ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD DECEMBER 5, 2011

PROXY STATEMENT

SOLICITATION OF PROXIES

The Board of Directors (Board) of Pro-Dex, Inc. has made these materials available to you on the Internet, or, upon your request, has delivered printed versions of these materials to you by mail, in connection with the Board's solicitation of proxies for use at our Annual Meeting of Shareholders to be held at Pro-Dex's headquarters, 2361 McGaw Avenue, Irvine, California, on Monday, December 5, 2011, at 8:00 a.m. Pacific Standard Time, and at any and all adjournments or postponements thereof. Shareholders are requested to promptly vote by proxy over the Internet by following the instructions provided in the Notice of Internet Availability of Proxy Materials, which was mailed to you on or about October 26, 2011. If you request printed copies of the proxy materials by mail, you can also vote by mail or by telephone. All shares represented by each properly submitted and unrevoked proxy received on the Internet or by telephone prior to 11:59 p.m. Eastern Standard Time on Friday, December 2, 2011, or by proxy card prior to or at the Annual Meeting will be voted in the manner specified therein, and if no direction is indicated, for each director nominee (except in the case of broker non-votes) and for each of the other proposals described on the proxy card.

Any shareholder has the power to revoke his or her proxy at any time before it is voted. A proxy may be revoked by delivering a written notice of revocation to our Secretary prior to or at the Annual Meeting, by voting again on the Internet or by telephone (only your latest Internet or telephone proxy submitted prior to 11:59 p.m. Eastern Standard Time on Friday, December 2, 2011, will be counted), by submitting prior to or at the Annual Meeting a later dated proxy card executed by the person executing the prior proxy, or by attendance at the Annual Meeting and voting in person by the person submitting the prior proxy.

Any shareholder who owns shares in street name and would like to vote in person at the Annual Meeting should inform his or her broker bank of such plans and request a legal proxy from the broker. Such shareholders will need to bring the legal proxy with them to the Annual Meeting and valid picture identification such as a driver's license or passport in addition to documentation indicating share ownership. Such shareholders who do not receive the legal proxy in time should bring with them to the Annual Meeting their most recent brokerage account statement showing that they owned Pro-Dex stock as of the record date. Upon submission of proper identification and ownership documentation, we will be able to admit the shareholder to the Annual Meeting; however, such shareholder will not be able to vote his or her shares at the Annual Meeting without a legal proxy. Shareholders are advised that if they own shares in street name and request a legal proxy, any previously executed proxy will be revoked, and such shareholder's vote will not be counted unless he or she appears at the Annual Meeting and votes in person.

Our Board does not presently intend to bring any business before the Annual Meeting other than the proposals referred to in this proxy statement and specified in the accompanying Notice of Meeting. So far as is known to our Board, no other matters are to be brought before the Annual Meeting. However, if any other matters are presented properly for action at the Annual Meeting or at any adjournments or postponements thereof, it is intended that the proxies will be voted with respect thereto by the proxy holders in accordance with the instructions and at the discretion of our Board or a properly authorized committee thereof.

This proxy statement, the accompanying proxy card, our Annual Report on Form 10-K and a letter to shareholders are being made available on the Internet at www.proxyvote.com through the notice and access process to our shareholders on or about October 26, 2011. We will bear the cost of soliciting proxies pursuant to this proxy statement. The solicitation will be made through the Internet and expenses will include reimbursement paid to brokerage firms and others for their expenses in forwarding solicitation material regarding the Annual Meeting to beneficial owners of our Common Stock. Further solicitation of proxies may be made by mail upon request, and telephone or oral communications with some shareholders. Our regular employees, who will not receive additional compensation for the solicitation, or a compensated proxy solicitation firm, will make such further solicitations.

OUTSTANDING SHARES AND VOTING RIGHTS

Only holders of record of the 3,272,350 shares of our Common Stock outstanding at the close of business on October 10, 2011, are entitled to notice of and to vote at the Annual Meeting or any adjournment or postponement thereof. Under Colorado law, our Articles of Incorporation and our Bylaws, the holders of a majority of the total shares entitled to vote at the Annual Meeting, as of the record date, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be postponed or adjourned to allow additional time for obtaining additional proxies or votes. At any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have been effectively revoked or withdrawn prior to the reconvening of the Annual Meeting. Shares of our Common Stock represented in person or by proxy (regardless of whether the proxy has authority to vote on all matters), as well as abstentions and broker non-votes, will be counted for purposes of determining whether a quorum is present at the Annual Meeting.

An abstention is the voluntary act of not voting by a shareholder who is present at a meeting and entitled to vote. Broker non-votes are shares of voting stock held in record name by brokers and nominees concerning which: (i) the broker or nominee does not have discretionary voting power under applicable rules or the instruments under which it serves in such capacity and instructions have not been received from the beneficial owners or persons entitled to vote; or (ii) the record holder has indicated on the proxy or has executed a proxy and otherwise notified us that it does not have authority to vote such shares on that matter.

Assuming a quorum is present, for Proposal 1 (the election of directors) the five nominees for director receiving the highest number of affirmative votes will be elected; votes withheld, broker non-votes and votes against a nominee have no practical effect. In matters other than election of directors and, assuming that a quorum is present for each matter, the matter will be approved if the votes cast in favor of the matter exceed the votes cast opposing the matter. In such matters, abstentions and broker non-votes will not be included in the vote totals and, therefore, will have no effect on the vote. Each shareholder will be entitled to one vote, in person or by proxy, for each share of Common Stock held of record on the record date. Votes cast at the Annual Meeting will be tabulated by the person or persons appointed by us to act as inspectors of election for the Annual Meeting.

Recommendations of our Board

Our Board recommends that our shareholders vote for each of the proposals described in this proxy statement and the accompanying Notice of Meeting.

THE PROPOSALS TO BE VOTED UPON AT THE ANNUAL MEETING ARE DISCUSSED IN DETAIL IN THIS PROXY STATEMENT. YOU ARE STRONGLY URGED TO READ AND CONSIDER CAREFULLY THIS PROXY STATEMENT IN ITS ENTIRETY.

In such capacity, the Nominating Committee identifies and reviews the qualifications of candidate nominees to our Board.

The Nominating Committee works with our Board to determine the appropriate characteristics, skills, and experiences for our Board as a whole and its individual members with the objective of having a Board with diverse experience. The Nominating Committee believes that it is desirable that directors possess an understanding of our business environment and have the requisite knowledge, skills, expertise and diversity of experience such that our Board's ability to manage and direct our affairs and business is enhanced. Additional considerations may include an individual's capacity to enhance the ability of committees of our Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements. The Nominating Committee may receive candidate nomination suggestions from current Board members, our executive officers or other sources, which may be either unsolicited or in response to requests from our Board for such candidates. The Nominating Committee may also, from time to time, engage firms that specialize in identifying director candidates. Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, a member of the Nominating Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on our Board, the Nominating Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating Committee may consider all such information in light of information regarding any other candidates that it might be evaluating for nomination to our Board. The Nominating Committee or other Board members may also contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. With the candidate's consent, the Nominating Committee may also engage an outside firm to conduct background checks on the candidate as part of the evaluation process. The Nominating Committee's evaluation process does not vary based on the source of the recommendation. The Nominating Committee held two meetings during the fiscal year ended June 30, 2011.

The Nominating Committee will consider candidate nominees for election as a director who are recommended by shareholders. Recommendations should be sent to our Secretary and should include the candidate's name and qualifications and a statement from the candidate that he or she consents to being named in the proxy statement and will serve as a director if elected. In order for any such candidate to be considered for nomination and, if nominated, to be included in the proxy statement, such recommendation must be received by the Secretary not less than 120 days prior to the anniversary date of our proxy statement released to shareholders in connection with the previous year's annual meeting of shareholders.

In compiling the list of our Board nominees appearing in this proxy statement, nominee referrals as well as nominee recommendations were received from existing directors and members of management both solicited and unsolicited. No paid consultants were engaged by us, our Board or any of our Board's committees for the purposes of identifying qualified, interested Board candidates.

The Compensation Committee meets regularly in executive session. From time to time, various members of management and other employees, as well as outside advisors or consultants, may be invited by the Compensation Committee to make presentations, provide financial or other background information or advice, or otherwise participate in Compensation Committee meetings. The charter of the Compensation Committee grants the Compensation Committee full access to all of our books, records, facilities and personnel, as well as authority to obtain, at our expense, advice and assistance from internal and external legal, accounting or other advisors and consultants and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms.

The Compensation Committee engaged Compensia, Inc. (Compensia) as its independent compensation consultant for the year ended June 30, 2011. Over the course of its engagement, Compensia assisted the Compensation Committee in:

evaluating the efficacy of our existing compensation strategy and practices in supporting and reinforcing our long-term strategic goals;

refining our compensation strategy and developing and implementing an executive compensation program to execute that strategy; and

reviewing and suggesting modifications to our director compensation program.

As part of its engagement, the Compensation Committee directed Compensia to develop and update, as appropriate, a comparative group of companies and to perform analyses of competitive performance and compensation levels for that group. Compensia also conducted individual interviews with members of senior management and the Compensation Committee to learn more about our business operations, strategy, key performance metrics and strategic goals, as well as the labor markets in which we compete. Compensia ultimately developed recommendations and metrics that were presented to the Compensation Committee for its consideration. We do not have any relationship or arrangement with Compensia other than the Compensation Committee's contractual engagement of Compensia as its compensation consultant and Compensia provides no services to us other than those provided to the Compensation Committee.

The Compensation Committee makes its most significant determinations with respect to annual compensation, bonus awards, and new financial and other corporate performance objectives for executive compensation purposes, at one or more meetings held during the first quarter of the fiscal year for which the targets and compensation levels are applicable. The Compensation Committee generally makes determinations regarding the grant of annual equity incentive awards to our employees at the first meeting held following the Audit Committee's approval of the Form 10-K Annual Report for the fiscal year just ended—generally the first quarter of the fiscal year. At various meetings throughout the year, the Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of, and any risks relating to, our compensation strategies, policies and practices, potential modifications to those strategies, policies and practices, and new trends, plans or approaches to compensation.

Generally, the Compensation Committee's process consists of two related elements: (i) the determination of compensation levels and (ii) the establishment of financial and other corporate performance objectives in connection with our Annual Incentive and Long-Term Incentive Plans. Our Annual Incentive Plan provides for payment of cash bonuses to participants following the completion of a fiscal year subject to the attainment of certain performance goals. Our Long-Term Incentive Plan rewards long-term growth, profitability and total shareholder return by providing a vehicle through which our executive officers may receive stock-based compensation. For executive officers other than our CEO, the Compensation Committee solicits and considers evaluations and recommendations submitted to the Compensation Committee by our CEO. In the case of our CEO, the evaluation of his performance is conducted by the Compensation Committee, which determines any adjustments to his compensation as well as equity awards to be granted. Our CEO may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation. For all executive officers and directors, as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executive officers in various hypothetical scenarios, our stock performance data, analyses of historical executive compensation levels and our current compensation levels, and the recommendations of its independent compensation consultants, including analyses of executive and director compensation paid at other companies identified by its independent compensation consultants. Periodically, the Compensation Committee reviews all of our incentive compensation plans in order to evaluate the level of risk that such plans may encourage and, along with management's report concerning such matters and their mitigation, to ensure that each plan is properly monitored and evaluated. The specific determinations of the Compensation Committee with respect to executive compensation for the fiscal year ended June 30, 2011 are described herein.

Compensation Committee Philosophy

Our compensation philosophy is predicated upon the following concepts:

We pay competitively. We are committed to providing a pay program that helps attract and retain highly qualified people in the industry. To ensure that pay is competitive, we compare our pay practices with those of other leading companies of similar size and location(s) and sets its pay parameters based on this review.

We pay for sustained performance. Executive officers are rewarded based upon corporate performance and individual performance. Corporate performance is evaluated by our Board by reviewing the extent to which strategic and business plan goals are met, including such factors as revenues, operating profit and cash flow.

We strive for fairness in the administration of pay and to achieve a balance of the compensation paid to a particular individual as compared to the compensation paid to both our executives and executives at comparable companies.

We believe that employees should understand the performance evaluation and pay administration process.

The Compensation Committee believes that it is important that our executives be compensated in a manner that closely links compensation with performance and yet does not incent excessive risk-taking. To that end, the Compensation Committee has developed a comprehensive and balanced compensation plan that includes a base salary; an annual cash incentive based upon our Annual Incentive Plan; a long-term stock incentive based upon our Long-Term Incentive Plan; equity awards; and, a package of benefits similar in scope and nature to those offered to all our other employees. In comparing its compensation plans to a pre-selected peer group, the Compensation Committee has established a target compensation range at the 25th percentile of that peer group. While the Compensation Committee believes that the 25th percentile is likely a lower target than is used by most other companies in the peer group, the Compensation Committee, upon the advice of Compensia, determined that our small size relative to the peer group warranted the lower target.

The Compensation Committee believes that there are no risks related to our compensation plans that would result in a material adverse impact on us. This conclusion is based upon management's risk analysis and the Compensation Committee's belief that the following mitigating factors also serve to reduce such risks:

Incentives are capped at a maximum amount regardless of the degree to which objectives may be exceeded.

Payments are based upon audited year end results.

Multiple objectives are used as performance targets.

Computations are reviewed at regular intervals during the year and are subject to multiple levels of review at the management, committee, and full board level.

All incentives are based upon pre-established objective criteria as approved by our Board.

AUDIT COMMITTEE REPORT

The Audit Committee reports to and acts on behalf of our Board in providing oversight to our financial management, independent registered public accounting firm, and financial reporting procedures. Our management is responsible for preparing our financial statements and the independent registered public accounting firm is responsible for auditing those statements. In this context, the Audit Committee has reviewed and discussed the audited financial statements contained in our 2011 Annual Report on Form 10-K with management and Moss Adams, LLP, the independent registered public accounting firm engaged to audit such financial statements.

The Audit Committee has discussed with Moss Adams, LLP the matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended. The Audit Committee has received the written disclosures and the letter from Moss Adams, LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm s communications with the audit committee concerning independence and has discussed with Moss Adams, LLP its independence. In concluding that Moss Adams, LLP is independent, the Audit Committee considered, among other factors, whether the non-audit services provided by Moss Adams, LLP were compatible with maintaining its independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to our Board that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended June 30, 2011, and be filed with the SEC.

The Audit Committee has appointed Moss Adams, LLP to serve as our independent auditors for the fiscal year ending June 30, 2012.

Proposal No. 2

APPROVAL OF

SECOND AMENDED AND RESTATED 2004 STOCK OPTION PLAN

On December 11, 2003, our shareholders adopted and approved our 2004 Stock Option Plan, which was subsequently amended and restated and most recently approved by shareholders in December 2007 (the 2004 Stock Option Plan). In September 2011, the Compensation Committee and our Board approved, subject to

approval by our shareholders, an amendment and restatement of the 2004 Stock Option Plan (the Amended Plan) which would, among other things:

increase by 400,000 the number of shares of Common Stock available for grant under the Amended Plan;

amend certain provisions of the 2004 Stock Option Plan to conform with current federal and state law requirements and our internal policies; and

extend the expiration date of the Amended Plan to September 12, 2021.

Except for these changes, the terms and provisions of the 2004 Stock Option Plan and the Amended Plan are the same.

Equity is a key component of our compensation program. Equity awards encourage employee loyalty to us and align employee interests with those of our shareholders. The Amended Plan allows us to provide our employees with equity incentives that are competitive with those of companies with which we compete for talent.

Without this amendment, the number of shares currently available under the 2004 Stock Option Plan may not be sufficient to cover projected awards through the date of the 2012 Annual Meeting of Shareholders. In such event, we may not be able to provide persons eligible for awards with compensation packages that are necessary to attract, retain and motivate our valued employees, and we will not be able to grant any awards to participants once all the current shares have been allocated.

As of June 30, 2011, a total of 142,183 shares remained available for future awards under the 2004 Stock Option Plan.

The proceeds received by us upon exercise of the awards by participants in the Amended Plan will be used for the general corporate purposes.

The following is a summary of the material terms and conditions of the Amended Plan. This summary is qualified in its entirety by reference to the terms of the Amended Plan, a copy of which is attached as Exhibit A to this proxy statement.

Summary of the Amended Plan

Administration

Our Board or an appropriate committee of our Board (the Governing Committee) will administer the Amended Plan. The Compensation Committee currently administers the 2004 Stock Option Plan and is expected to administer the Amended Plan.

The Governing Committee is empowered to select those eligible persons to whom restricted stock or options shall be granted under the Amended Plan, to determine the time or times at which options or restricted stock shall be granted, whether options will be incentive stock options or non-qualified options, and the number of shares to be subject to each option or restricted stock grant, and to fix the time and manner in which each option may be exercised, including the exercise price and option period, and other terms and conditions of such options and restricted stock, all subject to the terms and conditions of the Amended Plan. The Governing Committee has sole discretion to interpret and administer the Amended Plan, and its decisions regarding the Amended Plan are final.

Authorized Shares.

The Governing Committee is authorized to grant options or restricted stock which represent, not in excess of an aggregate maximum of (i) the sum of (A) 400,000 shares of our Common Stock, plus (B) any shares of our

Common Stock remaining available for issuance under the 2004 Stock Option Plan, plus (C) any shares of our Common Stock subject to an option or restricted Stock granted under the 2004 Stock Option Plan or the Amended Plan, which option or restricted stock is forfeited, cancelled, terminated, expires or lapses for any reason without the issuance of shares pursuant to the option or restricted stock.

Eligibility.

All employees of ours or any of our subsidiaries are eligible to participate in the Amended Plan.

Types of Awards.

Awards under the Amended Plan may be in the form of stock options (either incentive stock options or non-qualified options) or restricted stock.

Stock Options.

Stock options granted under the Amended Plan must have an exercise price of not less than 100% of the fair market value of our Common Stock on the date the incentive stock option is granted and must be exercised, if at all, within ten years from the date of grant. In the case of an incentive stock option granted to an optionee who owns more than 10% of our total voting securities on the date of grant, the exercise price may not be less than 110% of fair market value on the date of grant, and the option period may not exceed five years.

Options may be exercised during a period of time fixed by the Governing Committee, except that no option may be exercised more than ten years after the date of grant. In the discretion of the Governing Committee, payment of the purchase price for the shares of stock acquired through the exercise of an option may be made in the manner and for the type of consideration determined by the Governing Committee, which may include cash, shares of our Common Stock, consideration received under a cashless exercise program, or any combination of the foregoing.

Restricted Stock.

Restricted stock may be granted under the Amended Plan pursuant to restricted stock agreements. Restricted stock may be granted in consideration for past or future services to be rendered to us or an affiliate of ours, or in any other form of legal consideration acceptable to the Governing Committee. Shares of Common Stock acquired under a restricted stock grant may be subject to forfeiture in accordance with a vesting schedule as determined by the Governing Committee. In the event the recipient of a restricted stock grant ceases to be employed by either us or an affiliate of ours, we may reacquire any forfeited shares that have not vested under the terms of the applicable restricted stock agreement. Rights to acquire shares under a restricted stock grant may be transferred only upon such terms and conditions as determined by our Board of Directors or an appropriate committee.

Federal Tax Consequences

Stock Options

Holders of non-qualified options do not realize income as a result of a grant of the option, but normally realize compensation income upon exercise of a non-qualified option to the extent that the fair market value of the shares of Common Stock on the date of exercise of the non-qualified option exceeds the exercise price paid. We will be required to withhold taxes on ordinary income realized by an optionee upon the exercise of a non-qualified option. In the case of an optionee subject to the short-swing profit recapture provisions of Section 16(b) of the Exchange Act, the optionee realizes income only upon the lapse of the six-month period under Section 16(b), unless the optionee elects to recognize income immediately upon exercise of his or her option.

Holders of incentive stock options will not be considered to have received taxable income upon either the grant or the exercise of the option. Upon the sale or other taxable disposition of the shares, long-term capital gain will normally be recognized on the full amount of the difference between the amount realized and the option exercise price paid if no disposition of the shares has taken place within either two years from the date of grant of the option or one year from the date of exercise. If the shares are sold or otherwise disposed of before the end of the one-year or two-year periods, the holder of the incentive stock option must include the gain realized as ordinary income to the extent of the lesser of the fair market value of the option stock minus the option price, or the amount realized minus the option price. Any gain in excess of these amounts, presumably, will be treated as capital gain. We will be entitled to a tax deduction in regard to an incentive stock option only to the extent the optionee has ordinary income upon the sale or other disposition of the option shares.

Upon the exercise of an incentive stock option, the amount by which the fair market value of the purchased shares at the time of exercise exceeds the option price will be an item of tax preference for purposes of computing the optionee's alternative minimum tax for the year of exercise. If the shares so acquired are disposed of prior to the expiration of the one-year and two-year periods described above, there should be no item of tax preference arising from the option exercise.

Restricted Stock

Upon receipt of a restricted stock grant, the recipient will recognize ordinary income equal to the excess, if any, of the fair market value of the shares on the date of issuance over the purchase price, if any, paid for the shares. We will be entitled (subject to the requirement of reasonableness and the satisfaction of a tax reporting obligation) to a corresponding income tax deduction in the tax year in which such ordinary income is recognized by the recipient. Certain different rules may apply to recipients who are subject to Section 16(b) of the Exchange Act.

However, if the shares issued upon the grant of restricted stock are unvested and subject to forfeiture, the recipient will not recognize any taxable income at the time of grant, but will have to report as ordinary income, as and when the forfeiture restrictions lapse, an amount equal to the excess of (i) the fair market value of the shares on the date the forfeiture restrictions lapse, over (ii) the purchase price, if any, paid for the shares. The recipient may, however, elect under Section 83(b) of the Internal Revenue Code of 1986, as amended, to include as ordinary income in the year of the restricted stock grant an amount equal to the excess of (x) the fair market value of the shares on the date of grant, over (y) the purchase price, if any, paid for such shares. If the Section 83(b) election is made, the recipient will not recognize any additional income as and when the forfeiture restrictions lapse.

Generally

The tax discussion set forth above is included for general information only and is based upon present law. Each recipient or holder of options or restricted stock under the Amended Plan should consult his or her own tax advisor as to the specific tax consequences of the transaction to him or her, including application and effect of federal, state, local and other tax laws and the possible effects of changes in federal or other laws.

Term

The Amended Plan will remain in effect until September 12, 2021. The Amended Plan may be abandoned or terminated at any earlier time by our Board, except with respect to any awards then outstanding under the Amended Plan.

New Plan Benefits

The future benefits or amounts that would be received under the Amended Plan are discretionary and are therefore not determinable at this time. Similarly, the benefits or amounts which would have been received by or allocated to executive officers and our other employees for the last completed fiscal year if this amendment and restatement to the 2004 Stock Option Plan had been in effect cannot be determined.

Required Vote and Board Recommendation

This proposal will be approved if the votes cast in favor of this proposal exceed the votes cast opposing this proposal; provided, that at least a majority of our outstanding shares of Common Stock entitled to vote on this proposal are present in person or represented by proxy at the meeting. As noted above, our Board has approved the Amended Plan.

OUR BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION AND APPROVAL OF THE SECOND AMENDED AND RESTATED 2004 STOCK OPTION PLAN.

Proposal No. 3

APPROVAL OF THE

AMENDED AND RESTATED 2004 DIRECTORS STOCK OPTION PLAN

On December 11, 2003, our shareholders adopted and approved our 2004 Directors Stock Option Plan, (the 2004 Directors Stock Option Plan). In September 2011, the Compensation Committee and our Board approved, subject to approval by our shareholders, an amendment and restatement of the 2004 Directors Stock Option Plan (the Amended Directors Plan) which would, among other things:

increase by 100,000 the number of shares of Common Stock available for grant under the Amended Directors Plan;

allow our Board to grant options to non-employee directors in such amounts and subject to such terms and conditions as set forth in any Director Compensation Program adopted by our Board;

amend certain provisions of the 2004 Directors Stock Option Plan to conform with current federal and state law requirements and our internal policies; and

extend the expiration date of the Amended Directors Plan to September 12, 2021.

Except for these changes, the terms and provisions of the 2004 Directors Stock Option Plan and the Amended Directors Plan are the same.

The Amended Directors Plan is designed to enable us to offer an incentive-based compensation system to our non-employee directors, whose participation and guidance contribute to our successful operation. The Amended Directors Plan provides for the grant of options to purchase our Common Stock.

Without this amendment, the number of shares currently available under the 2004 Directors Stock Option Plan may not be sufficient to cover projected awards through the date of the 2012 Annual Meeting of Shareholders, and we will not be able to grant any awards to non-employee directors once all the current shares have been allocated.

As of June 30, 2011, a total of 11,667 shares remained available for future awards under the 2004 Directors Stock Option Plan.

The proceeds received by us upon exercise of the awards by non-employee directors in the Amended Directors Plan will be used for the general corporate purposes.

The following is a summary of the material terms and conditions of the Amended Directors Plan. This summary is qualified in its entirety by reference to the terms of the Amended Directors Plan, a copy of which is attached as Exhibit B to this proxy statement.

Summary of the Amended Plan

Administration.

Our Board will administer the Amended Directors Plan. Our Board may grant options to non-employee directors in such amounts and subject to such terms and conditions as set forth in any Director Compensation Program of ours adopted by our Board, subject to the provisions of the Amended Directors Plan.

Authorized Shares.

Our Board is authorized to grant options or restricted stock which represent, not in excess of an aggregate maximum of (i) the sum of (A) 100,000 shares of our Common Stock, plus (B) any shares of our Common Stock remaining available for issuance under the 2004 Directors Stock Option Plan, plus (C) any shares of our Common Stock subject to an option or restricted Stock granted under the 2004 Directors Stock Option Plan or the Amended Directors Plan, which option is forfeited, cancelled, terminated, expires or lapses for any reason without the issuance of shares pursuant to the option.

Eligibility.

A person who is a member of our Board on the date of grant and who is not an employee of ours is eligible to participate in the Amended Directors Plan.

Types of Awards.

Awards under the Amended Directors Plan are in the form of non-qualified stock options. Options granted under the Amended Directors Plan shall have an exercise price equal to the fair market value of our Common Stock on the date the stock option is granted and must be exercised, if at all, within ten years from the date of grant. Each option granted pursuant to the Amended Directors Plan shall be exercisable in full commencing six months after the grant date, except as otherwise determined by our Board.

Federal Tax Consequences

Holders of non-qualified options do not realize income as a result of a grant of the option, but normally realize compensation income upon exercise of a non-qualified option to the extent that the fair market value of the shares of Common Stock on the date of exercise of the non-qualified option exceeds the exercise price paid. We may be required to withhold taxes on ordinary income realized by an optionee upon the exercise of a non-qualified option. In the case of an optionee subject to the short-swing profit recapture provisions of Section 16(b) of the Exchange Act, the optionee realizes income only upon the lapse of the six-month period under Section 16(b), unless the optionee elects to recognize income immediately upon exercise of his or her option.

The tax discussion set forth above is included for general information only and is based upon present law. Each recipient or holder of options or restricted stock under the Amended Directors Plan should consult his or her own tax advisor as to the specific tax consequences of the transaction to him or her, including application and effect of federal, state, local and other tax laws and the possible effects of changes in federal or other laws.

Term

The Amended Directors' Plan will remain in effect until September 12, 2021. The Amended Directors' Plan may be abandoned or terminated at any earlier time by our Board, except with respect to any awards then outstanding under the Amended Directors' Plan.

New Plan Benefits

The future benefits or amounts that would be received under the Amended Directors' Plan are discretionary and are therefore not determinable at this time. Similarly, the benefits or amounts which would have been received by or allocated to executive officers and our other employees for the last completed fiscal year if this amendment and restatement to the Amended Directors' Plan had been in effect cannot be determined.

Required Vote and Board Recommendation

This proposal will be approved if the votes cast in favor of this proposal exceed the votes cast opposing this proposal; provided, that at least a majority of our outstanding shares of Common Stock entitled to vote on this proposal are present in person or represented by proxy at the meeting. As noted above, our Board has approved the Amended Directors' Plan.

OUR BOARD RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION AND APPROVAL OF THE AMENDED AND RESTATED 2004 DIRECTORS' STOCK OPTION PLAN.

(a) Award Shares: The shares of Common Stock underlying an Option or Restricted Stock granted to an Employee.

(b) Board: The Board of Directors of Pro-Dex, Inc.

(c) Code: The Internal Revenue Code of 1986, as amended.

(d) Common Stock: The no par value common stock of Pro-Dex, Inc.

(e) Company: Pro-Dex, Inc., a corporation incorporated under the laws of Colorado, together with any successors thereto.

(f) Date of Grant: The date on which an Option or Restricted Stock is granted under the Plan.

(g) Disinterested Person: A director who has not been granted or awarded equity securities pursuant to any plan of the Company or of any Related Company of the Company during one year prior to that director's service as an administrator of the Plan, except as otherwise provided in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act) with respect to (i) participation in formula plans or ongoing securities acquisitions plans, and (ii) an election to receive securities for an annual retainer fee.

(h) Employee: An Employee is an employee of the Company or any Related Company.

(i) Fair Market Value: The Fair Market Value of the Option Shares. Such Fair Market Value as of any date shall be determined by the Governing Committee as of the last business day for which the prices or quotes discussed in this sentence are available prior to the date an Option is granted and shall mean (i) the closing price (on that date) of the Common Stock on the principal national securities exchange by which the Common Stock is traded, if the stock is then traded on a national securities exchange; or, (ii) the last reported sale price (on that date) of the Common Stock on an established securities market, if the stock is not then traded on a national securities exchange; or (iii) the closing bid price last quoted (on that date) by an established securities market or quotation service for over-the-counter securities, if the last sale price is not reported for the Common Stock on the service or market on which the stock is quoted. However, if the Common Stock is not publicly traded at the time an Option is granted under the Plan, Fair Market Value shall be deemed to be the fair value of the stock as determined in good faith by the Board or the Governing Committee, based on such valuations and other factors it deems appropriate.

(j) Governing Committee: The Governing Committee is the following: (i) with respect to grants of Options to Employees who are not also Officers and/or Directors of the Company, the Plan shall be administered by a Governing Committee composed of the Board or at least two members of the Board; and (ii) with respect to grants of Options to Employees who are also Officers or Directors, the Plan shall be administered by a Governing Committee, selected by the Board and typically the Company's Compensation Committee, consisting of two or more persons, each of whom is a Disinterested Person.

(k) Incentive Stock Options (ISOs): Incentive Stock Options as that term is defined in Section 422 of the Code.

(l) **Key Employee:** A person designated by the Governing Committee who either is employed by the Company or a Related Company (see below) and upon whose judgment, initiative and efforts the Company or a Related Company is largely dependent for the successful conduct of its business; provided, however, that Key Employees shall not include those members of the Board who are not employees of the Company or a Related Company.

(s) **Related Company:** Any corporation that is a parent corporation or a subsidiary corporation with respect to the Company, as those terms are defined in Section 424 of the Code. The determination of whether a corporation is a Related Company shall be made without regard to whether the corporation or the relationship between the corporation and the Company now exists or comes into existence hereinafter.

(t) **Restricted Stock:** Shares of Common Stock granted pursuant to the terms of Section 12 hereof.

(u) **Restricted Stock Agreement:** The written agreement (and any amendment or supplement thereto) between the Company and an Employee designating the terms, conditions and restrictions of Restricted Stock.

(v) **Stock Award:** Any Option or Restricted Stock granted under this Plan.

2. Purpose and Scope.

(a) The purpose of this Plan is to advance the interests of the Company and its shareholders by affording Employees an opportunity for investment in the Company and the incentive advantages inherent in stock ownership in this Company.

(b) This Plan authorizes the Governing Committee to grant Stock Awards to Employees selected by the Governing Committee while considering criteria such as employment position or other relationship with the Company, duties and responsibilities, ability, productivity, length of service or association, morale, interest in the Company, recommendations by supervisors, and other matters.

3. Administration of the Plan.

(a) The Plan shall be administered by the Governing Committee. The Governing Committee shall have the authority granted to it under this Section and under each other Section of the Plan.

(b) In accordance with and subject to the provisions of the Plan, the Governing Committee shall select the Employees to receive Stock Awards and shall determine (i) the number of shares of Common Stock to be subject to each Stock Award, which number shall be fixed as of the Date of Grant, (ii) the time at which each Stock Award is to be granted, (iii) whether a Stock Award shall be granted in exchange for the cancellation and termination of a previously granted option or options under the Plan or otherwise, (iv) the purchase price for the

Option Shares, (v) the option period, and (vi) the manner in which the Option becomes exercisable. In addition, the Governing Committee shall fix such other terms of each Stock Award as the Governing Committee may deem necessary or desirable. The Governing Committee shall determine the form of Option Agreement or Restricted Stock Agreement to evidence each Stock Award.

(c) The Governing Committee from time to time may adopt such rules and regulations for carrying out the purposes of the Plan as it may deem proper and in the best interests of the Company. The Governing Committee shall keep minutes of its meetings and those minutes shall be distributed to every member of the Board.

(d) The Board may from time to time make such changes in and additions to the Plan as it may deem proper and in the best interest of the Company; provided, however, that no such change or addition shall impair any Stock Award previously granted under the Plan, and that the approval by the affirmative vote of the holders of a majority of the Company's securities entitled to vote and represented at a meeting duly held in accordance with the applicable laws of the State of Colorado, shall be required for any amendment which would:

(i) materially modify the eligibility requirements for receiving Stock Awards under the Plan;

(ii) materially increase the benefits accruing to Employees under the Plan; or

(iii) increase the number of shares of Common Stock that may be issued under the Plan.

(e) All actions taken and all interpretations and determinations made by the Governing Committee in good faith (including determinations of Fair Market Value) shall be final and binding upon all Employees, the Company and all other interested persons. No member of the Governing Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan, and all members of the Governing Committee shall, in addition to rights they may have as directors of the Company, be fully protected by the Company with respect to any such action, determination or interpretation.

(f) It is the further intent of the Plan that it conform in all respects with (i) the requirements of Rule 16b-3 of Securities Exchange Act of 1934 (Rule 16b-3) and (ii) the Code. To the extent that any aspect of the Plan or its administration is at any time viewed as inconsistent with the requirements of Rule 16b-3 or the Code, that aspect shall be deemed to be modified, deleted, or otherwise changed as necessary to ensure continued compliance with Rule 16b-3 or Code requirements.

4. Number of Shares. The Board is authorized to appropriate, issue and sell for the purposes of the Plan, and the Governing Committee is authorized to grant Options or Restricted Stock with respect to, a total number, not in excess of an aggregate maximum of (i) the sum of (A) 400,000 shares of Common Stock, plus (B) any shares of Common Stock remaining available for issuance under the Prior Plans as of the Effective Date of the Plan, plus (C) any shares of Common Stock subject to an Option or Restricted Stock granted under the Prior Plans or the Plan, which Option or Restricted Stock at any time is forfeited, cancelled, terminated, expires or lapses for any reason without the issuance of shares pursuant to the Option or Restricted Stock, or (ii) the number and kind of shares of stock or other securities which in accordance with Section 8 may be substituted for the shares authorized under sub-section (i) or into which such shares shall be adjusted.

5. Eligibility. Options which are intended to qualify as ISOs will be granted only to Key Employees. Key Employees and other Employees may hold more than one Option Agreement under the Plan and may hold Stock Awards under the Plan and options or awards granted pursuant to other plans or otherwise.

6. Options. The Governing Committee may grant Options pursuant to this Plan.

(a) Option Price. The Governing Committee shall determine the purchase price for the Option Shares, provided that the purchase price to be paid by Optionees for the Option Shares shall not be less than 100 percent of the Fair Market Value of the Option Shares at the time the Option is granted. The purchase price for the Option Shares shall be a fixed, non-fluctuating, price.

(b) Duration and Exercise of Options.

(i) Each Option granted under the Plan shall be exercisable on such date or dates and during such period and for such number of shares as shall be determined pursuant to the provisions of the Option Agreement. The Governing Committee shall have the right to accelerate the date of exercise of any Option, provided that the Governing Committee shall not accelerate the exercise of any ISO granted if such acceleration would violate the annual vesting limitation contained in Section 422(d)(1) of the Code. In no event shall the Governing Committee have the discretion to extend an Option beyond the earlier of the last date that the Option could have been exercised under the initial term of the Option and the date that is 10 years after the initial Date of Grant, unless said extension is granted at a time when the exercise price of the Option does not equal or exceed the Fair Market Value of the stock that could be purchased pursuant to the Option.

(ii) Except as otherwise permitted under Subsection (d) of this Section 6, during the lifetime of the Optionee, the Option shall be exercisable only by the Optionee; provided, that in the event of the legal disability of an Optionee, the guardian or personal representative of the Optionee may exercise the Option. However, if the Option is an ISO it may be exercised by the guardian or personal representative of the Optionee only if such guardian or personal representative obtains a ruling from the Internal Revenue Service or an opinion of counsel to the effect that neither the grant nor the exercise of such power is violative of Section 422(b)(5) of the Code. Any opinion of counsel must be both from counsel and in a form acceptable to the Governing Committee.

(iii) The Governing Committee may determine whether any Option shall be exercisable as provided in item (i) of this Subsection (b) or whether the Options shall be exercisable in installments only; if the Governing Committee determines the latter, it shall determine the number of installments and the percentage of the Option exercisable at each installment date. All such installments shall be cumulative.

(iv) If the Optionee ceases to be employed by either the Company or a Related Company because of the death or permanent and total disability (as defined in Section 22(e)(3) of the Code) of the Optionee, any Option held by the Optionee at the time his employment ceases may be exercised within 90 days after the date his employment ceased, but only to the extent that the Option was exercisable according to its terms on the date the Optionee's employment ceased. After such 90-day period, any unexercised portion of an Option shall expire.

(v) Notwithstanding the provisions of item (iv) of this Subsection (d), if an Optionee's employment by the Company or a Related Company ceases for any reason other than the Optionee's death or permanent and total disability, any unexercised portion of any Option held by the Optionee at the time his employment ceases may be exercised within 30 days after the date his employment ceased, but only to the extent that the Option was exercisable according to its terms on the date the Optionee's employment ceased. After such date, any unexercised portion of an Option shall expire.

(vi) Each Option may be exercised in whole or part by delivering to the Chief Financial Officer of the Company written notice of the number of shares with respect to which the Option is to be exercised and by paying in full the purchase price for the Option Shares purchased as set forth in Subsection (c) of this Section 6; provided, that an Option may not be exercised in part unless the purchase price for the Option Shares purchased is at least \$2,000.

(vii) To the extent required to qualify for the exemption provided by Rule 16b-3 under the Exchange Act, and any successor provision, at least six months must elapse from the date of acquisition of an Option by any person who is subject to the reporting requirements of Section 16(a) of the Exchange Act to the date of exercise of such Option or disposition of the Option Shares.

(c) Payment for Option Shares. If the purchase price of the Option Shares purchased by any Optionee at one time exceeds \$2,000, the Governing Committee may permit all or part of the purchase price for the Option Shares to be paid by the Optionee by (a) delivering to the Company shares of the Company's Common Stock previously owned by the Optionee with a Fair Market Value as of the date of payment equal to the portion of the purchase price for the Option Shares that the Optionee does not pay in cash, (b) having shares withheld from the

amount of shares to be received by the Optionee, or (c) complying with any other payment mechanisms as the Governing Committee may approve from time to time. As a condition to the exercise of any Option granted under this Plan, the Optionee shall make such arrangements as the Governing Committee may require for the satisfaction of any federal, state or withholding tax obligations which may arise in connection with such exercise. The issuance, transfer or delivery of certificates of shares of Common Stock pursuant to the exercise of Options may be delayed, at the discretion of the Governing Committee, until the Governing Committee is satisfied that the applicable requirements of federal and state securities laws and the withholding provisions of the Code have been met. Until such person has been issued a certificate or certificates for the Option Shares so purchased, he or she shall possess no rights of a recordholder with respect to any of such shares.

(d) Nontransferability of Option. No Option granted under the Plan shall be transferable by the Optionee, either voluntarily or involuntarily, except by will or the laws of descent and distribution, pursuant to a qualified domestic relations order as defined in the Code, or pursuant to the Employee Retirement Income Security Act or rules promulgated thereunder; except that (a) Optionees who are not subject to Section 16(b) of the Exchange Act may upon written notice transfer a Non-ISO (i) to an Optionee's spouse, parents, siblings, or lineal descendants, or (ii) to a trust for the benefit of the Optionee or any of the Optionee's spouse, parents, siblings, or lineal descendants, or (iii) to any corporation or partnership controlled by the Optionee; and (b) Optionees who are subject to Section 16(b) of the Exchange Act may transfer Non-ISOs to immediate family members and family trusts. No Option shall be subject to execution, attachment or similar process. Except as specifically provided herein, any attempt to transfer the Option shall void the Option.

(e) Limitation on Amount of Option. The aggregate Fair Market Value (determined at the time any ISO is granted) of the Common Stock with respect to which an Optionee's ISOs, together with incentive stock options granted under any other plan of the Company and any parent, are exercisable for the first time by such Optionee during any calendar year shall not exceed \$100,000. If an Optionee holds ISOs that become first exercisable (including as a result of acceleration of exercisability under the Plan) in any one year for shares having a Fair Market Value at the date of grant in excess of \$100,000, then the most recently granted of the ISOs, to the extent that they are exercisable for shares having an aggregate Fair Market Value in excess of the limit, shall be deemed to be Non-ISOs.

(f) Ten Percent Shareholder Rule. With respect to ISOs, no Option may be granted to a Key Employee who, at the time the Option is granted, owns stock possessing more than 10 percent of the total combined voting power of all classes of stock of the Company or of any parent corporation or subsidiary corporation as those terms are defined in Section 424 of the Code, unless at the time the Option is granted the purchase price for the Option shares is at least 110 percent of the Fair Market Value of the Option Shares at the time the ISO is granted and such Option by its terms is not exercisable after the expiration of five years from the Date of Grant. For purposes of the preceding sentence, stock ownership shall be determined as provided in Section 424 of the Code.

7. Restricted Stock: The Governing Committee may grant shares of Restricted Stock pursuant to this Plan. To the extent consistent with the Company's Bylaws, at the Governing Committee's election, shares of Restricted Stock may be (i) held in book entry form subject to the Company's instructions until any restrictions relating to the Restricted Stock lapse, or (ii) evidenced by a certificate, which certificate shall be held in such form and manner as determined by the Governing Committee and shall contain an appropriate legend clearly stating that the transferability of the Restricted Stock represented by the certificate is restricted by the Restricted Stock Agreement and this Plan. The Restricted Stock Agreements shall be in such form and shall contain such terms and conditions as the Governing Committee shall deem appropriate from time to time and the terms and conditions of separate Restricted Stock Agreements need not be identical; provided, however, that each Restricted Stock Agreement shall include (through incorporation of the provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

(a) Consideration. Restricted Stock may be awarded in consideration for (A) past or future services actually or to be rendered to the Company or a Related Company, or (B) any other form of legal consideration that may be acceptable to the Governing Committee in its sole discretion and permissible under applicable law.

(b) Vesting. Shares of Restricted Stock may be subject to forfeiture to the Company in accordance with a vesting schedule to be determined by the Governing Committee in its sole discretion and set forth in the Restricted Stock Agreement.

(c) Termination of Service. In the event a Restricted Stock holder ceases to be employed by either the Company or a Related Company, the Company may receive pursuant to a forfeiture provision to be determined by the Governing Committee in its sole discretion and set forth in the Restricted Stock Agreement, any or all Restricted Shares that have not vested as of the date of termination.

(d) Transferability. Rights to acquire shares of Common Stock under a Restricted Stock Agreement shall be transferable by the holder only upon such terms and conditions as are set forth in the Restricted Stock Agreement, as the Governing Committee shall determine in its sole discretion, so long as such Common Stock remains subject to the terms and conditions of the Restricted Stock Agreement.

8. Changes in Stock, Adjustments, Etc.

(a) In the event that each of the outstanding shares of Common Stock (other than shares held by dissenting shareholders which are not changed or exchanged) should be changed into, or exchanged for, a different number or kind of shares of stock or other securities of the Company, or, if further changes or exchanges of any stock or other securities into which the Common Stock shall have been changed, or for which it shall have been exchanged, shall be made (whether by reason of merger, consolidation reorganization, recapitalization, stock dividends, reclassification, split-up, combination or shares or otherwise), then there shall be substituted for each share of Common Stock that is subject to the Plan but not subject to an outstanding Option or Restricted Stock thereunder, the number and kind of shares of stock or other securities into which each outstanding share of Common Stock (other than shares held by dissenting shareholders which are not changed or exchanged) shall be so changed or for which each outstanding share of Common Stock (other than shares held by dissenting shareholders) shall be exchanged, provided, in the event that the Optionee is providing direct services to the Company at the time the shares are substituted, such shares shall constitute service recipient stock as that term is defined by the IRS for purposes of Section 409A of the Code. Any securities so substituted shall be subject to similar successive adjustments.

(b) In the event of any such changes or exchanges, the Governing Committee shall determine whether, in order to prevent dilution or enlargement of rights, an adjustment should be made in the number, or kind, or Option price of the shares or other securities then subject to an Option or Restricted Stock granted pursuant to the Plan and the Governing Committee shall make any such adjustment, and such adjustments shall be made and shall be effective and binding for all purposes of the Plan.

9. Relationship to Employment. Nothing contained in the Plan, or in any Stock Award granted pursuant to the Plan, shall confer upon any recipient or holder of a Stock Award any right with respect to continuance of employment by the Company or any Related Company, or interfere in any way with the right of the Company or any Related Company to terminate the employment of a Stock Award recipient or holder at any time.

10. Rights as a Shareholder. No person shall have any rights as a shareholder with respect to any shares covered by an Stock Award until that person shall become the holder of record of such shares (whether or not subject to forfeiture) and, except as provided in Section 8, no adjustments shall be made for dividends or other distributions or other rights as to which there is an earlier record date.

11. Securities Laws Requirements. No Award Shares shall be issued unless and until, in the opinion of the Company, any applicable registration requirements of the Securities Act of 1933, as amended (Securities Act), any applicable listing requirements of any securities exchange on which stock of the same class is then listed, and any other requirements of law or of any regulatory bodies having jurisdiction over such issuance and delivery, have been fully complied with. Each Option, each Restricted Stock certificate and each Award Share certificate

may be imprinted with legends reflecting federal and state securities laws, restrictions and conditions, and the Company may comply therewith and issue stop transfer instructions to its transfer agent and registrar in good faith without liability.

12. Disposition of Shares. Each Optionee, as a condition of exercise, and each Restricted Stock holder, as a condition to the Restricted Stock grant, shall represent, warrant and agree, in a form of written certificate approved by the Company, as follows: (a) that all Award Shares are being acquired solely for his own account and not on behalf of any other person or entity; (b) that no Award Shares will be sold or otherwise distributed in violation of the Securities Act, or any other applicable federal or state securities laws; (c) that if he is subject to reporting requirements under Section 16(a) of the Exchange Act, he will (i) not violate Section 16(b) of the Exchange Act, (ii) furnish the Company with a copy of each Form 4 and Form 5 filed by him, and (iii) timely file all reports required under the federal securities laws; and (d) that he will report all sales of Award Shares to the Company in writing on a form prescribed by the Company.

13. Effective Date of Plan; Termination Date of Plan. The Plan shall be effective on the date the Plan has been approved by the Board and the shareholders of the Company. The Plan was adopted, subject to shareholder approval, by the Board as of September 12, 2011. The Plan shall terminate on September 12, 2021, except as to Stock Awards previously granted and outstanding under the Plan at that time. No Stock Awards shall be granted after the date on which the Plan terminates. In no event may the Option period exceed ten years from the date on which the Option is granted. The Plan may be abandoned or terminated at any earlier time by the Board, except with respect to any Stock Awards then outstanding under the Plan.

14. Withholding Taxes. The Company, or any Related Company, may take such steps as it may deem necessary or appropriate for the withholding of any taxes which the Company, or any Related Company, is required by any law or regulation or any governmental authority, whether federal, state or local, domestic or foreign, to withhold in connection with any Stock Award including, but not limited to, the withholding of all or any portion of any payment or the withholding of issuance of Option Shares to be issued upon the exercise of any Option.

15. Change in Control, Stock Dividends, Reorganization and Other Extraordinary Actions.

(a) If (i) the Company shall at any time be involved in a transaction described in Section 424(a) of the Code (or any successor provision) or any corporate transaction described in the regulations thereunder; (ii) the Company shall declare dividends payable in, or shall subdivide or combine, its Common Stock or (iii) any other event with substantially the same effect shall occur, the Governing Committee shall, with respect to each outstanding Option, proportionately adjust the number of Option Shares and/or the exercise price per share so as to preserve the rights of the Optionee substantially proportionate to the rights of the Optionee prior to such event, and to the extent that such action shall include an increase or decrease in the number of Option Shares subject to outstanding Options, the number of shares available under this Plan shall automatically be increased or decreased, as this case may be, proportionately, without further action on the part of the Governing Committee, the Company or the Company's shareholders.

(b) If the Company is liquidated or dissolved, the Governing Committee may allow the holders of any outstanding Options to exercise all or any part of the unvested portion of the Options held by them; provided, however, that such Options must be exercised prior to the effective date of such liquidation or dissolution. If the Option Holders do not exercise their Options prior to such effective date, each outstanding Option shall terminate as of the effective date of the liquidation or dissolution.

(c) The grant of a Stock Award shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, to merge, consolidate or dissolve, to liquidate or to sell or transfer all or part of its business or assets.

(d) In the event of a Change in Control (as defined below) of the Company, the Governing Committee may, in its discretion, accelerate all outstanding Options and Restricted Stock so that (i) Options immediately

become exercisable for the duration of the term of the Option and (ii) Restricted Stock immediately becomes fully vested. For purposes of this Subsection (d), Change in Control shall mean the occurrence of any of the following events: (i) any person or group (as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended) is or becomes the beneficial owner (as defined in Rule 13d-3 under said Act), directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the total voting power represented by the Company's then outstanding voting securities; (ii) a change in the composition of the Board of the Company occurring within a one-year period, resulting in the change of sixty percent or more of the directors serving on the Board from the beginning of the one-year period to the end of the one-year period; (iii) there is a merger or consolidation of the Company in which the Company does not survive as an independent public company; or (iv) the acquisition of all or substantially all the Company's assets in a transaction or series of related transactions with a third-party purchaser.

(e) If at any time the Company declares an Extraordinary Dividend, as defined below, all (i) Options shall accelerate and thereupon become immediately exercisable for the duration of the term of the Option and (ii) Restricted Stock shall become immediately fully vested. For purposes of this Subsection (e), Extraordinary Dividend shall mean a cash dividend payable to holders of record of the Common Stock in an amount in excess of 10% of the then Fair Market Value of the Company's Common Stock.

16. Restrictions. The Company may impose such restrictions on Options and Restricted Stock granted hereunder, or the Award Shares underlying such grants, as it may deem advisable, including without limitation restrictions under the federal securities laws, the requirements of any stock exchange or similar organization and any blue sky, state or foreign securities laws applicable to such securities.

17. Other Provisions.

(a) The use of a masculine gender in the Plan shall also include within its meaning the feminine, and the singular may include the plural, and the plural may include the singular, unless the context clearly indicates to the contrary.

(b) Any expenses of administering the Plan shall be borne by the Company.

(c) This Plan shall be construed to be in addition to any and all other compensation plans or programs. Neither the adoption of the Plan by the Board nor the submission of the Plan to the shareholders of the Company shall be construed as creating any limitations on the power of authority of the Board to adopt such other additional incentive or other compensation arrangements as the Board may deem necessary or desirable.

(d) The corporate laws of the State of Colorado shall govern all issues concerning the relative rights of the Company and its shareholders under the Plan. All other questions and obligations under the Plan shall be construed and enforced in accordance with the internal laws of the State of California, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of California.

(e) Notwithstanding anything to the contrary contained in this Plan, this Plan is intended to comply with the California Corporate Securities Law of 1968 and the rules and regulations promulgated thereunder.

(f) If any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

(g) Headings are given to the sections of this Plan solely as a convenience to facilitate reference. The reference to any statute, regulation or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

(h) The Plan shall be binding upon the Company, its successors and assigns, and Optionees, their executors, administrators and permitted transferees and beneficiaries.

The Plan is also intended to further the efforts of the company to attract and retain qualified Non-Employee Directors.

(b) This Plan authorizes that Options be granted to Nonemployee Directors according to the formula set forth in Section 3 of this Plan.

(c) It is the further intent of the Plan that it conform in all respects with (i) the requirements of Rule 16b-3 of the Securities Exchange Act of 1934 (Rule 16b-3) and (ii) the Code. To the extent that any aspect of the Plan or its administration is at any time viewed as inconsistent with the requirements of Rule 16b-3 or the Code, that aspect shall be deemed to be modified, deleted, or otherwise changed as necessary to ensure continued compliance with Rule 16b-3 or Code requirements.

(d) Notwithstanding any other provision in the Plan or an Option Agreement to the contrary, if and to the extent that Code Section 409A is deemed to apply to the Plan or any Option granted under the Plan, it is the general intention of the Company that the Plan and all such Options shall, to the extent practicable, comply with Code Section 409A, and the Plan and any such Option shall, to the extent practicable, be construed in accordance therewith. Without in any way limiting the effect of the foregoing, in the event that Code Section 409A requires that any special terms, provisions or conditions be included in the Plan or any Option, then such terms, provisions and conditions shall, to the extent practicable, be deemed to be made a part of the Plan or Option, as applicable. Further, in the event that the Plan or any Option shall be deemed not to comply with Code Section 409A, then neither the Corporation nor the Board shall be liable to any Optionee or other person for actions, decisions or determinations made in good faith.

3. Operation of the Plan.

(a) Grant of Options: Amount and Timing. The Board may grant Options to Nonemployee Directors in such amounts and subject to such terms and conditions as set forth in any Director Compensation Program of the Company adopted by the Board, subject to the provisions of the Plan. All Options shall be exercisable only as set forth in Sections 3(c) and 6 below and shall be subject to the other terms and conditions set forth in this Plan or otherwise established by the Company.

(b) Option Purchase Price. The exercise price for each Option Share shall be the Fair Market Value of the Company's Common Stock on the Date of Grant.

(c) Term. Each Option shall expire ten years after the Date of Grant, except that an Option will expire, if not exercised, 90 days after the Optionee ceases to be a Non-Employee Director of the Company.

(d) Amendments. This Plan may be changed or modified from time to time provided, however, that, (i) no such change or modification shall impair any Option previously granted under the Plan; (ii) the provisions relating to the amount, price and timing of the Options shall not be amended more than once every six months other than to comport with changes in the Code, the Employee Retirement Income Security Act, or rules promulgated thereunder, or other applicable law; and (iii) the approval by the affirmative vote of the holders of a majority of shares of the Company's securities present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Colorado, shall be required for any amendment which would do any of the following:

- (i) materially modify the eligibility requirements for receiving Options under the Plan;
- (ii) except as provided in Section 8 relative to capital changes, increase the number of shares purchasable pursuant to the granting of any Option hereunder or the exercise price of each Option;
- (iii) increase the maximum term of Options granted;
- (iv) decrease the minimum price at which Options may be granted;
- (v) change the dollar amount pursuant to which Options may be granted at any one time;
- (vi) change the timing of Option Grants; or
- (vii) increase the term of the Plan.

4. Number of Shares. The Board is authorized to appropriate, issue and sell for the purposes of the Plan, an aggregate maximum of (i) the sum of (A) 100,000 shares of Common Stock, plus (B) any shares of Common Stock remaining available for issuance under the Prior Plan as of the Effective Date of the Plan, plus (C) any shares of Common Stock subject to an Option granted under the Prior Plan or the Plan, which Option at any time is forfeited, cancelled, terminated, expires or lapses for any reason without the issuance of shares pursuant to the Option or (ii) the number and kind of shares of stock or other securities which in accordance with Section 8 may be substituted for the shares authorized under sub-section (i) or into which such shares shall be adjusted.

5. Eligibility. Options shall be granted under the Plan only to Nonemployee Directors provided that any Nonemployee Director may waive his right to participate in the Plan.

6. Exercise of Options.

(a) Each Option granted pursuant to this Plan shall be exercisable in full commencing six months after the Date of Grant, except as otherwise determined by the Board.

(b) Each Option may be exercised in whole or in part by delivering to the Chief Financial Officer of the Company written notice of the number of shares with respect to which the Option is to be exercised and by paying in full the purchase price for the Option Shares as set forth in Section 7 herein; provided, that an Option may not be exercised in part unless the purchase price for the Option Shares purchased is at least \$2,000.

(c) No Option may be exercised, and no Option Shares may be sold, transferred or otherwise disposed of for a period of at least six months following the Date of Grant of the Option.

7. Payment for Option Shares. Upon exercise of any Option, the aggregate exercise price shall be paid to the Company in cash or by certified or cashier's check. For any single purchase by an Optionee of Option Shares at a total purchase price in excess of \$2,000, the Company, in its sole discretion, upon request by the Optionee, may permit all or part of the purchase price for the Option Shares to be paid by (a) delivery to the Company for cancellation shares of the Common Stock previously owned by the Optionee (Previously Owned Shares) with a Fair Market Value

Edgar Filing: PRO DEX INC - Form DEF 14A

as of the date of the payment equal to the portion of the purchase price for the Option Shares that the Optionee does not pay in cash; (b) having shares withheld from the amount of shares to be received by the Optionee; or (c) complying with any other payment mechanism as the Company may approve from time to

B-3

time. Notwithstanding the above, an Optionee shall be permitted to exercise his Option by delivering Previously Owned Shares only if he has held, and provides appropriate evidence of such, the Previously Owned Shares for more than six months prior to the date of exercise. This period (the Holding Period) may be extended by the Company acting in its sole discretion as is necessary, in the opinion of the Company, so that, under generally accepted accounting principles, no compensation shall be considered to have been or to be paid to the Optionee as a result of the exercise of the Option in this manner. At the time the Option is exercised, the Optionee shall provide an affidavit, and such other evidence and documents as the Company shall request, to establish the Optionee's Holding Period. As indicated above, an Optionee may deliver shares of Common Stock as part of the purchase price only if the Company, in its sole discretion agrees, on a case by case basis, to permit this form of payment.

8. Change in Stock, Adjustments, Etc.

(a) In the event that each of the outstanding shares of Common Stock (other than shares held by dissenting shareholders which are not changed or exchanged) should be changed into, or exchanged for, a different number or kind of shares of stock or other securities of the Company, or if further changes or exchanges of any stock or other securities into which the Common Stock shall have been changed, or for which it shall have been exchanged, shall be made (whether by reason of merger, consolidation, reorganization, recapitalization, stock dividends, reclassification, split-up, combination of shares or otherwise) then there shall be substituted for each share of Common Stock that is subject to the Plan but not subject to an outstanding Option hereunder, the number and kind of shares of stock or other securities into which each outstanding shares of Common Stock (other than shares held by dissenting shareholders which are not changed or exchanged) shall be so changed or for which each outstanding share of Common Stock (other than shares held by dissenting shareholders) shall be so changed or for which each such share shall be exchanged. Any securities so substituted shall be subject to similar successive adjustments.

(b) In the event of any such changes or exchanges, (i) the number, or kind, or exercise price of the Option Shares or other securities that are then subject to an Option or Options granted pursuant to the Plan shall be deemed automatically adjusted in order to prevent dilution or enlargement of rights and (ii) such adjustments shall be effective and binding for all purposes or the Plan.

9. Nontransferability of Option. Except as herein provided, no Option granted under the Plan shall be transferable by the Optionee, either voluntarily or involuntarily, except by will, by the laws of descent and distribution, or pursuant to a qualified domestic relations order as defined in the Code or the Employee Retirement Income Security Act or rules promulgated thereunder; and no Option shall be subject to execution, attachment or similar process. Except as may be permitted by the preceding sentence, an Option shall be exercisable during the Optionee's lifetime only by him or by his guardian or legal representative. Any attempt to transfer an Option except as otherwise herein provided shall void the Option. Notwithstanding anything herein to the contrary, an Option may be transferred to an immediate family member or a family trust if such transfer is then permitted by the rules adopted under Section 16(b) of the Securities Exchange Act of 1934, as amended.

10. Rights as a Shareholder. No person shall have any rights as a shareholder with respect to any shares covered by an Option until that person becomes the holder of record of such shares and, except as provided in Section 8, no adjustments shall be made for dividends or other distributions or other rights as to which there is an earlier record date.

11. Securities Laws Requirements. No Option Shares shall be issued unless and until, in the opinion of the Company, any applicable registration requirements of the Securities Act of 1933, as amended (Securities Act), any applicable listing requirements of any securities exchange on which stock of the same class is then listed, and any other requirement of law or of any regulatory bodies having jurisdiction over such issuance and delivery, have been fully complied with. Each Option Agreement and each Option Share certificate may be imprinted with legends reflecting federal and state securities laws restrictions and conditions, and the Company may comply therewith and issue stop transfer instructions to its transfer agent and registrar in good faith without liability.

12. Disposition of Shares. To the extent reasonably requested by the Company, each Optionee, as a condition of exercise, shall represent, warrant and agree, in a form of written certificate approved by the Company, as follows: (a) that all Option Shares are being acquired solely for his/her own account and not on behalf of any other person or entity; (b) that no Option Shares will be sold or otherwise distributed in violation of the Securities Act or any other applicable federal or state securities laws; (c) that he/she will report all sales of Option Shares to the Company in writing on a form prescribed by the Company; and (d) that if he/she is subject to the reporting requirements under Section 16(a) of the Exchange Act (i) he will not violate Section 16(b) of the Exchange Act, (ii) he will furnish the Company with a copy of each Form 4 and Form 5 filed by him, and (iii) he will timely file all reports required under the federal securities laws.

13. Effective Date of Plan; Termination Date of Plan. The Plan shall be effective on the date the Plan has been approved by the Board and the shareholders of the Company. The Plan was adopted, subject to shareholder approval, by the Board as of September 12, 2011. The Plan shall terminate on September 12, 2021, except as to Options previously granted and outstanding under the Plan at that time. No Options shall be granted after the date on which the Plan terminates. In no event may the Option period exceed ten years from the date on which the Option is granted. The Plan may be abandoned or terminated at any earlier time by the affirmative vote of the holders of a majority of the shares of Common Stock present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Colorado, except with respect to any Options then outstanding under the Plan.

14. Withholding Taxes. The Option Agreement shall provide that the Company may take such steps as it may deem necessary or appropriate for the withholding of any taxes which the Company is required by any law or regulation or any governmental authority, whether federal, state or local, domestic or foreign, to withhold in connection with any Option including, but not limited to, the withholding of all or any portion of any payment or the withholding of issuance of Option Shares upon the exercise of any Option.

15. Change of Control.

(a) Notwithstanding any other provision of the Plan to the contrary, and unless an Option Agreement provides otherwise (or as may otherwise be required under Code Section 409A), in the event of a Change of Control, all Options outstanding as of the date of such Change of Control shall become fully vested and exercisable, whether or not then otherwise vested and exercisable.

(b) Notwithstanding the foregoing, in the event of a merger, share exchange, reorganization or other business combination affecting the Company, the Board may, in its sole and absolute discretion, determine that any or all Options granted pursuant to the Plan shall not vest or become exercisable on an accelerated basis, if the Company or the surviving or acquiring corporation, as the case may be, shall have taken such action, including but not limited to the assumption of Options granted under the Plan or the grant of substitute options (in either case, with substantially similar terms or equivalent economic benefits as Options granted under the Plan), as in the opinion of the Board is equitable or appropriate to protect the rights and interests of participants under the Plan.

16. Restrictions. The Company may impose such restrictions on Options, shares and any other benefits underlying Options hereunder as it may deem advisable, including without limitation restrictions under the federal securities laws, the requirements of any stock exchange or similar organization and any blue sky, state or foreign securities laws applicable to such securities.

17. Other Provisions. The following provisions are also in effect under the Plan:

(a) The use of a masculine gender in the Plan shall also include within its meaning the feminine, and the singular may include the plural, and the plural may include the singular, unless the context clearly indicates to the contrary.

(b) Any expenses of administering the plan shall be borne by the Company.

(c) This Plan shall be construed to be in addition to any and all other compensation plans or programs. The adoption of the Plan by the shareholders of the Company shall not be construed as creating any limitations on the power or authority of the Board to adopt such other additional incentive or other compensation arrangements as the Board may deem necessary or desirable.

(d) The corporate laws of the State of Colorado shall govern all issues concerning the relative rights of the Company and its shareholders under the Plan. All other questions and obligations under the Plan shall be construed and enforced in accordance with the internal laws of the State of California, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of California or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of California.

(e) Notwithstanding anything to the contrary contained in this Plan, this Plan is intended to comply with the California Corporate Securities Law of 1968 and the rules and regulations promulgated thereunder.

(f) If any provision of the Plan shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.
