GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors, or the Board) of Repligen Corporation (Repligen, or the Company), for use at the Annual Meeting of Stockholders, or the Annual Meeting, to be held on Thursday, May 18, 2017 (the Annual Meeting) at the time and place set forth in the Notice of Annual Meeting, and at any adjournment or postponement thereof.

Repligen's Annual Report to Stockholders, containing financial statements for the fiscal year ended December 31, 2016, is being provided together with this proxy statement to all stockholders entitled to vote at the Annual Meeting. It is anticipated that this proxy statement and the accompanying proxy will be first sent or given to stockholders on or about April [·], 2017.

Voting

Stockholders may vote in person or by proxy by completing, signing, dating and returning the accompanying proxy card or by voting by telephone or via the Internet in accordance with the instructions listed on the proxy card. Execution of a proxy card will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person.

Any proxy given pursuant to this solicitation may be revoked by the person giving it any time before the taking of the vote at the Annual Meeting. Proxies may be revoked by: (1) giving written notice of revocation to the Secretary of Repligen at any time before the taking of the vote at the Annual Meeting; (2) duly executing a later-dated proxy card relating to the same shares and delivering it to the Secretary of Repligen or by telephone or the Internet, in accordance with the instructions listed on the proxy card; or (3) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). For those stockholders who submit a proxy by telephone or the Internet, the date on which the proxy is submitted in accordance with the instructions listed on the proxy card is deemed to be the date of the proxy. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to Repligen Corporation, Attention: Secretary, 41 Seyon Street, Building #1, Suite 100, Waltham, Massachusetts 02453, at or before the taking of the vote at the Annual Meeting.

Each of the persons named as attorneys-in-fact on the proxy cards is a director, officer and/or employee of Repligen. All properly executed proxy cards returned in time to be counted at the Annual Meeting will be voted as stated below under the heading Voting Procedures. Any stockholder submitting a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's number on the space provided on the proxy card, checking the box next to the name of such individual if voting by proxy via the Internet or, if using the telephone to vote by proxy, by following the verbal instructions for entering the two digit number appearing on the proxy card immediately before the name of such individual. Where a choice has been specified on the proxy with respect to a matter, the shares represented by the proxy will be voted in accordance with such specifications. If a validly executed proxy card is returned without indicating how the shares should be voted on a matter, such proxies will be voted FOR election of the director nominees; FOR ratification of the appointment of the independent registered public accountants; FOR the approval, on an advisory basis, of the compensation of our named executive officers; FOR every 1 year on the advisory vote on the frequency of future advisory votes on the compensation of our named executive officers; FOR approval of an amendment to our by-laws to adopt majority voting in uncontested director elections; FOR approval of an amendment to our by-laws to adopt advance notice procedures for director nominations and stockholder proposals; and FOR approval of an amendment to our by-laws to permit to board of directors to amend the by-laws.

If any other matter should be properly presented at the Annual Meeting upon which a vote may be taken, shares represented by all proxies received by the Board will be voted with respect thereto in accordance with the judgment of the persons named as attorneys-in-fact in the proxies.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on May 18, 2017

The Company's Annual Report for the Fiscal Year Ended December 31, 2016 and this Proxy Statement will be available at www.proxyvote.com.

Voting Procedures

The representation, in person or by proxy, of at least a majority of the outstanding shares of Repligen Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business. Shares represented by proxies pursuant to which votes have been withheld from any nominee for director, or which contain one or more abstentions or broker non-votes, are counted as present or represented for purposes of determining the presence or absence of a quorum for the Annual Meeting. A broker non-vote occurs when a broker or other nominee holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, with respect to such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner. Broker non-votes are not considered voted for the particular matter. If a stockholder holds shares in street-name through a broker or other nominee, absent voting instructions from the stockholder, such shares will not be counted as voting and will have no effect on those proposals, other than proposal 2, requiring approval by a majority of the votes cast, and will have the same effect as if you voted against Proposals 5, 6 and 7. Proposal 2 to ratify the appointment of the Company's independent registered public accounting firm is a routine matter for which a broker does not need voting instruction in order to vote a stockholder's shares.

Election of Directors. In accordance with our by-laws, directors are elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting. The seven nominees who receive the highest number of affirmative votes of the shares present or represented and voting on the election of directors at the Annual Meeting will be elected to the Board. Shares present or represented and not so marked as to withhold authority to vote for a particular nominee will be voted in favor of a particular nominee and will be counted toward such nominee's achievement of a plurality. Shares present at the Annual Meeting or represented by proxy where the stockholder properly withholds authority to vote for such nominee in accordance with the proxy instructions and broker non-votes will not be counted toward such nominee's achievement of plurality and will have no effect on the election of director nominees.

Ratification of Independent Accountants. For the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017, an affirmative vote of a majority of the shares present, in person or represented by proxy, and voting on such matter is required for approval. Abstentions and broker non-votes are included in the number of shares present or represented and voting but are not considered votes cast on the matter, and therefore will have no effect on the outcome of this proposal.

Advisory Vote on the Compensation of our Named Executive Officers. For the advisory vote on the compensation of our named executive officers, the affirmative vote of the majority of shares present, in person or represented by proxy, and voting on that matter is required for approval. Abstentions and broker non-votes are included in the number of shares present or represented and voting but are not considered votes cast on the matter, and therefore will have no effect on the outcome of this proposal.

Table of Contents

Advisory Vote on the Frequency of Future Advisory Votes on the Compensation of our Named Executive Officers. For the advisory vote on the frequency of future advisory votes on the compensation of our named executive officers stockholders may vote 1 Year , 2 Years , 3 Years , or abstain from voting on this proposal. Assuming a quorum is present, the option that receives the most votes to be the option selected by the stockholders. Abstentions and broker non-votes are not counted for the advisory vote on frequency of advisory votes on the Company's executive compensation and, therefore, will have no effect on the outcome of the proposal.

Amendments to the Amended and Restated By-laws of the Company. For the approval of each of the amendments to the Company's amended and restated by-laws (i) to adopt majority voting in uncontested director elections, (ii) to adopt advance notice procedures for director nominations and stockholder proposals, and (iii) to permit the board of directors to amend the by-laws, the affirmative vote of the majority of the outstanding shares entitled to vote on such matter is required for approval. Abstentions and broker non-votes will have the same effect as if you voted against such proposal.

Other Matters. The Board knows of no other matters to be presented at the Annual Meeting. If any other matter should be properly presented at the Annual Meeting upon which a vote may be taken, the persons named on the enclosed proxy card will have discretionary authority to vote the shares represented by such proxies in accordance with their best judgment.

Solicitation of Proxies

The cost of solicitation will be borne by Repligen and, in addition to directly soliciting stockholders by mail, Repligen may request banks and brokers to solicit their customers who have stock of Repligen registered in the name of the nominee and, if so, will reimburse such banks and brokers for their reasonable out-of-pocket costs. Solicitation by officers and employees of Repligen may also be made of some stockholders in person or by mail or telephone following the original solicitation. Repligen has retained Innisfree M&A Incorporated to aid in soliciting proxies and advise on certain matters relating to the annual meeting for a fee estimated not to exceed \$20,000.

Record Date and Voting Securities

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Members of the Board of Directors

The Board of Directors has determined that each of the directors who has served during the fiscal year ended December 31, 2016 and each of the nominees for director at the Annual Meeting, with the exception of Mr. Hunt, has no material relationship with the Company and is independent within the meaning of the director independence standards of The NASDAQ Stock Market LLC, or NASDAQ. Furthermore, the Board of Directors has determined that each member of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee of the Board of Directors is independent within the meaning of NASDAQ's director independence standards and that each member of the Audit Committee meets the heightened director independence standards of the SEC for audit committee members.

Board Leadership Structure

The Board is led by its Chairperson, Karen Dawes, who is an independent director. The Board of Directors believes that separating the roles of Chief Executive Officer and Chairperson of the Board is the most appropriate structure for the Company at this time. Having an independent Chairperson ensures that the Chief Executive Officer is accountable for managing the Company in the best interests of stockholders while, at the same time, acknowledging that managing the Board of Directors is a separate and time intensive responsibility. The Board of Directors also believes that having an independent Chairperson can serve to curb conflicts of interests, promote oversight of risk and manage the relationship between the Board of Directors and the Chief Executive Officer.

Executive Sessions

The Board of Directors holds executive sessions of the independent directors at least two times per year preceding or following regularly scheduled in-person meetings of the Board of Directors. Executive sessions do not include any employee directors of the Company, and the Chairperson of the Board is responsible for chairing the executive sessions.

Policies Governing Director Nominations

Director Qualifications

The Nominating and Corporate Governance Committee is responsible for reviewing, from time to time, the appropriate qualities, skills and characteristics desired of Board members in the context of the current make-up of the Board of Directors and selecting or recommending nominees for election as Directors to the Board. This assessment includes consideration of the following minimum qualifications that the Nominating and Corporate Governance Committee believes must be met by all directors:

Directors must be of high ethical character, have no conflict of interest and share the values of the Company as reflected in the Company's Code of Business Conduct and Ethics;

Directors must have reputations, both personal and professional, consistent with the image and reputation of the Company;

Directors must have the ability to exercise sound business judgment;

Directors must have substantial business or professional experience and be able to offer advice and guidance to the Company's management based on that experience; and

A director must have (at a minimum) a bachelor's degree or equivalent degree from an accredited college or university.

Table of Contents

The Nominating and Corporate Governance Committee also considers numerous other qualities, skills and characteristics when evaluating director nominees, such as:

An understanding of and experience in biotechnology and pharmaceutical industries;

An understanding of and experience in accounting oversight and governance, finance and marketing; and

Leadership experience with public companies or other significant organizations.

These factors and others are considered useful by the Board and are reviewed in the context of an assessment of the perceived needs of the Board at a particular point in time.

Neither the Nominating and Corporate Governance Committee nor the Board of Directors has a specific policy with regard to the consideration of diversity in identifying director nominees although they may consider the diversity of background and experience of a director nominee in the context of the overall composition of the Board of Directors at that time. This consideration may focus on diversity of knowledge, skills, experience, geographic location, age, gender, and ethnicity. Generally, the Nominating and Corporate Governance Committee seeks director nominees with the talents and backgrounds that provide the Board of Directors with an appropriate mix of experience, knowledge and skills that will best serve the Company's needs and objectives.

Process for Identifying and Evaluating Director Nominees

The Board of Directors is responsible for selecting and nominating nominees for election as directors but delegates the selection and nomination process to the Nominating and Corporate Governance Committee, with the expectation that other members of the Board of Directors or members of management will be requested to take part in the process as appropriate.

Generally, the Nominating and Corporate Governance Committee identifies candidates for director nominees in consultation with management, through the use of search firms or other advisers, through the recommendations submitted by stockholders or through such other methods as the Nominating and Corporate Governance Committee deems to be helpful in identifying candidates. Once candidates have been identified, the Nominating and Corporate Governance Committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee may gather information about the candidates through interviews, questionnaires, background checks, or any other means that the Nominating and Corporate Governance Committee deems to be helpful in the evaluation process. The Nominating and Corporate Governance Committee meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board of Directors. Based on the results of the evaluation process, the Nominating and Corporate Governance Committee recommends candidates for the Board's approval as director nominees for election to the Board of Directors. The Nominating and Corporate Governance Committee also recommends candidates for the Board of Directors' appointment to the committees of the Board of Directors.

Procedures for Recommendation of Nominees by Stockholders

The Nominating and Corporate Governance Committee will consider director candidates who are recommended by the stockholders of the Company. Stockholders, in submitting recommendations to the Nominating and Corporate Governance Committee for director candidates, shall follow the following procedures:

Stock Ownership and Insider Trading Policies

The Board of Directors has adopted a share ownership policy relating to ownership of the Company's securities by the Company's Chief Executive Officer and the directors. Subject to the terms of the policy, the Chief Executive Officer is required to acquire over a four-year period and hold shares of Common Stock of the Company equal to one times his or her base salary as of a specified measuring date, and each of the Company's non-employee directors is required to acquire over a four-year period and hold shares of Common Stock of the Company equal to three times the Company's annual cash retainer paid to each such non-employee director. COMPENSATION DISCUSSION AND ANALYSIS

Year in Review

We achieved strong results in the fiscal year ended December 31, 2016, both in terms of our financial performance and in the achievement of our certain key strategic objectives. Among our accomplishments in the fiscal year ended December 31, 2016 were the following:

Our revenue increased to \$104.5 million, a gain of 25% over the prior year. Sales growth was driven by strength in demand for our Filtration and Chromatography products. In particular, increased market adoption of our XCell ATF filtration systems and our OPUS® line of pre-packed chromatography columns. We also saw growth in our Proteins business, which includes our Protein A affinity ligands and growth factor products.

We secured our Proteins business by renewing key long-term supply agreements for Protein A ligands with our largest OEM customers, GE Healthcare and MilliporeSigma. These extensions run through 2019 and 2023, respectively.

We raised \$111 million, net of issuance costs, in a convertible bond offering in May 2016, supporting subsequent acquisitions and internal investments.

We completed two acquisitions in 2016, acquiring Atoll GmbH in April and TangenX Technology Corporation in December. The Atoll acquisition strengthens our Chromatography business by broadening our line of OPUS® pre-packed columns and establishing a customer-facing center in Europe. The TangenX acquisition strengthens our Filtration business, balancing our existing upstream XCell ATF line with a downstream line of TangenX Sius single-use TFF filtration products.

We launched two new products during 2016 with the introduction of single-use versions of our XCell ATF Systems to align with single-use and continuous workflows, and the introduction of OPUS® R technology to enable the recovery of high-value chromatography resins from our largest OPUS® pre-packed columns.

Compensation Philosophy

The Company's compensation philosophy is based on a desire to motivate its executive officers to enhance stockholder value, to provide a fair reward for this effort and to stimulate its executive officers' professional and personal growth. The Company believes that the compensation of its executive officers should align the executive officers' interests with those of the stockholders and focus executive officer behavior on the achievement of near-term corporate goals, as well as long-term business objectives and strategies.

It is the responsibility of the Compensation Committee of the Board to administer the Company's compensation programs to ensure that they are competitive with other bioprocessing, healthcare supply and biotechnology companies and to include incentives that are designed to appropriately drive the Company's continued development. The Compensation Committee reviews and approves all components of the Company's executive officer compensation, including base salaries, annual cash incentive compensation and equity incentive compensation. The Compensation Committee recommends to the full Board for approval new equity-based plans and any material amendments thereto (including increases in the number of shares of Common Stock available for issuance thereunder) for which stockholder approval is required or desirable.

Objectives of the Compensation Programs

The Company's compensation programs for its executive officers are designed to provide the following:

annual cash and incentive compensation that motivates the executive officers to manage the business to meet the Company's short- and long-term objectives;

Table of Contents

equity incentive compensation to ensure that its executive officers are motivated over the long-term to respond to the Company's business challenges and opportunities as owners and not just as employees, thereby aligning the executive officers' interests with those of stockholders; and

salaries that are competitive with other bioprocessing, healthcare supply and biotechnology companies with which the Company competes for talent, determined by comparing the Company's pay practices with these companies.

Compensation Evaluation Processes

The Company's executive officer compensation consists of three primary components: base salary, annual cash incentive compensation and equity incentive compensation. Each of these components is intended to complement the other, and taken together, to satisfy the Company's compensation objectives. The Compensation Committee considers a number of factors in setting compensation for its executive officers, including Company performance, as well as the executive's performance, experience, responsibilities and the compensation of executive officers in similar positions in our peer group of companies.

In evaluating our executive compensation programs for the fiscal year ended December 31, 2016, the Compensation Committee considered the stockholder advisory vote on our executive compensation, or the say-on-pay vote, for the fiscal year ended December 31, 2015, which was approved by over 95% of the votes cast. The Compensation Committee believes that the stockholders, through this advisory vote, endorsed the compensation philosophies of our Company and, thus, the Compensation Committee maintained the basic structure and design of our executive compensation programs for fiscal year 2016 with an increased emphasis on awards of equity incentives to align the executive officers' financial interest with long-term stockholder value. The Compensation Committee intends to continue to align executive compensation programs with the interests of our stockholders and current market practice, including a continued emphasis on pay for performance. We currently hold a say-on-pay vote on an annual basis, and our board of directors has recommended that stockholders vote, on an advisory basis, to continue to hold such votes annually, as outlined in Proposal 4.

In establishing compensation levels for each executive officer, the Compensation Committee has the authority to engage the services of outside experts to assist it. Our finance and human resources departments support the Compensation Committee in its work and act in accordance with the direction given to them to administer our compensation programs. In addition, in the fiscal year ended December 31, 2016, the Compensation Committee retained Meridian Compensation Partners, LLC, or Meridian, an independent compensation consulting firm, to assist it in assessing the competitiveness and effectiveness of the Company's executive compensation programs. The Compensation Committee has assessed any potential conflicts of interest raised by the work of Meridian, our compensation consultant, and has determined that no such conflict of interest exists.

During the fiscal year ended December 31, 2016, the Compensation Committee held meetings with management and representatives of Meridian to:

review our compensation objectives;

review the actual compensation of our executive officers for consistency with our objectives;

analyze trends in executive compensation;

assess our variable cash compensation structure, as well as incentive plan components and mechanics, to ensure an appropriate correlation between pay and performance with resulting compensation opportunities that balance returns to the Company and its stockholders;

assess our equity-based awards programs against our objectives of executive incentive, retention and alignment with stockholder interests;

review our peer group and consider appropriate changes related to the realignment of our business;

benchmark our executive cash compensation and equity-based awards programs, and assess our pay versus performance against our peer group; and

review recommendations for fiscal year 2017 compensation for appropriateness relative to our compensation objectives.

In February 2017, Meridian provided the Compensation Committee with a final analysis of base salary, target bonus, target total cash, long-term incentives value and design and target total compensation for employees, and cash and equity compensation for non-employee directors, of comparable companies in the biotechnology and health care supplies industries. In performing this analysis, Meridian used a peer group of 17 biotechnology and health care supply companies, which was reviewed and approved by the Compensation Committee. Each year, Meridian, in conjunction with our Compensation Committee, reevaluates our peer group in light of developments in the market and our industry. As a result of this review, eight companies were added to the peer group and four companies were removed from the peer group compared to the prior year. The companies included in the peer group had revenues with a median of \$135.0 million, as compared to the Company's total revenue of \$104.5 million in fiscal year 2016. The peer group used in the report presented for consideration of compensation decisions and approved by the Compensation Committee consisted of the following companies:

Abaxis, Inc.	Fluidigm Corp.	Mesa Laboratories, Inc.
AMAG Pharmaceuticals, Inc.	Halozyme Therapeutics, Inc.	Neogen Corp.
Anika Therapeutics, Inc.	Harvard Bioscience, Inc.	Neogenomics, Inc.
Bio-Techne Corp.	Luminex Corp.	Pacific Biosciences of Calif.
Brooks Automation, Inc.	Meridian Bioscience, Inc.	Trinity Biotech PLC
Cambrex Corp.	Merrimack Pharmaceuticals, Inc.	

As summarized below, Meridian's review of peer companies revealed that the Company's base salaries were largely at or below the 50th percentile of peer group companies, and target bonus percentages and its long term incentives were largely at or above the 50th percentile of peer group companies for the fiscal year ended December 31, 2016.

Long-Term Incentives as Compared to Peer Group

Historically, the Compensation Committee made periodic grants of stock options with time-based vesting to align the executive officers financial interest with those of stockholders. However, such grants were not made every year prior to 2013. Based on Meridian's review of our peer group, the majority of companies in the peer group made long term incentive awards to executive officers on an annual basis. The Compensation Committee believes that equity incentives, in the form of stock options, restricted stock units and restricted stock awards, subject to vesting over time or upon achievement of performance objectives, can be an effective vehicle for the long-term element of compensation, as these awards align individual and team performance with the achievement of the Company's strategic and financial goals over time, and with stockholders' interests. Stock options, which have exercise prices equal to at least fair market value of the Company's stock on the date of grant, reward executive officers only if the stock price increases from the date of grant. Restricted stock units and restricted stock awards are impacted by all stock price changes, so the value to the executive officers is affected by both increases and decreases in stock price from the market price at the date of grant. The Compensation Committee granted stock options subject to time-based vesting over four years to its named executive officers in February 2013. In February 2014, February 2015, February 2016 and February 2017, the Compensation Committee, based on Meridian's review of peer group data, which showed that our aggregate long term incentives were below the 50th percentile of peer group companies, granted stock options and restricted stock units subject to time-based vesting over three years to its named executive officers. The size of these grants were based on long-term incentive levels for each of the executive officers that are a function of total cash compensation (base salary plus annual cash incentive compensation), as described in further detail under the section Objectives for the Fiscal Year Ending December 31, 2016. The Compensation Committee expects to annually grant additional long term incentive awards, potentially including a mix of restricted stock units, restricted stock awards, and stock option awards, in future years.

The Compensation Committee uses the peer group compensation data as one of several factors in determining appropriate compensation parameters for base salary, variable cash compensation and equity-based, long-term incentives. The Compensation Committee's executive compensation decisions are made on a case-by-case basis, and specific benchmark results do not, in and of themselves, determine individual target compensation decisions.

The Compensation Committee anticipates that it will continue to conduct similar annual reviews of our executive compensation practices and use independent outside consultants for similar services in the future.

Executive Compensation

Each executive officer (except the Chief Executive Officer, whose performance is reviewed directly by the Compensation Committee) has an annual performance review with the Chief Executive Officer, who makes

Table of Contents

recommendations on salary increases, promotions and equity and non-equity incentive awards to the Compensation Committee. The Compensation Committee believes its executive compensation programs for the fiscal year ended December 31, 2016, which rewarded the Company's accomplishments during the year, including the strong growth in product revenue, improvement in gross margins, improvement of production efficiencies, development of new product offerings and the significant return to stockholders resulting from the increase in the price of the Company's common stock, encouraged sustained achievement of longer-term goals and initiatives and maintained a motivated and engaged leadership team.

Base Salary

Base salary represents the fixed portion of an executive officer's compensation and is intended to provide compensation for day-to-day performance. The Compensation Committee believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. Each executive officer's base salary is initially determined upon hire or promotion based on the executive officer's responsibilities, prior experience, individual compensation history and salary levels of other executives within the Company and similarly situated executives at our peer group. Base salary is typically reviewed annually. The Company believes that the base salaries paid to the executive officers during the fiscal year ended December 31, 2016 achieved its compensation objectives.

For the fiscal year ending December 31, 2016, the Compensation Committee increased Mr. Hunt's base salary by 11.1%, from \$450,000 to \$500,000, Mr. Snodgrass' base salary by 3.0% from \$330,000 to \$339,900, Dr. Rusche's base salary by 2.0% from \$311,000 to \$317,220 and Dr. Benjamin's base salary by 3.0% from \$279,000 to \$287,370. The compensation report prepared by Meridian showed that the 2016 base salaries of these executive officers were competitive with the 50th percentile among the Company's peer group for 2016 as disclosed above. These base salary increases were based on each executive officer's performance, qualifications, experience, responsibilities and Meridian's survey of the publicly disclosed compensation for similar positions at companies in the peer group.

For the fiscal year ending December 31, 2017, the Compensation Committee increased Mr. Hunt's base salary by 10%, from \$500,000 to \$550,000, Mr. Snodgrass' base salary by 3.0% from \$339,900 to \$350,097 and Dr. Benjamin's base salary by 2.0% from \$287,370 to \$293,117. The compensation report prepared by Meridian showed that the 2017 base salaries of these executive officers were competitive with the 50th percentile among the Company's peer group as disclosed above. These base salary increases were based on each executive officer's performance, qualifications, experience, responsibilities and Meridian's survey of the publicly disclosed compensation for similar positions at companies in the peer group.

Annual Cash Incentive Compensation Plan

The Company's executive officers other than the Chief Executive Officer are eligible to receive annual cash incentive compensation based on both corporate results as measured against the goals set forth below, or the Company Objectives, and their own individual performance, pursuant to the Annual Cash Incentive Compensation Plan, or the Plan. Mr. Hunt is eligible to receive annual cash compensation based solely on corporate results as measured against the Company Objectives pursuant to the Plan. The annual cash incentive compensation earned by each executive officer is determined by the Compensation Committee after the end of each fiscal year and calculated as a percentage of an executive officer's base salary.

The Company establishes the target amount of its annual cash incentive compensation at a level that represents a meaningful portion of the executive officers' current paid out cash compensation, and sets a threshold performance level for each executive. In establishing these levels, in addition to considering the incentives that the Company wants to provide to the executive officers, it also considers the annual cash incentive compensation levels for comparable positions within our peer group and our own historical practices.

Plan Protocol

The Compensation Committee administers the Plan:

1. At the beginning of the fiscal year, the Chief Executive Officer, with assistance from senior management, proposes annual corporate goals, measurement criteria and weightings, subject to review and approval by the Compensation Committee.
2. At the beginning of the following fiscal year, the Chief Executive Officer evaluates performance levels and the achievement of these annual corporate goals for all executive officers except for himself, which are subject to review and approval by the Compensation Committee. Specific bonus award recommendations for all participants (except the Chief Executive Officer) are submitted by the Chief Executive Officer to the Compensation Committee for review and approval. The Compensation Committee evaluates and approves performance levels and achievement of the annual corporate goals and approves the specific bonus award for the Chief Executive Officer.
3. The Compensation Committee determines the size of the overall bonus pool and the bonus awards for individual participants based on the target bonus figures, the Company's performance against the above Company Objectives and, in the case of executive officers other than the Chief Executive Officer, individual performance.

Plan Payout

The Compensation Committee is responsible for evaluating actual performance against the performance goals and determining the actual bonus award earned. The Chief Executive Officer submits a documented evaluation of the performance of each of the other participants to the Compensation Committee for its consideration to assist the Compensation Committee in its review and proposed bonus awards. The Compensation Committee makes all final determinations regarding performance evaluations of participants and actual bonus awards. See the section titled *Performance Criteria* below for a discussion on the performance criteria and determinations for the fiscal year ended December 31, 2016.

Generally, the Company must attain a minimum of 60% overall achievement of its corporate goals for any payment to be made pursuant to the Plan, and the Compensation Committee may, at its discretion, elect not to pay bonuses. However, should the Company attain less than 60% overall achievement of its goals, the Compensation Committee may elect to pay a cash bonus. A target bonus (as a percentage of base salary) and the weight assigned to corporate and individual results is determined for participants based upon their position. The final incentive payout is determined for each participant based on the achievement of corporate and individual goals defined for each organizational level and position and the target incentive percentage.

For the fiscal year ended December 31, 2016, the Company established a target annual cash incentive award for each of the executive officers, depending on their role, experience and objectives to be achieved as follows:

Individual Annual Cash Incentive Targets

	Bonus Target as % of Salary for the Fiscal Year		
	ended December 31, 2016	Portion Tied to Corporate Results	Portion Tied to Individual Results
Tony J. Hunt	75%	100%	0%
Jon K. Snodgres	50%	60%	40%
Howard Benjamin	40%	60%	40%

Table of Contents

Dr. Rusche was not employed on the date that cash incentive payments were made under the Plan and, accordingly, was not eligible to receive a cash incentive bonus under the Plan. However, Dr. Rusche received a prorated cash incentive bonus based on the achievement of Company objectives as described below in the section titled *Transitional Services and Separation Agreement With Dr. Rusche*.

Performance Criteria

The incentive compensation of executive officers is based on the achievement of certain goals by the Company, as a whole, and, for executive officers other than the Chief Executive Officer, on the achievement of individual performance goals. Criteria and specific goals within each category are as follows:

Company Performance

The extent to which key financial, product development, product manufacturing and quality, sales and marketing, business collaboration and corporate development objectives of the Company have been met during the fiscal year.

Executive Performance

An executive officer's involvement in and responsibility for the attainment of key financial, product development, product manufacturing and quality, sales and marketing, business collaboration and corporate development and other strategic objectives of the Company;

The involvement of an executive officer in personnel recruitment, retention and morale; and

The responsibility of the executive officer in working within budgets, controlling costs and other aspects of expense management.

Achievement of Corporate Objectives and Cash Incentive Determination

The portion of cash incentive tied to corporate results is determined based on evaluation of the percentage achievement of the established corporate objectives, which were determined at the beginning of the fiscal year. In 2016, the Compensation Committee moved to a Revenue and EPS metric to determine the achievement of corporate objectives. Other corporate objectives were also considered by the Compensation Committee in determining the cash incentive for the executive officers other than Mr. Hunt. These objectives include product revenue, financial performance, product development, manufacturing and quality, sales and marketing and business and corporate developments. The corporate objectives are designed to be difficult to achieve at 100%, and the Compensation Committee assesses the attainment of these objectives. The Chief Executive Officer evaluated the actual performance of the other executive officers against the performance goals and submitted such evaluation to the Compensation Committee. The ultimate determination of achievement of the objectives is at the sole discretion of the Compensation Committee following discussions with management and is based both on quantitative, objective calculations such as the achievement of certain financial milestones, as well as a qualitative assessment, which takes into consideration the level of effort, end results, and other contributing internal and external factors that could reasonably be expected to impact performance. The Compensation Committee determined that the overall achievement of the corporate portion of the cash incentive plan for all officers was 107%. As in 2016, the corporate objectives for 2017 are tied to the achievement of Revenue and EPS targets, with other corporate performance measures considered by the Compensation Committee in evaluating individual performance of the executive team.

Table of Contents

The following is a summary of the corporate objectives for the fiscal year ended December 31, 2016 and the detailed calculation supporting the achievement of each such objective. The Compensation Committee, using its discretion, reviewed this evaluation and determined that the aggregate percentage achievement of the corporate objectives was 107% in recognition of the strong stock performance and significant achievements in the year ended December 31, 2016.

As the Company's current President and Chief Executive Officer, Mr. Hunt is responsible for overseeing all of our corporate functions, product development and partnering and marketing activities. Because of his role and responsibilities, Mr. Hunt's annual cash incentive is calculated based solely on corporate performance to closely align his compensation with the Company's performance. For the year ended December 31, 2016, the Compensation Committee determined that Mr. Hunt would be awarded 107.0% of his target cash incentive compensation.

Achievement of Individual Objectives

In addition to the corporate objectives outlined above, executive officers with the exception of Mr. Hunt also have an individual objective component to their annual cash incentive compensation. The performance assessment for the individual objectives of the executive officers is not calculated on a line item basis, but rather represents an overall assessment as to how the executive officer contributed to the success of the Company within his or her area of responsibility. The individual objectives are designed to be difficult to achieve at 100%. The Compensation Committee has assessed the attainment of these individual objectives by each executive officer.

As the Company's Chief Financial Officer, Mr. Snodgres is responsible for the Company's internal systems and financial controls. Specifically, Mr. Snodgres' individual objectives for 2016 included expanding the Company's internal information systems to support revenue growth and drive organizational efficiency, coordinate and execute on financing activities to support and enable future growth and M&A, complete and integrate strategic acquisitions including Atoll GmbH and TangenX, and continue to expand management and external reporting capabilities to enhance business decision making and improve transparency of financial performance. The overall evaluation of achievement of these factors involves both quantitative and qualitative analysis. The Chief Executive Officer evaluated Mr. Snodgres' actual performance against his individual objectives and submitted such evaluation to the Compensation Committee, which determined that the aggregate achievement of the individual objectives for Mr. Snodgres was 107.0%.

Dr. Benjamin is ultimately responsible for Repligen's business development activities. Specifically, his objectives included renewal of global ligand supply agreements with GE Healthcare Life Sciences and MilliporeSigma, identifying and closing new bioprocessing acquisitions including Atoll GmbH and TangenX Technology Corporation and other new business opportunities. The overall evaluation of achievement of these factors involves both quantitative and qualitative analysis. The Chief Executive Officer evaluated Dr. Benjamin's actual performance against his individual objectives and submitted such evaluation to the Compensation Committee, which determined that the aggregate achievement of the individual objectives for Dr. Benjamin was 107.0%.

Transitional Services and Separation Agreement with Dr. Rusche

Pursuant to the Transitional Services and Separation Agreement entered into between Repligen and Dr. Rusche on April 29, 2016, and amended on September 1, 2016, Dr. Rusche was eligible to receive a prorated bonus for 2016 equal to 40% of his base salary in effect as of September 1, 2016, based on both individual and corporate achievements. For the year ended December 31, 2016, the Compensation Committee determined that Dr. Rusche would be awarded 100% of his target cash incentive compensation based on his effective date of resignation, which was equal to \$95,166.

Cash Incentive Payments Under the Plan

For the fiscal year ended December 31, 2016:

Mr. Hunt's cash incentive of \$401,250 was calculated based on an overall achievement of 107.0% as discussed above.

Mr. Snodgres' cash incentive of \$174,900 was calculated based on individual results achievement of 107.0% and corporate results achievement of 107.0% for an overall achievement of 107.0%.

Dr. Benjamin's cash incentive of \$122,994 was calculated based on an individual results achievement of 107.0% and corporate results achievement of 107.0% for an overall achievement of 107.0%.

Objectives for the Fiscal Year Ending December 31, 2017

Our executive compensation programs for the fiscal year ending December 31, 2017 are consistent with our programs for the fiscal year ended December 31, 2016, which received strong support from our stockholders in

the say on pay advisory vote conducted at our 2016 Annual Meeting of Stockholders. Accordingly, the Company will continue to solely rely upon Revenue and EPS metrics to determine 100% of Mr. Hunt's 2017 annual bonus. The other corporate performance objectives considered by the Compensation Committee in determining the cash incentive for the executive team outside Mr. Hunt for 2017 are as follows

Product Revenue and Financial Performance achieve sales targets; meet gross margin, profit and EPS targets.

Manufacturing and Quality expand production capacity and throughput and reduce lead times for bioprocessing products; continued focus on quality and business continuity for customers.

Product Development complete launch of single use ATF products and continue to develop next generation chromatography and filtration products.

Sales and Marketing expand commercial presence in North America, Europe and Asia with additional sales and field application specialists; support launch of new products.

Business and Corporate Development seek product/company acquisitions; expand partnerships in bioprocessing.

Equity Incentive Compensation

The Compensation Committee believes that equity incentives in the form of stock options and restricted stock units subject to vesting over time are an effective vehicle for long-term compensation. Equity incentives align individual and team performance with the achievement of the Company's strategic and financial goals and stockholders' interests.

Equity grants have historically been in the form of stock options that vest over a specified period of time. Beginning in 2014, the Compensation Committee has authorized grants of restricted stock units to executive officers and certain key employees.

In the future, the Compensation Committee expects to grant annual long term incentive awards consistent with the 2015, 2016 and 2017 awards, though the Compensation Committee may subject a portion of these awards to performance-based vesting criteria. Stock options reward executive officers only if the stock price increases from the date of grant over time. Restricted stock units are impacted by all stock price changes, so the value to the executive officers is affected by both increases and decreases in stock price from the market price at the date of grant.

In the fiscal year ended December 31, 2016, the Compensation Committee considered a number of factors in determining what, if any, equity incentive compensation to grant to the executive officers, including:

the performance of the Company during the fiscal year;

the number of shares subject to, and exercise price of, outstanding options, both vested and unvested, held by the executive officers;

the number of restricted stock units held by the executive officers;

the vesting schedule of the unvested equity awards held by the executive officers;

Edgar Filing: REPLIGEN CORP - Form PRE 14A

the financial statement impact of any equity award;

the amount and percentage of the total equity on a diluted basis held by the executive officers; and

the available shares under the Company's equity incentive plan.

Table of Contents

In February 2016, the Compensation Committee approved the following equity awards to our named executive officers, each of which vests over three years from the grant date. For additional information regarding equity awards made to our named executive officers in 2016, see the Grants of Plan-Based Awards for the Fiscal Year ended December 31, 2016 table below.

2017 Equity Incentive Compensation

The Compensation Committee granted long term incentive compensation awards consisting of both stock options and restricted stock units, both of which are subject to vesting over three years, to each of the named executive officers in February 2017. Long term incentive compensation awards for the year ending December 31, 2017 are also split equally (based upon dollar value) between restricted stock units and stock options vesting over three years.

Other Compensation

All full-time employees, including the executive officers, may participate in the health and welfare benefit programs, including medical, dental and vision care coverage, disability and life insurance and the Company's 401(k) plan.

Transitional Services and Separation Agreement with Dr. Rusche

On September 1, 2016, James R. Rusche retired from his role as the Company's Senior Vice President, Research and Development and transitioned into the role of Senior Advisor. As of September 1, 2016, Dr. Rusche ceased to be an executive officer of the Company. In connection with his resignation as Senior Vice President, Research and Development, the Company entered into a Transitional Services and Separation Agreement with Dr. Rusche under which the Company agreed to: (i) engage Dr. Rusche as Senior Advisor to the Company on an at will basis through February 28, 2017, or the Transition Period, unless either party elected to end the relationship on an earlier date; (ii) continue to pay Dr. Rusche his salary and provide him with benefits during the Transition Period; (iii) permit continued vesting of Dr. Rusche's outstanding equity awards through December 31, 2016; (iv) pay Dr. Rusche a bonus targeted at 40% of his base salary; and (v) accelerate 50% of Dr. Rusche's then unvested stock options and restricted stock units as of the date of termination of his employment.

Amounts paid to Dr. Rusche pursuant to the Transitional Services and Separation Agreement are set forth below under the heading Director and Executive Officer Compensation Summary Compensation Table for the Fiscal Years ended December 31, 2016, 2015 and 2014.

Tax and Accounting Considerations

We have not provided or agreed to provide any of our executive officers or directors with a gross-up or other reimbursement for tax amounts they might pay pursuant to Section 4999 or Section 409A of the Code. Sections 280G and 4999 of the Code provide that executive officers, directors who hold significant stockholder interests and certain other service providers could be subject to significant additional taxes if they receive payments or benefits in connection with a change in control of our Company that exceed certain limits, and that we or our successor could lose a deduction on the amounts subject to the additional tax. Section 409A also imposes additional significant taxes on the individual in the event that an employee, director or service provider receives deferred compensation that is not exempt from or does not meet the requirements of Section 409A.

Table of Contents

For our financial statements, cash compensation, such as salary and bonus, is expensed and for our income tax returns, cash compensation is generally deductible except as set forth below. For equity-based compensation, we expense the fair value of such grants over the requisite service period.

Section 162(m) of the Code imposes a \$1 million cap on the federal income tax deduction for compensation paid to our Chief Executive Officer and to certain other highly compensated officers during any fiscal year unless the compensation is performance-based under Section 162(m). Whenever possible, we endeavor to structure our compensation policies to qualify as performance-based under Section 162(m). Nonetheless, from time to time certain nondeductible compensation may be paid and the Board of Directors and the Compensation Committee reserve the authority to award nondeductible compensation to executive officers in appropriate circumstances.

Compensation Risk Assessment

The Compensation Committee considers and evaluates risks related to our cash and equity-based compensation programs and practices as well as evaluates whether our compensation plans encourage participants to take excessive risks that are reasonably likely to have a material adverse effect on the Company. Consistent with SEC disclosure requirements, the Compensation Committee has worked with management to assess compensation policies and practices for Company employees and has concluded that such policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

- (4) Upon joining the Company's Board of Directors in September 2005, the Chairperson was awarded an aggregate of 39,000 stock options, having an exercise price of \$3.38 per share. These stock options expired on September 15, 2015, at which time such grants had an approximate value of \$1.32 million, net of the exercise price. As partial compensation for the Chairperson's substantial contributions to the Company's Board of Directors since 2005, her value to the Company in its recent strategic business acquisitions, her leadership during the Company's growth and transition to its bioprocessing focus and during the Company's Chief Executive Officer transition, and to compensate the Chairperson for the value of the expired stock options, the Compensation Committee on July 14, 2016 approved a one-time grant to the Chairperson of 20,000 restricted stock units. These restricted stock units vest over a five-year period in equal annual installments.
- (5) Mr. Goldberg served as a director until the 2016 Annual Meeting of Stockholders on May 11, 2016.

Specifically, the Audit Committee pre-approves the use of Ernst & Young LLP for specific audit and non-audit services, within

approved monetary limits. If a proposed service has not been pre-approved pursuant to the Pre-Approval Policy, then it must be specifically pre-approved by the Audit Committee before Ernst & Young LLP may provide the services. Any pre-approved services exceeding the limits pre-approved by the Audit Committee must again be pre-approved by the Audit Committee. All of the audit-related, tax and all other services provided by Ernst & Young LLP to the Company for the fiscal year ended December 31, 2016 were pre-approved by the Audit Committee. All non-audit services provided in the fiscal year ended December 31, 2016 were reviewed with the Audit Committee, which concluded that the provisions of such services by Ernst & Young LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

In connection with the audit for the fiscal year ended December 31, 2016, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which, if not resolved to the satisfaction of Ernst & Young LLP, would have caused them to refer to such disagreement in connection with their report.

A member of Ernst & Young LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if so desired and will be available to respond to appropriate questions.

Accordingly, the Board believes ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the current year is in the best interests of the Company and its stockholders and recommends a vote FOR the ratification of Ernst & Young as the Company's independent registered public accounting firm.

ITEM 3

ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables our stockholders to vote to approve, on an advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC's rules.

As described in the sections entitled "Compensation Discussion and Analysis" and "Director and Executive Officer Compensation", our executive compensation programs are designed to motivate our executive officers to enhance stockholder value, to provide a fair reward for this effort and to stimulate our executive officers' professional and personal growth. The Company seeks to provide near-term and long-term financial incentives that align the executive officers' interest with those of the stockholders and focus executive officer behavior on the achievement of both near-term corporate goals, as well as long-term business objectives and strategies. We believe that this alignment between executive compensation and stockholder interests has driven corporate performance over time.

Our stockholders voted on September 27, 2011, to have advisory votes every year to approve the compensation paid to the Company's named executive officers, and we have adopted that approach. The Board of Directors and Compensation Committee make executive compensation decisions every year, and our directors will look to the annual advisory vote for information to be taken into account when they make decisions with respect to our compensation philosophy, policies and practices. The Compensation Committee and the Board of Directors note our stockholders' endorsement for the Company's executive compensation program for the fiscal year ended December 31, 2016, which was approved by over 95% of the votes cast. Consequently, the Compensation Committee has generally maintained the structure of its executive compensation programs for the fiscal years ended December 31, 2016. **Accordingly, we are asking our stockholders to vote FOR the following non-binding, advisory resolution on the approval of the compensation of the Company's named executive officers as disclosed in this proxy statement:**

RESOLVED, that the stockholders of the Company approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in this Proxy Statement, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

We urge you to read the Compensation Discussion and Analysis and Director and Executive Officer Compensation sections of this Proxy Statement for additional details on the Company's executive compensation, including our governance, framework, components, and the compensation decisions for the named executive officers for the fiscal year ended December 31, 2016.

As an advisory vote, the results of this vote will not be binding on the Board of Directors or the Company. However, the Board of Directors and the Compensation Committee value the opinions of our stockholders, and will consider the outcome of the vote when making future decisions on the compensation of our named executive officers and the Company's executive compensation principles, policies and procedures.

The Board of Directors recommends that stockholders vote FOR approval, on an advisory basis, of the compensation of the Company's named executive officers, as disclosed in this proxy statement, including the Compensation Discussion and Analysis, compensation tables and narrative discussion.

ITEM 4

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Section 14A(a)(2) of the Exchange Act enables stockholders to vote on a non-binding advisory basis on how frequently our Company will submit say-on-pay proposals, similar to Item 3, to stockholders in the future. Under Section 14A(a)(2), generally, each public company must submit this proposal to its stockholders not less than every six years, and this proposal was last submitted to our stockholders at the 2011 annual meeting. Stockholders may choose to recommend that future say-on-pay proposals be held (i) every year (1 YEAR on the proxy card), (ii) every two years (2 YEARS on the proxy card) or (iii) every three years (3 YEARS on the proxy card). In addition, stockholders may choose to abstain from voting on this proposal.

After careful consideration, our Board of Directors has determined that submitting a non-binding, advisory say-on-pay resolution to stockholders every year is the most appropriate alternative for the Company, and this alternative received the majority of the votes cast at our 2011 Annual Meeting of Stockholders. Annual votes will provide our Company with clearer feedback regarding the compensation of our named executive officers. The primary focus of the disclosure of the compensation of our named executive officers required to be included in our Company's proxy statements is compensation granted in or for the prior fiscal year. Accordingly, an annual say-on-pay resolution will complement the annual focus of our proxy statement disclosure and provide our Company with the clearest and most timely feedback of the three frequency options. This feedback may then be considered by the Compensation Committee in its annual decision-making process. Additionally, the administrative process of submitting a non-binding, advisory say-on-pay resolution to stockholders on an annual basis is not expected to impose any substantial additional costs on our Company.

This vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board of Directors. However, our Board of Directors and our Compensation Committee value the opinions of our stockholders and intend to take into account the outcome of the vote when considering the frequency of holding future advisory votes on the compensation of our named executive officers.

As an advisory vote, the results of this vote will not be binding on the Board of Directors or the Company. However, the Board of Directors and the Compensation Committee value the opinions of our stockholders, and will consider the outcome of the vote when making future decisions on the compensation of our named executive officers and the Company's executive compensation principles, policies and procedures.

The Board of Directors recommends that stockholders vote, on an advisory basis, for every year (1 YEAR on the proxy card) as the frequency for future non-binding, advisory votes on the compensation of the Company's named executive officers.

ITEM 5

APPROVAL OF AN AMENDMENT TO OUR BY-LAWS TO ADOPT

MAJORITY VOTING IN UNCONTESTED DIRECTOR ELECTIONS

The Company's amended and restated by-laws (as amended, the Existing By-laws) provide that at each annual meeting of stockholders, director nominees shall be elected by a plurality of the votes cast at such meeting. Under this voting standard, director nominees who receive the greatest number of votes cast in their favor are elected to the Board of Directors, regardless of whether a director nominee receives a majority of the votes cast or not. Under a majority voting standard, a director nominee is only elected to the Board of Directors if the votes cast for such nominee's election exceed the votes cast against such nominee's election. Abstentions and broker non-votes would not be considered votes for or against the candidate.

Recognizing that majority voting in director elections is becoming a corporate governance best practice, whereby approximately 90% of the S&P 500 companies contain majority voting, the Board of Directors has reviewed and considered the advantages and disadvantages of adopting a majority voting standard for the election of directors in uncontested elections. The Board of Directors believes that a majority voting standard is consistent with good corporate governance and would provide our stockholders the ability to have a greater impact on the composition of our Board. Our Board of Directors has concluded that the adoption of the proposed majority voting standard in uncontested director elections will give stockholders a greater voice in determining the composition of our Board, both by giving effect to stockholder votes against a director candidate, and by requiring a majority of stockholder votes for a candidate to become or remain a director on our Board. The adoption of this standard is intended to reinforce the accountability of our Board of Directors to our stockholders.

If adopted at this Annual Meeting, the majority voting standard would apply to all future uncontested elections of directors; a director nominee will be elected to the Board if the votes cast for such nominee's election exceed the votes cast against such nominee's election. An incumbent director who is nominated for election and fails to receive a majority of the votes cast for such director's reelection would be required to promptly deliver to the Board of Directors an irrevocable offer to resign from the Board. The Board of Directors will consider such director's offer to resign, taking into consideration any such factors that the Board of Directors deems relevant in deciding whether to accept such director's resignation. In a contested election, a plurality voting standard will continue to apply to director elections. A contested election will generally include any situation in which we receive a notice that a stockholder has nominated a person for election to the Board of Directors at a meeting of stockholders.

The above description of the proposed amendment is qualified by the full text of the proposed amendment, which is attached to this proxy statement as Annex B and is marked to show the changes described above.

Recommendation of the Board

The Board of Directors recommends that stockholders vote FOR an amendment to our By-laws to adopt majority voting in uncontested director elections.

ITEM 6

APPROVAL OF AN AMENDMENT TO OUR BY-LAWS TO ADOPT ADVANCE NOTICE PROCEDURES FOR DIRECTOR NOMINATIONS AND STOCKHOLDER PROPOSALS

We are asking that stockholder vote for an amendment to our Existing By-laws to include advance notice procedures for nomination of directors and stockholder proposals (the Advance Notice Procedures). Adoption of the Advance Notice Procedures would facilitate orderly and efficient stockholder meetings, ensure that all stockholders receive adequate notice of the director nominations and sufficient information with respect to all nominees, and allow stockholders to register an informed vote. We believe that implementing such Advance Notice Procedures will enable our Board of Directors to more effectively plan for stockholder meetings and would result in better information being made available to our stockholders in advance of any meetings of the stockholders with respect to any such stockholders proposals or nominees. It will also permit our Board of Directors to make a recommendation or statement of its position so as to enable stockholders to better determine whether they desire to attend the meeting or grant a proxy to the Company as to the outcome of any such business. In addition, by requiring advance notice, the Company will be able to carefully review and determine, in advance of the stockholder meeting, whether such proposals are the proper subject matter for a stockholder vote under applicable law.

If this proposal is adopted, the Advance Notice Procedures will fix a deadline by which stockholders must submit notice of director nominations or other business to the Company prior to any annual or special meeting of stockholders (a Stockholder Notice), and set forth the information that a stockholders must include in the proper form of notice to the Company.

Subject to enumerated exceptions, to be timely, a Stockholder Notice must be delivered in proper written form to the corporate Secretary at the principal executive offices of the Company not less than 60 and not more than 90 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event the annual meeting is convened more than 30 days before or more than 60 days after such anniversary date, or if no annual meeting were held in the preceding year, notice by the stockholder must be received by the Secretary not later than the 90th day prior to the scheduled date of such annual meeting or the 10th day following the first public announcement of the meeting date. Therefore, if approved, to be timely for our 2018 Annual Meeting of Stockholders, a Stockholder Notice would be required to be delivered in writing to our Secretary at 41 Seyon Street, Building 1, Suite 100, Waltham, Massachusetts 02453 between the close of business on February 17, 2018 and March 19, 2018. If the date of the 2018 Annual Meeting of Stockholders is scheduled to take place before April 18, 2018 or after July 17, 2018, notice by a stockholder must be delivered no later than the close of business on the later of (1) the 90th day prior to the 2018 Annual Meeting of Stockholders or (2) the 10th day following the day on which public announcement of the date of such meeting is first made.

To be in proper written form, the Stockholder Notice must set forth, among other things:

- (i) as to each candidate for nomination any information relating to the nominee that would be required to be disclosed in either a dissident's proxy statement in connection with a contested election or otherwise required pursuant to Regulation 14A the U.S. Securities Exchange Act of 1934, as amended (including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected);
- (i) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting, and any material interest in such business of each proposing stockholder; and
- (ii) as to the stockholder giving the Stockholder Notice, (a) a description of all agreements or understandings by and between the proposal stockholder and any other person, pertaining to the nomination or other business proposed to be brought before the meeting, (b) identification of the names and addresses of other stockholders (including beneficial owners) known by any of the proposing stockholders to support such nominations or other business proposal, and (c) the class and number of all shares of the Company's capital stock owned beneficially or of record by such other stockholder or other beneficial owners.

ITEM 7

APPROVAL OF AN AMENDMENT TO OUR BY-LAWS TO PERMIT

THE BOARD OF DIRECTORS TO AMEND THE BY-LAWS

Recognizing that permitting the Board of Directors to amend the by-laws is a corporate governance best practice, we are asking our stockholders to adopted a resolution approving and declaring the advisability of an amendment to our Existing By-laws to permit our Board of Directors to amend the by-laws. If approved, this amendment would allow our Board of Directors to alter, amend or repeal existing by-laws or adopt new by-laws by affirmative vote of a majority of the Board of Directors.

By giving our Board of Directors the ability to amend the by-laws, this will allow the Board of Directors to adopt amendments which the Board believes are in the best interest of the Company and its stockholders and to do so in a timely fashion and not to incur the time delay and additional expenses associated with obtaining stockholder approval. Requiring stockholders to approve all by-law amendments, including ministerial amendments, is inefficient and could delay implementation of by-law amendments that may be in the best interests of the Company's stockholders. Additionally, the stockholders' ability to amend the by-laws would not be affected in any way by this amendment. If the Board of Directors approves an amendment to the by-laws, stockholders will retain the ability to alter or amend the by-laws, including any provisions implemented unilaterally by the Board of Directors. Additionally, after the date hereof, if stockholders adopt an amendment to the by-laws, the proposed by-law amendment prohibits the Board of Directors from amending any such amendment approved by stockholders.

The above description of the proposed amendment to our Existing By-laws is qualified by the full text of the proposed amendment, which is attached to this proxy statement as Annex B and is marked to show the changes described above.

Recommendation of the Board

The Board of Directors recommends that stockholders vote FOR an amendment to our By-laws to permit the Board of Directors to amend the By-laws.

PROPOSED AMENDMENTS TO OUR AMENDED AND RESTATED BY-LAWS

The following are proposed changes to our Amended and Restated By-laws as described in Proposals 5, 6 and 7. The text indicated by underline will be added, and the text indicated by strike-through will be deleted.

AMENDED AND RESTATED BY-LAWS OF

REPLIGEN CORPORATION

ARTICLE I STOCKHOLDERS

SECTION 1. Place of Meetings. All meetings of stockholders shall be held at such place within or without the State of Delaware as may be designated from time to time by the Board of Directors or, if not so designated, at the principal office of the corporation.

SECTION 2. Annual Meeting. The annual meeting of stockholders of the election of directors and the transaction of such other business as may properly come before the meeting shall be held at 10 a.m. on the last Thursday in July of each year or on such other date or at such hour as may be specified by resolution of the Board of Directors. If the date of the annual meeting shall fall upon a legal holiday at the place of the meeting, the meeting shall be held at the same hour on the next succeeding business day. If the annual meeting is not held on the date designated therefor, the directors shall cause the meeting to be held as soon thereafter as convenient.

SECTION 3. Special Meetings. Special meetings of the stockholders may be called at any time by the President, the Chairman or the Board of Directors; and shall be called by the Secretary or any officer upon the written request of one or more stockholders holding, in the aggregate, at least 30% of the outstanding shares of stock of the corporation entitled to vote at such meeting. Such written request shall state the purpose or purposes of the proposed meeting. Business transacted at any special meeting of stockholders shall be limited to matters relating to the purpose or purposes stated in the notice of meeting.

SECTION 4. Notice of Meetings. Except where some other notice is required by law, written notice of each meeting of stockholders, stating the place, date and hour thereof and the purposes for which the meeting is called, shall be given by or under the direction of the Secretary, not less than ten nor more than sixty days before the date fixed for such meeting, to each stockholder entitled to vote at such meeting of record at the close of business on the day fixed by the Board of Directors as a record date for the determination of the stockholders entitled to vote at such meeting or, if not such date has been fixed, of record at the close of business on the day before the day on which notice is given. Notice shall be given personally to each stockholder or left at his or her residence or usual place of business or mailed postage prepaid and addressed to the stockholder at his or her address as it appears upon the records of the corporation. In case of the death, absence, incapacity or refusal of the Secretary, such notice may be given by a person designated either by a Secretary or by the person or persons calling the meeting or by the Board of Directors. A waiver of such notice in writing, signed by the person or persons entitled to said notice, whether before or after the time stated therein, shall be deemed equivalent to such notice. Attendance of a person at a meeting of stockholders shall constitute a waiver of notice of such meeting, except when the stockholder attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the stockholders need be specified in any written waiver of notice. Notice of any meeting of the stockholders shall be deemed to have been given to any person who may become a stockholder of record after the mailing of such notice and prior to such meeting. the city or other municipality or community where the meeting is to be held, which place shall be specified in the notice of the meeting, or if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by a stockholder who is present. The stock ledger shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by this section or the books of the corporation, or to vote at any meeting of stockholders.

SECTION 6. Quorum of Stockholders. At any meeting of the stockholders, the holders of a majority in interest of all stock issued and outstanding and entitled to vote upon a question to be considered at the meeting, present in person or represented by proxy, shall constitute a quorum for the consideration of such question, but a smaller group may adjourn any meeting from time to time. An election shall be considered contested if, as of the last date on which nominees for director may be submitted in accordance with these by-laws, the nominees for election to the Board of Directors exceeds the number of positions on the Board of Directors to be filled by election at that meeting. If an incumbent director is not re-elected, the director shall tender his or her resignation to the Board of Directors. The Nominating and Corporate Governance Committee of the Board of Directors (or any future committee the equivalent thereof) will make a recommendation to the Board of Directors on whether to accept or reject the resignation, or whether other action should be taken. The Board of Directors will act on the recommendation of such committee and will publicly disclose its decision within ninety (90) days from the date of the certification of the election results. A director who tenders his or her resignation may not participate in any meeting of the Board of Directors or any committee thereof until the Board of Directors has determined not to accept his or her resignation.**

SECTION 7. Proxies and Voting. Each stockholder shall at every meeting of the stockholders be entitled to one vote in person or by proxy for each share of the capital stock held of record by such stockholder, but no proxy shall be voted on after three years from its date, unless said proxy provides for a longer period. Persons holding stock in a fiduciary capacity shall be entitled to vote the shares so held, and persons whose stock is pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the corporation the pledgee shall have been expressly empowered to vote thereon, in which case only the pledgee or the pledgee s proxy may represent said stock and vote thereon. Shares of the capital stock of the corporation belonging to the corporation or to another corporation, a majority of whose shares entitled to vote in the election of directors is owned by the corporation, shall not be entitled to vote nor counted for quorum purposes.

SECTION 8. Conduct of Meeting. Meetings of the stockholders shall be presided over by one of the following officers in the order of seniority and in present and acting: the Chairman of the Board, if any, the Vice-Chairman of the Board, if any, the President, a Vice-President, or, if none of the foregoing is in office and present and acting, a chairman to be chosen by the stockholders. SECTION 9. Action Without Meeting. Any action required or permitted to be taken at any annual or special meeting of stockholders of the corporation may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, is signed by the holders or by proxy for the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote on such action were present and voted. Prompt notice of the taking of corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

(E) a statement whether or not the stockholder giving the notice and/or the other Proposing Person(s), if any, will deliver a proxy statement and form of proxy to holders of, in the case of a business proposal, at least the percentage of voting power of all of the shares of capital stock of the Corporation required under applicable law to approve the proposal or, in the case of a nomination or nominations, at least the percentage of voting power of all of the shares of capital stock of the Corporation reasonably believed by such Proposing Person to be sufficient to elect the nominee or nominees proposed to be nominated by such stockholder (such statement, the Solicitation Statement).

For purposes of this Section 10 of Article I of these by-laws, the term Synthetic Equity Interest shall mean any transaction, agreement or arrangement (or series of transactions, agreements or arrangements), including, without limitation, any derivative, swap, hedge, repurchase or so-called stock borrowing agreement or arrangement, the purpose or effect of which is to, directly or indirectly: (a) give a person or entity economic benefit and/or risk similar to ownership of shares of any class or series of capital stock of the Corporation, in whole or in part, including due to the fact that such transaction, agreement or arrangement provides, directly or indirectly, the opportunity to profit or avoid a loss from any increase or decrease in the value of any shares of any class or series of capital stock of the Corporation, (b) mitigate loss to, reduce the economic risk of or manage the risk of share price changes for, any person or entity with respect to any shares of any class or series of capital stock of the Corporation, (c) otherwise provide

(3) Notwithstanding anything in the second sentence of Article I, Section 10(a)(2) of this by-law to the contrary, in the event that the number of directors to be elected to the Board of Directors is increased and there is no public announcement naming all of the nominees for director or specifying the size of the increased Board of Directors made by the Corporation at least ten (10) days before the last day a stockholder may deliver a notice of nomination in accordance with the second sentence of Article I, Section 10(a)(2), a stockholder's notice required by this by-law shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be received by the Secretary of the Corporation not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Corporation.

(b) General.

(1) Only such persons who are nominated in accordance with the provisions of this by-law shall be eligible for election and to serve as directors and only such business shall be conducted at an annual meeting as shall have been brought before the meeting in accordance with the provisions of this by-law or in accordance with Rule 14a-8 under the Exchange Act. The Board of Directors or a designated committee thereof shall have the power to determine whether a nomination or any business proposed to be brought before the meeting was made in accordance with the provisions of this by-law.

(2) Except as otherwise required by law, nothing in this Article I, Section 10 shall obligate the Corporation or the Board of Directors to include in any proxy statement or other stockholder communication distributed on behalf of the Corporation or the Board of Directors information with respect to any nominee for director or any other matter of business submitted by a stockholder.

(3) Notwithstanding the foregoing provisions of this Article I, Section 10, if the nominating or proposing stockholder (or a qualified representative of the stockholder) does not appear at the annual meeting to present a nomination or any business, such nomination or business shall be disregarded, notwithstanding that proxies in respect of such vote may have been received by the Corporation. For purposes of this Article I, Section 10, to be considered a qualified representative of the proposing stockholder, a person must be authorized by a written instrument executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such written instrument or electronic transmission, or a reliable reproduction of the written instrument or electronic transmission, to the presiding officer at the meeting of stockholders.

(5) Notwithstanding the foregoing provisions of this by-law, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this by-law. Nothing in this by-law shall be deemed to affect any rights of stockholders to have proposals included in the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor rule), as applicable, under the Exchange Act and, to the extent required by such rule, have such proposals considered and voted on at an annual meeting.

ARTICLE II

DIRECTORS

SECTION 1. General Powers. The business and affairs of the corporation shall be managed by or under the direction of a Board of Directors, who may exercise all of the powers of the corporation which are not by law required to be exercised by the stockholders. In the event of a vacancy in the Board of Directors, the remaining directors, except as otherwise provided by law, may exercise the powers of the full Board until the vacancy is filled.

SECTION 2. Number; Election; Tenure and Qualification. The initial Board of Directors shall consist of three persons and shall be elected by the incorporator. Thereafter, the number of directors which shall constitute the whole Board shall be fixed by resolution of the stockholders or the Board of Directors, but in no event shall be less than one. Each director shall be elected by the stockholders at the annual meeting and all directors shall hold office until the next annual meeting and until their successors are elected and qualified, or until their earlier death, resignation or removal. The number of directors may be increased or decreased by action of the stockholders or the Board of Directors. Directors need not be stockholders of the corporation.

SECTION 3. Enlargement of the Board. The number of the Board of Directors may be increased at any time, such increase to be effective immediately, by resolution of the stockholders or the Board of Directors.

SECTION 4. Vacancies. Any vacancy in the Board of Directors, however occurring, including a vacancy resulting from an enlargement of the Board and an unfilled vacancy resulting from an enlargement of the Board and an unfilled vacancy resulting from the removal of any director for cause or without cause, may be filled by resolution of the Board. A director elected to fill a vacancy shall hold office until the next annual meeting of stockholders and until his or her successor is elected and qualified or until his or her earlier death, resignation or removal. When one or more directors shall resign from the Board, effective at a future date, the Board, shall have the power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective. If at any time there are no directors in office, then an election of directors may be held in accordance with the General Corporation Law of the State of Delaware.

SECTION 5. Resignation. Any director may resign at any time upon written notice to the corporation. Such resignation shall take effect at the time specified therein, or if no time is specified, at the time of its receipt by the President or Secretary.

SECTION 6. Removal. Except as may otherwise be provided by the General Corporation Law, any director or the entire Board of Directors may be removed, with or without cause, at an annual meeting or at a special meeting called for that purpose, by the holders of a majority of the shares then entitled to vote at an election of directors. The vacancy or vacancies thus created may be filled by the stockholders at the meeting held for the purpose of removal.

SECTION 7. Committees. The Board of Directors may, by resolution or resolutions passed by a majority of the whole Board of Directors, designate one or more committees, each committee to consist of two or more directors of the corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee. In the absence or disqualification of any member of such committee or committees, the member or members thereof present at any meeting and not disqualified from voting, whether or not such member or members constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of such absent or disqualified member.

A majority of all the members of any such committee may fix its rules of procedure, determine its action and fix the time and place, whether within or without the State of Delaware, of its meetings and specify what notice thereof, if any, shall be given, unless the Board of Directors shall otherwise by resolution provide. The Board of Directors shall have the power to change the members of any such committee at any time, to fill vacancies therein and to discharge any such committee, either with or without cause, at any time.

Table of Contents

Any such committee, unless otherwise provided in the resolution of the Board of Directors, or in these by-laws, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the corporation, and may authorize the seal of the corporation to be affixed to all papers which may require it; but no such committee shall have such power or authority in reference to amending the certificate of incorporation, adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the corporation's property and assets, recommending a dissolution of the corporation or a revocation of a dissolution, or amending the by-laws of the corporation, and, unless the resolution or these by-laws expressly so provide, no such committee shall have the power or the authority to declare a dividend or to authorize the issuance of stock.

Each committee shall keep regular minutes of its meetings and make such reports as the Board of Directors may from time to time request.

SECTION 8. Meetings of the Board of Directors. Regular meetings of the Board of Directors may be held without call or formal notice at such places either within or without the State of Delaware and at such times as the Board may by vote from time to time determine. A regular meeting of the Board of Directors may be held without call or formal notice immediately after and at the same place as the annual meeting of the stockholders, or any special meeting of the stockholders at which a Board of Directors is elected.

Special meetings of the Board of Directors may be held at any place either within or without the State of Delaware at any time when called by the Chairman of the Board of Directors, the President, Treasurer, Secretary, or two or more directors. Reasonable notice of the time and place of a special meeting shall be given to each director unless such notice is waived by attendance or by written waiver in the manner provided in these by-laws for waiver of notice of stockholders. No notice of any adjourned meeting of the Board of Directors shall be required. In any case it shall be deemed sufficient notice to a director to send notice by mail at least seventy-two hours, or by telegram at least forty-eight hours, before the meeting, addressed to such director at his or her usual or last known business or home address.

Directors or members of any committee designated by the directors may participate in a meeting of the Board of Directors or such committee by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation by such means shall constitute presence in person at such meeting.

SECTION 9. Quorum and Voting. A majority of the total number of directors shall constitute a quorum, except that when a vacancy or vacancies exist in the Board, a majority of the directors then in office (but not less than one-third of the total number of the directors) shall constitute a quorum, and except that a lesser number of directors consisting of a majority of the directors then in office who are not officers (but not less than one-third of the total number of directors) may constitute a quorum for the purpose of acting on any matter relating to the compensation (including fringe benefits) of an officer of the corporation. A majority of the directors present, whether or not a quorum is present, may adjourn any meeting from time to time. The vote of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors, except where a different vote is required or permitted by law, by the certificate of incorporation, or by these by-laws.

SECTION 10. Compensation. The Board of Directors may fix fees for their services and for their membership on committees, and expenses of attendance may be allowed for attendance at each meeting. Nothing herein contained shall be construed to preclude any director from serving the corporation in any other capacity as an officer, agent or otherwise, and receiving compensation therefor.

SECTION 11. Action Without Meeting. Any action required or permitted to be taken at any meeting of the Board of Directors, or of any committee thereof, may be taken without a meeting, and without notice, if a written consent thereto is signed by all members of the Board of Directors, or of such committee, as the case may be, and such written consent is filed with the minutes of proceedings of the Board of Directors or such committee.

Any or all signatures on any such certificate may be facsimile. In case any officer who shall have signed or whose facsimile signature shall have been placed upon a certificate shall have ceased to be such officer before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer at the date of issue.

SECTION 3. Lost Certificates. A new certificate of stock may be issued in the place of any certificate theretofore issued by the corporation and alleged to have been lost, stolen, destroyed, or mutilated, upon such terms in conformity with law as the Board of Directors shall prescribe. The directors may, in their discretion, require the owner of the lost, stolen, destroyed or mutilated certificate, or the owner's legal representatives, to give the corporation a bond, in such sum as they may direct, to indemnify the corporation against any claim that may be made against it on account of the alleged loss, theft, destruction or mutilation of any such certificate, or the issuance of any such new certificate.

Such record date shall not be more than 60 nor less than 10 days before the date of such meeting, nor more than 60 days prior to any other action to which such record date relates.

If no record date is fixed, the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day before the day on which notice is given, or, if notice is waived at the close of business on the day before the day on which the meeting is held.
