Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On December 6, 2007, Blonder Tongue Laboratories, Inc. (the "Company") advised the American Stock Exchange ("Amex") that the Company is not currently in compliance with Sections 121A and 802(a) of the Amex Company Guide, each of which requires that at least a majority of the Company's Board of Directors be comprised of "independent" directors within the meaning of the Amex listing standards.

On December 6, 2007, the Company entered into a Purchase Agreement with Buffalo City Center Leasing, LLC ("Buffalo City"), as discussed in Item 8.01 below. James F. Williams, one of the Company's directors, is the managing member and a vice president of Buffalo City and may be deemed to control the entity which owns fifty percent (50%) of the membership interests of Buffalo City.

Following approval of the Purchase Agreement with Buffalo City, the Board of Directors of the Company concluded that, by virtue of the Company's agreement with Buffalo City and Mr. Williams' interest in Buffalo City, Mr. Williams no longer qualifies as an independent director within the meaning of the Amex listing standards. As a result, the Board of Directors, which currently consists of seven (7) directors, includes only three (3) independent directors and, therefore, no longer complies with the Amex's requirement that a majority of the Board be comprised of independent directors.

In order to regain compliance with the Amex listing standards, the Nominating Committee of the Company's Board of Directors intends to immediately begin a search to identify one or more qualified director candidates, each of whom would be independent within the meaning of the Amex listing standards, would meet the additional Audit Committee independence standards under Rule 10A-3, would have the knowledge, skills and experience necessary to serve as a member of the Audit Committee and/or the Compensation Committee of the Board of Directors, and would satisfy the Company's other criteria for Board membership. In addition, the Board may consider other changes to the composition of the Company's Board of Directors as necessary to ensure that the composition of the Board of Directors meets the applicable Amex listing standards.

Item 7.01 Regulation FD Disclosure.

On December 6, 2007, the Company entered into a Purchase Agreement with Buffalo City, as further disclosed in Item 8.01 below. On December 6, 2007, the Company issued a press release announcing the Purchase Agreement with Buffalo City. The press release is attached hereto as Exhibit 99.1 and is incorporated into this Item 7.01 by reference.

Item 8.01. Other Events.

On December 6, 2007, the Company entered into a Purchase Agreement with Buffalo City pursuant to which the Company will be the contract manufacturer of a product known as RouteTracker and Buffalo City agrees to purchase from the

Edgar Filing: BLONDER TONGUE LABORATORIES INC - Form 8-K

Company a minimum quantity of 25,000 units (the "Minimum Requirement") over a period of three (3) years, for a total purchase price of approximately \$4,000,000. The Company will be the exclusive manufacturer of RouteTracker until the Minimum Requirement has been met. In the event Buffalo City fails to purchase the Minimum Requirement during such three (3) year period, Buffalo City shall have a thirty (30) day period to cure the deficiency by either (i) placing an order for, and pre-paying, a sufficient number of units to satisfy the Minimum Requirement, or (ii) paying to the Company an amount sufficient to cover all of the Company's inventory and manufacturing costs related to units not purchased by Buffalo City below the Minimum Requirement, up to a maximum amount of \$480,000. Buffalo City's payment obligations under the Purchase Agreement shall be secured by the personal guarantees of the owners of Buffalo City and a Letter of Credit in the amount of \$250,000.

The Company has manufactured and sold RouteTracker and other products to Buffalo City in the past under a general purchase order. As discussed in Item 3.01 above, James F. Williams, one of the Company's directors, is the managing member and a vice president of Buffalo City and may be deemed to control the entity which owns fifty percent (50%) of the membership interests of Buffalo City. The Company has no other relationship with Buffalo City.
