Upon written request, we will provide each stockholder being solicited by this Proxy Statement with a copy, free of charge, of any of the documents referred to in this Proxy Statement. All such requests should be directed to NovaDel Pharma Inc., 1200 Route 22 East, Suite 2000, Bridgewater, New Jersey 08807, Attn: Secretary.

The Annual Meeting has been called to consider and take action on the following proposals:

1. to elect four Directors to our Board of Directors, or the Board, to serve until the next Annual Meeting of Stockholders or until their successors have been duly elected or appointed and qualified;
2. to approve an amendment to the Company's Restated Certificate of Incorporation, as amended, to increase the total number of authorized shares of capital stock available for issuance from 201,000,000, consisting of 200,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock to 751,000,000, consisting of 750,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock;
3. to ratify the selection of J.H. Cohn LLP as our independent registered public accounting firm for the year ending December 31, 2011; and
4. to consider and take action upon such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Our principal executive office is located at 1200 Route 22 East, Suite 2000, Bridgewater, New Jersey 08807 and our telephone number is (908) 203-4640. The approximate date on which this Proxy Statement, the proxy card and other accompanying materials are first being sent or given to stockholders is May 23, 2011.

Record Date and Shares Outstanding

Stockholders of record at the close of business on May 16, 2011 (the Record Date) are entitled to notice of the meeting. At the Record Date, 133,699,693 shares of our Common Stock and 156 shares of Series A Preferred Stock were issued and outstanding. Each share of Common Stock is entitled to one vote at the Annual Meeting. The holders of the shares of our Series A Preferred Stock are not entitled to vote on any of the foregoing proposals at the Annual Meeting.

Revocability of Proxies

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

You can revoke your proxy at any time before it is exercised by timely delivery of a properly executed, later-dated proxy (including a telephone vote), by delivering a written revocation of your proxy to our Secretary, or by voting at the meeting. The method by which you vote by proxy will in no way limit your right to vote at the meeting if you decide to attend in person. If your shares are held in the name of a bank or brokerage firm, you must obtain a proxy, executed in your favor, from the bank or broker, to be able to vote at the meeting.

Voting Rights

Only holders of record of our Common Stock and Series A Preferred Stock at the close of business on the Record Date are entitled to notice of the Annual Meeting. Each share of Common Stock is entitled to one vote on all matters to be voted upon at the Annual Meeting. The holders of the shares of our Series A Preferred Stock are not entitled to vote on any of the foregoing proposals at the Annual Meeting.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock on the Record Date will constitute a quorum for the transaction of business at the Annual Meeting and at any postponement or adjournment thereof.

For Proposal 1, the affirmative vote of a plurality of the shares of Common Stock cast by the stockholders present in person or represented by proxy at the Annual Meeting is required to elect the nominees for election as Directors. Withholding authority will be treated as a vote against a Director, but in this case, because the number of nominees equals the number of available seats, then it will have no effect on the outcome of the vote for this election of Directors.

For Proposal 2, the affirmative vote of a majority of our shares of Common Stock outstanding is required to approve an amendment to the Company's Restated Certificate of Incorporation, as amended, to increase the total number of authorized shares of capital stock available for issuance from 201,000,000, consisting of 200,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock to 751,000,000, consisting of 750,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock.

For Proposal 3, the affirmative vote of a majority of votes cast by the stockholders entitled to vote and who are present in person or represented by proxy at the Annual Meeting is required to ratify the selection of J.H. Cohn LLP as our independent registered public accounting firm for the year ending December 31, 2011. We are not required to obtain the approval of our stockholders to select our independent registered public accounting firm. However, if our stockholders do not ratify the selection of J.H. Cohn LLP as our independent registered public accounting firm for the year ending December 31, 2011, the Audit Committee of our Board of Directors may reconsider its selection.

Abstentions will have the effect of a vote against Proposals 2 and 3.

Broker Non-Votes

If you do not give instructions to your bank or broker within ten days of the Annual Meeting, it may vote on matters that the New York Stock Exchange, or NYSE, determines to be routine, but will not be permitted to vote your shares with respect to non-routine items. Under the NYSE rules, the approval of the amendment of our Restated Certificate of Incorporation (Proposal 2) and the ratification of the appointment of our independent auditors (Proposal 3) are routine matters while the election of our directors (Proposal 1) is a non-routine matter. When a bank or broker has not received instructions from the beneficial owners or persons entitled to vote and the bank or broker cannot vote on a particular matter because it is not routine, then there is a broker non-vote on that matter. Broker non-votes do not count as votes for or against any proposal, but will be counted in determining whether there is a quorum for the Annual Meeting. We strongly encourage you to submit your voting instructions and exercise your right to vote as a stockholder.

Attendance at the Annual Meeting will not have the effect of revoking a proxy unless you give written notice of revocation to the Secretary before the proxy is exercised or you vote by written ballot at the Annual Meeting.

Q. What is the process for admission to the Annual Meeting?

If you are a record owner of your shares (i.e., your shares are held in your name), you must show government issued identification. Your name will be verified against the stockholder list. If you hold your shares through a bank, broker or trustee, you must also bring a copy of your latest bank or broker statement showing your ownership of your shares as of the Record Date.

Q. What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. On the Record Date, there were 133,699,693 outstanding shares of Common Stock entitled to vote at the Annual Meeting. The holders of the shares of our Series A Preferred Stock are not entitled to vote on any of the foregoing proposals at the Annual Meeting.

Abstentions and broker non-votes are counted for purposes of determining whether a quorum is present at the Annual Meeting.

Q. What vote is required to approve each item?

The affirmative vote of a plurality of the votes cast at the meeting by stockholders entitled to vote thereon is required for the election of Directors. The affirmative vote of a majority of our shares of Common Stock outstanding will be required for the approval of the amendment of the Company's Restated Certificate of Incorporation. For ratification of the selection of J.H. Cohn LLP, the affirmative vote of a majority of the votes cast by stockholders entitled to vote thereon will be required.

Q. What happens if I do not instruct my broker how to vote on the proxy?

If you do not instruct your broker how to vote, your broker will vote your shares for you at his or her discretion on routine matters such as the ratification of auditors.

Q. What are the recommendations of the Board of Directors?

The Board of Directors unanimously recommends that the stockholders vote:

FOR the election of the four nominated Directors;

FOR the approval of the amendment of the Company's Restated Certificate of Incorporation, as amended, to increase the total number of authorized shares of capital stock available for issuance from 201,000,000, consisting of 200,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock to 751,000,000, consisting of 750,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock; and

FOR ratification of the selection of J.H. Cohn LLP as our independent registered public accounting firm for the year ending December 31, 2011.

Director Experience, Qualifications, Attributes and Skills

We believe that the backgrounds and qualifications of our directors and director nominees, considered as a group, provide a broad mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. Our Board is composed of a diverse group of leaders in their respective fields. Many of the current directors have leadership experience at major domestic and international companies with operations inside and outside the United States, as well as experience serving on other companies' boards, which provides an understanding of different business processes, challenges and strategies facing boards and other companies. Further, our directors also have other experience that makes them valuable members, such as prior experience with financing transactions or mergers and acquisitions that provides insight into issues faced by companies.

The following highlights the specific experience, qualification, attributes and skills of our individual Board members, or nominees for the Board, that have led our Corporate Governance and Nominating Committee to conclude that these individuals should serve on our Board:

Mark J. Baric, brings his extensive background in the biotechnology and information technology industry acquired through a variety of management positions at several privately-held and publically held companies. He currently serves on the board of several companies including CeNeRx Biopharma Inc, and 2ThumbZ Entertainment, Inc. Charles B. Nemeroff, M.D., Ph.D., brings his extensive background in the pharmaceutical and biotechnology industry. He has served on various Scientific Advisory Boards and has been chairman of the department of psychiatry and behavioral sciences at various universities.

Steven B. Ratoff, our chairman of the board, president and chief executive officer, brings over 30 years of experience in the pharmaceutical industry. His experience as an operating executive in a number of companies as well as his board experience in small development stage companies well qualifies him as a board member of the Company.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ALL OF THE NOMINEES SET FORTH ABOVE FOR DIRECTOR

INFORMATION REGARDING THE BOARD OF DIRECTORS, COMMITTEES OF THE BOARD AND CORPORATE GOVERNANCE

Independence of Directors

The Board annually determines the independence of each Director based on a review by the Board and our Corporate Governance and Nominating Committee. The Company continues to follow the NYSE Amex LLC Corporate Governance Standards requiring that a majority of the Board be independent and that for a Director to qualify as independent, the Board must affirmatively determine that the Director has no material relationship with NovaDel, either directly or as a partner, shareholder or officer of an organization that has a relationship with us. In determining whether a material relationship exists, the Board and our Corporate Governance and Nominating Committee broadly consider all relevant facts and circumstances brought to their attention through the processes described below.

The NovaDel Corporate Governance Guidelines, adopted by the Board in September 2005 and amended in June 2006, are available on the Corporate Governance section of our website at www.novadel.com. Pursuant to the Corporate Governance Guidelines, the Board reviewed the independence of each of our Directors in March 2011, taking into account potential conflicts of interest, transactions or other relationships that would reasonably be expected to compromise any of our Directors' independence. In performing this review, the Board, together with our Corporate Governance and Nominating Committee, reviewed the responses received from each Director to a questionnaire inquiring about, among other things, their relationships with us (and those of their immediate family members), their affiliations and other potential conflicts of interest.

As a result of this review, the Board, based on the recommendation of the Corporate Governance and Nominating Committee, affirmatively determined that all of our Directors are independent of NovaDel and management under the standards set forth in the NYSE Amex Company Guide, with the exception of our Chairman, Mr. Steven B. Ratoff, who is not independent because of his role as President and Chief Executive Officer. In addition, the Board affirmatively determined each of the Company's Committees consist entirely of independent directors.

Meetings of our Board

Our Board met 11 times in person or by teleconference during the year ended December 31, 2010. Each Director attended more than 75% of the total of the Board meetings and the meetings of the committees upon which he served.

Attendance at Annual Meeting

Although we have no formal policy regarding Director attendance at annual meetings, we strongly encourage all Directors to attend. Each Board member attended the Annual Meeting of Stockholders held on June 10, 2010.

Executive Sessions; Lead Independent Director

Non-employee Directors meet regularly in executive session following regularly scheduled Board meetings. Since January 2006, the Board has designated a Lead Independent Director who acts as the leader of the independent Directors and as chairperson of the executive sessions of our independent Directors. Mr. Thomas E. Bonney has served as our Lead Independent Director since December 2009.

Committees of the Board

Our Board has the following three committees: (1) Audit Committee; (2) Compensation Committee; and (3) Corporate Governance and Nominating Committee.

Committee	Members	Number of Meetings in 2010
Audit	Thomas E. Bonney, CPA Chair ⁽¹⁾ Mark J. Baric Charles B. Nemeroff, M.D., Ph.D.	6
Compensation	Charles B. Nemeroff, M.D., Ph.D., <i>Chair</i> Mark J. Baric Thomas E. Bonney, CPA	5
Corporate Governance and Nominating	Mark J. Baric <i>Chair</i> Thomas E. Bonney, CPA Charles B. Nemeroff, M.D., Ph.D.	2

⁽¹⁾ Mr. Thomas E. Bonney, CPA has been determined by the Board to be an audit committee financial expert as defined under applicable Securities and Exchange Commission rules.

Audit Committee

The functions of the Audit Committee are focused on the following areas:

selects our independent registered public accounting firm and provides oversight of the firm's independence, qualifications and performance;

reviews the adequacy of our internal control and financial reporting process and the reliability of our financial statements;

reviews and approves related party transactions; and

reviews our compliance with legal and regulatory requirements.

The Audit Committee was established in accordance with Section 3(a)(58)(A) of the Exchange Act. In the opinion of the Board, and as the term "independent" is defined in Section 803(A)(2) of the NYSE Amex Company Guide, Mr. Baric, Mr. Bonney, and Dr. Nemeroff are independent of management and free of any relationship that would interfere with the exercise of independent judgment as members of the Audit Committee. Members of the Audit Committee also all meet the independence requirements set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934. Our Board has determined that Mr. Bonney qualifies as an "audit committee financial expert" and "independent director" as those terms are defined by the regulations of the Securities and Exchange Commission and the NYSE Amex Company Guide.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

The Audit Committee meets with management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting. The Audit Committee discusses these matters with our independent registered public accounting firm and with appropriate financial personnel from NovaDel. Meetings are held with participation from the independent registered public accounting firm. The independent registered public accounting firm is given unrestricted access to the Audit Committee. The Audit Committee also recommends to our stockholders the appointment of the independent registered public accounting firm and reviews periodically their performance and independence from management. In addition, the Audit Committee reviews our budget and capital requirements and related party financing plans, and reports its recommendations to the full Board for approval and to authorize action. A copy of the Audit Committee's written charter is available on our website at www.novadel.com.

Compensation Committee

The functions of the Compensation Committee are focused on the following areas:

reviews and approves, or recommends for approval by a majority of the independent Directors of the Board, the compensation of our Chief Executive Officer and our other named executive officers;

reviews and makes recommendations to the Board with respect to incentive compensation plans and equity-based plans; and

reviews the Compensation Discussion and Analysis (CD&A) for inclusion in our proxy statement.

More specifically, the Compensation Committee annually reviews and approves corporate goals and objectives relevant to the total direct compensation that is, changes in base salary, and non-equity and equity incentive plan compensation of the Chief Executive Officer and our other named executive officers, evaluates their performance against these goals and objectives, and, based on its evaluation, sets their total direct compensation. The details of the process and procedures involved are described in the CD&A for the named executive officers total direct compensation.

Our full Board ultimately makes the final decisions regarding the Chief Executive Officer s and the other named executive officers total direct compensation.

In the opinion of the Board, and as the term independent is defined in Section 803(A)(2) of the NYSE Amex Company Guide, Mr. Baric, Mr. Bonney and Dr. Nemeroff, are independent and are non-employee Directors pursuant to Rule 16b-3 promulgated under the Securities Exchange Act of 1934. A copy of the Compensation Committee s written charter is available on our website at www.novadel.com.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee was at any time during the year ended December 31, 2010 or at any other time an officer or employee of ours. No executive officer has served as a director or member of the Board or the Compensation Committee (or other committee serving an equivalent function) of any other entity while an executive officer of that other entity served as a director of or member of our Board or our Compensation Committee. Mr. Ratoff, our Chairman of the Board, and our President and Chief Executive Officer participated in discussions and decisions regarding salaries and incentive compensation for all of our named executive officers, except he was excluded from discussions regarding his own salary and incentive stock compensation.

Corporate Governance and Nominating Committee

The functions of the Corporate Governance and Nominating Committee are focused on the following areas:

recommends to the Board the persons to be nominated for election as Directors at any meeting of stockholders;

develops and recommends to the Board a set of corporate governance principles applicable to NovaDel; and

oversees the evaluation of the Board.

In the opinion of the Board, and as the term independent is defined in Section 803(A)(2) of the NYSE Amex Company Guide, Mr. Baric, Mr. Bonney, and Dr. Nemeroff are independent.

The Corporate Governance and Nominating Committee was established in June 2004 and was responsible for developing and recommending a set of corporate governance guidelines to the Board. Our Board adopted such Corporate Governance Guidelines in September 2005, which were amended in June 2006. The guidelines are

available on our website at www.novadel.com. A complete description of the Corporate Governance and Nominating Committee's responsibilities is set forth in the Corporate Governance and Nominating Committee's written charter. A copy of the Corporate Governance and Nominating Committee's written charter is available on our website at www.novadel.com.

Director Nomination Procedures

The Corporate Governance and Nominating Committee is responsible for recommending to the Board the nominees for election as Directors at any meeting of stockholders and the persons to be elected by the Board to fill any vacancies on the Board. In making such recommendations, the Committee will consider candidates proposed by stockholders. Stockholders may submit a candidate's name and qualifications to the Board by mailing a letter to the attention of Steven B. Ratoff, Chairman of the Board, President and Chief Executive Officer, NovaDel Pharma Inc., 1200 Route 22 East, Suite 2000, Bridgewater, New Jersey 08807. The Committee will review and evaluate information available to it regarding candidates proposed by stockholders and will apply the same criteria, and will follow substantially the same process in considering them, as it does in considering candidates identified by members of the Board or senior management. The criteria which will be applied include:

(i) reputation for integrity, honesty and high ethical standards; (ii) demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to our current and long-term objectives and willingness and ability to contribute positively to our decision-making process; (iii) commitment to understanding our business and our industry; (iv) adequate time to attend and participate in meetings of the Board and its Committees; (v) ability to understand the sometimes conflicting interests of the various constituencies of NovaDel, which include stockholders, employees, customers, governmental units, creditors and the general public and to act in the interest of all stockholders; and (vi) such other attributes, including independence, that satisfy requirements imposed by the Securities and Exchange Commission and NYSE Amex LLC. When evaluating potential candidates, the Corporate Governance and Nominating Committee will take into consideration the qualifications set forth in the Corporate Governance Guidelines which are available on our website at www.novadel.com. The Corporate Governance and Nominating Committee does not have a specific policy with regard to the consideration of diversity in identifying director nominees.

However, our Corporate Governance and Nominating Committee values diversity on our Board and considers the diversity of the professional experience, education and skills, as well as diversity of origin, in identifying director nominees. The Corporate Governance and Nominating Committee will also consider whether potential Director candidates will likely satisfy the applicable independence standards for the Board, the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee.

Board Leadership Structure and Role in Risk Oversight

Our Board evaluates its leadership structure and role in risk oversight on an ongoing basis. Since January 2006, our leadership structure has combined the Chairman of the Board, President and Chief Executive Officer roles into one position. Currently, Mr. Ratoff serves as Chairman of the Board, President and Chief Executive Officer of our company. Since January 2006, our Board has also designated a Lead Independent Director who acts as the leader of the independent Directors of the Board and as Chairperson of the executive sessions of our independent Directors, serves as a non-exclusive intermediary between the independent Directors and management, including our Chairman of the Board, President and Chief Executive Officer, provides input to the Chairman in planning agendas for Board meetings and facilitates discussions among the independent Directors as appropriate between Board meetings. Currently, Mr. Bonney serves as our Lead Independent Director. Our Board determines what leadership structure it deems appropriate based on factors such as the experience of the applicable individuals, the current business environment of the Company, the current stage of development and commercialization of our products and product candidates and other relevant factors. After considering these factors, our Board has determined that the combined roles of Chairman of the Board, President and Chief Executive Officer, along with a Lead Independent Director, is an appropriate board leadership structure for our company at this time.

The Board is also responsible for oversight of our risk management practices, while management is responsible for the day-to-day risk management processes. This division of responsibilities is the most effective approach for addressing the risks facing the Company, and the Company's board leadership structure supports this approach. Through our Chairman of the Board, President and Chief Executive Officer, and other members of management, the Board receives periodic reports regarding the risks facing the Company. In addition, the Audit Committee assists the Board in its oversight role by receiving periodic reports regarding our risk and control environment.

Stockholder Communications with the Board

Stockholders may communicate their comments or concerns about any matter to the Board by mailing a letter to the attention of the Board, c/o NovaDel, Attn: Secretary, at our office in Bridgewater, New Jersey. All letters received by the Secretary will be provided to the Board.

PROPOSAL 2**APPROVAL OF AN AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED, TO INCREASE THE AUTHORIZED NUMBER OF SHARES OF CAPITAL STOCK AVAILABLE FOR ISSUANCE**

On February 14, 2011, we entered into a securities purchase agreement (the "Purchase Agreement") pursuant to which we sold an aggregate of 1,667 shares of our Series A Preferred Stock at a price of \$1,000 per share, with an original issue discount of 4%, for gross proceeds of approximately \$1.6 million (the "Offering"). The Series A Preferred Stock is convertible into 16,670,000 shares of common stock at a conversion price of \$0.10 per share. The investors also received warrants, with a 5 year term from its initial exercise date, to purchase up to 16,670,000 shares of common stock at an exercise price of \$0.15 per share (the "Series A Warrants"); warrants, with a 1 year term, to purchase up to 16,670,000 shares of common stock at an exercise price of \$0.10 per share (the "Series B Warrants"); and warrants, with a 5 year term from its initial exercise date, to purchase up to 16,670,000 shares of common stock at an exercise price of \$0.15 per share (the "Series C Warrants"). The Series B Warrants are immediately exercisable, while the Series A and Series C Warrants are only exercisable on and after February 15, 2012. Under the Purchase Agreement, we agreed to hold a stockholder meeting on or before July 31, 2011 to approve the increase in the number of authorized shares of our Common Stock to permit the full exercise of the Series A and Series C Warrants.

The Board has unanimously approved an amendment to our Restated Certificate of Incorporation, as amended, to increase the authorized number of shares of capital stock from 201,000,000 shares to 751,000,000 shares and recommends that our stockholders approve the proposed amendment. The additional 550,000,000 shares of capital stock will be designated as Common Stock with a par value of \$0.001 per share. We are currently authorized to issue 201,000,000 shares of capital stock, 200,000,000 of which are designated as Common Stock and 1,000,000 of which are designated as Preferred Stock. A copy of the proposed amendment is attached to this proxy statement as Annex A.

The additional shares of Common Stock would have rights identical to our Common Stock currently outstanding. Approval of the proposed amendment and any issuance of Common Stock would not affect the rights of the holders of our Common Stock currently outstanding, except for the effects incidental to increasing the outstanding number of shares of Common Stock, such as dilution of earnings per share and voting rights of current holders of our Common Stock. As of the Record Date, 133,699,693 shares of our Common Stock were issued and outstanding and 62,555,663 shares of our Common Stock were subject to outstanding warrants, options, restricted stock units and convertible preferred stock, thereby leaving 3,744,644 shares of Common Stock unassigned and authorized for potential issuance; provided, however, that we have not yet reserved for issuance 33,340,000 shares of Common Stock that are issuable upon exercise of the Series A and Series C Warrants. If the proposed amendment is approved, there will be 520,404,405 shares of Common Stock unassigned and authorized for potential issuance after taking into account the potential exercise of the Series A and Series C Warrants. The proposed amendment will not change the number of shares of Preferred Stock authorized for issuance.

The following table sets forth the potential dilutive effect on the beneficial ownership of the existing stockholders of the Company if all of the shares of Common Stock authorized were issued by the Company:

	Beneficial Ownership of Existing Stockholders prior to the Proposed Amendment ⁽²⁾		Existing Stockholders upon full issuance of shares of Common Stock after the Proposed Amendment ⁽³⁾	
	Number	Percentage	Number	Percentage
	Existing Stockholders ⁽¹⁾ :	133,699,693	67%	133,699,693

⁽¹⁾ For purposes of clarification, the percentage represented by the existing stockholders excludes any and all warrants and other convertible securities held by the existing stockholders.

- (2) Ownership is based upon the number of outstanding shares of Common Stock as of the Record Date, and assumes the issuance of all authorized but unissued shares of Common Stock before the proposed amendment, but excludes any and all outstanding warrants and other convertible securities.
- (3) Ownership is based upon the number of outstanding shares of Common Stock as of the Record Date, and assumes the issuance of all authorized but unissued shares of Common Stock after the proposed amendment, but excludes any and all outstanding warrants and other convertible securities.

We do not have any plans, arrangements or understandings for the remaining portion of the authorized but unissued shares that will be available following the increase in authorized shares that will not be reserved for exercise of the Series A and Series C Warrants. However, the Company expects to continue to need additional external financing to provide additional working capital and to continue the development of product candidates. Our Board believes that the authorized number of shares of Common Stock should be increased to provide sufficient shares for such corporate purposes as may be determined by our Board to be necessary or desirable. These purposes may include, but are not limited to, the following: expanding our business or product lines through the acquisition of other businesses or products; establishing strategic relationships with other companies and raising capital through the sale of our Common Stock or financial instruments convertible into our Common Stock.

Once authorized, the additional shares of Common Stock may be issued with approval of our Board but without further approval of our stockholders, unless applicable law, rule or regulation requires stockholder approval. Stockholder approval of this proposal is required under Delaware law and requires the affirmative vote of the holders of a majority of the outstanding shares of our Common Stock.

Required Vote

The affirmative vote of the holders of a majority of our shares of Common Stock outstanding, provided that affirmative vote also represents at least a majority of the voting power required to constitute a quorum at the Annual Meeting, is required for approval of the amendment to the Restated Certificate of Incorporation.

THE BOARD BELIEVES THAT PROPOSAL 2 IS IN THE COMPANY S BEST INTERESTS

AND IN THE BEST INTERESTS OF OUR STOCKHOLDERS

Cohn LLP or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, the Audit Committee in their discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if they determine that such a change would be in the best interests of NovaDel and our stockholders. Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

The Audit Committee has adopted a policy for the pre-approval of all audit and permitted non-audit services that may be performed by our independent registered public accounting firm. Under this policy, unless a type of service to be provided by our independent registered public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. Any proposed services exceeding pre-approved cost levels will require specific pre-approval by the Audit Committee. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee periodically will revise the list of pre-approved services, based on subsequent determinations. REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed with our management NovaDel's audited financial statements for the year ended December 31, 2010. The Audit Committee also reviewed and discussed with our independent registered public accounting firm those matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), as adopted by the Public Accounting Oversight Board in Rule 3200T.

Our independent registered public accounting firm provided the Audit Committee with the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence. In addition, the Audit Committee has discussed with the independent registered public accounting firm its independence with respect to NovaDel and has considered whether the independent registered public accounting firm's provision of certain other non-audit related services to NovaDel is compatible with maintaining such independent registered public accounting firm's independence.

Based upon the review and discussions referred to above, the Audit Committee has recommended to our Board that NovaDel's audited financial statements referred to above be included in our Annual Report on Form 10-K for the period ended December 31, 2010.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis discusses the principles underlying our compensation policies and decisions and the principal elements of compensation paid to our named executive officers during 2010 and as anticipated for 2011. Our Chief Executive Officer, Chief Financial Officer and the other named executive officers included in the Summary Compensation Table will be referred to as the named executive officers for purposes of this discussion.

Compensation Objectives and Philosophy

The Committee is responsible for reviewing and approving the compensation payable to our named executive officers and other key employees. As part of such process, the Committee seeks to accomplish the following objectives with respect to our executive compensation programs:

motivate, recruit and retain executives capable of meeting our strategic objectives;

provide incentives to ensure superior executive performance and successful financial results for NovaDel; and

align the interests of the named executive officers with the long-term interests of our stockholders.

The Committee seeks to achieve these objectives by:

establishing a compensation structure that is both market competitive and internally fair;

linking a substantial portion of compensation to our achievement of financial objectives and the individual's contribution to the attainment of those objectives;

providing upward leverage for overachievement of goals; and

providing long-term equity-based incentives.

In order to achieve the above goals, our total compensation package includes base salary and annual bonus, all paid in cash, as well as long-term compensation in the form of stock options and restricted stock. We believe that appropriately balancing the total compensation package is necessary in order to provide market-competitive compensation.

Setting Executive Compensation

The Committee oversees the design, development and implementation of the compensation program for the Chief Executive Officer and the other named executive officers. The Committee evaluates the performance of the Chief Executive Officer and determines the Chief Executive Officer's compensation in light of the goals and objectives of the compensation program. The Chief Executive Officer and the Committee together assess the performance of the other named executive officers employed by us as of December 31 and determine their compensation, based on initial recommendations from the Chief Executive Officer. Our Chief Executive Officer provided the Committee with a detailed review of the performance of the other named executive officers and made recommendations to the Committee with respect to the compensation packages for those officers for 2010.

The other named executive officers do not play a role in their own compensation determination, other than discussing individual performance objectives and results with the Chief Executive Officer.

Edgar Filing: NOVADEL PHARMA INC - Form DEF 14A

We have not used the services of any compensation consultant in matters affecting the compensation of named executive officers or Directors during 2010. In the future, we, or the Committee, may engage or seek the advice of a compensation consultant.

The Committee has structured our annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Board and reward the executives for achieving such goals. At the end of the year, the Committee reviews the performance of each named executive officer in achieving the established objectives. These results are included with the overall performance review provided by the Chief Executive Officer, after which the Committee votes upon any recommendations for salary adjustments, stock option grants and cash incentives. The Chief Executive Officer then executes the actions recommended by the Committee with respect to such matters.

Components of Compensation

The key components of NovaDel's executive compensation package are cash compensation (salary & annual bonuses), long-term equity incentive awards and change in control and other severance agreements. These components are administered with the goal of providing total compensation that recognizes meaningful differences in individual performance, is competitive, varies the opportunity based on individual and corporate performance, and is valued by our named executive officers.

Base Salary. It is the Committee's objective to set a competitive rate of annual base salary for each named executive officer. The Committee believes competitive base salaries are necessary to attract and retain top quality executives, since it is common practice for public companies to provide their named executive officers with a guaranteed annual component of compensation that is not subject to performance risk. The Committee works with outside consultants as necessary to establish salary ranges for the named executive officers, with minimum to maximum opportunities that cover the normal range of market variability. The actual base salary for each named executive officer is then derived from those salary ranges based on his responsibility, tenure and past performance and market comparability. Annual base salaries for the named executive officers are reviewed and approved by the Committee in the first quarter following the end of the previous performance year. Changes in base salary are based on the scope of an individual's current job responsibilities, individual performance in the previous performance year, target pay position relative to the peer group, and our salary budget guidelines. The Committee reviews established goals and objectives, and determines an individual's achievement of those goals and objectives and considers the recommendations provided by the Chief Executive Officer to assist it in determining appropriate salaries for the named executive officers other than the Chief Executive Officer. For any given performance year, actual salary increases may range from 0% to 10% of the salary guidelines based on individual performance. This broad range allows for meaningful differentiation on a pay for performance basis.

The base salary information for our named executive officers for 2010 is set forth in the tables below. As a result of the Company's financial condition, the Chief Executive Officer and the Committee recommended to the Board that no merit increases be granted to our named executive officers for 2011.

Annual Bonuses. As part of their compensation package, our named executive officers have the opportunity to earn annual bonuses. Annual bonuses are designed to reward superior executive performance while reinforcing our short-term strategic operating goals. Pursuant to the individual employment agreements, the Committee establishes each year a target award for each named executive officer based on a percentage of base salary. Annual bonus targets as a percentage of salary increase with executive rank so that for the more senior executives, a greater proportion of their total cash compensation is contingent upon annual performance.

At the beginning of the performance year, each named executive officer, in conjunction with the Chief Executive Officer, establishes annual goals and objectives. Actual bonus awards are based on an assessment against the pre-established goals for each named executive officer's individual performance, the performance of the business function for which he is responsible, and/or our overall performance for the year. For any given performance year, proposed annual bonuses may range from 0% to 100% of target, or higher under certain circumstances, based on corporate and individual performance. Corporate and individual performance has a significant impact on the annual bonus amounts because the Committee believes it is a precise measure of how the named executive officer contributed to business results.

2010 Performance Measures and Payouts In 2010, annual bonus targets ranged from 30% to 50% of base salary for the named executive officers and were payable based on the Committee's subjective review of both the performance of NovaDel as well as individual performance. The Committee utilizes annual bonuses to compensate officers for achieving financial and operational goals and for achieving individual annual performance objectives. These objectives will vary depending on the individual executive, but will relate generally to (i) operational goals such as the development of our product candidates and the identification and advancement of additional product candidates, (ii) strategic goals such as the establishment of operating plans and budgets, review of organization and staff, and (iii) the enhancement of stockholder value.

For each of our named executive officers for 2010, the Compensation Committee has provided the following corporate performance targets, as well as the weighting of each component as a percentage of such named executive officer's target bonus amount:

Performance Milestone:	Weighting of Components as a Percentage of Target Bonus		
	Steven Ratoff	David Bergstrom	Craig Johnson
Achieve 2010 budgeted cash plan as of December 31, 2010	25%	50%	25%
Complete pilot PK, FDA meeting and pivotal study for a product candidate by a specific date	25%	50%	25%
Meet defined finance and business development objectives by a specific date	50%		50%

For the 2010 awards, the potential payout may range from 0-100% of target, or higher under certain circumstances. The Committee has also retained the discretion to reduce the dollar amount of the awards otherwise payable to the named executive officers.

At the end of each year, the Committee determines the level of achievement with respect to each corporate goal, and decides the overall percent of corporate goal achievement for purposes of annual bonuses. For this assessment, the Committee evaluates the status of NovaDel's development programs and clinical progress, corporate development and regulatory compliance activities. These qualitative factors are also typically used by comparable companies to evaluate performance and involve a subjective assessment of corporate performance by the Committee. Moreover, the Committee does not base its considerations on a single performance factor, but rather considers a mix of factors and evaluates company and individual performance against that mix. The Chief Executive Officer provides written evaluations for the named executive officers, other than himself, to the Committee along with his recommendations for each individual performance factor. The Committee reviews the performance and assessment of each named executive officer and then evaluates the Chief Executive Officer and assigns a weight to each individual achievement factor. The table below details 2010 annual bonus targets for each of our named executives.

Name	Title	2010 Target Bonus (\$)	2010 Target Bonus (% Salary)	2010 Actual Bonus (\$)	2010 Actual Bonus (% Salary)
Steven B. Ratoff	President and Chief Executive Officer	\$ 175,000	50%	(3)	(3)
David H. Bergstrom, Ph.D.	Senior Vice President and Chief Operating Officer	\$ 90,000	30%	(3)	(3)
Craig A. Johnson ⁽¹⁾	Senior Vice President, Chief Financial Officer and Secretary	\$ 45,000	30%	(3)	(3)
Joseph Warusz ⁽²⁾	Principal Accounting Officer	\$ 0	0%	(3)	(3)

⁽¹⁾ On June 8, 2010, the Company appointed Mr. Johnson to serve as Senior Vice President, Chief Financial Officer and Secretary of the Company effective June 16, 2010. As a result, Mr. Johnson would only be eligible to receive a pro rata portion of the 2010 Target Bonus amount based on his partial year of service.

- (2) Mr. Warusz provided services to the Company pursuant to a consulting agreement, under which Mr. Warusz received a monthly retainer of \$20,000 and an hourly rate of \$180 for hours in excess of 160 hours per month. As a result, Mr. Warusz was not eligible under the Company's Bonus program.
- (3) As a result of the Company's financial condition, the Chief Executive Officer and the Committee determined not to grant bonus to the named executive officers for 2010.

2011 Performance Measures As in 2010, annual bonuses for 2011, if any, will be based on achievement of pre-established company objectives and individual goals for each named executive officer and, for each named executive officer other than the Chief Executive Officer, a subjective review of that individual's performance. Corporate performance targets may include such measures as strategic plan metrics while individual performance targets may include operational and financial metrics, regulatory compliance metrics, and delivery of specific programs, plans, and budgetary objectives identified and documented at the beginning of each year. It is the Committee's intention to base a greater percentage of the annual award payout on corporate as opposed to individual performance for higher level executives, with 100% of the Chief Executive Officer's annual bonus tied to the attainment of corporate performance objectives.

For each of our named executive officers for 2011, the Compensation Committee has provided the following corporate performance targets, as well as the weighting of each component as a percentage of such named executive officer's target bonus amount:

Performance Milestone:	Weighting of Components as a Percentage of Target Bonus		
	Steven Ratoff	David Bergstrom	Craig Johnson
Achieve 2011 budgeted cash plan as of December 31, 2011	25%	50%	25%
File the Duromist NDA by a specific date	25%	50%	25%
Meet defined finance and business development objectives by a specific date	50%		50%

For the 2011 awards, the potential payout may range from 0 – 100% of target, or higher under certain circumstances. The Committee has also retained the discretion to reduce the dollar amount of the awards otherwise payable to the named executive officers.

The table below shows the dollar amount of the 2010 and 2011 annual target bonus for each named executive officer, together with percentage of base salary represented by that target:

Name	Title	2010 Target Bonus (\$)	2010 Target Bonus (% Salary)	2011 Target Bonus (\$)	2011 Target Bonus (% Salary)
Steven B. Ratoff	President and Chief Executive Officer	\$ 175,000	50%	\$ 175,000	50%
David H. Bergstrom, Ph.D.	Senior Vice President and Chief Operating Officer	\$ 90,000	30%	\$ 90,000	30%
Craig A. Johnson ⁽¹⁾	Senior Vice President, Chief Financial Officer and Secretary	\$ 45,000	30%	\$ 45,000	30%
Joseph Warusz ⁽²⁾	Principal Accounting Officer				

⁽¹⁾ On June 8, 2010, the Company appointed Mr. Johnson to serve as Senior Vice President, Chief Financial Officer and Secretary of the Company effective June 16, 2010. As a result, Mr. Johnson would only be eligible to receive a pro rata portion of the 2010 Target Bonus amount based on his partial year of service.

(2) Mr. Warusz provided services to the Company pursuant to a consulting agreement, under which Mr. Warusz received a monthly retainer of \$20,000 and an hourly rate of \$180 for hours in excess of 160 hours per month. As a result, Mr. Warusz was not eligible under the Company's Bonus program.

Based on the Chief Executive Officer's broader range of responsibilities, the Compensation Committee deemed it appropriate to set the Chief Executive Officer's 2010 and 2011 Target Bonus at a greater percentage of base salary than the other named executive officers.

Long-Term Incentive Equity Awards. We believe that long-term performance is achieved through an ownership culture that encourages high performance by our named executive officers through the use of stock-based awards. Our equity plans have been established to provide our employees, including our named executive officers, with incentives to help align employees' interests with the interests of our stockholders. The Committee believes that the use of stock-based awards offers the best approach to achieving our compensation goals. We have historically elected to use stock options as the primary long-term equity incentive vehicle; however, the Committee has used restricted stock and may in the future utilize restricted stock as part of our long-term incentive program. We have selected the Black-Scholes method of valuation for share-based compensation effective August 1, 2005. Due to the early stage of our business and our desire to preserve cash, we expect to provide a greater portion of total compensation to our named executive officers through stock options and restricted stock grants than through cash-based compensation.

Stock Options. Our stock plans authorize us to grant options to purchase shares of Common Stock to our employees, Directors and consultants. The Committee generally oversees the administration of our stock option plans. In 2010, the Committee delegated the authority to our Chief Executive Officer to make initial option grants to certain new employees within an approved range. All new employee grants in excess of the Chief Executive Officer's limit and any grant to a named executive officer are approved by the Committee. Stock options may be granted at the commencement of employment, annually, occasionally following a significant change in job responsibilities or to meet other objectives.

The Committee reviews and approves stock option awards to named executive officers based upon a review of competitive compensation data, its assessment of individual performance, a review of each named executive officer's existing long-term incentives, and retention considerations. Periodic stock option grants are made at the discretion of the Committee to eligible employees and, in appropriate circumstances, the Committee considers the recommendations of members of management, such as Steven B. Ratoff, our President and Chief Executive Officer.

In 2010, certain named executive officers were awarded stock options in the amounts included in the Grants of Plan-Based Awards table. Stock options granted by us have an exercise price equal to the fair market value of our Common Stock on the day of grant, typically vest annually over a three-year period or upon the achievement of certain performance-based milestones and are based upon continued employment, and generally expire ten (10) years after the date of grant. The fair value of the options granted to the named executive officers in the Summary Compensation Table is determined in accordance with the Black-Scholes method of valuation for share-based compensation. The Committee has also granted performance based options to certain of our named executive officers. Incentive stock options also include certain other terms necessary to ensure compliance with the Internal Revenue Code of 1986, as amended.

We expect to continue to use stock options as a long-term incentive vehicle because:

Stock options align the interests of our named executive officers with those of our stockholders, supporting a pay-for performance culture, foster employee stock ownership, and focus the management team on increasing value for our stockholders.

Stock options are performance-based. All of the value received by the recipient of a stock option is based on the growth of the stock price.

Stock options help to provide a balance to the overall executive compensation program as base salary and annual bonuses focus on the short term compensation, while the vesting of stock options increases stockholder value over the longer term.

The vesting period of stock options encourages executive retention and the preservation of stockholder value. In determining the number of stock options to be granted to our named executive officers, we take into account the individual's position, scope of responsibility, ability to affect profits and stockholder value and the individual's historic and recent performance and the value of stock options in relation to other elements of the individual named executive officer's total compensation.

Restricted Stock. Our 2006 Equity Incentive Plan authorizes us to grant restricted stock. No restricted stock grants were awarded during 2010. In order to implement our long-term incentive goals, we anticipate that we may grant shares of restricted stock in the future.

Executive Benefits and Perquisites

Our named executive officers, who are parties to employment agreements, will continue to be parties to such employment agreements in their current form until the expiration of the employment agreement or until such time as the Committee determines in its discretion that revisions to such employment agreements are advisable. In addition, consistent with our compensation philosophy, we intend to continue to maintain our current benefits for our named executive officers, including medical, dental, disability and life insurance and the ability to contribute to a 401(k) plan; however, the Committee in its discretion may revise, amend or add to the officer's executive benefits if it deems it advisable. We believe these benefits are currently comparable to benefit levels for comparable companies. We have no current plans to change either the employment agreements (except as required by law or as required to clarify the benefits to which our named executive officers are entitled as set forth herein) or level of benefits.

Severance and Change in Control Arrangements

The specific terms of our severance and change in control arrangements are discussed in detail below under the headings *Potential Payments Upon Termination or Change in Control* and *Employment Agreements*. As a general matter, however, we believe that reasonable severance and change in control protection for our named executive officers is necessary in order for us to recruit and retain qualified executives.

Equity Grant Policy

All grants to our named executive officers are at the discretion of the Board, following review and input by the Committee.

IRC Section 162(m) compliance

Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to our named executive officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. In general, our compensation program is designed to reward executives for the achievement of our performance objectives. The stock plan is designed in a manner intended to comply with the performance-based exception to Section 162(m). Nevertheless, compensation attributable to awards granted under the plans may not be treated as qualified performance-based compensation under Section 162(m). In addition, the Committee considers it important to retain flexibility to design compensation programs that are in the best interests of NovaDel and its stockholders and, to this end, the Committee reserves the right to use its judgment to authorize compensation payments that may be subject to the limitations under Section 162(m) when the Committee believes that compensation is appropriate and in the best interests of NovaDel and our stockholders, after taking into consideration changing business conditions and performance of our employees.

Compensation Committee Report

The Compensation Committee evaluates and establishes compensation for the named executive officers, NovaDel's stock plans, and other management incentive, benefit and perquisite programs. Management has the primary responsibility for our financial statements, including the disclosure of executive compensation. With this in mind, the Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis section contained in this Proxy Statement. The Compensation Committee is satisfied that the Compensation Discussion and Analysis fairly and completely represents the philosophy, intent, and actions of the Compensation Committee with regard to executive compensation. The Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement for filing with the Securities and Exchange Commission.

Option Exercises and Stock Vested During 2010

There were no options or other derivative securities exercised in 2010 by our named executive officers. In addition, there were no shares acquired by our named executive officers upon the vesting of restricted stock.

Employment Agreements

In 2010, we had employment agreements with Mr. Ratoff, Dr. Bergstrom and Mr. Johnson. The individual agreements of the named executive officers are summarized below.

Steven B. Ratoff

Mr. Ratoff's agreement became effective January 1, 2010 and does not have an expiration date. His agreement currently provides for:

annual base salary of \$350,000, subject to periodic and customary review for increase by the Board or Compensation Committee;

an annual bonus of equal to 50% of base salary, with a maximum equal to 150% of the target award; and

options to purchase 2,000,000 shares of Common Stock pursuant to our 2006 Equity Incentive Plan.

Upon a termination of the Agreement by Mr. Ratoff for good reason (as defined in the agreement), Mr. Ratoff will continue to receive his annual base salary for a period of twelve months following such termination. In addition, Mr. Ratoff shall be entitled to receive a monthly severance payment during the twelve month period following his termination in an amount equal to one-twelfth of the greater of (a) the average of the annual incentive bonuses paid to Mr. Ratoff prior to the date of termination, (b) the last annual incentive bonus paid to Mr. Ratoff prior to termination, or (c) if the termination occurs within the first twelve months following the effective date of the employment agreement, the target annual incentive bonus. All previously awarded equity grants shall immediately vest upon such termination and Mr. Ratoff shall have a period of twelve months following such termination to exercise any unexercised stock options.

If Mr. Ratoff's employment is terminated without cause (as defined in the agreement) or by us upon a change in control (as defined in the agreement), Mr. Ratoff will be entitled to receive an amount equal to the greater of (i) twelve months base salary at the time of termination or (ii) the intrinsic value of any unvested and vested, but unexercised, stock grants on the date of termination. In the event the value of the equity grants is less than twelve months base salary, all unvested and vested, but unexercised, stock grants shall immediately be forfeited. In addition, Mr. Ratoff shall be entitled to receive the pro rata portion of the annual incentive bonus to the extent performance measures were met.

If Mr. Ratoff's employment is terminated by (i) us as a result of Mr. Ratoff's disability, (ii) mutual agreement of the parties, or (iii) Mr. Ratoff for a change of control (as defined in the agreement), Mr. Ratoff will be entitled to receive his base salary through the date of termination, the pro rata portion of his annual incentive bonus for that year and all other amounts to which he was entitled for portion of the year up to his termination. In the event of Mr. Ratoff's death, Mr. Ratoff's legal representatives will be entitled to receive the same amounts that Mr. Ratoff would have been entitled to receive for a termination as a result of the foregoing events.

The agreement also contains provisions prohibiting Mr. Ratoff, during the term of his employment and for a period of two (2) year following his employment from soliciting for hiring, or hiring, any employee, consultant or independent contractor employed or affiliated with us. Mr. Ratoff shall also refrain either directly or indirectly from approaching or attempting to solicit any of our business.

David H. Bergstrom, Ph.D.

In March 2011, the Compensation Committee approved a further extension of Dr. Bergstrom's employment on the same terms and conditions as the original employment agreement through June 30, 2011. His original agreement provided for:

annual base salary of \$300,000, subject to periodic and customary review for increase by the Board or Compensation Committee;

an annual bonus of \$100,000 for the period commencing on January 1, 2007 and ending on December 31, 2007 and thereafter eligible to receive an annual bonus equal to 30% of base salary; and

options to purchase 900,000 shares of Common Stock and 100,000 shares of restricted stock pursuant to our 2006 Equity Incentive Plan.

If Dr. Bergstrom's employment is terminated as a result of his death or disability, we shall (i) pay to Dr. Bergstrom or to Dr. Bergstrom's estate, as applicable, (x) his base salary and any accrued and unpaid bonus and expense reimbursement amounts through the date of his death or disability and (y) the pro rata portion of the guaranteed bonus and stock options earned by Dr. Bergstrom during the year of his death or disability (which, for this purpose, shall be prorated in accordance with the number of full months in such year during which Dr. Bergstrom was employed hereunder), and (ii) for the longer of twelve (12) months following his death or disability or the balance of the agreement (as if such termination had not occurred) provide continuation coverage to the members of Dr. Bergstrom's family and, in the case of termination for disability, Dr. Bergstrom under all major medical and other health, accident, life or other disability plans and programs in which such family members and, in the case of termination for disability, Dr. Bergstrom participated immediately prior to his death or disability. All stock options that are scheduled to vest by the end of the calendar year in which such termination occurs shall be accelerated and deemed to have vested as of the termination date. All stock options that have not vested (or been deemed pursuant to the immediately preceding sentence to have vested) as of the date of termination shall be deemed to have expired as of such date. Any stock options that have vested as of the date of Dr. Bergstrom's death (including the options described in the immediately preceding sentence) shall remain exercisable for a period of one hundred and eighty (180) days after the date of his death; in the event of a disability, any unexercised option may be exercised in whole or in part, within the first ninety (90) days after such termination of employment or service. If Dr. Bergstrom's employment is terminated by us for Cause or by Dr. Bergstrom other than for Good Reason, we shall pay: (i) base salary through the date of termination; (ii) all options that have not vested as of the date of any such termination shall be deemed to have expired; (iii) Dr. Bergstrom's right to exercise any vested options shall terminate as of such date; and (iv) any restricted shares that are then forfeitable shall be forfeited immediately. If Dr. Bergstrom is terminated by us (or our successor) upon a Change of Control, we (or our successor, as applicable) shall pay: (i) base salary for a period of one year following termination; (ii) any bonus that would otherwise be due to Dr. Bergstrom by the end of the calendar end of the year in which such termination occurs; (iii) any expense reimbursement amounts owed through the date of termination; and (iv) all options not vested shall be accelerated and deemed to have vested. If Dr. Bergstrom is terminated prior to end of term by us other than as a result of death or disability or Dr. Bergstrom's employment is terminated by Dr. Bergstrom for Good Reason or we provide notice to Dr. Bergstrom that the agreement will not be renewed, we shall pay: (i) twelve (12) month severance from date of public announcement of same; (ii) the bonus that would have otherwise been due, unless there is documentation on file for a period of at least three (3) months regarding performance issues which have not been cured, to Dr. Bergstrom in the calendar year in which such termination or non-renewal occurs; (iii) any expense reimbursement amounts owed through the date of termination; and (iv) all options that are granted shall be accelerated and deemed to have vested and all vested options at date of termination shall expire ninety (90) days post termination of employment. However, our obligation will be reduced if compensation is received from other employment for these amounts otherwise actually earned by Dr. Bergstrom during the one year period following the termination of his employment.

Craig A. Johnson

Mr. Johnson's agreement became effective June 16, 2010 and does not have an expiration date. His agreement currently provides for:

annual base salary of \$150,000, subject to periodic and customary review for increase by the Board or Compensation Committee;

an annual bonus of equal to 30% of base salary, with a maximum equal to 150% of the target award; and

options to purchase 750,000 shares of Common Stock pursuant to our 1998 Equity Incentive Plan and our 2006 Equity Incentive Plan.

If Mr. Johnson's employment is terminated without cause (as defined in the agreement) or by us upon a change in control (as defined in the agreement), Mr. Johnson will be entitled to receive an amount equal to six months base salary at the time of termination. In addition, Mr. Johnson shall be entitled to receive the pro rata portion of the annual incentive bonus to the extent performance measures were met. All previously awarded equity grants would immediately vest upon such termination and Mr. Johnson will have a period of twelve months following such termination to exercise any unexercised stock options.

If Mr. Johnson's employment is terminated by (i) us as a result of Mr. Johnson's disability, (ii) mutual agreement of the parties, or (iii) Mr. Johnson for a change of control (as defined in the agreement), Mr. Johnson will be entitled to receive his base salary through the date of termination, the pro rata portion of his annual incentive bonus for that year and all other amounts to which he was entitled for portion of the year up to his termination. In the event of Mr. Johnson's death, Mr. Johnson's legal representatives will be entitled to receive the same amounts that Mr. Johnson would have been entitled to receive for a termination as a result of the foregoing events. All previously awarded equity grants shall immediately vest upon such termination and Mr. Johnson shall have a period of twelve months following such termination to exercise any unexercised stock options.

The Agreement also contains provisions prohibiting Mr. Johnson, during the term of his employment and for a period of two years following his employment from soliciting for hiring, or hiring, any employee, consultant or independent contractor employed or affiliated with the Company. Mr. Johnson shall also refrain either directly or indirectly from approaching or attempting to solicit any business of the Company.

Compensation of Directors

The general policy of the Board is that compensation for independent Directors should be a mix of cash and equity-based compensation. NovaDel does not pay employee Directors for Board service in addition to their regular employee compensation. The Compensation Committee, which consists solely of independent Directors, has the primary responsibility for reviewing and considering any revisions to Director compensation. The Board reviews the Compensation Committee's recommendations and determines the amount of Director compensation.

Pursuant to its charter, the Compensation Committee may engage the services of outside advisors, experts, and others to assist them. During 2010, the Compensation Committee did not engage the services of outside advisors, experts or others to assist in setting Director compensation.

The following table shows amounts earned by each Director during the year ended December 31, 2010.

Director	Fees Earned or Paid in Cash (\$) ⁽¹⁾	Stock Awards (\$)	Option Awards (\$) ⁽²⁾	Non-Equity Incentive Plan Compensation (\$)	Change in Pension Value and Nonqualified Deferred Compensation Earnings	All Other Compensation (\$)	Total (\$)

Charles B. Nemeroff, M.D., Ph.D. ⁽³⁾	\$ 52,000		\$ 6,563				\$ 58,563

⁽¹⁾ Reflects the amount of fees earned during the year ended December 31, 2010. Of such amount, \$12,500 for each director that was earned in 2010 was paid in 2009.

⁽²⁾ Represents estimated fair value of the option award on the grant date using a Black-Scholes option pricing model that assumes the following: expected volatility of 113%; dividend yield of 0%; expected term until exercise of 2.7 years; and a risk-free interest rate of 2.0%.

⁽³⁾ Fees earned includes \$2,000 earned for participation on the Company's Scientific Advisory Board.

The following table shows the options granted to each non-employee Director during the year ended December 31, 2010.

Director	Number of Shares Underlying Options Granted	Grant Date	Exercise Price Per Share
Mark J. Baric	50,000	6/10/2010	\$ 0.20
Thomas E. Bonney, CPA	50,000	6/10/2010	\$ 0.20
Charles B. Nemeroff, M.D., Ph.D.	50,000	6/10/2010	\$ 0.20

The Board followed the recommendation of the Compensation Committee and determined non-employee Director compensation as follows for 2010:

Equity Compensation Each new non-employee Director will, upon initially joining the Board, receive options to purchase 100,000 shares of our Common Stock pursuant to our 2006 Equity Incentive Plan, referred to herein as the 2006 Plan, and thereafter, each non-employee Director will receive an annual grant of options to purchase 50,000 shares of our Common Stock upon re-election to the Board.

Cash Compensation Each non-employee Director will receive an annual retainer of \$50,000 to be paid quarterly in installments of \$12,500 at the beginning of each quarter during such year.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Directors, named executive officers and beneficial owners of more than 10% of our Common Stock are required by Section 16(a) of the Securities Exchange Act of 1934 and related regulations to file ownership reports on Forms 3, 4 and 5 with the Securities and Exchange Commission and the principal exchange upon which such securities are traded or quoted and to furnish us with copies of the reports. Other than as set forth below, based solely on a review of the copies of such forms furnished to us, we believe that from January 1, 2010 to December 31, 2010 all Section 16(a) filing requirements applicable to our named executive officers, Directors and greater than 10% holders of our Common Stock were in compliance.

Mr. Ratoff did not timely file a Form 4 with respect to a grant of options to purchase 2,000,000 shares of our Common Stock on December 31, 2009. This transaction was reported on a Form 4 dated January 7, 2010. ProQuest Investments did not timely file a Form 4 with respect to the conversion of its convertible notes and issuance of certain warrants on December 31, 2009. This transaction was reported on a Form 4 dated January 5, 2010. ProQuest Investments did not timely file a Form 4 with respect to the exercise of certain warrants on November 10, 2010. This transaction was reported on a Form 4 dated November 19, 2010.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain Relationships and Related Transactions

To the best of management's knowledge, other than (i) compensation for services as named executive officers and Directors or (ii) as set forth below, there were no material transactions, or series of similar transactions, or any currently proposed transactions, or series of similar transactions, to which we were or were to be a party, in which the amount involved exceeds \$120,000 during 2010, and in which any Director or named executive officer, or any security holder who is known by us to own of record or beneficially more than 5% of any class of the Common Stock, or any member of the immediate family of any of the foregoing persons, has an interest.

On March 31, 2010, we announced a registered direct offering in which ProQuest Investments participated and received 4,848,485 shares of the Company's common stock and five-year warrants to purchase 2,424,243 shares of common stock with an exercise price of \$0.25 per share and six-month warrants to purchase 1,616,162 shares of common stock with an exercise price of \$0.25 per share. As a result of the 2010 equity financing and as of the Record Date, ProQuest Investments beneficially owns 35.96% of our total outstanding common stock. As such, ProQuest Investments may be deemed to be our affiliate. Mr. Steven B. Ratoff, our President and Chief Executive Officer, has served as a venture partner with ProQuest Investments since December 2004, although he has no authority for investment decisions by ProQuest Investments.

Review, Approval and Ratification of Transactions with Related Persons

The Audit Committee is responsible for reviewing, approving or ratifying all transactions between us and any related person. Related persons can include any of our directors or executive officers, certain of our stockholders, and any of their immediate family members. This obligation is set forth in our Audit Committee Charter. In evaluating related person transactions, the members of the Audit Committee apply the same standards of good faith and fiduciary duty they apply to their general responsibilities as a committee of the Board of the Directors and as individual directors. The Audit Committee will approve a related person transaction when, in its good faith judgment, the transaction is in the best interest of the Company. To identify related person transactions, each year, we require each of our directors, director nominees and executive officers to complete a disclosure questionnaire identifying any transactions with us in which the officer or director or their family members have an interest.

GENERAL

Stockholder Proposals for the next Annual Meeting of Stockholders

In order for a stockholder proposal to be considered for inclusion in NovaDel's Proxy Statement for the next Annual Meeting pursuant to Rule 14a-8 of the Securities and Exchange Commission, the proposal must be received at our offices no later than the close of business on January 17, 2012. Proposals submitted thereafter will be opposed as not timely filed.

If a stockholder intends to present a proposal for consideration at the next Annual Meeting outside the processes of the Securities and Exchange Commission's Rule 14a-8, NovaDel must receive notice of such proposal not later than March 30, 2012. Otherwise the proposal will be considered untimely, and NovaDel's proxies will have discretionary voting authority on any vote with respect to such proposal, if presented at the meeting, without including information regarding the proposal in our proxy materials.

Annual Report on Form 10-K

A copy of our Annual Report on Form 10-K for the period ended December 31, 2010 is enclosed with these materials. Upon written request, we will provide each stockholder being solicited by this Proxy Statement with a copy, free of charge, of any of the documents referred to in this Proxy Statement. All such requests should be directed to NovaDel Pharma Inc., 1200 Route 22 East, Suite 2000, Bridgewater, New Jersey 08807, Attn: Secretary. You are asked to advise us if you plan to attend the Annual Meeting. For directions to the Annual Meeting, please see Annex B attached to this proxy statement or please call (908) 203-4640.

You also may access this proxy statement and our Annual Report on Form 10-K for the period ended December 31, 2010 at www.proxyvote.com.

Householding

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (e.g., brokers, banks and nominees) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies and intermediaries. This year, some banks, brokers or other nominee record holders may be householding our proxy materials. This means that only one copy of our proxy statement and annual report to stockholders may have been sent to multiple stockholders in your household unless contrary instructions have been received by the broker, bank or nominee from you. If you would like to receive a separate proxy statement and annual report, we will promptly send you additional copies if you call or write our investor relations department at our offices located at 1200 Route 22 East, Suite 2000, Bridgewater, New Jersey 08807; telephone 908-203-4640. If you are a beneficial owner, you can request additional copies of the proxy statement and annual report, or you can request a change in your householding status, by notifying your broker, bank or nominee.

Solicitation of Proxies

We will bear the cost of preparing, printing, assembling and mailing all proxy materials that may be sent to our stockholders in connection with this solicitation. Arrangements will also be made with brokerage houses, other custodians, nominees and fiduciaries, to forward soliciting material to the beneficial owners of our Common Stock held by such persons. We will reimburse such persons for reasonable out-of-pocket expenses incurred by them. In addition to the solicitation of proxies by use of the mails, officers and regular employees of ours may solicit proxies without additional compensation, by telephone or facsimile transmission. We do not expect to pay any compensation for the solicitation of proxies.

Management of NovaDel does not know of any matters, other than those stated in this Proxy Statement, that are to be presented for action at the Annual Meeting. If any other matters should properly come before the Annual Meeting, proxies will be voted on those other matters in accordance with the judgment of the persons voting the proxies. Discretionary authority to vote on such matters is conferred by such proxies upon the persons voting them.

Sincerely,

/s/ STEVEN B. RATOFF
