The Notes were issued and sold in a registered public offering pursuant to the Company's Registration Statement on Form S-3 (Registration No. 333-209889), including a prospectus supplement dated September 24, 2018 to the prospectus contained therein dated August 6, 2018, filed by the Company with the Securities and Exchange Commission, pursuant to Rule 424(b)(5) under the Securities Act of 1933, as amended.

Indenture

The Notes were issued pursuant to a supplemental indenture (the *Supplemental Indenture*) between the Company and U.S. Bank National Association, as trustee, to the indenture, dated as of March 2, 2016 (the *Base Indenture* and, together with the Supplemental Indenture, the *Indenture*), between the Company and U.S. Bank National Association, as trustee. The 2020 Notes will bear interest at a rate of 3.400% per annum, the 2028 Notes will bear interest at a rate of 4.450% per annum and the 2048 Notes will bear interest at a rate of 5.000% per annum. Interest on the 2020 Notes will be payable semi-annually on March 25 and September 25 of each year, commencing on March 25, 2019. Interest on the 2028 Notes and the 2048 Notes will be payable semi-annually on March 26 and September 26 of each year, commencing on March 26, 2019. The 2020 Notes will mature on September 25, 2020, the 2028 Notes will mature on September 26, 2028 and the 2048 Notes will mature on September 26, 2048.

The Indenture contains customary terms and covenants, including that upon certain events of default occurring and continuing, either the trustee or the holders of not less than 25% in aggregate principal amount of any series of Notes then outstanding may declare the unpaid principal of the such series of Notes and any accrued and unpaid interest thereon immediately due and payable. In the case of certain events of bankruptcy, insolvency or reorganization relating to the Company, the principal amounts of the Notes together with any accrued and unpaid interest thereon will

automatically become and be immediately due and payable.

If the closing of the previously announced acquisition by the Company of Frutarom Industries Ltd. (the Merger) has not occurred on or prior to February 7, 2019, or if, prior to such date, the agreement and plan of merger for the Merger is terminated, the Company must redeem all of the Notes at a redemption price equal to 101% of the principal amounts of the Notes, plus accrued and unpaid interest to, but excluding, such redemption date.

Upon 30 days' notice to holders of any series of Notes, the Company may redeem such series of Notes for cash in whole, at any time, or in part, from time to time, prior to maturity, at redemption prices that include accrued and unpaid interest and a make-whole premium, as specified in the Indenture. However, no make-whole premium will be paid for redemptions of (i) the 2028 Notes on or after June 26, 2028 and (ii) the 2048 Notes on or after March 26, 2048. The Indenture provides for customary events of default and contains certain negative covenants that limit the ability of the Company and its subsidiaries to grant liens on assets, or to enter into sale-leaseback transactions. In addition, subject to certain limitations, in the event of the occurrence of both (1) a change of control of the Company and (2) a downgrade of any series of Notes below investment grade rating by both Moody's Investors Services, Inc. and S&P Global Ratings within a specified time period, the Company will be required to make an offer to repurchase such series of Notes at a price equal to 101% of the principal amount of such series of Notes, plus accrued and unpaid interest to the date of repurchase.
