Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 26, 2009, Biolase Technology, Inc. (the "Company") filed a Current Report on Form 8-K with the Securities and Exchange Commission (the "March 26, 2009 Form 8-K") to disclose that on March 23, 2009, the Company received a letter from The NASDAQ Stock Market (the "NASDAQ Letter") indicating that the Company did not comply with the minimum stockholders' equity requirement for continued listing on The NASDAQ Global Market. Pursuant to the NASDAQ Letter, NASDAQ requested that the Company submit a detailed plan of compliance by April 7, 2009, or alternatively, apply for transfer of its securities to The NASDAQ Capital Market.

The purpose of this amendment to the March 26, 2009 Form 8-K is to disclose that, after considering the alternatives, on April 7, 2009 the Company elected to apply to transfer the listing of its securities to the NASDAQ Capital Market.

The Company believes that, as of the date of this filing, it is in compliance with the requirements for listing with the NASDAQ Capital Market. Until the Company's request is determined by NASDAQ, the Company's stock will continue to trade on the NASDAQ Global Market under the symbol "BLTI." The NASDAQ Capital Market operates in substantially the same manner as The NASDAQ Global Market. Companies listed on the NASDAQ Capital Market must comply with the same corporate governance standards applicable to companies listed on The NASDAQ Global Market. Following transfer, the Company's shares are expected to continue to trade under the symbol "BLTI" in the same manner as they have traded in the past.
