THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON WEDNESDAY, APRIL 24, 2013

GENERAL INFORMATION

This proxy statement provides notification that proxy materials are being made available to shareholders of Rurban Financial Corp. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Wednesday, April 24, 2013, or at any adjournment(s) thereof. The Annual Meeting will be held at 10:00 a.m., Eastern Daylight Savings Time, at Founder's Hall at Sauder Village, 22611 State Route 2, Archbold, Ohio 43502.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS
FOR THE ANNUAL MEETING TO BE HELD ON APRIL 24, 2013

The Company's Notice of Annual Meeting, this proxy statement, a sample of the form of proxy card, and the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2012, are each available at <http://www.snl.com/irweblinkx/financialdocs.aspx?iid=101021>.

Copies of the Company's Annual Report on Form 10-K for the 2012 fiscal year may be obtained at the Company's website at www.rurbanfinancial.net by first clicking "Corporate Governance" and then "SEC Filings". Or, you can obtain paper copies, without charge, by sending a written request to: Anthony V. Cosentino, Chief Financial Officer, Rurban Financial Corp., 401 Clinton Street, Defiance, OH 43512.

Mailing

The Company will distribute this proxy statement and the accompanying proxy card on or about March 12, 2013, to all Shareholders of record as of February 26, 2013 (the "Record Date") entitled to vote their common shares of the Company ("Common Shares") at the Annual Meeting. The Annual Report to the Shareholders of the Company for the fiscal year ended December 31, 2012 (the "2012 fiscal year"), which includes the audited consolidated financial statements of the Company for the 2012 fiscal year, is being delivered with this proxy statement (the "Annual Report").

Each of the 4,875,179 Common Shares of the Company outstanding on February 26, 2013 is entitled to one vote on all matters acted upon at the Annual Meeting. Only shareholders of record as of the close of business on February 26, 2013 will be entitled to vote at the Annual Meeting, either in person or by proxy. The shares represented by all properly executed proxies sent to the Company will be voted as designated. Each person giving a proxy may revoke it by giving written notice of revocation to the Secretary of the Company at the address listed above or in an open meeting at any time before it is voted. The last-dated proxy you submit by any means will supersede any previously submitted proxy. If your Common Shares are held in "street name" and you have instructed your broker, financial institution or other nominee to vote your Common Shares, you must follow directions received from your broker, financial institution or other nominee to change your vote.

Delivery of Proxy Materials to Multiple Shareholders Sharing the Same Address

Annually, the Company provides each registered shareholder at a shared address, not previously notified, with a separate notice of the Company's intention to "household" proxy materials. Only one copy of this proxy statement and the Annual Report is being delivered to previously notified multiple registered shareholders who share an address unless the Company has received contrary instructions from one or more of the shareholders. A separate proxy card and a separate Notice of Annual Meeting of Shareholders are being included for each registered shareholder at the shared address.

Registered shareholders who share an address and would like to receive a separate copy of the Annual Report and/or a separate proxy statement for the Annual Meeting delivered to them, or have questions regarding the householding process, may contact Investor Relations by calling 800-273-5820, or forwarding a written request addressed to Rurban Financial Corp., Attention: Investor Relations, 401 Clinton Street, Defiance, Ohio 43512. Promptly upon receipt of a request, an additional copy of the Annual Report and/or a separate proxy statement for the Annual Meeting will be sent. By contacting Investor Relations, registered shareholders sharing an address can also (i) notify the Company that the registered shareholders wish to receive separate annual reports to shareholders and/or proxy statements in the future or (ii) request delivery of a single copy of annual reports to shareholders or proxy statements in the future if they are receiving multiple copies.

Beneficial shareholders who hold Common Shares through a broker, financial institution or other nominee, should contact their broker, financial institution or other nominee for specific information on the householding process as it applies to their accounts.

VOTING INFORMATION

How to Vote

A proxy card for use at the Annual Meeting accompanies this proxy statement. Whether or not you plan to attend the Annual Meeting, you may ensure your representation by voting your Common Shares by one of the following methods:

- By submitting a traditional paper proxy card;
- By submitting a proxy by telephone;
- By submitting a proxy via the Internet; or
- By attending the Annual Meeting and voting in person.

Submitting a Proxy by Telephone or via the Internet. If you are a shareholder of record as of the Record Date, you may submit a proxy by telephone or via the Internet by following the instructions set forth on the accompanying proxy card. If your Common Shares are registered in the name of a broker, financial institution or other nominee (i.e., you hold your Common Shares in "street name"), your nominee may allow you to submit a proxy by telephone or via the Internet. In that case, the voting form your nominee sent you will provide instructions for submitting your proxy by telephone or via the Internet. The last-dated proxy you submit by any means will supersede any previously submitted proxy. Also, if you submit a proxy by telephone or via the Internet, and later decide to attend the Annual Meeting, you may revoke your previously submitted proxy and vote in person at the Annual Meeting.

The deadline for submitting a proxy by telephone or via the Internet as a shareholder of record is 11:59 p.m., Eastern Standard Time, on April 22, 2013. For shareholders whose Common Shares are registered in the name of a broker, financial institution or other nominee, please consult the instructions provided by your nominee for information about the deadline for submitting a proxy by telephone or via the Internet.

Voting in Person. If you are a shareholder of record on the Record Date and attend the Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which will be available at the Annual Meeting.

In accordance with Rurban policy, proxy cards, ballots and voting instructions that identify individual shareholders will be kept confidential. Exceptions to this policy, however, may be necessary in limited instances to comply with applicable legal requirements and, in the event of a contested proxy solicitation, to verify the validity of proxies presented by any person and the results of the voting.

Voting Common Shares held in “street name”

Shareholders holding Common Shares in “street name” with a broker, financial institution or other nominee may be eligible to appoint their proxy electronically via the Internet or telephonically and may incur costs associated with electronic access. Such shareholders should review the information provided to them by their broker, financial institution or other nominee. This information will describe the procedures to be followed in instructing the holder of record how to vote the street name Common Shares and how to revoke previously given instructions.

Quorum Requirement for the Annual Meeting

Under the Company’s Amended and Restated Regulations (the “Regulations”), a quorum is a majority of the Common Shares outstanding. Common Shares may be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes are counted as being present for purposes of determining the presence of a quorum. In general, broker non-votes occur when Common Shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker lacks discretionary authority to vote such Common Shares on the proposal. Brokers have discretionary authority to vote their customers’ Common Shares on “routine” proposals, such as the proposal to ratify the appointment of the Company’s independent registered public accounting firm, even if they do not receive voting instructions from their customers. Brokers cannot, however, vote their customers’ Common Shares on “non-routine” matters without instructions from their customers. Pursuant to the rules of the New York Stock Exchange (NYSE), the ratification of the appointment of Rurban’s independent registered public accounting firm (Proposal No. 2) is the only routine matter. The election of directors and each of the other Proposals are considered non-routine matters and, therefore, your broker may vote on these matters only if you provide voting instructions.

Cost of Proxy Solicitation

The Company will bear the costs of preparing, printing and mailing this proxy statement, proxy card and any other related materials, as well as all other costs incurred in connection with the solicitation of proxies on behalf of the Board (other than the Internet and telephone usage charges incurred if a shareholder appoints a proxy electronically). Proxies will be solicited by mail and may be further solicited, for no additional compensation, by officers, directors or employees of the Company and its subsidiaries by further mailing, by telephone or by personal contact. The Company will also pay the standard charges and expenses of brokers, voting trustees, financial institutions and other custodians, nominees and fiduciaries who are record holders of Common Shares not beneficially owned by them, for forwarding materials to and obtaining proxies from the beneficial owners of Common Shares entitled to vote at the Annual Meeting.

Your Vote Is Important. Whether You Own One Common Share Or Many Common Shares, Your Prompt Cooperation In Voting Your Common Shares Is Greatly Appreciated.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

In accordance with the Regulations of the Company, three directors will be elected at the Annual Meeting for terms of three years. The Board proposes that each of the three director nominees identified below be re-elected for a new term of three years expiring in 2016. Each of these nominees was approved by the Board upon the recommendation of the Governance and Nominating Committee.

Each individual elected as a director at the Annual Meeting will hold office for a term of three years and until his or her successor is elected and qualified, or until his or her earlier resignation, removal from office or death. Common Shares represented by properly executed and returned proxy cards will be voted FOR the election of the Board's nominees unless authority to vote for one or more nominees is withheld. If a nominee who would otherwise receive the required number of votes becomes unavailable or unable to serve as a director for any reason, the individuals designated as proxy holders reserve full discretion to vote the Common Shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee designated by the Board. The Board has no reason to believe that any of the nominees named below will not serve if elected.

**YOUR BOARD RECOMMENDS THAT SHAREHOLDERS

CORPORATE GOVERNANCE

Director Independence

The Board has reviewed, considered and discussed each director's relationships, both direct and indirect, with the Company and its subsidiaries, including those described under the heading "TRANSACTIONS WITH RELATED PERSONS" beginning on page 34 of this proxy statement, and the compensation and other payments, if any, each director has, both directly and indirectly, received from or made to the Company and its subsidiaries in order to determine whether such director qualifies as independent based on the definition of an "independent director" set forth in Rule 5605(a)(2) of the Marketplace Rules of The NASDAQ Stock Market ("NASDAQ").

The Board has affirmatively determined that the Board has at least a majority of independent directors, and that each of the following directors has no financial or personal ties, either directly or indirectly, with the Company or its subsidiaries (other than compensation as a director of the Company and its subsidiaries, banking relationships in the ordinary course of business with the Company's banking subsidiaries and ownership of the Company's Common Shares as described in this proxy statement) and thus qualifies as an "independent director" under NASDAQ Marketplace Rule 5605(a)(2): Gary M. Cates, Robert A. Fawcett, Jr., Gaylyn J. Finn, Richard L. Hardgrove, Lynn "Zac" A. Isaac, Rita A. Kissner, Thomas L. Sauer, and Timothy J. Stolly. The Board has determined that Mark A. Klein does not qualify as an independent director because he currently serves as an executive officer of the Company and certain of its subsidiaries.

Director Qualifications and Review of Director Nominees

The Board has a standing Governance and Nominating Committee that is responsible for identifying and recommending individuals qualified to become directors. The Governance and Nominating Committee recommended Richard L. Hardgrove, Lynn "Zac" A. Isaac, and Mark A. Klein for re-election as directors of the Company at the Annual Meeting.

To fulfill its responsibility to recruit and recommend to the full Board nominees for election as Directors, the Governance and Nominating Committee reviews the composition of the Board to determine the qualifications and areas of expertise needed to further enhance the composition of the Board, and works to attract candidates with those qualifications. The Governance and Nominating Committee has adopted a written policy regarding qualifications of directors. Pursuant to this policy, individuals who are nominated for election to the Board must possess certain minimum personal and professional qualities, including, without limitation, personal integrity and ethical character; demonstrated achievement in business, professional, governmental, communal, scientific or educational fields; sound judgment borne of management or policy-making experience; and a general appreciation regarding major issues facing public companies of a size and operational scope similar to the Company. The policy also requires the Governance and Nominating Committee to consider the contributions that a candidate can be expected to make to the collective functioning of the Board based upon the totality of the candidate's credentials, experience and expertise, the composition of the Board at the time, and other relevant circumstances.

The Governance and Nominating Committee considers candidates for the Board from any reasonable source, including shareholder recommendations. The Governance and Nominating Committee does not evaluate candidates differently based on who has made the recommendation or the source of the recommendation. The Governance and Nominating Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms have been used to date and, accordingly, no fees have been paid to consultants or search firms.

The Company does not have a formal policy that requires the consideration of diversity in identifying nominees for election to the Board. However, the Governance and Nominating Committee's policy regarding qualifications of directors provides that the Company will seek to promote through the nominations process an appropriate diversity on the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship.

The Board believes that each nominee and current Board member brings a strong and unique background and set of skills to the Board, giving the Board as a whole competence and experience in a wide variety of areas, including corporate governance and board service, executive management, insurance, accounting and finance, real estate, marketing and government. COMPENSATION OF EXECUTIVE OFFICERS

Overview

The Compensation Committee of the Board has the responsibility for establishing, implementing and continually monitoring adherence to the Company's compensation philosophy. The Compensation Committee ensures that the total compensation paid to the executive officers of the Company is fair, reasonable and competitive. The Compensation Committee also provides oversight for all significant compensation plans for all officers, non-officers, and directors.

The Compensation Committee is comprised of non-executive directors and is responsible for reviewing, recommending, and approving compensation programs for the named executive officers and the Board of Directors. The Compensation Committee also has the responsibility of designing the appropriate system of measure that includes sufficient quality evaluation factors that will be used to calculate incentive compensation arrangements and bonus plans for named executive officers. The Compensation Committee is also responsible for ensuring that the compensation programs throughout the Company deliver the intended goals and objectives and do not encourage any undesired risk. A formal risk review of all incentive compensation programs utilized throughout the Company will be documented on an annual basis.

Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during the 2012 fiscal year, as well as the other individuals included in the Summary Compensation Table on page 20 of this proxy statement, are referred to as the "named executive officers".

Compensation Philosophy

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific, long-term and strategic goals set by the Company, and which aligns executives' interests with those of the shareholders by rewarding performance above established goals, with the ultimate objective of improving shareholder value. The Compensation Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain quality employees in key positions. The Compensation Committee attempts to ensure that the compensation provided to key employees of the Company and its subsidiaries, including the named executive officers, remains competitive relative to the compensation paid to similarly situated employees at comparable companies. The Compensation Committee further believes that such compensation should include both cash and equity-based compensation that rewards performance as measured against established goals.

The Compensation Committee formally adopted a compensation philosophy in early 2012 which will drive compensation decisions moving forward. The summarized philosophy is as follows:

Rurban Financial Corp. is committed to providing all executives, employees and directors with fair and equitable compensation programs. For executives, this includes a competitive base salary, incentive compensation, both long-term and short-term, and other ancillary benefit programs. For non-executive employees, this includes a competitive base salary, short-term performance-based incentives, and other ancillary benefits as recommended by management. For directors this includes retainers, attendance fees, equity awards and other benefits as approved by the Board of Directors. The Bank's objectives are to ensure its compensation arrangements are competitive as compared to peers in the financial industry and are consistent with the safety and soundness of the Bank.

The following is a summary of the various compensation components and resulting objectives:

Component	Objective
Base salary	Attracts individuals that are capable of adding value to the company
Short-term incentives	Motivate individuals to achieve predefined goals and objectives that are highly correlated with the success of the Company
Long-term incentives (cash and equity)	Reward long-term performance that seeks to align the interests of the executive(s) with those of our shareholders
Supplemental benefits (e.g., SERP, supplemental disability, deferred compensation)	Provide market-driven benefits that seek to attract and retain executive talent

BASE SALARY PHILOSOPHY

The base salary philosophy of Rurban Financial Corp. is to compensate executive officers who are meeting performance expectations at the market median or midpoint (50th percentile). If an employee is experienced, high performing, or brings a specific knowledge base to the organization, the Bank may compensate the employee at the upper quartile (75th percentile) of market. If an employee is entry level or recently promoted, compensation at the lower quartile (25th percentile) may be appropriate.

SHORT-TERM INCENTIVE-BASED COMPENSATION PHILOSOPHY

It is the philosophy of the Company to reward employees who meet and exceed performance expectations with incentive compensation in the form of cash and any other incentive compensation programs approved by the Board. Any incentive compensation arrangement utilized by the Company will be consistent with all applicable regulatory guidance and will not encourage employees to expose the Company to imprudent risks that may pose a threat to the safety and soundness of the organization. The payout opportunity levels in the incentive compensation programs will be reviewed by the Compensation Committee annually to ensure they are competitive and consistent with best practices leading to safety and soundness. The philosophy for incentive payouts is to reward executives with incentive-based compensation levels that result in total compensation at the market median (50th percentile) when performance expectations are met and at the upper quartile of market (75th percentile) when performance expectations are exceeded.

LONG-TERM INCENTIVE-BASED COMPENSATION

In an effort to align the long-term interests of the shareholders with those of the executives, performance-based, long-term incentives will be utilized to provide equity compensation at the 50th percentile when target goals are met with the potential for awards between the 60th and 75th percentile when long-term goals are exceeded.

EXECUTIVE BENEFIT PROGRAMS

The Company strives to provide executive benefit programs that are commensurate with current market practices and have reasonable expense costs as compared to market research and peer comparison. Benefits for the named executive officers of the Company include health, disability, retirement, life insurance and some additional perquisites that the Board of Directors approve from time to time.

BOARD COMPENSATION

Board of Director compensation is determined by the Compensation Committee with approval by the full Board. To reduce any conflict of interest, the compensation for the Board of Directors is limited to a set fee for service (Retainer and Meeting Fees) and any other compensation or benefit programs approved by the Board. The Company's philosophy is to compensate the Board of Directors at the market median (50th percentile) for comparable financial institutions of similar asset size within the region.

INDEPENDENT REVIEW

It is the policy of the Compensation Committee to conduct a periodic, independent review of the Company's compensation programs to verify the reasonableness of its compensation programs for executives, directors and key officers as compared to peer groups and all applicable federal and state laws, rules and regulations. The independent reviews will be conducted by a firm or individual who does not provide other services or products to the Company. In addition, the independent firm will not have any other personal or business relationships with any Board member or any officer of the Company.

The Compensation Committee engaged the services of Blanchard Consulting Group ("Blanchard"), a nationally recognized independent compensation consulting company. The Compensation Committee engaged Blanchard for several projects that addressed additional planning and compliance oversight and other services, including, but not limited to, development of comparative peer group reviews, evaluation of various plans that impact executive compensation and meeting with and providing instruction to the Compensation Committee with regard to the elements of executive compensation planning.

As a result of the engagement, Blanchard prepared and presented an Executive Compensation Review that included comparative peer information for executive officer and director compensation, a process for defining/aligning annual performance targets for selected executives, recommendations for revisions to the Company's staff Incentive Compensation Plan and CEO Incentive Compensation Plan and current trends in executive compensation. As part of that review, Blanchard was requested to review executive and director compensation programs of banking organizations that shared one or more common traits with the Company (such as asset size and geographic location). The peer group companies used in the reviews were:

Company	Location
Farmers National Banc Corp.	Canfield, OH
Penseco Financial Services Corp.	Scranton, PA

Ohio Valley Banc Corp.	Gallipolis, OH

The information and recommendations of Blanchard have been utilized by the Compensation Committee and the Board in connection with the development and review of the Company's compensation program going forward for fiscal year 2013. The Company uses the peer group information to ensure that the compensation provided to the Company's executive officers remains competitive, equitable and supports the acquisition and retention of competent, effective and high quality executive talent. The use of compensation consulting services is available to the Compensation Committee at any time and will be used to review and possibly modify the Company's compensation program.

Components of Executive Compensation

For the fiscal year ended December 31, 2012, the principal components of compensation for named executive officers were:

- base salary;
- non-equity incentive compensation;
- retirement, severance and change in control benefits; and
- perquisites and other personal benefits.

Base Salary

The determination of the base salaries of the executive officers of the Company is based upon an overall evaluation of a number of factors, including a subjective evaluation of individual performance, contributions to the Company and its subsidiaries, and analysis of how the Company's and its subsidiaries' compensation of its executive officers compares to compensation of individuals holding comparable positions with companies of similar asset size and complexity of operations.

During its review of each executive's base salary, the Compensation Committee primarily considers:

- market data provided by outside consultants, such as Blanchard;
- internal review of the executive's compensation, both individually and relative to other officers;
- individual performance of the executive.

Salary levels are typically considered annually as part of the Company's performance review process as well as upon promotion or other change in job responsibility. Merit based increases to salaries of the executive officers are based on the Compensation Committee's assessment of the individual's performance and the other factors described above.

The salary paid to Mr. Klein for services rendered in his capacities as President and Chief Executive Officer of the Company and State Bank during the 2012 fiscal year represented an increase of 12.33% over the salary paid with respect to the 2011 fiscal year.

The salary paid to Mr. Cosentino for services rendered in his capacities as Executive Vice President and Chief Financial Officer of the Company and State Bank during the 2012 fiscal year and the salary paid to Mr. Gathman for services rendered in his capacities as Executive Vice President and Senior Lender of State Bank represented an increase of 5.91% and 12.64%, respectively over the salary paid with respect to the 2011 fiscal year.

Non-Equity Incentive Compensation

The Incentive Compensation Plan is a Company-wide incentive compensation program which is intended to link incentive compensation directly to the Company's and individual's performance and, thereby, to shareholder value. The following are some of the 2012 organization-wide objectives supported by the plan:

- Build a high-performance financial company;
 - Grow the business;
- Ensure sound operations, policies and procedures; and
- Build on the value proposition strength within each business unit.

All officers and employees of the Company and its subsidiaries (other than certain employees who receive sales commissions or certain other contractual incentives) were eligible to participate in the Incentive Compensation Plan for the 2012 fiscal year. Officers and employees who were not employed for the full year were eligible to participate on a basis proportionate to their employment period. Bonuses payable under the Incentive Compensation Plan are generally determined and paid prior to the end of February of the ensuing year.

Mr. Klein was a participant of the 2012 CEO Incentive Plan which was governed by the Compensation Committee. The parameters of this plan were an incentive target of 25% of base salary with a maximum payout of 50% of base salary. Mr. Klein's financial performance metrics for 2012 were Bank Net Chargeoffs-20%; Holding Company Non Performing Assets Ratio-20%; Holding Company Efficiency Ratio-20%; Earnings Per Share-20% and Holding Company Return on Assets-20%. The Financial Performance metrics were five of the same performance metrics used in the company-wide incentive compensation plan.

In order for the named executive officers, Mr. Cosentino and Mr. Gathman, to qualify for a bonus payout under the Incentive Compensation Plan for the 2012 fiscal year, certain pertinent metrics needed to be accomplished that reinforce the Company's objective to ensure that risks identified with incentive compensation are appropriately identified and mitigated. In 2012, the Company used an after-tax net income level set at the beginning of the year as a "circuit breaker", or trigger, for the incentive plan. Additionally, plan payouts were modified based on 2012 Safety and Soundness exam composite scores and (for lending) based on credit quality measures such as delinquency rates and charge-offs. A scorecard system of weighted goals was used and individual participants were included in goal setting. Individual goals for employees roll up through the levels of management to maintain a line of sight for all participants to the Company's strategic vision. Mr. Cosentino's 2012 plan goals were Bank Net Chargeoffs, RFC NPA ratio, departmental major initiatives/major responsibilities, EPS, RFC efficiency ratio, and RFC ROA. Mr. Gathman's 2012 plan goals were departmental major initiatives/major responsibilities, bank criticized loans, bank commercial loan growth, bank commercial core deposit balance growth, bank commercial loan fees, NPA ratio and regional and bank ROA. To receive a bonus payout under the Incentive Compensation Plan, the named executive officer must also be actively employed and in good standing with the Company at the time of the payout.

Bonuses under the Incentive Compensation Plan and the CEO Incentive Plan are calculated based on a percentage of the participant's base salary for the applicable plan year. The table below sets forth the bonus opportunities (as a percentage of base salary) for each of the named executive officers for the 2012 fiscal year if their assigned metrics were achieved or exceeded.

Incentive Compensation Plan Opportunity Levels for 2012 Fiscal Year

Named Executive Officer	Rurban Financial Corp. Bonus Payout Levels		
	Threshold	Target	Maximum
Mark A. Klein	12.5%	25%	50%
Anthony V. Cosentino	10%	20%	40%
Jonathan R. Gathman	10%	20%	40%

Mr. Klein earned bonuses under the 2012 CEO Incentive Plan for meeting certain quantifiable goals for the 2012 fiscal year, resulting in a bonus payout during the first quarter of 2013 of \$73,454. Mr. Cosentino and Mr. Gathman both earned bonuses under the Incentive Compensation Plan for meeting certain quantifiable goals for the 2012 fiscal year, resulting in bonus payouts during the first quarter of 2013 of \$37,993 and \$27,568, respectively.

Equity-Based Awards

The Company believes that it is also important to provide compensation which serves as an incentive for long-term corporate financial performance. In that regard, the Board adopted, and the shareholders of the Company approved, the Rurban Financial Corp. 2008 Stock Incentive Plan (the "2008 Plan") in 2008 to replace the Rurban Financial Corp. Stock Option Plan ("1997 Plan") that expired in accordance with its terms in March 2007. These stock incentive plans are intended to encourage participants to acquire or increase and retain a financial interest in the Company, to remain in the service of the Company and to put forth maximum efforts for the success of the Company, and to enable the Company and its subsidiaries to compete effectively for the services of potential employees and directors by furnishing an additional incentive to join and/or remain with the Company and its subsidiaries.

The 2008 Plan authorizes the grant or award of the following (collectively, the "Awards"):

- Incentive Stock Options;
- Nonqualified Stock Options;
- Stock Appreciation Rights (“SARs”); and
 - Restricted Stock

The Compensation Committee is responsible for the administration of the 2008 Plan, including the selection of participants to receive Awards and the determination of the type of Award granted to each participant, the level of participation of each participant and the other terms and conditions applicable to Awards. However, any grant of an Award to a director who is not an employee of the Company or any of its subsidiaries must be approved by the full Board.

There were no stock options granted to named executive officers and directors under the 2008 Plan during the 2012 fiscal year. For the named executive officers, the Compensation Committee approved the following grants of restricted stock at a price of \$7.50 per share: Mark A. Klein, 3,000 shares; Anthony V. Cosentino, 1,500 shares; Jonathan R. Gathman, 1,500 shares. These restricted stock grants were based upon the financial performance of the Company during fiscal year 2012.

The purpose of the ESPP Plan is to provide employees of the Company and its subsidiaries with a convenient means by which they may purchase Common Shares of the Company in the open market.

All employees of the Company and its subsidiaries are eligible to participate in the ESPP as of the first day of the month coincident with or immediately following the completion of three (3) months of employment with the Company or one of its subsidiaries. If an employee elects to participate in the ESPP, the participant authorizes the

Company to deduct from his or her compensation for each payroll period the amount so elected on the applicable enrollment form. All payroll deductions under the ESPP are made on an after-tax basis. All payroll deductions made under the ESPP are forwarded by the Company to its agent. When the agent receives the payroll deductions, as soon as practicable, the agent purchases on the open market such number of Common Shares as may be purchased with such payroll deductions. In addition, the agent will apply all cash dividends, if any, paid with respect to Common Shares held in a participant's account to the purchase on the open market of additional Common Shares.

Rurban 401(k) Savings Plan. All employees of the Company and its subsidiaries, including the named executive officers, are eligible to participate in the Rurban 401(k) Savings Plan (the "Rurban 401(k) Savings Plan"). There are four types of contributions that are contemplated under the Rurban 401(k) Savings Plan: (1) pre-tax elective deferral contributions by each participant of a percentage of his or her annual compensation; (2) matching contributions made by the Company in cash in an amount determined by the Board; (3) Roth IRA; and (4) qualified rollover contributions by a participant from another qualified plan. The Company and its subsidiaries contributed an aggregate amount of \$358,565 to the Rurban 401(k) Savings Plan for the 2012 fiscal year. For the 2012 fiscal year, the amount of the matching contributions made by the Company on behalf of each participant in the Rurban 401(k) Savings Plan was 100% of the amount of such participant's pre-tax elective deferral contributions, but only upon that portion of his or her pre-tax elective deferral contributions which did not exceed 4% of his or her annual compensation. Currently all employer contributions are 401(k) Safe Harbor and are fully-vested upon contribution.

Perquisites and Other Personal Benefits

The Company provides named executive officers with perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain quality employees for key positions.

Life Insurance Benefits. The Company pays premiums on behalf of certain officers, including each of the named executive officers, for a group term life insurance policy which provides a \$50,000 death benefit in respect of each officer. Additional life insurance is provided to certain officers and directors of the Company through bank-owned life insurance ("BOLI") policies. BOLI policies are widely used by banks and provide a tax exempt investment vehicle for State Bank while providing death benefits to both the organization and the insured. By way of separate split-dollar agreements, the death benefits provided by the BOLI policies are divided between State Bank and the insureds' beneficiaries. With respect to each BOLI policy, State Bank owns the cash surrender value and a portion of the net death benefit, over and above the death benefit assigned to the insureds' beneficiaries. The cash surrender value of the Company's BOLI policies totaled approximately \$12,547,761 at December 31, 2012. The beneficiaries of Mark A. Klein and Jonathan R. Gathman were entitled to receive death benefits of \$250,000 and \$100,000, respectively, under the Company's BOLI policies as of December 31, 2012.

Other Perquisites and Benefits. Other perquisites and personal benefits provided by the Company to the named executive officers include the use of company automobiles (CEO only), tax preparation assistance (CEO and CFO only) and medical physicals (CEO only).

These awards were restricted stock with a four-year vesting schedule at a price of \$7.50 granted to each named executive officer during the applicable fiscal year determined in accordance with Accounting Standards Codification Topic 718. The aggregate grant date fair value of these awards was computed using the closing price on the day the Compensation Committee approved the award (February 5, 2013).

(2) The amounts shown in column (g) reflect bonuses earned under the Company's Incentive Compensation Plan.

(3) The amounts shown in column (h) reflect the actuarial increase in the present value of the named executive officer's accumulated benefits under his SERP Agreement determined using assumptions consistent with those used in the Company's financial statements and includes amounts that the named executive officer may not currently be entitled to receive because such amounts are not vested.

(4) The amount shown as “All Other Compensation” includes the following perquisites and personal benefits for 2012:

Grants of Plan-Based Awards

Mr. Klein earned bonuses under the 2012 CEO Incentive Plan for meeting certain quantifiable goals for the 2012 fiscal year, resulting in a bonus payout during the first quarter of 2013 of \$73,454. Mr. Cosentino and Mr. Gathman both earned bonuses under the Incentive Compensation Plan for meeting certain quantifiable goals for the 2012 fiscal year, resulting in bonus payouts during the first quarter of 2013 of \$37,993 and \$27,568, respectively.

The following table sets forth the range of potential payouts under the Incentive Compensation Plan and CEO Incentive Plan.

Grants of Plan-Based Awards for 2012 Fiscal Year

Name	Estimated Possible Payouts Under Non-Equity Incentive Plan Awards		
	Threshold (\$)	Target (\$)	Maximum (\$)
Mark A. Klein	\$30,750	\$61,500	\$123,000
Anthony V. Cosentino	\$17,210	\$34,420	\$68,840
Jonathan R. Gathman	\$14,585	\$29,171	\$58,342

The above amounts reflect the estimated potential threshold, target and maximum bonus payouts that each of the named executive officers were eligible to receive pursuant to the Incentive Compensation Plan if certain pertinent metrics were accomplished that reinforced the Company's objective to ensure that risks identified with incentive compensation were appropriately identified and mitigated. In 2012, the Company used an after-tax net income level set at the beginning of the year as a "circuit breaker", or trigger, for the incentive plan. Additionally, plan payouts were modified based on 2012 Safety and Soundness exam composite scores and (for lending) based on credit quality measures such as delinquency rates and charge-offs. A scorecard system of weighted goals was used and individual participants were included in goal setting. Individual goals for employees roll up through the levels of management to maintain a line of sight for all participants to the Company's strategic vision. Mr. Cosentino's 2012 plan goals were bank net chargeoffs, RFC NPA ratio, departmental major initiatives/major responsibilities, EPS, RFC efficiency ratio and RFC ROA. Mr. Gathman's 2012 plan goals were departmental major initiatives/major responsibilities, bank

criticized loans, bank commercial loan balance growth, bank net chargeoffs, bank commercial loan fees, RFC NPA ratio and RFC ROA. See “COMPENSATION OF EXECUTIVE OFFICERS–Components of Executive Compensation–Non-Equity Incentive Compensation” beginning on page 16 of this proxy statement.

Option Exercises and Restricted Stock Vesting During 2012 Fiscal Year

None of the Company's named executive officers exercised any stock options during the 2012 fiscal year. Similarly, no restricted stock granted to any of the Company's named executive officers vested during the 2012 fiscal year.

Non-Qualified Deferred Compensation

On November 29, 2006, the Board approved the adoption of a Non-Qualified Deferred Compensation Plan, within the meaning of Title I of ERISA (the "Deferral Plan"), effective as of January 1, 2007. The purpose of the Deferral Plan is to help attract key associates by providing a retirement benefit to certain high ranking and highly compensated employees and directors of the Company and its subsidiaries which is above the statutory maximum limits for the Rurban ESOP. Eligibility for participation in the Deferral Plan is limited to employees of the Company and its subsidiaries in the positions of Senior Vice President and above who qualify as highly compensated employees under the terms of the Deferral Plan, as well as directors of the Company, State Bank and RDSI.

The Deferral Plan permits participants to voluntarily defer the payment of up to 100% of annual compensation in the case of directors, and up to 75% of annual compensation in the case of all other participants. Deferral elections for each plan year must be made before November 30th of the prior calendar year and are irrevocable during the plan year. Amounts deferred are credited to the participants' accounts under the Deferral Plan at the time the base salary or bonus compensation would otherwise have been paid. Participants may elect to have their accounts invested in a variety of mutual fund options. Participant accounts are fully vested under the Deferral Plan. The Deferral Plan is "unfunded," which means that no assets are set aside in trust separate from the general assets of the Company. Thus, all amounts allocated to participant accounts under the Deferral Plan will be recorded as a liability on the Company's accounting books, and such funds will be subject to the claims of the Company's creditors.

Participants may elect to receive distributions of their Deferral Plan accounts following the termination of employment for any reason, including voluntary resignation, retirement, disability, or death. Participants are also permitted to elect to receive "in service distributions" of their Deferral Plan accounts prior to their termination of employment, subject to certain requirements. Participants may elect to receive distributions either in a lump sum or in a series of approximately equal annual installments over a period of up to ten (10) years. Elections as to the form and timing of distributions generally must be made by a participant at the time the deferral is elected, although participants are permitted to change their elections if they comply with certain requirements set forth in Section 409A of the Code. The Deferral Plan also provides that participants may receive a distribution upon a defined change in control.

The Compensation Committee elected to terminate the Deferral Plan effective January 1, 2011 due to the cost of administering the plan exceeding the intended benefit of addressing testing issues that no longer persisted. There were four participants in the plan when it was terminated. The Deferral Plan was frozen in 2011 and was distributed to the participants on January 27, 2012.

Change in Control Agreements

The Company entered into an Amended and Restated Change in Control Agreement on July 30, 2010 with Mark A. Klein in connection with his appointment as President and Chief Executive Officer of the Company. The Company entered into a Change in Control Agreement on April 21, 2010 with Anthony V. Cosentino in connection with his appointment as Executive Vice President and Chief Financial Officer of the Company. The Company also entered into a Change in Control Agreement on April 30, 2012 with Jonathan R. Gathman for his role as Executive Vice President and Senior Lender of the bank.

Each Change in Control Agreement has a rolling term of 24 months with the initial term being extended for an additional 12 months on each anniversary of the effective date of the Change in Control Agreement unless the Company notifies the executive officer in writing to the contrary at least 90 days before the anniversary date. Each Change in Control Agreement will renew automatically for an additional 12-months unless the Company notifies the executive officer at least 90 days before the end of the then-current term that the Company does not wish to renew the Change in Control Agreement. The Company is prohibited from delivering such notice during the "Protection Period" and the Change in Control Agreement will remain in effect throughout any Protection Period. The Change in Control Agreements define the "Protection Period" as the period beginning on the first date the Board learns of an event that would result in a "Change in Control" if completed and ending on the latest of:

- the last day of the 12-month period beginning after the Change in Control;
- 60 days after the date the executive officer learns of an event occurring during the Protection Period which falls within the definition of "Good Reason" and which the Company or its successor concealed; or
-

60 days after the conclusion of an unsuccessful attempt to terminate the executive officer for “Cause” (as defined in the Change in Control Agreements).

Each Change in Control Agreement will terminate on the earliest to occur of the following events:

- the executive officer’s employment is terminated before the beginning of a Protection Period;
- the executive officer agrees to terminate the Change in Control Agreement; or
- all payments due to the executive officer under the Change in Control Agreement have been paid.

A “Change in Control” is defined by the Change in Control Agreements as:

- any transaction that would be required to be reported in a proxy statement sent to the Company's shareholders;
- a merger or consolidation of the Company or the purchase of all or substantially all of the Company's assets by another person or group, in each case, resulting in less than a majority of the successor entity's outstanding voting stock being owned immediately after the transaction by the holders of the Company's voting stock before the transaction;
- any person becoming a "beneficial owner" of securities representing 50% or more of the combined voting power of the Company eligible to vote for the election of the Company's Board;
- any person other than the Company, the executive officer or the Rurban ESOP becoming the beneficial owner of securities representing 25% or more of the combined voting power of the Company (disregarding any securities which were not acquired for the purpose of changing or influencing control of the Company); or
- individuals who constitute the Company's Board ceasing for any reason to constitute at least a majority of the members of the Company's Board (unless the new directors were approved by the vote of at least two-thirds of the then incumbent directors).

Under each Change in Control Agreement, (1) if an executive officer is terminated by the Company or its successor in connection with a Change in Control of the Company (other than termination of employment for "Cause" as defined in the Change of Control Agreements) during the Protection Period or (2) if the executive officer terminates employment for "Good Reason" during the Protection Period, the Company or its successor will:

- pay the executive officer a lump sum cash payment equal to 2.99 times (Mr. Klein) or 2.0 times (Mr. Cosentino and Mr. Gathman) the executive officer's "Annual Direct Salary" (i.e., the executive officer's annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment);
- provide the executive officer and the executive officer's family (if the executive officer elected family coverage prior to the termination of his employment) with continued health care, life insurance and disability insurance coverage without cost to the executive for a period of three years (Mr. Klein) or two years (Mr. Cosentino and Mr. Gathman), at the same level and subject to the same terms that were in effect on the first day of the Protection Period; and
- any other payments or benefits to which the executive officer is entitled under the terms of any other agreement, arrangement, plan or program in which the executive officer participates.

"Good Reason" is defined by the Change in Control Agreements if any of the following events occur during the Protection Period without the executive's consent:

- the assignment of duties and responsibilities inconsistent with the executive's status;
- a reassignment which requires the executive to move his office more than fifty (50) miles from the location of the Company's principal executive office;
- any reduction in the executive's annual base salary (except for reductions resulting from a national financial depression or bank emergency and implemented for all of the Company's senior management);
- any action that would materially reduce the executive's employee benefits; or

- the failure of any successor of the Company to assume the Company's obligations under the Agreement.

If a termination under the circumstances described above in connection with a Change of Control of the Company had occurred on December 31, 2012, Mr. Klein, Mr. Cosentino and Mr. Gathman would have been entitled to receive a lump sum cash payment of \$735,540, \$344,200 and \$291,707, respectively. In addition, Mr. Klein, Mr. Cosentino and Mr. Gathman (and their respective families) would have been entitled to receive continued health care, life insurance and disability insurance coverage for a period of three years (Mr. Klein) or two years (Mr. Cosentino and Mr. Gathman) following termination, at an annual cost to the Company of approximately \$19,000 for each executive officer.

If the Company or its successor is unable to provide the health care, life insurance and disability insurance coverage described above through an insured arrangement for active employees and with the same tax consequences available to active employees, the Company or its successor will pay the executive officer an additional amount of cash equal to the executive officer's cost of procuring equivalent coverage. The amount of this cash payment will be "grossed up" to ensure that the executive officer receives enough cash to pay the cost of procuring equivalent coverage after payment of all applicable federal, state and local taxes.

If the compensation provided to an executive officer under his Change in Control Agreement would constitute a “parachute payment” within the meaning of Section 280G of the Code, then the amount of compensation payable under the executive officer’s Change in Control Agreement will be reduced to the extent necessary to avoid excise taxes under Section 4999 of the Code. Any reduction shall be made in accordance with Section 409A of the Code and the Treasury Regulations promulgated thereunder.

Under each Change in Control Agreement, if an executive officer’s employment is terminated for “Cause” (as defined in the Change in Control Agreements) or if the executive officer voluntarily terminates his employment without “Good Reason” (as defined in the Change in Control Agreements), the Change in Control Agreement will terminate immediately and the executive officer will not be entitled to any compensation or benefits other than salary accrued through the date his employment terminated and benefits to which the executive officer is entitled under the terms of the Company’s (or any successor entity’s) benefit plans.

If an executive officer dies or becomes permanently disabled during his employment, his Change in Control Agreement will terminate and the Company will have no further obligations to the executive officer under his Change in Control Agreement. However, any compensation that becomes payable to an executive officer under his Change in Control Agreement prior to his death or permanent disability will continue to be paid to the executive officer or his designated beneficiary or estate, as appropriate.

The Change in Control Agreements require that any payment required to be delayed by Section 409A of the Code shall be delayed for a period of six months following the executive officer’s termination of employment and any payment(s) so delayed will be accumulated and paid in a single lump sum on the first day of the seventh month following the executive officer’s termination.

The Change in Control Agreements do not require the executive officer to mitigate the amount of any compensation payable to him under the Change in Control Agreements by seeking other employment or otherwise. The compensation payable to the executive officer under the Change in Control Agreement will not be reduced by any other compensation or benefits the executive officer earn or become entitled to receive after the termination of his employment with the Company or its successor and their subsidiaries.

If a Change in Control occurs and the executive officer receives payments under his Change in Control Agreement, the executive officer will be prohibited from engaging in the following activities for two years following the termination of the executive officer’s employment with the Company or its successor:

- providing financial or executive assistance to any person or entity located within 50 miles of the Company’s main office in Defiance, Ohio and engaged in the banking or financial services industry or any other activity engaged in by the Company on the date of the change in control;
- directly or indirectly contacting, soliciting or inducing any of the customers or referral sources of the Company and its subsidiaries (who were customers or referral sources during the executive officer’s employment) to become a customer or referral source of another company; and
- directly or indirectly soliciting, inducing or encouraging any of the employees of the Company or its successor and their subsidiaries (who were employees during the executive officer’s employment) to terminate their employment with the Company or its successor and their subsidiaries or to seek, obtain or accept employment with another company.

The Change in Control Agreements also prohibit the executive officers from using or disclosing any material confidential information of the Company or its successor and their subsidiaries to any person other than an employee

of the Company or its successor and their subsidiaries or a person to whom the disclosure is reasonably necessary or appropriate in connection with the executive officer's duties to the Company or its successor and their subsidiaries.

In the event of a dispute between the Company and the executive officer regarding a Change in Control Agreement, the parties will submit the dispute to binding arbitration. The Company and its subsidiaries will bear all costs associated with any disputes arising under the Change in Control Agreements, including reasonable accounting and legal fees incurred by the executive officer.

SERP Agreements

Effective March 1, 2006, the Company entered into a SERP Agreement with Mark A. Klein. The SERP Agreement for Mr. Klein was subsequently amended and restated in December 2008 to comply with the requirements of Section 409A of the Code and the Treasury Regulations promulgated thereunder. Effective April 21, 2010, the Company also entered into a SERP Agreement with Anthony V. Cosentino.

Under the SERP Agreements, if the executive officer remains in the continuous employment of the Company until the executive officer's "Retirement Date" (i.e., age 65 for Mr. Klein and Mr. Cosentino, unless shortened or extended by the Board), beginning on the first day of the month following the executive officer's termination of employment after the Retirement Date, the executive officer will receive an annual benefit equal 20% (Mr. Klein), or 15% (Mr. Cosentino) of his "Annual Direct Salary" in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. "Annual Direct Salary" means the executive officer's annualized base salary based on the highest base salary rate in effect for any pay period ending with or within the 36-month period preceding the termination of his employment.

If there is a "Change in Control" of the Company (as defined in the SERP Agreements) and the executive officer is terminated after such Change in Control, the executive officer will receive an annual benefit equal to 20% (Mr. Klein), or 15% (Mr. Cosentino) of his Annual Direct Salary calculated as of the date of the change in control or the date the executive officer's employment is terminated, whichever is higher. The annual benefit will be paid in equal monthly installments of 1/12th of the annual benefit for a period of 180 months beginning on the first day of the month following the executive officer's termination. If the compensation provided to an executive officer under his SERP Agreement in connection with a Change in Control would constitute a "parachute payment" within the meaning of Section 280G of the Code, then the relevant portions of any separate Change in Control Agreement between the Company and the executive officer would apply. If the Company and the executive officer are not parties to a separate Change in Control Agreement, the amount of compensation payable under the executive officer's SERP Agreement will be reduced to the extent necessary to avoid excise taxes under Section 4999 of the Code. Any reduction shall be made in accordance with Section 409A of the Code and the Treasury Regulations promulgated thereunder. "Change in Control" is defined in the SERP Agreements in the same manner as the Change in Control Agreements.

If an executive officer voluntarily terminates his employment prior to the executive officer's Retirement Date, the executive officer's SERP Agreement will terminate immediately and the Company will pay the executive officer an early retirement benefit equal to:

- For Mr. Klein, 10% of his Annual Direct Salary if he terminates employment between age 55 and 60, 15% of his Annual Direct Salary if he terminates employment between age 60 and 65, and 20% of his Annual Direct Salary if he terminates employment at age 65; or
- For Mr. Cosentino, 5% of his Annual Direct Salary if he terminates employment between age 55 and 60, 10% of his Annual Direct Salary if he terminates employment between age 60 and 65, and 15% of his Annual Direct Salary if he terminates employment at age 65.

The early retirement compensation described above will be paid beginning on the first day of the month following the executive officer's termination in equal monthly installments of 1/12th of the annual benefit for a period of 180 months. If the executive officer dies at any time prior to the executive officer's Retirement Date while employed by the Company, the executive officer's death will be treated as a termination prior to Retirement Date and the executive officer's designated beneficiary or estate will receive an early retirement benefit as described above. If the executive officer voluntarily terminates his employment prior to age 55 or if the executive officer is discharged for "Cause" (as

defined in the SERP Agreements), the executive officer will not be entitled to any compensation under his SERP Agreement.

If an executive officer dies or becomes permanently disabled during his employment, the executive officer's SERP Agreement will terminate and the Company will have no further obligations to the executive officer under the SERP Agreement. However, any compensation that becomes payable to an executive officer under his SERP Agreement prior to the executive officer's death or permanent disability (i.e., compensation arising from termination on or after Retirement Date, prior to Retirement Date or following a Change in Control) will continue to be paid to the executive officer or the executive officer's designated beneficiary or estate, as appropriate.

The SERP Agreements require that any payment required to be delayed by Section 409A of the Code shall be delayed for a period of six months following the executive officer's termination of employment and any payment(s) so delayed will be accumulated and paid in a single lump sum on the first day of the seventh month following the executive officer's termination.

The SERP Agreements do not require the executive officers to mitigate the amount of any compensation payable to them under the SERP Agreements by seeking other employment or otherwise. The compensation payable to the executive officers under the SERP Agreements will not be reduced by any other compensation or benefits the executive officers earn or become entitled to receive after the termination of their employment with the Company and its subsidiaries.

During the term of the SERP Agreements and for a period of two years thereafter, the executive officers are prohibited from:

- providing financial or executive assistance to any person or entity located within 50 miles of the Company's main office in Defiance, Ohio and engaged in the banking or financial services industry or any other activity engaged in by the Company or its subsidiaries at the beginning of the non-competition period;
- directly or indirectly contacting, soliciting or inducing any of the customers or referral sources of the Company and its subsidiaries (who were customers or referral sources during the executive officer's employment with the Company) to become a customer or referral source of another company; and
- directly or indirectly contacting, soliciting or inducing any of the employees of the Company and its subsidiaries (who were employees during the executive officer's employment) to terminate their employment with the Company or its subsidiaries or to seek, obtain or accept employment with another company.

The SERP Agreements also prohibit the executive officers from using or disclosing any material confidential information of the Company and its subsidiaries to any person other than an employee of the Company or its subsidiaries or a person to whom the disclosure is reasonably necessary or appropriate in connection with the executive officer's duties to the Company and its subsidiaries.

In the event of a dispute between the Company and the executive officer regarding a SERP Agreement, the parties will submit the dispute to binding arbitration. The Company and its subsidiaries will bear all costs associated with any disputes arising under the SERP Agreements, including reasonable accounting and legal fees incurred by the executive officer.

Employment Agreement

The Company entered into the Employment Agreement with Mark A. Klein on July 30, 2010. Under the Employment Agreement, Mr. Klein is employed as the Chief Executive Officer of the Company and will perform any duties assigned to him from time to time by the Board. Mr. Klein must devote his full time and attention to the Company's business, and he may not engage in any activities which compete with activities of the Company or its subsidiaries. Mr. Klein is also prohibited from serving any company which competes with the Company or its subsidiaries.

Term. The term of the Employment Agreement runs from July 30, 2010 to July 30, 2013, but the term will be automatically extended for an additional one year period, unless the Employer or the Executive provides the other party not less than 180 days prior written notice that the term shall not be so extended.

Compensation. During the term of the Employment Agreement, Mr. Klein will be paid an annual base salary of \$246,000 or a higher amount set by the Company. Mr. Klein is also entitled to:

- receive bonuses from time to time as the Company, in its sole discretion, deems appropriate;

- receive paid vacation time in accordance with policies established by the Board;
- participate in any of the Company's employee benefit plans (provided that the Company may not change any of its employee benefits in any way that would adversely affect Mr. Klein, unless the change would apply to all of the Company's executive officers and would not affect Mr. Klein disproportionately);
- receive prompt reimbursement for all reasonable business expenses he incurs in accordance with the policies and procedures established by the Board;
 - use of a vehicle provided by the Company; and
- receive any liability insurance coverage covering directors and officers of the Company.

Termination Resulting from Disability or Death. If Mr. Klein dies or becomes permanently disabled during his employment, the Employment Agreement will terminate and the Company will have no further obligations to Mr. Klein under the Employment Agreement. However, any compensation that becomes payable to Mr. Klein under the Employment Agreement prior to his death or permanent disability will continue to be paid to Mr. Klein or his designated beneficiary or estate, as appropriate.

Termination for “Cause” or Without “Good Reason”. If Mr. Klein’s employment is terminated by the Board for “Cause” or by Mr. Klein without “Good Reason,” the Employment Agreement (and all of Mr. Klein’s rights under the Employment Agreement) will terminate automatically. If Mr. Klein’s employment is terminated other than for Cause and the Company subsequently learns that Mr. Klein actively concealed conduct that would have entitled the Company to terminate his employment for Cause, the Company may recover any amounts paid to Mr. Klein (or his beneficiaries) under the Employment Agreement in connection with the termination of his employment. “Cause” is defined in the Employment Agreement to include:

- the willful failure to substantially perform job duties;
- willfully engaging in misconduct injurious to the Company;
- dishonesty, insubordination or gross negligence in the performance of duties;
- breach of a fiduciary duty involving personal gain or profit;
- any violation of any law, rule or regulation governing public companies, banks or bank officers or any regulatory enforcement actions issued by a regulatory authority against the executive;
- conduct which brings public discredit to the Company;
- conviction of, or plea of guilty or nolo contendere to, a felony, crime of falsehood or a crime involving moral turpitude, or actual incarceration for a period of 20 consecutive days or more;
- unlawful discrimination or harassment affecting the Company’s employees, customers, business associates, contractors or visitors;
- theft or abuse of the Company’s property or the property of the Company’s customers, employees, contractors, vendors or business associates;
- the recommendation of a state or federal bank regulatory authority to remove the executive from his position with the Company;
- willful failure to follow the good faith, lawful instructions of the Company’s Board;
- material breach by the executive of any contract or agreement with the Company; or
- unauthorized disclosure of the Company’s trade secrets or confidential information.

Termination by the Company Without “Cause” or by Mr. Klein for “Good Reason”. If Mr. Klein’s employment is terminated by the Company without Cause or by Mr. Klein with “Good Reason” (and such termination does not occur in connection with a “Change in Control” as defined below), the Company will:

- pay all accrued obligations and continue to pay Mr. Klein his base salary in effect on the date of his termination of employment for two years following the date of his termination; and
- provide Mr. Klein and his family (if he elected family coverage prior to the termination of his employment) with continued group health, dental and vision insurance coverage without cost to the executive for a period of one year.

“Good Reason” is defined in the Employment Agreement to include:

- the assignment of duties and responsibilities inconsistent with Mr. Klein’s status as Chief Executive Officer;
- requiring Mr. Klein to move his office more than 50 miles from the location of the Company’s principal office in Defiance, Ohio;
- reducing Mr. Klein’s annual base salary (except for reductions resulting from a national financial depression or bank emergency and implemented for all of the Company’s senior management);
- requiring that Mr. Klein report to a corporate officer or employee instead of reporting directly to the Board;
- the failure of any successor of the Company to assume the Company’s obligations under the Employment Agreement; and
- any material breach of the Employment Agreement by the Company or unsuccessful attempt to terminate Mr. Klein for Cause.

If a termination of Mr. Klein's employment under the circumstances described above had occurred on December 31, 2012 Mr. Klein would have been entitled to continue to receive his base salary of \$246,000 for two years following the date of termination. It would begin to be paid to Mr. Klein within 60 days following the date of termination and would be payable in accordance with the Company's normal payroll practices. In addition, Mr. Klein (and his family) would have been entitled to receive continued group health, dental and vision insurance coverage for a period of one year following termination, at an annual cost to the Company of approximately \$19,000.

Termination in Connection With a Change in Control. In the event of a Change of Control of the Company, the respective rights and obligations will be pursuant to the terms of Mr. Klein's separate Change of Control agreement. If Mr. Klein becomes entitled to receive payments or benefits under the separate Change of Control agreement, then Mr. Klein would not be entitled to receive payments under the Employment Agreement for termination without Cause or for Good Reason.

No Mitigation. The Employment Agreement does not require Mr. Klein to mitigate the amount of any compensation payable to him by seeking other employment or otherwise. The compensation payable to Mr. Klein under the Employment Agreement will not be reduced by any other compensation or benefits he earns or becomes entitled to receive after the termination of his employment with the Company or its successor and their subsidiaries.

Six Month Payment Delay. The Employment Agreement requires that any payment required to be delayed by Section 409A of the Code shall be delayed for a period of six months following the executive officer's termination of employment and any payment(s) so delayed will be accumulated and paid in a single lump sum on the first day of the seventh month following the executive officer's termination.

Non-Compete. If Mr. Klein receives compensation under his Employment Agreement in connection with the termination of his employment, he will be prohibited from engaging in the following activities for one year following the termination of his employment:

- providing financial or executive assistance to any person or entity located within 50 miles of the Company's main office in Defiance, Ohio and engaged in the banking or financial services industry or any other activity engaged in by the Company or its subsidiaries on the date of his termination;
- directly or indirectly contacting, soliciting or inducing any of the customers or referral sources of the Company and its subsidiaries (who were customers or referral sources during the executive officer's employment) to become a customer or referral source of another company; and
- directly or indirectly soliciting, inducing or encouraging any of the employees of the Company or its successor and their subsidiaries (who were employees during the executive officer's employment) to terminate their employment with the Company or its successor and their subsidiaries or to seek, obtain or accept employment with another company.

The Employment Agreement also prohibits Mr. Klein from using or disclosing any material confidential information of the Company or its successor and their subsidiaries to any person other than an employee of the Company or its successor and their subsidiaries or a person to whom the disclosure is reasonably necessary or appropriate in connection with his duties to the Company or its successor and their subsidiaries.

Disputes. In the event of a dispute between the Company and Mr. Klein regarding the Employment Agreement, the parties will submit the dispute to binding arbitration. The Company and Mr. Klein will bear their own costs of arbitration, but will share the cost of the arbitrator equally. If Mr. Klein prevails in the arbitration, the Company will reimburse Mr. Klein reasonable costs of arbitration including reimbursement of reasonable attorney's fees.

DIRECTOR COMPENSATION

The Company uses a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on the Board. In setting director compensation, the Company considers the significant amount of time that directors expend in fulfilling their duties to the Company as well as the skill level required by the Company of members of the Board.

Cash Compensation Paid to Board Members

Each director of the Company who is not an employee of the Company or one of its subsidiaries (a “non-employee director”) currently receives an annual cash retainer in the amount of \$9,000, which is paid in twelve monthly installments of \$750 each. The Chairman of the Board (currently Richard L. Hardgrove) receives an additional annual cash retainer of \$15,000, which is paid in twelve monthly installments of \$1,250 each. Each non-employee director also receives an annual cash retainer of \$1,000 for each committee of the Board on which he or she serves, except that the member of the Audit Committee designated as the “audit committee financial expert” (currently Gaylyn J. Finn) receives an annual cash retainer of \$6,000. Each non-employee director also receives an additional \$300 for each Board meeting attended and \$300 for each meeting of a committee of the Board attended. Certain non-employee directors of the Company also serve on the board of directors of one or more of the Company’s subsidiaries, and receive an annual cash retainer for such service as well as fees for attendance at meetings of the board of directors of the appropriate Company subsidiary (and committees of that board).

Stock Options

From time to time, non-employee directors of the Company have been granted nonqualified stock options to purchase Common Shares of the Company. These options are granted at the discretion of the Compensation Committee, subject to the approval of the full Board. There were no nonqualified stock options granted to non-employee directors during the 2012 fiscal year.

Rurban Financial Corp. Plan to Allow Directors to Elect to Defer Compensation

On March 12, 1997, the Board adopted the Rurban Financial Corp. Plan to Allow Directors to Elect to Defer Compensation (the “Deferred Compensation Plan”). The purpose of the Deferred Compensation Plan is to advance the interests of the Company and its shareholders by allowing the directors of the Company and/or its subsidiaries an opportunity to elect to defer payment of all or a portion of their compensation received for their services as directors. The Deferred Compensation Plan is separate from the Deferral Plan, which also allows directors of the Company, State Bank and RDSI to defer all or a portion of their annual compensation.

The Deferred Compensation Plan is administered by the Board. Subject to the express provisions of the Deferred Compensation Plan, the Board has sole discretion and authority to determine from time to time the individuals that are eligible to participate in the plan.

Each non-employee director of the Company and its subsidiaries is eligible to participate in the Deferred Compensation Plan by electing to defer the receipt of all or a portion of the compensation to be received by the director or otherwise payable to him or her during any calendar year. At the time that a director first elects to defer compensation, the Company will establish an account (“Account”) in the director’s name to which all of the director’s deferred compensation will be credited. At the end of each calendar year, the directors’ Account will be credited with an amount of interest equal to the rate determined by the Board for that year.

In the event that a director's service to the Company or any of its subsidiaries is terminated for any reason, the director will be entitled to receive a distribution (a "Distribution") from the Company for the amount of deferred compensation and accrued interest then credited to such director's Account. A Distribution to a director for the amount credited to such director's Account may be made in cash either in a lump sum or in approximately equal annual installments over a period of ten years. Each director will be allowed to suggest his or her preferred method of Distribution; however, the Board has the ultimate discretion in determining the actual method of Distribution. If a director receives a Distribution from the Deferred Compensation Plan in installments, the director will, each year, earn interest on any undistributed amounts credited to such director's Account as of the last day of each calendar year at a rate equal to the prime rate offered by the Company on the first day of that year. Any Distribution received by a director under the Deferred Compensation Plan will be treated as ordinary income for federal income tax purposes at the time that the director receives the Distribution.

The Board may amend or terminate the Deferred Compensation Plan at any time, without the consent of any director of the Company or its subsidiaries.

Other Director Benefits

Additional life insurance is provided to certain directors of the Company through BOLI policies. By way of separate split-dollar agreements, the BOLI policy interests are divided between State Bank and the insureds' beneficiaries. With respect to each BOLI policy, State Bank owns the cash surrender value and a portion of the net death benefit, over and above the death benefit assigned to the insureds' beneficiaries. The cash surrender value of the Company's BOLI policies totaled approximately \$12,547,761 at December 31, 2012. Robert A. Fawcett, Jr. is the only director that has a policy and no future directors will be eligible for a policy. As of December 31, 2012, the beneficiaries of Robert A. Fawcett, Jr. were entitled to receive a benefit of \$150,000 under the Company's BOLI policies.

Directors are also entitled to receive reimbursement for reasonable expenses incurred while serving in the capacity as a director of the Company or its subsidiaries. Expenses subject to reimbursement include, without limitation, expenses incurred in connection with attending continuing education seminars and programs (including tuition, travel, lodging and meals, as applicable).

Director Compensation for 2012 Fiscal Year

The table below summarizes the compensation awarded or paid to, or earned by, each of the non-employee directors of the Company during the 2010 fiscal year. No director who is also an employee of the Company or one of its subsidiaries receives compensation for his service as a director or as a committee member of the Company or any of its subsidiaries. As a result, the compensation of Mark A. Klein, who serves as executive officer and also as a director of the Company or one or more of its subsidiaries during the 2012 fiscal year, is not included in the table below but is disclosed instead in the Summary Compensation Table on page 20 of this proxy statement.

TRANSACTIONS WITH RELATED PERSONS

The Governance and Nominating Committee is responsible, pursuant to its Charter, for reviewing and approving any transaction between the Company and any director or officer of the Company or members of their immediate family or entities with which they are affiliated. On an annual basis, each director and executive officer is obligated to complete a "Director and Officer Questionnaire" which requires the director or executive to disclose any related party transactions or business relationships involving the Company or its subsidiaries which are required to be disclosed pursuant to Item 404 of SEC Regulation S-K. In addition, the Company's Code of Conduct and Ethics prohibits the Company's directors, executive officers and employees from self-dealing or otherwise trading on their positions with

the Company or accepting, from anyone doing or seeking to do business with the Company, a business opportunity not available to other persons or that is made available because of the person's position with the Company. The Code of Conduct and Ethics requires all directors, officers and employees to disclose all potential and actual conflicts of interest, including those in which they have been inadvertently placed due to either business or personal relationships with customers, suppliers, business associates, or competitors of the Company or its subsidiaries. Conflicts or potential conflicts of interest which are disclosed by a director, officer or employee of the Company are referred to and resolved by the Company's Risk Management Officer, with the approval of the Governance and Nominating Committee of the Board.

During the 2012 and 2011 fiscal years, executive officers and directors of the Company, members of their immediate families and corporations or organizations with which they are affiliated entered into banking transactions with the Company's subsidiary, State Bank, in the ordinary course of business and in compliance with applicable federal and state laws and regulations. It is expected that similar transactions will be entered into in the future. Loans to such persons have been made on substantially the same terms, including the interest rate charged and collateral required, as those prevailing at the time for comparable transactions with persons not affiliated with the Company or its subsidiaries and in compliance with Federal Reserve Board Regulation O and comparable laws of the State of Ohio. These loans have been, and are presently, subject to no more than a normal risk of uncollectibility and present no other unfavorable features. The aggregate amount of loans (including undrawn lines of credit) outstanding to directors and executive officers of the Company and their associates as a group was \$329,626 at December 31, 2012 and \$285,384 at December 31, 2011. In addition, the aggregate amount of loans (including undrawn lines of credit) outstanding to the individuals then serving as directors and executive officers of the Company's subsidiaries, who were not also directors or executive officers of the Company, totaled \$190,186 at December 31, 2012 and \$198,793 at December 31, 2011. As of the date of this proxy statement, all of the loans described in this paragraph were performing loans.

PROPOSAL NO. 2

RATIFICATION OF THE APPOINTMENT OF THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The appointment of the Company's independent registered public accounting firm is made annually by the Audit Committee. The Audit Committee has appointed BKD, LLP ("BKD") to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013. The Audit Committee and the Board have decided to submit the appointment of BKD to the shareholders for ratification as a matter of good corporate governance and because of the important role of the Company's independent registered public accounting firm in reviewing the quality and integrity of the Company's financial statements.

BKD has served as the Company's independent auditor/independent registered public accounting firm since November 2002, and BKD audited the Company's consolidated financial statements as of and for the fiscal year ended December 31, 2012. The Company expects that representatives of BKD will be present at the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal, is required to ratify the appointment of BKD as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013. The effect of an abstention is the same as a vote "AGAINST". Even if the appointment of BKD is ratified by the shareholders, the Audit Committee, in its discretion, could decide to terminate the engagement of BKD and to engage another firm if the Audit Committee determines such action is necessary or desirable. If the appointment of BKD is not ratified by the shareholders, the Audit Committee will reconsider the appointment (but may nonetheless, in its discretion, decide to maintain the appointment).

THE AUDIT COMMITTEE AND YOUR BOARD UNANIMOUSLY RECOMMEND THAT
SHAREHOLDERS VOTE FOR
THE RATIFICATION OF THE APPOINTMENT OF BKD, LLP

PROPOSAL NO. 3

NON-BINDING ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) and corresponding SEC rules enable shareholders to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. As a result, the following resolution will be submitted for shareholder approval at the Annual Meeting:

“RESOLVED, that the shareholders of Rurban Financial Corp. hereby approve, on an advisory basis, the compensation of the corporation’s named executive officers as disclosed in the corporation’s Proxy Statement for its 2013 Annual Meeting of Shareholders pursuant to Item 402 of SEC Regulation S-K, including the compensation tables, notes and narrative disclosures contained under the heading “COMPENSATION OF EXECUTIVE OFFICERS” in the corporation’s Proxy Statement.

The Board believes that Rurban’s compensation policies and procedures, which are reviewed and approved by the Compensation Committee, are effective in aligning the compensation of our named executive officers with Rurban’s short-term and long-term goals and that such compensation and incentives are designed to attract, retain and motivate our key executives who are directly responsible for Rurban’s continued success. The Board of Directors believes that Rurban’s compensation policies and practices do not threaten the value of Rurban or the investments of our shareholders or create incentives to engage in behaviors or business activities that are reasonably likely to have a material adverse impact on Rurban. The Board further believes that our culture focuses on sound risk management and appropriately rewards executives for performance. The Board further believes that Rurban’s compensation policies and procedures are reasonable in comparison both to Rurban’s peer bank holding companies and to Rurban’s performance during the 2012 fiscal year.

Shareholders are encouraged to carefully review the information provided in this proxy statement regarding the compensation of Rurban’s named executive officers in the section captioned “COMPENSATION OF EXECUTIVE OFFICERS” beginning on page 12 of this proxy statement.

Because your vote is advisory, the outcome of the vote will not: (i) be binding upon the Board or the Compensation Committee with respect to future executive compensation decisions, including those relating to our named executive officers, or otherwise; (ii) overrule any decision made by the Board or the Compensation Committee; or (iii) create or imply any additional fiduciary duty by the Board or the Compensation Committee. However, the Board and the Compensation Committee expect to take into account the outcome of the advisory vote when considering future executive compensation arrangements.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal is required to approve the non-binding advisory resolution to approve the compensation paid to Rurban’s named executive officers as disclosed in this proxy statement. The effect of an abstention is the same as a vote “AGAINST” the proposal. Broker non-votes will not be counted in determining whether the proposal has been approved.

YOUR BOARD UNANIMOUSLY RECOMMENDS THAT
SHAREHOLDERS VOTE FOR

PROPOSAL NO. 3 – NON-BINDING ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

PROPOSAL NO. 4

NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF
FUTURE ADVISORY VOTES ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Act and corresponding SEC rules also enable shareholders to vote, on an advisory and non-binding basis, on how frequently they would like to cast an advisory vote on the compensation of Rurban's named executive officers. By voting on this proposal, shareholders may indicate whether they would prefer an advisory vote on named executive officer compensation every one year, every two years or every three years. Accordingly, the following resolution is submitted for an advisory shareholder vote at the Annual Meeting:

"RESOLVED, that the shareholders of Rurban Financial Corp. advise that an advisory resolution with respect to executive compensation should be presented to the share-holders every one, two or three years as reflected by the shareholders' votes for each of these alternatives in connection with this resolution."

In voting on this resolution, you should mark your proxy card or submit your voting instructions for "EVERY 1 YEAR", "EVERY 2 YEARS" or "EVERY 3 YEARS" based on your preference as to the frequency with which an advisory vote on executive compensation should be held. If you have no preference, you may "ABSTAIN".

The Board of Directors believes that emerging corporate practices and governance trends favor an annual advisory vote. Annual advisory votes give shareholders the opportunity to react promptly to emerging trends in compensation, and the Board and the Compensation Committee are provided the opportunity to receive yearly feedback from the shareholders. However, shareholders should note that because the advisory vote on executive compensation occurs well after the beginning of the compensation year, it may not be feasible to change our executive compensation programs in consideration of any one year's advisory vote on executive compensation by the time of the following year's annual meeting of shareholders.

Because your vote is advisory, it will not be binding upon the Board. However, the Board will take into account the outcome of the vote when considering the frequency of future advisory shareholder approval of the compensation of named executive officers.

The affirmative vote of a majority of the Common Shares represented at the Annual Meeting, in person or by proxy, and entitled to vote on the proposal is required to approve one of the selections under this advisory proposal. Proxies received by Rurban and not revoked prior to the Annual Meeting will be voted in favor of "EVERY 1 YEAR" unless otherwise instructed by the shareholder. The effect of an abstention is the same as a vote "AGAINST" each of the selections in the advisory proposal. Broker non-votes will have no effect on the outcome.

YOUR BOARD UNANIMOUSLY RECOMMENDS HOLDING AN ADVISORY VOTE
FOR THE APPROVAL OF THE COMPENSATION OF THE NAMED
EXECUTIVE OFFICERS "EVERY 1 YEAR"

The actual compensation paid to the independent registered public accounting firm for all such pre-approved services and fees is reported to the Audit Committee on at least a quarterly basis.
