Item 1.01 Entry into a Material Definitive Agreement.

On April 17, 2007, Kansas City Southern de México, S. de R.L. de C.V. ("KCSM"), a wholly-owned subsidiary of Kansas City Southern (the "Company"), entered into an Equipment Lease Agreement (the "Lease") between KCSM and Highridge Leasing LLC (the "Lessor") with respect to thirty (30) General Electric ES44AC locomotives (the "Locomotives") delivered to KCSM in December 2006 and January 2007.

Pursuant to the terms of the Lease, KCSM agreed to sell the Locomotives to the Lessor for an aggregate purchase price not to exceed \$66.0 million and to lease the Locomotives from the Lessor for an initial term of twenty years. KCSM is obligated to pay rent on the Locomotives bi-annually with the final rent payment due in 2027. Subject to certain adjustments provided in the Lease, including pricing adjustments on the final Settlement Date (as defined in the Lease), the aggregate rent payments for the Locomotives during the term of the Lease are approximately \$116.4 million.

The Lease contains representations, warranties and covenants typical of such equipment leases. Events of default in the Lease include, but are not limited to, certain payment defaults, certain bankruptcy and liquidation proceedings and the failure to observe or perform any covenants or agreements contained in the Lease. Any event of default could trigger acceleration of KCSM's payment obligations under the terms of the Lease.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information required by this item is included in Item 1.01 above and is incorporated herein by reference.
