) the amount of such Obligations owing to such Lender at such time (other than pursuant to Section 2.09, 2.11, 9.04 or 9.07) to (ii) the aggregate amount of the Obligations owing (but not due and payable) to all Lenders hereunder and under the Notes at such time) of payments on account of the Obligations owing (but not due and payable) to all Lenders hereunder and under the Notes at such time obtained by all of the Lenders at such time, such Lender shall forthwith purchase from the other Lenders such participations in the Obligations under the Loan Documents due and payable or owing to them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that, if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each other Lender shall be rescinded and such other Lender shall repay to the purchasing Lender the purchase price to the extent of such Lender's ratable share (according to the proportion of (i) the purchase price paid to such Lender to (ii) the aggregate purchase price paid to all Lenders) of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such other Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.12 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

Section 2.13 Use of Proceeds. The proceeds of the Advances shall only be utilized to (i) refinance the obligations outstanding under the Existing DIP Agreement, (ii) to pay fees, costs and expenses in connection with such refinancing and the financings arranged in connection with the Borrower's (and its Subsidiaries') emergence from Chapter 11 of the Bankruptcy Code pursuant to the Plan (as defined below), including with respect to the Senior Notes, the Revolving Facility and the Term Facility, (iii) to pay certain other creditors of the Loan Parties, (iv) to fund distributions to be made and finance other payments and reserves contemplated, in each case in accordance with the Plan or the Disclosure Statement, (v) to pay administration and priority claims, (vi) to make contributions to the Borrower's United States pension fund, (vii) to pay fees for professional services and (viii) for other general corporate purposes and activities (including but not limited to Investments, Permitted Acquisitions and other transactions permitted hereunder).

Section 2.14 Defaulting Lenders. (a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.01.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VI or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.05), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Advance in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Advances under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and sixth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Advances in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Advances were made at a time when the conditions set forth in Section 3.01 were satisfied or waived, such payment shall be applied solely to pay the Advances of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Advances of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.14(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(b) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Advances of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the to be held on a pro rata basis by the Lenders in accordance with their Pro Rata Share, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.15 Evidence of Debt. (a) The Advances made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Advances made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations hereunder. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the

absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Advances in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, amount and maturity of its Advances and payments with respect thereto. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

Section 2.16 Replacement of Certain Lenders. In the event a Lender shall have (a) become a Defaulting Lender under Section 2.14, (b) requested compensation from the Borrowers under Section 2.11 with respect to Taxes or Other Taxes or with respect to increased costs or capital or under Section 2.09 or other additional costs incurred by such Lender which, in any case, are not being incurred generally by the other Lenders, (c) delivered a notice pursuant to Section 2.09(d) claiming that such Lender is unable to extend Eurodollar Rate Advances to the Borrower for reasons not generally applicable to the other Lenders or (d) become a Non-Consenting Lender (in each case, an Affected Lender), then, in any case, the Borrower or the Administrative Agent may make written demand on such Affected Lender (with a copy to the Administrative Agent in the case of a demand by the Borrower and a copy to the Borrower in the case of a demand by the Administrative Agent) for the Affected Lender to assign, and such Affected Lender shall assign pursuant to one or more duly executed Assignments and Acceptances within 5 Business Days after the date of such demand, to one or more financial institutions that the Borrower or the Administrative Agent, as the case may be, shall have engaged for such purpose, all of such Affected Lender's rights and obligations under this Agreement and the other Loan Documents (including, without limitation, its Commitment and all Advances owing to it), in accordance with Section 9.07. The Administrative Agent is authorized to execute one or more of such Assignments and Acceptances as attorney-in-fact for any Affected Lender failing to execute and deliver the same within 5 Business Days after the date of such demand. Further, with respect to such assignment, the Affected Lender shall have concurrently received, in cash, all amounts due and owing to the Affected Lender hereunder or under any other Loan Document; provided that upon such Affected Lender's replacement, such Affected Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.09 and 9.04, as well as to any fees accrued for its account hereunder and not yet paid, and shall continue to be obligated under Section 9.04(c) with respect to losses, obligations, liabilities, damages, penalties, actions, judgments, costs, expenses or disbursements for matters which occurred prior to the date the Affected Lender is replaced.

Section 2.17 Escrow of Advances. (a) On the Funding Date, the Borrower, the Administrative Agent and the Escrow Agent shall enter into the Escrow Agreement, pursuant to which the Administrative Agent, on behalf of the Lenders, will deposit the proceeds of the Advances into the Escrow Account (net of costs, fees and expenses payable to the Bookrunners and their affiliates pursuant to the Engagement Letter and the Fee Letter), and the Borrower will deposit an amount of cash equal to (i) the amount of costs, fees, expenses and other compensation payable by the Borrower pursuant to Section 3.01(e) and (ii) the amount of interest expected to accrue hereunder on the Advances from the Funding Date to but excluding the initial Escrow End Date, which shall be determined assuming the Advances bear interest (and the Advances shall bear interest notwithstanding any election under this Agreement to the contrary) at the Eurodollar Rate for the 2-month period ending on the Escrow End Date (as such rate is determined by the Administrative Agent on the Funding Date). The Borrower shall grant the Administrative Agent, for the benefit of the Secured Parties, a first priority security interest in the Escrow Collateral.

(b) The parties hereto hereby agree that the funds held in the Escrow Account will be (i) released (pursuant to the Escrow Agreement) to the Borrower on the Escrow Release Date upon delivery by the Borrower of the Release Notice and the Officer's Certificate pursuant to and as defined in Section 5.1 of the Escrow Agreement, or (ii) used to make the Special Mandatory Prepayment in accordance with Section 2.05(c).

To achieve such requested increase, the Borrower may invite the Lenders to make additional Advances and/or may invite additional Eligible Assignees to become Lenders pursuant to a joinder agreement in form and substance satisfactory to the Administrative Agent and its counsel, provided any Advances made by an Eligible Assignee pursuant to this Section 2.18 shall be in a principal amount of \$1,000,000 or an integral multiple of \$500,000 in excess thereof. At the time of sending the notice described in the first sentence of this Section, the Borrower (in consultation with the Administrative Agent) shall specify the time period within which each Lender and/or Eligible Assignee is requested to respond (which shall in no event be less than five (5) Business Days from the date of delivery of such notice to such Lender or Eligible Assignee). The Borrower may offer and pay to each Lender (an Increasing Lender) that agrees to make additional Advances, and to each additional Eligible Assignee that agrees to become a Lender pursuant to this Section 2.18, such fees or original issue discount as it may elect in connection with any such increase in the Advances, provided that in the event the interest rate margins (other than as a result of the imposition of default interest) for any Increasing Lender's additional Advances or any Advances of any such Eligible Assignee are higher than the interest rate margins for the Advances of the non-Increasing Lenders by more than 0.50%, then the interest rate margins for the Advances of the non-Increasing Lenders shall be increased to the extent necessary so that such interest rate margins shall be equal to the interest rate margins for such Increasing Lender's additional Advances or the Advances of such Eligible Assignee, minus 0.50%; provided further that, in determining the interest rate margins applicable to any Increasing Lender's additional Advances or any Advances of any such Eligible Assignee and the Advances of the non-Increasing Lenders (A) original issue discount or upfront fees (which shall be deemed to constitute like amounts of original issue discount) payable by any Loan Party to any Lender or Increasing Lender or any Eligible Assignee in the initial primary syndication of the Advances or the increased Advances hereunder, as the case may be, shall be included (with original issue discount being equated to interest based on assumed 4-year life to maturity), and (B) customary arrangement, structuring, underwriting or commitment fees (or similar fee, however denominated) payable to any of the Bookrunners (or their affiliates) in connection with the Advances or any increase in the Advances hereunder or to one or more arrangers (or their affiliates) thereof shall be excluded.

Each Lender shall notify the Administrative Agent within such time period whether or not it agrees to increase its Advances and, if so, whether by an amount equal to, greater than, or less than its ratable portion (based on such Lender's Pro Rata Share in respect of the Term Facility) of such requested increase. Any Lender not responding within such time period shall be deemed to have declined to increase its Advances. Any Lender approached to increase its Advances may elect to decline, in its sole discretion, to increase its Advances.

(c) Notification by Administrative Agent. The Administrative Agent shall notify the Borrower and each Lender of the Lenders' responses to each request made hereunder.

(d) Funding Date and Allocations. If the Advances are increased in accordance with this Section 2.18, the Administrative Agent and the Borrower shall determine the effective date (the Term Facility Increase Funding Date) and the final allocation of such increase. The Administrative Agent shall promptly notify the Borrower and the Lenders of the final allocation of such increase and the Term Facility Increase Funding Date.

(e) Conditions to Effectiveness of Increase. As a condition precedent to such increase, the Borrower shall deliver to the Administrative Agent a certificate of each Loan Party dated as of the Term Facility Increase Funding Date (in sufficient copies for each Lender) signed by a Responsible Officer of such Loan Party (i) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase, and (ii) in the case of the Borrower, certifying that, immediately before and immediately after giving effect to such increase, (A) no Default exists or would arise from such increase, and (B) after giving effect to such increase, the Borrower would be in pro forma compliance with the requirements of Section 5.04. (b) Proposed Lenders. Any proposed New Advances may be requested from existing Lenders, new prospective lenders who are Eligible Assignees or a combination thereof, as selected by, and with such allocations of committed amounts as may be determined by, the lead arranger(s) thereof and/or the Borrower, provided that any New Advances made by an Eligible Assignee

(n) Except to the extent failure to do so is permitted by Chapter 11 of the Bankruptcy Code, each Loan Party and each of its Subsidiaries and Affiliates has filed, has caused to be filed or has been included in all material tax returns (Federal, state, local and foreign) required to be filed and has paid all Federal and material taxes shown thereon to be due, together with applicable interest and penalties except those which are being contested in good faith by appropriate proceedings diligently prosecuted and for which adequate reserves have been provided in accordance with GAAP.

(r) Neither any Loan Party nor any of its Subsidiaries is an investment company, or an affiliated person of, or promoter or principal underwriter for, an investment company, as such terms are defined in the Investment Company Act of 1940, as amended. Neither the making of any Advances nor the application of the proceeds or repayment thereof by the Borrower, nor the consummation of the other transactions contemplated by the Loan Documents, will violate any provision of any such Act or any rule, regulation or order of the Securities and Exchange Commission thereunder.

(a) the Borrower shall fail to pay any principal of any Advance when the same shall become due and payable or any Loan Party shall fail to make any payment of interest on any Advance or any other payment under any Loan Document within five business days after the same becomes due and payable; or

(b) any representation or warranty made by any Loan Party (or any of its officers acting in his/her capacity as such and on behalf of a Loan Party) under or in connection with any Loan Document shall prove to have been incorrect in any material respect when made or deemed made; or

(c) any Loan Party shall fail to perform or observe (i) any term, covenant or agreement contained in Section 2.13, 5.01(a) (with respect to the Loan Parties), 5.01(c), 5.01(f), 5.02, or 5.04, or (ii) any term, covenant or agreement contained in Section 5.03, if (in the case of a failure described in this clause (ii)) such failure shall remain unremedied for 10 Business Days; or

(d) any Loan Party shall fail to perform any other term, covenant or agreement contained in any Loan Document on its part to be performed or observed if such failure shall remain unremedied for 30 days; or

(f) there is rendered against any Loan Party or any of its Subsidiaries one or more final, non-appealable judgments or orders for the payment of money in excess of \$20,000,000 (to the extent not covered by independent third-party insurance as to which the insurer has been notified of the potential claim and does not dispute coverage or by reserves established as contemplated under, and in accordance with, the Plan and/or the Disclosure Statement) in the aggregate at any time and (A) enforcement proceedings shall have been commenced by any creditor upon such judgment or order and such proceedings are not stayed or vacated, or (B) there shall be any period of 30 consecutive days during which such judgment or order has not been vacated, discharged or bonded or a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, shall not be in effect; or

(g) [Intentionally omitted]

(h) any Collateral Document after delivery thereof pursuant to Article III shall for any reason (other than pursuant to the terms thereof or as a result of an action or inaction of the Administrative Agent, the Collateral Agent or any Lender, to the extent that such action or inaction relates to the perfection or non-perfection of Collateral) cease to create a valid and perfected Lien on and security interest in the Collateral purported to be covered thereby and to the extent required therein; or

(i) the Borrower or any Loan Party shall incur, or shall be reasonably likely to incur liability as a result of one or more of the following: (i) the occurrence of any ERISA Event; (ii) the partial or complete withdrawal of the Borrower or any of its ERISA Affiliates from a Multiemployer Plan; or (iii) the reorganization or termination of a Multiemployer Plan, except, in each case, (a) any liability that is reasonably expected to be treated as a general unsecured claim in the Cases and would not reasonably be expected to result in a Material Adverse Effect and (b) other liabilities not greater than \$20,000,000 in the aggregate; or

(j) any Loan Party shall challenge the validity of any Loan Document or the applicability or enforceability of any Loan Document or shall seek to void, avoid, limit, or otherwise adversely affect the security interest created by or in any Loan Document or any payment made pursuant thereto; or

(k) a Change of Control shall occur; or

(l) after the Escrow Release Date, (1) the Borrower or any Material Subsidiary shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or (2) any proceeding shall be instituted by or against the Borrower or any Material Subsidiary seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee or other similar official for it or for any substantial part of its property and, in the case of any such proceeding instituted against it (but not instituted by it) that is being diligently contested by it in good faith, either such proceeding shall remain undismissed or unstayed for a period of 30 days or any of the actions sought in such proceeding (including, without limitation, the entry of an order for relief against, or the appointment of a receiver, trustee, custodian or other similar official for, it or any substantial part of its property) shall occur; or (3) the Borrower or any Material Subsidiary shall take any corporate action to authorize any of the actions set forth above in this subsection (l);

then, and in any such event, the Administrative Agent (i) shall at the request, or may with the consent, of the Required Lenders, by notice to the Borrower, declare the obligation of each Lender to make Advances (if any) to be terminated, whereupon the same shall forthwith terminate, (ii) shall at the request, or may with the consent, of the Required Lenders, by notice to the Borrower, declare the Advances, all interest thereon and all other amounts payable under this Agreement and the other Loan Documents to be forthwith due and payable, whereupon the Advances, all such interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by the Borrower, and (iii) shall at the request, or may with the consent, of the Required Lenders, (A) set-off amounts in any accounts of the Loan Parties and apply such amounts to the Obligations of the Loan Parties that are due and payable hereunder and under the other Loan Documents, and (B) exercise any and all remedies against the Collateral under this Agreement, the Loan Documents, and applicable law available to the Agents and the Lenders; provided, however, that upon the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under

the Bankruptcy Code, the obligation of each Lender to make Advances shall automatically terminate and the unpaid principal amount of all outstanding Advances and all interest and other amounts as aforesaid shall automatically become due and payable, in each case without further act of the Administrative Agent or any Lender.

Section 6.02 Rights and Remedies. At any time an Event of Default shall have occurred and be continuing, the Administrative Agent and the Lenders may, in their discretion, pursue such rights and remedies as they deem appropriate, including realization upon Collateral by judicial foreclosure or non-judicial sale or enforcement, without affecting any rights and remedies under any Loan Document. If, in taking any action in connection with the exercise of any rights or remedies, the Administrative Agent or any Lender shall forfeit any other rights or remedies, including the right to enter a deficiency judgment against the Borrower or any other Person, whether because of any applicable laws pertaining to election of remedies or otherwise, the Borrower consents to such action and waives any claim based upon it, even if the action may result in loss of any rights of subrogation that the Borrower might otherwise have had. Any election of remedies that results in denial or impairment of the right of the Administrative Agent or any Lender to seek a deficiency judgment against any Loan Party shall not impair the Borrower's obligation to pay the full amount of the Obligations under the Loan Documents. The Borrower waives all rights and defenses arising out of an election of remedies, such as nonjudicial foreclosure with respect to any security for the Obligations under the Loan Documents, even though that election of remedies destroys the Borrower's rights of subrogation against any other Person. The Administrative Agent may bid all or a portion of the Obligations under the Loan Documents at any foreclosure or trustee's sale or at any private sale, and the amount of such bid need not be paid by the Administrative Agent but shall be credited against the Obligations under the Loan Documents. The amount of the successful bid at any such sale, whether the Administrative Agent or any other Person is the successful bidder, shall be conclusively deemed to be the fair market value of the Collateral acquired pursuant to such sale, and, after application of the proceeds of such sale to payment of the Obligations under the Loan Documents, the difference between such bid amount and the remaining balance of the Obligations under the Loan Documents shall be conclusively deemed to be the amount of the Obligations under the Loan Documents, notwithstanding that any present or future law or court decision may have the effect of reducing the amount of any deficiency claim to which the Administrative Agent or any Lender might otherwise be entitled but for such bidding at any such sale.

ARTICLE VII

ADMINISTRATIVE AGENT

Section 7.01 Appointment and Authority. (a) Each of the Lenders hereby irrevocably appoints Bank of America to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto (without limiting the generality of the foregoing, the Lenders hereby irrevocably authorize the Administrative Agent to enter into on their behalf, and agree to be bound by, the Intercreditor Agreement on the Escrow Release Date). The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions.

(b) The Administrative Agent shall also act as the collateral agent under the Loan Documents, and each of the Lenders and Lead Arrangers (including in its capacities as a potential Hedge Bank, a potential Cash Management Bank and a potential Specified Credit Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender or Lead Arranger for

purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Secured Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as collateral agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 7.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VII and Article IX (including Section 9.04(c), as though such co agents, sub-agents and attorneys-in-fact were the collateral agent under the Loan Documents) as if set forth in full herein with respect thereto.

Section 7.02 Rights as a Lender. (a) The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

Section 7.03 Exculpatory Provisions.

The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law; and
- (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 6.01 and 9.01) or (ii) in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent by the Borrower or a Lender.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Collateral Documents, (v) the value or the sufficiency of any Collateral, or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

Section 7.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of an Advance that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Advance. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 7.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Section 7.06 Resignation of Administrative Agent. The Administrative Agent may at any time give prior written notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States; provided that such successor shall comply with the requirements of Section 2.11(e) prior to becoming the successor under this Agreement, and the Required Lenders shall not appoint a foreign agent as successor if such appointment would, upon the effectiveness of such appointment, result in a tax gross-up or indemnification payment under this Agreement. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may on behalf of the Lenders appoint a successor Administrative Agent meeting the qualifications set forth above; provided that if the Administrative Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Administrative Agent shall be discharged from its duties and obligations as Administrative Agent hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring Administrative Agent shall

continue to hold such collateral security as nominee until such time as a successor Administrative Agent is appointed) and (b) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Administrative Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent, and the retiring Administrative Agent shall be discharged from all of its duties and obligations as Administrative Agent hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this Article VII and Section 9.04 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent was acting as Administrative Agent.

Section 7.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 7.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Bookrunners, Lead Arrangers, the Syndication Agent or the Co-Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or as a Lender hereunder.

Section 7.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Advance shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Advances and all other Obligations hereunder and under the other Loan Documents that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 9.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 9.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations under the Loan Documents or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender or in any such proceeding.

Section 7.10 Collateral and Guaranty Matters. Each of the Lenders and Lead Arrangers (including in its capacities as a potential Cash Management Bank, a potential Hedge Bank and a potential Specified Credit Bank) irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon termination of the Commitments and payment in full of all Secured Obligations (other than (A) contingent indemnification obligations and (B) obligations and liabilities under Secured Cash Management Agreements, Secured Hedge Agreements and Secured Specified Credit Agreements as to which arrangements satisfactory to the applicable Cash Management Bank or Hedge Bank shall have been made), (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (iii) if approved, authorized or ratified in writing in accordance with Section 9.01;

(b) to release any Guarantor from its obligations under the Guaranty if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder or if such Person is merged, liquidated, dissolved or consolidated into another Guarantor or its assets are sold as permitted under the terms of the Loan Documents and, in the case of such liquidation, dissolution or sale the assets of such Person or the proceeds thereof, as applicable, are distributed to (x) the Borrower or (y) the Subsidiary of the Borrower holding all of the Equity Interests of such Person or into which such Person is dissolved or liquidated; and

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 5.02(a).

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 7.10. In each case as specified in this Section 7.10, the Administrative Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 7.10.

Section 7.11 Secured Cash Management Agreements, Secured Hedge Agreements and Secured Specified Credit Agreements. No Cash Management Bank, Hedge Bank or Specified Credit Bank that obtains the benefits of any Guaranty or any Collateral by virtue of the provisions hereof, the

Guaranty or any Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VII to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Cash Management Agreements, Secured Hedge Agreements and Secured Specified Credit Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank, Hedge Bank or Specified Credit Bank, as the case may be.

MISCELLANEOUS

Section 9.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective (except as provided in Sections 2.18 and 2.19) unless in writing signed by the Required Lenders (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that no such amendment, waiver or consent shall:

- (a) waive any condition set forth in Section 3.02 without the written consent of the Supermajority Lenders;
- (b) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 2.04 or Section 6.01) without the written consent of such Lender (it being understood that a waiver of any condition precedent in Article III or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute an increase of any Commitment of a Lender);
- (c) postpone any date fixed by this Agreement or any other Loan Document for any payment (but not any prepayment) of principal, interest (other than any default interest payable pursuant to Section 2.06), fees or other amounts due to the Lenders (or any of them) hereunder or under any other Loan Document without the written consent of each Lender directly adversely affected thereby;
- (d) reduce the principal of, or the rate of interest specified herein on, any Advance, or any fees or other amounts payable hereunder or under any other Loan Document (it being understood that any waiver of default interest payable pursuant to Section 2.06, any waiver of a Default or Event of Default and/or any modification or amendment of defined terms used in the financial covenants in Section 5.04 shall not constitute a decrease in the rate of interest or fees for this purpose) without the written consent of each Lender directly adversely affected thereby;

(e) alter the pro rata sharing of payments required hereunder, whether by modification of Section 2.10 or 2.12 or otherwise (it being understood that amendments giving effect to the provisions of Sections 2.18 and 2.19 shall not be deemed for purposes of this clause (e) to alter the pro rata sharing of payments required hereunder), without the written consent of each Lender;

(f) change the definition of Required Lenders or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or grant any consent hereunder, in each case in a manner that would have the direct effect of reducing the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or grant any consent hereunder, without the written consent of each Lender; and

(g) release one or more Guarantors (or otherwise limit such Guarantors liability with respect to the Obligations owing to the Agents and the Lenders under the Guaranties) if such release or limitation is in respect of all or substantially all of the value of the Guaranties to the Lenders, or release all or substantially all of the Collateral, in each case without the written consent of each Lender;

and provided further that no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, by its terms affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender (it being understood that a waiver of any condition precedent in Article III or the waiver of any Default, Event of Default or mandatory prepayment shall not constitute an increase of any Commitment of a Lender) and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

Section 9.02 Notices; Effectiveness; Electronic Communications. (a) Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by telecopier as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower or any other Loan Party, or to the Administrative Agent, to the address, telecopier number, electronic mail address or telephone number specified for such Person on Schedule 9.02; and

(ii) if to any other Lender, to the address, telecopier number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Borrower),

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications

sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the return receipt requested function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED AS IS AND AS AVAILABLE. THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the Agent Parties) have any liability to the Borrower, any other Loan Party, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any other Loan Party, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower, the other Loan Parties and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address,

contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the Private Side Information or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the Public Side Information portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(e) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Notices of Borrowing) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 9.03 No Waiver; Remedies. No failure on the part of any Lender or the Administrative Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 9.04 Costs, Fees and Expenses. (a) The Borrower agrees (i) to pay or reimburse the Administrative Agent and the Lead Arrangers for all reasonable and documented out-of-pocket costs and expenses incurred by such Persons (including, without limitation, reasonable attorneys' fees and expenses (it being agreed that reasonable fees and expenses of not more than one counsel for the Administrative Agent and all of the Lead Arrangers (with one additional counsel if there is a conflict between or among the Administrative Agent and the Lead Arrangers in the opinion of counsel) shall be payable or reimbursable under the preceding provisions of this sentence, together with reasonable fees and expenses of special and local counsel, in each case reasonably retained by the Lead Arrangers jointly)) in connection with (A) the preparation, negotiation and execution of the Loan Documents; (B) the syndication and funding of the Advances; (C) the creation, perfection or protection of the liens under the Loan Documents (including all search, filing and recording fees); and (D) the on-going administration of the Loan Documents (including the preparation, negotiation and execution of any amendments, consents, waivers, assignments, restatements or supplements thereto) (provided that the Lead Arrangers shall not in their capacities as such be entitled to any such payments or reimbursements pursuant to this subclause (D)), and (ii) to pay or reimburse the Administrative Agent and each of the Lenders for all documented out-of-pocket costs and expenses, including reasonable attorneys' fees and expenses, incurred by the Administrative Agent or such Lenders in connection with (A) the enforcement of the Loan Documents; (B) any refinancing or restructuring of the Term Facility in the nature of a work-out or any insolvency or bankruptcy proceeding; and (C) any legal proceeding relating to or arising out of the Term Facility or the other transactions contemplated by the Loan Documents. All amounts due under this Section 9.04(a) shall be payable within ten Business Days after demand therefor. The agreements in this Section shall survive the termination of the Commitments and repayment of all other Obligations under the Loan Documents.

(b) The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), each Lender and each Related Party of any of the foregoing Persons (each such Person being called an Indemnitee) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including, without limitation, the reasonable and documented fees and disbursements of outside counsel), incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents, (ii) any Advance or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Action relating to the Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party or any of the Borrower's or such Loan Party's directors, shareholders or creditors, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In the case of an investigation, litigation or proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by the Borrower, any of its directors, security holders or creditors, an Indemnitee or any other Person or whether or not an Indemnitee is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated. The Borrower also agrees that no Indemnitee shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Borrower or any of its Affiliates or to its or their respective security holders or creditors arising out of, related to or in connection with any aspect of the transactions contemplated hereby, except to the extent such liability is determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Indemnitee's gross negligence or willful misconduct. In no event, however, shall any Indemnitee be liable on any theory of liability for any special, indirect, consequential or punitive damages (including without limitation, any loss of profits, business or anticipated savings). Notwithstanding any other provision of this Agreement, no Indemnitee shall be liable for any damages arising from the use by others of information or other materials obtained through electronic telecommunications or other information transmission systems, except to the extent such damages are determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Indemnitee's gross negligence or willful misconduct. All amounts due under this Section 9.04(b) shall be payable within ten Business Days after demand therefor. The agreements in this Section shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all the other Obligations under the Loan Documents.

(c) To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under subsection (a) or (b) of this Section 9.04 to be paid by it to the Administrative Agent (or any sub-agent thereof) any Related Party thereof, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) in its capacity as such, or against any Related Party thereof acting for the Administrative Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.12.

(d) If any payment of principal of, or Conversion of, any Eurodollar Rate Advance is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Advance, as a result of a payment or Conversion pursuant to Section 2.05, 2.08(b)(i) or 2.09(d), acceleration of the maturity of the Advances pursuant to Section 6.01 or for any other reason, or if the Borrower fails to make any payment or prepayment of an Advance for which a notice of prepayment has been given or that is otherwise required to be made, whether pursuant to Section 2.03, 2.05 or 6.01 or otherwise, the Borrower shall, upon demand by such Lender (with a copy of such demand to the Administrative Agent), pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or Conversion or such failure to pay or prepay, as the case may be, including, without limitation, any loss (including loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Advance.

Section 9.05 Right of Set-off. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of the Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower or such Loan Party are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.14 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations under the Loan Documents owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 9.06 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower, the Guarantors, and each Agent, and the Administrative Agent shall have been notified by each Initial Lender that such Initial Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of each Lender.

Section 9.07 Successors and Assigns. (a) Each Lender may assign all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment or Commitments, the Advances owing to it and the Note or Notes held by it); provided, however, that (i) unless otherwise agreed by the Administrative Agent each such assignment shall be of a

uniform, and not a varying, percentage of all rights and obligations under and in respect of the Term Facility, (ii) except in the case of an assignment to a Person that, immediately prior to such assignment, was a Lender, an Affiliate of any Lender or an Approved Fund of any Lender or an assignment of all of a Lender's rights and obligations under this Agreement, the aggregate amount of the Commitments or Loans being assigned to any such Eligible Assignee pursuant to such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall be, unless the Administrative Agent shall otherwise consent, \$1,000,000 or an integral multiple of \$500,000 in excess thereof, (iii) each such assignment shall be to an Eligible Assignee, (iv) the parties to each such assignment shall execute and deliver to the Administrative Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Note or Notes (if any) subject to such assignment and a processing and recordation fee of \$3,500, (v) to the extent any such assignment immediately upon becoming effective shall increase amounts payable under Section 2.09 or 2.11, the Borrower shall not be liable for payment of such increased amounts unless such assignment is made with the Borrower's prior written consent after the Borrower has been informed of such increased amounts and (vi) prior to such assignment, the assignor or the Administrative Agent shall have given notice of such assignment to the Borrower. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of Advances previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Advances. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(b) Upon such execution, delivery, acceptance and recording, from and after the effective date specified in such Assignment and Acceptance, (i) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender, as the case may be, hereunder and (ii) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Sections 2.09, 2.11 and 9.04 to the extent any claim thereunder relates to an event arising prior to such assignment) and be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(c) By executing and delivering an Assignment and Acceptance, each Lender assignor thereunder and each assignee thereunder confirm to and agree with each other and the other parties thereto and hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with any Loan Document or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any Lien or security interest created or purported to be created under or in connection with, any Loan Document or any other instrument or document furnished pursuant thereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial

condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under any Loan Document or any other instrument or document furnished pursuant thereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon any Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes each Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Loan Documents as are delegated to such Agent by the terms hereof and thereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender, as the case may be.

(d) The Administrative Agent, acting for this purpose (but only for this purpose) as the agent of the Borrower, shall maintain at its address referred to in Section 9.02 a copy of each Assignment and Acceptance delivered to and accepted by it and a register for the recordation of the names and addresses of the Lenders and the Commitment of, and principal amount of the Advances owing to, each Lender from time to time (the Register). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Borrower, the Agents and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee, together with any Note or Notes subject to such assignment, the Administrative Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Borrower and each other Agent. In the case of any assignment by a Lender, within five Business Days after its receipt of such notice and request by such Eligible Assignee of a new Note, the Borrower, at its own expense, shall execute and deliver to the Administrative Agent in exchange for the surrendered Note or Notes (if any) a new Note to the order of such Eligible Assignee in an amount equal to the Commitment and/or outstanding principal amount of Advances assumed by it pursuant to such Assignment and Acceptance and, if any assigning Lender that had a Note or Notes prior to such assignment has retained a Commitment and/or outstanding principal amount of Advances hereunder, a new Note to the order of such assigning Lender in an amount equal to the Commitment and/or outstanding principal amount of Advances retained by it hereunder and requests a new Note. Such new Note or Notes shall be dated the effective date of such Assignment and Acceptance and shall otherwise be in substantially the form of Exhibit A hereto.

(f) Each Lender may sell participations to one or more Persons (other than a natural person, a Defaulting Lender, any Loan Party or any Affiliate of a Loan Party) in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitments, the Advances owing to it and any Note or Notes held by it); provided, however, that (i) such Lender's obligations under this Agreement (including, without limitation, its Commitments) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Borrower, the Agents and the other Lenders shall continue to deal

solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, (v) no participant under any such participation shall have any right to approve any amendment or waiver of any provision of any Loan Document, or any consent to any departure by any Loan Party therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of, or interest (other than default interest) on, the Advances or any fees or other amounts payable hereunder, in each case to the extent subject to such participation, postpone any date fixed for any payment of principal of, or interest on, the Advances or any fees or other amounts payable hereunder, in each case to the extent subject to such participation, or release all or substantially all of the value of the Collateral or of the value of the Guaranties, (vi) the participating banks or other entities shall be entitled to the benefit of Section 2.11 to the same extent as if they were a Lender but, with respect to any particular participant, to no greater extent than the Lender that sold the participation to such participant and only if such participant agrees to comply with Section 2.11(e) as though it were a Lender and (vii) to the extent any such participation immediately upon becoming effective shall increase amounts payable under Section 2.09 or 2.11, the Borrower shall not be liable for payment of such increased amounts unless such participation is made with the Borrower's prior written consent after the Borrower has been informed of such increased amounts.

(g) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.07, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower furnished to such Lender by or on behalf of the Borrower; provided, however, that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree to preserve the confidentiality of any Information received by it from such Lender in accordance with Section 9.11 hereof.

(h) Notwithstanding any other provision set forth in this Agreement, any Lender may at any time (and without the consent of the Administrative Agent or the Borrower) create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Advances owing to it and any Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System

(i) Notwithstanding anything to the contrary contained herein, any Lender that is a fund that invests in bank loans may create a security interest in all or any portion of the Advances owing to it and the Note or Notes held by it to the trustee for holders of obligations owed, or securities issued, by such fund as security for such obligations or securities, provided, however, that unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 9.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise.

(j) Notwithstanding anything to the contrary contained herein, any Lender (a Granting Lender) may grant to a special purpose funding vehicle organized and administered by such Lender identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an SPC) the option to provide all or any part of any Advance that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to fund any Advance, and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Advance, the Granting Lender shall be obligated to make such Advance pursuant to the terms hereof. The making of an Advance by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Advance were made by such Granting Lender. Each party hereto hereby agrees that (i) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a

Lender would be liable, (ii) no SPC shall be entitled to the benefits of Sections 2.09 and 2.11 (or any other increased costs protection provision) and (iii) the Granting Lender shall for all purposes, including, without limitation, the approval of any amendment or waiver of any provision of any Loan Document, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior Debt of any SPC, it will not institute against, or join any other person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency, or liquidation proceeding under the laws of the United States or any State thereof; provided that each Lender designating any SPC hereby agrees to indemnify and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPC during such period of forbearance. Notwithstanding anything to the contrary contained in this Agreement, any SPC may (i) with notice to, but without prior consent of, the Borrower and the Administrative Agent, assign all or any portion of its interest in any Advance to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Advances to any rating agency, commercial paper dealer or provider of any surety or guarantee or credit or liquidity enhancement to such SPC. This subsection (k) may not be amended without the prior written consent of each Granting Lender, all or any part of whose Advances are being funded by the SPC at the time of such amendment.

Section 9.08 Execution in Counterparts: Integration. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. This Agreement, and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page to this Agreement by telecopier or by electronic transmission (e.g. .pdf or tiff) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.09 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of any Advance, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 9.10 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.10, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 9.11 Confidentiality and Related Matters. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that

Information may be disclosed (a) on a need to know basis to its Affiliates and to its and its Affiliates' respective partners, directors, officers, employees, agents, trustees, advisors and representatives (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority purporting to have jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be a Lender pursuant to Section 2.18 or Section 2.19 or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower; provided that in the case of disclosure under subsection (c) of this Section 9.11, such party subject to such requirement or request shall, to the extent permitted by applicable law, rules and regulations, provide the applicable Loan Party with written notice as promptly as practicable and use commercially reasonable efforts to cooperate with such Loan Party in such Loan Party's efforts, at its own expense, to obtain a protective order or other confidential treatment. For purposes of this Section, Information means all information received from the Borrower or any Subsidiary relating to the Borrower or any Subsidiary or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any Subsidiary, provided that, in the case of information received from the Borrower or any Subsidiary after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

The Borrower hereby agrees that it will, if so requested by the Administrative Agent, use commercially reasonable efforts to identify that portion of the Borrower Materials that may be distributed to the Public Lenders and that (w) at the request of the Administrative Agent, all such Borrower Materials shall be clearly and conspicuously marked PUBLIC which, at a minimum, shall mean that the word PUBLIC shall appear prominently on the first page thereof; (x) by marking Borrower Materials PUBLIC, the Borrower shall be deemed to have authorized the Administrative Agent, the Arrangers, and the Lenders to

treat such Borrower Materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to the Borrower or its securities for purposes of United States Federal and state securities laws (provided, however, that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in Section 9.11); and (y) all Borrower Materials marked PUBLIC are permitted to be made available through a portion of the Platform designated Public Side Information ; and (z) the Administrative Agent and the Arranger shall be entitled to treat any Borrower Materials that are not marked PUBLIC as being suitable only for posting on a portion of the Platform not designated Public Side Information .

Section 9.13 Patriot Act Notice. Each Lender that is subject to the Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the Patriot Act it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of each Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the Patriot Act. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any of the other Loan Documents to which it is a party in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 9.17 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Loan Parties acknowledges and agrees that: (a) (i) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Lead Arrangers and the other Bookrunners are arm's-length commercial transactions between the Loan Parties, on the one hand, and the Administrative Agent, the Lead Arrangers and the other Bookrunners, on the other hand, (ii) each of the Loan Parties has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) each of the Loan Parties is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (b) (i) each of the Administrative Agent, the Lead Arrangers and the other Bookrunners is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for any Loan Party or any other Person and (ii) none of the Administrative Agent, the Lead Arrangers or the other Bookrunners has any obligation to any Loan Party or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (c) the Administrative Agent, the Lead Arrangers and the other Bookrunners and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and none of the Administrative Agent, the Lead Arrangers or the other Bookrunners has any obligation to disclose any of such interests to the any Loan Party or any of their respective Affiliates. FORM OF AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

OF

CHEMTURA CORPORATION

ARTICLE ONE

The name of the Corporation is Chemtura Corporation.

ARTICLE TWO

The address of the Corporation's registered office in the State of Delaware is 2711 Centerville Road, Suite 400, in the City of Wilmington, County of New Castle, Delaware 19808. The name of its registered agent at such address is Corporation Service Company.

ARTICLE THREE

The nature of the business or purposes to be conducted or promoted is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware (the Delaware General Corporation Law).

ARTICLE FOUR

Section 1. Authorized Shares. The total number of shares of all classes of capital stock that the Corporation has authority to issue is 500,250,000 shares, consisting of:

(a) 250,000 shares of initially undesignated Preferred Stock, par value \$0.01 per share (the Preferred Stock); and

(b) 500,000,000 shares of Common Stock, par value \$0.01 per share (the Common Stock).

The Preferred Stock and the Common Stock shall have the rights, preferences and limitations set forth below.

Notwithstanding anything to the contrary in this Amended and Restated Certificate of Incorporation (the Certificate of Incorporation), the Corporation shall not issue nonvoting equity securities to the extent prohibited by Section 1123(a)(6) of the Bankruptcy Code (11 U.S.C. § 1123(a)(6)). The prohibition on the issuance of nonvoting equity securities is included in this Certificate of Incorporation in compliance with Section 1123(a)(6) of the Bankruptcy Code (11 U.S.C. § 1123(a)(6)).

Section 2. Preferred Stock. The Board of Directors is authorized, subject to limitations prescribed by law or any stock exchange on which the Corporation's securities may then be listed, to provide by resolution or resolutions for the issuance of all or any of the shares of Preferred Stock in one or more class or series, to establish the number of shares to be included in each such class or series, and to fix the voting powers, designations, powers, preferences, and

relative, participating, optional or other rights, if any, of the shares of each such class or series, and any qualifications, limitations or restrictions thereof including, without limitation, the authority to provide that any such class or series may be (i) subject to redemption at such time or times and at such price or prices; (ii) entitled to receive dividends (which may be cumulative or non-cumulative) at such rates, on such conditions, and at such times, and payable in preference to, or in such relation to, the dividends payable on any other class or classes or any other series; (iii) entitled to such rights upon the dissolution of, or upon any distribution of the assets of, the Corporation; or (iv) convertible into, or exchangeable for, shares of any other class or classes of stock, or of any other series of the same or any other class or classes of stock, of the Corporation at such price or prices or at such rates of exchange and with such adjustments; all as may be stated in such resolution or resolutions. Irrespective of the provisions of Section 242(b)(2) of the Delaware General Corporation Law, the number of authorized shares of Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority in voting power of the stock of the Corporation entitled to vote, without the separate vote of the holders of the Preferred Stock as a class. Subject to Section 1 of ARTICLE FOUR, the Board of Directors is also expressly authorized to increase or decrease the number of shares of any class or series of Preferred Stock subsequent to the issuance of shares of that class or series, but not below the number of shares of such class or series then outstanding. In case the number of shares of any class or series shall be decreased in accordance with the foregoing sentence, the shares constituting such decrease shall resume the status that they had prior to the adoption of the resolution originally fixing the number of shares of such class or series.

Section 3. Common Stock.

(a) General. Except as (1) otherwise required by law or (2) expressly provided in the Certificate of Incorporation, each share of Common Stock shall have the same powers, rights and privileges and shall rank equally, share ratably and be identical in all respects as to all matters.

(b) Voting Rights. Except as otherwise provided by the Delaware General Corporation Law or this Certificate of Incorporation and subject to the rights of holders of any class or series of Preferred Stock, all of the voting power of the stockholders of the Corporation shall be vested in the holders of the Common Stock, and each holder of Common Stock shall have one vote for each share held by such holder on all matters voted upon by the stockholders of the Corporation.

(c) Dividends. Subject to the rights of the holders of Preferred Stock, and to the other provisions of this Certificate of Incorporation, holders of Common Stock shall be entitled to receive equally, on a per share basis, such dividends and other distributions in cash, securities or other property of the Corporation as may be declared thereon by the Board of Directors from time to time out of assets or funds of the Corporation legally available therefor.

(d) Liquidation Rights. In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, after payment or provision for payment of the Corporation's debts and subject to the rights of the holders of shares of Preferred Stock upon such dissolution, liquidation or winding up, the remaining net assets of the Corporation shall be distributed among holders of shares of Common Stock equally on a per share basis. A merger or consolidation of the Corporation with or into any other corporation or

other entity, or a sale or conveyance of all or any part of the assets of the Corporation (which shall not in fact result in the liquidation of the Corporation and the distribution of assets to its stockholders) shall not be deemed to be a voluntary or involuntary liquidation or dissolution or winding up of the Corporation within the meaning of this Section 3(d).

(e) Conversion Rights. The Common Stock shall not be convertible into, or exchangeable for, shares of any other class or classes or of any other series of the same class of the Corporation's capital stock.

(f) Preemptive Rights. No holder of Common Stock shall have any preemptive rights with respect to the Common Stock or any other securities of the Corporation, or to any obligations convertible (directly or indirectly) into securities of the Corporation whether now or hereafter authorized.

ARTICLE FIVE

The Corporation is to have perpetual existence.

ARTICLE SIX

Section 1. Number of Directors. Subject to any rights of the holders of any class or series of Preferred Stock to elect additional directors under specified circumstances, the number of directors which shall constitute the Board of Directors shall be fixed from time to time by resolution adopted by the affirmative vote of a majority of the total number of directors then in office.

Section 2. Election and Term of Office. The directors shall be elected by a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote in the election of directors; provided that, whenever the holders of any class or series of capital stock of the Corporation are entitled to elect one or more directors pursuant to the provisions of this Certificate of Incorporation (including, but not limited to, any duly authorized certificate of designation), such directors shall be elected by a plurality of the votes of such class or series present in person or represented by proxy at the meeting and entitled to vote in the election of such directors. The directors shall be elected and shall hold office only in this manner, except as provided in Section 3 of this ARTICLE SIX. Each director shall hold office until a successor is duly elected and qualified or until his or her earlier death, resignation or removal. Elections of directors need not be by written ballot unless the by-laws of the Corporation shall so provide.

Section 3. Newly-Created Directorships and Vacancies. Subject to the rights of the holders of any class or series of Preferred Stock then outstanding, newly created directorships resulting from any increase in the number of directors or any vacancies in the Board of Directors resulting from death, resignation, retirement, disqualification, removal from office or any other cause may be filled, so long as there is at least one remaining director, only by the Board of Directors, provided that a quorum is then in office and present, or by a majority of the directors then in office, if less than a quorum is then in office, or by the sole remaining director. Directors elected to fill a newly created directorship or other vacancies shall hold office until such director's successor has been duly elected and qualified or until his or her earlier death, resignation or removal as hereinafter provided.

Section 4. Removal of Directors. Subject to the rights of the holders of any class or series of Preferred Stock then outstanding, any director may be removed from office at any time with or without cause, at a meeting called for that purpose, but only by the affirmative vote of the holders of at least 66 2/3% of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Section 5. Rights of Holders of Preferred Stock. Notwithstanding the provisions of this ARTICLE SIX, whenever the holders of one or more series of Preferred Stock issued by the Corporation shall have the right, voting separately or together by series, to elect directors at an annual or special meeting of stockholders, the election, term of office, filling of vacancies and other features of such directorship shall be governed by the rights of such Preferred Stock as set forth in the certificate of designations governing such series.

Section 6. By-Laws. The Board of Directors is expressly authorized to adopt, amend, alter, change or repeal the by-laws of the Corporation. Notwithstanding the foregoing and anything contained in this Certificate of Incorporation to the contrary, the by-laws of the Corporation shall not be amended, altered, changed or repealed by the stockholders, and no provision inconsistent therewith shall be adopted by the stockholders, without the affirmative vote of the holders of 66 2/3% of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

ARTICLE SEVEN

Section 1. Limitation of Liability.

(a) To the fullest extent permitted by the Delaware General Corporation Law as it now exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader exculpation rights than permitted prior thereto), no director of the Corporation shall be liable to the Corporation or its stockholders for monetary damages arising from a breach of fiduciary duty owed to the Corporation or its stockholders.

(b) Any repeal or modification of the foregoing paragraph shall not adversely affect any right or protection of a director of the Corporation existing hereunder with respect to any act or omission occurring at or prior to the time of such repeal or modification.

Section 2. Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to or is otherwise involved (including involvement, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative (a proceeding), by reason of the fact that such person is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as an employee or agent of the Corporation or as a director, officer, partner, member, trustee, administrator, employee or agent

of another corporation or of a partnership, joint venture, limited liability company, trust or other enterprise, including service with respect to an employee benefit plan (an indemnatee), whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director or officer, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the Delaware General Corporation Law, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than permitted prior thereto), against all expense, liability and loss (including attorneys' fees and related disbursements, judgments, fines, excise taxes or penalties under the Employee Retirement Income Security Act of 1974, as amended from time to time (ERISA), penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such indemnatee in connection therewith and such indemnification shall continue as to an indemnatee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the indemnatee's heirs, executors and administrators; provided, however, that, except as provided in Section 3 of this ARTICLE SEVEN with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such indemnatee in connection with a proceeding (or part thereof) initiated by such indemnatee only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. The right to indemnification conferred in this Section 2 of this ARTICLE SEVEN shall be a contract right and shall include the obligation of the Corporation to pay the expenses incurred in defending any such proceeding in advance of its final disposition (an advance of expenses); provided, however, that an advance of expenses incurred by an indemnatee shall be made only upon delivery to the Corporation of an undertaking (an undertaking), by or on behalf of such indemnatee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (a final adjudication) that such indemnatee is not entitled to be indemnified for such expenses under this Section 2 or otherwise. The Corporation may, by action of its Board of Directors, provide indemnification and advancement of expenses to employees and agents of the Corporation with the same or lesser scope and effect as the foregoing indemnification and advancement of expenses of directors and officers.

Section 3. Procedure for Indemnification. Any indemnification of a director or officer of the Corporation or advance of expenses (including attorneys' fees, costs and charges) under Section 2 of this ARTICLE SEVEN shall be made promptly, and in any event within forty-five days (or, in the case of an advance of expenses, twenty days, provided that the director or officer has delivered the undertaking contemplated by Section 2 of this ARTICLE SEVEN), upon the written request of the director or officer. If a determination by the Corporation that the director or officer is entitled to indemnification pursuant to this ARTICLE SEVEN is required, and the Corporation fails to respond within sixty days to a written request for indemnity, the Corporation shall be deemed to have approved the request. If the Corporation denies a written request for indemnification or advance of expenses, in whole or in part, or if payment in full pursuant to such request is not made within forty-five days (or, in the case of an advance of expenses, twenty days, provided that the director or officer has delivered the undertaking contemplated by Section 2 of this ARTICLE SEVEN), the right to indemnification or advances as granted by this ARTICLE SEVEN shall be enforceable by the director or officer in any court of competent jurisdiction. Such person's costs and expenses incurred in connection with successfully establishing his or her right to indemnification, in whole or in part, in any such action shall also be indemnified by the Corporation. It shall be a defense to any action by a

director or officer for indemnification or the advance of expenses (other than an action brought to enforce a claim for the advance of expenses where the undertaking required pursuant to Section 2 of this ARTICLE SEVEN, if any, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the Delaware General Corporation Law for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because such person has met the applicable standard of conduct set forth in the Delaware General Corporation Law, nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct. The procedure for indemnification of other employees and agents for whom indemnification and advancement of expenses is provided pursuant to Section 2 of this ARTICLE SEVEN shall be the same procedure set forth in this Section 3 for directors or officers, unless otherwise set forth in the action of the Board of Directors providing indemnification and advancement of expenses for such employee or agent.

Section 4. Insurance. The Corporation may purchase and maintain insurance on its own behalf and on behalf of any person who is or was or has agreed to become a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person against such expenses, liability or loss under the Delaware General Corporation Law.

Section 5. Service for Subsidiaries. Any person serving as a director, officer, employee or agent of another corporation, partnership, limited liability company, joint venture or other enterprise, at least 50% of whose equity interests are owned by the Corporation (a subsidiary for this ARTICLE SEVEN) shall be conclusively presumed to be serving in such capacity at the request of the Corporation.

Section 6. Reliance. Persons who after the date of the adoption of this provision become or remain directors or officers of the Corporation or who, while a director or officer of the Corporation, become or remain a director, officer, employee or agent of a subsidiary, shall be conclusively presumed to have relied on the rights to indemnity, advance of expenses and other rights contained in this ARTICLE SEVEN in entering into or continuing such service. The rights to indemnification and to the advance of expenses conferred in this ARTICLE SEVEN shall apply to claims made against an indemnitee arising out of acts or omissions which occurred or occur both prior and subsequent to the adoption hereof.

Section 7. Other Rights: Continuation of Right to Indemnification. The rights to indemnification and to the advance of expenses conferred in this ARTICLE SEVEN shall not be exclusive of any other right which any person may have or hereafter acquire under this Certificate of Incorporation or under any statute, by-law, agreement, vote of stockholders or

disinterested directors or otherwise. All rights to indemnification under this ARTICLE SEVEN shall be deemed to be a contract between the Corporation and each director or officer of the Corporation who serves or served in such capacity at any time while this ARTICLE SEVEN is in effect. Any repeal or modification of this ARTICLE SEVEN or any repeal or modification of relevant provisions of the Delaware General Corporation Law or any other applicable laws shall not in any way diminish any rights to indemnification and advancement of expenses of such director or officer or the obligations of the Corporation arising hereunder with respect to any proceeding arising out of, or relating to, any actions, transactions or facts occurring prior to the final adoption of such repeal or modification.

Section 8. Merger or Consolidation. For purposes of this ARTICLE SEVEN, references to the Corporation shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this ARTICLE SEVEN with respect to the resulting or surviving corporation as he or she would have with respect to such constituent corporation if its separate existence had continued.

Section 9. Savings Clause. If this ARTICLE SEVEN or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and advance expenses to each person entitled to indemnification under Section 2 of this ARTICLE SEVEN as to all expense, liability and loss (including attorneys' fees and related disbursements, judgments, fines, ERISA excise taxes and penalties, penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person and for which indemnification or advancement of expenses is available to such person pursuant to this ARTICLE SEVEN to the fullest extent permitted by any applicable portion of this ARTICLE SEVEN that shall not have been invalidated and to the fullest extent permitted by applicable law.

ARTICLE EIGHT

For so long as the Corporation's Common Stock is registered under Section 12 of the Securities Exchange Act of 1934, as amended: (i) the stockholders of the Corporation may not take any action by written consent in lieu of a meeting, and must take any actions at a duly called annual or special meeting of stockholders and the power of stockholders to consent in writing without a meeting is specifically denied and (ii) subject to any rights of the holders of any class or series of Preferred Stock, special meetings of stockholders of the Corporation may be called only by either the chairman of the Board of Directors, the chief executive officer of the Corporation, pursuant to a resolution adopted by the affirmative vote of the majority of the total number of directors then in office or pursuant to a resolution adopted by the affirmative vote of the holders of at least 35% of the voting power of all outstanding shares of capital stock of the Corporation entitled to vote on any such matter for which the special meeting is being proposed, voting together as a single class. Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of the stockholders of the Corporation shall be given in the manner provided in the by-laws of the Corporation.

ARTICLE NINE

Section 1. Right to Impose Trading Restrictions

(i) In the event that both (1) the Equity Value (as hereinafter defined) of the Corporation has declined by at least thirty (30) percent (such equity value, the Trigger Price) from the Emergence Date Equity Value (as hereinafter defined) and (2) an owner shift of at least thirty (30) percentage points has occurred during the relevant testing period with respect to the Corporation's equity for purposes of Section 382 of the Internal Revenue Code of 1986, as amended, and the Treasury regulations thereunder (collectively, Section 382), as reasonably determined by the Corporation (in consultation with outside counsel) in accordance with Section 382 (collectively referred to herein as the Trigger Provisions), then the Board of Directors shall meet within three business days to determine whether to impose restrictions on the trading of the Corporation's stock in accordance with this Article Nine and to determine the specific terms of such restrictions. Unless otherwise defined herein, all terms used in this Article Nine (including but not limited to 5% shareholder, testing period, ownership change, and owner shift) are intended to have the meaning ascribed to them under Section 382 and shall be construed accordingly.

(ii) The Board of Directors' ability to impose trading restrictions pursuant to this Article Nine shall terminate on the tenth anniversary of the Emergence Date (as hereinafter defined); provided, however, that any trading restrictions imposed by the Board of Directors pursuant to this Article Nine prior to such tenth anniversary shall remain in full force and effect until the Trigger Provisions are no longer satisfied. In addition, there shall be no trading restrictions permitted, and any existing restrictions shall lapse, if the amount of the Corporation's net operating losses and built-in losses, as determined in good faith by the Board of Directors in consultation with outside counsel, is less than the limitation amount that would apply to such losses under Section 382.

Section 2. Certain Defined Terms

(i) Emergence Date Equity Value shall mean the Corporation's equity value immediately after the Corporation emerges from chapter 11 bankruptcy protection (the Emergence Date), which equity value the Corporation shall announce via press release and the filing of a Current Report on Form 8-K with the Securities and Exchange Commission promptly after it is determined, but in no event later than thirty (30) calendar days after the Emergence Date. Such equity value shall be determined by the Corporation in good faith based on the volume-weighted average trading price (whether such stock is listed on a stock exchange and publicly traded or traded merely over-the-counter) of the Corporation's equity during the initial five business days after the Emergence Date.

(ii) Equity Value as of any date shall mean the Corporation's then equity value (adjusted for any extraordinary dividends, as determined in good faith by the Board of

Directors) calculated as follows: (1) for any class of stock that is publicly traded for at least 20 trading days prior to such determination, the value determined using the volume-weighted average trading price of such stock for each trading day during the previous 20 trading days, plus (2) for any class of stock that is not publicly traded for at least 20 trading days prior to such determination, the fair market value of such stock, as reasonably determined by the Board of Directors after consultation with an investment banking firm of nationally recognized standing.

Section 3. Procedure to impose trading restrictions. Except as provided in this Article Nine, after the Emergence Date, the Corporation shall not impose any trading restrictions on transfers of the Corporation's stock. If the Board of Directors determines to impose trading restrictions on transfers of the Corporation's stock pursuant to this Article Nine, then the Corporation shall promptly announce the imposition and terms of such trading restrictions by means of a press release and the filing of a Current Report on Form 8-K with the Securities and Exchange Commission. The terms of such restrictions, including the form of any notice or application documentation that may be associated with such restrictions, shall also be described by the Corporation in each quarterly and annual report filed by the Corporation with the Securities and Exchange Commission.

Section 4. Principal terms of trading restrictions. If the Board of Directors determines to impose trading restrictions on transfers of the Corporation's stock in accordance with this Article Nine, the principal terms of such trading restrictions shall be the terms set forth in this Section 4 of Article Nine. The Board of Directors shall have the authority in its sole discretion to determine and establish the definitive and ancillary terms of such trading restrictions so long as such terms are consistent with the following provisions of this Article Nine:

(i) Any acquisition of the Corporation's stock by a person or entity that is not a 5% shareholder of the Corporation will be null and void ab initio as to the purchaser to the extent such acquisition causes such person or entity to become a 5% shareholder of the Corporation unless the acquisition of such stock (1) was previously approved in writing by the Board of Directors, (2) is a Permitted Acquisition or (3) is covered by Clause (vi) of this Section 4 of Article Nine. Permitted Acquisition shall mean an acquisition that will not result in an increase in the Corporation's total owner shift during the relevant testing period for purposes of Section 382 (e.g., because the stock is purchased from another 5% shareholder whose stock acquisition had caused an owner shift).

(ii) Any acquisition of the Corporation's stock by a 5% shareholder of the Corporation will be null and void ab initio as to the purchaser unless the acquisition of such stock (1) was previously approved in writing by the Corporation's Board of Directors, (2) is a Permitted Acquisition or (3) is covered by Clause (vi) of this Section 4 of Article Nine.

(iii) Any disposition of the Corporation's stock by a 5% shareholder of the Corporation will be null and void ab initio as to such 5% shareholder unless such disposition (1) was previously approved in writing by the Corporation's Board of Directors, (2) such disposition qualified as a Permitted Acquisition as to the purchaser of such stock, or (3) is covered by Clause (vi) of this Section 4 of Article Nine.

(iv) Any person or entity seeking to use the Permitted Acquisition exception of this Section 4 of Article Nine shall either (1) contemporaneously with such transaction, notify the Corporation in writing of such transaction, represent in writing to the Corporation that such transaction is a Permitted Acquisition, and acknowledge in writing that if such transaction is not a Permitted Acquisition such person or entity will be subject to the consequences set forth in this Article Nine or (2) prior to such transaction, notify the Corporation of its intent to engage in a Permitted Acquisition and provide relevant factual information sufficient to establish that the acquisition will qualify as a Permitted Acquisition, and within 10 business days of such notice, the Corporation shall indicate whether such proposed transaction will qualify as a Permitted Acquisition. For the avoidance of doubt, any transaction covered by Clause (vi) of this Section 4 of Article Nine shall not be subject to the restrictions and procedures of this Article Nine.

(v) The Corporation shall announce by press release and the filing of a Current Report on Form 8-K with the Securities and Exchange Commission if its Board of Directors determines that trading restrictions are no longer required or if the Trigger Provisions are no longer satisfied; provided, however, that if trading restrictions shall be imposed following a decline in the Corporation's equity value, any increase in the value of the Corporation's stock shall not result in the lapse of such trading restrictions unless such increase (determined using the same methodology set forth in the definition of Equity Value above) is at least 10% greater than the Trigger Price.

(vi) Notwithstanding the foregoing, the Board of Directors shall have no authority pursuant to this Section 4 of Article Nine to restrict or otherwise limit in any manner any issuance by the Corporation of Common Stock pursuant to the Plan of Reorganization, including pursuant to any applicable rights offering or otherwise.

Section 5. Requirement to provide information regarding share ownership. All stockholders of the Corporation that have filed or would be required to file a Schedule 13D or 13G with the Securities and Exchange Commission with respect to the Corporation shall be required to provide information to the Corporation regarding such stockholder's ownership of the Corporation's stock, including the dates of the acquisition and disposition of such stock and the amounts of such acquisitions and dispositions, to the extent requested by the Corporation. Such information shall be provided within five business days of the Corporation's request, and, at the stockholder's request, the Corporation shall execute a standard confidentiality agreement with respect to such information.

directors, voting together as a single class, shall be required to adopt any provision inconsistent with, to amend, alter, change or repeal any provision of, or to adopt a by-law inconsistent with, ARTICLES SIX, SEVEN, EIGHT, NINE and this ARTICLE TEN, of this Certificate of Incorporation.

Section 2. Annual Meeting. An annual meeting of the stockholders shall be held each year at such time as is specified by the Board of Directors. At the annual meeting, stockholders shall elect directors and transact such other business as properly may be brought before the annual meeting pursuant to Section 11 of ARTICLE II hereof.

Section 3. Special Meetings. Special meetings of the stockholders may only be called in the manner provided in the Amended and Restated Certificate of Incorporation (the Certificate of Incorporation).

Section 4. Notice.

(a) Timing. Whenever stockholders are required or permitted to take action at a meeting, written notice of each annual and special meeting of stockholders stating the date, time and place of the meeting, the record date for determining the stockholders entitled to vote at the meeting (if such date is different than the record date for stockholders entitled to notice of the meeting) and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be given to each stockholder of record entitled to vote thereat not less than ten (10) nor more than sixty (60) days before the date of the meeting except as otherwise required by law. Business transacted at any special meeting of stockholders shall be limited to the purposes stated in the notice.

(b) Form of Notice. All such notices shall be delivered in writing or by a form of electronic transmission if receipt thereof has been consented to by the stockholder to whom the notice is given. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, postage prepaid, addressed to the stockholder at his, her or its address as the same appears on the records of the Corporation. Subject to the limitations of Section 4(d) of this ARTICLE II, if given by electronic transmission, such notice shall be deemed to be delivered: (i) by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (ii) if by a posting on an electronic network together with separate notice to the stockholder of such specific posting, upon the later of (x) such posting and (y) the giving of such separate notice by United States mail or facsimile transmission; (iii) by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice by facsimile; and (iv) if by any other form of electronic transmission, when directed to the stockholder. (c) Waiver of Notice. Whenever notice is required to be given under any provisions of the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these By-laws, a written waiver thereof, signed by the stockholder entitled to notice, or a waiver by electronic transmission by the person or entity entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice. Neither the business to be transacted at, nor the purpose of, any meeting of the stockholders of the Corporation need be specified in any waiver of notice of such meeting. Attendance of a stockholder of the Corporation at a meeting of such stockholders shall constitute a waiver of notice of such meeting, except when the stockholder attends for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

(d) Notice by Electronic Delivery. Without limiting the manner by which notice otherwise may be given effectively to stockholders of the Corporation pursuant to the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these By-laws, any notice to stockholders of the Corporation given by the Corporation under any provision of the General Corporation Law of the State of Delaware, the Certificate of Incorporation or these By-laws shall be effective if given by a form of electronic transmission consented to by the

stockholder of the Corporation to whom the notice is given. Any such consent shall be revocable by the stockholder by written notice to the Corporation. Any such consent shall be deemed revoked if: (i) the Corporation is unable to deliver by electronic transmission two (2) consecutive notices of meetings or of other business given by the Corporation in accordance with such consent; and (ii) such inability becomes known to the secretary or an assistant secretary of the Corporation or to the transfer agent or other person responsible for the giving of notice. However, the inadvertent failure to treat such inability as a revocation shall not invalidate any meeting or other action. For purposes of these By-laws, except as otherwise limited by applicable law, the term electronic transmission means any form of communication not directly involving the physical transmission of paper that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient through an automated process.

Section 5. List of Stockholders. The officer who has charge of the stock ledger of the Corporation shall prepare and make, at least 10 days before each meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, showing the address of and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least 10 days prior to the meeting: (a) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (b) during ordinary business hours, at the principal place of business of the Corporation. In the event the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

Section 6. Quorum. The holders of a majority of the outstanding shares of capital stock entitled to vote, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders, except as otherwise provided by the General Corporation Law of the State of Delaware or by the Certificate of Incorporation. If a quorum is not present, the holders of a majority of the shares present in person or represented by proxy at the meeting and entitled to vote at the meeting, may adjourn the meeting to another time and/or place. When a specified item of business requires a vote by a class or series (if the Corporation shall then have outstanding shares of more than one class or series) voting as a class or series, the holders of a majority of the shares of such class or series shall constitute a quorum (as to such class or series) for the transaction of such item of business.

Section 7. Adjourned Meetings. When a meeting is adjourned to another time and place, notice need not be given of the adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Section 8. Vote Required. When a quorum is present, the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders, unless by express provisions of an applicable law or of the Certificate of Incorporation a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 9. Voting Rights. Except as otherwise provided by the General Corporation Law of the State of Delaware, the Certificate of Incorporation of the Corporation or any amendments thereto, the certificate of designation relating to any outstanding class or series of preferred stock or these By-laws, every stockholder shall at every meeting of the stockholders be entitled to one vote in person or by proxy for each share of capital stock held by such stockholder.

Section 10. Proxies. Each stockholder entitled to vote at a meeting of stockholders may authorize another person or persons to act for him or her by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy provides for a longer period. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A proxy may be made irrevocable regardless of whether the interest with which it is coupled is an interest in the stock itself or an interest in the Corporation generally. Any proxy is suspended when the person executing the proxy is present at a meeting of stockholders and elects to vote, except that when such proxy is coupled with an interest and the fact of the interest appears on the face of the proxy, the agent named in the proxy shall have all voting and other rights referred to in the proxy, notwithstanding the presence of the person executing the proxy. At each meeting of the stockholders, and before any voting commences, all proxies filed at or before the meeting shall be submitted to and examined by the secretary or a person designated by the secretary, and no shares may be represented or voted under a proxy that has been found to be invalid or irregular.

Section 11. Business Brought Before a Meeting of the Stockholders.

(A) Annual Meetings.

(1) At an annual meeting of the stockholders, only such nominations of persons for election to the Board of Directors shall be considered and such business shall be conducted as shall have been properly brought before the meeting. To be properly brought before an annual meeting, nominations and other business must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors, (b) brought before the meeting by or at the direction of the Board of Directors or (c) otherwise properly brought before the meeting by a stockholder who (i) is a stockholder of record of the Corporation (and, with respect to any beneficial owner, if different, on whose behalf such business is proposed or such nomination or nominations are made, only if such beneficial owner is the beneficial owner of shares of the Corporation) both at the time the notice provided for in paragraph (A) of this Section 11 of ARTICLE II is delivered to the secretary of the Corporation and on the record date for the determination of stockholders entitled to vote at the annual meeting of stockholders, (ii) is entitled to vote at the meeting, and (iii) complies with the notice procedures set

forth in paragraph (A) of this Section 11 of ARTICLE II. For nominations or other business to be properly brought before an annual meeting by a stockholder, the stockholder must have given timely notice thereof in writing and in proper form to the secretary of the Corporation. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Corporation, not later than the close of business on the one hundred twentieth (120th) day nor earlier than the close of business on the one hundred fiftieth (150th) day prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred fiftieth (150th) day prior to such annual meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. Notwithstanding anything in this paragraph to the contrary, in the event that the number of directors to be elected to the Board of Directors at an annual meeting is increased and there is no public announcement by the Corporation naming the nominees for the additional directorships at least one hundred thirty (130) days prior to the first anniversary of the preceding year's annual meeting, a stockholder's notice required by paragraph (A) of this Section 11 of ARTICLE II shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(2) A stockholder's notice providing for the nomination of a person or persons for election as a director or directors of the Corporation shall set forth (a) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made (and for purposes of clauses (ii) through (ix) below, including any interests described therein held by any affiliates or associates (each within the meaning of Rule 12b-2 under the Securities Exchange Act of 1934 (the Exchange Act) for purposes of these By-laws) of such stockholder or beneficial owner or by any member of such stockholder's or beneficial owner's immediate family sharing the same household, in each case as of the date of such stockholder's notice, which information shall be confirmed or updated, if necessary, by such stockholder and beneficial owner (x) not later than ten (10) days after the record date for the notice of the meeting to disclose such ownership as of the record date for the notice of the meeting, and (y) not later than eight (8) business days before the meeting or any adjournment or postponement thereof to disclose such ownership as of the date that is ten (10) business days before the meeting or any adjournment or postponement thereof (or if not practicable to provide such updated information not later than eight (8) business days before any adjournment or postponement, on the first practicable date before any such adjournment or postponement)) (i) the name and address of such stockholder, as they appear on the

required under applicable law to elect such stockholder's nominees and/or otherwise to solicit proxies from the stockholders in support of such nomination and (xii) a representation that the stockholder is a holder of record of shares of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination, and (b) as to each person whom the stockholder proposes to nominate for election or reelection as a director, (i) all information relating to such person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to the Exchange Act and the rules and regulations promulgated thereunder (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), (ii) a description of all direct and indirect compensation and other material agreements, arrangements and understandings during the past three years, and any other material relationships, between or among such stockholder or beneficial owner, if any, and their respective affiliates and associates, or others acting in concert therewith, on the one hand, and each proposed nominee and his or her respective affiliates and associates, or others acting in concert therewith, on the other hand, including all information that would be required to be disclosed pursuant to Item 404 promulgated under Regulation S-K if the stockholder making the nomination and any beneficial owner on whose behalf the nomination is made, or any affiliate or associate thereof or person acting in concert therewith, were the registrant for purposes of such rule and the nominee were a director or executive officer of such registrant, (iii) a completed and signed questionnaire regarding the background and qualifications of such person to serve as a director, a copy of which may be obtained upon request to the secretary of the Corporation, (iv) all information with respect to such person that would be required to be set forth in a stockholder's notice pursuant to this Section 11 of ARTICLE II if such person were a stockholder or beneficial owner, on whose behalf the nomination was made, submitting a notice providing for the nomination of a person or persons for election as a director or directors of the Corporation in accordance with this Section 11 of ARTICLE II, and (v) such additional information that the Corporation may reasonably request to determine the eligibility or qualifications of such person to serve as a director or an independent director of the Corporation, or that could be material to a reasonable stockholder's understanding of the qualifications and/or independence, or lack thereof, of such nominee as a director.

(3) A stockholder's notice regarding business proposed to be brought before a meeting of stockholders other than the nomination of persons for election to the Board of Directors shall set forth (a) as to the stockholder giving notice and the beneficial owner, if any, on whose behalf the proposal is made, the information called for by clauses (a)(i) through (a)(ix) of the immediately preceding paragraph (2) (including any interests described therein held by any affiliates or associates of such stockholder or beneficial owner or by any member of such stockholder's or beneficial owner's immediate family sharing the same household, in each case as of the date of such stockholder's notice, which information shall be confirmed or updated, if necessary, by such stockholder and beneficial owner (x) not later than ten (10) days after the record date for the notice of the meeting to disclose such ownership as of the record date for the notice of the meeting,

and (y) not later than eight (8) business days before the meeting or any adjournment or postponement thereof to disclose such ownership as of the date that is ten (10) business days before the meeting or any adjournment or postponement thereof (or if not practicable to provide such updated information not later than eight (8) business days before any adjournment or postponement, on the first practicable date before any such adjournment or postponement)), (b) a brief description of (i) the business desired to be brought before such meeting, (ii) the reasons for conducting such business at the meeting and (iii) any material interest of such stockholder or beneficial owner in such business, including a description of all agreements, arrangements and understandings between such stockholder or beneficial owner and any other person(s) (including the name(s) of such other person(s)) in connection with or related to the proposal of such business by the stockholder, (c) as to the stockholder giving notice and the beneficial owner, if any, on whose behalf the nomination is made, (i) a statement as to whether either such stockholder or beneficial owner intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the Corporation's voting shares required under applicable law to approve the proposal and/or otherwise to solicit proxies from stockholders in support of such proposal and (ii) any other information relating to such stockholder or beneficial owner that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for the election of directors in a contested election pursuant to Section 14 of the Exchange Act and the rules and regulations promulgated thereunder, (d) if the matter such stockholder proposes to bring before any meeting of stockholders involves an amendment to the Corporation's By-laws, the specific wording of such proposed amendment, (e) a representation that the stockholder is a holder of record of shares of the Corporation entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such business and (f) such additional information that the Corporation may reasonably request regarding such stockholder or beneficial owner, if any, and/or the business that such stockholder proposes to bring before the meeting. The foregoing notice requirements shall be deemed satisfied by a stockholder if the stockholder has notified the Corporation of his or her intention to present a proposal at an annual meeting in compliance with Rule 14a-8 (or any successor thereof) promulgated under the Exchange Act and such stockholder's proposal has been included in a proxy statement that has been prepared by the Corporation to solicit proxies for such annual meeting.

(B) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of persons for election to the Board of Directors may be made at a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (1) by or at the direction of the Board of Directors or (2) provided that the Board of Directors has determined that directors shall be elected at such meeting, by any stockholder of the Corporation who (a) is a stockholder of record of the Corporation (and, with respect to any beneficial owner, if different, on whose behalf such nomination or nominations are made, only if such beneficial owner is the beneficial owner of shares of the Corporation) both at the time the notice provided for in paragraph (B) of this Section 11 of ARTICLE II is delivered to the Corporation's secretary and on the record date for

the determination of stockholders entitled to vote at the special meeting, (b) is entitled to vote at the meeting and upon such election, and (c) complies with the notice procedures set forth in the third sentence of paragraph (B) of this Section 11 of ARTICLE II. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board of Directors, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in the Corporation's notice of meeting, if the stockholder's notice required by paragraph (A)(2) of this Section 11 of ARTICLE II shall be delivered to the Corporation's secretary at the principal executive offices of the Corporation not later than the close of business on the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(C) General.

(1) Only such persons who are nominated in accordance with the procedures set forth in this Section 11 of ARTICLE II shall be eligible to be elected at an annual or special meeting of stockholders of the Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 11 of ARTICLE II. Notwithstanding the foregoing provisions of this Section 11 of ARTICLE II, if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of the Corporation to present a nomination or business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Corporation.

(2) For purposes of this section, public announcement shall mean disclosure in a press release reported by Dow Jones News Service, Associated Press or a comparable national news service or in a document publicly filed by the Corporation with the Securities and Exchange Commission pursuant to Sections 13, 14 or 15(d) of the Exchange Act.

(3) Notwithstanding the foregoing provisions of this Section 11 of ARTICLE II, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 11 of ARTICLE II.

(4) Nothing in this section shall be deemed to (a) affect any rights of stockholders to request inclusion of proposals in the Corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act, (b) confer upon any stockholder a right to have a nominee or any proposed business included in the Corporation's proxy statement, or (c) affect any rights of the holders of any series of preferred stock to elect directors pursuant to any applicable provisions of the Certificate of Incorporation.

(5) The presiding officer of a meeting of stockholders shall, if the facts warrant, determine and declare to the meeting that a nomination was not properly made or any business was not properly brought before the meeting, as the case may be, in accordance with the provisions of this Section 11 of ARTICLE II; if he or she should so determine, he or she shall so declare to the meeting and any such nomination not properly made or any business not properly brought before the meeting, as the case may be, shall not be transacted.

Section 12. Fixing a Record Date for Stockholder Meetings. In order that the Corporation may determine the stockholders entitled to notice of any meeting of stockholders or any adjournment thereof, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting. If the Board of Directors so fixes a date, such date shall also be the record date for determining the stockholders entitled to vote at such meeting unless the Board of Directors determines, at the time it fixes such record date, that a later date on or before the date of the meeting shall be the date for making such determination. If no record date is fixed by the Board of Directors, the record date for determining stockholders entitled to notice of and to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for determination of stockholders entitled to vote at the adjourned meeting, and in such case shall also fix as the record date for stockholders entitled to notice of such adjourned meeting the same or an earlier date as that fixed for determination of stockholders entitled to vote in accordance with the foregoing provisions of this Section 12 of ARTICLE II at the adjourned meeting.

Section 13. Fixing a Record Date for Other Purposes. In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment or any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purposes of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty (60) days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 14. Voting Procedures and Inspectors of Election at Meetings of Stockholders. The Board of Directors, in advance of any meeting of stockholders, may, and shall if required by applicable law, appoint one or more inspectors, who may be employees of the Corporation, to act at the meeting and make a written report thereof. The Board of Directors may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting, the person presiding at the meeting may, and shall if required by applicable law, appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute

the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall (a) ascertain the number of shares outstanding and the voting power of each, (b) determine the shares represented at the meeting and the validity of proxies and ballots, (c) count all votes and ballots, (d) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and (e) certify their determination of the number of shares represented at the meeting and their count of all votes and ballots. The inspectors may appoint or retain other persons or entities to assist the inspectors in the performance of their duties. Unless otherwise provided by the Board of Directors, the date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be determined by the person presiding at the meeting and shall be announced at the meeting. No ballot, proxies or votes, or any revocation thereof or change thereto, shall be accepted by the inspectors after the closing of the polls unless the Court of Chancery of the State of Delaware upon application by a stockholder shall determine otherwise. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for office at an election may serve as an inspector at such election.

ARTICLE III

DIRECTORS

Section 1. General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. In addition to such powers as are herein and in the Certificate of Incorporation expressly conferred upon it, the Board of Directors shall have and may exercise all the powers of the Corporation, subject to the provisions of the laws of the State of Delaware, the Certificate of Incorporation and these By-laws.

Section 2. Regular Meetings and Special Meetings. Regular meetings of the Board of Directors may be held without notice at such time and at such place as shall from time to time be determined by resolution of the Board of Directors or as may be specified in a notice of meeting. Special meetings of the Board of Directors may be called by the chairman of the board, the president (if the president is a director) or, upon the written request of at least two of the directors then in office.

Section 3. Notice of Meetings. Notice of regular meetings of the Board of Directors need not be given except as otherwise required by law or these By-laws. Notice of any special meeting, and of any regular or annual meeting for which notice is required, shall be given to each director at least (a) 24 hours before the meeting if delivered orally (either in person or by telephone), or by a writing personally delivered or sent by telex, telecopy, email or other means of electronic transmission or (b) 5 days before the meeting if delivered by mail to the director's residence or usual place of business. Such notice shall be deemed to be delivered when deposited in the United States mail so addressed, with postage prepaid, or when transmitted if sent by telex, telecopy, email or similar means. The notice shall specify the time, date and place, if any, and/or means of remote communication, if any, of the meeting. Neither the business to be transacted at, nor the purpose of, any special meeting of the Board of Directors need be specified in the notice or waiver of notice of such meeting, except for amendments to these By-Laws as

provided under ARTICLE VII. Any director may waive notice of any meeting by a writing or electronic transmission signed by the director entitled to the notice, whether before or after the time stated therein, and filed with the minutes or corporate records.

Section 4, Chairman of the Board, Quorum, Required Vote and Adjournment. The Board of Directors may elect, by the affirmative vote of a majority of the total number of directors then in office, a chairman of the board, who shall preside at all meetings of the stockholders and Board of Directors at which he or she is present and shall have such powers and perform such duties as the Board of Directors may from time to time prescribe. If the chairman of the board is not present at a meeting of the stockholders or the Board of Directors, the lead director of the Board of Directors shall preside at such meeting, and, if there is no lead director or the lead director is not present at such meeting, the president (if the president is a director and is not also the chairman of the board) shall preside at such meeting, and, if the president is not present at such meeting, a majority of the directors present at such meeting shall elect one of their members to so preside. A majority of the total number of directors shall constitute a quorum for the transaction of business. Unless by express provision of an applicable law, the Certificate of Incorporation or these By-laws a different vote is required, the vote of a majority of directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. If a quorum shall not be present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

Section 5, Committees. The Board of Directors (i) may, by resolution passed by a majority of the entire Board of Directors, designate one or more committees consisting of one or more of the directors of the Corporation, and (ii) shall during such period of time as any securities of the Corporation are listed on a national securities exchange, by resolution passed by a majority of the entire Board of Directors, designate all committees required by the rules and regulations of such exchange. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. Except to the extent restricted by applicable law or the Certificate of Incorporation, each such committee, to the extent provided in the resolution creating it, shall have and may exercise all the powers and authority of the Board of Directors. Each such committee shall serve at the pleasure of the Board of Directors as may be determined from time to time by resolution adopted by the Board of Directors or as required by the rules and regulations of such exchange, if applicable. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors upon request.

Section 6, Committee Rules. Each committee of the Board of Directors may fix its own rules of procedure and shall hold its meetings as provided by such rules, except as may otherwise be provided by a resolution of the Board of Directors designating such committee. Unless otherwise provided in such a resolution, the presence of at least a majority of the members of the committee shall be necessary to constitute a quorum. Unless otherwise provided in such a resolution, in the event that a member and that member's alternate, if alternates are designated by the Board of Directors, of such committee is or are absent or disqualified, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in place of any such absent or disqualified member.

Section 7, Telephonic and Other Meetings. Unless restricted by the Certificate of Incorporation, any one or more members of the Board of Directors or any committee thereof may participate in and act at any meeting of the Board of Directors or such committee by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other. Participation by such means shall constitute presence in person at a meeting.

Section 8, Waiver of Notice. Any member of the Board of Directors or any committee thereof who is present at a meeting shall be conclusively presumed to have waived notice of such meeting except when such member attends for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

Section 9, Action by Written Consent. Unless otherwise restricted by the Certificate of Incorporation, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the Board of Directors or such committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the board or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

Section 10, Compensation. The Board of Directors shall have the authority to fix the compensation, including fees and reimbursement of expenses, of directors for services to the Corporation in any capacity.

Section 11, Reliance on Books and Records. A member of the Board of Directors, or a member of any committee designated by the Board of Directors shall, in the performance of such person's duties, be fully protected in relying in good faith upon records of the Corporation and upon such information, opinions, reports or statements presented to the Corporation by any of the Corporation's officers or employees, or committees of the Board of Directors, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

ARTICLE IV

OFFICERS

Section 1, Number. The officers of the Corporation shall be elected by the Board of Directors and shall consist of a chief executive officer, a president, one or more vice-presidents, a secretary, a chief financial officer and such other officers and assistant officers as may be deemed necessary or desirable by the Board of Directors. Any number of offices may be held by the

same person, except that neither the chief executive officer nor the president shall also hold the office of secretary. In its discretion, the Board of Directors may choose not to fill any office for any period as it may deem advisable, except that the offices of president and secretary shall be filled as expeditiously as possible.

Section 2. Election and Term of Office. The officers of the Corporation shall be elected annually by the Board of Directors at its first meeting held after each annual meeting of stockholders or as soon thereafter as convenient. Each officer shall hold office until a successor is duly elected and qualified or until his or her earlier death, resignation or removal as hereinafter provided.

Section 3. Removal. Any officer elected, or agent appointed, by the Board of Directors may be removed by the Board of Directors at its discretion. Any officer or agent appointed by the chairman of the board, the chief executive officer or the president may be removed by him whenever, in his judgment, the best interests of the Corporation would be served thereby. Such removal shall be without prejudice to the contract rights, if any, of the person so removed. No elected officer shall have any contractual rights against the Corporation for compensation by virtue of such election beyond the date of the election of his successor, his death, his resignation or his removal, whichever event shall first occur, except as otherwise provided in an employment contract or under an employee deferred compensation plan.

Section 4. Vacancies. Any vacancy occurring in any office because of death, resignation, removal, disqualification or otherwise may be filled by the Board of Directors.

Section 5. Compensation. Compensation of all executive officers shall be approved by the Board of Directors, and no officer shall be prevented from receiving such compensation by virtue of his or her also being a director of the Corporation; provided however, that compensation of some or all executive officers may be determined by a committee established for that purpose if so authorized by the unanimous vote of the Board of Directors or as required by applicable law or regulation, including any rule of any stock exchange upon which the Corporation's securities are then listed for trading.

Section 6. Chief Executive Officer. The chief executive officer shall have the powers and perform the duties incident to that position. Subject to the powers of the Board of Directors and the chairman of the board, the chief executive officer shall be in the general and active charge of the entire business and affairs of the Corporation, and shall be its chief policy making officer. The chief executive officer shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or provided in these By-laws. The chief executive officer is authorized to execute bonds, mortgages and other contracts requiring a seal, under the seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly delegated by the Board of Directors to some other officer or agent of the Corporation. Whenever the president is unable to serve, by reason of sickness, absence or otherwise, the chief executive officer shall perform all the duties and responsibilities and exercise all the powers of the president.

Section 7. The President. The president of the Corporation shall, subject to the powers of the Board of Directors, the chairman of the board and the chief executive officer, have general charge of the business, affairs and property of the Corporation, and control over its officers, agents and employees. The president shall see that all orders and resolutions of the Board of Directors are carried into effect. The president is authorized to execute bonds, mortgages and other contracts requiring a seal, under the seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly delegated by the Board of Directors to some other officer or agent of the Corporation. The president shall have such other powers and perform such other duties as may be prescribed by the chairman of the board, the chief executive officer, the Board of Directors or as may be provided in these By-laws.

Section 8. Vice-Presidents. The vice-president, or if there shall be more than one, the vice-presidents in the order determined by the Board of Directors or the chairman of the board, shall, in the absence or disability of the president, act with all of the powers and be subject to all the restrictions of the president. The vice-presidents shall also perform such other duties and have such other powers as the Board of Directors, the chairman of the board, the chief executive officer, the president or these By-laws may, from time to time, prescribe. The vice-presidents may also be designated as executive vice-presidents or senior vice-presidents, as the Board of Directors may from time to time prescribe.

Section 9. The Secretary and Assistant Secretaries. The secretary shall attend all meetings of the Board of Directors (other than executive sessions thereof) and all meetings of the stockholders and record all the proceedings of the meetings in a book or books to be kept for that purpose or shall ensure that his or her designee attends each such meeting to act in such capacity. Under the Board of Directors supervision, the secretary shall give, or cause to be given, all notices required to be given by these By-laws or by law; shall have such powers and perform such duties as the Board of Directors, the chairman of the board, the chief executive officer, the president or these By-laws may, from time to time, prescribe; and shall have custody of the corporate seal of the Corporation. The secretary, or an assistant secretary, shall have authority to affix the corporate seal to any instrument requiring it and when so affixed, it may be attested by his or her signature or by the signature of such assistant secretary. The Board of Directors may give general authority to any other officer to affix the seal of the Corporation and to attest the affixing by his or her signature. The assistant secretary, or if there be more than one, any of the assistant secretaries, shall in the absence or disability of the secretary, perform the duties and exercise the powers of the secretary and shall perform such other duties and have such other powers as the Board of Directors, the chairman of the board, the chief executive officer, the president, or secretary may, from time to time, prescribe.

Section 10. The Chief Financial Officer. The chief financial officer shall have the custody of the corporate funds and securities; shall keep full and accurate accounts of receipts and disbursements in books belonging to the Corporation as shall be necessary or desirable in accordance with applicable law or generally accepted accounting principles; shall deposit all monies and other valuable effects in the name and to the credit of the Corporation as may be ordered by the chairman of the board or the Board of Directors; shall receive, and give receipts for, moneys due and payable to the Corporation from any source whatsoever; shall cause the

funds of the Corporation to be disbursed when such disbursements have been duly authorized, taking proper vouchers for such disbursements; shall render to the Board of Directors, at its regular meeting or when the Board of Directors so requires, an account of the Corporation; and shall have such powers and perform such duties as the Board of Directors, the chairman of the board, the chief executive officer, the president or these By-laws may, from time to time, prescribe.

Section 11. Other Officers, Assistant Officers and Agents. Officers, assistant officers and agents, if any, other than those whose duties are provided for in these By-laws, shall have such authority and perform such duties as may from time to time be prescribed by resolution of the Board of Directors.

Section 12. Officers Bonds or Other Security. If required by the Board of Directors, any officer of the Corporation shall give a bond or other security for the faithful performance of his duties, in such amount and with such surety as the Board of Directors may require.

Section 13. Absence or Disability of Officers. In the case of the absence or disability of any officer of the Corporation and of any person hereby authorized to act in such officer's place during such officer's absence or disability, the Board of Directors may by resolution delegate the powers and duties of such officer to any other officer or to any director, or to any other person selected by it.

ARTICLE V

CERTIFICATES OF STOCK

Section 1. Form. The shares of stock of the Corporation shall be represented by certificates, provided that the Board of Directors of the Corporation may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Every holder of stock represented by certificates shall be entitled to have a certificate signed by, or in the name of the Corporation by (i) the chairperson or vice-chairperson of the Board of Directors, or the president or vice-president and (ii) by the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the Corporation. If such a certificate is countersigned (i) by a transfer agent or an assistant transfer agent other than the Corporation or its employee or (ii) by a registrar, other than the Corporation or its employee, the signature of any such chairperson or vice-chairperson of the Board of Directors, president, vice-president, treasurer, assistant treasurer, secretary or assistant secretary may be facsimiles. In case any officer or officers who have signed, or whose facsimile signature or signatures have been used on, any such certificate or certificates shall cease to be such officer or officers of the Corporation whether because of death, resignation or otherwise before such certificate or certificates have been delivered by the Corporation, such certificate or certificates may nevertheless be issued and delivered as though the person or persons who signed such certificate or certificates or whose facsimile signature or signatures have been used thereon had not ceased to be such officer or officers of the Corporation. All certificates for shares shall be consecutively numbered or otherwise identified. The Board of Directors may appoint a bank or

trust company organized under the laws of the United States or any state thereof to act as its transfer agent or registrar, or both in connection with the transfer of any class or series of securities of the Corporation. The Corporation, or its designated transfer agent or other agent, shall keep a book or set of books to be known as the stock transfer books of the Corporation, containing the name of each holder of record, together with such holder's address and the number and class or series of shares held by such holder and the date of issue. When shares are represented by certificates, the Corporation shall issue and deliver to each holder to whom such shares have been issued or transferred, certificates representing the shares owned by such holder, and shares of stock of the Corporation shall only be transferred on the books of the Corporation by the holder of record thereof or by such holder's attorney duly authorized in writing, upon surrender to the Corporation or its designated transfer agent or other agent of the certificate or certificates for such shares endorsed by the appropriate person or persons, with such evidence of the authenticity of such endorsement, transfer, authorization and other matters as the Corporation may reasonably require, and accompanied by all necessary stock transfer stamps. In that event, it shall be the duty of the Corporation to issue a new certificate to the person entitled thereto, cancel the old certificate or certificates and record the transaction on its books. When shares are not represented by certificates, shares of stock of the Corporation shall only be transferred on the books of the Corporation by the holder of record thereof or by such holder's attorney duly authorized in writing, with such evidence of the authenticity of such transfer, authorization and other matters as the Corporation may reasonably require, and accompanied by all necessary stock transfer stamps, and within a reasonable time after the issuance or transfer of such shares, the Corporation shall send the holder to whom such shares have been issued or transferred a written statement of the information required by applicable law. Unless otherwise provided by applicable law, the Certificate of Incorporation, By-laws or any other instrument, the rights and obligations of shareholders are identical, whether or not their shares are represented by certificates.

Section 2. Lost Certificates. The Corporation may issue or direct a new certificate or certificates or uncertificated shares to be issued in place of any certificate or certificates previously issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate or certificates, the Corporation may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates or uncertificated shares, or his or her legal representative, to give the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the loss, theft or destruction of any such certificate or the issuance of such new certificate or uncertificated shares.

Section 3. Registered Stockholders. The Corporation shall be entitled to recognize the exclusive right of a person registered on its records as the owner of shares of stock to receive dividends, to vote, to receive notifications and otherwise to exercise all the rights and powers of an owner. The Corporation shall not be bound to recognize any equitable or other claim to or interest in such share or shares of stock on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of the State of Delaware.

Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time, in its absolute discretion, think proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the Corporation or for such other purpose as the Board of Directors may think conducive to the interests of the Corporation. The Board of Directors may modify or abolish any such reserves in the manner in which it was created.

Section 2. Checks, Notes, Drafts, Etc. All checks, notes, drafts or other orders for the payment of money of the Corporation shall be signed, endorsed or accepted in the name of the Corporation by such officer, officers, person or persons as from time to time may be designated by the Board of Directors or by an officer or officers authorized by the Board of Directors to make such designation.

Section 3. Contracts. In addition to the powers otherwise granted to officers pursuant to ARTICLE IV hereof, the Board of Directors may authorize any officer or officers, or any agent or agents, in the name and on behalf of the Corporation to enter into or execute and deliver any and all deeds, bonds, mortgages, contracts and other obligations or instruments, and such authority may be general or confined to specific instances.

Section 4. Loans. Subject to compliance with applicable law (including the Sarbanes-Oxley Act of 2002), the Corporation may lend money to, or guarantee any obligation of, or otherwise assist any officer or other employee of the Corporation or of its subsidiaries, including any officer or employee who is a director of the Corporation or its subsidiaries, whenever, in the judgment of the directors, such loan, guaranty or assistance may reasonably be expected to benefit the Corporation. The loan, guaranty or other assistance may be with or without interest, and may be unsecured, or secured in such manner as the Board of Directors shall approve, including, without limitation, a pledge of shares of stock of the Corporation. Nothing in this section shall be deemed to deny, limit or restrict the powers of guaranty or warranty of the Corporation at common law or under any statute.

Section 5. Fiscal Year. The fiscal year of the Corporation shall be fixed by resolution of the Board of Directors.

Section 6. Corporate Seal. The Board of Directors may provide a corporate seal which shall be in the form of a circle and shall have inscribed thereon the name of the Corporation and the words Corporate Seal, Delaware. The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise. Notwithstanding the foregoing, no seal shall be required by virtue of this section.

Section 7. Voting Securities Owned By Corporation. Voting securities in any other corporation held by the Corporation shall be voted by the chief executive officer, the president, the chief financial officer, the treasurer, the secretary or any vice-president, unless the Board of Directors specifically confers authority to vote with respect thereto, which authority may be general or confined to specific instances, upon some other person or officer. Any person authorized to vote securities shall have the power to appoint proxies, with general power of substitution.

Section 8. Inspection of Books and Records. The Board of Directors shall have power from time to time to determine to what extent and at what times and places and under what conditions and regulations the accounts and books of the Corporation, or any of them, shall be open to the inspection of the stockholders; and no stockholder shall have any right to inspect any account or book or document of the Corporation, except as conferred by the laws of the State of Delaware, unless and until authorized so to do by resolution of the Board of Directors or of the stockholders of the Corporation.

Section 9. Section Headings. Section headings in these By-laws are for convenience of reference only and shall not be given any substantive effect in limiting or otherwise construing any provision herein.

Section 10. Inconsistent Provisions. In the event that any provision of these By-laws is or becomes inconsistent with any provision of the Certificate of Incorporation, the General Corporation Law of the State of Delaware or any other applicable law, the provision of these By-laws shall not be given any effect to the extent of such inconsistency but shall otherwise be given full force and effect.

When records are kept in such manner, a clearly legible paper form produced from or by means of the information storage device or method shall be admissible in evidence, and accepted for all other purposes, to the same extent as an original paper form accurately portrays the record.

ARTICLE II

STOCKHOLDERS

Section 2.1 **Place of Meetings.** Meetings of stockholders of the Corporation shall be held at any place, either within or without [STATE], as designated from time to time by the Board of Directors. The Board of Directors may, in its sole discretion, determine that a meeting of stockholders of the Corporation shall not be held at any place, but may instead be held solely by means of remote communication. If no designation is made, or if a special meeting be otherwise called, the place of meeting shall be the principal executive office of the Corporation.

Section 2.2. **Annual Meeting.** The annual meeting of the stockholders of the Corporation shall be held within one hundred twenty (120) days after the close of the immediately preceding fiscal year of the Corporation, at such time as may be designated by the Board of Directors, or on such date and at such time as may be fixed by resolution of the Board of Directors from time to time. At the annual meeting of the stockholders of the Corporation, directors shall be elected and any other business may be transacted which is properly brought before the annual meeting. No annual meeting of stockholders need be held if not required by the Corporation's certificate of incorporation or by [the General Corporation Law of STATE].

Section 2.3. Special Meetings. Special meetings of the stockholders of the Corporation may be called for any purpose and may be held at such time and place, if any, and/or by means of remote communication, as shall be stated in a written notice of meeting or in a duly executed waiver of notice thereof. Unless otherwise required by law, special meetings of the stockholders of the Corporation may be called at any time by the President or the Board of Directors and shall be called by the Secretary upon the written request, stating the purpose of the meeting, of stockholders who together own of record a majority of the outstanding shares of each class of stock entitled to vote at such meeting. The Board of Directors shall determine the date, time and place, if any, and/or means of remote communication, of such a special meeting.

Section 2.4. Conduct of Meetings. The Board of Directors shall be entitled to make such rules or regulations for the conduct of meetings of stockholders of the Corporation as it shall deem necessary, appropriate or convenient from time to time. The secretary of the meeting shall keep the minutes thereof.

Section 2.5. Notice. Whenever stockholders of the Corporation are required or permitted to take any action at a meeting, written or printed notice stating the place, if any, date, and time of the meeting, the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such meeting, and, in the case of special meetings, the purpose or purposes of such meeting, shall be given to each stockholder of the Corporation entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting except as otherwise required by law. All such notices shall be delivered, either personally, by mail, or by a form of electronic transmission, in each case in a manner consistent with [the General Corporation Law of STATE], as amended (the [GCL]). If given by electronic transmission, such notice shall be deemed to be delivered (a) if by facsimile telecommunication, when directed to a number at which the stockholder has consented to receive notice; (b) if by electronic mail, when directed to an electronic mail address at which the stockholder has consented to receive notice; (c) if by a posting on an electronic network together with separate notice to the stockholder of such specific posting, upon the later of (1) such posting and (2) the giving of such separate notice; and (3) if by any other form of electronic transmission, when directed to the stockholder. Any such consent shall be revocable by the stockholder by written notice to the Corporation. Any such consent shall be deemed revoked if (1) the Corporation is unable to deliver by electronic transmission two consecutive notices given by the Corporation in accordance with such consent and (2) such inability becomes known to the Secretary or an assistant secretary of the Corporation or to the transfer agent. Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when the person attends for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

Section 2.6. Stockholders List. The officer having charge of the stock ledger of the Corporation shall make, at least ten (10) days before every meeting of the stockholders of the Corporation, a complete list of the stockholders entitled to vote at such meeting arranged in alphabetical order, showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder of the Corporation for any purpose germane to the meeting for a period of at least ten (10) days prior to the meeting: (i) on a reasonably accessible electronic network; provided that the information required to gain access to such list is provided with the notice of the meeting; and/or

(ii) during ordinary business hours, at the principal place of business of the Corporation. In the event that the Corporation determines to make the list available on an electronic network, the Corporation may take reasonable steps to ensure that such information is available only to stockholders of the Corporation. If the meeting is to be held at a place, then the list shall be produced and kept at the time and place of the meeting during the whole time thereof and may be inspected by any stockholder who is present. If the meeting is to be held solely by means of remote communication, then the list shall also be open to the examination of any stockholder during the whole time of the meeting on a reasonably accessible electronic network, and the information required to access such list shall be provided with the notice of the meeting.

Section 2.7. Quorum. The holders of a majority of the outstanding shares of capital stock of the Corporation entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum for the transaction of business at all meetings of the stockholders of the Corporation, except as otherwise provided by statute or by the Certificate of Incorporation. If a quorum is not present, the chairman of the meeting or the holders of a majority of the shares of capital stock of the Corporation present in person or represented by proxy at the meeting, and entitled to vote at the meeting, may adjourn the meeting to another place, if any, date and time. When a quorum is once present to commence a meeting of the stockholders of the Corporation, it is not broken by the subsequent withdrawal of any stockholders or their proxies.

Section 2.8. Adjournments.

(a) When a meeting of the stockholders of the Corporation is adjourned to another date, time and place, if any, notice need not be given of the adjourned meeting if the date, time, place, if any, thereof, and/or the means of remote communication, if any, by which stockholders and proxy holders may be deemed to be present in person and vote at such adjourned meeting are announced at the meeting at which the adjournment is taken; provided, however, that if the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of the Corporation entitled to vote at the meeting. At any properly adjourned meeting of the stockholders of the Corporation, the Corporation may transact any business which might have been transacted at the original meeting.

(b) Any previously scheduled meeting of the stockholders of the Corporation may be postponed, and (unless the Certificate of Incorporation otherwise provides) any special meeting of the stockholders may be cancelled, by resolution of the Board of Directors upon announcement given prior to the date previously scheduled for such meeting of stockholders.

Section 2.9. Vote Required. When a quorum is present, the affirmative vote of the majority of the shares of capital stock of the Corporation present in person or represented by proxy at the meeting and entitled to vote on the subject matter shall be the act of the stockholders of the Corporation, unless the question is one upon which, by express provisions of applicable law, the Certificate of Incorporation or these bylaws, a different vote is required or provided for, in which case such express provision shall govern and control the decision of such question.

Section 2.10. Voting Rights. Except as otherwise provided by applicable law, each stockholder of the Corporation shall be entitled to that number of votes for each share of capital stock held by such stockholder as set forth in the Certificate of Incorporation.

Section 2.11. Proxies; Voting. Each stockholder entitled to vote at a meeting of stockholders of the Corporation or to express consent or dissent to corporate action in writing without a meeting may authorize another person or entity to act for such stockholder by proxy in such manner as proscribed under the [GCL], but no such proxy shall be voted or acted upon after three (3) years from its date unless such proxy provides for a longer period. At each meeting of the stockholders, and before any voting commences, all proxies filed at or before the meeting shall be submitted to and examined by the Secretary or a person designated by the Secretary, and no shares may be represented or voted under a proxy that has been found to be invalid or irregular. Voting at meetings of stockholders need not be by written ballot and need not be conducted by inspectors unless the holders of a majority of the outstanding shares of all classes of stock entitled to vote thereon present in person or represented by proxy at such meeting shall so determine.

Section 2.12. Record Date.

(a) In order that the Corporation may determine the stockholders of the Corporation entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which record date shall not precede the date on which the resolution fixing the record date is adopted and which shall not be (x) in the case of a record date for a meeting of the stockholders of the Corporation, more than sixty (60) nor less than ten (10) days before the date of such meeting, or (y) in the case of a record date for any other such action, more than sixty (60) days prior to such action, in either case unless otherwise required pursuant to the Certificate of Incorporation or applicable law. If the Board does not fix a record date in accordance with these bylaws, unless otherwise required pursuant to the Certificate of Incorporation or applicable law: (i) the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; or (ii) the record date for determining stockholders of the Corporation for any other purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto. A determination of stockholders of record of the Corporation entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

(b) In order that the Corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. If no record date has been fixed by the Board of Directors, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by law, shall be the first date on which

a signed written consent setting forth the action taken or proposed to be taken is delivered to the Corporation by delivery to its registered office in [STATE], its principal place of business, or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the day on which the Board of Directors adopts the resolution taking such prior action.

(c) In order that the Corporation may determine the stockholders entitled to receive payment of any dividend or other distribution or allotment or any rights or the stockholders entitled to exercise any rights in respect of any change, conversion or exchange of stock, or for the purposes of any other lawful action, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted, and which record date shall be not more than sixty days prior to such action. If no record date is fixed, the record date for determining stockholders for any such purpose shall be at the close of business on the day on which the Board of Directors adopts the resolution relating thereto.

Section 2.13. Action by Written Consent. Unless otherwise provided in the Certificate of Incorporation or these bylaws, any action required by law to be taken, or may be taken, at any annual or special meeting of stockholders of the Corporation, may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken and bearing the dates of signature of the stockholders who signed the consent or consents, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation by delivery to (a) its registered office in [STATE] by hand or by certified mail or registered mail, return receipt requested, (b) its principal place of business, or (c) an officer or agent of the Corporation having custody of the book or books in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested or by reputable overnight courier service. All consents properly delivered in accordance with this section shall be deemed to be recorded when so delivered. No written consent shall be effective to take the corporate action referred to therein unless, within sixty (60) days of the earliest dated consent delivered in the manner required by this bylaw to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to (x) its registered office in [STATE] by hand or by certified mail or registered mail, return receipt requested, (y) its principal place of business, or (z) an officer or agent of the Corporation having custody of the book or books in which proceedings of meetings of stockholders are recorded. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take the action were delivered to the Corporation as provided in this Section 2.13. Any action taken pursuant to such written consent or consents of the stockholders shall have the same force and effect as if taken by the stockholders at a meeting thereof.

Any copy, facsimile or other reliable reproduction of a consent in writing may be substituted or used in lieu of the original writing for any and all purposes for which the original writing could be used; provided that such copy, facsimile or other reproduction shall be a complete reproduction of the entire original writing.

Section 2.14. Action by Facsimile, Email or Other Electronic Transmission Consent.

A facsimile, email or other electronic transmission by a stockholder or proxyholder (or by any person authorized to act on such person's behalf) of a proxy or a written consent to an action to be taken (including the delivery of such a document in the .pdf, .tif, .gif, .peg or similar format attached to an email message) shall be deemed to be written, signed, dated and delivered to the Corporation for the purposes of this Article; provided that any such facsimile, email or other electronic transmission sets forth or is delivered with information from which the Corporation can determine (A) that the facsimile, email or other electronic transmission was transmitted by the stockholder or proxyholder or by a person authorized to act for the stockholder or proxyholder and (B) the date on which such stockholder or proxyholder or authorized person transmitted such facsimile, email or other electronic transmission. The date on which such facsimile, email or other electronic transmission is transmitted shall be deemed to be the date on which such consent or proxy was signed. Any such facsimile, email or other electronic transmission of a consent or proxy shall be treated in all respects as an original executed consent or proxy and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. At the request of the Board of Directors or the Secretary of the Corporation, each stockholder, proxyholder or other authorized person who delivered a consent or proxy by facsimile, email or other electronic transmission shall re-execute the original form thereof and deliver such original to the Corporation at its registered office in [STATE], its principal place of business or to an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded.

ARTICLE III

DIRECTORS

Section 3.1. General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors. The Board of Directors shall exercise all of the powers and duties conferred by law except as otherwise provided by the Certificate of Incorporation or these bylaws.

Section 3.2. Number, Election and Term of Office.

(a) The total number of directors constituting the entire Board of Directors of the Corporation shall be not less than _____ nor more than _____, the exact number of directors to be determined from time to time by the Board of Directors; provided, however, that in no case will a decrease in the number of directors have the effect of removing or shortening the term of any incumbent director. Directors of the Corporation need not be stockholders of the Corporation.

(b) Except as provided in Section 3.5 of these bylaws, a plurality of the votes cast at any annual meeting of stockholders of the Corporation or any special meeting of the stockholders of the Corporation called for the purpose of electing directors shall elect directors of the Corporation. No stockholder of the Corporation shall be entitled to cumulate votes on behalf of any candidate at any election of directors of the Corporation.

Section 3.3. Removal. Any director or the entire Board of Directors may be removed from office at any time, with or without cause by the affirmative vote of the holders of at least a majority of the total voting power of all the shares of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

Section 3.4. Resignation. Any director may resign at any time upon notice given in writing or by electronic transmission to the Corporation. Any resignation shall take effect at the time specified therein or, if the time when it shall become effective is not specified therein, immediately upon receipt. Unless otherwise specified therein, the acceptance of any such resignation shall not be necessary to make it effective.

Section 3.5. Vacancies and Newly Created Directorships. Except as otherwise provided in the Certificate of Incorporation, board vacancies and newly created directorships resulting from any increase in the authorized number of directors or otherwise shall be filled only by the Board of Directors, acting by a majority of the remaining directors then in office, even if less than a quorum, or by a sole remaining director. Each director so chosen shall hold office until a successor is duly elected and qualified or until a successor is duly elected and qualified or until his or her earlier death, resignation, retirement, disqualification or removal from office as herein provided.

Section 3.6. Meetings. Meetings of the Board of Directors may be held at such places, if any, and/or by means of remote communication, dates and times as shall be determined from time to time by the Board of Directors or as may be specified in a notice of meeting. Special meetings of the Board of Directors may be called by the Chief Executive Officer of the Corporation, if any, or the President of the Corporation, and shall be called by the President or the Secretary if directed by the Board of Directors.

Section 3.7. Conduct of Meetings. The Board of Directors shall be entitled to make such rules or regulations for the conduct of meetings of the Board of Directors of the Corporation as it shall deem necessary, appropriate or convenient. The secretary of the meeting shall keep the minutes thereof.

Section 3.8. Notice. Regular meetings of the Board of Directors may be held without notice at such time and at such place, if any, and/or means of remote communication, as shall from time to time be determined by the Board of Directors. Notice of the time, date and place, if any, and/or means of remote communication, if any, of a meeting shall be given to each director orally (either in person or by telephone), in writing (either by hand delivery, mail, courier or facsimile), or by electronic or other means of remote communication, in each case, directed to each director at that director's address, telephone number, facsimile number or electronic mail address, as the case may be, as shown on the Corporation's records. Any oral notice may be communicated either to the director or to a person at the office of the director who the person

giving notice has reason to believe will promptly communicate such notice to the director. If the notice is: (i) delivered personally by hand, by courier, or orally by telephone or otherwise, (ii) sent by facsimile or (iii) sent by electronic mail, it shall be delivered or sent at least twenty-four (24) hours before the time of the holding of the meeting. If the notice is sent by United States mail or courier service, it shall be deposited in the United States mail or with the courier at least five (5) days before the time of the holding of the meeting.

Section 3.9. Quorum and Adjournment. A majority of the total number of directors shall constitute a quorum for the transaction of business at all meetings of the Board of Directors, except as otherwise provided by law or by the Certificate of Incorporation. If a quorum is not present, a majority of the directors present at the meeting may adjourn the meeting to another place, if any, date and time, without notice other than announcement at the meeting, until a quorum shall be present. When a quorum is once present to commence a meeting of the Board of Directors, it is not broken by the subsequent withdrawal of any directors. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally called.

Section 3.10. Vote Required. The act by affirmative vote of a majority of the directors present at a meeting of the Board of Directors at which there is a quorum shall be an act of the Board of Directors, unless the Certificate of Incorporation or these bylaws shall require a vote of a greater number. Except as otherwise required by the Certificate of Incorporation, each director shall be entitled to one vote on exactly the matter presented to the Board of Directors for approval.

Section 3.11. Committees.

(a) The Board of Directors may by resolution designate one or more committees. Each such committee shall consist of one or more of the directors of the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee to replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of a member of a committee, the member or members present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member.

(b) Any such committee, to the extent provided in these bylaws or in a resolution of the Board of Directors establishing such committee, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it, to the extent permitted under applicable law. Any duly authorized action and otherwise proper action of a committee of the Board of Directors shall be deemed an action of the Board of Directors for purposes of these bylaws unless the context of these bylaws shall expressly state otherwise.

(c) Each committee of the Board of Directors shall keep minutes of its meetings and shall report its proceedings to the Board of Directors when requested or required by the Board of Directors.

(d) Except as the Board of Directors may otherwise determine or as provided herein, any committee may make rules for the conduct of its business, but unless otherwise provided by the directors or in such rules, its business shall be conducted as nearly as possible in the same manner as is provided in these bylaws for the Board of Directors.

Section 3.12. Communications Equipment. Members of the Board of Directors or any committee thereof may participate in and act at any meeting of such Board or committee by means of conference telephone or other communications equipment by means of which all persons participating in the meeting can hear each other, and participation in the meeting pursuant to this section shall constitute presence in person at the meeting.

Section 3.13. Waiver of Notice. Any member of the Board of Directors or any committee thereof who is present at a meeting shall be conclusively presumed to have waived notice of such meeting, except when such member attends for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened.

Section 3.14. Compensation. The Board of Directors shall have authority to fix the compensation, including, without limitation, fees and reimbursement of expenses, of directors for services to the Corporation in any capacity.

Section 3.15. Limitation of Liabilities. To the fullest extent permitted by the [GCL] as the same exists or may hereafter be amended, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director.

Section 3.16. Action by Written Consent. Unless otherwise restricted by the Certificate of Incorporation, any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting if all members of the Board of Directors or committee, as the case may be, consent thereto in writing or by electronic transmission, and the writing or writings or electronic transmission or transmissions are filed with the minutes of proceedings of the Board of Directors or committee. Such filing shall be in paper form if the minutes are maintained in paper form and shall be in electronic form if the minutes are maintained in electronic form.

ARTICLE IV

OFFICERS

Section 4.1. Officers. The officers of the Corporation shall consist of a President and a Secretary. The Corporation may also have, at the discretion of the Board of Directors, one or more Vice Presidents, one or more Assistant Vice Presidents, one or more Assistant Secretaries, a Treasurer and one or more Assistant Treasurers and such other officers as the Board of Directors may deem desirable or appropriate and may give any of them such further designations or alternate titles as it considers desirable. Any number of offices may be held by the same person unless the Certificate of Incorporation or these bylaws otherwise provide. In its discretion, the Board of Directors may choose not to fill any office for any period as it may deem advisable, except as required by law. The officers of the Corporation need not be stockholders of the Corporation.

Section 4.2. Election of Officers. The Board of Directors shall elect the officers of the Corporation, except such officers as may be selected in accordance with the provisions of Section 4.3 of these bylaws, and subject to the rights, if any, of an officer under any employment contract. Each officer shall hold office until his or her successor is elected and qualified or until his or her earlier death, resignation or removal. A failure to elect officers shall not dissolve or otherwise affect the Corporation. Vacancies may be filled or new offices created and filled at any meeting of the Board of Directors.

Section 4.3. Appointment of Subordinate Officers. The Board of Directors may appoint, or empower one or more Presidents of the Corporation to appoint, such other officers and agents as the business of the Corporation may require for such terms as the Board of Directors or the President, as the case may be, deems desirable. Each of such officers and agents shall hold office for such period, have such authority, and perform such duties as are provided in these bylaws or as the Board of Directors may from time to time determine.

Section 4.4. Removal and Resignation.

(a) Notwithstanding the provisions of any employment agreement, any officer of the Corporation may be removed at any time (i) by the Board of Directors, with or without cause, and (ii) by any other officer of the Corporation upon whom the Board of Directors has expressly conferred the authority to remove another officer, in such case on the terms and subject to the conditions upon which such authority was conferred upon such officer. Such removal shall be without prejudice to the contract rights, if any, of the person so removed. No elected officer shall have any contractual rights against the Corporation for compensation by virtue of such election beyond the date of the election of his successor, his death, his resignation or his removal from office, whichever event shall first occur, except as otherwise provided in an employment contract or under an employee deferred compensation plan or as otherwise required by law.

(b) Any officer may resign at any time by giving written notice to the Corporation. Any resignation shall take effect at the time specified therein or, if the time when it shall become effective is not specified therein, immediately upon receipt. Unless otherwise specified therein, the acceptance of any such resignation shall not be necessary to make it effective.

Section 4.5. Vacancies. Any vacancy occurring in any office because of death, resignation, retirement, disqualification, removal from office or otherwise may be filled as provided in Section 4.2 and/or Section 4.3 of these bylaws for the unexpired portion of the term.

Section 4.6. Compensation. Compensation of all officers shall be fixed by the Board of Directors, and no officer shall be prevented from receiving such compensation by virtue of his or her also being a director of the Corporation.

Section 4.7. Powers and Duties.

(a) The officers of the Corporation shall have such powers and duties in the management of the Corporation as shall be stated in these bylaws or in a resolution of the Board

of Directors which is not inconsistent with these bylaws and, to the extent not so stated, as generally pertain to their respective offices, subject to the control of the Board of Directors. The Board of Directors may require any officer, agent or employee to give security for the faithful performance of his or her duties.

(b) The President. The President, subject to the powers of the Board of Directors, shall have general charge of the business, affairs and property of the Corporation, and control over its officers, agents and employees; and shall see that all orders and resolutions of the Board of Directors are carried into effect. The President shall execute bonds, mortgages and other contracts requiring a seal, under the seal of the Corporation, except where required or permitted by law to be otherwise signed and executed and except where the signing and execution thereof shall be expressly delegated by the Board of Directors to some other officer or agent of the Corporation. The President shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or as may be provided in these bylaws.

(c) Secretary. The Secretary shall attend all meetings of the Board of Directors, of the committees thereof and of the stockholders and record all votes and the minutes of all proceedings in a book or books to be kept for that purpose. Under the President's supervision, the Secretary shall give, or cause to be given, notice of all meetings required to be given by these bylaws and, when appropriate, shall cause the corporate seal to be affixed to any instruments executed on behalf of the Corporation, and when so affixed, may attest the affixing by his or her signature. The Secretary shall also perform all duties incident to the office of Secretary and such other duties as may be prescribed by the Board of Directors, the President(s) or these bylaws. The Board of Directors may give general authority to any other officer to affix the seal of the Corporation and to attest the affixing by his or her signature.

(d) Other Officers, Assistant Officers and Agents. Officers, assistant officers and agents, if any, other than those whose duties are provided for in these bylaws, shall have such authority and perform such duties as may from time to time be prescribed by resolution of the Board of Directors.

Section 4.8. Delegation of Duties. In the absence, disability or refusal of any officer to exercise and perform his duties, the Board of Directors may delegate such powers or duties to another officer or to any director, or to any other person whom it may select.

ARTICLE V

STOCK

Section 5.1. Stock Certificates. The shares of capital stock of the Corporation shall be represented by certificates; provided, however, that the Board of Directors may determine by resolution that shares of some or all of any or all classes or series of stock of the Corporation shall be uncertificated and shall not be represented by certificates. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to the Corporation. Certificates representing shares of capital stock of the Corporation shall be issued in such form as may be approved by the Board of Directors.

Section 5.2. Lost, Stolen or Destroyed Certificates. The Board of Directors may direct a new certificate or certificates representing one or more shares of capital stock of the Corporation

or uncertificated shares to be issued in place of any certificate or certificates previously issued by the Corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person or entity claiming the certificate of stock to be lost, stolen or destroyed or may otherwise require production of such evidence of such loss, theft or destruction as the Board of Directors may in its discretion require. Without limiting the generality of the foregoing, when authorizing such issue of a new certificate or certificates or such uncertificated shares, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or such owner's duly authorized attorney or legal representative, to give the Corporation a bond sufficient to indemnify the Corporation against any claim that may be made against the Corporation on account of the loss, theft or destruction of any such certificate or the issuance of such new certificate.

ARTICLE VI

INDEMNIFICATION

Section 6.1. Right to Indemnification. Each person who was or is made a party or is threatened to be made a party to or is otherwise involved (including involvement, without limitation, as a witness) in any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative (a proceeding), by reason of the fact that such person is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as an employee or agent of the Corporation or as a director, officer, partner, member, trustee, administrator, employee or agent of another corporation or of a partnership, joint venture, limited liability company, trust or other enterprise, including service with respect to an employee benefit plan (an indemnitee), whether the basis of such proceeding is alleged action in an official capacity as a director or officer or in any other capacity while serving as a director or officer, shall be indemnified and held harmless by the Corporation to the fullest extent authorized by the [GCL], as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than permitted prior thereto), against all expense, liability and loss (including attorneys' fees and related disbursements, judgments, fines, excise taxes or penalties under the Employee Retirement Income Security Act of 1974, as amended from time to time (ERISA), penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such indemnitee in connection therewith and such indemnification shall continue as to an indemnitee who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the indemnitee's heirs, executors and administrators; provided, however, that, except as provided in Section 6.2 of this ARTICLE VI with respect to proceedings to enforce rights to indemnification, the Corporation shall indemnify any such indemnitee in connection with a proceeding (or part thereof) initiated by such indemnitee only if such proceeding (or part thereof) was authorized by the Board of Directors of the Corporation. The right to indemnification conferred in this Section 6.1 of this ARTICLE VI shall be a contract right and shall include the obligation of the Corporation to pay the expenses incurred in defending any such proceeding in advance of its final disposition (an advance of expenses); provided, however, that an advance of expenses incurred by an indemnitee shall be made only upon delivery to the Corporation of an undertaking (an undertaking), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal (a final adjudication).

that such indemnitee is not entitled to be indemnified for such expenses under this Section 6.1 or otherwise. The Corporation may, by action of its Board of Directors, provide indemnification and advancement of expenses to employees and agents of the Corporation with the same or lesser scope and effect as the foregoing indemnification and advancement of expenses of directors and officers.

Section 6.2. Procedure for Indemnification. Any indemnification of a director or officer of the Corporation or advance of expenses (including attorneys' fees, costs and charges) under Section 6.1 of this ARTICLE VI shall be made promptly, and in any event within forty-five days (or, in the case of an advance of expenses, twenty days, provided that the director or officer has delivered the undertaking contemplated by Section 6.1 of this ARTICLE VI), upon the written request of the director or officer. If a determination by the Corporation that the director or officer is entitled to indemnification pursuant to this ARTICLE VI is required, and the Corporation fails to respond within sixty days to a written request for indemnity, the Corporation shall be deemed to have approved the request. If the Corporation denies a written request for indemnification or advance of expenses, in whole or in part, or if payment in full pursuant to such request is not made within forty-five days (or, in the case of an advance of expenses, twenty days, provided that the director or officer has delivered the undertaking contemplated by Section 6.1 of this ARTICLE VI), the right to indemnification or advances as granted by this ARTICLE VI shall be enforceable by the director or officer in any court of competent jurisdiction. Such person's costs and expenses incurred in connection with successfully establishing his or her right to indemnification, in whole or in part, in any such action shall also be indemnified by the Corporation. It shall be a defense to any action by a director or officer for indemnification or the advance of expenses (other than an action brought to enforce a claim for the advance of expenses where the undertaking required pursuant to Section 6.1 of this ARTICLE VI, if any, has been tendered to the Corporation) that the claimant has not met the standards of conduct which make it permissible under the [GCL] for the Corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Corporation. Neither the failure of the Corporation (including its Board of Directors, independent legal counsel or its stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because such person has met the applicable standard of conduct set forth in the [GCL], nor an actual determination by the Corporation (including its Board of Directors, independent legal counsel or its stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct. The procedure for indemnification of other employees and agents for whom indemnification and advancement of expenses is provided pursuant to Section 6.1 of this ARTICLE VI shall be the same procedure set forth in this Section 6.2 for directors or officers, unless otherwise set forth in the action of the Board of Directors providing indemnification and advancement of expenses for such employee or agent.

Section 6.3. Service for Subsidiaries. Any person serving as a director, officer, employee or agent of another corporation, partnership, limited liability company, joint venture or other enterprise, at least 50% of whose equity interests are owned by the Corporation (a subsidiary for this ARTICLE VI) shall be conclusively presumed to be serving in such capacity at the request of the Corporation.

Section 6.4. Insurance. The Corporation may purchase and maintain insurance on its own behalf and on behalf of any person who is or was or has agreed to become a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Corporation would have the power to indemnify such person against such expenses, liability or loss under the [GCL].

Section 6.5. Reliance. Persons who after the date of the adoption of this provision become or remain directors or officers of the Corporation or who, while a director or officer of the Corporation, become or remain a director, officer, employee or agent of a subsidiary, shall be conclusively presumed to have relied on the rights to indemnity, advance of expenses and other rights contained in this ARTICLE VI in entering into or continuing such service. The rights to indemnification and to the advance of expenses conferred in this ARTICLE VI shall apply to claims made against an indemnitee arising out of acts or omissions which occurred or occur both prior and subsequent to the adoption hereof.

Section 6.6. Other Rights; Continuation of Right to Indemnification. The rights to indemnification and to the advance of expenses conferred in this ARTICLE VI shall not be exclusive of any other right which any person may have or hereafter acquire under this Certificate of Incorporation or under any statute, by-law, agreement, vote of stockholders or disinterested directors or otherwise. All rights to indemnification under this ARTICLE VI shall be deemed to be a contract between the Corporation and each director or officer of the Corporation who serves or served in such capacity at any time while this ARTICLE VI is in effect. Any repeal or modification of this ARTICLE VI or any repeal or modification of relevant provisions of the [GCL] or any other applicable laws shall not in any way diminish any rights to indemnification and advancement of expenses of such director or officer or the obligations of the Corporation arising hereunder with respect to any proceeding arising out of, or relating to, any actions, transactions or facts occurring prior to the final adoption of such repeal or modification.

Section 6.7. Merger or Consolidation. For purposes of this ARTICLE VI, references to the Corporation shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this ARTICLE VI with respect to the resulting or surviving corporation as he or she would have with respect to such constituent corporation if its separate existence had continued.

Section 6.8. Savings Clause. If this ARTICLE VI or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify and advance expenses to each person entitled to indemnification under Section 6.1 of this ARTICLE VI as to all expense, liability and loss (including attorneys' fees and related disbursements, judgments, fines, ERISA excise taxes and penalties, penalties and

amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person and for which indemnification or advancement of expenses is available to such person pursuant to this ARTICLE VI to the fullest extent permitted by any applicable portion of this ARTICLE VI that shall not have been invalidated and to the fullest extent permitted by applicable law.

ARTICLE VII

GENERAL PROVISIONS

Section 7.1. Reliance on Books and Records. Each director of the Corporation, each member of any committee of the Board of Directors and each officer of the Corporation shall, in the performance of his or her duties, be fully protected in relying in good faith upon the books of account or other records of the Corporation and upon such information, opinions, reports or documents presented to the Corporation by any of its officers or employees, or committees of the Board of Directors so designated, or by any other person or entity as to matters which such director or committee member reasonably believes are within such other person's or entity's professional or expert competence and who has been selected with reasonable care by or on behalf of the Corporation.

Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time, in its absolute discretion, deems proper as a reserve or reserves to meet contingencies, or for purchasing any of the shares of capital stock, warrants, rights, options, bonds, debentures, notes, scrip or other securities or evidences of indebtedness of the Corporation, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for any other proper purpose. The Board of Directors may modify or abolish any such reserve in the manner in which it was created.

In addition, a person's appearance at such meeting, in person or by proxy, shall have the same effect as a written waiver of notice and shall be deemed equivalent to such notice, except that if such person attends a meeting for the express purpose of objecting at the beginning of the meeting to the transaction of any business because the meeting is not lawfully called or convened, then such person shall not be deemed to have waived notice of such meeting.

Section 7.7. Fiscal Year. The fiscal year of the Corporation shall be fixed by resolution of the Board of Directors.

Section 7.8. Corporate Seal. The Board of Directors may provide a corporate seal which shall be in the form of a circle and shall have inscribed thereon the name of the Corporation, the year of its incorporation and the words "Corporate Seal, [STATE]". The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

Section 7.9. Voting Securities Owned By the Corporation. Powers of attorney, proxies, waivers of notice of meeting, consents, and other instruments relating to securities owned by the Corporation may be executed in the name of and on behalf of the Corporation by the President, Secretary, any Vice President, Treasurer, Assistant Secretary or Assistant Treasurer, or any other officer of the Corporation authorized to do so by the Board of Directors. Any such officer may, in the name of and on behalf of the Corporation, take all such action as any such officer may deem advisable to vote in person or by proxy at any meeting of security holders of any corporation in which the Corporation may own securities, and at any such meeting shall possess and may exercise any and all rights and power incident to the ownership of such securities and which, as the owner thereof, the Corporation might have possessed and exercised if present.

Section 7.10. Exclusive Jurisdiction. [The courts/Court of Chancery of STATE] shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director or officer of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action asserting a claim against the Corporation arising pursuant to any provision of the [GCL] or the Corporation's certificate of incorporation or by-laws or (iv) any action asserting a claim against the Corporation governed by the internal affairs doctrine.

Section 7.11. Section Headings. Section headings in these bylaws are for convenience of reference only and shall not be given any substantive effect in limiting or otherwise construing any provision herein.

Section 7.12. Inconsistent Provisions. In the event that any provision of these bylaws is

or becomes inconsistent with any provision of the Certificate of Incorporation, the [GCL] or any other applicable law, the provision of these bylaws shall not be given any effect to the extent of such inconsistency but shall otherwise be given full force and effect.

ARTICLE VIII

(b) Any indemnification of a Member, **[Manager]** or officer of the Company or advance of expenses (including attorneys' fees, costs and charges) under Section 7(a) shall be made promptly, and in any event within forty-five days (or, in the case of an advance of expenses, twenty days, provided that the director or officer has delivered the undertaking contemplated by Section 7(a)), upon the written request of the Member, **[Manager]** or officer. If a determination by the Company that the Member, **[Manager]** or officer is entitled to indemnification pursuant to this Section 7 is required, and the Company fails to respond within sixty days to a written request for indemnity, the Company shall be deemed to have approved the request. If the Company denies a written request for indemnification or advance of expenses, in whole or in part, or if payment in full pursuant to such request is not made within forty-five days (or, in the case of an advance of expenses, twenty days, provided that the Member, **[Manager]** or officer has delivered the undertaking contemplated by Section 7(a)), the right to indemnification or advances as granted by this Section 7 shall be enforceable by the Member, **[Manager]** or officer in any court of competent jurisdiction. Such person's costs and expenses incurred in connection with successfully establishing his or her right to indemnification, in whole or in part, in any such action

shall also be indemnified by the Company. It shall be a defense to any action by a Member, **[Manager]** or officer for indemnification or the advance of expenses (other than an action brought to enforce a claim for the advance of expenses where the undertaking required pursuant to Section 7(a), if any, has been tendered to the Company) that the claimant has not met the standards of conduct which make it permissible for the Company to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Company. Neither the failure of the Company (including its **[Members/Managers]** or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because such person has met the applicable standard of conduct, nor an actual determination by the Company (including its **[Members/Managers]** or independent legal counsel) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct. The procedure for indemnification of other employees and agents for whom indemnification and advancement of expenses is provided pursuant to Section 7(a) shall be the same procedure set forth in this Section 7(b) for Members, **[Managers]** or officers, unless otherwise set forth in the action of the **[Members/Managers]** providing indemnification and advancement of expenses for such employee or agent.

(c) Any person serving as a director, officer, employee or agent of a corporation, partnership, limited liability company, joint venture or other enterprise, at least 50% of whose equity interests are owned by the Company (a subsidiary for this Section 7) shall be conclusively presumed to be serving in such capacity at the request of the Company.

(d) The Company may purchase and maintain insurance on its own behalf and on behalf of any person who is or was or has agreed to become a Member, **[Manager]**, officer, employee or agent of the Company or is or was serving at the request of the Company as a director, officer, employee or agent of another limited liability company, corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss asserted against him or her and incurred by him or her in any such capacity, or arising out of his or her status as such.

(e) Persons who after the date of the adoption of this provision become or remain Members, **[Managers]** or officers of the Company or who, while a Member, **[Manager]** or officer of the Company, become or remain a Member, **[Manager]**, officer, employee or agent of a subsidiary, shall be conclusively presumed to have relied on the rights to indemnity, advance of expenses and other rights contained in this Section 7 in entering into or continuing such service. The rights to indemnification and to the advance of expenses conferred in this Section 7 shall apply to claims made against an indemnitee arising out of acts or omissions which occurred or occur both prior and subsequent to the adoption hereof.

(f) The rights to indemnification and to the advance of expenses conferred in this Section 7 shall not be exclusive of any other right which any person may have or hereafter acquire under this Agreement or under any statute, agreement, or otherwise. All rights to indemnification under this Section 7 shall be deemed to be a contract between the Company and each Member, **[Manager]** or officer of the Company who serves or served in such capacity at any time while this Section 7 is in effect. Any repeal or modification of this Section 7 or any repeal or modification of relevant provisions of the Act or any other applicable laws shall not in any way diminish any rights to indemnification and advancement of expenses of such Member, **[Manager]** or officer or the obligations of the Company arising hereunder with respect to any proceeding arising out of, or relating to, any actions, transactions or facts occurring prior to the final adoption of such repeal or modification.

(g) For purposes of this Section 7, references to the Company shall include, in addition to the resulting company, any constituent company (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had

power and authority to indemnify its Members, **[Managers]**, officers and employees or agents, so that any person who is or was a Member, **[Manager]**, officer, employee or agent of such constituent company, or is or was serving at the request of such constituent company as a director, officer, employee or agent of another limited liability company, corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this Section 7 with respect to the resulting or surviving company as he or she would have with respect to such constituent company if its separate existence had continued.

(h) If this Section 7 or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify and advance expenses to each person entitled to indemnification under Section 7(a) as to all expense, liability and loss (including attorneys' fees and related disbursements, judgments, fines, ERISA excise taxes and penalties, penalties and amounts paid or to be paid in settlement) actually and reasonably incurred or suffered by such person and for which indemnification or advancement of expenses is available to such person pursuant to this Section 7 to the fullest extent permitted by any applicable portion of this Section 7 that shall not have been invalidated and to the fullest extent permitted by applicable law.

(i) Notwithstanding anything contained herein to the contrary, any indemnity by the Company relating to the matters covered in this Section 7 shall be provided out of and to the extent of Company assets only and the Members shall have no personal liability on account thereof or shall be required to make additional capital contributions to help satisfy such indemnity of the Company.

8. Dissolution. The Company shall dissolve, and its affairs shall be wound up upon the first to occur of the following: (a) the written consent of the Members, (b) any time there are no members of the Company unless the Company is continued in accordance with the Act, or (c) the entry of a decree of judicial dissolution under the Act.

9. Capital Contributions. The Members have contributed the amount in cash and property set forth on Exhibit A hereto, and no other property, to the Company.

10. Additional Contributions. The Members are not required to make any additional capital contribution to the Company.

11. Allocations of Profits and Losses. The Company's profits and losses shall be allocated to the Members as determined by the **[Managers/Members]**.

Elected Treatment of Intercompany Claims

Treatment of Class 12 Intercompany Claims

1. General Treatment of Intercompany Claims

Each of the Debtor's Intercompany Claims, as a condition of its Reinstatement or settlement, shall receive the following treatment:

As of the Emergence Date interest will be computed on the principal balance of the Intercompany Claim outstanding at March 18, 2009 in accordance with the provisions of the Plan.

The Debtors will segregate each of the Intercompany Claims against each individual Debtor (other than Chemtura Canada) or Non-Debtor Affiliate into groupings in the same currency and then aggregate those Intercompany Claims by currency such that it will identify the consolidated claim balance by currency that each Debtor and each Non-Debtor Affiliate holds. The Debtors will then net against each consolidated claim balance by currency of each Debtor and each Non-Debtor Affiliate any intercompany account receivable or intercompany loan receivable in the same currency that existed as of March 31, 2009, to the extent not previously paid, to determine a net consolidated claim balance by currency (Net Consolidated Claim). The Debtors will only net Intercompany Claims and intercompany accounts receivable and/or loans receivable denominated in the same currency, recording Net Consolidated Claims only in the currency in which they were originally denominated.

2. Treatment of Net Consolidated Claims by Another Debtor

The treatment on Intercompany Claims is designed to result in the cancellation of all Net Consolidated Claims by one Debtor against another Debtor, other than Chemtura Canada.

For any Debtor that has a Net Consolidated Claim against a Debtor that is its parent (the Parent), the Net Consolidated Claim will be transferred to the Parent as a dividend, a reduction in capital, through a merger of the Debtor into its Parent or a liquidation of the Debtor with an associated liquidation distribution. The Parent will then cancel the Net Consolidated Claim.

For any Parent that has a Net Consolidated Claim against a Debtor that is its subsidiary, the Net Consolidated Claim will be transferred by the Parent to the Debtor as a capital contribution. The Debtor will then cancel the Net Consolidated Claim.

For any Debtor that has a Net Consolidated Claim against a Debtor that is not its subsidiary or Parent:

If the Debtor that holds the Net Consolidated Claim against another Debtor is Chemtura Corporation, Chemtura Corporation shall cause the Net Consolidated Claim to be contributed to the Debtor against whom the Net Consolidated Claim exists, such that this Debtor will cancel the Net Consolidated Claim.

Each Debtor other than Chemtura Corporation shall cause the Net Consolidated Claim to be transferred to its Parent as a dividend, a reduction in capital, through a merger of the Debtor into its Parent or a liquidation of the Debtor with an associated

liquidation distribution (a Claim Transfer). The Parent will then cause a Claim Transfer, and if required, its Parent in turn until the Net Consolidated Claim is either held by the Debtor who has the obligation to under the Intercompany Claim or it can be contributed by its Parent to that Debtor. That Debtor will cancel this Net Consolidated Claim.

Should any of these steps likely result in the creation or recognition of a tax liability, the Net Consolidated Claim shall remain outstanding and will be re-documented as a loan under a standard form of loan agreement. The treatment of Net Consolidated Claims between Debtors may be affected in conjunction with restructuring transactions described in Section 5.24 of the Plan and further described in this Plan Supplement.

3. Treatment of Net Consolidated Claims by a Non-Debtor Affiliate

Net Consolidated Claims of Non-Debtor Affiliates against any Debtor will be treated as follows:

If a non-Debtor Affiliate has a Net Consolidated Claim against a Debtor that relates to services provided to a Debtor, whether the cost of those services were charged to the Debtor plus a mark-up or a fee, is Net Consolidated Claim of a joint venture in which a Debtor has a 50% of greater Equity Interest, or the Net Consolidated Claim is less than \$105,000, then the Net Consolidated Claim will be settled in cash on or before December 31, 2010. The estimated value of Net Consolidated Claims to be settled in cash in accordance with this provision is approximately \$1.0 million. In addition, Chemtura Corporation may, if required, repay up to \$22.5 million of its loan from Crompton Financial Services, an Irish Non-Debtor Affiliate.

All other Non-Debtor Affiliate Net Consolidated Claims by currency against a Debtor will be re-documented under a standard form of loan agreement. If required by the operation of law or regulation, to minimize the payment of taxes or other circumstances to the benefit of the Debtor, the form of the standard loan agreement may be modified. At the election of the Debtor, a Net Consolidated Claim in a currency other than US\$ may be converted to a US\$ denominated loan as of the Emergence Date.

The attached exhibits of Intercompany Claims by Debtor tabulate for each Debtor the aggregate Intercompany Claims held by other Debtors and Non-Debtor Affiliates as of March 18, 2009 plus estimated post-petition interest, where specified, for the period ending September 30, 2010, the computation of Net Consolidated Claims and the balance of loans payable after the application of the treatment of Intercompany Claims articulated above. For the purpose of presentation, all Intercompany Claims denominated in a currency other than US\$ have been translated at the spot foreign exchange rate as of March 18, 2009.

4. Treatment of Chemtura Canada Intercompany Claims

Consistent with the treatment of Unsecured Claims against Chemtura Canada pursuant to the Plan, all Intercompany Claims against Chemtura Canada will remain unaffected and will pass through the chapter 11 cases.

New Incentive Plan

CHEMTURA CORPORATION 2010 LONG-TERM INCENTIVE PLAN

Section 1 Purpose.

The purpose of the Chemtura Corporation 2010 Long-Term Incentive Plan (hereinafter referred to as the Plan) is to (a) advance the interests of Chemtura Corporation (Chemtura), its Subsidiaries and affiliates (Chemtura and its Subsidiaries and affiliates are collectively referred to as the Company), and its stockholders by providing incentives and rewards to those directors, officers, other employees and persons who provide services to the Company who are in a position to contribute to the long term growth and profitability of the Company, (b) assist the Company in attracting, retaining, and developing highly qualified employees for the successful conduct of their business, and (c) create a competitive compensation program.

Section 2 Definitions.

2.1 Award means any award under the Plan. All Awards shall be granted by, confirmed by, and subject to the terms of, a written agreement executed by the Company and the Participant.

2.2 Board means the Board of Directors of Chemtura.

2.3 Cause means, unless otherwise determined by the Committee in the applicable Award agreement, with respect to a Participant's termination of employment or service with the Company, the following:

(a) *The Participant is a Party to an Agreement that Defines Cause.* In the case where there is an employment agreement, consulting agreement, change in control agreement or similar agreement in effect between the Company and the Participant at the time of the grant of the Award that defines cause (or words of like import), cause as defined under such agreement; provided, however, that with regard to any agreement under which the definition of cause only applies on occurrence of a change in control, such definition of cause shall not apply until a change in control actually takes place and then only with regard to a termination thereafter; or

(b) *The Participant is Not a Party to an Agreement that Defines Cause.* In the case where there is no employment agreement, consulting agreement, change in control agreement or similar agreement in effect between the Company and the Participant at the time of the grant of the Award (or where there is such an agreement but it does not define cause (or words of like import)), termination due to a Participant's (i) theft, fraud, embezzlement or intentional disclosure of confidential and/or proprietary information; (ii) conduct or plans to engage in conduct that would be considered competition with the Company; (iii) willful disregard for or neglect by the Participant of his or her duties or the interests of the Company; (iv) commission of, indictment for, conviction of, or pleading of guilty or *nolo contendere* to, a felony or any crime involving moral turpitude; (v) breach of fiduciary duty, duty of loyalty or other breach of trust; or (vi) any willful act against the material financial interests of the Company. For purposes of the Plan, the Committee reserves the right, in its sole discretion, to make a determination as to whether a Participant's termination was for Cause after the actual termination of employment or service based on facts and circumstances discovered subsequent to such termination.

2.4 Change in Control shall mean, unless otherwise determined by the Committee in the applicable Award agreement, the occurrence of any one or more of the following events:

(a) any person as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company, or any company owned, directly or indirectly, by the stockholders of Chemtura in substantially the same proportions as their ownership of Stock of Chemtura or any person who owns five percent (5%) or more of the Stock of Chemtura on the date of Chemtura's emergence from Chapter 11 bankruptcy proceedings (a Five Percent Owner)), becoming the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of Chemtura representing more than fifty percent (50%) of the combined voting power of Chemtura's then outstanding securities;

(b) any person as such term is used in Sections 13(d) and 14(d) of the Exchange Act (other than the Company, any trustee or other fiduciary holding securities under any employee benefit plan of the Company, any company owned, directly or indirectly, by the stockholders of Chemtura in substantially the same proportions as their ownership of Stock of Chemtura or a Five Percent Owner), becoming the beneficial owner (as defined in Rule 13d-3 under the Exchange Act) in one or a series of related transactions during any twelve (12)-month period, directly or indirectly, of securities of Chemtura representing thirty percent (30%) or more of the combined voting power of Chemtura's then outstanding securities;

(c) during any one-year period, individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with Chemtura to effect a transaction described in paragraph (a), (b), (d) or (e) of this definition of Change in Control or a director whose initial assumption of office occurs as a result of either an actual or threatened election contest (as such term is used in Rule 14a-11 of Regulation 14A promulgated under the Exchange Act) or other actual or threatened solicitation of proxies or consents by or on behalf of a person other than the Board) whose election by the Board or nomination for election by Chemtura's stockholders was approved by a vote of at least two-thirds (2/3) of the directors then still in office who either were directors at the beginning of the one-year period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the Board;

(d) a merger or consolidation of the Company with any other company, other than a merger or consolidation which would result in either (A) a Five Percent Owner beneficially owning more than fifty percent (50%) of the combined voting power of the voting securities of Chemtura or the surviving entity (or the ultimate parent company of Chemtura of the surviving entity) or (B) the voting securities of Chemtura outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity) more than fifty percent (50%) of the combined voting power of the voting securities of Chemtura or such surviving entity outstanding immediately after such merger or consolidation (or the ultimate parent company of the Company or such surviving entity); provided, however, that a merger or consolidation effected to implement a

recapitalization of the Company (or similar transaction) in which no person (other than those covered by the exceptions in subparagraphs (b) and (c)) acquires more than fifty percent (50%) of the combined voting power of Chemtura's then outstanding securities shall not constitute a Change in Control; or

(e) the consummation of a sale or disposition of all or substantially all the assets of the Company, in one or a series of related transactions during any twelve (12)-month period, other than the sale or disposition of all or substantially all of the assets of the Company to a Five Percent Owner or a person or persons who beneficially own, directly or indirectly, more than fifty percent (50%) of the combined voting power of the outstanding voting securities of Chemtura at the time of the sale.

(f) Notwithstanding the foregoing, with respect to any Award that is characterized as nonqualified deferred compensation within the meaning of Section 409A of the Code, an event shall not be considered to be a Change in Control under the Plan for purposes of payment of such Award unless such event is also a change in ownership, a change in effective control or a change in the ownership of a substantial portion of the assets of the Company within the meaning of Section 409A of the Code.

(a) *The Participant is a Party to an Agreement that Defines Good Reason.* In the case where there is an employment agreement, change in control agreement or similar agreement in effect between the Company and the Participant at the time of the grant of the Award that defines good reason (or words or a concept of like import), a termination due to good reason (or words or a concept of like import), as defined in such agreement at the time of the grant of the Award, and, for purposes of the Plan, as determined by the Committee in its sole discretion; provided that any definition that is effective under an employment agreement, change in control agreement or similar agreement after a change in control shall only be effective for purposes of the Plan after a change in control; or

Any Eligible Employee, Non-Employee Director or individual who performs services for the Company, or each member of any group of Eligible Employees or Non-Employee Directors or such individuals, to whom the Committee has granted an Award, shall be deemed a Participant with respect to such Award.

Section 4 Administration.

4.1 **Committee.** The Plan shall be administered and interpreted by the Committee, which shall have sole authority to make rules and regulations for the administration of the Plan. At any time that a member of the Committee is not a Qualified Member, (i) any action of the Committee relating to an Award intended by the Committee to qualify as performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder may be taken by a subcommittee, designated by the Committee or the Board, composed solely of two or more Qualified Members, and (ii) any action relating to an Award granted or to be granted to a Participant who is then subject to Section 16 of the Exchange Act in respect of the Company may be taken either by the Board, a subcommittee of the Committee consisting of two or more Qualified Members or by the Committee but with each such member who is not a Qualified Member abstaining or recusing himself or herself from such action, provided that, upon such abstention or recusal, the Committee remains composed of two or more Qualified Members. Such action, authorized by such a subcommittee or by the Committee upon the abstention or recusal of such non-Qualified Member(s), shall be the action of the Committee for purposes of the Plan. Other provisions of the Plan notwithstanding, the Board may perform any function of the Committee under the Plan, and that authority specifically reserved to the Board under the terms of the Plan, Chemtura's Articles of Incorporation, By-Laws, or applicable law shall be exercised by the Board and not by the Committee. The Board shall serve as the Committee in respect of any Awards made to any Non-Employee Director.

The interpretations and decisions of the Committee with regard to the Plan shall be final and conclusive and binding upon all Participants. The Committee may request advice or assistance or employ such persons (including, without limitation, legal counsel and accountants) as it deems necessary for the proper administration of the Plan. The Committee shall: (i) adopt, amend, suspend, and rescind such rules and regulations and appoint such agents as the Committee may deem necessary or advisable to administer the Plan; (ii) correct any defect or supply any omission or reconcile any inconsistency in the Plan and to construe and interpret the Plan and any Award, rules and regulations, Award agreement, or other instrument hereunder; (iii) make determinations relating to eligibility for and entitlements in respect of Awards, and to make all factual findings related thereto; and (v) take any other action desirable or necessary to interpret, construe or implement properly the provisions of the Plan. In addition, the Committee may from time to time establish one or more sub-plans under the Plan by adopting supplements to the Plan containing (i) such limitations as the Committee deems necessary or desirable, and (ii) such additional terms and conditions not otherwise inconsistent with the Plan as the Committee shall deem necessary or desirable. All sub-plans adopted by the Committee shall be deemed to be part of the Plan.

4.2 **Delegation by Committee.** Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, or as provided in Section 13, the Committee may delegate, on such terms and conditions as it determines in its sole and absolute discretion, to one or more senior executives of the Company (i) the authority to make grants of Awards to Eligible Employees (other than Executive Officers) or individuals who perform services for the Company and (ii) other administrative responsibilities. Any such allocation or delegation may be revoked by the Committee at any time.

4.3 *Limitation of Liability.* Each member of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him by any officer or other employee of the Company, the Company's independent certified public accountants, or any executive compensation consultant, legal counsel, or other professional retained by the Company to assist in the administration of the Plan. No member of the Committee, nor any officer or employee of the Company acting on behalf of the Committee, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Committee and any officer or employee of the Company acting on behalf of the Committee or members thereof shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action, determination, or interpretation.

Section 5 Awards.

5.1 *Types of Awards.* The Committee shall have the discretion to determine the type of Awards to be granted under the Plan. Such Awards may be in a form payable in either Stock or cash, including, but not limited to, Stock Option Awards, Stock, Restricted Stock, bonus Stock, SARs, Stock Units, Performance Awards and dividend equivalents or a combination thereof. The Committee is authorized to grant Awards as a bonus, or to grant Awards in lieu of obligations of the Company to pay cash or grant other awards under other plans or compensatory arrangements, to the extent permitted by such other plans or arrangements. All Awards shall be made pursuant to Award agreements (which may be in electronic form) between the Participant and the Company or such other plans as the Committee may adopt from time to time. The agreements or plans shall be in such form as the Committee approves from time to time.

5.2 *Terms and Conditions of Awards.* The Committee shall determine the size of each Award to be granted (including, where applicable, the number of shares of Stock to which an Award will relate), and all other terms and conditions of each such Award (including, but not limited to, any exercise price, grant price, or purchase price, any restrictions or conditions relating to transferability, forfeiture, exercisability, or settlement of an Award, and any schedule or performance conditions for the lapse of such restrictions or conditions, and accelerations or modifications thereof, based in each case on such considerations as the Committee shall determine). The Committee may determine whether, to what extent, and under what circumstances an Award may be settled, or the exercise price of an Award may be paid, in cash, shares of Stock, other Awards, or other consideration, or an Award may be canceled, forfeited, or surrendered. The right of a Participant to exercise or receive a grant or settlement of any Award, and the timing thereof, may be subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and measures of performance as it may deem appropriate in establishing performance conditions, and may exercise its discretion to reduce or increase the amounts payable under any Award subject to performance conditions, except as limited under Section 13.1 in the case of a Qualified Performance-Based Award intended to qualify under Code Section 162(m). Notwithstanding the foregoing, the period during which an Award may remain outstanding shall not exceed ten (10) years from the date the Award is granted.

5.3 Maximum Amount Available. The total number of shares of Stock that may be delivered to Participants or their beneficiaries pursuant to all Awards granted under this Plan shall not exceed [¹] shares, subject to Section 5.6. Solely for the purpose of computing the foregoing maximum shares of Stock limitation under this Plan, there shall not be counted: (i) any shares which have been forfeited or lapse under the Plan and (ii) any shares deliverable pursuant to an Award which, prior to such computation, has terminated in accordance with its terms or has been cancelled by the Participant or the Company. With respect to SARs settled in Stock, upon settlement, only the number of shares of Stock delivered to a Participant (based on the difference between the Market Price of the shares of Stock subject to such SAR on the date such SAR is exercised and the base price of each SAR on the date such SAR was awarded) shall count against the aggregate and per-participant share limitations set forth in this Section 5.3, and Sections 5.4 and 5.5. Any Award under the Plan settled in cash shall not be counted against the foregoing maximum share limitations.

5.4 Award-Specific Limitations. The total number of shares of Stock available for delivery under the Plan pursuant to Awards of Incentive Stock Options shall not exceed the total number of shares defined above in Section 5.3, subject to Section 5.6.

5.5 Per-Participant Limitation on Stock-Based Awards. In any calendar year, no Participant may be granted Awards that relate to more than [²] shares of Stock, subject to Section 5.6. In addition, no more than [³] shares of Stock and no more than \$5,000,000, in each case, pursuant to any Performance Awards shall be granted to one individual in a calendar year unless pursuant to a multi-year Award. This Section 5.5 shall apply only with respect to Awards that are denominated by a specified number of shares of Stock, even if the Award may be settled in cash or a form other than Stock. If the number of shares of Stock ultimately payable in respect of an Award is a function of future achievement of performance targets, then for purposes of this limitation, the number of shares of Stock to which such Award relates shall equal the number of shares of Stock that would be payable assuming maximum performance was achieved.

5.6 Adjustment in the Event of Recapitalization, etc. In the event of any change in the outstanding shares of Chemtura by reason of any stock split, stock dividend, recapitalization, merger, consolidation, combination or exchange of shares or other similar corporate change or in the event of any special distribution to the stockholders, the Committee shall make such equitable adjustments in the number of shares and prices per share applicable to options then outstanding and in the number of shares which are available thereafter for other Awards, both under the Plan as a whole and with respect to individuals and Award type. In addition, the Committee is authorized to make adjustments in the terms and conditions of, and the criteria included in, Awards (including cancellation of Awards in exchange for the intrinsic (i.e., in-the-money) value, if any, of the vested portion thereof, substitution of Awards using securities or other obligations of a successor or other entity, acceleration of the expiration date for Awards, or adjustment to performance goals in respect of Awards) in recognition of unusual or nonrecurring events (including events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company, the financial statements of the

Company, or in response to changes in applicable laws, regulations, or accounting principles. Fractional shares of Stock resulting from any adjustment in Awards pursuant to this Section shall be aggregated until, and eliminated at, the time of exercise by rounding-down for fractions less than one-half and rounding-up for fractions equal to or greater than one-half. No cash settlements shall be made with respect to fractional shares eliminated by rounding. Notice of any adjustment shall be given by the Committee to each Participant whose Award has been adjusted and such adjustment (whether or not such notice is given) shall be effective and binding for all purposes of the Plan. Notwithstanding the foregoing, if any such event will result in a Change in Control, then if the document governing such acquisition (e.g., merger agreement) specifies the treatment of outstanding Awards (including cashing-out Awards), such treatment shall govern without the need for any action by the Committee. Any such adjustment shall be conclusive and binding for all purposes of the Plan.

5.7 *Stand-Alone, Additional, Tandem, and Substitute Awards.* Subject to Section 6.3, Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company or any business entity to be acquired by the Company, or any other right of a Participant to receive payment from the Company, and in granting a new Award, the Committee may determine that the value of any surrendered Award or Award may be applied to reduce the exercise price of any Stock Option Award or SAR or purchase price of any other Award.

Section 6 Stock Options.

6.1 *Award Types.* The Company may award options to purchase Stock (hereinafter referred to as Stock Option Awards) to such Participants as the Committee authorizes and under such terms as the Committee establishes. The Committee shall determine with respect to each Stock Option Award, and designate in the grant, whether a Participant is to receive an Incentive Stock Option or a Non-Qualified Stock Option, or combination thereof. Notwithstanding the foregoing, Incentive Stock Options may be granted only to Eligible Employees. To the extent that any Stock Option Award does not qualify as an Incentive Stock Option (whether because of its provisions or the time or manner of its exercise or otherwise), such Stock Option Award or the portion thereof which does not so qualify shall constitute a separate Non-Qualified Stock Option.

6.2 *Exercise Price.* The exercise price of each share of Stock subject to a Stock Option Award shall be specified in the grant. If the Participant to whom an Incentive Stock Option is granted owns, at the time of the grant, more than ten percent (10%) of the combined voting power of the Participant's employer or a parent or subsidiary of the employer, the exercise price of each share of Stock subject to such grant shall be not less than one hundred ten percent (110%) of the price described in the preceding sentence.

6.3 *Repricing.* Notwithstanding anything herein to the contrary, unless otherwise provided in an Award agreement, the Committee may, at its sole and absolute discretion, (i) lower the strike price of a Stock Option Award after it is granted, or take any other action with the effect of lowering the strike price of a Stock Option Award after it is granted, or (ii) permit the cancellation of a Stock Option Award in exchange for another Award.

6.4 Duration of Stock Option Awards. A Stock Option Award by its terms shall be of no more than ten (10) years duration, except that an Incentive Stock Option granted to a Participant who, at the time of the grant, owns Stock representing more than ten percent (10%) of the combined voting power of the Participant's employer or a parent or subsidiary of the employer shall by its terms be of no more than five (5) years duration.

6.5 Exercisability. Stock Option Awards shall be exercisable at such time as the Committee shall determine and specify in the grant provided, however, that, unless otherwise provided in an Award agreement, Stock Option Awards shall also be exercisable as follows:

(a) if a Participant's employment or service terminates by reason of death, any Stock Option Award held by such Participant or any permitted transferee of such Participant may thereafter be exercised, to the extent then exercisable, for a period of two years from the date of such death or until the expiration of the stated term of such Stock Option Award, whichever period is shorter;

(b) if a Participant's employment or service terminates by reason of Disability, any Stock Option Award held by such Participant or any permitted transferee of such Participant may thereafter be exercised, to the extent it was exercisable at the time of termination, for a period of two years from the date of such termination of employment or service or until the expiration of the stated term of such Stock Option Award, whichever period is shorter; provided, however, that, if the holder of the Stock Option Award dies while any such Stock Option Award remains exercisable, any unexercised Stock Option Award so held at death shall continue to be exercisable to the extent to which it was exercisable at the time of such holder's death for a period of 12 months from the date of such death or until the expiration of the stated term of such Stock Option Award, whichever period is shorter. In the event of termination of employment by reason of Disability, if an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Stock Option Award will thereafter be treated as a Non-Qualified Stock Option;

(c) If a Participant's employment or service terminates by reason of Retirement, any Stock Option Award held by such Participant or any permitted transferee of such Participant may thereafter be exercised by the holder, to the extent it was exercisable at the time of Retirement, for a period of five years from the date of such termination of employment or service or until the expiration of the stated term of such Stock Option Award, whichever period is the shorter; provided, however, that if the holder dies within such five-year period, any unexercised Stock Option Award held by such holder shall, notwithstanding the expiration of such five-year period, continue to be exercisable to the extent to which it was exercisable at the time of death for a period of 12 months from the date of such death or until the expiration of the stated term of such Stock Option Award, whichever period is shorter. In the event of termination of employment by reason of Retirement, if an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for the purposes of Section 422 of the Code, such Stock Option Award will thereafter be treated as a Non-Qualified Stock Option;

(d) if a Participant's employment or service terminates for any reason other than death, Disability, Retirement, or Cause, any Stock Option Awards held by such Participant or any permitted transferee of such Participant may thereafter be exercised by the holder, to the

extent it was exercisable at the time of termination, for a period of 90 days from the date of such termination of employment or service or until the expiration of the stated term of such Stock Option Award, whichever period is shorter; provided, however, that if the holder dies within such 90-day period, any unexercised Stock Option Award so held shall, notwithstanding the expiration of such 90-day period, continue to be exercisable to the extent to which it was exercisable at the time of death for a period of 12 months from the date of such death or until the expiration of the stated term of such Stock Option Award, whichever period is shorter. If a Participant's employment or service is terminated for Cause, all rights under any Stock Option Award (whether vested or unvested) held by such Participant or any permitted transferee of such Participant shall expire immediately upon the giving to the Participant of notice of such termination.

Notwithstanding anything the foregoing, in no event may a Stock Option Award be exercised after its expiration date.

6.6 Manner of Exercise. A Stock Option Award may be exercised by the Participant (or, if the Stock Option Award has been duly transferred, the transferee) with respect to part or all of the shares subject to the Stock Option Award by giving written notice to the Company or its designee of the exercise of the option according to such procedures as the Company may establish.

6.7 Payment of Exercise Price. The exercise price for the shares for which an option is exercised shall be paid by the exercisor within ten (10) business days after the date of exercise and the terms of the Stock Option Award may provide that the exercise price may be paid:

- (a) in cash;
- (b) in whole shares of Stock owned by the exercisor prior to exercising the option;
- (c) by having the Company withhold shares that otherwise would be delivered to the exercisor pursuant to the exercise of the option in an amount equal in value to the exercise price;
- (d) in a combination of either cash and delivery of shares, or cash and withholding of shares; or
- (e) by whatever other means the Committee may deem appropriate.

The value of any share of Stock delivered or withheld in payment of the exercise price shall be its Market Price on the date the option is exercised.

6.8 Limits on Incentive Stock Options. The aggregate Market Price of all shares of Stock with respect to which Incentive Stock Options are exercisable for the first time by a Participant in any one calendar year, under this Plan or any other stock option plan maintained by the Company, shall not exceed \$100,000. The Market Price shall be determined on the date the related Stock Option Award is granted.

Section 7 Grants of Stock.

7.1 Award Types. The Committee may grant, either alone or in addition to other Awards granted under the Plan, shares of Stock or Restricted Stock (hereinafter referred to as a Stock Award) to such Participants as the Committee authorizes and under such terms as the Committee establishes. The Committee, in its discretion, may also make a cash payment to a Participant granted shares of Stock or Restricted Stock under the Plan to allow such Participant to satisfy tax obligations arising out of receipt of the Stock or Restricted Stock.

7.2 Rights as a Stockholder. The Participant shall have, with respect to Restricted Stock, all of the rights of a stockholder of Chemtura, including the right to vote the shares, *except* that a Participant's right to receive any dividends shall be subject to the same vesting period as the Restricted Stock to which such dividend rights relate, and shall be payable as soon as administratively practicable after the vesting thereof (but in any event by March 15 following the year in which vesting occurs).

7.3 Award and Certificate. Participants who receive Restricted Stock shall not have any right with respect to such Award, unless and until such Participant has delivered a fully executed copy of the agreement evidencing the Award to the Company (which may be in electronic form), to the extent required by the Committee, and has otherwise complied with the applicable terms and conditions of such Award. Further, Awards of Restricted Stock must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the grant date, by executing a Restricted Stock agreement and by paying whatever price (if any) the Committee has designated thereunder. Each Participant receiving Restricted Stock shall be issued a stock certificate in respect of such shares of Restricted Stock, unless the Committee elects to use another system, such as book entries by the transfer agent, as evidencing ownership of shares of Restricted Stock. Such certificate shall be registered in the name of such Participant, and shall, in addition to such legends required by applicable securities laws, bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Award, substantially in the following form:

The anticipation, alienation, attachment, sale, transfer, assignment, pledge, encumbrance or charge of the shares of stock represented hereby are subject to the terms and conditions (including forfeiture) of the Chemtura Corporation (the Company) 2010 Long-Term Incentive Plan (the Plan) and an agreement entered into between the registered owner and the Company dated _____. Copies of such Plan and agreement are on file at the principal office of the Company.

7.4 Transferability. Restricted Stock may not be sold or transferred by the Participant until any restrictions that have been established by the Committee have lapsed.

7.5 Forfeiture. Unless otherwise set forth in an Award agreement, upon a termination by the Participant or the Company of the Participant's employment or service for any reason during the period any restrictions are in effect, all Restricted Stock held by the Participant shall be forfeited without compensation to the Participant.

Section 8 SARs.

8.1 **General Requirements.** The Committee may grant Awards of Stock appreciation rights (SARs) to any Participant, upon such terms and conditions as the Committee deems appropriate under this Section 8. Each SAR shall represent the right of the Participant to receive, upon settlement of the SAR, shares of Stock or cash equal to the amount by which the Market Price of a share of Stock on the date of exercise of the SAR exceeds the base amount of the SAR as described below in Section 8.3.

8.2 **Terms of SARs.** The Committee shall determine the terms and conditions of SARs and may grant SARs separately from or in tandem with any Stock Option Award (for all or a portion of the applicable Stock Option Award). Tandem SARs may be granted either at the time the Stock Option Award is granted or any time thereafter while the Stock Option Award remains outstanding; provided, however, that in the case of an Incentive Stock Option, SARs may be granted only at the time of the grant of the Incentive Stock Option. The Committee will determine the number of SARs to be granted, the base amount, the vesting and other restrictions applicable to SARs and the period during which SARs will remain exercisable. A SAR Award by its term shall be of no more than ten (10) years duration.

8.3 **Payment With Respect to SARs.** The Committee shall determine whether the appreciation in a SAR shall be paid in the form of cash, in Stock, or in a combination thereof, in such proportion as the Committee deems appropriate. For purposes of calculating the number of shares of Stock to be received, Stock shall be valued at its Market Price on the date of exercise of the SAR. If shares of Stock are to be received upon exercise of a SAR, cash shall be delivered in lieu of any fractional share.

8.4 **Requirement of Employment or Service.** SARs shall be exercisable at such time as the Committee shall determine and specify in the grant provided, however, that, unless otherwise provided in an Award agreement, SARs shall also be exercisable in the same manner as set forth in Section 6.5.

8.5 **Repricing.** Notwithstanding anything herein to the contrary, unless otherwise provided in the Award agreement, the Committee may, at its sole and absolute discretion, (i) lower the base amount of a SAR after it is granted, or take any other action with the effect of lowering the base amount of a SAR after it is granted, or (ii) permit the cancellation of a SAR in exchange for another Award.

Section 9 Stock Units.

9.1 **General Requirements.** The Committee may grant Stock Units to any Participant, upon such terms and conditions as the Committee deems appropriate under this Section 9. Each Stock Unit shall represent the right of the Participant to receive a share of Stock or an amount based on the value of a share of Stock. All Stock Units shall be credited to accounts on the Company's records for purposes of the Plan.

9.2 **Terms of Stock Units.** The Committee may grant Stock Units that are payable if specified performance goals or other conditions are met, or under other circumstances. Stock Units may be paid at the end of a specified period, or payment may be deferred to a date authorized by the Committee. The Committee shall determine the number of Stock Units to be granted and the requirements applicable to such Stock Units.

9.3 *Payment With Respect to Stock Units.* Payment with respect to Stock Units shall be made in cash, in Stock, or in a combination thereof, as determined by the Committee, and at such times as specified in the Award agreement in accordance with section 409A of the Code. The Award agreement shall specify the maximum number of shares that shall be paid under the Stock Units.

9.4 *Requirement of Employment or Service.* The Committee shall determine in the Award agreement under what circumstances a Participant may retain Stock Units after termination of the Participant's employment or service, and the circumstances under which Stock Units may be forfeited. Unless otherwise set forth in an Award agreement, upon a termination by the Participant or the Company of the Participant's employment or service for any reason during the period any restrictions are in effect, all Stock Units held by the Participant shall be forfeited without compensation to the Participant.

Section 10 Dividend Equivalents.

When the Committee makes a grant of a Full-Value Award under the Plan, the Committee may grant Dividend Equivalents in connection with such Awards, under such terms and conditions as the Committee deems appropriate under this Section 10. Dividend Equivalents may be paid to Participants currently or may be deferred, as determined by the Committee, subject to the limitations of Code Section 409A. All Dividend Equivalents that are not paid currently shall be credited to accounts on the Company's records for purposes of the Plan. Unless otherwise specified in the Award agreement, Dividend Equivalents shall be subject to the same vesting period as the Award to which they relate and shall be payable as soon as administratively practicable after the vesting thereof (but in any event by March 15 following the year in which vesting occurs). Dividend Equivalents may be accrued as a cash obligation, or may be converted to Stock Units for the Participant, as determined by the Committee. Unless otherwise specified in the Award agreement, deferred Dividend Equivalents will not accrue interest. The Committee may provide that Dividend Equivalents shall be payable based on the achievement of specific performance goals.

Section 11 Performance Awards.

11.1 *Award Types.* The Committee may grant, either alone or in addition to other Awards granted under the Plan, Awards of Stock and other Awards that are valued in whole or in part by reference to, or are otherwise based on, the Market Price of Stock, or other securities of the Company, based on the performance of the Company (Performance Awards) to such Participants as the Committee authorizes and under such terms as the Committee establishes. Performance Awards may be paid in Stock, Restricted Stock or other securities of the Company, cash or any other form of property as the Committee shall determine.

11.2 *Terms and Conditions of Awards.* Performance Awards shall entitle the Participant to receive an Award if the measures of performance established by the Committee are met. The measures of performance shall be established by the Committee in its absolute

discretion. The Committee shall determine the times at which Performance Awards are to be made and all conditions of such Awards. Notwithstanding the foregoing, if a Participant terminates employment or service during a performance period applicable to a Performance Award because of death or Disability, such Participant shall be entitled to a payment with respect to each such outstanding Performance Award at the end of the applicable performance period:

(i) based, to the extent relevant under the terms of the Award, upon the Participant's performance for the portion of such performance period ending on the date of termination and the performance of the Company or any applicable business unit for the entire performance period, and

(ii) prorated for the portion of the performance period during which the Participant was employed by, or provided services to, the Company, all as determined by the Committee.

If a Participant ceases employment or service during a performance period for any other reason, then such Participant shall not be entitled to any payment with respect to any unvested Performance Award.

Section 12 Other Awards.

The Committee may grant other Awards that are cash-based or based on, measured by or payable in Stock to Participants, on such terms and conditions as the Committee deems appropriate under this Section 12. Other Awards may be granted subject to achievement of performance goals or other conditions and may be payable in Stock or cash, or in a combination thereof, as determined by the Committee in the Award agreement or applicable plan.

Section 13 Qualified Performance-Based Awards.

13.1 Performance Awards Granted to Designated Covered Employees. If the Committee determines that an Award to be granted to a Participant who is designated by the Committee as likely to be a Covered Employee (as defined below) should qualify as performance-based compensation for purposes of Code Section 162(m), the grant, exercise, and/or settlement of such Award (a Qualified Performance-Based Award) shall be contingent upon achievement of preestablished performance goals and other terms set forth in this Section 13. This Section 13 shall not apply to Awards that otherwise qualify as performance-based compensation by reason of Regulation 1.162-27(e)(2)(vi) (relating to certain stock options and stock appreciation rights).

(a) Performance Goals Generally. The performance goals for such Qualified Performance-Based Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each such criterion, as specified by the Committee consistent with this Section 13.1. Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder, including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Qualified Performance-Based Awards shall be granted, exercised, and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be

achieved as a condition to grant, exercise, and /or settlement of such Qualified Performance-Based Awards. Performance goals may differ for Qualified Performance-Based Awards granted to any one Participant or to different Participants.

(b) Business Criteria. One or more of the following business criteria, either alone or in any combination, for the Company, on a consolidated basis, and/or for specified Subsidiaries, divisions, or other business units of Chemtura (where the criteria are applicable), shall be used by the Committee in establishing performance goals for such Qualified Performance-Based Awards, which shall include or exclude discontinued operations, acquisition expenses and restructuring expenses and/or other one-time or extraordinary items of income, revenue or expense as the Committee may determine: (i) earnings; (ii) net income; (iii) net income applicable to stock; (iv) revenue; (v) cash flow; (vi) return on assets; (vii) return on net assets; (viii) return on invested capital; (ix) return on equity; (x) profitability; (xi) economic value added; (xii) operating margins or profit margins; (xiii) earnings or income before income taxes; (xiv) earnings or income before interest and income taxes; (xv) income before interest, income taxes, depreciation and amortization; (xvi) total stockholder return; (xvii) book value; (xviii) expense management; (xix) capital structure and working capital; (xx) strategic business criteria, consisting of one or more objectives based on meeting specified revenue, gross profit, market penetration, geographic business expansion, cost targets or goals relating to acquisitions or divestitures; (xxi) costs; (xxii) employee morale or productivity; (xxiii) customer satisfaction or loyalty; (xxiv) customer service; (xxv) compliance programs; and (xxvi) safety. The foregoing criteria shall have any reasonable definitions that the Committee may specify, which may include or exclude any or all of the following items: extraordinary, unusual or non-recurring items; effects of accounting changes; effects of currency fluctuations; effects of financing activities (e.g., effect on earnings per share of issuing convertible debt securities); expenses for restructuring, productivity initiatives or new business initiatives; non-operating items; effects of acquisitions and divestitures, including, but not limited to, purchase accounting, income and losses on discontinued operations and gains and losses on the sale of businesses; reorganization effects; fresh start accounting effects; and gains and losses on the extinguishment of debt. Any such performance criterion or combination of such criteria may apply to the Participant's Award in its entirety or to any designated portion or portions of the Award, as the Committee may specify.

(c) Performance Period; Timing for Establishing Qualified Performance-Based Award Terms. Achievement of performance goals in respect of such Qualified Performance-Based Awards shall be measured over a performance period of up to 10 years, as specified by the Committee. Performance goals, amounts payable upon achievement of such goals, and other material terms of Qualified Performance-Based Awards shall be established by the Committee (i) while the performance outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period.

(d) Qualified Performance-Based Award Pool. The Committee may establish a Qualified Performance-Based Award pool, which shall be an unfunded pool, for purposes of measuring performance of the Company in connection with Qualified Performance-Based Awards. The amount of such Qualified Performance-Based Award pool shall be based upon the

achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 13.1(b) hereof during the given performance period, as specified by the Committee in accordance with Section 13.1(c) hereof. The Committee may specify the amount of the Qualified Performance-Based Award pool as a percentage of any of such business criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such business criteria. In such case, Qualified Performance-Based Awards may be granted as rights to payment of a specified portion of the Qualified Performance-Based Award pool, and such grants shall be subject to the requirements of Section 13.1(c).

(e) **Settlement of Qualified Performance-Based Awards; Other Terms.** Settlement of such Qualified Performance-Based Awards shall be in cash, Stock, or other Awards, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a settlement otherwise to be made in connection with such Qualified Performance-Based Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of a Qualified Performance-Based Award subject to this Section 13.1. The Committee shall specify the circumstances in which such Qualified Performance-Based Awards shall be paid or forfeited in the event of termination of employment by the Participant prior to the end of a performance period or settlement of Qualified Performance-Based Awards.

(f) **Impact of Extraordinary Items or Changes in Accounting.** To the extent applicable, the determination of achievement of performance goals for Qualified Performance-Based Awards shall be made in accordance with U.S. generally accepted accounting principles (GAAP) and a manner consistent with the methods used in the Company's audited financial statements, and, unless the Committee decides otherwise within the period described in Section 13.1(c), without regard to (i) extraordinary items as determined by the Company's independent public accountants in accordance with GAAP, (ii) changes in accounting methods, or (iii) non-recurring acquisition expenses and restructuring charges. Notwithstanding the foregoing, in calculating operating earnings or operating income (including on a per share basis), the Committee may, within the period described in Section 13.1(c), provide that such calculation shall be made on the same basis as reflected in a release of the Company's earnings for a previously completed period as specified by the Committee.

13.2 Written Determinations. Determinations by the Committee as to the establishment of performance goals, the amount potentially payable in respect of Qualified Performance-Based Awards, the achievement of performance goals relating to Qualified Performance-Based Awards, and the amount of any final Qualified Performance-Based Award shall be recorded in writing. Specifically, the Committee shall certify in writing, in a manner conforming to applicable regulations under Code Section 162(m), prior to settlement of each Qualified Performance-Based Award, that the performance goals and other material terms of the Qualified Performance-Based Award upon which settlement of the Qualified Performance-Based Award was conditioned have been satisfied. The Committee may not delegate any responsibility relating to such Qualified Performance-Based Awards.

13.3 Status of Section 13.1 Awards under Code Section 162(m). It is the intent of the Company that Qualified Performance-Based Awards under Section 13.1 constitute

performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of Sections 13.1, 13.2 and 13.3, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of a Qualified Performance-Based Award, as likely to be a Covered Employee with respect to a specified fiscal year. If any provision of the Plan as in effect on the date of adoption of any agreements relating to Qualified Performance-Based Awards does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

Section 14 Change in Control.

14.1 *Treatment of Awards.* In the event of a Change in Control, and except as otherwise provided by the Committee in an Award agreement, a Participant's unvested Award shall vest and a Participant's Award shall be treated in accordance with one of the following methods as determined by the Committee:

(a) Awards, whether or not then vested, shall be continued, assumed, have new rights substituted therefor or be treated in accordance with Section 5.6 hereof, as determined by the Committee, and restrictions to which shares underlying Stock Awards or any other Award granted prior to the Change in Control are subject shall not lapse upon a Change in Control and the Stock Award or other Award shall, where appropriate in the sole discretion of the Committee, receive the same distribution as other Stock on such terms as determined by the Committee; provided that the Committee may decide to award additional Stock Awards or other Awards in lieu of any cash distribution. Notwithstanding anything to the contrary herein, for purposes of Incentive Stock Options, any assumed or substituted Stock Option Award shall comply with the requirements of Treasury Regulation Section 1.424-1 (and any amendment thereto); and

(b) The Committee, in its sole discretion, may provide for the purchase of any Awards by the Company for an amount of cash equal to the excess of the Change in Control Price (as defined below) of the shares of Stock covered by such Awards, over the aggregate exercise price of such Awards. For purposes of this Section 14.1(b), Change in Control Price shall mean the highest price per share of Stock paid in any transaction related to a Change in Control of the Company.

14.2 *Committee Discretion.* Notwithstanding any other provision herein to the contrary, the Committee may, in its sole discretion, provide for accelerated vesting or lapse of restrictions, of an Award at any time.

Section 15 General Provisions.

15.1 *Assignment.* Subject to the provisions of Section 15.2, if applicable, any assignment or transfer of any Awards without the written consent of the Company shall be null and void.

15.2 *Transferability*.

(a) Generally, the Participant shall not be permitted to sell, assign, transfer, pledge or otherwise encumber shares of Stock received pursuant to the Plan prior to the date on which any applicable restriction or performance period established by the Committee lapses. Notwithstanding the foregoing, Awards shall be transferable by the Participant:

(i) in the case of the Participant's death (to the extent the Award, by its terms, survives the Participant's death), pursuant to the beneficiary designation then on file with the Company, or, in the absence of such a beneficiary designation (or if the designated beneficiary has pre-deceased the Participant), by will or the laws of descent and distribution (in which case the Company without liability to any other person, may rely on the directions of the executor or administrator of the Participant's estate with respect to the disposition or exercise of such Awards);

(ii) in the Committee's discretion, the terms of an Award (other than an Incentive Stock Option) may permit the Participant to transfer the Award to (w) his or her spouse, children (including by adoption), stepchildren or grandchildren (referred to herein as the Participant's Family Members), (x) a trust or trusts for the exclusive benefit of such Family Members, (y) a partnership in which such Family Members are the only partners, or (z) such other persons or entities as the Committee may approve on a case-by-case basis; or

(iii) in the case of a transferee's death, to his/her estate without rights to further distribution.

(b) Any transfer pursuant to this Section 15.2 shall be subject to the following:

(i) there may be no consideration for any such transfer;

(ii) the Award agreement pursuant to which such Award is granted must be approved by the Committee, and must expressly provide for transferability in a manner consistent with this Section 15.2; and

(iii) subsequent transfers of transferred Awards shall be prohibited except those in accordance with this Section 15.2.

(c) Following transfer, any transferred Award shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer. Unless otherwise provided herein, the events of death, Disability, Retirement and termination of employment or service with respect to an outstanding Award shall be in relation to the original grantee Participant notwithstanding an earlier transfer of the Award.

15.3 *Unfunded Status of Awards; Creation of Trusts.* The Plan is intended to constitute an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the

Company; provided, however, that the Committee may authorize the creation of trusts or make other arrangements to meet the Company's obligations under the Plan to deliver cash, Stock, other Awards, or other consideration pursuant to any Award, which trusts or other arrangements shall be consistent with the unfunded status of the Plan unless the Committee otherwise determines.

15.4 No Right to Employment. Participation in this Plan shall not affect the Company's right to discharge a Participant. Unless otherwise specified in the applicable Award agreement, (i) an approved leave of absence shall not be considered a termination of employment or service for purposes of an Award under the Plan, and (ii) any Participant who is employed by or performs services for a Subsidiary shall be considered to have terminated employment or service for purposes of an Award under the Plan if such Subsidiary is sold or no longer qualifies as a Subsidiary of Chemtura, unless such Participant remains employed by the Company.

15.5 Cancellation and Rescission of Awards.

(a) The Committee shall have the discretion with respect to any Award granted under this Plan to establish upon its grant conditions under which: (i) the Award may be later forfeited, cancelled, rescinded, suspended, withheld or otherwise limited or restricted; or (ii) gains realized by the grantee in connection with an Award or an Award's exercise may be recovered; provided that such conditions and their consequences are: (A) clearly set forth in the Award agreement or other grant document; and (B) fully comply with applicable laws. These conditions may include, without limitation, actions by the Participant which constitute a conflict of interest with the Company, violate the Company's Code of Business Conduct, are prejudicial to the Company's interests, or are in violation of any non-compete agreement or obligation, any confidentiality agreement or obligation, the Company's applicable policies or the Participant's terms and conditions of employment.

(b) The Committee may require, upon exercise, vesting, payment or delivery pursuant to an Award, that the Participant certify in a manner acceptable to the Company that he or she is in compliance with the terms and conditions of the Award agreement.

15.6 Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan or of any amendment to shareholders for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements as it may deem desirable, including the granting of awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

15.7 Successors and Assigns. The Plan and Award agreements may be assigned by the Company to any successor to the Company's business. The Plan and any applicable Award agreement shall be binding on all successors and assigns of the Company and a Participant, including any permitted transferee of a Participant, the beneficiary or estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

15.8 Taxes. The Company is authorized to withhold from any delivery of shares of Stock in connection with an Award, any other payment relating to an Award, or any payroll or

other payment to a Participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive shares of Stock or other consideration and to make cash payments in respect thereof in satisfaction of withholding tax obligations. To enable the Company to meet any applicable federal, state or local withholding tax requirements arising as a result of the grant, vesting, or exercise of an Award, the Participant (or the Participant's estate) shall pay the Company the amount of tax to be withheld or may elect to satisfy such obligation:

- (a) by having the Company withhold shares of Stock that otherwise would be delivered to the Participant pursuant to the granting, payment, vesting, or exercise of an Award (as the case may be), for which the tax is being withheld;
- (b) by delivering to the Company other shares of Stock owned by the Participant prior to the granting, payment, vesting, or exercise of an Award (as the case may be); or
- (c) by making a payment to the Company consisting of a combination of cash and shares of Stock.

Such an election shall be made prior to the date to be used to determine the tax to be withheld. The value of any share of Stock to be withheld by the Company or delivered to the Company pursuant to this Section 15.8 shall be the Market Price on the date used to determine the amount of tax to be withheld.

15.9 Compliance with Laws and Obligations. The Company shall not be obligated to issue or deliver shares of Stock in connection with any Award or take any other action under the Plan in a transaction subject to the registration requirements of any applicable securities law, any requirement under any listing agreement between the Company and any securities exchange or automated quotation system, or any other law, regulation, or contractual obligation of the Company, until the Company is satisfied that such laws, regulations, and other obligations of the Company have been complied with in full. Certificates representing shares of Stock issued under the Plan will be subject to such stop-transfer orders and other restrictions as may be applicable under such laws, regulations, and other obligations of the Company, including any requirement that a legend or legends be placed thereon.

15.10 No Right to Awards; No Shareholder Rights. No Participant or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Participants, employees, consultants, or directors. No Award shall confer on any Participant any of the rights of a shareholder of the Company unless and until shares of Stock are duly issued or transferred and delivered to the Participant in accordance with the terms of the Award.

15.11 Severability of Provisions. If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.

15.12 Financial Restatements. To the extent required by any applicable law, rule or regulation, Awards granted under this Plan shall be subject to any policies adopted by the Company to comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act.

Section 16 Amendment, Suspension, or Termination.

16.1 The Board may suspend, terminate, or amend the Plan, including, but not limited to, such amendments as may be necessary or desirable resulting from changes in the federal income tax laws and other applicable laws, but may not, without the affirmative vote of a majority of all votes duly cast on the matter at a meeting of the stockholders of the Company (provided that the total votes cast on the matter represent over 50% of the shares entitled to vote on the matter) (a) increase the total number of shares of Stock that may be granted under this Plan or (b) amend the Plan in any manner that would require stockholder approval under applicable law.

16.2 It is the Company's intent that the Plan comply in all respects with Rule 16b-3 under the Exchange Act and any related regulations. In addition, it is the intent of the Company that the Plan and applicable Awards under the Plan comply with the applicable provisions of Sections 162(m) and 422 of the Code. The Committee may revoke any Award if it is contrary to law or modify an Award to bring it into compliance with any valid and mandatory government regulation. All grants to, and exercises of options by Executive Officers under this Plan shall be executed in accordance with the requirements of Section 16 of the Exchange Act and regulations promulgated thereunder.

16.3 The Plan is intended to comply with the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent. To the extent that any Award is subject to Section 409A of the Code, it shall be paid in a manner that will comply with Section 409A of the Code, including proposed, temporary or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. Notwithstanding anything herein to the contrary, any provision in the Plan that is inconsistent with Section 409A of the Code shall be deemed to be amended to comply with Section 409A of the Code and to the extent such provision cannot be amended to comply therewith, such provision shall be null and void. The Company shall have no liability to a Participant, or any other party, if an Award that is intended to be exempt from, or compliant with, Section 409A of the Code is not so exempt or compliant or for any action taken by the Committee or the Company and, in the event that any amount or benefit under the Plan becomes subject to penalties under Section 409A of the Code, responsibility for payment of such penalties shall rest solely with the affected Participants and not with the Company. Notwithstanding any contrary provision in the Plan or Award agreement, any payment(s) of nonqualified deferred compensation (within the meaning of Section 409A of the Code) that are otherwise required to be made under the Plan to a specified employee (as defined under Section 409A of the Code) as a result of such employee's separation from service (other than a payment that is not subject to Section 409A of the Code) shall be delayed for the first six (6)

months following such separation from service (or, if earlier, the date of death of the specified employee) and shall instead be paid (in a manner set forth in the Award agreement) upon expiration of such delay period.

Section 17 Governing Law; Waiver of a Jury Trial.

The validity, construction and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware and applicable federal law. The Company and each Participant shall irrevocably and unconditionally waive all right to trial by jury in any proceeding relating to the Plan or any Award made hereunder, or for the recognition and enforcement of any judgment in respect thereof (whether based on contract, tort or otherwise) arising out of or relating to the Plan or any Award made hereunder.

Section 18 Effective Date and Duration of the Plan.

This Plan shall be effective as of [], 2010. No Award shall be granted under this Plan on or after [], 2020.

THIS NON-QUALIFIED STOCK OPTION AWARD AGREEMENT (this Agreement), dated as of the Grant Date specified above, is entered into by and between Chemtura Corporation, a corporation organized in the State of Delaware (the Company), and the Participant specified above, pursuant to the Chemtura Corporation 2010 Long-Term Incentive Plan, as in effect and as amended from time to time (the Plan), which is administered by the Committee; and

WHEREAS, it has been determined under the Plan that it would be in the best interests of the Company to grant the Non-Qualified Stock Option provided for herein to the Participant.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference: Plan Document Receipt.** This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall control. No part of the Option granted hereby is intended to qualify as an incentive stock option under Section 422 of the Code.

2. **Grant of Option.** The Company hereby grants to the Participant, as of the Grant Date specified above, a Non-Qualified Stock Option (this Option) to acquire from the Company at the Per Share Exercise Price specified above, the aggregate number of shares of

Stock specified above (the Option Shares). Except as otherwise provided by the Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason. The Participant shall have no rights as a stockholder with respect to any shares of Stock covered by the Option unless and until the Participant has become the holder of record of such shares, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of any such shares, except as otherwise specifically provided for in the Plan or this Agreement.

3. **Vesting and Exercise.**

(a) **Vesting.** Subject to the provisions of Sections 3(b) through 3(c) hereof, the Option shall vest and become exercisable as follows, provided that the Participant has not incurred a termination of employment with the Company and its Subsidiaries prior to each such vesting date:

Vesting Date	Number of Option Shares
Grant Date	33 1/3%
[March 31, 2011] ¹	33 1/3%
[March 31, 2012] ²	33 1/3%

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date, subject to the Participant's continued service with the Company or any of its Subsidiaries on each applicable vesting date. Upon expiration of the Option, the Option shall be cancelled and no longer exercisable.

(b) **Termination of Employment without Cause or for Good Reason in Connection with a Change in Control.** In the event the Participant's employment with the Company and its Subsidiaries is terminated by the Company without Cause or by the Participant for Good Reason, in each case, within the two (2) year period following a Change in Control, then the unvested portion of the Option shall immediately vest and become exercisable upon the date of such termination.

(c) **Committee Discretion to Accelerate Vesting.** Notwithstanding the foregoing, the Committee may, in its sole discretion, provide for accelerated vesting of the Option at any time and for any reason.

(d) **Expiration.** Unless earlier terminated in accordance with the terms and provisions of the Plan and/or this Agreement, all portions of the Option (whether vested or not vested) shall expire and shall no longer be exercisable after the expiration of ten (10) years from the Grant Date.

¹ For the 2010 EIP Awards, insert March 31, 2012.

² For the 2010 EIP Awards, insert March 31, 2013.

4. **Termination.** Subject to the terms of the Plan and this Agreement, the Option, to the extent vested at the time of the Participant's termination of employment, shall remain exercisable as follows:

(a) **Termination due to Death or Disability.** In the event the Participant's employment with the Company and its Subsidiaries is terminated by reason of death or Disability, the vested portion of the Option shall remain exercisable until the earlier of (i) one hundred eighty (180) days from the date of such termination, and (ii) the expiration of the stated term of the Option pursuant to Section 3(d) hereof; provided, however, that in the case of a termination of employment due to Disability, if the Participant dies within such one hundred eighty (180) day exercise period, any unexercised Option held by the Participant shall thereafter be exercisable by the legal representative of the Participant's estate, to the extent to which it was exercisable at the time of death, for a period of one hundred eighty (180) days from the date of death, but in no event beyond the expiration of the stated term of the Option pursuant to Section 3(d) hereof.

(b) **Involuntary Termination Without Cause or Voluntary Termination.** In the event the Participant's employment with the Company and its Subsidiaries is terminated by the Company without Cause or by the Participant's voluntary termination of employment (other than a voluntary termination of employment described in Section 4(c) hereof), the vested portion of the Option shall remain exercisable until the earlier of (i) one hundred eighty (180) days from the date of such termination of employment, and (ii) the expiration of the stated term of the Option pursuant to Section 3(d) hereof.

(c) **Termination for Cause.** In the event the Participant's employment with the Company and its Subsidiaries is terminated by the Company for Cause, the Participant's entire Option (whether or not vested) shall terminate and expire upon the date of such termination of employment.

(d) **Treatment of Unvested Options upon Termination.** Any portion of the Option that is not vested as of the date of the Participant's termination of employment for any reason shall terminate and expire as of the date of such termination of employment.

5. **Method of Exercise and Payment.** Subject to Section 8 hereof, to the extent that the Option has become vested and exercisable with respect to a number of shares of Stock as provided herein, the Option may thereafter be exercised by the Participant, in whole or in part, at any time or from time to time prior to the expiration of the Option as provided herein and in accordance with Sections 6.6 and 6.7 of the Plan, including, without limitation, by the filing of any written form of exercise notice as may be required by the Committee and payment in full of the Per Share Exercise Price specified above multiplied by the number of shares of Stock underlying the portion of the Option exercised.

6. **Non-Transferability.** The Option, and any rights and interests with respect thereto, issued under this Agreement and the Plan shall not be sold, exchanged, transferred, assigned or otherwise disposed of in any way by the Participant (or any beneficiary of the Participant), other than by testamentary disposition by the Participant or the laws of descent and distribution. Notwithstanding the foregoing, the Committee may, in its sole

discretion, permit the Option to be transferred to a permitted transferee as described in Section 15.2 of the Plan for no value, provided that such transfer shall only be valid upon execution of a written instrument in form and substance acceptable to the Committee in its sole discretion evidencing such transfer and the transferee's acceptance thereof signed by the Participant and the transferee, and provided, further, that the Option may not be subsequently transferred other than by will or by the laws of descent and distribution or to another permitted transferee as described in Section 15.2 of Plan (as permitted by the Committee in its sole discretion) in accordance with the terms of the Plan and this Agreement, and shall remain subject to the terms of the Plan and this Agreement. Any attempt to sell, exchange, transfer, assign, pledge, encumber or otherwise dispose of or hypothecate in any way the Option, or the levy of any execution, attachment or similar legal process upon the Option, contrary to the terms and provisions of this Agreement and/or the Plan shall be null and void and without legal force or effect.

7. **Governing Law.** All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the choice of law principles thereof.

8. **Withholding of Tax.** The Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the Option and, if the Participant fails to do so, the Company may otherwise refuse to issue or transfer any shares of Stock otherwise required to be issued pursuant to this Agreement. Any statutorily required withholding obligation with regard to the Participant may be satisfied by reducing the amount of cash or shares of Stock otherwise deliverable upon exercise of the Option. Notwithstanding anything to the contrary in this Section 8, in the event the Stock is not listed for trading on an established securities exchange on the date this Award is required to be settled then the Company shall, at the request of the Participant, deduct or withhold shares of Stock having a fair market value equal to the minimum amount required to be withheld to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to comply with the Code and/or any other applicable law, rule or regulation with respect to this Award.

9. **Entire Agreement; Amendment.** This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

10. **Notices.** Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the

General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

11. **No Right to Employment.** Any questions as to whether and when there has been a termination of employment and the cause of such termination of employment shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or its Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

12. **Transfer of Personal Data.** The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the Option awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

13. **Compliance with Laws.** The issuance of the Option (and the Option Shares upon exercise of the Option) pursuant to this Agreement shall be subject to, and shall comply with, any applicable requirements of any foreign and U.S. federal and state securities laws, rules and regulations (including, without limitation, the provisions of the Securities Act, the Exchange Act and in each case any respective rules and regulations promulgated thereunder) and any other law, rule, regulation or exchange requirement applicable thereto. The Company shall not be obligated to issue the Option or any of the Option Shares pursuant to this Agreement if any such issuance would violate any such requirements.

14. **Section 409A.** Notwithstanding anything herein or in the Plan to the contrary, the Option is intended to be exempt from the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent.

15. **Binding Agreement; Assignment.** This Agreement shall inure to the benefit of, be binding upon, and be enforceable by the Company and its successors and assigns. The Participant shall not assign (except in accordance with Section 6 hereof) any part of this Agreement without the prior express written consent of the Company.

16. **Headings.** The titles and headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

17. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

18. **Further Assurances.** Each party hereto shall do and perform (or shall cause to be done and performed) all such further acts and shall execute and deliver all such other agreements, certificates, instruments and documents as either party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan and the consummation of the transactions contemplated thereunder.

19. **Severability.** The invalidity or unenforceability of any provisions of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law.

20. **Acquired Rights.** The Participant acknowledges and agrees that: (a) the Company may terminate or amend the Plan at any time; (b) the Award of the Option made under this Agreement is completely independent of any other award or grant and is made at the sole discretion of the Company; (c) no past grants or awards (including, without limitation, the Option awarded hereunder) give the Participant any right to any grants or awards in the future whatsoever; and (d) any benefits granted under this Agreement are not part of the Participant's ordinary salary, and shall not be considered as part of such salary in the event of severance, redundancy or resignation.

* * * * *

THIS RESTRICTED STOCK AWARD AGREEMENT (this Agreement), dated as of the Grant Date specified above, is entered into by and between Chemtura Corporation, a corporation organized in the State of Delaware (the Company), and the Participant specified above, pursuant to the Chemtura Corporation 2010 Long-Term Incentive Plan, as in effect and as amended from time to time (the Plan), which is administered by the Committee; and

WHEREAS, it has been determined under the Plan that it would be in the best interests of the Company to grant the shares of Restricted Stock provided herein to the Participant.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference: Plan Document Receipt.** This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall control.
2. **Grant of Restricted Stock Award.** The Company hereby grants to the Participant, as of the Grant Date specified above, the number of shares of Restricted Stock specified above. Except as otherwise provided by the Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason, and no adjustments shall be made for dividends in cash or other

property, distributions or other rights in respect of any such shares, except as otherwise specifically provided for in the Plan or this Agreement. Subject to Section 5 hereof, the Participant shall not have the rights of a stockholder in respect of the shares underlying this Award until such shares are delivered to the Participant in accordance with Section 4 hereof.

3. Vesting.

(a) Vesting. Subject to the provisions of Sections 3(b) through 3(c) hereof, the Restricted Stock subject to this grant shall become unrestricted and vested as follows, provided that the Participant has not incurred a termination of employment with the Company and its Subsidiaries prior to each such vesting date:

Vesting Date	Number of Shares
Grant Date	33 1/3%
[March 31, 2011] ¹	33 1/3%
[March 31, 2012] ²	33 1/3%

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date, subject to the Participant's continued service with the Company or any of its Subsidiaries on each applicable vesting date.

(b) Termination of Employment without Cause or for Good Reason in Connection with a Change in Control. In the event the Participant's employment with the Company and its Subsidiaries is terminated by the Company without Cause or by the Participant for Good Reason, in each case, within the two (2) year period following a Change in Control, then any unvested shares of Restricted Stock shall immediately vest upon the date of such termination.

(c) Committee Discretion to Accelerate Vesting. Notwithstanding the foregoing, the Committee may, in its sole discretion, provide for accelerated vesting of the Restricted Stock at any time and for any reason.

(d) Forfeiture. Subject to Section 3(b) and the Committee's discretion to accelerate vesting hereunder, all unvested shares of Restricted Stock shall be immediately forfeited upon the Participant's termination of employment for any reason.

4. Period of Restriction; Delivery of Unrestricted Shares. During the Period of Restriction, the Restricted Stock shall bear a legend as described in Section 7.3 of the Plan. When shares of Restricted Stock awarded by this Agreement become vested, the Participant shall be entitled to receive unrestricted shares and if the Participant's stock certificates contain legends restricting the transfer of such shares, the Participant shall be entitled to receive new stock certificates free of such legends (except any legends requiring compliance with securities laws).

¹ For the 2010 EIP Awards, insert March 31, 2012.

² For the 2010 EIP Awards, insert March 31, 2013.

5. **Dividends and Other Distributions; Voting.** Participants holding Restricted Stock shall be entitled to receive all dividends and other distributions paid with respect to such shares, provided that any such dividends or other distributions will be subject to the same vesting requirements as the underlying Restricted Stock and shall be paid at the time the Restricted Stock becomes vested pursuant to Section 3 hereof. If any dividends or distributions are paid in shares, the shares shall be deposited with the Company and shall be subject to the same restrictions on transferability and forfeitability as the Restricted Stock with respect to which they were paid. The Participant may exercise full voting rights with respect to the Restricted Stock granted hereunder.

6. **Non-Transferability.** The shares of Restricted Stock, and any rights and interests with respect thereto, issued under this Agreement and the Plan shall not, prior to vesting, be sold, exchanged, transferred, assigned or otherwise disposed of in any way by the Participant (or any beneficiary of the Participant), other than by testamentary disposition by the Participant or the laws of descent and distribution. Any attempt to sell, exchange, transfer, assign, pledge, encumber or otherwise dispose of or hypothecate in any way any of the Restricted Stock, or the levy of any execution, attachment or similar legal process upon the Restricted Stock, contrary to the terms and provisions of this Agreement and/or the Plan shall be null and void and without legal force or effect.

7. **Governing Law.** All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the choice of law principles thereof.

8. **Withholding of Tax.** The Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the Restricted Stock and, if the Participant fails to do so, the Company may otherwise refuse to issue or transfer any shares of Stock otherwise required to be issued pursuant to this Agreement. Any statutorily required withholding obligation with regard to the Participant may be satisfied by reducing the amount of cash or shares of Stock otherwise deliverable to the Participant hereunder. Notwithstanding anything to the contrary in this Section 8, in the event the Stock is not listed for trading on an established securities exchange on the date this Award is required to be settled then the Company shall, at the request of the Participant, deduct or withhold shares of Stock having a fair market value equal to the minimum amount required to be withheld to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to comply with the Code and/or any other applicable law, rule or regulation with respect to this Award.

9. **Section 83(b).** If the Participant properly elects (as required by Section 83(b) of the Code) within 30 days after the issuance of the Restricted Stock to include in gross income for federal income tax purposes in the year of issuance the fair market value of such shares of Restricted Stock, the Participant shall pay to the Company or make arrangements satisfactory to the Company to pay to the Company upon such election, any federal, state or local

taxes required to be withheld with respect to the Restricted Stock. If the Participant shall fail to make such payment, the Company shall, to the extent permitted by law, have the right to deduct from any payment of any kind otherwise due to the Participant any federal, state or local taxes of any kind required by law to be withheld with respect to the Restricted Stock, as well as the rights set forth in Section 8 hereof. The Participant acknowledges that it is the Participant's sole responsibility, and not the Company's, to file timely and properly the election under Section 83(b) of the Code and any corresponding provisions of state tax laws if the Participant elects to make such election, and the Participant agrees to timely provide the Company with a copy of any such election.

10. **Legend.** All certificates representing the Restricted Stock shall have endorsed thereon the legend set forth in Section 7.3 of the Plan. Notwithstanding the foregoing, in no event shall the Company be obligated to deliver to the Participant a certificate representing the Restricted Stock prior to the vesting dates set forth above.

11. **Securities Representations.** The shares of Restricted Stock are being issued to the Participant and this Agreement is being made by the Company in reliance upon the following express representations and warranties of the Participant. The Participant acknowledges, represents and warrants that:

(a) The Participant has been advised that the Participant may be an affiliate within the meaning of Rule 144 under the Securities Act and in this connection the Company is relying in part on the Participant's representations set forth in this Section 11.

(b) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the shares of Restricted Stock must be held indefinitely unless an exemption from any applicable resale restrictions is available or the Company files an additional registration statement (or a re-offer prospectus) with regard to the shares of Restricted Stock and the Company is under no obligation to register the shares of Restricted Stock (or to file a re-offer prospectus).

(c) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Participant understands that (i) the exemption from registration under Rule 144 will not be available unless (A) a public trading market then exists for the Stock of the Company, (B) adequate information concerning the Company is then available to the public, and (C) other terms and conditions of Rule 144 or any exemption therefrom are complied with, and (ii) any sale of the shares of vested Restricted Stock hereunder may be made only in limited amounts in accordance with the terms and conditions of Rule 144 or any exemption therefrom.

12. **Entire Agreement; Amendment.** This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

13. **Notices.** Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

14. **Acceptance.** As required by Section 7.3 of the Plan, the Participant shall forfeit the Restricted Stock if the Participant does not execute this Agreement within a period of sixty (60) days from the date that the Participant receives this Agreement (or such other period as the Committee shall provide).

15. **No Right to Employment.** Any questions as to whether and when there has been a termination of employment and the cause of such termination of employment shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

16. **Transfer of Personal Data.** The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the Restricted Stock awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

17. **Compliance with Laws.** The issuance of the Restricted Stock or unrestricted shares pursuant to this Agreement shall be subject to, and shall comply with, any applicable requirements of any foreign and U.S. federal and state securities laws, rules and regulations (including, without limitation, the provisions of the Securities Act, the Exchange Act and in each case any respective rules and regulations promulgated thereunder) and any other law, rule, regulation, or exchange requirement applicable thereto. The Company shall not be obligated to issue the Restricted Stock or any of the shares pursuant to this Agreement if any such issuance would violate any such requirements.

18. **Section 409A.** Notwithstanding anything herein or in the Plan to the contrary, the shares of Restricted Stock are intended to be exempt from the applicable requirements of Section 409A of the Code and shall be limited, construed and interpreted in accordance with such intent.

19. **Binding Agreement; Assignment.** This Agreement shall inure to the benefit of, be binding upon, and be enforceable by the Company and its successors and assigns. The Participant shall not assign (except in accordance with Section 6 hereof) any part of this Agreement without the prior express written consent of the Company.

20. **Headings.** The titles and headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

21. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

THIS RESTRICTED STOCK UNIT AWARD AGREEMENT (this Agreement), dated as of the Grant Date specified above, is entered into by and between Chemtura Corporation, a corporation organized in the State of Delaware (the Company), and the Participant specified above, pursuant to the Chemtura Corporation 2010 Long-Term Incentive Plan, as in effect and as amended from time to time (the Plan), which is administered by the Committee; and

WHEREAS, it has been determined under the Plan that it would be in the best interests of the Company to grant the Restricted Stock Units (RSUs) provided herein to the Participant.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference: Plan Document Receipt.** This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of the Plan shall control.

2. **Grant of Restricted Stock Unit Award.** The Company hereby grants to the Participant, as of the Grant Date specified above, the number of RSUs specified above. Each RSU corresponds to one share of Stock. Except as otherwise provided by the Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of the shares of Stock underlying the RSUs, except as otherwise specifically provided for in the Plan or this Agreement.

3. **Vesting.**

(a) Subject to the provisions of Sections 3(b) through 3(e) hereof, the RSUs subject to this Award shall become vested as follows, provided that the Participant has not incurred a termination of employment with the Company and its Subsidiaries prior to each such vesting date:

Vesting Date	Number of RSUs
Grant Date	33 1/3%
[March 31, 2011] ¹	33 1/3%
[March 31, 2012] ²	33 1/3%

There shall be no proportionate or partial vesting in the periods prior to each vesting date and all vesting shall occur only on the appropriate vesting date, subject to the Participant's continued service with the Company or any of its Subsidiaries on each applicable vesting date.

(b) **Termination of Employment without Cause or for Good Reason in Connection with a Change in Control.** In the event the Participant's employment with the Company and its Subsidiaries is terminated by the Company without Cause or by the Participant for Good Reason, in each case, within the two (2) year period following a Change in Control then any unvested RSUs shall immediately vest upon the date of such termination.

(c) **Committee Discretion to Accelerate Vesting.** Notwithstanding the foregoing, the Committee may, in its sole discretion, provide for accelerated vesting of the RSUs at any time and for any reason.

(d) **Forfeiture.** Subject to Section 3(b) and the Committee's discretion to accelerate vesting hereunder, all unvested RSUs shall be immediately forfeited upon the Participant's termination of employment for any reason.

4. **Delivery of Shares.**

(a) **General.** Subject to the provisions of Sections 4(b) and 4(c) hereof, within thirty (30) days following the vesting of the RSUs, the Participant shall receive the number of shares of Stock that correspond to the number of RSUs that have become vested on the applicable vesting date.

(b) **Blackout Periods.** If the Participant is subject to any Company blackout policy or other trading restriction imposed by the Company on the date such distribution would otherwise be made pursuant to Section 4(a) hereof, such distribution shall be instead made on the earlier of (i) the date that the Participant is not subject to any such policy or restriction and (ii) the later of (A) the end of the calendar year in which such distribution would otherwise have been made and (B) a date that is immediately prior to the expiration of two and one-half months following the date such distribution would otherwise have been made hereunder.

¹ For the 2010 EIP Awards, insert March 31, 2012.

² For the 2010 EIP Awards, insert March 31, 2013.

(c) **Deferrals.** If permitted by the Company, the Participant may elect, subject to the terms and conditions of the Plan and any other applicable written plan or procedure adopted by the Company from time to time for purposes of such election, to defer the distribution of all or any portion of the shares of Stock that would otherwise be distributed to the Participant hereunder (the Deferred Shares), consistent with the requirements of Section 409A of the Code. Upon the vesting of RSUs that have been so deferred, the applicable number of Deferred Shares shall be credited to a bookkeeping account established on the Participant's behalf (the Account). Subject to Section 5 hereof, the number of shares of Stock equal to the number of Deferred Shares credited to the Participant's Account shall be distributed to the Participant in accordance with the terms and conditions of the Plan and the other applicable written plans or procedures of the Company, consistent with the requirements of Section 409A of the Code.

5. **Dividends; Rights as Stockholder.** Cash dividends on shares of Stock issuable hereunder shall be credited to a dividend book entry account on behalf of the Participant with respect to each RSU granted to the Participant, provided that such cash dividends shall not be deemed to be reinvested in shares of Stock and shall be held uninvested and without interest and paid in cash at the same time that the shares of Stock underlying the RSUs are delivered to the Participant in accordance with the provisions hereof. Stock dividends on shares of Stock shall be credited to a dividend book entry account on behalf of the Participant with respect to each RSU granted to the Participant, provided that such stock dividends shall be paid in shares of Stock at the same time that the shares of Stock underlying the RSUs are delivered to the Participant in accordance with the provisions hereof. Except as otherwise provided herein, the Participant shall have no rights as a stockholder with respect to any shares of Stock covered by any RSU unless and until the Participant has become the holder of record of such shares.

6. **Non-Transferability.** No portion of the RSUs may be sold, assigned, transferred, encumbered, hypothecated or pledged by the Participant, other than to the Company as a result of forfeiture of the RSUs as provided herein, unless and until payment is made in respect of vested RSUs in accordance with the provisions hereof and the Participant has become the holder of record of the vested shares of Stock issuable hereunder.

7. **Governing Law.** All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without regard to the choice of law principles thereof.

8. **Withholding of Tax.** The Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the RSUs and, if the Participant fails to do so, the Company may otherwise refuse to issue or transfer any shares of Stock or other consideration otherwise required to be issued pursuant to this Agreement. Any statutorily required withholding

obligation with regard to the Participant may be satisfied by reducing the amount of cash or shares of Stock otherwise deliverable to the Participant hereunder. Notwithstanding anything to the contrary in this Section 8, in the event the Stock is not listed for trading on an established securities exchange on the date this Award is required to be settled then the Company shall, at the request of the Participant, deduct or withhold shares of Stock having a fair market value equal to the minimum amount required to be withheld to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to comply with the Code and/or any other applicable law, rule or regulation with respect to this Award.

9. **Legend.** The Company may at any time place legends referencing any applicable federal, state or foreign securities law restrictions on all certificates representing shares of Stock issued pursuant to this Agreement. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates representing shares of Stock acquired pursuant to this Agreement in the possession of the Participant in order to carry out the provisions of this Section 9.

10. **Securities Representations.** This Agreement is being entered into by the Company in reliance upon the following express representations and warranties of the Participant. The Participant hereby acknowledges, represents and warrants that:

(a) The Participant has been advised that the Participant may be an affiliate within the meaning of Rule 144 under the Securities Act and in this connection the Company is relying in part on the Participant's representations set forth in this Section 10.

(b) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the shares of Stock issuable hereunder must be held indefinitely unless an exemption from any applicable resale restrictions is available or the Company files an additional registration statement (or a re-offer prospectus) with regard to such shares of Stock and the Company is under no obligation to register such shares of Stock (or to file a re-offer prospectus).

(c) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Participant understands that (i) the exemption from registration under Rule 144 will not be available unless (A) a public trading market then exists for the Stock of the Company, (B) adequate information concerning the Company is then available to the public, and (C) other terms and conditions of Rule 144 or any exemption therefrom are complied with, and (ii) any sale of the shares of Stock issuable hereunder may be made only in limited amounts in accordance with the terms and conditions of Rule 144 or any exemption therefrom.

11. **Entire Agreement; Amendment.** This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed

by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

12. **Notices.** Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

13. **No Right to Employment.** Any questions as to whether and when there has been a termination of employment and the cause of such termination shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or its Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

14. **Transfer of Personal Data.** The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the RSUs awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

15. **Compliance with Laws.** The grant of RSUs and the issuance of shares of Stock hereunder shall be subject to, and shall comply with, any applicable requirements of any foreign and U.S. federal and state securities laws, rules and regulations (including, without limitation, the provisions of the Securities Act, the Exchange Act and in each case any respective rules and regulations promulgated thereunder) and any other law, rule, regulation or exchange requirement applicable thereto. The Company shall not be obligated to issue the RSUs or any shares of Stock pursuant to this Agreement if any such issuance would violate any such requirements. As a condition to the settlement of the RSUs, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate to evidence compliance with any applicable law or regulation.

16. **Binding Agreement; Assignment.** This Agreement shall inure to the benefit of, be binding upon, and be enforceable by the Company and its successors and assigns. The Participant shall not assign (except in accordance with Section 6 hereof) any part of this Agreement without the prior express written consent of the Company.

17. **Headings.** The titles and headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

18. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

19. **Further Assurances.** Each party hereto shall do and perform (or shall cause to be done and performed) all such further acts and shall execute and deliver all such other

agreements, certificates, instruments and documents as either party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan and the consummation of the transactions contemplated thereunder.

20. **Severability.** The invalidity or unenforceability of any provisions of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law.

21. **Acquired Rights.** The Participant acknowledges and agrees that: (a) the Company may terminate or amend the Plan at any time; (b) the Award of RSUs made under this Agreement is completely independent of any other award or grant and is made at the sole discretion of the Company; (c) no past grants or awards (including, without limitation, the RSUs awarded hereunder) give the Participant any right to any grants or awards in the future whatsoever; and (d) any benefits granted under this Agreement are not part of the Participant's ordinary salary, and shall not be considered as part of such salary in the event of severance, redundancy or resignation.

Subject to the provisions of this Plan, the Committee shall be authorized to (i) select Participants, (ii) determine the number of Bonus Units granted to Participants under this Plan, (iii) adjust the terms and conditions applicable to any Bonus Unit, (iv) determine the conditions and restrictions, if any, subject to which payments hereunder will be made, (v) determine whether the conditions and restrictions applicable to any payment have been met, (vi) interpret this Plan, and (vii) adopt, amend, or rescind such rules and regulations, and make such other determinations, for carrying out this Plan as it may deem appropriate. Decisions of the Committee on all matters relating to this Plan shall be in the Committee's sole discretion and shall be conclusive and binding upon the Participants, the Company and all other Persons to whom rights to receive payments hereunder have been transferred in accordance with Section 5.1 hereof. The validity, construction, and effect of this Plan and any rules and regulations relating to this Plan shall be determined in accordance with applicable federal and state laws and rules and regulations promulgated pursuant thereto. Determinations made by the Committee under this Plan need not be uniform and may be made selectively among eligible individuals under this Plan, whether or not such individuals are similarly situated.

3.2 Plan Expenses. The expenses of this Plan shall be borne by the Company.

3.3 Unfunded Arrangement. The Company shall not be required to establish any special or separate fund or make any other segregation of assets to assume the payment of any Bonus Amount under this Plan, and rights to the payment of such Bonus Amounts shall be no greater than the rights of the Company's general unsecured creditors. For the avoidance of doubt, no right to any payment of any Bonus Amount shall arise unless and until, and only to the extent provided herein, the Company has certified that the Threshold Performance Target has been achieved, or exceeded, on the Determination Date.

3.4 Delegation. The Committee may, to the extent permissible by law, delegate any of its authority hereunder to such Persons as it deems appropriate, subject to the limitations of Code Section 162(m).

ARTICLE IV

PARTICIPATION AND PAYMENT

4.1 Participation. Participation in this Plan shall be limited to those Participants set forth on Exhibit A hereto and those additional Participants selected by the Committee from time to time.

4.2 Grant of Bonus Units. The Committee shall determine the Participants to whom Bonus Units are granted under this Plan. No Participant who is granted Bonus Units under this Plan shall have any right to protection from any dilution resulting from Bonus Units granted to other Participants under this Plan at any time.

4.3 Determination of Bonus Pool; Time and Form of Payment of Bonus Amounts. The amount of the Bonus Pool shall be determined by the Committee on the Determination Date.

Subject to the provisions of Section 4.4 hereof, no later than March 15 following the Determination Date each Participant who is employed by the Company or its Subsidiaries on the Determination Date shall receive a number of Shares equal to such Participant's Bonus Amount.

4.4 Service Requirement. Payment of any Bonus Amount to a Participant under this Plan shall be conditioned upon such Participant's continued service with the Company through the Determination Date; provided, however, in the event of a Participant's death or Disability prior to the Determination Date, such Participant (or such Participant's estate) shall retain a number of Bonus Units equal to the product of (x) the aggregate number of Bonus Units granted to such Participant and (y) a fraction, the numerator of which is the number of full or partial months in the Performance Year prior to such Participant's death or Disability and the denominator of which is twelve (12), payable in accordance with Section 4.3 hereof, and such Participant shall forfeit all Bonus Units not retained pursuant to the immediately preceding proviso. Except as otherwise set forth in this Section 4.4, a Participant shall not be entitled to the payment of any Bonus Amount hereunder in the event of such Participant's termination of service at any time or for any reason (or no reason) prior to the Determination Date.

ARTICLE V

MISCELLANEOUS

5.1 Nontransferability. No rights to receive payment under this Plan may be transferred other than by will or the laws of descent and distribution. Any transfer or attempted transfer of a right to receive payment under this Plan contrary to this Section 5.1 shall be void to the greatest extent permitted under applicable law. In case of an attempted transfer by a Participant of a right to receive payment pursuant to this Plan contrary to this Section 5.1 hereof, the Committee may in its sole discretion terminate such right.

5.2 Rights of Participants. Nothing in this Plan shall interfere with or limit in any way any right of the Company or any of its Subsidiaries to terminate any Participant's employment or other service at any time and for any reason (or no reason), nor confer upon any Participant any right to continued service with the Company or any of its Subsidiaries for any period of time or to continue such Participant's present (or any other) rate of compensation. No service provider of the Company or any of its Subsidiaries shall have a right to be selected as a Participant.

5.3 Withholding Taxes. The Company shall be entitled, if necessary or desirable, to withhold from any amount due and payable by the Company to any Participant (or secure payment from such Participant in lieu of withholding) the amount of any withholding or other tax due from the Company with respect to any amount payable to such Participant under this Plan. Any statutorily required withholding obligation with regard to any Participant may be satisfied, subject to the consent of the Committee, by reducing the number of Shares otherwise deliverable or by delivering Shares already owned. Any fraction of a Share required to satisfy such tax obligations shall be disregarded and the amount due shall be paid instead in cash by the Participant. Notwithstanding the foregoing, in the event the Shares are not listed for trading on an established securities exchange on the date the Bonus Amount is required to be settled then the Company shall, at the request of the Participant, deduct or withhold Shares having a fair market value equal to the minimum amount required to be withheld to satisfy any federal, state,

local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its sole discretion, deems necessary to comply with the Code and/or any other applicable law, rule or regulation with respect to such Bonus Amount.

5.4 Severability. Whenever possible, each provision of this Plan shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Plan is held to be prohibited by or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of this Plan.

5.5 Titles and Headings. The headings and titles used in this Plan are for reference purposes only and shall not affect in any way the meaning or interpretation of this Plan.

5.6 Indemnification. In addition to such other rights of indemnification as they may have as members of the Board, the members of the Committee and the Board shall be indemnified by the Company against all costs and expenses reasonably incurred by them in connection with any action, suit or proceeding to which they or any of them may be party by reason of any action taken or failure to act under or in connection with this Plan or any rights granted thereunder, and against all amounts paid by them in settlement thereof; provided such settlement is approved by independent legal counsel selected by the Company or paid by them in satisfaction of a judgment in any such action, suit or proceeding; provided further that any such Board or Committee member shall be entitled to the indemnification rights set forth in this Section 5.6 only if such member has acted in good faith and in a manner that such member reasonably believed to be in or not opposed to the best interests of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such conduct was unlawful; and provided, further, that upon the institution of any such action, suit or proceeding, a Board or Committee member shall give the Company written notice thereof and an opportunity, at its own expense, to handle and defend the same before such Board or Committee member undertakes to handle and defend it on such Board or Committee member's own behalf.

5.7 Amendment, Termination. The Committee, in its sole discretion, may amend, suspend or terminate the Plan, or any part thereof, at any time and for any reason, subject to any requirement of stockholder approval required by applicable law, rule or regulation; provided, however, no amendment, suspension or termination of the Plan shall, without the consent of the Participant, materially adversely alter or impair any rights or obligations under any award theretofore granted to such Participant.

5.8 Governing Law: Waiver of a Jury Trial. The validity, construction and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware and applicable federal law. The Company and each Participant shall irrevocably and unconditionally waive all right to trial by jury in any proceeding relating to the Plan or any award made hereunder, or for the recognition and enforcement of any judgment in respect thereof (whether based on contract, tort or otherwise) arising out of or relating to the Plan or any award made hereunder.

5.9 Code Section 409A. The Plan is intended to comply with the applicable requirements of Code Section 409A and shall be limited, construed and interpreted in accordance

with such intent. To the extent that any award is subject to Code Section 409A, it shall be paid in a manner that will comply with Code Section 409A, including proposed, temporary or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. Notwithstanding anything herein to the contrary, any provision in the Plan that is inconsistent with Code Section 409A shall be deemed to be amended to comply with Code Section 409A and to the extent such provision cannot be amended to comply therewith, such provision shall be null and void. The Company shall have no liability to a Participant, or any other party, if an award that is intended to be exempt from, or compliant with, Section 409A of the Code is not so exempt or compliant or for any action taken by the Committee or the Company and, in the event that any amount or benefit under the Plan becomes subject to penalties under Code Section 409A, responsibility for payment of such penalties shall rest solely with the affected Participants and not with the Company.

Re: Emergence Award Grant Letter

Dear [_____]:

We are pleased to inform you that you have been selected to participate in the Chemtura Corporation Emergence Award Plan (the "Plan"), a copy of which is attached. The Plan is tied to the achievement of specified EBITDA targets for Chemtura Corporation (the "Company") and will pay a bonus in the form of fully vested shares of the Company's Common Stock. Any capitalized term not defined in this letter shall have the same meaning as is ascribed thereto in the Plan. Please read the Plan carefully to learn how it works.

In general, under the terms of the Plan, you will be eligible to receive a designated interest in a Bonus Pool. The overall pool is designed to reflect a maximum number of shares of the Company's Common Stock equal to one percent (1%) of the aggregate number of shares of the Company, on a fully diluted basis, as of the date of the Company's emergence from Chapter 11 bankruptcy proceedings. The actual size of the Bonus Pool will be based upon the Company's achievement of EBITDA for the 2011 fiscal year.

You are hereby granted [] Bonus Units under the Plan. Subject to the Company's achievement of the specified EBITDA targets, you will be eligible to receive a percentage of the aggregate number of shares in the Bonus Pool. Your percentage of the Bonus Pool will be determined by dividing the number of Bonus Units granted to you hereunder by the total number of Bonus Units held by all Participants in the Plan on the date the Company's achievement of EBITDA for the 2011 fiscal year is determined. Your Bonus Units shall be settled in fully vested shares of the Company's Common Stock, if any, which shall be distributed to you in calendar year 2012 following the Company's determination of EBITDA for the 2011 fiscal year, subject to your continued employment with the Company on the date of such determination. Of course, your participation in the Plan is not a guaranty of employment and you remain an at-will employee.

Participation in the Plan and all related discussion and documentation, including the contents of this letter, are considered fully confidential between the Company and you. You are expected to honor this confidentiality and not disclose or discuss any aspect of the Plan or your participation therein with any person other than the undersigned or the Human Resources Department.

Please sign the enclosed copy of this letter and return it to my attention.

Please contact me at [phone number / email address] if you have any questions.

Very truly yours,

[Insert name of Company contact]

5.7 Amendment, Termination. The Committee, in its sole discretion, may amend, suspend or terminate the Plan, or any part thereof, at any time and for any reason, subject to any requirement of stockholder approval required by applicable law, rule or regulation; provided, however, no amendment, suspension or termination of the Plan shall, without the consent of the Participant, materially adversely alter or impair any rights or obligations under any award theretofore granted to such Participant.

5.8 Governing Law; Waiver of a Jury Trial. The validity, construction and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware and applicable federal law. The Company and each Participant shall irrevocably and unconditionally waive all right to trial by jury in any proceeding relating to the Plan or any award made hereunder, or for the recognition and enforcement of any judgment in respect thereof (whether based on contract, tort or otherwise) arising out of or relating to the Plan or any award made hereunder.

5.9 Code Section 409A. The Plan is intended to comply with the applicable requirements of Code Section 409A and shall be limited, construed and interpreted in accordance with such intent. To the extent that any award is subject to Code Section 409A, it shall be paid in a manner that will comply with Code Section 409A, including proposed, temporary or final regulations or any other guidance issued by the Secretary of the Treasury and the Internal Revenue Service with respect thereto. Notwithstanding anything herein to the contrary, any provision in the Plan that is inconsistent with Code Section 409A shall be deemed to be amended to comply with Code Section 409A and to the extent such provision cannot be amended to comply therewith, such provision shall be null and void. The Company shall have no liability to a Participant, or any other party, if an award that is intended to be exempt from, or compliant with, Section 409A of the Code is not so exempt or compliant or for any action taken by the Committee or the Company and, in the event that any amount or benefit under the Plan becomes subject to penalties under Code Section 409A, responsibility for payment of such penalties shall rest solely with the affected Participants and not with the Company.

(d) Termination due to Non-Renewal. If this Agreement is terminated pursuant to a notice of Non-Renewal in accordance with Section 2, upon the expiration of this Agreement the Executive shall become a participant in the Executive and Key Employee Severance Plan or its successor plan or plans.

(e) Termination by the Company without Cause or by the Executive with Good Reason. Subject to Section 9(f) and Section 9(g), if the Company terminates the Executive's employment during the Employment Period other than for Cause or Disability or if the Executive terminates his employment hereunder with Good Reason, (i) the Company shall pay or provide the Executive (or the Executive's estate, if the Executive dies after such termination and execution of the release but before receiving such amount) (A) all Accrued Benefits, if any, to which the Executive is entitled; (B) a lump sum payment of an amount equal to a pro rata portion (based upon the number of days the Executive was employed during the calendar year in which the Date of Termination occurs) of the Annual Bonus or the 2010 Bonus, as applicable, that would have been paid to the Executive if he had remained employed with the Company based on actual performance, such payment to be made at the time bonus payments are made to other executives of the Company but in any event by no later than March 15 of the calendar year following the year that includes the Executive's Date of Termination; (C) an amount equal to the product of (x) [] and (y) the sum of the Executive's (I) Base Salary, (II) Target Bonus, and (III) annual perquisite allowance, payable in accordance with the Company's payroll policies in effect on the Date of Termination for the [] month period commencing upon the Executive's Date of Termination; (D) outplacement services at a level commensurate with the Executive's position in accordance with the Company's practices as in effect from time to time; (ii) notwithstanding anything set forth in any plan document or award agreement to the contrary, all vested outstanding equity awards shall remain outstanding and exercisable, if applicable, through their stated expiration dates, and (iii) the Executive and his

covered dependents shall be entitled to continued participation on the same terms and conditions as applicable immediately prior to the Executive's Date of Termination for the [⁸] year period following the Date of Termination in such medical, dental, and hospitalization insurance coverage in which the Executive and his eligible dependents were participating immediately prior to the Date of Termination.

(f) Change in Control. This Section 9(f) shall apply if there is (i) a termination of the Executive's employment by the Employer other than for Cause or Disability pursuant to Section 8(a) or by the Executive for Good Reason in, each case, during the two-year period after a Change in Control; or (ii) a termination of the Executive's employment by the Company prior to a Change in Control, if the termination was at the request of a third party or otherwise arose in anticipation of a Change in Control. If any such termination occurs, the Executive (or the Executive's estate, if the Executive dies after such termination and execution of the release but before receiving such amount) shall receive the benefits set forth in Section 9(e), except that (1) in lieu of the continued payment of Base Salary under Section 9(e)(i)(C), the Executive shall receive an amount equal to the product of (x) [⁹] and (y) the sum of the Executive's (I) Base Salary, (II) Target Bonus, and (III) annual perquisite allowance, payable in a lump sum promptly after the date of which the release referred to in Section 9(g) becomes irrevocable and (2) in addition to the extension of the expiration terms of outstanding equity awards under Section 9(e)(ii), the Executive shall be entitled to accelerated vesting of all outstanding equity awards.

(g) Liquidated Damages. The parties acknowledge and agree that the damages that will result to the Executive for termination by the Company of the Executive's employment without Cause or by the Executive for Good Reason shall be extremely difficult or impossible to establish or prove, and agree that the amounts payable to the Executive under Section 9(e) or Section 9(f) (the Severance Payments) shall constitute liquidated damages for any such termination. The Executive agrees that, except for such other payments and benefits to which the Executive may be entitled as expressly provided by the terms of this Agreement or any other applicable benefit plan or compensation arrangement (including equity-related awards), such liquidated damages shall be in lieu of all other claims that the Executive may make by reason of any such termination of his employment. Any and all amounts payable and benefits or additional rights provided pursuant to this Agreement beyond the Accrued Benefits shall only be payable if the Executive delivers to the Company and does not revoke a general release of claims in favor of the Company in substantially the form attached on Exhibit D hereto. Such release must be executed and delivered (and no longer subject to revocation, if applicable) within sixty (60) days following the Executive's Date of Termination. The Company shall deliver to the Executive the appropriate form of release of claims for the Executive to execute within five (5) business days of the Date of Termination.

(h) Certain Payment Delays. Notwithstanding anything to the contrary set forth herein, to the extent that the payment of any amount described in Section 9(e) or Section 9(f) constitutes nonqualified deferred compensation for purposes of Code Section

409A (as defined in Section 25 hereof), any such payment scheduled to occur during the first sixty (60) days following the termination of employment shall not be paid until the first regularly scheduled pay period following the sixtieth (60th) day following such termination and shall include payment of any amount that was otherwise scheduled to be paid prior thereto.

(i) No Offset. In the event of termination of his employment, the Executive shall be under no obligation to seek other employment and there shall be no offset against amounts due to him on account of any remuneration or benefits provided by any subsequent employment he may obtain. The Company's obligation to make any payment pursuant to, and otherwise to perform its obligations under, this Agreement shall not be affected by any offset, counterclaim or other right that the Company or the Company Affiliates may have against the Executive for any reason.

10. Certain Additional Payments by the Company.

(a) If it shall be determined that any benefit provided to the Executive or payment or distribution by or for the account of the Company to or for the benefit of the Executive, whether provided, paid or payable or distributed or distributable pursuant to the terms of this Agreement or otherwise (a Payment) would be subject to the excise tax imposed by Section 4999 of the Code, or any interest or penalties are incurred by the Executive with respect to such excise tax resulting from any action or inaction by the Company (such excise tax, together with any such interest and penalties, collectively, the Excise Tax), then the Executive shall be entitled to receive an additional payment (a Gross-Up Payment) in an amount such that after payment by the Executive of the Excise Tax and all other income, employment, excise and other taxes that are imposed on the Gross-Up Payment, the Executive retains an amount of the Gross-Up Payment equal to the sum of (A) the Excise Tax imposed upon the Payments and (B) the product of any deductions disallowed because of the inclusion of the Gross-up Payment in the Executive's adjusted gross income and the applicable marginal rate of federal income taxation for the calendar year in which the Executive's Gross-Up Payment is to be made. Notwithstanding the foregoing provisions of this Section 10(a), if it shall be determined that the Executive would be entitled to the Gross-Up Payment, but that the Parachute Value of all Payments does not exceed an amount equal to three hundred and ten percent (310%) of the Executive's Base Amount, then no Gross-Up Payment shall be made to the Executive and the amounts payable under this Agreement shall be reduced so that the Parachute Value of all Payments, in the aggregate, equals the Safe Harbor Amount; provided that such reduction shall only be made if such reduction results in a more favorable after-tax position for the Executive. The payment reduction contemplated by the preceding sentence, if any, shall be implemented by determining the Parachute Payment Ratio for each parachute payment and then reducing the parachute payments in order beginning with the parachute payment with the highest Parachute Payment Ratio. For parachute payments with the same Parachute Payment Ratio, such parachute payments shall be reduced based on the time of payment of such parachute payments, with amounts having later payment dates being reduced first. For parachute payments with the same Parachute Payment Ratio and the same time of payment, such parachute payments shall be reduced on a pro rata basis (but not below zero) prior to reducing parachute payments with a lower Parachute Payment Ratio.

(b) Subject to the provisions of Section 10(c), all determinations required to be made under this Section 10, including whether and when a Gross-Up Payment is required and the amount of such Gross-Up Payment and the assumptions to be utilized in arriving at such determination, shall be made by the Company's independent, certified public accounting firm or such other certified public accounting firm as may be designated by the Company prior to the Change in Control (the Accounting Firm) which shall provide detailed supporting calculations both to the Company and the Executive within fifteen (15) business days of the receipt of notice from the Executive that there has been a Payment, or such earlier time as is requested by the Company. If the Accounting Firm is serving as accountant or auditor for the individual, entity or group effecting a change in the ownership or effective control (as defined for purposes of Section 280G of the Code) of the Company, the Executive shall appoint another nationally recognized accounting firm which is reasonably acceptable to the Company to make the determinations required hereunder (which accounting firm shall then be referred to as the Accounting Firm hereunder). All fees and expenses of the Accounting Firm shall be borne solely by the Company. Any Gross-Up Payment, as determined pursuant to this Section 10, shall be paid by the Company to the Executive within five (5) days of the receipt of the Accounting Firm's determination but in any event by the end of the year following the year in which the applicable tax is remitted. Any determination by the Accounting Firm shall be binding upon the Company and the Executive. As a result of the uncertainty in the application of Section 4999 of the Code at the time of the initial determination by the Accounting Firm hereunder, it is possible that additional Gross-Up Payments shall be required to be made to compensate the Executive for amounts of Excise Tax later determined to be due, consistent with the calculations required to be made hereunder (an Underpayment). If the Company exhausts its remedies pursuant to Section 10(c) and the Executive is required to make a payment of any Excise Tax, the Accounting Firm shall determine the amount of the Underpayment that has occurred and any such Underpayment shall be promptly paid by the Company to or for the benefit of the Executive.

(c) The Executive shall notify the Company in writing of any claim by the Internal Revenue Service that, if successful, would require the payment by the Company of the Gross-Up Payment. Such notification shall be given as soon as practicable but no later than ten (10) business days after the Executive is informed in writing of such claim and shall apprise the Company of the nature of such claim and the date on which such claim is requested to be paid. The Executive shall not pay such claim prior to the expiration of the thirty (30)-day period following the date on which it gives such notice to the Company (or such shorter period ending on the date that any payment of taxes with respect to such claim is due). If the Company notifies the Executive in writing prior to the expiration of such period that they desire to contest such claim, the Executive shall:

(i) give the Company any information reasonably requested by the Company relating to such claim;

(ii) take such action in connection with contesting such claim as the Company shall reasonably request in writing from time to time, including, without limitation, accepting legal representation with respect to such claim by an attorney reasonably selected by the Company;

(iii) cooperate with the Company in good faith to effectively contest such claim; and

(iv) permit the Company to participate in any proceedings relating to such claim; provided, however, that the Company shall bear and pay directly all costs and expenses (including additional interest and penalties incurred in connection with such contest) and shall indemnify and hold the Executive harmless, on an after-tax basis, for any Excise Tax or income tax (including interest and penalties with respect thereto) imposed as a result of such representation and payment of costs and expenses.

(d) The following terms shall have the following meanings for purposes of this Section 10.

(i) Base Amount means base amount, within the meaning of Section 280G(b)(3) of the Code.

(ii) Parachute Payment Ratio shall mean a fraction the numerator of which is the value of the applicable parachute payment for purposes of Section 280G of the Code and the denominator of which is the intrinsic value of such parachute payment.

(iii) Parachute Value of a Payment shall mean the portion of such Payment that constitutes a parachute payment under Section 280G(b)(2), as determined by the Accounting Firm for purposes of determining whether and to what extent the Excise Tax will apply to such Payment.

(iv) Safe Harbor Amount means 2.99 times the Executive's Base Amount.

11. Indemnification. During the Employment Period and thereafter, the Company agrees to indemnify and hold the Executive and the Executive's heirs and representatives harmless, to the maximum extent permitted by law, against any and all damages, costs, liabilities, losses and expenses (including reasonable attorneys' fees) as a result of any claim or proceeding (whether civil, criminal, administrative or investigative), or any threatened claim or proceeding (whether civil, criminal, administrative or investigative), against the Executive that arises out of or relates to the Executive's service as an officer, director or employee, as the case may be, of the Company, or the Executive's service in any such capacity or similar capacity with a Company Affiliate or other entity at the request of the Company, both prior to and after the Effective Date, and to promptly advance to the Executive or the Executive's heirs or representatives such expenses upon written request with appropriate documentation of such expense upon receipt of an undertaking by the Executive or on the Executive's behalf to repay such amount if it shall ultimately be determined that the Executive is not entitled to be indemnified by the Company. During the Employment Period and thereafter, the Company also shall provide the Executive with coverage under its current directors' and officers' liability policy to the same extent that it provides such coverage to its other executive officers. If the Executive has any knowledge of any actual or threatened action, suit or proceeding, whether civil, criminal, administrative or investigative, as to which the Executive may request indemnity under this provision, the Executive will give the Company prompt written notice thereof;

provided that the failure to give such notice shall not affect the Executive's right to indemnification. The Company shall be entitled to assume the defense of any such proceeding and the Executive will use reasonable efforts to cooperate with such defense. To the extent that the Executive in good faith determines that there is an actual or potential conflict of interest between the Company and the Executive in connection with the defense of a proceeding, the Executive shall so notify the Company and shall be entitled to separate representation at the Company's expense by counsel selected by the Executive (provided that the Company may reasonably object to the selection of counsel within ten (10) business days after notification thereof) which counsel shall cooperate, and coordinate the defense, with the Company's counsel and minimize the expense of such separate representation to the extent consistent with the Executive's separate defense. This Section 11 shall continue in effect after the termination of the Executive's employment or the termination of this Agreement.

12. Attorney's Fees.

(a) Negotiation. Upon presentation of an invoice therefor, the Company shall pay or reimburse the Executive's reasonable counsel fees incurred in connection with the negotiation and documentation of this Agreement and the other documents ancillary thereto.

(b) Disputes. The Company shall advance the Executive (and his beneficiaries) any and all costs and expenses (including without limitation attorneys' fees and other charges of counsel) incurred by the Executive (or any of his beneficiaries) in resolving any controversy, dispute or claim arising out of or relating to this Agreement, any other agreement or arrangement between the Executive and the Company, the Executive's employment with the Company, or the termination thereof; provided that the Executive shall reimburse the Company any advances on a net after-tax basis to cover expenses incurred by the Executive for claims brought by the Executive that are judicially determined to be frivolous or advanced in bad faith.

13. Notices. All notices, demands, requests, or other communications which may be or are required to be given or made by any party to any other party pursuant to this Agreement shall be in writing and shall be hand delivered, mailed by first-class registered or certified mail, return receipt requested, postage prepaid, delivered by overnight air courier, or transmitted by facsimile transmission addressed as follows:

(i) If to the Company:

Chemtura Corporation

199 Benson Road

Middlebury, CT 06749

Attention: General Counsel

(ii) If to the Executive:

Address last shown on the Company's Records.

Each party may designate by notice in writing a new address to which any notice, demand, request or communication may thereafter be so given, served or sent. Each notice, demand, request, or communication that shall be given or made in the manner described above shall be

deemed sufficiently given or made for all purposes at such time as it is delivered to the addressee (with the return receipt, the delivery receipt, confirmation of facsimile transmission or the affidavit of messenger being deemed conclusive but not exclusive evidence of such delivery) or at such time as delivery is refused by the addressee upon presentation.

14. Severability. The invalidity or unenforceability of any one or more provisions of this Agreement, including, without limitation, Section 7, shall not affect the validity or enforceability of the other provisions of this Agreement, which shall remain in full force and effect.

15. Survival. It is the express intention and agreement of the parties hereto that the provisions of Sections 7, 9, 10, 11, 12, 13, 14, 16, 17, 18, 20, 21, 22, 24 and 25 hereof and this Section 15 shall survive the termination of employment of the Executive. In addition, all obligations of the Company to make payments hereunder shall survive any termination of this Agreement on the terms and conditions set forth herein.

16. Assignment. The rights and obligations of the parties to this Agreement shall not be assignable or delegable, except that (i) in the event of the Executive's death, the personal representative or legatees or distributees of the Executive's estate, as the case may be, shall have the right to receive any amount owing and unpaid to the Executive hereunder and (ii) the rights and obligations of the Company hereunder shall be assignable and delegable in connection with any subsequent merger, consolidation, sale of all or substantially all of the assets or equity interests of the Company or similar transaction involving the Company or a successor corporation. The Company shall require any successor to the Company to expressly assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

17. Binding Effect. Subject to any provisions hereof restricting assignment, this Agreement shall be binding upon the parties hereto and shall inure to the benefit of the parties and their respective heirs, devisees, executors, administrators, legal representatives, successors and assigns.

18. Amendment; Waiver. This Agreement shall not be amended, altered or modified except by an instrument in writing duly executed by the party against whom enforcement is sought. Neither the waiver by either of the parties hereto of a breach of or a default under any of the provisions of this Agreement, nor the failure of either of the parties, on one or more occasions, to enforce any of the provisions of this Agreement or to exercise any right or privilege hereunder, shall thereafter be construed as a waiver of any subsequent breach or default of a similar nature, or as a waiver of any such provisions, rights or privileges hereunder.

19. Headings. Section and subsection headings contained in this Agreement are inserted for convenience of reference only, shall not be deemed to be a part of this Agreement for any purpose, and shall not in any way define or affect the meaning, construction or scope of any of the provisions hereof.

20. Governing Law. This Agreement, the rights and obligations of the parties hereto, and any claims or disputes relating thereto, shall be governed by and construed in accordance with the laws of the State of Delaware (but not including any choice of law rule thereof that would cause the laws of another jurisdiction to apply).

21. Waiver of Jury Trial. Each of the parties hereto irrevocably and unconditionally waives all right to trial by jury in any proceeding relating to this Agreement or the Executive's employment by the Company or any Company Affiliate, or for the recognition and enforcement of any judgment in respect thereof (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or the Executive's employment by the Company or any Company Affiliate, or the Executive's or the Company's performance under, or the enforcement of, this Agreement.

22. Entire Agreement. This Agreement constitutes the entire agreement between the parties respecting the employment of the Executive, there being no representations, warranties or commitments except as set forth herein and supersedes and replaces all other agreements related to the subject matter hereof of, including **[list employment agreement or other contracts.]**

23. Counterparts. This Agreement may be executed in two counterparts, each of which shall be an original and all of which shall be deemed to constitute one and the same instrument.

24. Withholding. The Company may withhold from any benefit payment under this Agreement all federal, state, city or other taxes as shall be required pursuant to any law or governmental regulation or ruling.

25. Section 409A.

(a) The intent of the parties is that payments and benefits under this Agreement comply with Internal Revenue Code Section 409A and the regulations and guidance promulgated thereunder (collectively "Code Section 409A") and, accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. If the Executive notifies the Company (with specificity as to the reason therefor) that the Executive believes that any provision of this Agreement (or of any award of compensation, including equity compensation or benefits) would cause the Executive to incur any additional tax or interest under Code Section 409A and the Company concurs with such belief or the Company (without any obligation whatsoever to do so) independently makes such determination, the Company shall, after consulting with the Executive, reform such provision to attempt to comply with Code Section 409A through good faith modifications to the minimum extent reasonably appropriate to conform with Code Section 409A. To the extent that any provision hereof is modified in order to comply with Code Section 409A, such modification shall be made in good faith and shall, to the maximum extent reasonably possible, maintain the original intent and economic benefit to the Executive and the Company of the applicable provision without violating the provisions of Code Section 409A.

(b) A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination is also a separation from service within the meaning of Code Section 409A and, for purposes of any

such provision of this Agreement, references to a termination, termination of employment or like terms shall mean separation from service. If the Executive is deemed on the date of termination to be a specified employee within the meaning of that term under Code Section 409A(a)(2)(B), then with regard to any payment or the provision of any benefit that is considered deferred compensation under Code Section 409A payable on account of a separation from service, such payment or benefit shall be made or provided at the date which is the earlier of (A) the expiration of the six (6)-month period measured from the date of such separation from service of the Executive, and (B) the date of the Executive's death, to the extent required under Code Section 409A. Upon the expiration of the foregoing delay period, all payments and benefits delayed pursuant to this Section 25(b) (whether they would have otherwise been payable in a single sum or in installments in the absence of such delay) shall be paid or reimbursed to the Executive in a lump sum, and any remaining payments and benefits due under this Agreement shall be paid or provided in accordance with the normal payment dates specified for them herein.

(c) To the extent that reimbursements or other in-kind benefits under this Agreement constitute nonqualified deferred compensation for purposes of Code Section 409A, (A) all expenses or other reimbursements hereunder shall be made on or prior to the last day of the taxable year following the taxable year in which such expenses were incurred by the Executive, (B) any right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (C) no such reimbursement, expenses eligible for reimbursement, or in-kind benefits provided in any taxable year shall in any way affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year.

(d) For purposes of Code Section 409A, the Executive's right to receive any installment payments pursuant to this Agreement shall be treated as a right to receive a series of separate and distinct payments. Whenever a payment under this Agreement specifies a payment period with reference to a number of days, the actual date of payment within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment under this Agreement that constitutes nonqualified deferred compensation for purposes of Code Section 409A be subject to offset by any other amount unless otherwise permitted by Code Section 409A.

Amounts payable under (A) clauses (i), (ii) and (iii) shall be paid promptly after the Date of Termination, (B) clause (iv) shall be paid in accordance with the terms and conditions of the applicable plan, program or arrangement and (C) clause (v) shall be paid in accordance with the terms of the applicable expense reimbursement policy.

For purposes of this provision, no act or failure to act, on the part of the Executive, shall be considered willful unless it is done, or omitted to be done, by the Executive in bad faith or without reasonable belief that the Executive's action or omission was in the best interests of the Company. Anything herein to the contrary notwithstanding, the Executive shall not be terminated for Cause hereunder unless (A) written notice stating the basis for the termination is provided to the Executive and (B) as to clauses (ii), (iii) or (iv) of this paragraph, he is given fifteen (15) days to cure the neglect or conduct that is the basis of such claim, to the extent curable.

(v) the consummation of a sale or disposition of all or substantially all the assets of the Company, in one or a series of related transactions during any twelve (12)-month period, other than the sale or disposition of all or substantially all of the assets of the Company to a Five Percent Owner or a person or persons who beneficially own, directly or indirectly, more than fifty percent (50%) of the combined voting power of the outstanding voting securities of the Company at the time of the sale.

(g) Good Reason means (i) any material diminution or adverse change in the Executive's titles, duties or authorities; (ii) a reduction in the Executive's total compensation, including a reduction in the Executive's Base Salary, Target Bonus or annual minimum equity award value; (iii) a material adverse change in the Executive's reporting responsibilities; (iv) the assignment of duties substantially inconsistent with the Executive's position or status with the Company; (v) a relocation of the Executive's primary place of employment to a location more than twenty five (25) miles further from the Executive's primary residence than the current location of the Company's offices; (vi) any other material breach of the Agreement or any other agreement by the Company or the Company Affiliates; (vii) the failure of the Company to obtain the assumption in writing of its obligations under the Agreement by any successor to all or substantially all of the assets of the Company after a merger, consolidation, sale or similar transaction in which such Agreement is not assumed by operation of law; or (viii) any material diminution in the aggregate value of employee benefits provided to the Executive on the Effective Date under any employee benefit plan (as defined in Section 3(3) of ERISA), other than pursuant to across-the-board reductions to employee benefits applicable to all senior executives. GENERAL RELEASE¹⁰

I, _____, in consideration of and subject to the performance by Chemtura Corporation (together with its subsidiaries, the Company), of its obligations under Section 9 of the Employment Agreement, dated as of [] (the Agreement), do hereby release and forever discharge as of the date hereof the Company and its respective affiliates and subsidiaries and all present, former and future directors, officers, agents, representatives, employees, successors and assigns of the Company and/or its respective affiliates and subsidiaries and direct or indirect owners (collectively, the Released Parties) to the extent provided herein (this General Release). The Released Parties are intended third-party beneficiaries of this General Release, and this General Release may be enforced by each of them in accordance with the terms hereof in respect of the rights granted to such Released Parties hereunder. Terms used herein but not otherwise defined shall have the meanings given to them in the Agreement.

1. I understand that any payments or benefits paid or granted to me under Section 9 of the Agreement represent, in part, consideration for signing this General Release and are not salary, wages or benefits to which I was already entitled. I understand and agree that I will not receive the payments and benefits specified in Section 9 of the Agreement unless I execute this General Release and do not revoke this General Release within the time period permitted hereafter or breach this General Release. Such payments and benefits will not be considered compensation for purposes of any employee benefit plan, program, policy or arrangement maintained or hereafter established by the Company or its affiliates.

2. Except as provided in paragraph 4 below and except for the provisions of the Agreement which expressly survive the termination of my employment with the Company, I knowingly and voluntarily (for myself, my heirs, executors, administrators and assigns) release and forever discharge the Company and the other Released Parties from any and all claims, suits, controversies, actions, causes of action, cross-claims, counter-claims, demands, debts, compensatory damages, liquidated damages, punitive or exemplary damages, other damages, claims for costs and attorneys' fees, or liabilities of any nature whatsoever in law and in equity, both past and present (through the date that this General Release becomes effective and enforceable) and whether known or unknown, suspected, or claimed against the Company and/or any of the Released Parties which I, my spouse, or any of my heirs, executors, administrators or assigns, ever had, now have, or hereafter may have, by reason of any matter, cause, or thing whatsoever, from the beginning of my initial dealings with the Company to the date of this General Release, and particularly, but without limitation of the foregoing general terms, any claims arising from or relating in any way to my employment relationship with Company, the terms and conditions of that employment relationship, and the termination of that employment relationship (including, but not limited to, any allegation, claim or violation, arising under: Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the Age Discrimination in Employment Act of 1967, as amended (including the Older Workers Benefit Protection Act); the Equal Pay Act of 1963, as amended; the Americans with Disabilities Act of 1990; the Family and Medical Leave Act of 1993; the Worker Adjustment and Retraining and

Notification Act; the Employee Retirement Income Security Act of 1974; any applicable Executive Order Programs; the Fair Labor Standards Act; or their state or local counterparts; or under any other federal, state or local civil or human rights law, or under any other local, state, or federal law, regulation or ordinance; or under any public policy, contract or tort, or under common law; or arising under any policies, practices or procedures of the Company; or any claim for wrongful discharge, breach of contract, infliction of emotional distress, defamation; or any claim for costs, fees, or other expenses, including attorneys' fees incurred in these matters) (all of the foregoing collectively referred to herein as the Claims). I understand and intend that this General Release constitutes a general release of all claims and that no reference herein to a specific form of claim, statute or type of relief is intended to limit the scope of this General Release.

3. I represent that I have made no assignment or transfer of any right, claim, demand, cause of action, or other matter covered by paragraph 2 above.

4. I agree that this General Release does not waive or release any rights or claims that I may have under the Age Discrimination in Employment Act of 1967 which arise after the date I execute this General Release. I acknowledge and agree that my separation from employment with the Company in compliance with the terms of the Agreement shall not serve as the basis for any claim or action (including, without limitation, any claim under the Age Discrimination in Employment Act of 1967).

5. I agree that I hereby waive all rights to sue or obtain equitable, remedial or punitive relief from any or all Released Parties of any kind whatsoever, including, without limitation, reinstatement, back pay, front pay, and any form of injunctive relief. Notwithstanding the foregoing, I acknowledge that I am not waiving and am not being required to waive any right that cannot be waived under law, including the right to file an administrative charge or participate in an administrative investigation or proceeding; provided, however, that I disclaim and waive any right to share or participate in any monetary award resulting from the prosecution of such charge or investigation or proceeding.

6. In signing this General Release, I acknowledge and intend that it shall be effective as a bar to each and every one of the Claims hereinabove mentioned or implied. I expressly consent that this General Release shall be given full force and effect according to each and all of its express terms and provisions, including those relating to unknown and unsuspected Claims (notwithstanding any state or local statute that expressly limits the effectiveness of a general release of unknown, unsuspected and unanticipated Claims), if any, as well as those relating to any other Claims hereinabove mentioned or implied. I acknowledge and agree that this waiver is an essential and material term of this General Release and that without such waiver the Company would not have agreed to the terms of the Agreement. I further agree that in the event that I should bring a Claim seeking damages against the Company, or in the event that I should seek to recover against the Company in any Claim brought by a governmental agency on my behalf, this General Release shall serve as a complete defense to such Claims to the maximum extent permitted by law. I further agree that I am not aware of any pending claim, or of any facts that could give rise to a claim, of the type described in paragraph 2 as of the execution of this General Release.

7. I agree that neither this General Release, nor the furnishing of the consideration for this General Release, shall be deemed or construed at any time to be an admission by the Company, any Released Party or myself of any improper or unlawful conduct.

8. I agree that I will forfeit all amounts payable by the Company pursuant to the Agreement if I challenge the validity of this General Release. I also agree that if I violate this General Release by suing the Company or the other Released Parties, I will pay all costs and expenses of defending against the suit incurred by the Released Parties, including reasonable attorneys' fees, and return all payments received by me pursuant to the Agreement on or after the termination of my employment.

9. I agree that this General Release and the Agreement are confidential and agree not to disclose any information regarding the terms of this General Release or the Agreement, except to my immediate family and any tax, legal or other counsel that I have consulted regarding the meaning or effect hereof or as required by law, and I will instruct each of the foregoing not to disclose the same to anyone.

10. Any non-disclosure provision in this General Release does not prohibit or restrict me (or my attorney) from responding to any inquiry about this General Release or its underlying facts and circumstances by the Securities and Exchange Commission (SEC), the Financial Industry Regulatory Authority (FINRA), or any other self-regulatory organization or governmental entity.

11. I hereby acknowledge that Sections 7, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 20, 21, 22, 24 and 25 of the Agreement shall survive my execution of this General Release.

12. I represent that I am not aware of any Claim by me, and I acknowledge that I may hereafter discover Claims or facts in addition to or different than those which I now know or believe to exist with respect to the subject matter of the release set forth in paragraph 2 above and which, if known or suspected at the time of entering into this General Release, may have materially affected this General Release and my decision to enter into it.

13. Notwithstanding anything in this General Release to the contrary, this General Release shall not relinquish, diminish, or in any way affect any rights or claims arising out of any breach by the Company or by any Released Party of the Agreement after the date hereof.

14. Whenever possible, each provision of this General Release shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this General Release is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or any other jurisdiction, but this General Release shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein. This General Release constitutes the complete and entire agreement and understanding among the parties, and supersedes any and all prior or contemporaneous agreements, commitments, understandings or arrangements, whether written or oral, between or among any of the parties, in each case concerning the subject matter hereof.

CHEMTURA CORPORATION

2010 SHORT-TERM INCENTIVE PLAN

1. **Purpose.** This annual incentive plan (the Plan) is applicable to those employees of Chemtura Corporation (the Company) and its subsidiaries who are executive officers of the Company (Covered Employees), including members of the Board of Directors who are such employees. The Plan is designed to advance the interests of the Company by enabling the Company to attract, retain, and motivate Covered Employees, by focusing such Covered Employees on pre-established, objective performance goals and by providing such Covered Employees with opportunities to earn financial rewards based on the achievement of such performance goals.

2. **Eligibility.** All Covered Employees shall be eligible to be selected to participate in this Plan. The Committee shall select the Covered Employees who shall participate in this Plan in any year (each, a Participant) no later than 90 days after the commencement of the fiscal year of the Company (or such earlier or later date as may be the applicable deadline for the establishment of performance goals permitting the compensation payable to such Participant under this Plan with respect to such year to qualify as qualified performance-based compensation under Treasury Regulation Section 1.162-27(e)) (as applicable, with respect to a Participant, the Determination Date). A Participant may be permitted to participate in any other annual incentive plan established by the Company.

3. **Administration.** The Plan shall be administered by the Organization, Compensation and Governance Committee of the Board of Directors (the Board), or by another committee appointed by the Board (the Organization, Compensation and Governance Committee of the Board or such other committee, the Committee). The Committee shall be comprised exclusively of members of the Board who are outside directors within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code of 1986, as amended (the Code) and Treasury Regulation Section 1.162-27(e)(3). The Committee shall have the authority, subject to the provisions herein: (a) to select Participants; (b) to establish and administer the performance goals and the award opportunities applicable to each Participant and certify whether the goals have been attained; (c) to construe and interpret the Plan and any agreement or instrument entered into under the Plan; (d) to establish, amend, and waive rules and regulations for the Plan's administration; and (e) to make all other determinations which may be necessary or advisable for the administration of the Plan. Any determination by the Committee pursuant to the Plan shall be final, binding and conclusive on all employees and Participants and anyone claiming under or through any of them. Members of the Committee shall not be liable for any act or omission in their capacities as such members, except for bad faith or gross negligence.

4. **Establishment of Performance Goals and Award Opportunities.** No later than the Determination Date for each year, the Committee shall establish in writing the method for computing the amount of compensation that will be payable under the Plan to each Participant in the Plan with respect to such year (i) if the performance goals established by the Committee for the applicable period with respect to such Participant are attained in whole or in part and, (ii) to the extent required by the Committee, if the Participant's employment by the Company or a

subsidiary continues without interruption during the year through the date the Participant's award is paid pursuant to Section 7 (or such earlier or later date specified by the Committee). Such method shall be stated in terms of an objective formula or standard that precludes discretion, within the meaning of Treasury Regulation Section 1.162-27(e)(2)(iii)(A), to increase the amount of the award that would otherwise be due upon attainment of the goals and may be different for each Participant. Notwithstanding anything to the contrary contained herein, but subject to the terms of any enforceable employment agreement or other contract, the Committee may exercise negative discretion to reduce the amount of any bonus otherwise payable hereunder.

No later than the applicable Determination Date with respect to a performance period, the Committee shall establish in writing the performance goals for such period, which shall be based on any of the following performance criteria, either alone or in any combination, on either a consolidated or business unit or divisional level, and which shall include or exclude discontinued operations, acquisition expenses and restructuring expenses and/or other one-time or extraordinary items of income, revenue or expense as the Committee may determine: (i) earnings; (ii) net income; (iii) net income applicable to stock; (iv) revenue; (v) cash flow; (vi) return on assets; (vii) return on net assets; (viii) return on invested capital; (ix) return on equity; (x) profitability; (xi) economic value added; (xii) operating margins or profit margins; (xiii) earnings or income before income taxes; (xiv) earnings or income before interest and income taxes; (xv) income before interest, income taxes, depreciation and amortization; (xvi) total stockholder return; (xvii) book value; (xviii) expense management; (xix) capital structure and working capital; (xx) strategic business criteria, consisting of one or more objectives based on meeting specified revenue, gross profit, market penetration, geographic business expansion, cost targets or goals relating to acquisitions or divestitures; (xxi) costs; (xxii) employee morale or productivity; (xxiii) customer satisfaction or loyalty; (xxiv) customer service; (xxv) compliance programs; and (xxvi) safety. The foregoing criteria shall have any reasonable definitions that the Committee may specify, which may include or exclude any or all of the following items: extraordinary, unusual or non-recurring items; effects of accounting changes; effects of currency fluctuations; effects of financing activities (e.g., effect on earnings per share of issuing convertible debt securities); expenses for restructuring, productivity initiatives or new business initiatives; non-operating items; effects of acquisitions and divestitures, including, but not limited to, purchase accounting, income and losses on discontinued operations and gains and losses on the sale of businesses; reorganization effects; fresh start accounting effects; and gains and losses on the extinguishment of debt. Any such performance criterion or combination of such criteria may apply to the Participant's award opportunity in its entirety or to any designated portion or portions of the award opportunity, as the Committee may specify. Notwithstanding anything to the contrary contained herein, an individual who becomes a Covered Employee after the applicable Determination Date may be selected as a Participant in the Plan. In such event, the Committee may establish a performance period of less than one year for such Participant or permit the Participant to participate in an existing bonus program, in each case, to the extent permissible under Section 162(m) of the Code.

5. Maximum Award. The maximum amount of compensation that may be paid under the Plan to any Participant for any year is \$5,000,000.00.

6. Attainment of Performance Goals Required. Awards shall be paid under this Plan for any year solely on account of the attainment of the performance goals established by the Committee with respect to such year. Awards may also be contingent upon the Participant remaining employed by the Company or a subsidiary of the Company during such year and through the date the Participant's award is paid pursuant to Section 7 (or such earlier or later date specified by the Committee). In the event of termination of employment by reason of death or disability (as determined by the Committee in its sole discretion) during the Plan year or before a Participant's award with respect to a year is paid pursuant to Section 7, an award shall be payable under this Plan to the Participant or the Participant's estate for such year, which shall be paid at the same time as the award the Participant would have received for such year had no termination of employment occurred and which shall be equal to the amount of such award multiplied by a fraction the numerator of which is the number of full or partial calendar months elapsed in such year prior to termination of employment and the denominator of which is the number twelve. Unless otherwise specified by the Committee, a Participant whose employment terminates prior to the date the Participant's award with respect to a year is paid pursuant to this Section (or such earlier or later date specified by the Committee) for any reason not excepted above shall not be entitled to any award under the Plan for that year.

7. Shareholder Approval and Committee Certification Contingencies; Payment of Awards. Payment of any awards under this Plan shall be contingent upon the affirmative vote of the shareholders of at least a majority of the votes cast (including abstentions) approving the Plan in a manner that complies with Section 162(m) of the Code (which may include approval by a court). Unless and until such approval is obtained, no award shall be paid or payable pursuant to this Plan. Payment of any award under this Plan shall also be contingent upon the Committee's certifying, in accordance with applicable treasury regulations under Code Section 162(m) in writing that the performance goals and any other material terms applicable to such award were in fact satisfied. Unless and until the Committee so certifies, such award shall not be paid or payable. Unless the Committee provides otherwise, (a) earned awards shall be paid promptly following such certification, and (b) such payment shall be made in cash or in awards granted under the Company's 2010 Long-Term Incentive Plan (subject to any payroll tax withholding the Company may determine applies). To the extent necessary for purposes of Code Section 162(m), this Plan shall be resubmitted to shareholders for their reapproval with respect to awards payable for the taxable years of the Company commencing on and after the 5-year anniversary of initial shareholder approval. Unless otherwise determined by the Committee prior to the commencement of the calendar year that includes the start of the applicable performance period, payment will be made not later than March 15 of the calendar year immediately following the close of the applicable performance period. The Committee, in its discretion, may provide that individuals may elect to defer payment of awards provided hereunder, in accordance with such procedures to be established by the Committee, in accordance with Section 409A of the Code, the regulations thereunder, and other applicable law.

8. Amendment, Termination, and Term of Plan. The Board of Directors may amend, modify or terminate this Plan at any time. The Plan will remain in effect until terminated by the Board. Nothing in this Section 8 shall permit the Board of Directors to modify the terms of any enforceable employment agreement or other contract.

9. Interpretation and Construction. Any provision of this Plan to the contrary notwithstanding, (a) awards under this Plan are intended to qualify as qualified performance-based compensation under Treasury Regulation 1.162-27(e), and (b) any provision of the Plan that would prevent an award under the Plan from so qualifying shall be administered, interpreted and construed to carry out such intention and any provision that cannot be so administered, interpreted and construed shall to that extent be disregarded. No provision of the Plan, nor the selection of any eligible employee to participate in the Plan, shall constitute an employment agreement or affect the duration of any Participant's employment, which shall remain employment at will unless an employment agreement between the Company and the Participant provides otherwise. Both the Participant and the Company shall remain free to terminate employment at any time to the same extent as if the Plan had not been adopted. To the extent required by any applicable law, rule or regulation, Awards granted under this Plan shall be subject to any policies adopted by the Company to comply with the Dodd-Frank Wall Street Reform and Consumer Protection Act.

10. Governing Law. The terms of this Plan shall be governed by the laws of the State of Delaware, without reference to the conflicts of laws principles thereof.

11. Waiver of a Jury Trial. The Company and each Participant shall irrevocably and unconditionally waive all right to trial by jury in any proceeding relating to the Plan or any award made hereunder, or for the recognition and enforcement of any judgment in respect thereof (whether based on contract, tort or otherwise) arising out of or relating to the Plan or any award made hereunder.

12. Nontransferrability. No right or interest of any Participant in the Plan shall be assignable or transferable except as designated by the Participant by will or by the laws of descent and distribution, or subject to any lien, directly, by operation of law, or otherwise, including, but not limited to execution, levy, garnishment pledge and bankruptcy.
