**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.**  
The information set forth in Items 3 and 4 of this Statement is incorporated herein by reference.

On August 11, 2017, the Ravich Trust and certain other investors entered into common stock purchase agreements with the Issuer, pursuant to which, on August 18, 2017, such investors collectively purchased from the Issuer an aggregate of 947,870 shares of Common Stock in a private placement financing at a per share purchase price of \$4.22 and for an aggregate purchase price of approximately \$4.0 million. Of such shares, the Ravich Trust purchased from the Issuer 473,934 shares of Common Stock for an aggregate purchase price of approximately \$2.0 million. In addition, pursuant to the terms of the purchase agreements, Mr. Ravich and certain of the other investors agreed to grant to the Issuer certain equity commitment rights, and in consideration for the grant of such rights, on August 18, 2017, the Issuer issued to such investors warrants to purchase up to an aggregate of 326,695 shares of Common Stock at an initial exercise price of \$4.22 per share. Of such warrants, the Issuer issued to the Ravich Trust a warrant to purchase up to 237,834 shares of Common Stock. All of the warrants are exercisable at any time from March 5, 2018 until the seven-year anniversary of the initial issuance date, may be exercised in cash or on a cashless basis, and are subject to customary adjustments in the event of stock dividends or other distributions, stock splits, or mergers, reclassifications or similar transactions. As a result of certain subsequent events, the Issuer has reported that the equity commitment rights granted by the Ravich Trust and the other investors under the purchase agreements are no longer in effect and will not be exercised or called.

On December 7, 2017, the Ravich Trust and certain other investors entered into a junior participation letter agreement with Cerberus Business Finance, LLC (Cerberus), as administrative and collateral agent under the Issuer's senior secured credit facility for aggregate borrowings of \$50.0 million in principal amount, pursuant to which such investors collectively purchased from the existing lenders under such credit facility an aggregate of \$11.5 million in junior and subordinate participation interests under the credit facility. Of such participation interests, the Ravich Trust purchased a participation interest equal to \$4.4 million, which was paid by the Ravich Trust with \$2.9 million in cash and \$1.5 million through the cancellation of certain then-outstanding indebtedness owed by the Issuer to the Ravich Trust. As an inducement to the investors' agreement to purchase such participation interests, on December 7, 2017, the Issuer issued to such investors warrants to purchase up to an aggregate of 511,111 shares of Common Stock at an initial exercise price of \$2.25 per share. Of such warrants, the Issuer issued to the Ravich Trust a warrant to purchase up to 195,556 shares of Common Stock. All of the warrants are exercisable at any time from December 7, 2017 until the seven-year anniversary of the original issuance date, may be exercised in cash or on a cashless basis, and are subject to customary adjustments in the event of stock dividends or other distributions, stock splits, or mergers, reclassifications or similar transactions.

Mr. Ravich is eligible to receive compensation for his continued service as a director of the Issuer in accordance with the Issuer's compensation program for non-employee directors. As reported by the Issuer in its definitive proxy statement on Schedule 14A filed with the Commission on May 4, 2018, such compensation program generally consists of (i) cash compensation, including an annual retainer for service as a director and supplemental annual retainers for membership and chair positions on certain of the Board's committees, and (ii) equity compensation, including stock option, restricted stock unit or other equity awards granted from time to time under the Issuer's equity incentive plans at the discretion of the Board or a committee thereof. In addition, such compensation program provides each non-employee director the opportunity to receive equity in lieu of all or a portion of his or her annual cash compensation for Board service by making an election, at the Board meeting held in or around June of each calendar year, regarding the percentage, up to 100%, of his or her annual cash compensation for Board service that is to be paid in the form of a restricted stock unit award valued based on the closing price of the Common Stock on a date selected by the Board.

In addition, in connection with his service as a director, Mr. Ravich has entered into an indemnification agreement with the Issuer, pursuant to which, in general, the Issuer has agreed to indemnify Mr. Ravich to the fullest extent permitted by Delaware law for certain liabilities to which he may become subject as a result of his position as a director of the Issuer.
