Item 1.01 Entry into a Material Definitive Agreement.

As previously disclosed by Skechers U.S.A., Inc. (the "Company"), on January 30, 2010, the Company entered into a Limited Liability Company Agreement with HF Logistics I, LLC ("HF") through Skechers RB, LLC, a wholly-owned subsidiary of the Company ("Skechers RB"), regarding the ownership and management of HF Logistics-SKX, LLC, a Delaware limited liability company (the "JV"). The purpose of the JV was to acquire and develop real property consisting of approximately 110 acres situated in Moreno Valley, California (the "Property"), and to construct approximately 1,820,000 square feet of buildings and other improvements (the "Project"), which was completed and leased to the Company as a distribution facility in November 2011. The Company, through Skechers RB, made an initial cash capital contribution of \$30 million and HF made an initial capital contribution of land to the JV in April 2010.

On April 30, 2010, the JV, through HF Logistics-SKX T1, LLC, a Delaware limited liability company and wholly-owned subsidiary of the JV ("HF T1"), entered into a construction loan agreement with Bank of America, N.A. as administrative agent and as a lender, and Raymond James Bank, FSB, as a lender (collectively, the "Construction Loan Agreement"), with a loan of up to \$55.0 million used for construction of the Project on the Property (the "Loan"). Bank of America, N.A. also acts as a lender and syndication agent under the Company's credit agreement dated June 20, 2009, as amended.

On November 16, 2012, HF-T1 executed a modification to the Construction Loan Agreement (the "Modification"), which increased the borrowings under the Loan to \$80.0 million and extended the maturity date of the Loan to November 16, 2015. The \$80.0 million is being used to (i) repay \$54.7 million in outstanding borrowings under the original Loan, (ii) repay a loan of \$18.3 million including accrued interest from HF to the JV, (iii) repay a loan of \$2.5 million including accrued interest from Skechers RB to the JV, (iv) pay a deferred management fee of \$1.9 million to HF, (iv) pay distributions of \$0.9 million to each of HF and Skechers RB, and (v) \$0.8 million used for loan fees and other closing costs. Under the Modification, OneWest Bank, FSB is an additional lender that funded in part the increase to the Loan, and the interest rate on the Loan is the daily British Bankers Association LIBOR rate plus a margin of 3.75%, which is no longer subject to a minimum rate. The Construction Loan Agreement and the Modification are subject to customary covenants and events of default.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The execution of the Construction Loan Agreement and the Modification described in Item 1.01 constitutes the creation of direct financial obligations of the JV, of which the Company owns a 50% equity interest. The disclosure set forth above under Item 1.01 is hereby incorporated by reference into this Item 2.03.
