- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01. Entry into a Material Definitive Agreement.

On March 1, 2012, Green Plains Renewable Energy, Inc. (the "Company") entered into an Underwriting Agreement ("Underwriting Agreement") with Jefferies & Company, Inc. (the "Underwriter") and an affiliate of NTR plc (the "Selling Shareholder") relating to the offer and sale of 3,000,000 shares of the Company's common stock, par value \$0.001 per share. The Selling Shareholder also granted the Underwriter a 30-day option to purchase an additional 450,000 shares, which was exercised by the Underwriter on March 1, 2012. Under the terms of the Underwriting Agreement, the Underwriter agreed to purchase the shares from the Selling Shareholder at a price of \$10.06 per share, with a price to the public of \$10.41 per share. The Company will not receive any of the proceeds from the offering. The offering is expected to close on or about March 6, 2012. The Underwriting Agreement contains customary representations, warranties and covenants by the Company. It also provides for customary conditions to closing, indemnification rights, other obligations of the parties and termination provisions.

The offering was made pursuant to the Company's effective shelf registration statement on Form S-3 originally filed with the Securities and Exchange Commission on June 3, 2010 and declared effective on August 11, 2010, and a prospectus supplement thereto.

The foregoing summary of the terms of the Underwriting Agreement is only a brief description of certain terms therein, does not purport to be a complete description of the rights and obligations of the parties thereunder, and is qualified in its entirety by such document, a copy of which is attached hereto as Exhibit 1.1 which is incorporated herein by reference.

In addition, pursuant to the Company's previously-announced Stock Repurchase Agreement ("Agreement") with affiliates of NTR plc, the Company has agreed to repurchase 3.7 million shares of the Company's common stock at a price of \$10.06 per share. The Company will repurchase 1,000,000 shares with cash and issue a one-year note bearing 5% interest per annum for the remaining 2,700,000 shares. The note is secured by the shares being repurchased and the Company's interest in Green Plains Shenandoah LLC. The Company's repurchase under the Agreement is conditioned on the successful closing of the sale of shares in the proposed public offering, and it expects the purchase to close on the third business day following closing of the sale of the Selling Shareholder's shares to the Underwriter.

On March 1, 2012, the Company issued a press release regarding the pricing of the public offering and the Agreement. A copy of this press release is attached hereto at Exhibit 99.1.
