Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

At the Annual Meeting of Stockholders of Fortinet, Inc. (“Fortinet”) held on June 22, 2018 (the “Annual Meeting”), Fortinet’s stockholders adopted an amended and restated certificate of incorporation for Fortinet (the “Restated Certificate”) in order to declassify Fortinet’s Board of Directors (the “Board”) and make other related changes. The Restated Certificate was previously approved by the Board, subject to the adoption of Fortinet’s stockholders. The Restated Certificate became effective upon acceptance of the filing by the Secretary of State of the State of Delaware on June 22, 2018.

The Restated Certificate implements a gradual declassification of the Board and provides for the annual election of directors for one-year terms, commencing upon the expiration of the directors’ current terms. The Restated Certificate first applied to the directors who stood for election at the Annual Meeting, and the declassification of the Board will be phased in over a period of two years. Beginning with the 2020 Annual Meeting of Stockholders, the entire Board will stand for election annually for one-year terms. The Restated Certificate also permits stockholders to remove directors elected for one-year terms with or without cause. Directors in a class that is serving out the remainder of a three-year term will continue to be removable only for cause. The description of the foregoing Restated Certificate is qualified in its entirety by reference to the Restated Certificate, a copy of which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.

The Board also approved amended and restated bylaws (the “Restated Bylaws”), which became effective upon the effectiveness of the Restated Certificate. The Restated Bylaws permit stockholders to remove directors as provided in the Restated Certificate. The description of the foregoing Restated Bylaws is qualified in its entirety by reference to the Restated Bylaws, a copy of which is attached hereto as Exhibit 3.2 and is incorporated herein by reference.
