Item 2.05 Costs Associated with Exit or Disposal Activities

On November 29, 2016, the Board of Directors of GoPro, Inc. (“the Company”) approved a restructuring of the Company’s business. The restructuring includes a global reduction-in-force, the closure of the Company’s entertainment division and the consolidation of certain leased office facilities.

The Company estimates that it will incur total aggregate charges of approximately \$24 million to \$33 million for the restructuring, including approximately \$13 million to \$18 million of cash expenditures as a result of the reduction in force, substantially all of which are severance and related costs, and approximately \$11 million to \$15 million of non-cash expenditures, consisting primarily of stock-based compensation expense and accelerated depreciation associated with office consolidations. The Company expects to recognize most of the restructuring charges in the fourth quarter of 2016.
