Item 1.01. Entry into a Material Definitive Agreement

On November 22, 2011, Sunoco, Inc. (the *Company*) entered into a new \$800 Million secured revolving credit agreement, with a syndicate of banks and financial institutions, including JPMorgan Chase Bank, N.A. as administrative agent (the *New Credit Agreement*). The New Credit Agreement replaces the Company's existing unsecured, multi-year revolving credit facility agreement, amended and restated as of July 25, 2007, by and among the Company, various lenders party thereto, and JPMorgan Chase Bank, N.A. as administrative agent (the *Old Credit Agreement*). The Old Credit Agreement was terminated concurrently with the Company's entry into the New Credit Agreement, and the indebtedness outstanding under the Old Credit Agreement was transferred to the New Credit Agreement.

Borrowings under the New Credit Agreement may be made up to the lesser of the total available commitments or the amount of a periodically adjusted borrowing base. The amount of the borrowing base is calculated by reference to the value of collateral that includes the Company's eligible cash and cash equivalents; eligible crude oil and refined product inventories; certain receivables from inventory sales (other than receivables generated from sales of refined products subject to the Company's existing securitization facility); and certain common units, representing limited partnership interests in Sunoco Logistics Partners L.P. (a publicly traded subsidiary of the Company).

The New Credit Agreement has a one-year term, and includes a letter of credit sub-facility, limited to the lesser of the entire aggregate commitment, or the borrowing base, and a \$125 million sub-facility for same-day borrowings in the form of swingline loans. Borrowings under the New Credit Agreement bear interest at either a base rate, or a eurodollar rate, plus an applicable margin that varies based upon the Company's credit rating. The Company also is required to maintain specified levels of liquidity and collateral coverage.

The foregoing brief description of the Company's New Credit Agreement is qualified in its entirety by reference to the New Credit Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

Item 1.02. Termination of a Material Definitive Agreement.

The information set forth above under Item 1.01, relating to the Old Credit Agreement, is hereby incorporated by reference into this Item 1.02, as if fully set forth herein.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The information set forth above under Item 1.01, relating to the New Credit Agreement, is hereby incorporated by reference into this Item 2.03, as if fully set forth herein.
