**The Company**

Our vision is to enable customer leadership, better and faster than our competition, through the creation, innovation and manufacture of graphite and carbon material science-based solutions. We have over 120 years of experience in the research and development of graphite and carbon-based solutions and our intellectual property portfolio is extensive. Our business was founded in 1886 by the National Carbon Company.

We are one of the world's largest manufacturers of the broadest range of high quality graphite electrodes, products essential to the production of electric arc furnace, or EAF, steel and various other ferrous and nonferrous metals. We also manufacture carbon, graphite and semi-graphite refractory products, which protect the walls of blast furnaces and submerged arc furnaces. We are one of the largest manufacturers of high quality natural graphite products enabling thermal management solutions for the electronics industry and fuel cell solutions for the transportation and power generation industries. We are one of the world's largest manufacturers and providers of advanced graphite and carbon materials for the

transportation, solar, and oil and gas exploration industries. We service customers in about 70 countries, including industry leaders such as Arcelor Mittal, BaoSteel, Gerdau S.A. and ThyssenKrupp Steel in steel, Samsung in electronics, Elkem Solar in the solar industry and Griffin Wheel in the transportation industry.

Prior to the acquisitions of Seadrift and C/G described below, we have manufactured our products in eleven manufacturing facilities strategically located on four continents. We believe our network has the largest manufacturing capacity, one of the lowest manufacturing cost structures of all of our major competitors and delivers the highest-level quality products. Prior to the acquisitions of Seadrift and C/G we have had the operating capability, depending on product mix, to manufacture approximately 220,000 metric tons of graphite electrodes per year. We believe that our global manufacturing network provides us with competitive advantages in product quality, proximity to customers, timely and reliable product delivery, and product costs. Given our global network, we are well positioned to serve the growing number of consolidated, global, multi-plant steel customers as well as certain smaller, regional customers and segments.

We operate one of the premier research, development and testing facilities in the graphite and carbon industry, and we believe we are an industry leader in graphite and carbon material science and high temperature processing know-how. We believe our technological capabilities for developing products with superior thermal, electrical and physical characteristics provide us with a competitive advantage. These capabilities have enabled us to accelerate development and commercialization of our technologies to exploit markets with high growth potential.

On November 30, 2010, we acquired Seadrift and C/G.

Seadrift is one of the world's largest manufacturers of petroleum-based needle coke and owns the world's only known stand-alone petroleum-based needle coke plant, located in Port Lavaca, Texas. The plant is considered state of the art due to Seadrift's three drum, three-step process. The plant's capacity in 2009 was approximately 150,000 metric tons per year. The Seadrift plant is almost entirely self-sufficient, requiring only supplies of feedstock and fresh water to run continuously. In addition to calcined needle coke, the operation produces naphtha, gas oil and electricity as by-products.

Located in St. Marys, Pennsylvania, C/G is a U.S. owned and operated manufacturer of large diameter premium ultra-high power, or UHP, graphite electrodes used in the EAF steel making process. UHP graphite electrodes are highly engineered products uniquely capable of withstanding the intense environment inside an EAF, and are continuously consumed at a rate directly proportional to the amount of steel produced.

Each of the Milikowsky Holders agreed, for two (2) years following the acquisition of Seadrift and thereafter until six (6) months after the later of (i) the termination of the Milikowsky Holders right to nominate an individual for election as a director of GrafTech and (ii) the date on which any such nominated director ceases to be a member of our Board of Directors, that:

it will not enter into, and will not permit any of its controlled affiliates or related parties to or to enter into, any contract to purchase, sell, borrow, lend, pledge, or otherwise acquire or transfer, directly or indirectly, any securities of GrafTech; and

it will not enter into, and will not permit any of its controlled affiliates or related parties to enter into, any economic or voting derivative, swap or other contract that transfers to, or acquires from, any other person, any of the voting rights or economic consequences of ownership of any securities of GrafTech or the value of which is measured or determined by, or with respect to, the value of any securities of GrafTech.

The foregoing lock-up terminates upon (i) a change in control as described below (except that the percentage thresholds in the first two bullets of the definition of change in control shall be 50% (and not 35%)); (ii) bankruptcy of GrafTech or any of its significant subsidiaries; (iii) GrafTech's failure to comply in any material respect with the board nomination rights; (iv) the delisting of our common stock from the NYSE (other than in connection with relisting on another national or international exchange); or (v) the transfer by the Milikowsky Holders and their related parties of at least 90% of our common stock owned by them to persons other than related parties.

Each of the Milikowsky Holders agreed not to take any of the following actions for a period of two (2) years following the acquisition of Seadrift and thereafter until six (6) months after the later of (i) the termination of the Milikowsky Holders right to nominate an individual for election as a director of GrafTech and (ii) the date on which any such nominated director ceases to be a member of our Board of Directors (the standstill ):

take any action to change, control or influence the management (including the composition of our Board of Directors) or policies of GrafTech (except in connection with the exercise of the fiduciary duties of the board nominee of the Milikowsky Holders if he is then serving as a member of our Board of Directors) or to obtain representation on our Board of Directors (except for the board designation rights in the Stockholders Agreement);

make any public announcement with respect to, submit a public proposal for or make any public offer as to any extraordinary transaction involving GrafTech;

form, assist or participate in a group in connection with any of the foregoing;

enter into any discussions, arrangements or contracts with any other person regarding any of the foregoing; or

take any action that would require GrafTech under applicable laws, due to fiduciary duties, or otherwise to make any public announcement relating to any of the foregoing or any extraordinary transaction.

The standstill provisions terminate upon (i) a change in control as described below (except that the percentage thresholds in the first two bullets of the definition of change in control shall be 50% (and not 35%)); (ii) bankruptcy of GrafTech or any of its significant subsidiaries; (iii) GrafTech's failure to comply in any material respect with the board nomination rights; (iv) the delisting of our common stock from the NYSE (other than in connection with relisting on another national or international exchange); or (v) upon the termination of the merger agreement with C/G without the consummation of the acquisition of C/G.

Notwithstanding the lock-up and standstill provisions, Nathan Milikowsky and Rebecca Milikowsky may transfer up to an aggregate of 1,600,000 shares (as adjusted for any stock split, stock dividend, combination or other recapitalization or reclassification transactions by us) of our common stock to The Rebecca and Nathan Milikowsky Family Foundation and Daniel Milikowsky and Daniel Milikowsky Family Holdings LLC may transfer up to an aggregate of 1,600,000 shares (as adjusted for any stock split, stock dividend, combination or other recapitalization or reclassification transactions by us) of our common stock to The Daniel and Sharon Milikowsky Family Foundation, Inc. Following the transfer of any such shares to one of such foundations ( Exempt Shares ), the applicable foundation may transfer such shares without restriction under the lock-up and standstill provisions.

Notwithstanding the lock-up and standstill provisions, at any time after six (6) months following the acquisition of Seadrift, each of Nathan Milikowsky (and his affiliates and related parties) and Daniel Milikowsky (and his affiliates and related parties) may sell our common stock in transactions exempt from registration under the Securities Act under Rule 144 or otherwise or in a public offering; provided, that the aggregate amount of shares each such group may sell in any three (3) month period may not exceed one percent (1%) of the outstanding shares of GrafTech common stock (but excluding Exempt Shares for these purposes).

Notwithstanding the lock-up and standstill provisions, (a) if GrafTech issues additional shares of common stock or securities convertible into or exercisable or exchangeable for shares of its common stock, each of the Milikowsky Holders shall have the right to purchase, in connection with the offering thereof or thereafter in the open market, up to such additional number of shares of GrafTech common stock or such securities so that its relative percentage of beneficial ownership of common stock is the same, after giving effect to such purchase, as it was immediately prior to such issuance and (b) each former Seadrift equity holder and former C/G equity holder who received shares of GrafTech common stock in the acquisition of Seadrift or C/G, respectively, shall have the right to transfer shares of GrafTech common stock (i) in connection with the consummation of, or otherwise pursuant to, a merger, tender offer, exchange offer or other business combination, so long as such transaction has been approved or recommended by our Board of Directors, (ii) as required pursuant to any law or order, or (iii) two (2) years following the acquisition of Seadrift.

GrafTech granted customary registration rights to the former Seadrift equity holders and former C/G equity holders, which include up to four (4) demand registrations (two (2) of which may be underwritten offerings) exercisable at any time after sixty (60) days prior to the second anniversary of the acquisition of Seadrift, and piggyback rights on certain registrations by GrafTech (whether for its own account or for the account of other stockholders). **Item 15. Indemnification of Directors and Officers.**

GrafTech maintains director's and officer's liability insurance policies which indemnify directors and officers for certain losses arising from claims by reason of a wrongful act, as defined therein, under certain circumstances. Directors and officers insured under the policies include directors and officers of our subsidiaries.

We have entered into indemnification agreements with our directors and officers. Pursuant to these agreements, each director and officer will be, to the fullest extent permitted by law, entitled to advancement of expenses and to indemnification for all expenses, damages, judgments, fines, penalties, ERISA excise taxes and amounts paid in settlement (including all interest, assessments and other charges paid or payable therewith) resulting from any claim against such person arising from the fact that such person is or was a director or officer or is or was serving at our request as a director, officer, employee, trustee, agent or fiduciary of another entity or by reason of anything done or not done by such director or officer in any such capacity.

Under Delaware law, directors of a Delaware corporation can generally be held liable for certain acts and omissions in connection with the performance of their duties to the corporation and its stockholders. As permitted by Delaware law, however, our Amended and Restated Certificate of Incorporation contains a provision eliminating the liability of directors for monetary damages for breaches of their duties to us and our stockholders. This provision does not, however, eliminate liability for:

breaches of duty of loyalty to us and our stockholders;

acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

transactions from which improper personal benefit is derived; and

unlawful declaration of dividends or repurchases or redemptions of shares of capital stock.

**Table of Contents**

This provision applies to officers only if they are directors and are acting in their capacity as directors. Although the issue has not been determined by any court, this provision may have no effect on claims arising under federal securities laws. This provision does not eliminate the duty of care, but only eliminates liability for monetary damages for breaches of such duty under various circumstances. Accordingly, this provision has no effect on the availability of equitable remedies, such as an injunction or rescission, based upon a breach of the duty of care. Equitable remedies may not, however, be wholly effective to remedy the injury caused by any such breach.

Our Amended and Restated By-Laws provide that we shall:

indemnify each person who is or was involved in any legal proceeding because he is or was a director or officer (or is or was serving at our request as a director, officer, partner, member, manager, employee, agent or trustee of another entity) against all expenses, liabilities and losses (including attorneys' fees, judgments, fines, excise taxes, penalties and amounts paid in settlement) reasonably incurred or suffered by him or her in connection therewith; and

pay the expenses incurred in defending such proceeding in advance of its final disposition,

in each case, to the fullest extent authorized by Delaware law (as currently in effect or, to the extent that the provisions of Delaware law so authorizing are broadened, as it may be amended).

Our Amended and Restated By-Laws further provide that:

persons entitled to indemnification may bring suit against us to recover indemnification or payments claimed to be due thereunder;

if the suit is successful, the expense of bringing the suit will be paid by us;

while it is a defense to the suit that the claimant has not met the standards of conduct making indemnification or payment permissible under Delaware law, the burden of proving the defense will be on us; and

that neither the failure of our Board to have made a determination that indemnification is proper nor its affirmative determination that indemnification is improper will be a defense to the suit or create a presumption that the claimant has not met such standards of conduct.

In addition, our Amended and Restated By-Laws provide that:

the rights to indemnification and payment of expenses so provided are not exclusive of any other similar right that any person may have or acquire under any statute or otherwise;

we have the right to enter into indemnification contracts or otherwise arrange for indemnification of directors and officers that may be broader than the indemnification so provided; and

we may maintain, at our expense, insurance to protect us and our directors and officers against any expense, liability or loss, whether or not we would have the power to indemnify such directors and officers, against such expense, liability or loss under our Amended and Restated By-Laws or Delaware law.

our subsidiaries. The provisions of the documents included in the information incorporated by reference above or filed as described above refer to or are based upon Sections 145 and 102(b) of the General Corporation Law of the State of Delaware (the "Law").

Section 145 of the Law provides as follows:

(a) A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that the person's conduct was unlawful.

(b) A corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

(c) To the extent that a present or former director or officer of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsections (a) and (b) of this section, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

(d) Any indemnification under subsections (a) and (b) of this section (unless ordered by a court) shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the present or former director, officer, employee or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in subsections (a) and (b) of this section. Such determination shall be made, with respect to a person who is a director or officer at the time of such determination, (1) by a majority vote of the directors who are not parties to such action, suit or proceeding, even though less than a quorum, or (2) by a committee of such directors designated by majority vote of such directors, even though less than a quorum, or (3) if there are no such directors, or if such directors so direct, by independent legal counsel in a written opinion, or (4) by the stockholders.

**Table of Contents**

(e) Expenses (including attorneys' fees) incurred by an officer or director in defending any civil, criminal, administrative or investigative action, suit or proceeding may be paid by the corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the corporation as authorized in this section. Such expenses (including attorneys' fees) incurred by former directors and officers or other employees and agents may be so paid upon such terms and conditions, if any, as the corporation deems appropriate.

(f) The indemnification and advancement of expenses provided by, or granted pursuant to, the other subsections of this section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

(g) A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under this section.

(h) For purposes of this section, references to the corporation shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under this section with respect to the resulting or surviving corporation as such person would have with respect to such constituent corporation if its separate existence had continued.

(i) For purposes of this section, references to other enterprises shall include employee benefit plans; references to fines shall include any excise taxes assessed on a person with respect to any employee benefit plan; and references to serving at the request of the corporation shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner such person reasonably believed to be in the interest of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner not opposed to the best interests of the corporation as referred to in this section.

(j) The indemnification and advancement of expenses provided by, or granted pursuant to, this section shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

(k) The Court of Chancery is hereby vested with exclusive jurisdiction to hear and determine all actions for advancement of expenses or indemnification brought under this section or under any bylaw, agreement, vote of stockholders or disinterested directors, or otherwise. The Court of Chancery may summarily determine a corporation's obligation to advance expenses (including attorneys' fees).

Section 102(b) (7) of the Law provides as follows:

(b) In addition to the matters required to be set forth in the certificate of incorporation by subsection (a) of this section, the certificate of incorporation may also contain any or all of the following matters: (7) A provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director: (i) For any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under §174 of this title; or (iv) for any transaction from which the director derived an improper personal benefit. No such provision shall eliminate or limit the liability of a director for any act or omission occurring prior to the date when such provision becomes effective. All references in this paragraph to a director shall also be deemed to refer (x) to a member of the governing body of a corporation which is not authorized to issue capital stock, and (y) to such other person or persons, if any, who, pursuant to a provision of the certificate of incorporation in accordance with §141(a) of this title, exercise or perform any of the powers or duties otherwise conferred or imposed upon the board of directors by this title.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) If the registrant is relying on Rule 430B:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B

relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

- (ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
