IDENTIFICATION OF THE AUDIT COMMITTEE

On December 31, 2015, Stantec's audit and risk committee was made up of the following four members: Ivor M. Ruste (Chair), David L. Emerson, Delores M. Etter, and Douglas K. Ammerman.

AUDIT COMMITTEE FINANCIAL EXPERT

Stantec's Board of Directors has determined that it has three audit committee financial experts serving on its audit and risk committee. Ivor M. Ruste, David L. Emerson, and Douglas K. Ammerman are each an audit committee financial expert (as such term is defined in the rules and regulations of the Securities Exchange Commission) and are independent, as that term is defined by the New York Stock Exchange's corporate governance standards applicable to Stantec. The Securities and Exchange Commission has indicated that the designation of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than those imposed on such person as a member of the audit committee and the Board of Directors in the absence of such designation and does not affect the duties, obligations or liability of any other member of the audit committee or Board of Directors.

CODE OF ETHICS

Stantec has adopted a code of ethics, entitled Stantec Code of Ethics. The Code of Ethics applies to all directors, officers and employees of Stantec, including Stantec's principal executive officer, principal financial officer and principal accounting officer. Stantec requires that all officers and employees annually certify that they have read and understand the Code. The Code of Ethics is reviewed at least annually to ensure that it complies with all legal requirements and is in alignment with best practices. In the event that amendments are needed, recommendations are made to the corporate governance and compensation committee and the Board of Directors for approval. The Code of Ethics is available on Stantec's website (www.stantec.com) under the Learn About Us Corporate Governance section.

The Board of Directors believes that providing a forum for employees and officers to raise concerns about ethical conduct and treating all complaints with the appropriate level of seriousness foster a culture of ethical conduct within Stantec. Stantec's Integrity Policy sets out our procedures for reporting and investigating observations or concerns

raised by employees or officers of the company. The Integrity Policy is available at www.stantec.com. Stantec monitors compliance with its code through its external integrity hotline. The external integrity hotline allows officers or employees to report concerns regarding breaches of our code in writing, over the telephone, by mail or by email. All complaints

are treated as confidential, and requests to maintain anonymity are respected to the extent possible. The integrity hotline is managed by an independent third party.

Copies of all complaints are reviewed by the chair of the Audit and Risk Committee upon receipt. A quarterly report is presented to the Audit and Risk Committee summarizing the status of any active investigations of complaints and the resolution of all complaints made through the integrity hotline.

The Board of Directors believes that its effectiveness is furthered when directors exercise independent judgment in considering transactions and agreements. As such, if at any Board of Directors meeting a director or executive officer has a material interest in a matter being considered, such director or officer would not be present for discussions relating to the matter and would not participate in any vote on the matter.
