**Item 8.01 Other Events.**

The Company announced today that Gart Capital Partners ( GCP ) is making a \$10 million strategic investment in its Running Specialty Group ( RSG ), with the goal of creating the nation's single largest operator within the growing specialty running business, a market that has been estimated at up to \$1 billion. The Company will remain as majority owner of the Running Specialty Group. This strategic investment pairs Finish Line, a national athletic footwear and apparel retailer, with GCP, an equity investment partnership that has a proven track record of successfully executing specialty retail rollups. The venture builds upon the Company's 2011 acquisition of a chain of specialty running shops.

The headquarters of RSG will be relocated to Denver, where GCP will manage day-to-day operations, merchandising, and the acquisition of additional running operators. The Company will continue to leverage its strengths as a leading omni-channel retailer, providing direct logistics, marketing, and IT support to RSG along with digital expertise.

Further information regarding this acquisition is set forth in a press release issued on March 30, 2012, a copy of which is attached hereto as Exhibit 99.2.
