**ITEM 5.02 DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS**

**2013 Short-Term Incentive Plan**

On February 14, 2013, the Management Development and Compensation Committee (the Committee) of Cash America International, Inc. (the Company) approved the terms and conditions of the short term incentive compensation plan for executive officers of the Company for 2013 (the 2013 STI Plan), which is a cash-based incentive plan that will be administered by the Committee under the Company's Senior Executive Bonus Plan. Because the Company's President-E-Commerce Division has announced that he is leaving the Company on March 29, 2013, he is not a participant in the 2013 STI Plan. Under the 2013 STI Plan, a cash bonus pool may be funded based on the Company's achievement of certain financial objectives for 2013.

The 2013 STI Plan consists of the following three components (each an STI Component):

the EBT component (the EBT Component), which is based on the Company's consolidated 2013 earnings before taxes and adjusted for certain items;

the Retail Services Division component (the Retail Services Division Component), which is based on the 2013 earnings before taxes for the Retail Services Division and adjusted for certain items; and

the E-Commerce Division component (the E-Commerce Division Component), which is based on the 2013 earnings before interest, taxes, depreciation and amortization of the E-Commerce Division and adjusted for certain items.

The target 2013 short term incentive (STI) awards as a percentage of base salary are as follows: 100% for the President and Chief Executive Officer; 75% for the Chief Executive Officer of the E-Commerce Division (the 2013 Target E-Commerce Division CEO Award); and 70% for the Executive Vice President and Chief Financial Officer, the President-Retail Services Division and the Executive Vice President, General Counsel and Secretary. STI payments will be determined by the Committee in January 2014 and will be based on the following: (i) 25% on the EBT Component and 75% on the Retail Services Division Component for the Company's President-Retail Services Division, (ii) 100% on the E-Commerce Division Component for the Company's Chief Executive Officer of the E-Commerce Division; and (iii) 100% on the EBT Component for all other executive officers. No executive officer, except the Company's recently appointed Chief Executive Officer of the E-Commerce Division, David A. Fisher, is guaranteed a payment under the 2013 STI Plan. The 2013 STI Plan provides that, consistent with the letter agreement entered into with the Company when Mr. Fisher accepted employment on January 29, 2013, Mr. Fisher will receive the greater of the actual short-term incentive earned according to the terms of the 2013 STI Plan or 75% of the 2013 Target E-Commerce Division CEO Award.

Under the terms of the 2013 STI Plan, potential STI awards will begin to accrue under each STI Component once the Company exceeds a certain earnings threshold (the Earnings Threshold) established for that STI Component, and the potential STI awards can increase ratably up to 100% of the portion of a target award related to the applicable STI Component if earnings in the particular STI Component reach a specified earnings target (the Earnings Target) established for such STI Component. If earnings in a particular STI Component do not reach the Earnings Threshold applicable to such STI Component, no portion of the STI award related to that STI Component will be available for payment, except with respect to Mr. Fisher as described above. If earnings in any STI Component exceed the applicable Earnings Target for such component, the potential STI award applicable to such STI Component will increase above the portion of the target award corresponding to such STI Component based on a formula set forth in the 2013 STI Plan not to exceed a cap of 200%. The Committee also has discretion under the 2013 STI Plan to reduce or eliminate amounts that may be paid under the plan, except with respect to Mr. Fisher. The 2013 STI Plan also contains a clawback provision that allows the Company to recoup all or some of the amount paid to an executive officer under certain circumstances when there is a material restatement of the Company's financial results.

**Long Term Incentive Plan Restricted Stock Unit Awards**

On February 14, 2013, the Committee also approved awards of restricted stock units ( RSU ) to the Company s (i) President and Chief Executive Officer, (ii) Executive Vice President and Chief Financial Officer, (iii) President-Retail Services Division and (iv) Executive Vice President, General Counsel and Secretary under the Cash America International, Inc. First Amended and Restated 2004 Long-Term Incentive Plan, as amended (the 2004 LTIP ). In connection with these grants and pursuant to the 2004 LTIP, the Committee approved form award agreements (the RSU Agreements ) that set forth the terms and conditions of the RSU awards.

A portion of the RSUs granted in 2013 under the RSU Agreements will vest in four equal installments on February 22, 2014 and on each January 31, 2015, 2016 and 2017 (the Time-Based RSUs ). The remaining portion (the Performance-Based RSUs ) will vest subject to the Company s achievement of an improved earnings per share of the Company over the three-year period ending December 31, 2015 as set forth in the RSU Agreement. Based on the Company s performance during that period, 0% to 200% of the target Performance-Based RSUs will be eligible to vest on January 1, 2016, subject to the Committee certifying the applicable performance results. The vesting of all RSU awards are subject to the award recipient s continuous service as an employee or director of the Company on the applicable vesting date, with certain exceptions as set forth in the RSU Agreement. In addition, the RSU Agreements contain a clawback provision that allows the Company to recoup all or some of the Performance-Based RSU awards under certain circumstances when there is a material restatement of the Company s financial results. Other terms of these awards are consistent with previously disclosed terms of the 2004 LTIP and previous RSU award agreements.

The following table shows the shares issuable upon the vesting of each RSU award, including the percentage of the aggregate award represented by the Time-Based RSUs and the Performance-Based RSUs.
