Represents the number of shares required to be sold by the reporting person to cover tax withholding obligations in connection with the vesting of certain RSUs, previously reported in Table I following the date of grant. This sale is mandated by the Issuer's election under its (1)

equity incentive plans to require the satisfaction of tax withholding obligations to be funded by a "sell to cover" transaction and does not represent a discretionary trade by the reporting person.

The sales price reported is the weighted average sale price for the number of shares sold. These shares were sold in multiple transactions (2) at prices ranging from \$46.92 to \$46.920070, inclusive. Full information regarding the number of shares sold at each separate price will be supplied upon request by Securities and Exchange Commission Staff, the Issuer or a security holder of the Issuer.
