Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.

(a)

On September 1, 2006, on behalf of the registrant, Halo Technology Holdings, Inc. (the "Company"), the Company's Board of Directors determined that investors should not rely on the Company's (a) consolidated financial statements for the period ended June 30, 2005 and the report thereon of the Company's independent registered public accountants, included in the Company's Annual Report on Form 10-KSB filed with the Securities and Exchange Commission ("SEC") on September 28. 2005, (b) condensed consolidated financial statements for the period ended September 30, 2005, included in the Company's Quarterly Report on Form 10-QSB filed with the SEC on November 14, 2005, (c) condensed consolidated financial statements for the period ended December 31, 2005, included in the Company's Quarterly Report on Form 10-QSB filed with the SEC on February 15, 2006, and (d) condensed consolidated financial statements for the period ended March 31, 2006, included in the Company's Quarterly Report on Form 10-QSB filed with the SEC on May 15, 2006.

In the course of responding to comments received from the SEC in connection with the Company's registration statement on Form S-4 filed April 5, 2006, and amended on June 1, 2006, the Company identified errors resulting from the improper treatment of certain warrants to acquire common stock of the Company. The Company had treated the warrants as equity, but the warrants should have been treated as liabilities. As a result, the Company intends to amend both its Annual Report for the year ended June 30, 2005 and its Quarterly Reports for the interim periods ended March 31, 2006, December 31, 2005 and September 30, 2005.

The Company's Board of Directors have discussed the matters disclosed in this Report on Form 8-K with the Company's independent registered public accounting firm.
