Use of Proceeds:	We intend to use the net proceeds of this offering for general corporate purposes, including the repayment of debt, which may include the repayment, redemption or repurchase of our 12.25% senior notes due 2017 and/or our 6.875% senior notes due 2021. We expect to realize annualized interest savings of approximately \$37 million if the net proceeds of this offering, together with cash on hand, are used to repay \$400 million principal amount of our 12.25% senior notes in June 2017 and to redeem \$250 million principal amount of our 6.875% senior notes in August 2017.
Redemption at our Option:	We may redeem the Notes in whole at any time or in part from time to time. If we redeem any of the Notes more than 90 days prior to their scheduled maturity date, the redemption price of those Notes will be equal to the greater of (i) 100% of their principal amount; or (ii) the present value of the payments of interest (excluding any interest accrued to the redemption date) and principal (including principal due on redemption) that would be due after the actual redemption date if those Notes were redeemed on the day that is 90 days prior to their scheduled maturity date, discounted to the date of the actual redemption, on a semi-annual basis, at the Treasury Rate plus 50 basis points (0.500%). If we redeem any of the Notes on or after the date that is 90 days prior to the scheduled maturity date of the Notes, the redemption price of those Notes will be equal to 100% of the principal amount of the Notes. In any redemption, we will also pay accrued and unpaid interest on the Notes being redeemed to the date of redemption. In determining the redemption price and accrued interest, interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months.
