Item 5.02(e) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

The Compensation Committee (the *Committee*) of the Board of Directors of NN, Inc. (the *Corporation*) awarded performance share units (the *PSUs*) to the Corporation's executive officers, including its named executive officers, on April 30, 2015. The PSUs are a form of long-term incentive compensation designed to directly align the interests of employees to the interests of the Corporation's stockholders, and to create long-term stockholder value. The awards were made pursuant to the Corporation's 2011 Stock Incentive Plan (the *Plan*) and a Performance Share Unit Agreement (the *PSU Agreement*). The PSU Agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference, and the description herein is qualified in its entirety by reference thereto.

The following PSUs were awarded to the Corporation's executive officers, including its named executive officers:

	PCUs Based on Total Shareholder	
	Return (TSR Awards)	PCUs Based on Return on Invested Capital (ROIC Awards)
Executive Officers		
Richard D. Holder <i>Chief Executive Officer and President</i>	14,665	14,665
James H. Dorton <i>Senior Vice President Chief Financial Officer</i>	3,865	3,865
L. Jeffrey Manzagol <i>Senior Vice President General Manager of the Metal Bearing Components Group</i>	3,460	3,460
Warren Veltman <i>Senior Vice President General Manager Autocam Precision Components Group</i>	3,460	3,460
James R. Widders <i>Senior Vice President Integration and Corporate Transformation</i>	2,850	2,850
William C. Kelly, Jr. <i>Vice President Chief Administrative Officer and Secretary</i>	1,655	1,655
Thomas C. Burwell, Jr. <i>Vice President Chief Accounting Officer and Corporate Controller</i>	1,540	1,540

The Committee determined that the TSR Awards will vest, if at all, upon the Corporation achieving a specified relative total shareholder return, which will be measured against the total shareholder return of the S&P SmallCap 600 Index during the period beginning on February 1, 2015 and ending December 31, 2017 (the *Performance Period*). The ROIC Awards will vest, if at all, upon the Corporation achieving a specified average return on invested capital during the Performance Period. If the PSUs do not vest at the end of the Performance Period, such PSUs will expire automatically. Upon vesting, the PSUs will be settled by the issuance of shares of the Corporation's common stock, subject to the executive officer's continued employment by the Corporation. The actual number of shares of common stock that will be issued to each award recipient at the end of the Performance Period will be interpolated between a threshold and maximum payout amount based on actual performance results. No dividends will be paid on outstanding PSUs during the Performance Period; however, dividend equivalents will be paid based on the number of shares of common stock that are ultimately earned at the end of the Performance Period.
