**ITEM 1.01 Entry into a Material Definitive Agreement**

*Forbearance Agreements and Revolving Loan Agreement*

As previously disclosed, Pro-Dex Sunfish Lake, LLC (“PDSL”), a wholly owned subsidiary of Pro-Dex, Inc. (the “Company”), entered into a Loan and Purchase and Sale Agreement (“Bank Purchase Agreement”), dated as of November 21, 2014, with a regional Minnesota-based bank (the “Bank”), Heron Enterprises, LLC (“Heron”), and Scott Robertson (“Robertson”). Robertson owns one hundred percent of the outstanding capital stock of Riverside Manufacturing, Inc. (“Riverside”). Pursuant to the Bank Purchase Agreement, PDSL purchased from the Bank, among other things, a promissory note (the “Riverside Note”) made by Riverside in favor of the Bank and related loan and security agreements. Concurrent with closing the transactions contemplated by the Bank Purchase Agreement, PDSL also entered into a Debt Purchase Agreement (the “Heron Purchase Agreement”) with Heron and Robertson. Pursuant to the Heron Purchase Agreement, among other things, PDSL purchased from Heron two unsecured promissory notes (collectively, the “Purchased Heron Notes”) made by Riverside in favor of Heron. The Riverside Note and the Purchased Heron Notes were all in default at the time of PDSL’s purchase.

On March 3, 2015, but effective as of February 3, 2015, PDSL entered into the following agreements with Riverside: (i) Heron Forbearance Agreement (“Heron Forbearance Agreement”), (ii) Riverside Forbearance Agreement (“Riverside Forbearance Agreement”), and (iii) Revolving Loan Agreement (“Revolving Loan Agreement”).

Under the terms of the Heron Forbearance Agreement, PDSL agrees to forbear from enforcing its rights under the Purchased Heron Notes until July 31, 2015. In exchange for such forbearance, Riverside agrees to increase the amount of principal outstanding under the Purchased Heron Notes by \$25,666.35.

Under the terms of the Riverside Forbearance Agreement, PDSL agrees to forbear from enforcing its rights under the Riverside Note and related loan and security agreements until July 31, 2015. In exchange for such forbearance, Riverside agrees to increase the amount of principal outstanding under the Riverside Note by \$20,637.08.

Under the terms of the Revolving Loan Agreement, PDSL agrees to advance Riverside from time-to-time up to an aggregate amount of \$200,000 at any time prior to July 31, 2015. PDSL made advances to Riverside in the amount of \$49,188 under the Revolving Loan Agreement through February 3, 2015. The advances are to be used by Riverside for working capital purposes and to settle various unsecured obligations.

Each of the Heron Forbearance Agreement, Riverside Forbearance Agreement and Revolving Loan Agreement also contain certain representations, warranties, indemnifications and covenants of the parties customary for transactions of this type.

Copies of the Heron Forbearance Agreement, Riverside Forbearance Agreement and Revolving Loan Agreement are attached as exhibits to this Current Report. The above descriptions are qualified by reference to the complete text of those documents and agreements.

#### *Robertson Employment Agreement*

As previously disclosed, in connection with the Bank Purchase Agreement and the Heron Purchase Agreement, Pro-Dex Riverside, LLC (“PDR”), a wholly owned subsidiary of the Company, entered into an Employment Agreement with Robertson (the “Robertson Employment Agreement”). Under the original terms of the Robertson Employment Agreement, among other things, if a third party acquires either substantially all of the Riverside assets or a controlling interest in PDR (a “Riverside Liquidity Event”), then Robertson would be paid an amount equal to 50% of any proceeds from the Riverside Liquidity Event in excess of the greater of (i) \$1.44 million or (ii) a 20% annualized return to the Company on \$1.2 million calculated from November 21, 2014, provided that the aggregate amount payable to Robertson from a Riverside Liquidity Event shall in no event exceed \$170,000 (such amount, the “Liquidation Proceeds”).

On March 3, 2015, but effective as of February 4, 2015, PDR entered into a First Amendment to Employment Agreement (“First Amendment”) with Robertson. Under the terms of the First Amendment, the amount of

Liquidation Proceeds payable to Robertson in the event of a Riverside Liquidity Event was revised to take into account advances made under the Revolving Loan Agreement. Pursuant to the First Amendment, in the event of a Riverside Liquidity Event, Robertson shall be paid an amount equal to 50% of any proceeds from the Riverside Liquidity Event in excess of the greater of (i) the sum of (x) \$1.44 million, *plus (y) 1.2 multiplied by the amount of any advances made under the Revolving Loan Agreement (inclusive of accrued interest)*, or (ii) a 20% annualized return to the Company *on both* (x) \$1.2 million calculated from November 21, 2014 *and (y) the amount of any advances made under the Revolving Loan Agreement (inclusive of accrued interest)*, provided that the aggregate amount payable to Robertson from a Riverside Liquidity Event shall in no event exceed \$170,000.

The First Amendment also contains certain other provisions of the parties customary for an agreement of this type.

A copy of this First Amendment is attached as an exhibit to this Current Report. The above description is qualified by reference to the complete text of the First Amendment.

### **ITEM 2.03      Creation of a Direct Financial Obligation (DFO) or an Obligation under an Off-Balance Sheet Arrangement**
