On January 29, 2016, the reporting person was granted 3,800 performance share units. The performance share units were eligible to vest based on achievement of a cumulative earnings per share goal for fiscal years 2016-2018. The number of performance share units that

(1) were eligible to vest varied from zero (for actual performance less than 80% of target) to two times the units granted (for actual performance of 120% or more of target). Based upon the Company's achievement with respect to cumulative 2016-2018 earnings per share, the number of performance share units that vested equaled 122.25% of the units granted.
