The approximate date on which this statement and the enclosed proxy will be sent to stockholders will be April 15, 2013. The form of proxy indicates a space for you to withhold your vote for any proposal. You are urged to indicate your vote on each matter in the space provided. If signed but no space is marked, it will be voted upon by the persons named at the meeting: (i) for the election of five persons to our Board of Directors to serve until the 2014 annual meeting of stockholders, or until their respective successors are duly elected and qualified or until their earlier death, resignation, or removal; (ii) for the approval, on an advisory basis, of the compensation of our named executive officers as set forth herein; (iii) to hold advisory votes on the compensation of our named executive officers every three (3) years; (iv) for the ratification of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013; and (v) in their discretion, upon such other business as may properly come before the meeting.

At the close of business on Thursday, April 4, 2013 (the "Record Date"), we had outstanding 41,420,687 shares of our common stock, par value \$0.001 per share. Shares represented by proxies that are marked "abstain" or which are marked to deny discretionary authority will only be counted for determining the presence of a quorum. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals. In addition, where

Independent Directors

As required under NASDAQ listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board of directors. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of independent, including those set forth in pertinent NASDAQ listing standards, as in effect from time to time. Consistent with these considerations, the Board affirmatively has determined that all of the Company's directors are independent directors within the meaning of the applicable NASDAQ listing standards, except for Mr. McEnany, the Company's President and Chief Executive Officer.

Corporate Governance

Our Board of Directors and management are committed to utilizing good corporate governance practices to ensure we are managed for the long-term benefit of our stockholders. We have in place a variety of policies and practices to promote good corporate governance. A majority of our Board of Directors is independent, in accordance with Nasdaq Capital Market listing standards, and all members of our Audit Committee, our Compensation Committee, and our Nominating and Corporate Governance Committee also meet Nasdaq standards for independence. We have also established:

written charters for our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee that address corporate governance practices in accordance with the Sarbanes-Oxley Act, current Nasdaq corporate governance guidelines, and other applicable rules and regulations;

a Code of Business Conduct and Ethics applicable to our officers, directors, and employees;

a procedure for receipt and treatment of anonymous and confidential complaints or concerns regarding audit or accounting matters; and

disclosure control policies and procedures.

The Nominating and Corporate Governance Committee of our Board of Directors is responsible for establishing and reviewing our corporate governance guidelines from time to time and reporting and making recommendations to the Board of Directors concerning corporate governance matters. Among the matters addressed by our corporate governance guidelines are:

Director Independence Independent directors shall constitute at least a majority of our Board of Directors and all of the Audit, Compensation, and Nominating and Corporate Governance Committees in accordance with the independence standards set forth in the Marketplace Rules for Nasdaq-listed companies.

Executive Sessions of Independent Directors Our non-employee directors regularly meet in executive sessions without management present.

Copies of our Code of Business Conduct and Ethics can be found on the corporate governance page of our Investor Relations website, located at <http://ir.catalystpharma.com/governance.cfm>.

Board Diversity

In carrying out its function to nominate candidates for election to our Board, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment and diversity. The Nominating and Corporate Governance Committee construes diversity as meaning a variety of opinions, perspectives and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements of our Board at that point in time.

Table of Contents

Leadership Structure

Patrick J. McEnany serves as both our Chairman of the Board and CEO. The Board believes that independent oversight of management is an important component of an effective board of directors. The Board and its independent members believe that the most effective Board leadership structure at the present time is for the CEO to serve as Chairman of the Board, a structure that has served us well in the past. The independent members of the Board believe that because the CEO is ultimately responsible for our day-to-day operations and for executing our strategy, and because our performance is an integral part of the deliberations undertaken by the Board, the CEO is the director best qualified to act as our Chairman of the Board. The Board reserves the authority to modify this structure to best address and advance the interests of all stockholders, as and when appropriate.

The Board also believes, for the reasons set forth below, that our existing corporate governance practices achieve independent oversight and management accountability. Our governance practices provide for strong independent leadership, independent discussion among directors and for independent evaluation of, and communication with, our officers. These governance practices are reflected in our various committee charters, which are available on our website at www.catalystpharma.com. Some of the relevant processes and other corporate governance practices include:

At each regularly scheduled Board meeting, all of our independent directors meet in an executive session without Mr. McEnany. In these executive sessions, the independent directors deliberate on matters such as those involving the performance of our officers.

Each of our directors is elected annually by our stockholders.

All of our directors, except for Mr. McEnany, are independent directors. Each director is an equal participant in decisions made by the full Board. All of the Committees of the Board are comprised of only independent directors.

Lead Independent Director

The Board of Directors of the Company has appointed a non-management director to serve in a lead capacity (the Lead Independent Director) to perform such duties and responsibilities as the Board of Directors may determine. Charles B. O'Keeffe serves as the Lead Independent Director. The role of the Lead Independent Director includes:

in consultation with the Chairman, determining the length and timing of Board meetings, including regular and special meetings;

determining the agenda and materials to be provided to directors in advance of each meeting of the Board;

serving as chair of executive sessions of the Board and other meetings of the Board in the absence of the Chairman of the Board;

serving as liaison between the Chairman of the Board and other independent directors;

overseeing the Board's stockholder communication policies and procedures; and

calling meetings of independent directors.

Risk Oversight

Risk oversight is administered through the Board as a whole. The Board does not believe that risk management issues have an effect on the Company's leadership structure. The Board provides feedback to management at regularly held board meetings. The independent directors meet in executive session at each meeting of the Board of Directors and provide insight to our management on a variety of topics, including risk oversight.

Audit Committee Report

Management has the primary responsibility for our internal control over financial reporting, the financial reporting process and preparation of our financial statements. Grant Thornton LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and to issue a report thereon. The Audit Committee's responsibility is to select the independent auditors and monitor and oversee these processes.

Table of Contents

The Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors. In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by PCAOB Ethics and Independence Rule 3526, Communications with Audit Committees Concerning Independence, and the Audit Committee discussed with the independent auditors that firm's independence. In connection with this discussion, the Audit Committee also considered whether the provision of services by the independent auditors not related to the audit of our financial statements is compatible with maintaining the independent auditors' independence. During such discussions, the independent auditors confirmed that, as of December 31, 2012, they were independent accountants with respect to Catalyst Pharmaceutical Partners, Inc. within the meaning of the Securities Act of 1933 and the requirements of the PCAOB.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2012.

The Audit Committee has also reviewed all non-audit services being provided by the independent auditors and has concluded that the provision of such services has been compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee has discussed these matters with representatives of the independent auditors and our management and will monitor our compliance with any new restrictions as they are put in place to continue to ensure that the services provided by our independent accountants are compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

Table of Contents**EXECUTIVE COMPENSATION DISCUSSION AND ANALYSIS****Role of the Compensation Committee**

The Compensation Committee of our board of directors establishes and regularly reviews our compensation philosophy and programs, exercises authority with respect to the determination and payment of base and incentive compensation to our officers and administers our 2006 Stock Incentive Plan (the "2006 Plan"). Our Compensation Committee consists of three members, each of whom is independent as that term is defined in the Sarbanes-Oxley Act of 2002 and the rules and regulations that have been promulgated thereunder, and in the listing standards of the Nasdaq Capital Market. The Compensation Committee operates under a written charter that was first adopted by our board of directors in July 2006. The charter more fully describes the role, responsibilities, and functioning of the Compensation Committee. Narrative to Summary Compensation Table

Overview of compensation structure

The compensation structure for our named executive officers consists of three components – a base salary, discretionary bonuses based on performance and equity compensation. Each of these components is reflected in the Summary Compensation Table set forth above and is also discussed in further detail below.

Compensation program objectives and what our compensation program seeks to reward

Our executive compensation program is designed to retain our named executive officers and to motivate them to increase stockholder value on both an annual and longer term basis primarily by positioning our business to maximize our product development efforts and over time to turn those efforts into revenues and net income. To that end, compensation packages include significant incentive forms of stock-based compensation to ensure that each executive officer's interest is aligned with the interests of our stockholders.

Why each element of compensation is paid and how the amount of each element is determined

The following is a brief discussion of each element of our named executive officer compensation. The Compensation Committee intends to pay each of these elements in order to ensure that a desirable overall mix is established between base compensation and incentive compensation, cash and non-cash compensation and annual and long-term compensation. The Compensation Committee also intends to evaluate on a periodic basis the overall competitiveness of our executive compensation packages as compared to packages offered in the marketplace with which we compete for executive talent. Overall, our Compensation Committee believes that our executive compensation packages are currently appropriately balanced and structured to retain and motivate our named executive officers.

Salaries. Mr. McEnany has an employment agreement with us, a copy of which is an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2012. Our other named executive officers (Ms. Grande and Dr. Miller) are employees at will. Since 2010, any increases in the salaries of our named executive officers have been made at the discretion of the Compensation Committee. Mr. McEnany, who serves as our Chief Executive Officer, receives no additional compensation for serving on our board of directors.

Cash Incentive Compensation. Cash incentive or bonus compensation is discretionary under our employment agreement with Mr. McEnany. All cash incentive compensation grants are intended to be paid in accordance with Section 162(m) of the Internal Revenue Code of 1986, as amended.

In 2012, we paid a year-end cash bonus of two percent of base salary to each of our employees, including each of our named executive officers. This bonus for 2012 services was awarded on a discretionary basis by the Compensation Committee based on the Compensation Committee's assessment of the employees' performance during 2012. We also paid an additional bonus of \$12,500, \$20,000, and \$20,000, respectively, to Dr. Miller during 2012, 2011 and 2010 for services performed by Dr. Miller in each of these years.

Equity Compensation. We have granted stock options and restricted stock units to our officers, directors and consultants under the 2006 Plan. Under the 2006 Plan, unless otherwise determined by the Compensation Committee, equity compensation awards generally vest over a three-year period.

On December 12, 2012, we granted stock options to each of our employees, including our named executive officers. These options were priced at the closing price of our common stock on December 12, 2012 (the grant date). One-third of such options vested immediately, and the remaining options vest in equal parts over a two-year period.

Perquisites. We offer health benefits to each of our named executive officers. Such benefits are identical to those received by all of our employees. None of our named executive officers receives any further perquisite benefit.

Employment Agreements and Potential Payments Upon Termination or Change in Control

We have an employment agreement with Patrick J. McEnany, our Chairman, President and Chief Executive Officer, which provides for the payment of a base salary plus bonus compensation based on performance. Mr. McEnany's employment agreement also contains a change of control severance arrangement if the employee is not retained in our employment after a change of control. The employment agreement for Mr. McEnany expires on November 8, 2013. After the expiration of his employment agreement, Mr. McEnany becomes an employee-at-will, and he will still be entitled to payments for termination without cause or in the event of a change in control, as set forth below.

Pursuant to the employment agreement that we have with Mr. McEnany, we may terminate his employment at any time for cause, in which he would have no right to receive compensation or other benefits for any period after termination. Termination for cause may also occur when the executive performs dishonest acts intended to benefit the executive personally, the executive's willful neglect of the executive's duties, or failure to perform such duties because of gross negligence on the part of the executive, violation of any obligation under the executive's employment agreement not remedied by the executive after ten (10) days' notice of such violation, or the executive's arrest for, conviction of or plea of nolo contendere to a crime constituting a felony.

In certain circumstances, Mr. McEnany is entitled to severance pay. These circumstances include (1) his voluntary resignation after a change in control or a demotion, or our failure to perform our material obligations under his employment agreement and our failure to remedy such violation within ten (10) days' notice of such violation, (2) his termination without cause, (3) his total and permanent disability, or (4) his death.

A change in control under our employment agreement with Mr. McEnany includes:

the sale, transfer, assignment or other disposition (including by merger or consolidation, but excluding any sales by stockholders made as part of an underwritten public offering of the common stock of the company), in one transaction or a series of related transactions, of more than fifty percent (50%) of the voting power represented by the then-outstanding capital stock of the Company to one or more Persons (other than to the executive officer or a group (as defined under the Securities Exchange Act of 1934) in which the executive officer is a member);

the sale of substantially all of the assets of the Company (other than a transfer of financial assets made in the ordinary course of business for the purpose of securitization); or

the liquidation or dissolution of the Company

Under any of those circumstances, the executive's severance package includes:

the payment of any accrued but unpaid annual bonus at the time of termination;

the payment of the executive's base salary for a period of at least twelve (12) months; and

continuation of the executive's medical benefits (in case of disability), including to his family (in case of death or disability).

Effective December 16, 2011, we entered into a letter agreement with Ms. Grande regarding her continued employment with the Company. Under such letter agreement, if Ms. Grande is terminated without cause (such term is defined in the same manner as set forth above in the description of Mr. McEnany's employment agreement), she will receive twelve (12) months of base salary. Ms. Grande will also receive twelve (12) months of base salary if she resigns from her employment for good reason. Good reason is defined as any material alteration by the Company of positions, functions, duties, or responsibilities, or a material decrease in base salary not agreed to by Ms. Grande.

To date, options to purchase 3,483,888 shares of our common stock and 55,484 restricted shares of our common stock have been granted under the 2006 Plan. The purpose of the 2006 Plan is to continue to advance our interests by allowing us to attract, retain, reward, and motivate individuals eligible under the 2006 Plan to strive for our continued success by giving them additional opportunities to purchase further equity stakes in our company.

Administration. The Compensation Committee of our board of directors administers the 2006 Plan and determines which persons will receive grants of awards and the type of award to be granted to such persons. The Compensation Committee also interprets the provisions of the 2006 Plan and makes all other determinations that it deems necessary or advisable for the administration of the 2006 Plan.

Change of control. If there is a change in control of Catalyst Pharmaceutical Partners, Inc., any award that is not exercisable and vested may become immediately exercisable and vested in the sole and absolute discretion of the Compensation Committee. Vested awards will be deemed earned and payable in full. The Compensation Committee may also terminate the awards, entitling participants to a cash payment. If we are liquidated or dissolved, awards may also be converted into the right to receive liquidation proceeds. In the event that the Compensation Committee does not terminate or convert an award upon a change of control, then the award will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation.

Amendments, modifications and termination. Our board of directors may, at any time, suspend or terminate the 2006 Plan, but the board may not impair the rights of holders of outstanding awards without the holder's consent. No amendment to the 2006 Plan may be made without consent of our stockholders. In the event that an award is granted to a person residing outside of the United States, the board may, at its discretion, modify the terms of the agreement to comply with the laws of the country of which the eligible individual is a resident. The 2006 Plan will terminate 10 years after its effective date.

Table of Contents**PROPOSAL ONE****ELECTION OF DIRECTORS**

Our certificate of incorporation and bylaws provide for a board of directors elected annually for one-year terms. The Board of Directors has no reason to believe that any of the persons named will be unable to serve if elected. If any nominee is unable to serve as a director, the enclosed proxy will be voted for a substitute nominee selected by the Board of Directors.

Nominees for Director

The nominees for director are as follows:

Name	Age	Director Since
Patrick J. McEnany	65	January 2002
Philip H. Coelho	68	October 2002
Hubert E. Huckel, M.D.	81	January 2002
Charles B. O'Keeffe	73	December 2004
David S. Tierney, M.D.	49	October 2002

Biographical information about the nominees for director is contained above in Our Board of Directors.

Consideration of Future Nominees

The Nominating and Corporate Governance Committee of our Board will consider director candidates recommended by our stockholders. Any stockholder wishing to submit a recommendation with respect to the 2014 Annual Meeting of Stockholders should send a signed letter of recommendation to Catalyst Pharmaceutical Partners, Inc., 355 Alhambra Circle, Suite 1500, Coral Gables, Florida 33134, Attention: Corporate Secretary. To be considered, recommendation letters must be received between January 19, 2014 and February 18, 2014, and must include: (i) all information about the nominee required to be disclosed in solicitations of proxies in an election contest; (ii) the written consent of the nominee to the nomination and such nominee's willingness to serve if elected; and (iii) the name and address of the stockholder making such recommendation, the class and number of shares of capital stock the stockholder owns, and a representation by the stockholder that such stockholder is a holder of record of stock of the corporation entitled to vote at such meeting and intends to appear, in person or by proxy, to propose such nomination.

Vote Required

The election of directors requires a plurality of the votes cast by the holders of our common stock. A plurality means the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the election of directors.

The Board of Directors recommends a vote in favor of those persons nominated for election to the Board of Directors.

PROPOSAL TWO**ADVISORY VOTE ON OUR NAMED EXECUTIVE OFFICERS' COMPENSATION**

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act) requires that we include in this Proxy Statement for the 2013 Annual Meeting of Stockholders a non-binding, advisory stockholder vote to approve the compensation of our named executive officers as described above under Executive Compensation, and the compensation tables, set forth in this Proxy Statement.

Table of Contents

This proposal, commonly known as a “say-on-pay” proposal, is a non-binding vote, but it gives stockholders the opportunity to express their views on the compensation of the Company’s named executive officers. This vote is not to address any specific item of compensation, but rather the overall compensation of our named executive officers.

Accordingly, the following resolution is submitted for stockholder vote at the Annual Meeting:

RESOLVED, that the stockholders of Catalyst Pharmaceutical Partners, Inc. approve, on an advisory basis, the compensation of its named executive officers as disclosed in the Proxy Statement for the Annual Meeting of Stockholders held on May 30, 2013, pursuant to Item 402 of Regulation S-K, including the narrative discussion of executive compensation, the accompanying tabular disclosure regarding named executive officer compensation and the corresponding narrative disclosure and footnotes.

This vote is advisory, which means that it is not binding on the Company, our Board of Directors or the Compensation Committee of the Board of Directors. The Company recognizes that stockholders may have different views as to the best approach for the Company, and therefore we look forward to hearing from our stockholders as to their preferences on the compensation of our named executive officers. The Board of Directors and the Compensation Committee will take into account the outcome of the vote; however, when considering the compensation of our named executive officers, the Board of Directors may decide that it is in the best interest of stockholders and the Company to continue its current compensation practices regardless of the result of the votes on this proposal.

We have determined that our stockholders should cast an advisory vote on the compensation of our named executive officers on a triennial (every three years) basis (see Proposal Three for further details). Unless this policy changes, the next advisory vote on the compensation of our named executive officers will be held at the 2016 Annual Meeting of Stockholders.

The Board of Directors recommends a vote in favor of the approval, on an advisory basis, of the compensation paid to our named executive officers, as disclosed in this proxy statement.

PROPOSAL THREE

ADVISORY VOTE ON THE FREQUENCY OF

FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

The Dodd-Frank Act added Section 14A to the Securities Exchange Act of 1934, which requires that we provide stockholders with the opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently to vote on future advisory votes on the compensation of our named executive officers as disclosed in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

After careful consideration, the Board of Directors recommends that future advisory votes on executive compensation occur once every three years (triennially). The Board of Directors believes this frequency is appropriate for a number of reasons, including that a triennial vote encourages a longer-term view of compensation by stockholders by allowing them an appropriate timeframe to evaluate the Company’s performance and the overall effectiveness of the executive compensation program.

Table of Contents

For the foregoing reasons, the Company encourages its stockholders to evaluate the Company's executive compensation programs over a multi-year horizon and to review its named executive officers' compensation over the past three fiscal years as reported in the Summary Compensation Table above. In addition, the Company believes that a triennial advisory vote on executive compensation reflects the appropriate time frame for the Compensation Committee and the Board of Directors to evaluate the results of the most recent advisory vote on executive compensation, to discuss the implications of that vote with stockholders to the extent needed, to develop and implement any adjustments to its executive compensation programs that may be appropriate in light of a past advisory vote on executive compensation, and for stockholders to see and evaluate the Compensation Committee's actions in context.

This vote is advisory, which means that it is not binding on the Company, our Board of Directors or the Compensation Committee of the Board of Directors. The Company recognizes that stockholders may have different views as to the best approach for the Company, and therefore we look forward to hearing from our stockholders as to their preferences on the frequency of an advisory vote on executive compensation. The Board of Directors and the Compensation Committee will take into account the outcome of the vote; however, when considering the frequency of future advisory votes on executive compensation, the Board of Directors may decide that it is in the best interest of stockholders and the Company to hold an advisory vote on executive compensation on a different schedule than the one recommended by stockholders.

Stockholders may cast a vote on the preferred voting frequency by selecting the option of annually (every year), biennially (every two years) or triennially (every three years), or abstain, when voting in response to the resolution set forth below:

RESOLVED, that stockholders determine, on an advisory basis, whether the preferred frequency of an advisory vote on the executive compensation of the Company's named executive officers as set forth in the Company's proxy statement should be every year, every two years or every three years.

The proxy card provides shareholders with the opportunity to choose from among four options (holding the vote annually (every year), biennially (every two years), or triennially (every three years), or abstain from voting) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the Board of Directors.

The Board of Directors recommends that stockholders vote to conduct future advisory votes on named executive officer compensation once every three years.
