Item 1.01. Entry into a Material Definitive Agreement.

On March 21, 2018, CPI Aerostructures, Inc. (the “Company”), entered into a Stock Purchase Agreement (the “Agreement”) with Air Industries Group (“Seller”), pursuant to which, subject to the satisfaction or waiver of certain conditions, the Company will purchase from Seller all of the shares (the “Shares”) of Welding Metallurgy, Inc. (“WMI”), a wholly owned subsidiary of Seller (the “Acquisition”).

Under the terms of the Agreement, the Company will pay a purchase price for the Shares as follows: (i) \$9.0 million in cash, subject to adjustment based on the working capital of WMI at the closing of the Acquisition and (ii) up to an aggregate of \$1.0 million, in two payments of up to \$500,000 each (the “Contingent Payments”) if WMI enters into certain long-term supply agreements. The Contingent Payments are reduced if milestones for signing are not achieved.

The Agreement contains customary representations, warranties, and covenants of Seller and the Company and post-closing indemnities. The representations and warranties set forth in the Agreement generally survive for 18 months following the closing of the Acquisition, with longer survival periods with respect to certain specified representations and warranties. Subject to certain specified exceptions, Seller’s indemnification obligations are subject to an indemnity basket of \$150,000 after which Seller will be liable for amounts in excess of \$75,000, and an indemnity cap of \$2.0 million. The Agreement provides that the Company will place into escrow an aggregate of \$2.0 million of the purchase price of which \$500,000 will be for payment of a post-closing working capital adjustment and \$1.5 million will be used to satisfy Seller’s indemnification obligations.

The completion of the Acquisition is subject to customary closing conditions, approval from certain customers of WMI, the Company obtaining financing to pay the purchase price, and the delivery of financial statements to the Company. The Acquisition is not subject to approval by the stockholders of either party.

The Company anticipates financing the Acquisition through a new term loan to be included within an expanded and extended credit facility to be negotiated with the Company's existing lender. There can be no assurance that the Company will be able to expand and extend the credit facility and that the Acquisition will be funded as anticipated.

The Company expects the closing of the Acquisition to occur during the second quarter of 2018.

A copy of the Agreement is attached as Exhibit 2.1 to this current report on Form 8-K and is incorporated herein by reference. The foregoing description of the Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement.

Item 7.01 Regulation FD Disclosure.

On March 22, 2018, the Company issued a press release announcing the Agreement and the proposed Acquisition, a copy of which is attached hereto as Exhibit 99.1.

The information contained in the press release is being furnished and shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liability of such section, nor shall such information be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
