Q. *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

- Many holders of the Company's Class A Common Stock hold such shares through a broker or other nominee (i.e., as a beneficial owner), rather than directly in their own name (i.e., as a stockholder of record). As summarized below, there are some distinctions between shares held of record and those owned beneficially.
- A.

Stockholder of Record. If your shares are registered in your name with the Company's transfer agent, American Stock Transfer & Trust Company, as of 5:00 p.m., Eastern Time, on the April 14, 2014 record date, you are considered the stockholder of record with respect to those shares, and the Company is making these proxy materials available, electronically or otherwise, directly to you. As the stockholder of record, you have the right to grant your voting proxy directly to the Company or to a third party, or to vote in person at the 2014 Annual Meeting. The Company has made available a proxy card or electronic voting that stockholders can use to vote.

- **Beneficial Owner.** If your shares are held in a brokerage account or by another nominee as of 5:00 p.m., Eastern Time, on the April 14, 2014 record date, you are considered the beneficial owner of shares held in street name, and the Company is making these proxy materials available, electronically or otherwise, to your broker, nominee or trustee. These intermediaries should forward these materials to you.

Q. *How do I vote?*

A. You may vote using one of the following methods:

Internet. To vote through the Internet, go to www.proxyvote.com and follow the steps on the secure website. You should have your Internet Notice or your proxy card available, as you will need to reference your assigned Control Number(s). You may vote on the Internet up until 11:59 p.m. Eastern Time on June 9, 2013, which is the day before the June 10, 2014 Annual Meeting. If you vote by the Internet, you do not need to return your proxy card, although you can use it later to change your Internet vote.

Telephone. You may vote by telephone by calling the toll-free number on your proxy card up until 11:59 p.m., Eastern Time, on June 9, 2014 and following the pre-recorded instructions. You should have your Internet Notice or your proxy card available when you call, as you will need to reference your assigned Control Number(s). If you vote by telephone, you do not need to return your proxy card, although you can use it later to change your telephone vote.

Mail. If you receive paper copies of the proxy materials by mail, you may vote by mail by marking your proxy card, dating and signing it, and returning it in the postage-prepaid envelope provided, or to Vote Processing (Revlon), c/o Broadridge, 51 Mercedes Way, Edgewood, NJ 11717. You should return your completed proxy card so that Broadridge receives it prior to the closing of the voting polls for the June 10, 2014 Annual Meeting.

In Person. You may vote your shares in person by attending the 2014 Annual Meeting and submitting a valid proxy at the meeting. If you are a registered owner or record holder (i.e., you are listed as a stockholder on the books and records of our transfer agent), you may vote in person by submitting your proxy card or casting a ballot furnished by the Company at the 2014 Annual Meeting prior to the closing of the polls. If you are a beneficial owner (i.e., your shares are held by a nominee, such as a bank or broker or in street name), you may not vote your shares in person at the 2014 Annual Meeting unless you obtain and present to the Company an original legal proxy from your bank or broker authorizing you to vote the shares. Copies and Requests for Admission will not be accepted.

Voting, Generally. All shares that have been voted properly by an unrevoked proxy will be voted at the 2014 Annual Meeting in accordance with your instructions. In relation to how your proxy will be voted, see *How will my proxy be voted?* below.

If you are a beneficial owner because your brokerage firm, bank, broker-dealer or other similar organization is the holder of record of your shares (i.e., your shares are held in street name), you will receive instructions on how to vote from your bank, broker or other record holder. You must follow these instructions in order for your shares to be voted. You should instruct your nominee on how to vote your shares. Your broker is required to vote those shares in accordance with your instructions. If you do not give instructions to your broker, the broker may vote your shares only with respect to Proposal No. 2 (the ratification of the Audit Committee's selection of the Company's independent registered public accounting firm), which is considered a routine matter, and not with respect to Proposal No. 1 (the election of directors), Proposal No. 3 (say-on-pay) or Proposal No. 4 (stockholder proposal).

Q. *Who can vote?*

A. Only (1) stockholders of record of Revlon, Inc. Class A Common Stock (which is the only outstanding class of the Company's voting capital stock) at 5:00 p.m., Eastern Time, on April 14, 2014, the record date for the 2014 Annual Meeting, and (2) those who have been granted and present an original, signed, valid legal proxy in appropriate form from a holder of record of Revlon, Inc. Class A Common Stock as of 5:00 p.m., Eastern Time, on April 14, 2014, are entitled to vote. Each share of the Company's Class A Common Stock is entitled to one vote.

Q. *How will my proxy be voted?*

A. When properly submitted to us, and not revoked, your proxy will be voted in accordance with your instructions. If you sign and return your proxy card without indicating how you would like your shares to be voted, the persons

designated by the Company as proxies will vote in accordance with the recommendations of the Board of Directors, as follows: (1) **FOR** Proposal No. 1 (the election of directors); (2) **FOR** Proposal No. 2 (the ratification of the Audit Committee's selection of KPMG LLP as the Company's independent registered public

TABLE OF CONTENTS

accounting firm for 2014); (3) **FOR** Proposal No. 3 (the non-binding, advisory approval of the Company's executive compensation, through the non-binding, advisory say-on-pay vote); and (4) **AGAINST** Proposal No. 4 (the stockholder proposal).

Although we are not aware of any other matter that will be properly presented at the 2014 Annual Meeting, if any other matter is properly presented, the persons designated by the Company as proxies may vote on such matters in their discretion.

Q. Can I change or revoke my vote?

- A. Yes. If you are a stockholder of record, you can change or revoke your vote at any time before it is voted at the 2014 Annual Meeting by:
- executing and delivering a proxy bearing a later date, which must be received by the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, before the original proxy is voted at the 2014 Annual Meeting;
 - filing a written revocation or written notice of change, as the case may be, which must be received by the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, before the original proxy is voted at the 2014 Annual Meeting; or
 - attending the 2014 Annual Meeting and voting in person.

If you are a beneficial owner, please follow the voting instructions sent to you by your broker, trustee or nominee to change or revoke your vote.

To revoke a vote previously submitted electronically through the Internet or by telephone, you may simply vote again at a later date, using the same procedures, in which case the later submitted vote will be recorded and the earlier vote revoked.

Solicitation and Voting of Proxies; Revocation

Unless properly revoked, all proxies properly submitted to the Company will be voted on all matters presented at the 2014 Annual Meeting in accordance with the instructions given by the person executing or electronically submitting the proxy. In the absence of instructions, such proxies will be voted:

- (1) **FOR** the election of each of the 14 nominees identified in this Proxy Statement to the Board of Directors;
- (2) **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2014;
- (3) **FOR** the non-binding, advisory say-on-pay approval of the Company's executive compensation; and
- (4) **AGAINST** the stockholder proposal.

See below for discussion of broker non-votes. The Company has no knowledge of any other matters to be brought before the meeting. The deadline for receipt by the Company of stockholder proposals for inclusion in the proxy materials for presentation at the 2014 Annual Meeting was December 26, 2013. The Company received the stockholder proposal included in Proposal No. 4, which the Company recommends stockholders vote **AGAINST**, for the reasons set forth under such item.

Pursuant to the Company's By-laws, in order for stockholders to properly bring any business before the 2014 Annual Meeting that is not otherwise set forth in this proxy statement, notice of such business must have been received by the Company between March 8, 2014 and April 7, 2014 and not subsequently withdrawn. Such notices must include, among other things: (i) information regarding the proposed business to be brought before the meeting; (ii) the identity of the stockholder proposing the business; and (iii) the class of the Company's shares which are owned beneficially or of record by such stockholder. The Company did not receive notification of any such matters. As a general matter, if any matters are properly presented before the 2014 Annual Meeting for action, in the absence of other instructions, it is intended that the persons named by the Company and acting as proxies will vote in accordance with their discretion on such matters.

The submission of a signed or validly submitted electronic proxy will not affect a stockholder's right to change such vote, attend and/or vote in person at the 2014 Annual Meeting. Stockholders who execute a proxy or validly submit an electronic vote may revoke it at any time before it is voted at the 2014 Annual Meeting. Such revocations may be made by: (i) filing a written revocation or written notice of change, as the case may be, with the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, which must be received before the original proxy is voted at the 2014 Annual Meeting; (ii) executing and delivering a proxy bearing a later date to the Company's Secretary at 237 Park Avenue, 14th Floor, New York, NY 10017, Attention: Michael T. Sheehan, which must be received before the original proxy is voted at the 2014 Annual Meeting; or (iii) attending the 2014 Annual Meeting and voting in person.

To revoke a proxy previously submitted electronically through the Internet or by telephone, you may simply vote again at a later date, using either of those procedures, or submit a properly completed original proxy reflecting your changed vote. In such case, the later submitted vote will be recorded and the earlier vote revoked.

Record Date; Voting Rights

Only holders of record of shares of the Company's Class A common stock, par value \$0.01 per share (the Class A Common Stock), at 5:00 p.m., Eastern Time, on April 14, 2014 (the Record Date) will be entitled to notice of and to vote at the 2014 Annual Meeting or at any adjournments of such meeting. On the Record Date, there

TABLE OF CONTENTS

were issued and outstanding 52,356,798 shares of the Company's Class A Common Stock, each of which is entitled to one vote. Such shares represent all of the Company's issued and outstanding shares of voting capital stock as of such date. As of the Record Date, Mr. Ronald O. Perelman, Chairman of the Board of Directors, directly and indirectly through MacAndrews & Forbes Holdings Inc., of which Mr. Perelman is the sole stockholder (together with certain of its affiliates (other than the Company or its subsidiaries), MacAndrews & Forbes), beneficially owned 40,669,640 shares of the Class A Common Stock, representing approximately 78% of the voting power of such stock.

The presence in person or by duly submitted proxy of the holders of a majority of the total number of votes of the Class A Common Stock entitled to vote at the 2014 Annual Meeting is necessary to constitute a quorum to transact business at the meeting. Abstentions will be included in the calculation of the number of shares present at the 2014 Annual Meeting for the purposes of determining a quorum.

As there is at least one routine matter (under applicable NYSE rules) for consideration at the 2014 Annual Meeting, broker non-votes, if any, will also be included in the calculation of the number of shares present at the 2014 Annual Meeting for the purposes of determining a quorum. Broker non-votes are shares held by a broker, trustee or nominee that are not voted because the broker, trustee or nominee does not have discretionary voting power on a particular proposal and does not receive voting instructions from the beneficial owner of the shares.

Brokers will not be allowed to vote shares as to which they have not received voting instructions from the beneficial owner with respect to Proposal No. 1 (the election of directors), Proposal No. 3 (say-on-pay) or Proposal No. 4 (stockholder proposal). Accordingly, broker non-votes will not be counted as a vote for or against any of these proposals.

For shares as to which brokers have not received voting instructions from the beneficial owner, brokers will be able to vote on Proposal No. 2 (ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2014), as this is considered a routine matter under applicable NYSE rules for which brokers have discretionary voting power.

MacAndrews & Forbes has informed the Company that it will duly submit proxies:

- (1) **FOR** the election to the Board of Directors of each of the 14 nominees identified in this Proxy Statement;
- (2) **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2014;
- (3) **FOR** the non-binding, advisory approval of the Company's executive compensation; and
- (4) **AGAINST** the stockholder proposal.

Accordingly, with MacAndrews & Forbes' vote, there will be a quorum for the 2014 Annual Meeting. MacAndrews & Forbes' vote will also be sufficient, without the concurring vote of any of the Company's other stockholders, to approve and adopt Proposal Nos. 1, 2 and 3 and to reject Proposal No. 4.

If shares of Class A Common Stock are held as of the Record Date for the account of participants under the Revlon Employees' Savings, Investment and Profit Sharing Plan (the 401(k) Plan), the 401(k) Plan trustee will vote those shares pursuant to the instructions given by the 401(k) Plan participants on their respective voting instruction forms. If the 401(k) Plan trustee does not otherwise receive voting instructions for shares held on account of a 401(k) Plan participant, the 401(k) Plan trustee, in accordance with the 401(k) Plan trust agreement, will vote any such unvoted shares in the same proportion as it votes those shares allocated to 401(k) Plan participants' accounts for which voting instructions were received by the trustee.

401(k) Plan participants must cast their votes in accordance with the instructions provided in the proxy materials so that they are received by the 401(k) Plan trustee by 11:59 p.m. Eastern Time on May 27, 2014 to allow the 401(k)

Plan trustee time to receive such voting instructions and vote on behalf of 401(k) Plan participants. Voting instructions received from 401(k) Plan participants after this deadline, under any method, will not be considered timely and will be voted by the 401(k) Plan trustee at the 2014 Annual Meeting in the manner described in this paragraph above.

Only holders of record of shares of the Company's Class A Common Stock on the Record Date will be entitled to notice of and to vote at the 2014 Annual Meeting or at any adjournments of such meeting. Stockholders will be entitled to vote the number of Class A Common Stock held by them on the Record Date.

Distribution of Proxy Materials; Costs of Distribution and Solicitation

The accompanying form of proxy is being solicited on behalf of the Company's Board of Directors. The Company will bear all costs in connection with preparing, assembling and furnishing this Proxy Statement and related materials. Such costs include reimbursing banks, brokerage houses and other custodians, nominees, agents and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders. The Company engaged Broadridge to assist it in distributing and hosting on the Internet proxy materials and providing Internet and telephone voting for the 2014 Annual Meeting. The estimated fee for Broadridge's services is approximately \$11,000, plus out-of-pocket expenses, such as postage.

Householding of Stockholder Materials

Some banks, brokers and other nominee record holders may be participating in the practice of householding stockholder materials, such as proxy statements, information statements and annual reports. This means that only one copy of our Internet Notice or proxy materials may have been sent to multiple stockholders in your household, if any. We will promptly deliver a separate copy of our Internet Notice or the 2014 proxy materials to you if you write us at the following address: Revlon, Inc., Investor Relations Department, 237 Park Avenue, New York, NY 10017; or our proxy distributor at the following address: Broadridge, 51 Mercedes Way, Edgewood, NJ 11717.

If you want to receive separate copies of the stockholder materials in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact us at the above address. In the interest of reducing costs and promoting environmental responsibility, we encourage our stockholders to review electronic versions of our proxy materials, via the Internet.

PROPOSAL NO. 1 — ELECTION OF DIRECTORS

Pursuant to the Company's By-laws, the Board of Directors has fixed the number of directors at 14 effective as of the date of the 2014 Annual Meeting. Upon the recommendation of the Board's Nominating and Corporate Governance Committee, the 14 directors nominated for election by the Board of Directors will be elected at the 2014 Annual Meeting to serve until the Company's next annual stockholders' meeting and until their successors are duly elected and shall have been qualified.

All of the nominees are current members of the Board of Directors. All director nominees, if elected, are expected to serve until the next annual stockholders' meeting.

The Board of Directors has been informed that all of the nominees are willing to serve as directors. If, however, any of them should decline or be unable to serve, the Board of Directors may by resolution provide for a lesser number of directors or designate substitute nominees. In such case, the individuals appointed as proxies will vote as directed as to the election of any such substitute nominee. The Board of Directors has no reason to believe that any nominee will be unable or unwilling to serve.

Vote Required and Board of Directors' Recommendation (Proposal No. 1)

The election to the Board of Directors of each of the 14 nominees identified in this Proxy Statement requires the affirmative vote of a plurality of the votes cast by the holders of the Class A Common Stock present in person or represented by proxy at the 2014 Annual Meeting and entitled to vote. Unless such proxies are revoked, with respect to Proposal No. 1, all proxies properly submitted to the Company will be voted in accordance with the instructions given by the person submitting such proxy. In the absence of such instructions, such proxies will be voted **FOR** the

election of each of the 14 nominees identified in this Proxy Statement to the Board of Directors.

Brokers do not have the ability to vote on non-routine matters, including the election of directors, as to shares for which they have not received voting instructions from the beneficial owner. In light of the application of plurality voting to the election of Directors, when tabulating the vote and determining whether a Director nominee has received the requisite number of affirmative votes, abstentions and broker non-votes will not count as a vote for or against a Director nominee.

MacAndrews & Forbes has informed the Company that it will vote **FOR** the election of each of the 14 nominees identified in this Proxy Statement to the Board of Directors. Accordingly, MacAndrews & Forbes' affirmative vote is sufficient, without the concurring vote of the Company's other stockholders, to elect each of the Director nominees at the 2014 Annual Meeting.

CORPORATE GOVERNANCE

Board of Directors and its Committees

Standing Committees

The Board of Directors currently has the following standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee (the Governance Committee). Each of these committees and their functions are described in further detail below.

Controlled Company Exemption

The Company is a controlled company (i.e., one in which more than 50% of the voting power for the election of directors is held by an individual, a group or another company) within the meaning of New York Stock Exchange (the NYSE) rules. Accordingly, the Company is not required to have a majority of independent directors, a nominating and corporate governance committee or a compensation committee (each of which committees, under NYSE's rules, would otherwise be required to be comprised entirely of independent directors).

While the Company is not required to satisfy the above-listed NYSE corporate governance requirements due to its controlled company status, the Board has determined that more than a majority of its current directors (namely, Messrs. Bernikow, Dinh and Feldberg and Mses. Cantor, Falcone Sorrell, Kurzman, Lee, Mellon and Seifert) qualify as independent directors under Section 303A.02 of the NYSE Listed Company Manual (the NYSE Manual) and under Revlon, Inc.'s Board Guidelines for Assessing Director Independence (the Independence Guidelines). The Independence Guidelines are available at www.revloninc.com under the heading Investor Relations - Corporate Governance.

Notwithstanding the Company's controlled company exemption, the Company maintains the Governance Committee and the Compensation Committee. The Governance Committee is comprised of Messrs. Feldberg (Chairman), Dinh and Schwartz and Ms. Lee. The Board has determined that Messrs. Feldberg and Dinh and Ms. Lee qualify as independent directors under Section 303A.02 of the NYSE Manual and under the Independence Guidelines.

The Compensation Committee is comprised of Messrs. Bernikow (Chairman) and Kretzman and Mses. Kurzman and Seifert. The Board has determined that Mr. Bernikow, Ms. Kurzman and Ms. Seifert qualify as independent directors under Section 303A.02 of the NYSE Manual and under the Independence Guidelines. The Board has also determined that all 4 Compensation Committee members qualify as non-employee directors within the meaning of Section 16 of the Exchange Act and that Mr. Bernikow and Mses. Kurzman and Seifert qualify as outside directors under Section 162(m) (Section 162(m)) of the Internal Revenue Code of 1986, as amended (the Code).

Number of Board and Committee Meetings

During 2013, the Board of Directors held 14 meetings and acted 9 times by unanimous written consent; the Audit Committee held 7 meetings and acted once by unanimous written consent; the Compensation Committee held 6 meetings and acted 4 times by unanimous written consent; and the Governance Committee held 9 meetings. Ms. Mellon attended fewer than 75% of the Board meetings she was scheduled to attend during 2013 due to other business commitments.

Director Attendance at Annual Stockholders' Meeting

While the Board has not adopted a formal policy regarding directors' attendance at the Company's annual stockholders' meeting, directors are invited to attend such meeting. One Director attended the Company's 2013 Annual Stockholders' Meeting.

Board Leadership Structure

The Company believes that its board leadership structure is appropriate given the Company's specific circumstances. Notwithstanding the fact that the Company is a controlled company, more than a majority of the Company's Directors are independent under applicable SEC and NYSE rules and the Independence Guidelines.

TABLE OF CONTENTS

The Board has established audit, governance and compensation committees, each operating under written charters, to assist the Board in its oversight functions, and in each case those committees are comprised of at least a majority of independent Directors. The Board's Audit Committee is comprised entirely of independent directors and 3 of the 4 members of each of the Compensation Committee and the Governance Committee qualify as independent directors.

The qualifications and experience of nominees for board service and committee membership are reviewed annually by the Governance Committee. Nominees for board membership are then recommended by such committee for appointment by the Board. Respective committee chairmen lead each committee. The Company has not established a lead director role. At Board and committee meetings, the Chairman of the Board and the Chairman of each such committee, or their respective designees, as applicable, presides for the purpose of conducting an orderly and efficient meeting. Independent directors or any other director may lead or initiate discussion, in the interest of promoting thorough consideration of any issue before the Board or any of its committees.

The Company has historically maintained separate positions of Chairman and Chief Executive Officer. Mr. Perelman, Chairman and Chief Executive Officer of MacAndrews & Forbes, has held the position of Chairman of the Company's Board since June 1998 and Mr. Delpani has held the positions of President and Chief Executive Officer of the Company since November 2013 (during 2013, Mr. Alan Ennis held the positions of President and Chief Executive Officer of the Company until October 2013). The Chairman provides overall leadership to the Board in its oversight function, while the Chief Executive Officer provides leadership in respect to the day-to-day management and operation of the Company's business.

The Board and each of its committees conduct annual self-assessments to review and monitor their respective continued effectiveness. As reflected in its self-assessment discussions, the Board believes that it continues to function effectively and efficiently. As part of its 2013 self-assessment exercise, the Board determined, among other things, that its size, composition and structure were appropriate. The Company believes that its separation of the Chairman and Chief Executive Officer positions and its overall board leadership structure are appropriate.

Audit Committee

Composition of the Audit Committee

The Audit Committee is comprised of Messrs. Bernikow (Chairman) and Feldberg and Meses. Cantor and Seifert, each of whom the Board of Directors has determined satisfies the NYSE's and the SEC's audit committee independence and financial experience requirements. Each of these directors served as a member of the Audit Committee during all of 2013 (other than Ms. Cantor, who was appointed to the Audit Committee in June 2013) and each of these directors remained a member of the Audit Committee as of the date of this Proxy Statement.

The Company has determined that each of Mr. Bernikow and Ms. Cantor qualifies as an audit committee financial expert, under applicable SEC rules. In accordance with applicable NYSE listing standards, the Company's Board of Directors has considered Mr. Bernikow's simultaneous service on the audit committees of more than three public companies, namely the audit committees of the Company, Casual Male, Mack-Cali and the UBS Funds, and has determined that such service does not impair his ability to effectively serve on the Company's Audit Committee as, among other things, Mr. Bernikow is retired and, accordingly, has a flexible schedule and time to commit to service as an Audit Committee and Board member, including on a full-time basis, if necessary; he has significant professional accounting experience and expertise, which renders him highly qualified to effectively and efficiently serve on multiple audit committees; the audit committees of the UBS Funds effectively function as a single, consolidated audit committee; and Mr. Bernikow has served as a member of the Company's Audit Committee since 2003 and his service on the other audit committees noted has not impaired his ability to effectively serve on the Company's Audit Committee during this period.

Audit Committee Charter

The Audit Committee operates under a comprehensive written charter, a printable and current copy of which is available at www.revloninc.com under the heading, Investor Relations (Corporate Governance).

Audit Committee Responsibilities

Pursuant to its charter, the Audit Committee is responsible for assisting the Board of Directors in fulfilling its oversight responsibilities with respect to, among other things, the integrity of the Company's financial statements and disclosures; the Company's compliance with legal and regulatory requirements; the appointment, compensation,

retention and oversight of the Company's independent auditors, as well as their qualifications, independence and performance; and the performance of the Company's internal audit functions. The Audit Committee is also responsible for preparing the annual Audit Committee Report, which is required under SEC rules to be included in this Proxy Statement (see Audit Committee Report, below).

TABLE OF CONTENTS

Audit Committee Complaint Procedures

The Audit Committee has established procedures for (a) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and (b) the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. These complaint procedures are described in the Audit Committee's charter.

Audit Committee Report

Management represented to the Audit Committee that the Company's audited consolidated financial statements for the fiscal year ended December 31, 2013 were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed such audited consolidated financial statements with management and KPMG LLP (KPMG), the Company's independent registered public accounting firm.

The Audit Committee discussed with the Company's independent registered public accounting firm those matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (the PCAOB), including information concerning the scope and results of the audit and information relating to KPMG's judgments about the quality, and not just the acceptability, of the Company's accounting principles. These communications and discussions are intended to assist the Audit Committee in overseeing the Company's financial reporting.

The Audit Committee has received the written disclosures and the letter from the Company's independent registered public accounting firm, as required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with the Company's independent registered public accounting firm that firm's independence.

The Audit Committee also reviewed, among other things, the amount of fees paid to the independent registered public accounting firm for audit and permissible non-audit services (see Audit Fees in this Proxy Statement, below). The Audit Committee has satisfied itself that KPMG's provision of audit and non-audit services to the Company is compatible with KPMG's independence.

Based on the Audit Committee's review of and discussions regarding the Company's audited consolidated financial statements and the Company's internal control over financial reporting with management, the Company's internal auditors and the independent registered public accounting firm and the other reviews and discussions with the independent registered public accounting firm referred to in the preceding paragraph, subject to the limitations on the Audit Committee's roles and responsibilities described above and in the Audit Committee charter, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.

The Governance Committee identifies individuals qualified to become Board members when any vacancy occurs by reason of disqualification, resignation, retirement, death or an increase in the size of the Board. The Governance Committee selects or recommends that the Board select director nominees for each annual stockholders' meeting and director nominees to fill vacancies on the Board that may occur between annual stockholders' meetings.

In evaluating director nominees, the Governance Committee is guided by, among other things, the principles for Board membership expressed in the Company's Corporate Governance Guidelines, which are available at www.revloninc.com under the heading, Investor Relations (Corporate Governance). The Governance Committee, in identifying and considering candidates for nomination to the Board, considers, in addition to the requirements set out in the Company's Corporate Governance Guidelines and the Governance Committee's charter, the quality of the candidate's experience, the Company's needs and the range of talent and experience represented on the Board.

TABLE OF CONTENTS

In its assessment of each potential candidate, the Governance Committee will consider the nominee's reputation, judgment, accomplishments in present and prior positions, independence, knowledge and experience that may be relevant to the Company, and such other factors as the Governance Committee determines to be pertinent in light of the Board's needs over time, including, without limitation, education, diversity, race, gender and other individual qualities and attributes that are expected to contribute to the Board having an appropriate mix of viewpoints. The Governance Committee identifies potential nominees from various sources, such as officers, directors and stockholders, and from time to time may retain the services of third party consultants to assist it in identifying and evaluating director nominees.

Stockholder Process for Submitting Director Nominees

The Governance Committee will also consider director candidates recommended by stockholders. The process the Governance Committee follows to evaluate candidates submitted by stockholders does not differ from the process it follows for evaluating other director nominees. The Governance Committee may also take into consideration the number of shares held by the recommending stockholder, the length of time that such shares have been held and the number of candidates submitted by each stockholder or group of stockholders over the course of time. Stockholders desiring to submit director candidates must submit their recommendation in writing (certified mail — return receipt requested) to the Company's Secretary, at Revlon, Inc., 237 Park Avenue, 14th Floor, New York, NY 10017, attention: Michael T. Sheehan.

The Governance Committee will accept recommendations for director candidates throughout the year. In order for a recommended director candidate to be considered by the Governance Committee for nomination to stand for election at an upcoming annual stockholders' meeting, the recommendation must be received by the Company, as set forth above, not less than 120 days prior to the anniversary date of the date of the Company's most recent proxy statement, which, for recommendations for the Company's 2014 Annual Meeting, was December 26, 2013. No such recommendations were received for the 2014 Annual Meeting. Subject to further requests for information from the Governance Committee, to have a candidate considered by the Governance Committee, a stockholder must initially provide the following information:

- the stockholder's name and address, evidence of such stockholder's ownership of the Company's Class A Common Stock, including the number of shares owned and the length of time of continuous ownership, and a statement as to the number and names of director candidates such stockholder has previously submitted to the Governance Committee during the period that such stockholder has owned such shares;
- the name of the candidate;
- the candidate's resume or a listing of his or her qualifications to be a director of the Company;
- any other information regarding the candidate that would be required to be disclosed in a proxy statement filed with the SEC if the candidate were nominated for election to the Board; and
- the candidate's consent to be named as a director, if selected by the Governance Committee and nominated by the Board.

Stockholder-Director Communications

The Board of Directors has established a process to receive communications from stockholders and other interested parties. Any stockholder or other interested party desiring to communicate with the Board or individual directors (including, without limitation, the non-management directors) regarding the Company may contact either the Board or such director by sending such communication to the attention of the Board or such director, in each case in care of the Company's Secretary, who is responsible to ensure that all such communications are promptly provided to the Board or such director. Any such communication may be sent by: (i) emailing it to Michael T. Sheehan, Senior Vice President, Deputy General Counsel and Secretary, at michael.sheehan@revlon.com; or (ii) mailing it to Revlon, Inc., 237 Park Avenue, 14th Floor, New York, NY, 10017, attention: Michael T. Sheehan. Communications that consist of

stockholder proposals must instead follow the procedures set forth under General Rules Applicable to Stockholder Proposals in this Proxy Statement, below, and, in the case of recommendations of director candidates, Nominating and Corporate Governance Committee - Stockholder Process for Submitting Director Nominees, in this Proxy Statement, above.

Non-Management Executive Sessions

The Company's Corporate Governance Guidelines provide that the Company's Board of Directors will regularly meet in executive session without any member of the Company's management being present and that the Company's independent directors will also meet in at least one non-management executive session per year attended only by independent directors. The non-management directors' and independent directors' meeting may be a single combined meeting, if the non-management directors are comprised entirely of independent directors. A non-management director will preside over each non-management executive session of the Board, and an independent director will preside over each independent executive session of the Board, although the same director is not required to preside at all such non-management or independent executive sessions. The presiding director at such non-management and independent executive sessions of the Board is determined in accordance with the applicable provisions of the Company's By-laws, such that the Chairman of the Board of Directors or, in his absence (as is the case with independent executive sessions), a director chosen by a majority of the directors present will preside at such meetings. The Board of Directors met in at least one executive session, attended by only independent directors (all of whom constituted non-management directors), during 2013.

RISK MANAGEMENT

Relationship of Compensation Practices to Risk Management

The Company has reviewed and considered all of its compensation plans and practices and does not believe that its compensation policies and practices create risks that are reasonably likely to have a material adverse effect on the Company.

Risk Oversight

The Company's senior management is responsible for identifying and managing risks to the Company's business and the Board's Audit Committee is responsible for reviewing and discussing that process with management. In accordance with applicable NYSE rules for listed issuers, the Audit Committee maintains an Audit Committee charter that addresses the duties and responsibilities of the Audit Committee, including the requirement that such committee discuss the Company's guidelines, policies and processes with respect to risk assessment and risk management. As part of the Company's enterprise risk management function, management identifies internal and external risk factors, monitors identified risks and takes appropriate action to mitigate such identified risks. Specifically, the Company's internal audit group, with input from the Company's senior management, leads a comprehensive enterprise risk assessment annually using an established risk management framework. This process identifies and characterizes risks based on the possible impact to the Company's business and likelihood of occurrence. The Company's management puts in place appropriate plans to mitigate the risks identified. The risk assessment is also taken into account in the formulation of the internal audit plan for the ensuing year. The Audit Committee reviews and discusses the Company's risk assessment and risk management guidelines, policies and processes at least annually. Further, the Board reviews the Company's business plan and receives regular business and financial updates, including progress against the Company's business plan, at Board meetings, enabling the Board to understand, and remain updated regarding, the business risks faced by the Company and the Company's management of those risks.

COMPENSATION DISCUSSION AND ANALYSIS

The following is a discussion and analysis of all material elements of the Company's compensation of its Named Executive Officers, including: (i) the objectives of the Company's compensation program; (ii) what the compensation program is designed to reward; (iii) each element of compensation; (iv) why the Company chooses to pay each element; (v) how the Company determines the amount and, where applicable, the formula, for each element to pay; (vi) how each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and may affect decisions regarding other elements of compensation; and (vii) whether and, if so, how the Company has considered the results of the most recent stockholder advisory vote on executive compensation in determining its compensation policies and decisions.

TABLE OF CONTENTS**Overview of Key 2013 Compensation Events**

A summary of key aspects of the Company's 2013 compensation programs follows:

- For 2013, the Company's incentive compensation programs under the Company's Incentive Compensation Plan included: (1) an annual cash bonus program (the 2013 Annual Bonus Program); and (2) a long-term cash incentive compensation program (LTIP) consisting of (a) the 2013 LTIP and (b) the Transitional LTIP (each, as defined below; the 2013 Annual Bonus Program, the 2013 LTIP and the Transitional LTIP are collectively referred to as the 2013 Incentive Compensation Programs).
For 2013, the Company's Compensation Committee approved a modified LTIP structure and design, replacing the LTIP's former one-year performance period that paid out in cash installments ratably over three years with a multi-year performance period that provided for a single installment cash payout after the multi-year performance period. With this new structure, under the 2013 LTIP there would be a single cash payment opportunity in March 2016 based on the extent of achievement of relevant corporate performance targets for the relevant performance period (as amended, as set forth below, the 2013 LTIP).
In order to provide eligible LTIP grantees with comparable LTIP payout opportunities during 2014 and 2015, as the LTIP structure transitioned from a one-year performance period to a multi-year performance period, the Company implemented the Transitional LTIP in 2013. Under the Transitional LTIP, one-third of target award amounts, adjusted for 2013 performance, was paid in March 2014; and the remaining two-thirds of target award amounts remain as a payment opportunity in March 2015 based on the degree of achievement of relevant corporate performance targets for the relevant performance period (as amended, as set forth below, the Transitional LTIP).
- The Company's 2013 LTIP and Transitional LTIP were adopted prior to (i) the Company's acquisition of The Colomer Group, which occurred in October 2013, (ii) the appointment of a new senior leadership team and (iii) the preparation and implementation of the Company's new value-creation business strategy. In light of the foregoing, the Compensation Committee determined, based upon input from management and the Compensation Committee's outside compensation advisor, to amend the Company's outstanding LTIP awards with unfinished performance periods, so as to take into account the impact of the foregoing transaction upon the Company's business plan. Accordingly, in March 2014, the Compensation Committee amended the 2013 LTIP awards to provide for a payment opportunity in March 2016 equal to the remaining full target award amounts to be based on the average degree of achievement of the Company's 2014 and 2015 performance targets, and the Transitional LTIP, to provide for a payment opportunity in March 2015 equal to the remaining two-thirds of target award amounts to be based on the degree of achievement of the Company's 2014 performance targets.
- Payments in March 2014 under the 2013 Annual Bonus Program were based on the Company's degree of achievement of two equally-weighted performance targets, namely: (1) a 2013 Adjusted EBITDA¹ target of \$313.9 million (the 2013 EBITDA Performance Target); and (2) a 2013 Free Cash Flow target of \$68.5 million (the 2013 Free Cash Flow Performance Target), as adjusted to account for the 2013 Unusual Items (as defined below).

¹ Adjusted EBITDA is a non-GAAP financial measure which, for 2013, the Company defined as income from continuing operations before interest, taxes, depreciation, amortization, gains/losses on foreign currency fluctuations, gains/losses on the early extinguishment of debt and miscellaneous expenses (the foregoing being the Non-Operating Exclusions), as well as excluding certain other unusual items that are not directly attributable to the Company's underlying operating performance (the Unusual Items), including net charges for restructuring and related actions; expenses related to the acquisition and integration of The Colomer Group; insurance gain related to the 2011 fire in Venezuela; charges for estimated costs to clean-up the Venezuela facility; insurance recoveries for costs related to resolving litigation related to the Company's 2009 exchange offer; and inventory purchase accounting

adjustments related to the acquisition of The Colomer Group. In calculating Adjusted EBITDA, the Company excluded the effects of Non-Operating Exclusions and Unusual Items because the Company's management believed that some of these items may not occur in certain periods, the amounts recognized can vary significantly from period to period and these items do not facilitate an understanding of the Company's operating performance.

2 Free Cash Flow is a non-GAAP financial measure which, for 2013, the Company defined as net cash provided by operating activities, less capital expenditures for property, plant and equipment, plus proceeds from the sale of certain assets. Free Cash flow excludes proceeds on sale of discontinued operations. Free Cash Flow does not represent the residual cash flow available for discretionary expenditures, as it excludes certain expenditures such as mandatory debt service requirements, which for the Company are significant.

TABLE OF CONTENTS

- The Company’s corporate performance targets under the Transitional LTIP for its one-third payout in March 2014 included the following: (1) the 2013 EBITDA Performance Target, weighted at 50%; (2) the 2013 Free Cash Flow Performance Target, weighted at 25%; and (3) a 2013 Net Sales target of \$1.4865 billion (the 2013 Net Sales Performance Target), weighted at 25%, as adjusted to account for the 2013 Unusual Items. The Company’s corporate performance targets under the 2013 LTIP are based upon the average of the degree of achievement of the Company’s performance targets for 2014 and 2015, which are: (1) Adjusted EBITDA, weighted at 50%; (2) Free Cash Flow, weighted at 25%; and (3) Net Sales weighted at 25%. In March 2014, the Compensation Committee determined that the Company had achieved (1) 87.6% of its 2013 EBITDA Performance Target; (2) 117.5% of its 2013 Free Cash Flow Performance Target; and (3) 96.2% of its 2013 Net Sales Performance Target. In making such determination, the Compensation Committee, pursuant to its authority under the Incentive Compensation Plan, adjusted such targets to take into account the impact of certain extraordinary items, including: (i) costs associated with the Company’s acquisition of The Colomer Group; (ii) certain restructuring charges; (iii) costs incurred in connection with resolving certain litigation; (iv) certain SG&A reductions; and (iv) foreign exchange translation (the 2013 Unusual Items).
- Upon management’s recommendation, and taking into account the Company’s 2013 Adjusted EBITDA, Free Cash Flow and Net Sales performance, as modified by the 2013 Unusual Items, the Compensation Committee determined to fund the 2013 Annual Bonus Program at 90% of target and the one-third portion of the Transitional LTIP that was paid in March 2014 at 75% of target. In March 2014, the Compensation Committee certified the extent to which the Company achieved its performance targets under the 2013 Annual Bonus Program and the one-third portion of the Transitional LTIP, as well as the 2013 performance of certain Named Executive Officers, after which the Company paid annual cash bonuses under the 2013 Annual Bonus Program and one-third of the Transitional LTIP to its Named Executive Officers (other than Mr. Berns who left the Company at approximately mid-year), as well as other employees eligible for awards under such programs.
- In March 2014, the Company paid out, to eligible grantees, the remaining one-third installment payment due under the Company’s 2011 LTIP and the second of three installment payments due under the Company’s 2012 LTIP, each of which programs featured a one-year performance period that paid out in cash installments ratably over three years. At the Company’s 2011 Annual Stockholders’ Meeting, approximately 99% of the stockholders who voted on the say-on-pay proposal approved the structure and payment of the Company’s compensation for its named executive officers. The Company believes that the near unanimity of that vote represents an endorsement that the Company’s compensation philosophy, processes and practices are appropriate for the Company. These philosophies, processes and practices have not changed in any significant manner since such 2011 vote of the stockholders.

Objectives of the Company's Compensation Program and What it is Designed to Reward

The Company's philosophy is to provide compensation programs that are reasonably designed to satisfy the following objectives:

- to pay for performance (by basing salary increases upon individual performance and basing incentive compensation payouts upon the degree to which the Company and the executive achieve their respective corporate and individual performance objectives, as approved by the Compensation Committee);
- to align the interests of management and employees with corporate performance and shareholder interests by rewarding performance that is directly linked to the degree to which the Company achieves its business plan and strategic goals; and
- to retain, attract and motivate exceptional performers and key contributors with the skills and experience necessary for the Company to achieve its business plan and strategic goals, which requires the Company's compensation programs to be competitive with the compensation practices of other companies.

TABLE OF CONTENTS

Each Element of Compensation and Why the Company Chooses to Pay It

In order to achieve the objectives discussed above, the Company maintains a competitive compensation program which consists principally of the following three main components:

(i) base salary;

(ii) eligibility for performance-based, annual cash bonuses under the Incentive Compensation Plan, which are contingent upon the Compensation Committee determining the extent to which the Company achieved its performance objectives and the Company's executives' achieving a satisfactory level of annual performance. Under the 2013 Annual Bonus Program, participants could receive between 25% and 150% of their target award to enable comparatively higher-performing employees to be appropriately rewarded, provided that the aggregate bonus payout was within the overall incentive compensation budget; and

(iii) eligibility for LTIP awards under the Incentive Compensation Plan, which are also contingent upon the Compensation Committee determining the extent to which the Company achieved its performance objectives and the Company's executives' achieving a satisfactory level of annual performance (in this Proxy Statement, total compensation refers to base salary, annual cash bonus and LTIP awards, unless otherwise noted).

Prior to 2009, the Company's long-term incentive compensation consisted of annual equity grants under the Company's Stock Plan. As of December 31, 2013, none of the Named Executive Officers held any outstanding stock options or restricted shares, other than a one-time restricted stock award granted during 2013 to Mr. Alletto as an inducement for him to join the Company as its new Executive Vice President, Chief Financial Officer and Chief Administrative Officer.

With the elimination of annual equity grant programs as a form of long-term compensation, since 2010 the Company has granted LTIP awards under its Incentive Compensation Plan to enable the Company to maintain total compensation at competitive levels. For 2013, the Company's Compensation Committee approved a modified LTIP structure and design, replacing the LTIP's former one-year performance period that paid out in cash installments ratably over three years, with a multi-year performance period that provided for a single installment cash payout after the multi-year performance period.

With this new structure, under the 2013 LTIP there would be a single cash payment opportunity in March 2016 based on the extent of achieving targets that took into account certain results for the relevant multi-year performance period ending December 31, 2015. In order to provide eligible LTIP grantees with comparable LTIP payout opportunities during 2014 and 2015 as the LTIP structure transitioned from a one-year performance period to a multi-year performance period, the Company implemented the Transitional LTIP in 2013. Under the Transitional LTIP, one-third of target award amounts based on 2013 performance was paid in March 2014, while the remaining two-thirds of target award amounts based on relevant results for the relevant performance period are payable in March 2015. As noted above, in light of the Company's closing of its acquisition of The Colomer Group in October 2013, the appointment of a new senior leadership team and the preparation and implementation of the Company's new value-creation business strategy, each of which occurred after the adoption of the Company's 2013 LTIP and Transitional LTIP, the Compensation Committee amended (i) the 2013 LTIP awards to provide for a payment opportunity in March 2016 in an amount equal to the remaining full target award amounts based on the average degree of achievement of the Company's 2014 and 2015 performance targets, and (ii) the Transitional LTIP awards to provide for a payment opportunity in March 2015 in an amount equal to the remaining two-thirds of target award amounts based on the Company's degree of achievement of its 2014 performance targets.

Setting Pay; Market References

The Company's Human Resources department and the Compensation Committee, with input from the Compensation Committee's outside compensation consultant, consider the compensation of the Named Executive Officers in order to reward and retain the Company's high-performing executives and provide them with incentives designed to maximize their performance in executing the Company's business plan.

TABLE OF CONTENTS

As part of assessing of the compensation of the Named Executive Officers, the Company also compares each Named Executive Officer's total compensation to the total compensation for executives at comparison group companies, both within and outside of the consumer products industry. The Company seeks to design its total compensation opportunity to be competitive with these comparison group companies, as the Company believes that the market for certain executive talent is broader than the consumer products industry. When reviewing and setting Named Executive Officer compensation for 2013, the Company compared the total compensation of its executive officers to market compensation data for certain groups of companies in Towers Watson's U.S. compensation data banks for similarly situated executives (sometimes referred to herein as competitive benchmark norms or competitive benchmarks, with such companies being referred to herein as the Comparison Group). The Comparison Group for 2013 consisted of the companies listed on Annex A.

Total Compensation

For 2013, the Named Executive Officers' total compensation, compared against the 50th and the 75th percentiles of total compensation in the relevant Comparison Group, was as follows: (i) Mr. Delpani was below both the 50th and the 75th percentiles; (ii) Mr. Alletto was above the 50th percentile and below the 75th percentile; (iii) Mr. Elshaw was below both the 50th and the 75th percentiles; (iv) Mr. Kretzman was above both the 50th and the 75th percentiles; (v) Mr. Ennis was below both the 50th and the 75th percentiles; and (vi) Mr. Berns was below both the 50th and the 75th percentiles. Given Mr. Kennedy's unique roles at the Company during 2013, when he served as executive Vice Chairman and, for approximately one month, as interim Chief Executive Officer, there is very limited comparable data for 2013 and thus meaningful benchmarking is not available.

Base Salary

Base salary adjustments are considered annually and may be based on individual performance, assumption of new responsibilities, competitive data from the Comparison Group, employee retention efforts and the Company's overall compensation guidelines and annual salary budget guidelines. Higher annual increases may be made to higher performers and key contributors, provided that the overall increases are within budgeted guidelines.

Incentive Compensation; Generally

Each year, the Compensation Committee reviews and establishes the Company's corporate performance targets for its incentive compensation programs that are linked directly to the extent to which the Company achieves its business plan. These corporate performance targets are intended to have the effect of fostering shareholder value creation and ensuring that the program design appropriately motivates executives to achieve the Company's financial and operational performance goals, while being challenging to attain. As noted above, the components of the Company's 2013 Incentive Compensation Programs consisted of (1) the 2013 Annual Bonus Program; (2) the 2013 LTIP; and (3) the Transitional LTIP.

The March 2014 payouts under the 2013 Annual Bonus Program and the Transitional LTIP were based upon the Compensation Committee's certification of the extent to which the Company achieved its 2013 performance targets under such programs.

The Company's President and Chief Executive Officer; Executive Vice President, Chief Financial Officer and Chief Administrative Officer; and senior Human Resource executives develop the objectives against which each Named Executive Officer's performance, including the CEO's, is assessed. The Compensation Committee also reviews and approves these objectives, having discussed them with its outside compensation advisor. These objectives are established by the Compensation Committee at the start of the performance period based on the Company's future business plans and the Compensation Committee then reviews them after the end of the designated performance

period to assess and certify the extent to which they have been achieved.

In February 2013, the Compensation Committee approved and adopted performance-based incentive compensation factors for certain executives (the 2013 Performance Factors), under Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)). The 2013 Performance Factors included both quantitative financial measures and strategic and operational objectives linked directly to the extent to which the Company achieved its business strategy. These objectives are used primarily to measure the degree of the executives' annual performance in connection with determining annual bonus payments.

TABLE OF CONTENTS

During 2013, some of the Company's executive officers for whom 2013 Performance Factors were adopted under Section 162(m) ceased employment with the Company prior to year end, namely:

- David Kennedy, the Company's former executive Vice Chairman (and who during October 2013 served as interim Chief Executive Officer), who retired from his position as an executive officer of the Company and therefore ceased serving as an executive officer of the Company on November 18, 2013. Mr. Kennedy, who continues to serve as the Company's non-executive Vice Chairman, remained eligible for incentive compensation based on 2013 performance pursuant to Compensation Committee approval;
- Alan Ennis, the Company's former President and Chief Executive Officer through October 1, 2013, who remained eligible for incentive compensation based on 2013 performance pursuant to certain terms of his employment agreement and his separation agreement and Compensation Committee approval; and
- Steven Berns, the Company's former Executive Vice President and Chief Financial Officer, who was not eligible to receive any incentive compensation based on 2013 performance based on his leaving the Company effective July 19, 2013.

Mr. Kretzman served as a Named Executive Officer during all of 2013 until his retirement on December 31, 2013, following a 25-year career with the Company. Mr. Kretzman remained eligible for incentive compensation based on 2013 performance pursuant to his employment agreement and Compensation Committee approval. Mr. Elshaw, the Company's former Executive Vice President and Chief Operating Officer, ceased employment with the Company after December 31, 2013 and prior to the date of this Proxy Statement. Mr. Elshaw remained eligible for incentive compensation based on 2013 performance pursuant to his employment agreement and Compensation Committee approval.

The following executive officers joined the Company during the fourth quarter of 2013:

- Lorenzo Delpani commenced employment with the Company in October 2013 in connection with the Company's acquisition of The Colomer Group and was appointed the Company's President and Chief Executive Officer on November 1, 2013. Mr. Delpani was eligible for incentive compensation based on 2013 performance pursuant to the terms of his employment agreement and Compensation Committee approval; and
- Lawrence Alletto, the Company's Executive Vice President, Chief Financial Officer and Chief Administrative Officer, commenced employment with the Company on October 28, 2013 and was eligible for incentive compensation based on 2013 performance pursuant to the terms of his employment agreement and Compensation Committee approval.

In March 2014, the Compensation Committee considered certain Named Executive Officers' 2013 performance, and/or certain respective employment agreements and/or separation agreements, as the case may be, for Messrs. Delpani, Alletto, Ennis and Elshaw, including reviewing and analyzing detailed and comprehensive documentary support for certain Named Executive Officer's accomplishments, including, for Mr. Kretzman, achievement against his 2013 Performance Factors (and after taking into account the 2013 Unusual Items).

Messrs. Ennis, Kennedy and Elshaw received certain incentive compensation pursuant to the terms of their separation or retirement arrangements. Mr. Berns did not receive any incentive compensation as a result of his departure from the Company in July 2013.

Below is a summary of the 2013 Performance Factors that applied for, and formed the basis for considering the performance of, Mr. Kretzman for 2013:

Mr. Kretzman – Retired Executive Vice President and Chief Administrative Officer:

-

the Company's degree of achievement of its 2013 EBITDA Performance Target, on which 25% of Mr. Kretzman's target bonus award and 50% of his target LTIP award were based, and the Company's degree of achievement of its 2013 Free Cash Flow Performance Target, on which 25% of Mr. Kretzman's target bonus and LTIP awards were based;

- the Company's achievement of an increase in net sales, on which 20% of Mr. Kretzman's target bonus award and 25% of his target LTIP award were based;

TABLE OF CONTENTS

- the continued development of the Company's integrated business planning process, with a focus on improving key performance indicators; the continued refinement of brand direction; and ensuring business and information technology teams' collaboration to implement certain technology applications, on which 10% of Mr. Kretzman's target award was based;
- the continued improvement of the Company's organizational capabilities through more effective succession planning and development planning, and the continued improvement in the execution of the Company's performance management process, on which 10% of Mr. Kretzman's target award was based; and the achievement of key functional objectives, including the continued evaluation of acquisition opportunities to complement the Company's portfolio, including opportunities to fill white space in different channels, geographies, categories or price points (such as his leadership of the Company's negotiation and closing of its October 2013 acquisition of The Colomer Group); the provision of comprehensive Human Resources, Real Estate, Licensing and Security support in all aspects of the Company's business strategy; the leadership of
- quarterly Human Resource reviews with senior management of succession, development plans, learning and development initiatives and compensation; the assessment of organizational turnover by region and function and determining any advisable actions to address identified turnover issues; the assessment of the Company's New York, New York office space needs and cost-effective options for space; and the evaluation and execution of the sale of the Company's Bezons, France facility, on which 10% of Mr. Kretzman's target award was based.

Note, the first two of Mr. Kretzman's 2013 Performance Factors were also assigned to and shared by Messrs. Kennedy, Ennis, Elshaw and Berns when their respective 2013 Performance Factors were established at the beginning of 2013, and, for certain of those Named Executive Officers, were supplemented by other performance factors, including those relevant to their respective functional responsibilities with the Company.

While Messrs. Delpani and Alletto, each of whom joined the Company in the fourth quarter of 2013, were not assigned formal performance objectives under Section 162(m), their performance was assessed as part of the Company's 2013 performance management review process, which the Compensation Committee reviewed in assessing their respective annual bonus and LTIP awards.

In March 2014, based on the extent of the Company's achievement of its 2013 performance targets and applying the formulae of the 2013 Incentive Compensation Programs, the Compensation Committee determined that the 2013 Annual Bonus Program would be funded at 90% of an executive's target and the one-third portion of the Transitional LTIP with the 2013 performance period would be funded at 75% of an executive's target.

Additionally, in March 2014, based upon review of the degree of achievement of objectives and performance, and contractual obligations, as described above, the Compensation Committee authorized the payment of bonuses and LTIP payouts to Messrs. Delpani, Alletto, Kennedy, Ennis, Kretzman and Elshaw in respect of 2013, as set forth in the Summary Compensation Table.

The Company's confidentiality and non-competition agreement (which all employees, including the Named Executive Officers, are required to execute), Stock Plan and Incentive Compensation Plan condition each employee's eligibility for benefits (including 2013 LTIP awards and 2013 annual cash bonuses) upon compliance with confidentiality, non-competition and non-solicitation obligations.

Incentive Compensation; Annual Cash Bonus

Approximately 430 employees, including the Named Executive Officers, were eligible to participate in the 2013 Annual Bonus Program. Mr. Berns was not eligible for any 2013 incentive compensation due to his ceasing employment with the Company in July 2013. The performance objectives for all employees in the 2013 Annual Bonus Program included the Company's achievement of two equally-weighted performance targets (namely, its 2013

EBITDA Performance Target and its 2013 Free Cash Flow Performance Target). Receipt of a bonus award under the 2013 Annual Bonus Program was further conditioned upon the participant's achievement of a performance rating of target or higher under the Company's 2013 performance management review process. The exact payout amount was further subject to the extent to which an employee achieved such employee's individual performance objectives, which are designed to be linked directly to executing the Company's business plan.

As approved by the Compensation Committee, under the 2013 Annual Bonus Program, management (or, in the case of the Named Executive Officers, the Compensation Committee) had discretion to award between 25% and

TABLE OF CONTENTS

150% of target bonuses to enable comparatively higher-performing employees to be appropriately rewarded, provided that the aggregate bonus payout was within the overall incentive compensation budget.

Per the terms of their respective employment agreements, generally, each of Messrs. Delpani, Ennis and Kennedy was eligible for a target bonus of 100% of his respective base salary, and each of Messrs. Alletto, Berns, Elshaw and Kretzman was eligible for a target bonus of 75% of his respective base salary. Notwithstanding the foregoing, for 2013, pursuant to their respective employment agreements, Mr. Delpani was entitled to a minimum bonus of \$637,000 and Mr. Alletto was entitled to a minimum bonus of \$573,350. Pursuant to his employment agreement, Mr. Ennis' target award opportunity was pro-rated through his October 1, 2013 termination date. Mr. Berns was ineligible for 2013 incentive compensation based on his ceasing employment with the Company in July 2013.

The Compensation Committee, applying the terms of the 2013 Annual Bonus Program and taking into account the 2013 Unusual Items, determined to fund such program at 90%. Also, based upon its determination of the extent to which the Named Executive Officers achieved their respective performance objectives and, where applicable, the terms of their employment agreements or separation agreements, as the case may be, and taking into account, for Mr. Kennedy, his service as interim Chief Executive Officer following Mr. Ennis' cessation of employment in that role and prior to Mr. Delpani's assumption of such role and Mr. Kennedy's oversight of the Company's negotiation and closing of its acquisition of The Colomer Group, among other factors, and for Mr. Kretzman, his leadership of the Company's negotiation and closing of its acquisition of The Colomer Group and the recruitment, hiring and transition of its new Chief Financial Officer and Chief Administrative Officer and its new General Counsel, among other factors, the Compensation Committee awarded Messrs. Delpani and Alletto 100% of their respective 2013 guaranteed minimum bonuses to which they were entitled under their employment agreements; Mr. Ennis 100% of his 2013 adjusted target bonus, pro-rated through his October 1, 2013 termination date; Mr. Kennedy 111% of his 2013 adjusted target bonus (and without pro-ration for his November 18, 2013 retirement date); Mr. Elshaw 25% of his 2013 adjusted target bonus; and Mr. Kretzman 111% of his 2013 adjusted target bonus.

The Summary Compensation Table below reflects the annual bonus award amounts that were earned by the Named Executive Officers under the 2013 Annual Bonus Program.

Incentive Compensation; Long-Term Compensation

The third principal component of total compensation for the Company's key employees is LTIP awards. Prior to 2009, the Company's long-term incentive compensation consisted of annual equity grants under the Company's Stock Plan. As of December 31, 2013, none of the Named Executive Officers held any outstanding stock options or restricted shares, other than a one-time restricted stock award granted during 2013 to Mr. Alletto as an inducement for him to join the Company as its new Executive Vice President, Chief Financial Officer and Chief Administrative Officer.

With the elimination of annual equity grant programs as a form of long-term compensation, since 2010 the Company has granted LTIP awards under its Incentive Compensation Plan to enable the Company to maintain total compensation at competitive levels. For 2013, the Company's Compensation Committee approved a modified LTIP structure and design, replacing the LTIP's former one-year performance period that paid out in cash installments ratably over three years, with a multi-year performance period that provided for a single installment cash payout after the multi-year performance period.

Transitional LTIP and 2013 LTIP awards were each structured as flat dollar amounts, tiered to levels of responsibility within the organization. These awards were approved by the Compensation Committee during 2013. Approximately 60 senior employees, including the Named Executive Officers, were eligible to participate in the 2013 LTIP and the Transitional LTIP. Each of Messrs. Delpani, Alletto, Kennedy, Ennis, Kretzman and Elshaw was entitled to some form of LTIP compensation in respect to 2013 performance.

Payouts under the 2013 LTIP will be made in March 2016 and payouts under the Transitional LTIP will be made in March 2015, in each case based upon the extent to which the Company achieves its designated performance targets for the relevant performance period.

The Company's corporate performance targets under the 2013 LTIP are based upon average achievement of 2014 and 2015 performance as to: (1) Adjusted EBITDA, weighted at 50%; (2) Free Cash Flow, weighted at 25%; and (3) Net Sales weighted at 25%. The Company's corporate performance targets under the Transitional LTIP for its one-third payout in March 2014 included the following: (1) the 2013 EBITDA Performance Target, weighted at

TABLE OF CONTENTS

50%; (2) the 2013 Free Cash Flow Performance Target, weighted at 25%; and (3) the 2013 Net Sales Performance Target, weighted at 25%, as adjusted to account for the 2013 Unusual Items. The Company's corporate performance targets for the remaining two-thirds payout opportunity under the Transitional LTIP are based upon 2014 performance as to: (1) Adjusted EBITDA, weighted at 50%; (2) Free Cash Flow, weighted at 25%; and (3) Net Sales, weighted at 25%. In each case, performance targets are measured after all incentive compensation accruals.

By conditioning payments over a multi-year performance period, the 2013 LTIP's structure and design is intended to motivate key employees to focus on the Company's long-term business goals, provide more effective retention incentives, better align the Company's LTIP with more customary long-term incentive programs and better distinguish the Company's long-term compensation from its annual bonus program, which is tied to one year's performance.

By providing payout opportunities under the Transitional LTIP in March 2014 and March 2015, when combined with prior LTIP grants' remaining installment payments, the Transitional LTIP balances a participant's LTIP payout opportunities in respect of 2013 and 2014 as the Company transitions from a one-year performance period to a multi-year performance period, the latter of which will pay out for the first time in March 2016.

In accordance with the Incentive Compensation Plan, the Compensation Committee determined to fund the one-third portion of the Transitional LTIP covering the solely the 2013 performance year at 75%, which was paid out in March 2014 to LTIP participants, including the eligible Named Executive Officers. The Summary Compensation Table, below, reflects the Transitional LTIP awards that were earned for 2013 by the eligible Named Executive Officers under the Transitional LTIP.

Other Compensation and Benefit Programs

The Company also maintains standard benefits that are consistent with those offered by other major corporations and which are generally available to all of the Company's full-time employees (subject to meeting basic eligibility requirements). These plans, which include medical, dental, vision and life insurance coverage, are available to all U.S.-based, non-union employees.

The Company also maintains a limited number of benefit programs that are available to the Named Executive Officers and other senior employees qualifying for eligibility based on salary grade level. These benefits and perquisites include an automobile allowance or use of a Company automobile and limited reimbursement of certain costs for financial counseling, tax preparation and life insurance premiums. These types of benefits are commonly made available to senior executives at other major corporations and assist the Company in retaining and attracting key talent.

How the Company Determines the Amount (and, Where Applicable, the Formula) for Each Element of Compensation to Pay and How Each Compensation Element and the Company's Decisions Regarding that Element Fit into the Company's Overall Compensation Objectives and May Affect Decisions Regarding Other Elements of Compensation

The Company focuses annually on developing a total compensation opportunity that is intended to be competitive such that the level of total compensation (i.e., base salary, annual cash bonus and long-term incentive compensation, combined) is targeted to be positioned at or about the 50th to 75th percentile of competitive benchmark norms. Salary ranges, annual cash bonus plan targets and long-term incentive compensation targets are reviewed using a total compensation perspective under which total remuneration is targeted to be within certain ranges compared to the Comparison Group. Values and targets of each element may change from performance period to performance period.

The Company designs its compensation programs such that there is a correlation between the level of position and the degree of risk in compensation. Based on that guiding principle, the Company's more senior executives with the highest levels of responsibility and accountability have a higher percentage of their total potential remuneration at risk (in the form of performance-based annual cash bonuses and performance-based LTIP awards), than do employees with lower levels of responsibility and accountability. This means that a higher proportion of the Company's more senior executives' total potential compensation is based upon variable elements, than is the case with the Company's employees with lower levels of responsibility and accountability.

TABLE OF CONTENTS

Role of the Compensation Committee

The Compensation Committee reviews and approves, among other things: (i) compensation for the Company's Named Executive Officers; (ii) the structure of the Company's annual bonus program under the Incentive Compensation Plan, including approving annual performance objectives for the Named Executive Officers and annually assessing the extent to which those objectives have been achieved; and (iii) the structure of the Company's long-term incentive programs under the Incentive Compensation Plan, including approving performance-based objectives and actual grants under the Company's long-term incentive compensation award programs for the Named Executive Officers and assessing the extent to which those objectives have been achieved.

The Compensation Committee reviews and approves objectives relevant to the compensation of the Company's Chief Executive Officer, evaluates, together with the Governance Committee, the Chief Executive Officer's performance in respect of those objectives and determines, either as a committee or together with the Governance Committee and/or the Board of Directors, the Chief Executive Officer's total compensation level based on that evaluation process. The Compensation Committee also reviews and approves compensation and incentive arrangements for the Company's other Named Executive Officers.

The Compensation Committee reviews key components of each Named Executive Officer's compensation, which enables the Compensation Committee to make informed decisions regarding future elements of compensation.

The Company's Executive Vice President, Chief Financial Officer and Chief Administrative Officer, in consultation with the Company's Chief Executive Officer, works with the Company's Human Resources Department to recommend: (i) merit increase guidelines, if any, under the Company's salary administration program; (ii) the structure of the Company's annual bonus program under the Incentive Compensation Plan; and (iii) the structure of the Company's long-term incentive compensation programs under the Incentive Compensation Plan.

As part of the Company's processes and procedures for determining the amount and form of executive officer and director compensation, the Company's Compensation Committee relies in part upon informed proposals and information provided by management, as well as market data, analysis and guidance provided by its outside compensation consultant. During 2013, the Compensation Committee consulted with and/or considered advice provided by its outside compensation advisor (Compensation Advisory Partners LLC (CAP)) with respect to the structure and components of the Company's incentive compensation programs, as well as the total direct compensation of the Company's Named Executive Officers, inclusive of the March 2013 merit salary increases for the Named Executive Officers. CAP performed no services for the Company or the Compensation Committee during 2013 other than providing compensation advice to the Compensation Committee (or to the Company's Human Resources Department in respect to routine compensation survey data analysis). CAP did not provide services such as benefits administration, human resources consulting or actuarial services. The Compensation Committee approved CAP's engagement, upon management's recommendation, and based upon CAP's experience and qualifications. The Chairman of the Compensation Committee reviews and approves all invoices from the outside compensation consultant prior to payment. The Compensation Committee has reviewed and discussed whether there are any conflicts of interest with CAP or CAP's compensation advisor to the Compensation Committee, and has determined that there are none.

As there has never been a restatement of the Company's financial results, the Company has not considered any policy in respect of adjustment or recovery of amounts paid under its compensation plans.

Whether and, if so, How the Company has Considered the Results of the Most Recent Stockholder Advisory Vote on Executive Compensation in Determining its Compensation Policies and Decisions

At the Company's June 2011 annual stockholders' meeting, approximately 99% of the stockholders who voted on the given items (i) approved, on an advisory, non-binding basis, the Company's executive compensation, including as disclosed in the Compensation Discussion and Analysis, compensation tables and accompanying narrative set forth in the Company's 2011 proxy statement (say-on-pay), and (ii) recommended, on an advisory, non-binding basis, that the Company conduct future say-on-pay votes every 3 years (which is the Company's current intention). Although such advisory stockholder vote on executive compensation was non-binding, management considered the results of such advisory vote in determining the Company's compensation policies and decisions. The Company believes that the near unanimity of that vote represents an endorsement that the Company's compensation philosophy, processes and practices are appropriate for the Company. These philosophies, processes and practices have not changed in any significant manner since such 2011 vote of the stockholders.

TABLE OF CONTENTS

Tax Deductibility of Executive Compensation

Section 162(m) places a limit of \$1,000,000 on the amount of compensation that the Company may deduct, for tax purposes, in any one year for certain officers who constitute covered employees under the rule, unless such amounts are determined to be qualified performance-based compensation meeting certain requirements. Generally, the Company's provision of cash incentive compensation under the Incentive Compensation Plan, stock option awards and performance-based stock awards is intended to meet the requirements for qualified performance-based compensation under Section 162(m) and thus, generally, those items are intended to be fully deductible. Salary, perquisites, discretionary bonuses and restricted stock that have time-based vesting generally are not considered performance-based compensation under Section 162(m) and are generally subject to Section 162(m) limitations on deductibility. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy requiring all compensation to be deductible and retains discretion to award compensation that may not constitute qualified performance-based compensation under Section 162(m). Certain amounts of compensation for the Company's officers do not meet Section 162(m)'s performance-based requirements and therefore are not deductible by the Company.

TABLE OF CONTENTS**EXECUTIVE COMPENSATION**

The following table sets forth information for the years indicated concerning the compensation awarded to, earned by or paid to the persons who served as the Company's Chief Executive Officer and the Chief Financial Officer during 2013 and the three other most highly paid executive officers who served as executive officers of the Company during 2013 (collectively, the Named Executive Officers), for services rendered in all capacities to the Company and its subsidiaries during such periods. The Non-Equity Incentive Plan Compensation column of the Summary Compensation Table, below, presents bonus and LTIP payments earned under the Incentive Compensation Plan. As discussed above under Compensation Discussion and Analysis – Overview of 2013 Compensation Events, the 2013 Annual Bonus Program and the 2013 LTIP were funded at 90% and 75%, respectively, of target amounts by the Compensation Committee in accordance with the formulae set forth in such programs.

Such award vests in equal installments on the three succeeding anniversaries of the grant date and, accordingly, none of such shares were vested on December 31, 2013.

(c) The amounts set forth under the **Non-Equity Incentive Plan Compensation** column reflect the portion of the annual bonus and the given year's LTIP award earned by the Named Executive Officer and paid at or below target amounts pursuant to the Incentive Compensation Plan based on the Compensation Committee's certification of the achievement of performance objectives. Note that, per SEC interpretative rules, 2011 and 2012 LTIP awards, which included a 1-year performance period and a 3-year payout schedule, have been listed in the table above at their full, 3-year payout value.

For Mr. Delpani, the amount set forth under the **Non-Equity Incentive Plan Compensation** column reflects an LTIP award amount earned and paid in respect to 2013, adjusted for Company performance, which award was granted to him pursuant to his employment agreement.

(d) The amounts under the **Change in Pension Value and Nonqualified Deferred Compensation Earnings** column have been calculated based on the aggregate change in actuarial present value of the Named Executive Officers' accumulated benefit under the Retirement Plan and the Pension Equalization Plan from January 1 to December 31 of each reported year and based on, with respect to 2013, the assumptions as set forth in Note 16 to the consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2013 (the 2013 Form 10-K); with respect to 2012, the assumptions as set forth in Note 15 to the consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2012; and with respect to 2011, the assumptions as set forth in Note 14 to the consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2011. These amounts have been calculated based on normal retirement age of 65 as specified in the Retirement Plan and Pension Equalization Plan for Messrs. Berns and Elshaw. For Messrs. Ennis, Kennedy and Kretzman, the amounts have been calculated

based on the actual benefit commencement dates and forms of payment elected.

TABLE OF CONTENTS

The Pension Equalization Plan is a non-qualified and unfunded plan. In May 2009, the Company amended the Retirement Plan and the Pension Equalization Plan to cease future benefit accruals under such plans after December 31, 2009. For those Named Executive Officers whose 2013 amount in the above column reflects a \$0 value, there was a decrease in the net present value of their accumulated pension benefit. As detailed below, the negative amounts represent a decrease in the net present value of the executive's accumulated pension benefit as of December 31, 2013, as compared to the net present value of the executive's accumulated pension benefit as of December 31, 2012. Such decreases are primarily attributable to an increase in the applicable discount rate assumption used to determine the net present values of their accumulated pension benefits. Messrs. Delpani and Alletto joined the Company after the above-referenced plans were frozen as of December 31, 2009, and thus they have no amounts under such plans to report.

- For Mr. Ennis, this amount includes (\$16,151), \$11,463 and \$15,624 under the Retirement Plan and (\$19,650), \$13,947 and \$19,008 under the Pension Equalization Plan for 2013, 2012 and 2011, respectively.
- For Mr. Berns, this amount includes (\$32,734), \$22,331 and \$29,749 under the Retirement Plan and (\$14,549), \$9,926 and \$13,222 under the Pension Equalization Plan for 2013, 2012 and 2011, respectively.
- For Mr. Elshaw, this amount includes (\$2,601), \$2,664 and \$4,352 under the Retirement Plan and (\$2,537), \$2,599 and \$4,246 under the Pension Equalization Plan for 2013, 2012 and 2011, respectively.
- For Mr. Kennedy, this amount includes (\$14,498), \$2,638 and \$8,580 under the Retirement Plan and \$10,256, \$9,026 and \$29,353 under the Pension Equalization Plan for 2013, 2012 and 2011, respectively.
- For Mr. Kretzman, this amount includes (\$87,009), \$103,031 and \$171,179 under the Retirement Plan, and (\$267,554), \$316,783 and \$526,311 under the Pension Equalization Plan for 2013, 2012 and 2011, respectively, and \$1,332,983, \$790,448 and \$611,840 under his employment agreement for 2013, 2012 and 2011, respectively. The pension plans were frozen on December 31, 2009. Mr. Kretzman's employment agreement provides that he was entitled to accrue retirement benefits through his retirement date, and that he is entitled to receive a retirement benefit commencing with his retirement at age 60, or any time thereafter, unadjusted for early retirement. Mr. Kretzman retired at the end of 2013.

(e) Mr. Ennis. The amount shown under All Other Compensation for Mr. Ennis for 2013 consists of (i) \$57,537 of 2013 perquisites and personal benefits, comprised of a car allowance; tax preparation services; life insurance premiums; profit sharing contributions under the Amended and Restated Revlon Excess Savings Plan (the Excess Savings Plan) and the 401(k) Plan; and matching contributions under the 401(k) Plan; and (ii) \$1,988,921 of separation pay, comprised of \$1,861,178, representing 24 months (the severance period) of salary continuation at his base salary in effect upon termination, which is payable bi-weekly over the 24-month severance period; life insurance premiums for continued coverage during the severance period; medical insurance premiums for continued coverage during the severance period; tax preparation and financial counseling services incurred during the severance period, subject to program terms; car allowance continuation for the severance period; outplacement services; and unused vacation pay.

Mr. Berns. The amount shown under All Other Compensation for Mr. Berns for 2013 consists of a car allowance; life insurance premiums; profit sharing contributions; and matching contributions under the 401(k) Plan.

Mr. Elshaw. The amount shown under All Other Compensation for Mr. Elshaw for 2013 consists of a car allowance; tax preparation and financial counseling services; life insurance premiums; profit-sharing contributions (comprised of \$34,285 of profit sharing contributions under the Excess Savings Plan and the 401(k) Plan); and matching contributions under the 401(k) Plan.

Mr. Kennedy. The amount shown under All Other Compensation for Mr. Kennedy for 2013 consists of a car allowance; profit sharing contributions; and matching contributions under the 401(k) Plan.

Mr. Kretzman. The amount shown under All Other Compensation for Mr. Kretzman for 2013 consists of \$23,988 in tax gross ups in respect of imputed income arising from use of a Company automobile and life insurance premiums; other compensation in respect of use of a Company automobile during part of 2013 and a car allowance during the remainder of 2013; \$39,372 of life insurance and medical plan premiums; financial counseling services; and matching contributions under the 401(k) Plan.

Otherwise, upon a change of control, LTIP awards related to the performance period when the event occurred are to be paid at target on a pro-rated basis (based on the number of days elapsed) within 60 days following such change of control, and (ii) LTIP awards related to prior performance periods as to which the respective performance objectives were achieved, but for which payments remain outstanding, are to be paid within 60 days following such change of control.

The estimated aggregate total of benefits upon a change of control and subsequent termination if Mr. Alletto had been terminated on December 31, 2013 would have been approximately \$5,837,655, consisting of the following: (a) two times his annual base salary on December 31, 2013; (b) two times his average 5-year bonus of \$573,350 (representing his 2013 bonus); (c) two years of contributions under the Company's 401(k) Plan of approximately \$15,300; (d) approximately \$68,850 in respect of two years of profit sharing contributions under the 401(k) Plan; (e) 24 months of life insurance coverage, at a cost of approximately \$6,316; (f) 24 months of group medical and dental insurance coverage, at a cost of approximately \$26,289; (g) 24 months of car allowance at a cost of approximately \$30,000; (h) 24 months of tax preparation and financial counseling, at a cost of approximately \$19,000; and (i) the accelerated vesting of his restricted stock award of 120,000 shares of Class A Common Stock, which had a fair market value on such date of \$2,995,200 based on the NYSE closing market price per share of \$24.96 on December 31, 2013. For additional information about the 2013 LTIP, including modifications made to such program authorized by the Compensation Committee, see Compensation Discussion and Analysis, above.

- Awards under the Transitional LTIP were structured as flat dollar amounts that could be earned based upon the degree of achievement of the Company's applicable Performance Targets, subject to the grantee achieving at least target performance on his Performance Management Review. In order to provide eligible LTIP grantees with comparable payout opportunities during 2014 and 2015, as the LTIP structure transitioned from a one-year performance period to a multi-year performance period, the Company implemented the Transitional LTIP in 2013. Payouts to grantees of earned awards under the Transitional LTIP are to be made in two installments, one-third of which was payable in March 2014 and two-thirds of which is payable in March 2015, if the grantee is employed with the Company on the payout date, unless provided otherwise in the executive's employment agreement (see Employment Agreements and Payments upon Termination and Change of Control). Pursuant to its terms, the Transitional LTIP, as amended, is not funded, and no award is payable, if the Company achieves less than 90% of its applicable Adjusted EBITDA and Free Cash Flow Performance Targets and less than 96% of its Net Sales Performance Target (represented by the Threshold column, above); the Transitional LTIP, as amended, is funded at the Target level if the Company achieves 100% of its applicable Performance Targets; and the Transitional LTIP, as amended, is funded at 150% of the Target level for achievement by the Company of 110% of its applicable Adjusted EBITDA and Free Cash Flow Performance Targets and 102% of its applicable Net Sales Performance Target (represented by the Maximum column, above). The Company's corporate performance targets under the Transitional LTIP for its one-third payout in March 2014 included the following: (1) the Company's 2013 EBITDA Performance Target, weighted at 50%; (2) the Company's 2013 Free Cash Flow Performance Target, weighted at 25%; and (3) the Company's 2013 Net Sales Performance Target, weighted at 25%, as adjusted to account for the 2013 Unusual Items. The Company's corporate performance targets for the remaining two-thirds payout opportunity under the Transitional LTIP, as amended, are based upon 2014 performance as to: (1) Adjusted EBITDA, weighted at 50%; (2) Free Cash Flow, weighted at 25%; and (3) Net Sales, weighted at 25%. For additional information about the Transitional LTIP, including modifications made to such program authorized by the Compensation Committee, see Compensation Discussion and Analysis, above. In accordance with his employment agreement, Mr. Alletto was entitled to a guaranteed minimum LTIP of \$500,000, which was paid in March 2014. Pursuant to his employment agreement, Mr. Alletto was also granted a \$500,000 LTIP, payable in March 2015, and a \$500,000 LTIP, payable in March 2016, in each case subject to achievement of certain objectives during the relevant performance period.

- The amounts under this column represent the threshold, target, and maximum payouts for annual cash bonuses under the 2013 Annual Bonus Program, based on 2013 performance against pre-established performance measures. The amount under the Target column represents the target award opportunity, which is set as a percentage of base salary under the Named Executive Officers' respective employment agreements. Pursuant to its terms, the 2013 Annual Bonus Program would not be funded, and no award would be payable, if the Company were to achieve less than 85% of its 2013 Performance Targets (represented by the Threshold column, above); the
- (4) 2013 Annual Bonus Program could have been funded at the Target level if the Company had achieved 100% of its 2013 Performance goals; and the 2013 Annual Bonus Program could have been funded at 150% of the Target level for achievement by the Company of 120% of its 2013 Performance Targets (represented by the Maximum column, above). In addition, under the 2013 Annual Bonus Program, managers (or, for Named Executive Officers, the Compensation Committee) retained the discretion to award between 25% and 150% of target awards, to reward comparative performance, provided the overall bonus pool was not exceeded. For additional information about the 2013 Annual Bonus Program, see Compensation Discussion and Analysis, above. Pursuant to his employment agreement, each of Mr. Delpani and Mr. Alletto was entitled to a guaranteed minimum 2013 annual bonus, which was paid in March 2014. Pursuant to his employment agreement, Mr.
- (5) Delpani received a \$250,000 sign-on bonus and is entitled to a relocation bonus of \$250,000 during each of 2014, 2015 and 2016, payable monthly, to compensate him for costs to move with his family to the New York metropolitan area.

TABLE OF CONTENTS**Equity Awards**

During 2013, Mr. Alletto received the following restricted stock grant pursuant to his employment agreement. The Company granted such award to Mr. Alletto as an inducement for him to join the Company as its new Executive Vice President, Chief Financial Officer and Chief Administrative Officer. The Company did not make any other equity awards during 2013. The grant date fair value reflects the number of shares of restricted stock (all of which are currently unvested) multiplied by \$24.80, which was the NYSE closing market price of the Company's Class A Common Stock on the October 28, 2013 grant date.

No dividends are payable on the unvested restricted stock. On December 31, 2013, all of these restricted shares were unvested and therefore had no realizable monetary value as of that date.

TABLE OF CONTENTS**OUTSTANDING EQUITY AWARDS AT FISCAL YEAR-END**

The following table sets forth certain information regarding equity awards held by the Named Executive Officers under the Company's Stock Plan which remained outstanding as of December 31, 2013. TABLE OF CONTENTS**PENSION BENEFITS**

The following table shows, as of December 31, 2013, the number of years of credited service under the plans, and the present value of accumulated benefit and payments during the last fiscal year, with respect to each Named Executive Officer who has a benefit under the Retirement Plan and the Pension Equalization Plan, as described below. Messrs. Delpani and Alletto joined the Company in 2013 and do not have any pension benefits, as these plans were frozen effective December 31, 2009.

- (a) The amounts set forth in the Pension Benefits Table are based on the assumptions set forth in Note 16 to the consolidated financial statements in the 2013 Form 10-K. These amounts have been calculated based on the normal retirement age of 65 as specified in the Retirement Plan and Pension Equalization Plan for Messrs. Berns and Elshaw. For Messrs. Ennis, Kennedy and Kretzman, the amounts have been calculated based on the actual benefit commencement date and form of payment elected. Mr. Kretzman's employment agreement provides that he was entitled to accrue retirement benefits through his retirement date and that he is entitled to receive a

retirement benefit commencing with his retirement at age 60, or any time thereafter, unadjusted for early retirement. Mr. Kretzman retired at the end of 2013.

The Retirement Plan is intended to be a tax qualified defined benefit plan. The Pension Equalization Plan is a non-qualified and unfunded benefit plan. In May 2009, the Company amended the Retirement Plan and the Pension Equalization Plan to cease future benefit accruals under such plans after December 31, 2009. Prior to such amendments, benefits under the non-cash balance program of the Retirement Plan and the Pension Equalization Plan (the Non-Cash Balance Program) were a function of service and final average compensation. The Non-Cash Balance Program was designed to provide an employee having 30 years of credited service with an annuity generally equal to 52% of final average compensation less 50% of estimated individual Social Security benefits. Final average compensation is defined as average annual base salary and bonus (but not any part of bonuses in excess of 50% of base salary) during the five consecutive calendar years in which base salary and bonus (but not any part of bonuses in excess of 50% of base salary) were highest out of the last 10 years prior to retirement or earlier termination. Participants in the Non-Cash Balance Program are eligible for early retirement upon the later of the date that they reach age 55 or complete 10 years of service. The amount payable upon early retirement is calculated based on the normal retirement benefit calculation under the Non-Cash Balance Program, reduced by 1/2% for each month that

TABLE OF CONTENTS

benefits start before the normal retirement date of age 65 (or 6% for each full year of early retirement). Messrs. Ennis, Elshaw and Kennedy, each of whom joined the Company after the implementation of the Cash Balance Program (as discussed below), did not participate in the Non-Cash Balance Program.

Effective January 1, 2001, Products Corporation amended the Retirement Plan and the Pension Equalization Plan to provide for a cash balance program under such plans (the Cash Balance Program). Prior to ceasing future benefit accruals under such plans after December 31, 2009, under the Cash Balance Program, eligible employees received quarterly pay credits to an individual cash balance bookkeeping account equal to 5% of their base salary and bonus (but not any part of bonuses in excess of 50% of base salary) for the previous quarter. Interest credits, which commenced June 30, 2001, were and will continue to be allocated quarterly (based on the yield of the 30-year Treasury bill for November of the preceding calendar year).

Messrs. Ennis, Elshaw and Kennedy participated in the Cash Balance Program prior to the cessation of future benefit accruals after December 31, 2009. Employees who as of January 1, 2001 were at least age 45, had 10 or more years of service with the Company and whose age and years of service totaled at least 60, including Mr. Kretzman, through his retirement on December 31, 2013, were grandfathered and continued to participate in the Non-Cash Balance Program under the same retirement formula described in the preceding paragraph, prior to ceasing future benefit accruals under the Retirement Plan and the Pension Equalization Plan after December 31, 2009; provided, that, as described below, Mr. Kretzman continued to accrue retirement benefits under his employment agreement. All eligible employees had their benefits earned (if any) under the Non-Cash Balance Program frozen on December 31, 2000 and began to participate in the Cash Balance Program on January 1, 2001, prior to ceasing future benefit accruals under the Retirement Plan and the Pension Equalization Plan after December 31, 2009. The frozen benefits will be payable at normal retirement age and will be reduced if the employee elects early retirement. Mr. Berns' retirement benefits listed in the table above were all earned during his first period of employment with the Company, which spanned from April 1992 to August 1999, under the Non-Cash Balance Program. Upon his re-employment with the Company in May 2009, he was not eligible for any additional benefit under either the Non-Cash Balance Program or the Cash Balance Program, because (i) he did not complete a full year of re-employment prior to the freezing of the Retirement Plan and the Pension Equalization Plan as of December 31, 2009, and (ii) under the provisions of the Retirement Plan and the Pension Equalization Plan, a vested participant would only have become eligible for additional benefits upon completing one year of service from their re-employment date.

The Retirement Plan and Pension Equalization Plan each provide that employees vest in their benefits after they have completed three years of service with the Company or an affiliate of the Company. Each of the Named Executive Officers is fully vested in his respective benefits under the Retirement Plan and the Pension Equalization Plan as of December 31, 2009. The Employee Retirement Income Security Act of 1974, as amended, places certain maximum limitations under ERISA and the Code upon the annual benefit payable under all qualified plans of an employer to any one individual. In addition, the Code limits the annual amount of compensation that can be considered in determining the level of benefits under qualified plans. As noted above, the Pension Equalization Plan is a non-qualified and unfunded benefit plan that was designed to provide for the payment by the Company of the difference, if any, between the amount of such maximum limitations and the annual benefit that would otherwise be payable under the Retirement Plan but for such limitations, up to a combined maximum annual straight life annuity benefit at age 65 under the Retirement Plan and the Pension Equalization Plan of \$500,000. Benefits provided under the Pension Equalization Plan are conditioned on the participant's compliance with his or her non-competition agreement and on the participant not competing with Products Corporation for one year after termination of employment.

Messrs. Ennis and Berns ceased employment with the Company prior to December 31, 2013. Mr. Elshaw ceased employment with the Company prior to the date of this proxy statement. Mr. Kennedy retired from the Company prior to, and Mr. Kretzman retired on, December 31, 2013. Based upon the application of IRS rules and the retirement program's terms, Mr. Ennis has been paid out his frozen vested accrued benefit under the Cash Balance Program of the

Retirement Plan, as a lump sum, as he elect(ed), and Mr. Elshaw will be paid out his frozen vested accrued benefit under the Cash Balance Program of the Retirement Plan, as a lump sum or in the form of a monthly annuity payment, as he elects. Also, Messrs. Ennis and Elshaw will be or have been paid out their frozen vested accrued benefit under the Cash Balance Program of the Pension Equalization Plan following 6 months after their respective employment cessation or retirement dates, for Code Section 409A reasons, as a lump sum, as they have elected. Based upon the application of IRS rules and the applicable retirement program's terms, Mr. Berns will be paid out his

TABLE OF CONTENTS

frozen accrued benefit under the Non-Cash Balance Program, at retirement, in the form of a monthly annuity payment. Based upon the application of IRS rules and the retirement program's terms, Mr. Kennedy will be paid out his frozen vested accrued benefit under the Cash Balance Program of the Retirement Plan, in the form of a monthly annuity payment, as he elected. Mr. Kennedy will also be paid out his frozen vested accrued benefit under the Cash Balance Program of the Pension Equalization Plan following 6 months after his retirement date, for Code Section 409A reasons, as a lump sum, as he elected. Based upon the application of IRS rules and the applicable retirement program's terms, Mr. Kretzman will be paid out his accrued benefit under the Non-Cash Balance Program, commencing with his retirement, which occurred on December 31, 2013, in the form of a monthly annuity payment, provided, the portion of such Non-Cash Balance Program benefit which accrued for Mr. Kretzman under the Pension Equalization Plan and his employment agreement will be delayed for 6 months following his retirement, pursuant to Code Section 409A.

Messrs. Delpani and Alletto do not participate in the Non-Cash Balance Program or the Cash Balance Program, as they joined the Company after the above-referenced plans were frozen at the end of 2009.

TABLE OF CONTENTS**NON-QUALIFIED DEFERRED COMPENSATION**

Prior to December 31, 2004, employees were able to make contributions to the Company's Excess Savings Plan, a non-qualified, defined contribution, deferred compensation plan, and the Company matched 50% of those contributions up to 6% of pay contributed. New contributions by employees to the Excess Savings Plan were frozen on December 31, 2004. Mr. Kretzman is the only Named Executive Officer who contributed to the Company's Excess Savings Plan before it was frozen.

As previously noted, the Company froze its U.S. qualified and non-qualified defined benefit retirement plans (namely, the Retirement Plan and the Pension Equalization Plan) so that no further benefits would accrue thereunder after December 31, 2009. The Company also amended its qualified and non-qualified savings plans effective January 1, 2010 to enable the Company, on a discretionary basis, to make profit-sharing contributions (equal to 3%, 3% and 3% of eligible compensation for 2011, 2012 and 2013, respectively) to the qualified plan and, to the extent eligible compensation exceeds IRS limits, to the Excess Savings Plan (i.e., the non-qualified savings plan).

The Excess Savings Plan provides for substantially the same investment choices as are available in the Company's qualified 401(k) Plan. The Excess Savings Plan does not provide for above-market returns. Payments of participant balances under the Excess Savings Plan commence in accordance with the applicable provisions of the Excess Savings Plan after termination of a participant's employment and may be paid in either annual installments over a period of no more than 10 years or as a single lump-sum payment, as elected by the participant.

Amounts shown in the table below reflect amounts deferred from compensation and Company matching contributions prior to December 31, 2004, plus discretionary Company contributions made under the discretionary employer profit-sharing provisions of the Excess Savings Plan during 2013, as well as total account balances, inclusive of investment returns, as of December 31, 2013. Mr. Kretzman waived his eligibility to receive profit sharing contributions, as he has a retirement benefit under his employment agreement. Messrs. Delpani and Alletto joined the Company in 2013 and do not have any non-qualified deferred compensation benefits, as their initial contributions were paid in early 2014.

TABLE OF CONTENTS

- Amounts reported under Aggregate Earnings in 2013 are not reported in the Summary Compensation Table. For Mr. Kretzman, his amount represents the appreciation in market returns on his investments under the Excess Savings Plan which he made prior to December 31, 2004, when the employee contribution feature was frozen. See the Pension Benefits Table and the Summary Compensation Table, above, for a discussion of the Pension Equalization Plan, a non-qualified, deferred compensation plan.
- (b) These amounts represent actual account balances at year end, and do not reflect the portion of the 2013 discretionary employer contributions credited during 2014, nor the earnings on such contributions. The Company has contributed funds to a rabbi trust equal to the Excess Savings Plan's liabilities. For Mr. Kretzman, who waived his eligibility to receive profit sharing contributions, as he has a retirement benefit under his employment agreement, his amount represents amounts deferred from compensation and Company matching contributions prior to December 31, 2004, when the employee contribution feature was frozen, plus market returns.

TABLE OF CONTENTS**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth, as of April 14, 2014, the number of shares of each class of the Company's voting capital stock beneficially owned, and the percent so owned, by (i) each person known to the Company to be the beneficial owner of more than 5% of any class of the Company's voting securities; (ii) each director of the Company; (iii) the Chief Executive Officer and each of the other Named Executive Officers; and (iv) all directors and executive officers of the Company as a group. The number of shares owned are those beneficially owned, as determined under the applicable rules of the SEC for the purposes of this Proxy Statement, and such information is not necessarily indicative of beneficial ownership for any other purpose. Under such rules, beneficial ownership includes any shares of voting capital stock as to which a person has sole or shared voting power or investment power and any shares of voting capital stock which the person has the right to acquire within 60 days through the exercise of any option, warrant or right, through conversion of any security or pursuant to the automatic termination of a power of attorney or revocation of a trust, discretionary account or similar arrangement.

- Mr. Perelman beneficially owned, directly and indirectly through MacAndrews & Forbes, as of April 14, 2014, 40,669,640 shares of Class A Common Stock (of which, (a) 36,108,030 shares were beneficially owned by MacAndrews & Forbes; and (b) 4,561,610 shares were beneficially owned by a family member of Mr. Perelman with respect to which shares MacAndrews & Forbes holds a voting proxy). In October 2013, MacAndrews & Forbes voluntarily converted all of its 3,125,000 shares of Revlon, Inc. Class B Common Stock, which had 10 votes per share, on a one-for-one basis into 3,125,000 shares of Class A Common Stock, which have 1 vote per share. Such Common Stock share ownership represented approximately 78% of the Company's issued and outstanding voting capital stock as of March 20, 2014. MacAndrews & Forbes has advised the Company that it has pledged shares of Class A Common Stock to secure certain obligations of MacAndrews & Forbes. Additional shares of Revlon, Inc., and shares of common stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes, may from time to time be pledged to secure obligations of MacAndrews & Forbes. A default under any of these obligations that are secured by the pledged shares could cause a foreclosure with respect to such shares of Class A Common Stock, Products Corporation's common stock or stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes. A foreclosure upon any such shares of common stock or dispositions of shares of Revlon, Inc.'s Class A Common Stock, Products Corporation's common stock or stock of intermediate holding companies between Revlon, Inc. and MacAndrews & Forbes which are beneficially owned by MacAndrews & Forbes could, in a sufficient amount, constitute a change of control under the Company's amended and restated bank term loan agreement and multi-currency revolving credit agreement and the indenture governing the 5³/₄% Senior Notes (as hereinafter defined). A change of control constitutes an event of default under the Company's credit agreements, which would permit Products Corporation's lenders to accelerate amounts outstanding under such facilities. In addition, holders of the 5³/₄% Senior Notes may require Products Corporation to repurchase their respective notes under those circumstances. Upon a change of control, Products Corporation would also be required, after fulfilling its repayment obligations under the 5³/₄% Senior Notes indenture, to repay in full the Amended and Restated Senior Subordinated Term Loan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

As of December 31, 2013, MacAndrews & Forbes beneficially owned approximately 78% of Revlon, Inc.'s Class A Common Stock, representing approximately 78% of Revlon, Inc.'s outstanding shares of voting capital stock. As a result, MacAndrews & Forbes is able to elect Revlon, Inc.'s entire Board of Directors and control the vote on all matters submitted to a vote of Revlon, Inc.'s stockholders. MacAndrews & Forbes is wholly owned by Ronald O. Perelman, Chairman of Revlon, Inc.'s Board of Directors.

Transfer Agreements

In June 1992, Revlon, Inc. and Products Corporation entered into an asset transfer agreement with Revlon Holdings LLC, a Delaware limited liability company and formerly a Delaware corporation known as Revlon Holdings Inc. (Revlon Holdings), and which is an affiliate and an indirect wholly-owned subsidiary of MacAndrews & Forbes, and certain of Revlon Holdings' wholly-owned subsidiaries. Revlon, Inc. and Products Corporation also entered into a real property asset transfer agreement with Revlon Holdings. Pursuant to such agreements, on June 24, 1992, Revlon Holdings transferred certain assets to Products Corporation and Products Corporation assumed all of the liabilities of Revlon Holdings, other than certain specifically excluded assets and liabilities (the liabilities excluded are referred to as the Excluded Liabilities). Certain consumer products lines sold in demonstrator-assisted distribution channels considered not integral to the Company's business and that historically had not been profitable and certain other assets and liabilities were retained by Revlon Holdings. Revlon Holdings agreed to indemnify Revlon, Inc. and Products Corporation against losses arising from the Excluded Liabilities, and Revlon, Inc. and Products Corporation agreed to indemnify Revlon Holdings against losses arising from the liabilities assumed by Products Corporation. The amounts reimbursed by Revlon Holdings to Products Corporation for the Excluded Liabilities was \$0.2 million for 2013. As of December 31, 2013, a \$0.1 million receivable from MacAndrews & Forbes was included within prepaid expense and other in the Company's 2013 Consolidated Balance Sheets for transactions subject to the Transfer Agreements.

Reimbursement Agreements

Revlon, Inc., Products Corporation and MacAndrews & Forbes Inc., a wholly-owned subsidiary of MacAndrews & Forbes Holdings Inc. (MacAndrews & Forbes Holdings) have entered into reimbursement agreements (the Reimbursement Agreements) pursuant to which (i) MacAndrews & Forbes Inc. is obligated to provide (directly or through its affiliates) certain professional and administrative services, including without limitation employees, to Revlon, Inc. and its subsidiaries, including without limitation Products Corporation, and to purchase services from third party providers, such as insurance, legal, accounting and air transportation services, on behalf of Revlon, Inc. and its subsidiaries, including Products Corporation, to the extent requested by Products Corporation, and (ii) Products Corporation is obligated to provide certain professional and administrative services, including, without limitation, employees, to MacAndrews & Forbes and to purchase services from third party providers, such as insurance, legal and accounting services, on behalf of MacAndrews & Forbes to the extent requested by MacAndrews & Forbes, provided that in each case the performance of such services does not cause an unreasonable burden to MacAndrews & Forbes or Products Corporation, as the case may be.

The Company reimburses MacAndrews & Forbes for the allocable costs of the services purchased for or provided by MacAndrews & Forbes to the Company and its subsidiaries and for the reasonable out-of-pocket expenses incurred by MacAndrews & Forbes in connection with the provision of such services. MacAndrews & Forbes reimburses Products Corporation for the allocable costs of the services purchased for or provided by Products Corporation to MacAndrews & Forbes and for the reasonable out-of-pocket expenses incurred in connection with the purchase or provision of such services. Each of the Company, on the one hand, and MacAndrews & Forbes, on the other, has agreed to indemnify the other party for losses arising out of the services provided by it under the Reimbursement Agreements, other than losses resulting from its willful misconduct or gross negligence.

The Reimbursement Agreements may be terminated by either party on 90 days' notice. The Company does not intend to request services under the Reimbursement Agreements unless their costs would be at least as favorable to the Company as could be obtained from unaffiliated third parties.

The Company participates in MacAndrews & Forbes' directors and officers liability insurance program (the D&O Insurance Program), as well as its other insurance coverages, such as property damage, business interruption, liability and other coverages, which cover the Company as well as MacAndrews & Forbes and its subsidiaries. The limits of coverage for certain of the policies are available on an aggregate basis for losses to any

or all of the participating companies and their respective directors and officers. The Company reimburses MacAndrews & Forbes from time to time for their allocable portion of the premiums for such coverage or the Company pays the insurers directly, which premiums the Company believes are more favorable than the premiums the Company would pay were it to secure stand-alone coverage. Any amounts paid by the Company directly to MacAndrews & Forbes in respect of premiums are included in the amounts paid under the Reimbursement Agreements.

The net activity related to services provided and/or purchased under the Reimbursement Agreements during the year ended December 31, 2013 was \$(4.4) million, which primarily includes a \$6.1 million partial payment made by the Company to MacAndrews & Forbes during the first quarter of 2013 for premiums related to the Company's allocable portion of the 5-year renewal of the D&O Insurance Program for the period from January 31, 2012 through January 31, 2017, partially offset by \$1.8 million from MacAndrews & Forbes for reimbursable costs incurred by the Company related to matters covered by the D&O Insurance Program.

Tax Sharing Agreements

As a result of closing the debt-for-equity exchange transaction in March 2004 (the 2004 Revlon Exchange Transactions), as of March 25, 2004, Revlon, Inc., Products Corporation and their U.S. subsidiaries were no longer included in the affiliated group of which MacAndrews & Forbes was the common parent (the MacAndrews & Forbes Group) for federal income tax purposes.

Revlon Holdings, Revlon, Inc., Products Corporation and certain of its subsidiaries and MacAndrews & Forbes Holdings entered into a tax sharing agreement (as subsequently amended and restated, the MacAndrews & Forbes Tax Sharing Agreement) for taxable periods beginning on or after January 1, 1992 through and including March 25, 2004, during which Revlon, Inc. and Products Corporation or a subsidiary of Products Corporation was a member of the MacAndrews & Forbes Group. In these taxable periods, Revlon, Inc.'s and Products Corporation's federal taxable income and loss were included in such group's consolidated tax return filed by MacAndrews & Forbes Holdings. Revlon, Inc. and Products Corporation were also included in certain state and local tax returns of MacAndrews & Forbes Holdings or its subsidiaries. Revlon, Inc. and Products Corporation remain liable under the MacAndrews & Forbes Tax Sharing Agreement, for all such taxable periods through and including March 25, 2004 for amounts determined to be due as a result of a redetermination arising from an audit or otherwise, equal to the taxes that Revlon, Inc. or Products Corporation would otherwise have had to pay if it were to have filed separate federal, state or local income tax returns for such periods.

Following the closing of the 2004 Revlon Exchange Transactions, Revlon, Inc. became the parent of a new consolidated group for federal income tax purposes and Products Corporation's federal taxable income and loss are included in such group's consolidated tax returns. Accordingly, Revlon, Inc. and Products Corporation entered into a tax sharing agreement (the Revlon Tax Sharing Agreement) pursuant to which Products Corporation is required to pay to Revlon, Inc. amounts equal to the taxes that Products Corporation would otherwise have had to pay if Products Corporation were to file separate federal, state or local income tax returns, limited to the amount, and payable only at such times, as Revlon, Inc. will be required to make payments to the applicable taxing authorities.

There were no federal tax payments or payments in lieu of taxes from Revlon, Inc. to Revlon Holdings pursuant to the MacAndrews & Forbes Tax Sharing Agreement in 2013 with respect to periods covered by the MacAndrews & Forbes Tax Sharing Agreement, and the Company expects that there will not be any such payments in 2014. During 2013, there were no federal tax payments from Products Corporation to Revlon, Inc. pursuant to the Revlon Tax Sharing Agreement with respect to 2012 and \$1.3 million with respect to 2013. The Company expects that there will be no federal tax payments from Products Corporation to Revlon, Inc. pursuant to the Revlon Tax Sharing Agreement during 2014 with respect to 2013.

Pursuant to the asset transfer agreement referred to above, Products Corporation assumed all tax liabilities of Revlon Holdings other than (i) certain income tax liabilities arising prior to January 1, 1992 to the extent such liabilities exceeded the reserves on Revlon Holdings' books as of January 1, 1992 or were not of the nature reserved for and (ii) other tax liabilities to the extent such liabilities are related to the business and assets retained by Revlon Holdings.

Registration Rights Agreement

Prior to the consummation of Revlon, Inc.'s initial public equity offering in February 1996, Revlon, Inc. and Revlon Worldwide Corporation (which subsequently merged into REV Holdings LLC, a Delaware limited liability

TABLE OF CONTENTS

company (formerly a Delaware corporation) and a wholly-owned subsidiary of MacAndrews & Forbes (REV Holdings), the then direct parent of Revlon, Inc.) entered into a registration rights agreement (the Registration Rights Agreement), and in February 2003, MacAndrews & Forbes executed a joinder agreement to the Registration Rights Agreement, pursuant to which REV Holdings, MacAndrews & Forbes and certain transferees of Revlon, Inc.'s Common Stock held by REV Holdings (the Holders) have the right to require Revlon, Inc. to register under the Securities Act of 1933, as amended, all or part of the Class A Common Stock owned by such Holders, including, without limitation, the shares of Class A Common Stock purchased by MacAndrews & Forbes in connection with the \$50.0 million equity rights offering consummated by Revlon, Inc. in 2003 and the shares of Class A Common Stock which were issued to REV Holdings upon its October 2013 conversion of all of its 3,125,000 shares of Revlon, Inc. Class B Common Stock (a Demand Registration). In connection with the closing of the 2004 Revlon Exchange Transactions and pursuant to an Investment Agreement entered into in connection with such transactions (the 2004 Investment Agreement), MacAndrews & Forbes executed a joinder agreement that provided that MacAndrews & Forbes would also be a Holder under the Registration Rights Agreement and that all shares acquired by MacAndrews & Forbes pursuant to the 2004 Investment Agreement are deemed to be registrable securities under the Registration Rights Agreement. This included all of the shares of Class A Common Stock acquired by MacAndrews & Forbes in connection with Revlon, Inc.'s \$110 million rights offering of shares of its Class A Common Stock and related private placement to MacAndrews & Forbes, which was consummated in March 2006, and the Company's \$100 million rights offering of shares of its Class A Common Stock and related private placement to MacAndrews & Forbes, which was consummated in January 2007.

Revlon, Inc. may postpone giving effect to a Demand Registration for a period of up to 30 days if Revlon, Inc. believes such registration might have a material adverse effect on any plan or proposal by Revlon, Inc. with respect to any financing, acquisition, recapitalization, reorganization or other material transaction, or if Revlon, Inc. is in possession of material non-public information that, if publicly disclosed, could result in a material disruption of a major corporate development or transaction then pending or in progress or could result in other material adverse consequences to Revlon, Inc. In addition, the Holders have the right to participate in registrations by Revlon, Inc. of its Class A Common Stock (a Piggyback Registration). The Holders will pay all out-of-pocket expenses incurred in connection with any Demand Registration. Revlon, Inc. will pay any expenses incurred in connection with a Piggyback Registration, except for underwriting discounts, commissions and expenses attributable to the shares of Class A Common Stock sold by such Holders.

Amended and Restated Senior Subordinated Term Loan

Products Corporation was party to the Senior Subordinated Term Loan Agreement (as defined below), consisting of (i) the \$58.4 million Non-Contributed Loan (as defined below) which matures on October 8, 2014, and (ii) the \$48.6 million Contributed Loan (as defined below) which matured and was repaid in full on October 8, 2013. On April 30, 2012, MacAndrews & Forbes exercised its right to assign its interest in the Non-Contributed Loan to various third parties. In connection with such assignment, Products Corporation entered into an Amended and Restated Senior Subordinated Term Loan Agreement with MacAndrews & Forbes (the Amended and Restated Senior Subordinated Term Loan Agreement) to: (1) modify the interest rate on the Non-Contributed Loan from its prior 12% fixed rate to a floating rate of LIBOR plus 7%, with a 1.5% LIBOR floor, resulting in an interest rate of approximately 8.5% per annum (or a 3.5% reduction per annum) upon the effectiveness of the Amended and Restated Senior Subordinated Term Loan Agreement; (2) insert certain prepayment premiums; and (3) designate Citibank, N.A. as the administrative agent for the Non-Contributed Loan.

Upon consummation of the 2009 Exchange Offer in October 2009, MacAndrews & Forbes contributed to Revlon, Inc. \$48.6 million of the \$107 million aggregate outstanding principal amount of the Senior Subordinated Term Loan (the Senior Subordinated Term Loan; the agreement in respect to such loan is referred to as the Senior Subordinated Term Loan Agreement) made in January 2008 by MacAndrews & Forbes to Products Corporation (the Contributed Loan),

representing \$5.21 of outstanding principal amount for each of the 9,336,905 shares of Revlon, Inc.'s Class A Common Stock exchanged in the 2009 Exchange Offer, and Revlon, Inc. issued to MacAndrews & Forbes 9,336,905 shares of Class A Common Stock at a ratio of one share of Class A Common Stock for each \$5.21 of outstanding principal amount of the Senior Subordinated Term Loan contributed to Revlon, Inc. Upon consummation of the 2009 Exchange Offer, the terms of the Senior Subordinated Term Loan Agreement were amended to (i) extend the maturity date of the Contributed Loan from August 2010 to October 8, 2013, and to change the annual interest rate on the Contributed Loan from 11% to 12.75%; and (ii) extend the maturity date of the \$58.4 million principal amount of the Senior Subordinated Loan which, at December 31, 2011, remained owing from

TABLE OF CONTENTS

Products Corporation to MacAndrews & Forbes (the Non-Contributed Loan) from August 2010 to October 8, 2014 and to change the annual interest rate on the Non-Contributed Loan from 11% to 12%.

Contribution and Stockholder Agreement

In connection with consummating the 2009 Exchange Offer, Revlon, Inc. and MacAndrews & Forbes entered into a Contribution and Stockholder Agreement (as amended, the Contribution and Stockholder Agreement), pursuant to which through such agreement's termination on October 8, 2013:

- During any period in which Revlon, Inc. may not be subject to the reporting requirements of Section 13(a) or 15(d) of the Exchange Act, Revlon, Inc. would file or furnish, as appropriate, with the SEC on a voluntary basis all periodic and other reports that are required of a company that is subject to such reporting requirements;
- Revlon, Inc. would maintain a majority of independent directors on its Board of Directors, each of whom meets the independence criteria as set forth in Section 303A.02 of the NYSE Manual, as it currently does; and
- Revlon, Inc. would not engage in any transaction with any affiliate, other than Revlon, Inc.'s subsidiaries, or with any legal or beneficial owner of 10% or more of the voting power of Revlon, Inc.'s voting stock, unless, in each case subject to certain exceptions (i) any such transaction or series of related transactions involving aggregate payments or other consideration in excess of \$5 million was approved by all of Revlon, Inc.'s independent directors and (ii) any such transaction or series of related transactions involving aggregate payments or other consideration in excess of \$20 million was determined, in the written opinion of a nationally recognized investment banking firm, to be fair, from a financial point of view, to Revlon, Inc., and in each case subject to certain exceptions.

Through such agreement's termination on October 8, 2013, MacAndrews & Forbes agreed that it would not complete certain short-form mergers under Section 253 of the DGCL unless either (i) such transaction was approved in advance by a majority of the independent directors of Revlon, Inc.'s Board of Directors, as well as satisfying certain other conditions; or (ii) the short-form merger was preceded by a qualifying tender offer (as defined in the Contribution and Stockholder Agreement) for the shares of Class A Common Stock held by persons other than MacAndrews & Forbes, subject to certain other conditions. In any such merger, the holders of Preferred Stock would have retained their shares of Preferred Stock, or received shares of preferred stock in the surviving corporation of such merger with terms identical to, or no less favorable than, the terms of the Preferred Stock (with, for the avoidance of doubt, the same terms as though issued on the date of original issuance of the Preferred Stock).

Fidelity Stockholders' Agreement

In connection with the 2004 Revlon Exchange Transactions, Revlon, Inc. and Fidelity Management & Research Co. (Fidelity), a wholly-owned subsidiary of FMR LLC (FMR), entered into a stockholders agreement (the Stockholders' Agreement) pursuant to which, among other things, Revlon, Inc. (i) agreed to continue to maintain a majority of independent directors (as defined by NYSE listing standards) on its Board of Directors, as it currently does; (ii) established and maintained the Governance Committee of its Board of Directors; and (iii) agreed to certain restrictions with respect to its conducting any business or entering into any transactions or series of related transactions with any of its affiliates, any holders of 10% or more of the outstanding voting stock or any affiliates of such holders (in each case, other than its subsidiaries). The Fidelity Stockholders Agreement terminated no later than the consummation of Revlon, Inc.'s mandatory redemption of its Preferred Stock in October 2013.

Other

During 2012, Revlon, Inc. and MacAndrews & Forbes entered into settlement agreements in connection with the previously disclosed litigation actions related to the 2009 Exchange Offer. Such settlements became effective in August 2013 and resulted in total cash payments of approximately \$36.9 million to settle all actions and related claims by Revlon, Inc.'s stockholders, of which \$23.5 million were paid from insurance proceeds. In August 2013, a payment of \$8.9 million, representing the Company's allocable portion of the settlement amount, was made to settle all amounts owed by Revlon, Inc. in connection with the settlement agreements. In September 2013, Revlon, Inc. received a final payment of approximately \$1.8 million of insurance proceeds in connection with matters related to the 2009 Exchange Offer.

TABLE OF CONTENTS

Pursuant to a lease dated April 2, 1993 (the Edison Lease), Revlon Holdings leased to Products Corporation the Edison, NJ research and development facility for a term of up to 10 years with an annual rent of \$1.4 million and certain shared operating expenses payable by Products Corporation which, together with the annual rent, were not to exceed \$2.0 million per year. In August 1998, Revlon Holdings sold the Edison facility to an unrelated third party, which assumed substantially all liability for environmental claims and compliance costs relating to the Edison facility, and in connection with such sale Products Corporation terminated the Edison Lease and entered into a new lease with the new owner. Revlon Holdings agreed to indemnify Products Corporation through September 1, 2013 (the original term of the new lease) to the extent that rent under the new lease exceeds the rent that would have been payable under the terminated Edison Lease had it not been terminated. The net amount reimbursed by Revlon Holdings to Products Corporation with respect to the Edison facility for 2013 was \$0.1 million.

Certain of Products Corporation's debt obligations, including its amended and restated bank term loan agreement, amended and restated multi-currency revolving credit agreement and 5¾% Senior Notes due 2021, have been, and may in the future be, supported by, among other things, guarantees from the Company and, subject to certain limited exceptions, all of the domestic subsidiaries of Products Corporation. The obligations under such guarantees are secured by, among other things, the capital stock of Products Corporation and, subject to certain limited exceptions, the capital stock of all of Products Corporation's domestic subsidiaries and 66% of the capital stock of Products Corporation's and its domestic subsidiaries' first-tier foreign subsidiaries.

Review and Approval of Transactions with Related Persons

The Revlon, Inc. Related Party Transaction Policy (the Policy) serves as a set of guidelines for the approval of interested transactions with related parties. Under the Policy, related party transactions are subject to the review, approval and/or ratification of the Governance Committee, a majority of which is comprised of independent directors. The Policy also pre-approves a series of related party transactions including, among others: (i) certain employment relationships and related compensatory arrangements with executive officers, which are either approved by the Compensation Committee or disclosed in the Company's annual proxy statement, if so required; (ii) any compensation paid to a director if the compensation is required to be reported in the Company's proxy statement; (iii) transactions related to the ownership of the Company's common stock where all stockholders are receiving the same or substantially the same pro rata benefit; (iv) competitively-bid transactions; (v) any transaction involving services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture or similar services; (vi) transactions permitted under Products Corporation's indentures, credit agreements and other debt instruments (copies of each of which are on file with the SEC); and (vii) transactions described in the Company's proxy statements or other SEC reports filed with or furnished to the SEC on or before the adoption of the Policy in March 2007. The Policy also delegates to the Chair of the Governance Committee the authority to approve certain related party transactions.

The Company does not currently expect to make any such waivers.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

The Company's executive officers, directors and 10% stockholders may be required under the Exchange Act to file reports of ownership and changes in ownership with the NYSE and the SEC. The Company makes such SEC filings available on its corporate website, www.revloninc.com, under the heading Investor Relations (SEC Filings). Copies of these reports also must be furnished to the Company by such filers.

TABLE OF CONTENTS

Based solely upon a review of copies of such reports furnished to the Company through the date hereof and written representations as to transactions consummated by the Company's executive officers, directors and 10% stockholders during the year, if any, the Company believes that all Section 16 filing requirements applicable to its executive officers, directors and 10% stockholders were complied with during 2012.

PROPOSAL NO. 2 — RATIFICATION OF AUDIT COMMITTEE'S SELECTION OF KPMG LLP

The Audit Committee of the Board of Directors has selected, subject to ratification by the Company's stockholders, KPMG to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2014.

The Sarbanes-Oxley Act of 2002 and Section 10A of the Exchange Act require that the Audit Committee of the Board of Directors be directly responsible for the appointment, compensation, retention and oversight of the audit work of the Company's independent registered public accounting firm. Ratification by the stockholders of the Audit Committee's selection of KPMG is not required by law, the Company's By-laws or otherwise. However, the Board of Directors is submitting the Audit Committee's selection of KPMG for stockholder ratification to ascertain stockholders' view on the matter.

KPMG has audited the consolidated financial statements of the Company and its predecessors for more than the past 5 consecutive years. Representatives of KPMG are expected to be present at the 2014 Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from stockholders.

The Audit Committee reviews audit and non-audit services performed by KPMG, as well as the fees charged by KPMG for such services. In its review of non-audit service fees, the Audit Committee received and discussed with KPMG their annual written report on KPMG's independence from the Company and its management, as required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with KPMG that firm's independence. The Audit Committee has satisfied itself that KPMG's provision of audit and non-audit services to the Company is compatible with KPMG's independence. Additional information concerning the Audit Committee and its activities with KPMG can be found in the following sections of this Proxy Statement: Board of Directors and its Committees and Audit Committee Report. Information regarding the aggregate fees billed by KPMG for services rendered to the Company for the fiscal years ended December 31, 2013 and December 31, 2012 can be found below under Audit Fees.

Vote Required and Board of Directors' Recommendation (Proposal No. 2)

The ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2014 requires the affirmative vote of the holders of a majority of the total number of votes of the Class A Common Stock present in person or represented by proxy and entitled to vote at the 2014 Annual Meeting. With respect to Proposal No. 2, all proxies properly submitted to the Company will be voted in accordance with the instructions given by the person submitting such proxy or, in the absence of such instructions, will be voted **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2014, unless such proxies are revoked prior to their being voted on. In determining whether Proposal No. 2 has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against Proposal No. 2. Brokers will have discretionary authority to vote on Proposal No. 2 (ratification of the Audit Committee's selection of its independent registered public accounting firm for 2014) absent instructions from the beneficial owner of the shares, as this is a routine proposal. MacAndrews & Forbes has informed the Company that it will vote **FOR** the ratification of the Audit Committee's selection of KPMG as the Company's independent registered public accounting firm for 2014. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the

concurring vote of any other stockholder of the Company, to approve and adopt Proposal No. 2.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE AUDIT COMMITTEE'S SELECTION OF KPMG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2014.

The Board of Directors of Revlon, Inc. maintains its Audit Committee in accordance with applicable SEC rules and the NYSE's listing standards. In accordance with the Audit Committee's charter, the Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the audit work of Revlon, Inc.'s independent auditors for the purpose of preparing and issuing its audit report or performing other audit, review or attest services for Revlon, Inc. A printable and current copy of the Audit Committee's charter is currently available at www.revloninc.com under the heading Investor Relations (Corporate Governance). The independent auditors, KPMG, report directly to the Audit Committee and the Audit Committee is directly responsible for, among other things, reviewing in advance, and granting any appropriate pre-approvals of, (a) all auditing services to be provided by the independent auditor and (b) all non-audit services to be provided by the independent auditor (as permitted by the Exchange Act), and in connection therewith to approve all fees and other terms of engagement, as required by the applicable rules of the Exchange Act.

Since 2005, the Audit Committee has approved an Audit Committee Pre-Approval Policy for pre-approving all permissible audit and non-audit services performed by KPMG. During 2013, an electronic printable copy of the 2013 Audit Committee Pre-Approval Policy was available at www.revloninc.com under the heading Investor Relations (Corporate Governance). A copy of the 2014 Audit Committee Pre-Approval Policy is attached to this Proxy Statement as Annex B and an electronic printable copy of such policy is currently available at www.revloninc.com under the heading Investor Relations (Corporate Governance). The Audit Committee also has the authority to approve services to be provided by KPMG at its meetings and by unanimous written consents.

The aggregate fees billed for professional services by KPMG in 2013 and 2012 for these various services for Revlon, Inc. and Products Corporation in the aggregate are set forth in the table, below. The increase in total fees paid to KPMG for services rendered during 2013, as compared to 2012, was attributable principally to KPMG's provision of incremental audit work required as a result of the Company's acquisition of The Colomer Group in October 2013, additional statutory audits, as well as services related to the Company's S-4 registration statement filings made in connection with the Company's 5.75% Senior Notes exchange transaction in December 2013.

Types of Fees

(Dollars in millions)	2013	2012
Audit Fees	\$ 5.4	\$ 3.9
Audit-Related Fees	0.2	0.2
Tax Fees	0.2	0.2
All Other Fees	0.3	—
Total Fees	\$ 6.1	\$ 4.3

In the above table, in accordance with the SEC definitions and rules, (a) **audit fees** are fees the Company paid KPMG for professional services rendered for (i) the audits of Revlon, Inc.'s and Products Corporation's annual financial statements; (ii) the audit of Revlon, Inc.'s internal control over financial reporting; and (iii) the review of financial statements included in Revlon, Inc.'s and Products Corporation's Quarterly Reports on Form 10-Q, and for services that are normally provided by the auditor in connection with statutory and regulatory filings or engagements; (b) **audit-related fees** are fees billed by KPMG for assurance and related services that are traditionally performed by the auditor, including services performed by KPMG related to employee benefit plan audits and certain transactions, as well as attestation services not required by statute or regulation; (c) **tax fees** are fees for permissible tax compliance, tax advice and tax planning; and (d) **all other fees** are fees billed by KPMG to the Company for any permissible services not included in the first three categories.

All of the services performed by KPMG for the Company during 2013 and 2012 were either expressly pre-approved by the Audit Committee or were pre-approved in accordance with the Audit Committee Pre-Approval Policy, and the Audit Committee was provided with regular updates as to the nature of such services and fees paid for such services.

PROPOSAL NO. 3 — NON-BINDING, ADVISORY SAY-ON-PAY VOTE OF STOCKHOLDERS ON THE COMPANY'S EXECUTIVE COMPENSATION

Pursuant to the say-on-pay provisions of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and the corresponding implementing SEC rules (the Dodd-Frank Act), the Company is soliciting, under this

TABLE OF CONTENTS

Proposal No. 3, its stockholders' advisory say-on-pay view on the Company's executive compensation, as disclosed pursuant to Item 402 of Regulation S-K, including as disclosed in the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth in this Proxy Statement. Pursuant to applicable law, the stockholder say-on-pay vote on the Company's executive compensation is advisory in nature and non-binding. At the Company's June 2011 annual stockholders' meeting, the Company's stockholders recommended, on an advisory, non-binding basis, that the Company conduct future say-on-pay votes every 3 years. Pursuant to that recommendation, the Company is re-soliciting in this Proxy Statement its stockholders' advisory view on the Company's executive compensation.

Vote Required and Board of Directors' Recommendation (Proposal No. 3)

Under the Dodd-Frank Act, the stockholder say-on-pay vote on this matter is advisory and non-binding, and therefore the Company is not required to obtain any specific percentage of stockholder approval.

As more fully set forth in the Compensation Discussion and Analysis section of this Proxy Statement, above, the Company believes that its executive compensation structure is designed to pay for performance, to align the interests of management and employees with corporate performance and shareholder interests and to attract and retain the personnel needed to enable the Company to execute its business strategy in a competitive environment and, as such, that it is reasonably designed and appropriate for its purposes. MacAndrews & Forbes has informed the Company that it will vote **FOR** the approval of the Company's executive compensation. Accordingly, the affirmative vote of MacAndrews & Forbes is sufficient, without the concurring vote of any other stockholder of the Company, to approve and adopt Proposal No. 3 on a non-binding and advisory basis.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS ADOPT THE FOLLOWING RESOLUTION BY SUBMITTING THEIR NON-BINDING, ADVISORY SAY-ON-PAY VOTE FOR APPROVAL OF THE COMPANY'S EXECUTIVE COMPENSATION:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion set forth in the Company's proxy statement in support of the 2014 Annual Meeting, is hereby approved.

PROPOSAL NO. 4 — STOCKHOLDER PROPOSAL

The People for the Ethical Treatment of Animals (PETA), 1536 16th Street, NW, Washington, DC 20036, which represents that it owns 190 shares of Revlon, Inc. common stock, has notified the Company that it intends to submit the following proposal for consideration at the 2014 Annual Meeting. The proposal and supporting statement are presented as received from the proponent and the Company is not responsible for the accuracy or content of the proposal and supporting statement.

Following is the proposal that PETA has notified the Company that it intends to submit for consideration at the 2014 Annual Meeting:

Transparency in Animal Testing

RESOLVED, to promote transparency, the Board should issue an annual report to shareholders accurately disclosing the company's policy on animal testing; any violations of the policy or changes to the policy; whether the company has conducted, commissioned, paid for, or allowed tests on animals anywhere in the world for its products, formulations, or ingredients; countries in which those tests occurred; the types of tests; the numbers and species of animals used; and specific actions our Company is taking to eliminate this testing.

PETA's Supporting Statement

For more than two decades, Revlon portrayed itself to its shareholders and consumers as a company that had banned all animal tests and, as a result, has enjoyed the support of millions of consumers who care deeply about this issue. It was discovered last year that our company has not been transparent about its actions and has been marketing its products in China, where cosmetics companies are required to pay for their products to be tested on animals. Our Company's animal test policy has been vague and has not explicitly stated that animal tests were being conducted.

TABLE OF CONTENTS

Furthermore, in 2012, our Company repeatedly refused to confirm or deny whether it paid for tests on animals in order to sell its products in China. At our 2013 Annual Shareholders' meeting, our Company finally disclosed that it does market and sell in countries that require tests on animals for its products and that the company is complying with those countries' animal testing requirements.

As Revlon customers have long relied on our company's pledge that it is not involved in animal testing in any way, our Company has risked losing the trust and support of its loyal customer base. In this competitive global market, we must ensure that Revlon's products and reputation are above reproach, and the secrecy around our company's animal testing practices must be lifted to regain consumers' trust.

Our company is aware that animal tests for cosmetics are not necessary in order to market safe products. Indeed, such testing is now illegal in the European Union, India, and Israel and is not required in the United States. The estimated 75 animals who are poisoned for each product in those tests in China are force-fed the product, have it dripped into their eyes, and are ultimately killed. Revlon has chosen to allow this misery for marketing—not scientific—reasons and appears to be taking no action toward ending China's requirement for these painful tests. Our Company's previous commitment to using only nonanimal test methods must be restored and strengthened, and it would be in our shareholders' best interest for our company to work actively toward eliminating foreign requirements for animal tests. Toward that end, we propose that our Company issue an annual report, as described above, so that shareholders may be kept informed about this important area.

We urge shareholders to vote **FOR** this socially and ethnically significant proposal.

THE COMPANY'S STATEMENT IN OPPOSITION

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE AGAINST THIS STOCKHOLDER PROPOSAL FOR THE FOLLOWING REASONS:

At the Company's recommendation, the Board of Directors has concluded, for the reasons described below, that the report called for by this stockholder proposal is unnecessary and would not be an effective use of the Company's resources. Accordingly, the Board believes that adopting this stockholder proposal would not be in the best interests of the Company and its stockholders.

The Company's animal testing policy is already publicly available on the Company's Facebook page, which plainly affirms that the Company does not conduct any animal testing and supports the advancement of non-animal testing alternatives and methodologies in the industry, as follows:

Revlon does not conduct animal testing and has not done so since 1989. We comprehensively test all of our products using the most technologically advanced methods available to ensure they are both innovative and safe to use. We believe that women should have the opportunity to express themselves through makeup, so we sell our products in many markets around the world and as such, are subject to local rules and regulations. Regulatory authorities in a few countries conduct independent testing in order to satisfy their own mandatory registration requirements. Revlon complies with all regulations in the countries in which our products are sold, and supports the advancement of non-animal testing alternatives and methodologies in our industry.

Accordingly, the Company believes that its Facebook statement accurately describes the Company's policy on animal testing, sufficiently addresses and informs stockholders and consumers about where the Company stands on the issue. While we recognize that a limited number of countries have imposed mandatory product registration requirements that may require independent animal testing by local regulatory authorities, the Company has no influence nor control over, nor any involvement in, the testing or the protocols imposed by such governmental authorities, other than paying regulatory fees and related expenses to register its products.

Specifically, the Company is not aware of any country other than China where local regulatory authorities conduct animal testing on the Company's products as part of its product registration procedures, and the Company has neither

control over nor involvement in any such animal testing conducted by Chinese regulatory authorities, other than the payment of regulatory fees assessed upon product registrations. Moreover, the Company has previously announced that it would be exiting its business operations in China in 2014.

TABLE OF CONTENTS

The Board believes that the report requested by the stockholder proposal is unnecessary and would not be an effective use of the Company's resources, given that the Company has directly addressed its policy on animal testing clearly and publicly on its Facebook page and does not conduct any animal testing (and has not since 1989) on its products. Accordingly, the Board believes that adopting this stockholder proposal would not be in the best interests of the Company and its stockholders.

The Board of Directors recommends that stockholders vote AGAINST this stockholder proposal.

Vote Required and Board of Directors' Recommendation (Proposal No. 4)

Approval of the stockholder proposal requires the affirmative vote of the holders of a majority of the total number of votes of Class A Common Stock present in person or represented by proxy and entitled to vote at the 2014 Annual Meeting. With respect to Proposal No. 4, all proxies properly submitted to the Company will be voted in accordance with the instructions given by the person submitting such proxy or, in the absence of such instructions, will be voted **AGAINST** the stockholder proposal, unless such proxies are revoked prior to their being voted on. In determining whether Proposal No. 4 has received the requisite number of affirmative votes, abstentions will have the same effect as a vote against such proposal and broker non-votes will be counted neither as a vote for or against Proposal No. 4.

MacAndrews & Forbes has informed the Company that it will vote **AGAINST** the stockholder proposal. Accordingly, MacAndrews & Forbes' vote is sufficient to reject Proposal No. 4, without the concurring vote of any other stockholder of the Company.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE AGAINST THIS STOCKHOLDER PROPOSAL.

SUBMISSION OF STOCKHOLDER PROPOSALS

Stockholder proposals intended for inclusion in next year's proxy statement pursuant to Rule 14a-8 under the Exchange Act must be received by the Company's Secretary, at Revlon, Inc., 237 Park Avenue, 14th Floor, New York, NY 10017, attention: Michael T. Sheehan, no later than December 25, 2014 (provided, however, if the date of the annual stockholders' meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before the Company begins to print and send its proxy materials). The Company's By-laws require that proposals of stockholders made outside of Rule 14a-8 under the Exchange Act (i.e., proposals that are not to be included in the proxy statement, but to be otherwise considered at the annual stockholders' meeting) must comply with the requirements of Article II, Section 3 of the Company's By-laws and must be received by the Company's Secretary by no earlier than March 12, 2015 and by no later than April 11, 2015 (provided, however, that if the 2015 annual stockholders' meeting is called for a date that is not within 30 days before or after the 1-year anniversary of the 2014 Annual Meeting date, the stockholder's notice in order to be timely must be received by the Company's Secretary not later than the close of business on the 10th day following the earlier of the day on which such notice of the date of the 2015 annual stockholders' meeting is mailed or such public disclosure of the date of the 2015 annual stockholders' meeting is made).

REVLON, INC.

2014 AUDIT COMMITTEE PRE-APPROVAL POLICY

I. Statement of Principles

The Audit Committee is required to pre-approve the audit and non-audit services performed by the Company's independent auditor, KPMG LLP (KPMG LLP or the independent auditor), in order to assure that KPMG LLP's provision of such services does not impair its independence. Unless a type of service to be provided by the independent auditor is within the pre-approved services and dollar limits set forth in the appendices attached to this Policy, the provision of such service by the independent auditor will require specific pre-approval by the Audit Committee.

The appendices to this Policy describe the Audit Services, Audit-Related Services, Tax Services and All Other Services that have the general pre-approval of the Audit Committee for 2014, as well as the applicable dollar limits for the particular services. The Audit Committee will annually review and pre-approve the services that may be provided by the independent auditor without obtaining specific pre-approval from the Audit Committee. The Audit Committee may revise the list of general pre-approved services from time to time. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

II. Delegation

The Audit Committee may delegate pre-approval authority to one or more of its members for Audit-Related, Tax Services or All Other Services (each as defined below) to be provided by the independent auditor (but excluding Annual Audit Services referred to in Section III below and prohibited services referred to in Section VII below). Specifically, the Chairman of the Audit Committee may approve services which are not Annual Audit Services referred to in Section III below or prohibited services referred to in Section VII below if the fees as to any applicable project will not exceed \$35,000, provided that the independent auditor complies with any applicable rules or requirements of this Policy to document the services to the Audit Committee and to discuss such services with the Audit Committee. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at least quarterly on the services provided by KPMG LLP and the approximate fees paid or payable to KPMG LLP for such services during the preceding quarter, including a report on any services pre-approved during such quarter by the Chairman of the Audit Committee pursuant to this Section II.

III. Audit Services

The terms and fees of the annual Audit Services engagement, including, without limitation, the independent auditor's services in connection with the audit of the Company's annual financial statements and internal control over financial reporting and the independent auditor's review of the Company's financial statements included in the Company's quarterly reports on Form 10-Q, will be subject to the specific pre-approval of the Audit Committee. The Audit Committee will also approve, if necessary, any changes in terms, conditions and fees resulting from changes in audit scope or other matters.

In addition to the foregoing annual Audit Services engagement, the Audit Committee may grant pre-approval for other Audit Services, which are those services that are normally provided by the independent auditor in connection with statutory and regulatory filings or engagements for those fiscal years and other services that generally only the independent auditor reasonably can provide, such as comfort letters, statutory audits, attest services, consents and

assistance with and review of documents filed with the SEC. The Audit Committee has pre-approved the other Audit Services listed in Appendix A, provided that such services do not exceed the pre-approved fees set forth on Appendix A. All other Audit Services not listed in Appendix A must be specifically pre-approved by the Audit Committee.

IV. Audit-related Services

Audit-Related Services are assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the independent auditor, and in each case which are not covered by the Audit Services described in Section III. Such services could include,

B-1

TABLE OF CONTENTS

among other things, employee benefit plan audits, due diligence related to mergers and acquisitions, accounting consultations and audits in connection with acquisitions, attest services and internal control reviews that are not required by statute and regulation and consultations concerning financial accounting and reporting standards. The Audit Committee believes that the provision of Audit-Related Services does not impair the independence of the auditor, and has pre-approved the Audit-Related Services listed in Appendix B, provided that such services do not exceed the pre-approved fees set forth on Appendix B. All other Audit-Related Services not listed in Appendix B must be specifically pre-approved by the Audit Committee, except to the extent covered by the delegation of authority under Section II above. As to all non-audit internal control services for the Company, the independent auditor must—(1) describe in writing to the Audit Committee the scope of the proposed non-audit internal control service; (2) discuss with the Audit Committee any potential effects on the independent auditor's independence that could be caused by the independent auditor's performance of the proposed non-audit internal control service; and (3) document the substance of such discussions with the Audit Committee.

V. Tax Services

The Audit Committee believes that the independent auditor can provide certain Tax Services to the Company, such as (i) tax compliance (e.g., preparing original and amended state and federal corporate tax returns, planning for estimated tax payments and preparation of tax return extensions); (ii) tax advice; and (iii) tax planning, without impairing the auditor's independence. Tax advice and tax planning could include, without limitation, assistance with tax audits and appeals, tax advice related to mergers and acquisitions and employee benefit plans and request for rulings or technical advice from taxing authorities. However, the Audit Committee will not permit the retention of the independent auditor (or any affiliate of the independent auditor) in connection with the provision of any prohibited tax service listed in Exhibit 1 to the Company or its affiliates, as the PCAOB has determined that such prohibited tax services would impair the independent auditor's independence.

The Audit Committee has pre-approved the Tax Services listed in Appendix C, provided that such services do not exceed the pre-approved fees set forth on Appendix C. All other Tax Services for the Company not listed in Appendix C must be specifically pre-approved by the Audit Committee, except to the extent covered by the delegation of authority under Section II above, provided that the independent auditor complies with any applicable rules and the following requirements to document the applicable Tax Services to the Audit Committee and to discuss such services with the Audit Committee.

As to all Tax Services for the Company, the independent auditor must—(1) describe in writing to the Audit Committee the scope of the proposed Tax Service, the proposed fee structure for the engagement and any agreement between the independent auditor and the Company and its affiliates relating to the proposed Tax Service; (2) describe in writing to the Audit Committee any compensation arrangement or other agreement, such as a referral agreement, a referral fee or fee-sharing arrangement, between the independent auditor or any of its affiliates and any person (other than the Company and its affiliates) with respect to the promoting, marketing or recommending of any transaction covered by the Tax Service; (3) discuss with the Audit Committee any potential effects of the proposed Tax Services on the independence of the independent auditor; and (4) document the substance of such discussions with the Audit Committee.

VI. All Other Services

The Audit Committee may grant general pre-approval to those permissible non-audit services classified as All Other Services that it believes are routine and recurring services, and would not impair the independence of the auditor, provided such All Other Services may not include Audit Services referred to in Section III above or prohibited services referred to in Section VII below. The Audit Committee has pre-approved the All Other Services listed in Appendix D, provided that such services do not exceed the pre-approved fees set forth on Appendix D. Permissible

All Other Services other than those listed in Appendix D must be specifically pre-approved by the Audit Committee, except to the extent covered by the delegation of authority under Section II above.

VII. Prohibited Services

The Company will not retain its independent auditors for any services that are prohibited services as defined by applicable statutes or regulations, as may be in effect from time to time, including, without limitation, those services prohibited by Section 201(a) of the Sarbanes-Oxley Act of 2002 and the SEC's or the PCAOB's rules and regulations and such other rules and regulations as may be promulgated thereunder from time to time. Attached to this policy as Exhibit 1 is a current list of the SEC's and PCAOB's prohibited non-audit services, including prohibited tax services.

VIII. Pre-Approval Fee Levels

Pre-approval fee levels for all services to be provided by the independent auditor will be established annually by the Audit Committee. Any services proposed to be provided by the independent auditors during a fiscal year exceeding these levels will require specific pre-approval by the Audit Committee.

IX. Procedures

Requests or applications to provide services that require specific approval by the Audit Committee may be submitted to the Audit Committee by the independent auditor and any of the Company's Chief Financial Officer, Corporate Controller or General Counsel
