Item 1.01 Entry into a Material Definitive Agreement.

On September 21, 2012, FMC Technologies, Inc. (the Company) completed the public offering of \$300 million aggregate principal amount of 2.00% Senior Notes due 2017 (the 2017 Notes) and \$500 million aggregate principal amount of 3.45% Senior Notes due 2022 (the 2022 Notes and, together with the 2017 Notes, the Notes).

The terms of the Notes are governed by the indenture (the Base Indenture, and as amended and supplemented by the Supplemental Indentures (defined below), the Indenture) dated as of September 21, 2012 between the Company and U.S. Bank National Association, as trustee (the Trustee), as supplemented by the First Supplemental Indenture between the Company and the Trustee (the First Supplemental Indenture) relating to the issuance of the 2017 Notes and the Second Supplemental Indenture between the Company and the Trustee (the Second Supplemental Indenture) and, together with the First Supplemental Indenture, the Supplemental Indentures relating to the issuance of the 2022 Notes.

The 2017 Notes will mature on October 1, 2017, and the 2022 Notes will mature on October 1, 2022. Interest is payable on the Notes on April 1 and October 1 of each year, beginning on April 1, 2013. At any time prior to their maturity, in the case of the 2017 Notes, and at any time prior to July 1, 2022, in the case of the 2022 Notes, the Company may redeem some or all of the Notes at the redemption prices specified in the First Supplemental Indenture and Second Supplemental Indenture, respectively. At any time on or after July 1, 2022, the Company may redeem some or all of the 2022 Notes at the redemption price equal to 100% of the principal amount of the 2022 notes redeemed.

The Notes are the Company's senior unsecured obligations. The Notes will rank equally in right of payment with all of the Company's existing and future unsubordinated debt, and will rank senior in right of payment to all of the Company's future subordinated debt.

In certain circumstances, the Indenture restricts the Company's ability and the ability of certain of its subsidiaries to: (i) enter into sale and leaseback transactions; (ii) incur liens on its principal properties; (iii) merge or consolidate with another entity; or (iv) sell, lease or transfer all or substantially all of its properties or assets to another entity. These covenants are subject to a number of important exceptions and qualifications.

The Indenture contains customary events of default with respect to the Notes of either series, including:

default in any payment of interest on any Note of that series when due, continued for 30 days;

default in the payment of principal of or premium, if any, on any Note of that series when due;

failure by the Company to comply with its obligations under the Indenture, in certain cases subject to notice and grace periods; and

certain events of bankruptcy, insolvency or reorganization of the Company.

If an event of default under the Indenture occurs and is continuing, the Trustee or the holders of at least 25% in principal amount of the series of Notes affected by such default may declare the principal of, together with any accrued but unpaid premium or interest, if any, on the Notes of that series to be due and payable immediately, or, in the case of certain events of default relating to bankruptcy, insolvency or reorganization, those amounts will automatically become immediately due and payable.

Other material terms of the Notes, the Base Indenture and the Supplemental Indentures are described in the prospectus supplement, dated September 18, 2012, as filed by the Company with the Securities and Exchange Commission on September 19, 2012. The foregoing descriptions of the Notes and the Indenture are qualified in their entirety by reference to such Indenture (including the forms of Notes attached thereto). Copies of the Base Indenture, the First Supplemental Indenture and the Second Supplemental Indenture are filed herewith as Exhibits 4.1, 4.2 and 4.4, respectively, and are incorporated herein by reference.
