**Item 8.01 Other Events.**

On March 1, 2019, Microbot Medical Inc. (the “Company”) issued a press release announcing that it is maintaining its milestone targets for 2019 following the recently announced decision of the New York State Supreme Court to rescind the Stock Purchase Agreement the Company entered into with two affiliated investors, in connection with its June 2017 Registered Direct Offering of approximately \$10 million of common stock.

The rescission would require the investors to transfer back to the Company the shares they purchased in that offering, and the Company to return to those investors their purchase price of \$3.375 million. The litigation, captioned Sabby Healthcare Master Fund Ltd. and Sabby Volatility Warrant Master Fund Ltd., Plaintiffs, against Microbot Medical Inc., has been previously disclosed in the Company’s filings with the Securities and Exchange Commission.
