Item 1.01 Entry into a Material Definitive Agreement.

On October 12, 2011, ManTech International Corporation (the **Company**) entered into a Credit Agreement by and among the Company, Bank of America, N.A. (as Administrative Agent and L/C Issuer), JPMorgan Chase Bank and Wells Fargo Bank, National Association (as Co-Syndication Agents), PNC Bank, National Association (as Swing Line Lender and Co-Documentation Agent), RBC Capital Markets and U.S. Bank, National Association (as Co-Documentation Agents), and the other lenders party thereto (the **Credit Agreement**). The Credit Agreement provides for a \$500 million revolving credit facility, with a \$25 million letter of credit sublimit and a \$30 million swing line loan sublimit. The Credit Agreement also contains an accordion feature that permits the Company to arrange with the lenders for the provision of up to \$250 million in additional commitments.

At closing, the Company did not have any borrowings under the Credit Agreement.

Under the Credit Agreement, the interest rate for all borrowings under the facility will be at a variable rate, initially equal to LIBOR plus 150 basis points per annum, that may change based on the Company's consolidated total leverage ratio, as described in the Credit Agreement. The maturity date for the Credit Agreement is October 12, 2016.

The terms of the Credit Agreement permit prepayment and termination of the loan commitments at any time, subject to certain conditions. The credit facility requires the Company to comply with specified financial covenants, including the maintenance of a certain consolidated total leverage ratio, senior secured leverage ratio, and fixed charge coverage ratio. The Credit Agreement also contains various covenants, including affirmative covenants with respect to certain reporting requirements and maintaining certain business activities, and negative covenants that, among other things, may limit or impose restrictions on our ability to incur liens, incur additional indebtedness, make investments, make acquisitions, and undertake certain other actions.

A copy of the Credit Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K, and the preceding description of the material terms of the Credit Agreement is qualified in its entirety by reference to the complete document filed as an exhibit to this Current Report on Form 8-K.

Item 1.02 Termination of a Material Definitive Agreement.

On October 12, 2011, in connection with the entry of the Company into the Credit Agreement, the Company repaid and terminated the commitments under the Company's prior credit agreement, dated as of April 30, 2007 (as subsequently amended), by and among the Company, Bank of America, and the other lenders party to that agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth under Item 1.01 above is incorporated herein by reference.
