Sale of 23,000,000 Equity Units

On June 17, 2014, Exelon Corporation (the Company) completed its previously announced offering of 23,000,000 equity units (aggregate stated amount of \$1,150,000,000) (the Equity Units), initially in the form of corporate units consisting of a purchase contract issued by Exelon and a 1/20 undivided beneficial ownership interest in \$1,000 principal amount of the 2.50% Junior Subordinated Notes due 2024 (the Notes). As previously disclosed, the Company intends to use the net proceeds from the Equity Units to finance a portion of the acquisition of Pepco Holdings, Inc., a Delaware corporation and for general corporate purposes.

The purchase contracts for the Equity Units are being issued pursuant to a Purchase Contract and Pledge Agreement dated as of June 17, 2014 (the Purchase Contract and Pledge Agreement), between the Company and the Bank of New York Mellon Trust Company, N.A., in its capacity as the purchase contract agent, collateral agent, custodial agent and securities intermediary. Under the terms of the Purchase Contract and Pledge Agreement, the Notes are being pledged as collateral to secure the holders' obligations to purchase the shares of common stock under the purchase contracts that form a part of the Equity Units. The Notes will be remarketed, subject to certain terms and conditions, prior to the related purchase contract settlement date pursuant to the terms of the Purchase Contract and Pledge Agreement and a remarketing agreement to be entered into between the Company, the Bank of New York Mellon Trust Company, N.A., as purchase contract agent, and a remarketing agent or agents to be designated by the Company (the Remarketing Agreement).

The terms of the Notes are governed by an indenture, dated as of June 14, 2014 (the Base Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as Trustee, as supplemented by the First Supplemental Indenture thereto, dated as of June 14, 2014 (the First Supplemental Indenture and together with the Base Indenture, the Indenture).

The Notes bear interest at the applicable rate per annum listed in the description of the Notes above, payable quarterly in arrears on March 1, June 1, September 1 and December 1 of each year, beginning on September 1, 2014. The Notes are the unsecured and subordinated obligations of the Company and will rank junior in payment to all of our existing and future Senior Indebtedness.

The Indenture provides for customary events of default (subject in certain cases to customary grace and cure periods), which include nonpayment, breach of covenants in the Indenture, payment default and certain events of bankruptcy and insolvency. If an event of default occurs and is continuing, the Trustee or holders of at least 33% in principal amount outstanding of the applicable series of Notes may declare the principal and the accrued and unpaid interest, if any, on all of such series of Notes to be due and payable. These events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Indenture.

The Base Indenture dated as of June 17, 2014, between the Company and The Bank of New York Mellon Trust Company, N.A., as Trustee and the First Supplemental Indenture dated as of June 17, 2014, between the Company and The Bank of New York Mellon Trust Company, N.A., as Trustee, are filed herewith as Exhibit 4.1 and 4.2. The foregoing description of the Base Indenture and Supplemental Indenture are qualified in its entirety by reference to the actual agreements. The form of 2.50% Notes is filed herewith as Exhibit 4.3.

Item 8.01 Other Events.

On June 17, 2014, the Company completed its previously announced forward sale of 57,500,000 shares of common stock borrowed from third parties.
