Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4 (c))

**Item 7.01. Regulation FD Disclosure.**

- (1) The Company has received questions and the Company felt it was better to answer the questions through an 8-K instead emailing the individuals directly.

Q.1. Has the Company begun selling product?

A.1. Yes. The Company has been selling product at the HempCon events that we attended. We sold cans and waffles at the events. Additionally, the product is available in a few dispensaries in Northern California. We used these as test markets for the product.

Q.2. What is the Company's main goal for the remainder of the year?

A.2. Our main goal is to be in 100 dispensaries by the end of the year with each selling approximately 100-150 units per month.

Q.3. Will the Company add additional products?

A.3. Yes. We will be adding 3 flavors to the product line in the next 2-3 weeks. Additionally, we have begun development of spreads and baked goods. Our goal is to have between 5-10 products available by the end of the year.

Q.4. What product(s) are currently available?

A.4. The Company previously was testing its Pancake and Waffle Batter which was in an 18oz can with 330 mg of THC which had a suggested price of \$40 per unit. The Company will be rolling out for dispensaries 2 variations of an 8 oz can. The first will be 120 mg of THC with a suggested price of \$20 and the second will be 40 mg of THC with a suggest price of \$10. The Company is looking at the new regulations and the move to possibly "Adult Use" in California.

Q.5. When is the next event the Company will be at?

A.5. The Company will have a booth at the San Bernardino HempCon on November 6-8. We would love to have shareholders visit us at the booth.

Q.6. Will the Company expand outside of California?

A.6. The Company is currently focusing its efforts in California. California remains the largest state market at \$980 million, even without Adult Use regulations. Once Adult Use is adopted -- which is likely by 2017 -- the total California market could increase to \$5-10 billion annually. Once we have established a firm foundation in California, we will look at expanding to Colorado, Washington and Nevada.

(2) On October 6, 2015, the Company issued a press release. The Press Release is furnished as Exhibit 99.1 hereto and is incorporated into this Item 7.01 by this reference.
