**ABOUT THIS PROSPECTUS SUPPLEMENT**

Before you purchase Solar Bonds in any of the Offered Series, you should read the following documents:

this prospectus supplement;

the prospectus, dated October 15, 2014, relating to our Solar Bond Program and the Solar Bonds of which the Offered Series are a part; and

the documents incorporated by reference into this prospectus supplement.

The prospectus contains a number of terms of the Solar Bonds, including the Solar Bonds in each of the Offered Series. This prospectus supplement supplements the prospectus regarding the terms of each of the Offered Series, either by modifying the terms contained in the prospectus or adding to those terms. To the extent this prospectus supplement differs from or is inconsistent with the terms of the Solar Bonds in any of the Offered Series contained in the prospectus, this prospectus supplement governs. Prior to buying Solar Bonds in any of the Offered Series, you will be required to answer certain questions evidencing confirmation by you that you have downloaded and viewed this prospectus supplement and the prospectus through our Platform, and understand the risk of investing in the Solar Bonds in the applicable Offered Series and that the Solar Bonds in the applicable Offered Series are a suitable investment for you. You may access this prospectus supplement and the prospectus by logging on to your Platform account and downloading each of these documents. You may also access this prospectus supplement, the prospectus and each of the documents incorporated by reference into those documents on the SEC website at [www.sec.gov](http://www.sec.gov).

This prospectus supplement, together with the prospectus, contains the terms of the Solar Bonds in each of the Offered Series (including those below) and supersedes all other prior or contemporaneous oral statements as well as any other written materials.

**Table of Contents**

**OFFERING SUMMARY**

A brief description of the material terms of the offering of the Offered Series follows. Such terms will apply to the Solar Bonds in each of the Offered Series. For a more complete description of the Solar Bonds in each of the Offered Series offered hereby, see "Description of the Solar Bonds" in the accompanying prospectus.

<b>Issuer</b>	SolarCity Corporation.
<b>Series</b>	The Solar Bonds in each of the Offered Series are part of a series of Solar Bonds that we will issue under the Indenture. We may reopen any of the Offered Series, and we may issue additional Solar Bonds in any of the Offered Series under the Indenture from time to time in the future. We also reserve the right to sell additional Solar Bonds under any of the Offered Series as part of the same series and having the same terms and public offering price as the Solar Bonds in any of the Offered Series sold pursuant to this prospectus supplement. At any given time during this offering, we may be conducting concurrent offerings of other securities, some of which may include different terms than the Solar Bonds in the Offered Series sold pursuant to this prospectus supplement.
<b>Interest Payment Dates</b>	Interest will be paid semiannually in arrears on February 15 and August 15, beginning on February 15, 2016, to holders of record as of the preceding February 1 and August 1, respectively. Any purchaser of a Solar Bond in any of the Offered Series after the applicable record date, but before the next interest payment date, will receive its first interest payment on the second interest payment date following its purchase (or, if applicable, at maturity).
<b>Interest Day Count</b>	Interest will be computed on the basis of a 360-day year of twelve 30-day months.
<b>Transfer Restrictions</b>	The Solar Bonds in each of the Offered Series will not be transferable, except as required by law (such as court order).
<b>Listing/Rating</b>	None of the Solar Bonds in any of the Offered Series will be:  listed on any securities exchange;  made available for quotation on any quotation system; or

rated by a rating agency.

**No Sinking Fund**

We will not be obligated to set funds aside to redeem or otherwise repurchase Solar Bonds in any of the Offered Series prior to maturity.

**Book-Entry**

The Solar Bonds in each of the Offered Series will be represented by a single definitive note that SolarCity will maintain as part of its books and records, which note will be periodically amended from time to time. No physical certificate will be issued to you as a holder of a Solar Bond, and SolarCity will, in its capacity as transfer agent and registrar, maintain a record as to the ownership interest of each holder of a Solar Bond.

**Trustee**

The Trustee for each of the Offered Series will be U.S. Bank National Association.

**Paying Agent**

SolarCity will act as the paying agent for each of the Offered Series.

**Settlement Dates**

Settlement of Solar Bonds in any of the Offered Series will take place one business day after an investor successfully places a purchase order for Solar Bonds in the applicable Offered Series. Upon settlement, the investor's Platform account will be debited by the amount of the Solar Bonds purchased, and SolarCity will register the purchased Solar Bonds in the name of the investor on SolarCity's books and records.

**Expenses**

We estimate that the total expenses of this offering payable by us will be approximately \$10,000.

**RISK FACTORS**

Investing in Solar Bonds in any of the Offered Series involves risks. You should carefully review the following risk factors and the risks discussed under the caption "Risk Factors" in the accompanying prospectus, in our Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2015 and in any of the other documents that are incorporated by reference in this prospectus supplement, or any similar caption in the documents that we subsequently file with the SEC that are deemed to be incorporated by reference in this prospectus supplement.

The risks and uncertainties discussed below and in the documents referred to above, as well as other matters discussed in this prospectus supplement and in those documents, could materially and adversely affect our business, financial condition, liquidity and results of operations and the value of the Solar Bonds in any of the Offered Series. Moreover, the risks and uncertainties discussed below and in the foregoing documents are not the only risks and uncertainties that we face, and our business, financial condition, liquidity and results of operations and the value of the Solar Bonds in any of the Offered Series could be materially adversely affected by other matters that are not known to us or that we currently do not consider to be material risks to our business.

*The Solar Bonds in each of the Offered Series are not transferable, except as required by law.*

The Solar Bonds in each of the Offered Series are not transferable, except as required by law (such as a court order). This means that, absent a legal requirement to effect a transfer of a holder's Solar Bonds in any of the Offered Series, such holder is prohibited from selling or otherwise transferring its Solar Bonds in any of the Offered Series prior to maturity.
