(c) At its meeting on October 25, 2017, the Board of Supervisors (“Board”) of Suburban Propane Partners, L.P. (the “Partnership”), acting on the recommendation of Michael A. Stivala, the Partnership’s President and Chief Executive Officer, promoted, effective immediately, Steven C. Boyd, 53, currently the Partnership’s Senior Vice President – Operations, to Chief Operating Officer. Concurrently, the Board promoted Daniel S. Bloomstein, currently the Partnership’s Controller, to Vice President and Controller and Michael Schueler, currently the Partnership’s Managing Director – Product Supply, to Vice President – Product Supply.

Mr. Boyd joined a predecessor of the Partnership in 1986 and since then has served in a number of management positions of increasing responsibility until he was named Senior Vice President – Operations in September 2015. In recognition of the increased responsibilities associated with his promotion, the Compensation Committee of the Board (the “Committee”) set Mr. Boyd’s annual base salary, for the Partnership’s 2018 fiscal year, at \$365,000 (increased from \$330,000). He will continue to participate in the Partnership’s Incentive Compensation Plan, with a bonus target remaining at 80% of his base salary for the 2018 fiscal year. In connection with his promotion, the Committee also approved the grant to Mr. Boyd, effective on November 15, 2017, of an award of restricted units under the Partnership’s 2009 Restricted Unit Plan (the “Plan”), having a market value of \$675,000 (the number of restricted units will be calculated by dividing said market value by the average of the closing prices, on the New York Stock Exchange, of one Common Unit of the Partnership for the 20 trading days prior to the effective date of grant). Mr. Boyd remains eligible to participate in the Partnership’s other benefit plans.

Under the terms of the Plan, the restricted units granted to Mr. Boyd will vest over time, with 33.33% of the restricted units vesting at the end of each of the first three anniversaries of the grant date. Upon vesting, restricted units are automatically converted into Common Units of the Partnership.

There are no transactions, since the beginning of the Partnership’s last fiscal year (September 25, 2016), or any currently proposed transaction, in which the Partnership was or is to be a participant and the amount involved exceeds \$120,000, and in which Mr. Boyd, or any of his respective immediate family members, had or will have a direct or indirect material interest, other than the compensation and benefits, described above, to be paid to Mr. Boyd in connection with his employment by the Partnership.
