**Item 7.01. Regulation FD Disclosure.**

This Current Report amends the Current Report on Form 8-K filed on November 17, 2017 (the Original Filing ). Other than as set forth below, no other disclosure furnished with the Original Filing is amended by this Current Report.

On November 17, 2017, Gogo Inc. (the Company ) furnished an investor presentation as Exhibit 99.1 to the Original Filing (the November Presentation ). The Company is furnishing the updated investor presentation set forth in Exhibit 99.1 to this Current Report to correct the calculation of Unlevered free cash flow before Cash CapEx as disclosed in slides 120 and 129 of the November Presentation as the calculation (i) did not exclude airborne equipment proceeds received from airlines from Net cash provided by (used in) operating activities and (ii) incorrectly adjusted for non-cash items related to the amortization of deferred financing costs and accretion and amortization of debt discount and premium.

Unlevered free cash flow before Cash CapEx is a Non-GAAP measure and is not a metric presented in the Company s financial statements. The corrections to the November Presentation noted above do not affect the Company s historical financial statements, which are prepared in accordance with accounting principles generally accepted in the United States.

The attached investor presentation hereby updates, supersedes and replaces the November Presentation in its entirety, as well as any other related Company disclosure or communication.
