In addition, the Company will grant to Mr. Christie, as inducement for commencing employment with the Company, an award of 95,000 units of equity incentive awards. These awards will consist of the following: (i) 47,500 restricted stock units with four-year vesting at a rate of 25% on each anniversary of the grant date; subject to Mr. Christie's continued service to the Company through each vesting date and (ii) 47,500 performance share units that will pay out within 60 days following December 31, 2014 (also subject to continued employment through the payment date), in shares of common stock, at a rate from 0% to 200% of the nominal award amount, based on the ranking of the total shareholder return of the Company's common stock for the three years commencing on January 1, 2012 compared to the total shareholder return of the common shares of companies included in an industry peer group.
