TRUSTEES' COMPENSATION

The members of each Fund's Board of Trustees also serve as Trustees on the boards for certain other registered investment companies advised by Columbia Management or its affiliates (the "Fund Complex"). As of December 31, 2004, the Fund Complex consisted of 127 open-end funds and 11 closed-end management investment company portfolios. Two-thirds of the Trustees' fees are allocated among the funds within the

7

Fund Complex based on the relative net assets of each fund and one-third of the fees is divided equally among the funds within the Fund Complex.

FOR MORE INFORMATION REGARDING THE COMPENSATION OF THE TRUSTEES, SEE APPENDIX B.1 AND APPENDIX B.2 TO THIS PROXY STATEMENT.

SHAREHOLDER COMMUNICATIONS

Shareholders may communicate with the Trustees as a group or individually. Any such communications should be sent to a Fund's Board or an individual Trustee in writing, c/o the Secretary of the Funds, One Financial Center, Boston, MA 02111-2621. The Secretary may determine not to forward any letter to the Board or a Trustee that does not relate to the business of a Fund.

TRUSTEE SHARE OWNERSHIP

The table in Appendix C shows, as of December 31, 2004, the dollar range of equity securities beneficially owned by each Trustee (i) in each of the Funds, and (ii) in all funds overseen by the Trustee in the Fund Complex.

TRUSTEES' MEETINGS AND COMMITTEES

The Board of Trustees of each Fund (the "Board") is responsible for the overall management and supervision of that Fund's affairs and for protecting the interests of the Fund's shareholders. For the fiscal year ended November 30, 2004, the Funds held 23 meetings (12 regular joint Board meetings and 11 special joint Board meetings). The Funds do not have a formal policy on Trustee attendance at the annual meetings of shareholders, but encourage such attendance. None of the Trustees attended the Funds' 2004 annual meetings.

The Board has created several committees to perform specific functions on behalf of the Funds. The members of each committee, along with a description of each committee's functions, appear below, followed by a table that sets forth the number of meetings held by the Board and each committee during the last fiscal year.

1. AUDIT COMMITTEE

Each Fund has an Audit Committee (the "Audit Committee") comprised of only "Independent Trustees" (as defined in the listing standards of the New York Stock Exchange ("NYSE") and the American Stock Exchange ("AMEX")), who are also not "interested persons" (as defined in the Investment Company Act of 1940, as amended ("1940 Act")) of any Fund.

8

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form DEF 14A

Each member of the Audit Committee must be financially literate and at least one member must have prior accounting experience or related financial management expertise. The Board has determined, in accordance with applicable regulations of the NYSE and AMEX, that each member of the Audit Committee is financially literate and has prior accounting experience or related financial management expertise.

On February 10, 2004, the Audit Committee adopted a revised written charter which sets forth the Audit Committee's structure, duties and powers, and methods of operation. A copy of the revised Audit Committee Charter is attached as Appendix F. The Audit Committee serves as an independent and objective party to monitor the Funds' accounting policies, financial reporting and internal control systems and the work of the Funds' independent registered public accountant. The Audit Committee also serves to provide an open avenue of communication between the independent registered public accountants, Columbia Management Group, Inc.'s internal accounting staff and the Board. The principal functions of the Audit Committee are to assist Board oversight of (1) the integrity of each Fund's financial statements, (2) each Fund's compliance with legal and regulatory requirements, (3) the independent registered public accountant's qualifications and independence, (4) the performance of the Adviser's internal audit function, and (5) the independent registered public accountant. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accountants (including the resolution of disagreements between management and the independent registered public accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other review or attest services for the Funds.

AUDIT COMMITTEE REPORT

At a meeting of the Audit Committees on February 8, 2005, the Audit Committees: (i) reviewed and discussed with management the Funds' audited financial statements for the most recently completed fiscal year and (ii) discussed with PricewaterhouseCoopers LLP ("PwC"), the Funds' independent registered public accountant, the matters required to be discussed by Statement on Auditing Standards No. 61 and other professional standards and regulatory requirements. At a meeting of the Audit Committees on February 8, 2005, the Audit Committees obtained from PwC a formal written statement consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," describing all relationships between PwC and the Funds that might bear on PwC's independence and discussed with PwC any

9

relationships that may impact its objectivity and independence and satisfied itself as to PwC's independence. Based on its review and discussion, the Audit Committee recommended to the Board that the audited financial statements for each Fund be included in that Fund's Annual Report to shareholders. The Funds' Audit Committee members are Ms. Verville and Messrs. Hacker, Stitzel and Woolworth.

Based on the recommendation from the Audit Committee and on its own review, the Board selected PwC as independent registered public accountant for the Funds for the fiscal year ending November 30, 2005. Representatives of PwC are not expected to be at the Meeting, but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence.

2. GOVERNANCE COMMITTEE

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form DEF 14A

Messrs. Lowry, Mayer, Simpson and Theobald are members of the Governance Committee of each Fund. The Funds have no nominating or compensation committee. The Governance Committee performs certain of the functions typically performed by those committees. Among other things, the Governance Committee recommends to the Board nominees for Trustee and nominees for appointment to various committees; performs periodic evaluations of the effectiveness of the Board; reviews and recommends to the Board policies and practices to be followed in carrying out the Trustees' duties and responsibilities; and reviews and makes recommendations to the Board regarding the compensation of the Trustees who are not affiliated with Columbia. On February 9, 2005, the Governance Committee adopted a written charter which sets forth the Governance Committee's structure, duties and powers, and methods of operation. A copy of the Governance Committee Charter is attached as Appendix G.

Three of the four Governance Committee members, Messrs. Lowry, Simpson and Theobald, who are "Independent Trustees" (as defined in the NYSE and AMEX listing standards) and are not "interested persons" (as defined in the 1940 Act) of any Fund ("Governance Committee Independent Trustees"), participate in the consideration, selection and nomination of Trustees. The Governance Committee Independent Trustees will consider candidates for Trustee identified by any reasonable source, including current Independent Trustees, Fund management, Fund shareholders and other persons or entities. Shareholders of a Fund who wish to nominate a candidate to a Fund's Board may send information regarding prospective candidates to the Governance Committee, in care of the relevant Fund, at One Financial Center, Boston, MA 02111-2621. The information should include evidence of the shareholders' Fund ownership, a

10

full listing of the proposed candidate's education, experience, current employment, date of birth, names and addresses of at least three professional references, information as to whether the candidate is not an "interested person" under the 1940 Act and "independent" under NYSE and AMEX listing standards in relation to the Fund, and such other information as may be helpful to the Governance Committee Independent Trustees in evaluating the candidate. All satisfactorily completed information packages regarding a candidate will be forwarded to a member of the Governance Committee for consideration. Recommendations for candidates will be evaluated in light of whether the number of Trustees of a Fund is expected to be increased and anticipated vacancies. All nominations from Fund shareholders will be considered. There may be times when the Governance Committee is not recruiting new Board members. In that case, shareholder recommendations will be maintained on file pending the active recruitment of Trustees.

When considering candidates for Trustee, the Governance Committee Independent Trustees consider, among other things, whether prospective nominees have distinguished records in their primary careers, personal and professional integrity, and substantive knowledge in areas important to the Board's operations, such as background or education in finance, auditing, securities law, the workings of the securities markets, or investment advice. For candidates to serve as Independent Trustees, independence from the Funds' investment adviser, its affiliates and other principal service providers is critical, as is an independent and questioning mind-set. In each case, the Governance Committee Independent Trustees will evaluate whether a candidate is an "interested person" under the 1940 Act and "independent" under NYSE and AMEX listing standards. The Governance Committee Independent Trustees also consider whether a prospective candidate's workload would be consistent with regular attendance at Board meetings and would allow him or her to be available for service on Board committees, and devote the additional time and effort necessary to stay apprised of Board matters and the rapidly changing regulatory environment in which the Funds operate. Different substantive areas may assume

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form DEF 14A

greater or lesser significance at particular times, in light of a Board's present composition and its perceptions about future issues and needs.

The Governance Committee Independent Trustees initially evaluate prospective candidates on the basis of their resumes, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of the Board would be contacted by a Governance Committee Independent Trustee by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more of the Governance Committee Independent Trustees

11

would be arranged. If a Governance Committee Independent Trustee, based on the results of these contacts, believes he or she has identified a viable candidate, he or she would air the matter with the other Governance Committee Independent Trustees for input. Any request by Fund management to meet with the prospective candidate would be given appropriate consideration. The Funds have not paid a fee to third parties to assist in finding nominees.

3. ADVISORY FEES & EXPENSES COMMITTEE

Ms. Kelly and Messrs. Mayer, Nelson and Neuhauser are members of the Advisory Fees & Expenses Committee of each Fund. The Advisory Fees & Expenses Committee's functions include reviewing and making recommendations to the Board as to contracts requiring approval of a majority of the disinterested Trustees and as to any other contracts that may be referred to the committee by the Board.

4. COMPLIANCE COMMITTEE

Ms. Kelly and Verville, Messrs. Nelson and Simpson are members of the Compliance Committee of the Board of Trustees of the Funds. Prior to August 10, 2004, Ms. Kelly and Verville and Mr. Nelson were members of the Compliance Committee of the Board of Trustees of the Funds. The Compliance Committee's functions include providing oversight of the monitoring processes and controls regarding the Trust. The Committee supervises legal, regulatory and internal rules, policies, procedures and standards other than those relating to accounting matters and oversight of compliance by the Trusts' investment adviser, principal underwriter and transfer agent.

AUDIT COMMITTEE PRE-APPROVAL OF INDEPENDENT ACCOUNTANT SERVICES

The Audit Committee is required to pre-approve the engagement of the Funds' independent registered public accountant to provide audit and non-

12

audit services to each Fund and non-audit services to Columbia Management (not including any subadviser whose role is primarily portfolio management and is contracted with or overseen by another investment adviser) or any entity controlling, controlled by or under common control with Columbia Management that provides ongoing services to the Funds ("Columbia Affiliate"), if the engagement relates directly to the operations or financial reporting of the Funds. The engagement may be entered into pursuant to pre-approval policies and procedures established by the Audit Committee.

The Funds' Audit Committee has adopted an Audit and Non-Audit Services Pre-Approval Policy ("Policy") for the pre-approval of audit and non-audit services provided to each Fund and non-audit services provided to Columbia Management and Columbia Affiliates, if the engagement relates directly to the operations or financial reporting of the Funds. The Policy sets forth the procedures and conditions pursuant to which services to be performed by the Funds' independent registered public accountant are to be pre-approved. Unless a type of service receives general pre-approval under the Policy, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent registered public accountant.

The Policy provides for the general pre-approval by the Audit Committee of certain: (i) audit services to the Funds; (ii) audit-related services to the Funds; (iii) tax services to the Funds; (iv) other services to the Funds; and (v) Fund-related services to Columbia Affiliates. The Policy requires the Fund Treasurer and/or Director of Trustee Administration to submit to the Audit Committee, at least annually, a schedule of the types of services that are subject to general pre-approval. The schedule(s) must provide a description of each type of service that is subject to general pre-approval and, where possible, will provide projected fee caps for each instance of providing each service. At least annually, the Audit Committee will review and approve the types of services and review the projected fees for the next year, and may add to, or subtract from, the list of pre-approved services from time to time, based on subsequent determinations. In addition to the fees for each individual service, the Audit Committee has the authority to implement a fee cap on the aggregate amount of non-audit services provided to an individual Fund. The fee amounts listed on the schedules will be updated to the extent necessary at each of the other regularly scheduled meetings of the Audit Committee.

FEES PAID TO THE INDEPENDENT REGISTERED PUBLIC ACCOUNTANT

The following table sets forth the aggregate fees billed by PwC for each Fund's last two fiscal years for professional services rendered for (i) audit

services, including the audit of each Fund's financial statements and services normally provided in connection with statutory and regulatory filings or engagements for those fiscal years; (ii) audit-related services associated with the review of the Funds' semi-annual financial statements, and, for all Funds other than CIITI and CIHIF, procedures relating to reports required by rating agencies; (iii) tax services and, primarily, reviews of Fund tax returns; and (iv) other services. Please note that the table includes amounts related to non-audit services that would have been subject to pre-approval if SEC rules relating to the pre-approval of non-audit services had been in effect at that time.

All of the audit fees, audit-related fees, tax fees and other fees billed by PwC for services provided to the Funds in the fiscal year ended November 30, 2004 were pre-approved by the Audit Committee.

LEGAL PROCEEDINGS

On March 15, 2004, Columbia Management and CFD entered into agreements in principle with the staff of the SEC and the Office of the New York Attorney General ("NYAG") to resolve the proceedings brought in connection with the SEC's and NYAG's investigations of frequent trading and market timing in certain Columbia mutual funds.

On February 9, 2005, Columbia Management entered into an Assurance of Discontinuance with the NYAG (the "NYAG Settlement") and consented to the entry of a cease-and-desist order by the SEC (the "SEC Order" and together, the "Settlements"). The Settlements contain substantially the same terms and conditions as outlined in the agreements in principle.

Under the terms of the SEC Order, Columbia has agreed, among other things, to: pay \$70 million in disgorgement and \$70 million in civil money penalties; cease and desist from violations of the antifraud provisions and certain other provisions of the federal securities laws; maintain certain compliance and ethics oversight structures; retain an independent consultant to review Columbia Management's applicable supervisory, compliance, control and other policies and procedures; and retain an independent

15

distribution consultant. The Funds have also voluntarily undertaken to implement certain governance measures designed to maintain the independence of their boards of trustees. The NYAG Settlement also, among other things, requires Columbia Management and its affiliates, Banc of America Capital Management, LLC and Bank of America Capital Management Distributors, LLC, to reduce Columbia Funds, Nations Funds and other mutual funds management fees (not including the Funds) collectively by \$32 million per year for five years, for a projected total of \$160 million in management fee reductions.

A copy of the SEC Order is available on the SEC's website at www.sec.gov. A copy of the NYAG Settlement is available as part of Bank of America Corporation Form 8-K filing files February 10, 2005.

Since February 2004, Columbia, Columbia Management, CFD and other Columbia-affiliated entities have been named as defendants in eleven civil lawsuits filed in New York and Massachusetts that have been transferred and consolidated for pretrial proceedings in the United States District Court for the District of Maryland in the Special Multi-District Litigation proceeding (Index No. 04-MO-15863) created for actions involving market timing issues against mutual fund complexes. The lawsuits were commenced as putative class actions on behalf of investors who purchased, held or redeemed shares of funds in the Fund Complex during specified periods or as derivative actions on behalf of funds in the Fund Complex. The lawsuits allege, among other things, that the defendants allowed the market timing and late trading of funds in the Fund Complex. The plaintiffs seek, among other things, unspecified compensatory damages plus interest and, in some cases, punitive damages, the rescission of investment advisory contracts, the return of fees paid under those contracts, restitution and the removal of the Trustees of the Funds named in the complaint and replacing them with independent trustees. The consolidated amended fund derivative complaint against Columbia-affiliated defendants was filed on September 29, 2004 in the United States District Court for the District of Maryland and names the open-end Columbia Funds, collectively, as nominal defendants. Each person serving as a Trustee of the Funds is named as a defendant in certain cases(1) in the consolidated amended fund derivative complaint in each person's capacity as a trustee of the open-end Columbia Funds.

(1) Armetta v. FleetBoston Financial Corporation, et al. (D. Mass. Mar. 19, 2004); Beardsley, et al. v. FleetBoston Financial Corporation, et al., (D. Mass. Mar. 18, 2004).

16

On March 2, 2005, four civil revenue sharing lawsuits, all filed in the District Court for the District of Massachusetts during August and September of 2004 were consolidated into a single action in the United States District Court for Massachusetts (In re Columbia Entities Litigation, Civil Action No. 04-11704-REK). The complaints allege, among other things, that various mutual funds advised by Columbia Management, Columbia Wanger Asset Management, L.P. and their affiliates inappropriately used fund assets to pay brokers to promote the funds by directing fund brokerage transactions to such brokers without fully disclosing such arrangements to shareholders, and charged excessive 12b-1 fees. The plaintiffs seek, among other things, compensatory damages, punitive damages, rescission of contracts and restitution. The complaints in the four actions name Columbia, Columbia Management, CFD and, in one case(2), certain persons serving as Trustees of the Funds in each person's capacity as a Trustee of the open-end Columbia Funds as defendants and several Columbia Funds as nominal defendants. None of the Funds are named as defendants or nominal defendants in any of the four revenue sharing actions.

OTHER BUSINESS

The Meeting has been called to transact any business that properly comes before it. The only business that management of the Funds intends to present or knows that others will present is the election of Trustees. If any other matters properly come before the Meeting, and on all matters incidental to the conduct of the Meeting, the persons named as proxies intend to vote the proxies in accordance with their judgment, unless the Secretary of the Funds has previously received written contrary instructions from the shareholder entitled to vote the shares.

OUTSTANDING SHARES AND SIGNIFICANT SHAREHOLDERS

All shareholders of record at the close of business on March 10, 2005, are entitled to one vote for each share held on that date and holders of Common Shares are entitled to fractional votes for any fractional shares held on that date. The table in Appendix D lists for each Fund the total number of shares outstanding as of the close of business on March 10, 2005, for each class of a Fund's shares entitled to vote at the Meeting.

The table in Appendix E lists the holders of more than five percent of any class of shares of each Fund as of the close of business on March 10, 2005, based on filings made by such holders pursuant to Sections 13(d) and

(2) Slicker, et al. v. FleetBoston Financial Corporation, et al., (D. Mass. Aug. 11, 2004).

17

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form DEF 14A

16(a) of the Securities Exchange Act of 1934, as amended. The Trustees and officers of each Fund, in the aggregate, owned less than 1% of each Fund's outstanding shares as of March 10, 2005.

INFORMATION ABOUT THE MEETING AND THE VOTING AND TABULATION OF PROXIES

All proxies solicited by or on behalf of the Board that are properly executed and returned in time to be voted at the Meeting will be voted at the Meeting as instructed on the proxy. If no instructions are given, the proxy will be voted in favor of the nominees for election as Trustees.

Any proxy may be revoked at any time prior to its being exercised by written notification received by the Funds' Secretary, by the execution of a later dated proxy, or by attending the Meeting and voting in person.

Votes cast in person or by proxy at the Meeting will be counted by persons appointed by the Funds as tellers for the Meeting (the "Tellers"). For each of CCAIME, CIMF, CNYIMF and CMIT, 30% of the shares of the Fund outstanding on the record date and entitled to vote, present at the Meeting in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund. For each of CHIMT, CIGMT, CIHIF and CIITI, a majority of the shares of the Fund outstanding on the record date and entitled to vote, present at the Meeting in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund.

The election of Trustees is by a plurality of votes cast at the Meeting. Only shareholders of record on March 10, 2005, may vote.

In determining whether a quorum is present, the Tellers will count shares represented by proxies that reflect abstentions, and "broker non-votes," as shares that are present and entitled to vote. With respect to the election of Trustees, withheld authority, abstentions and broker non-votes have no effect on the outcome of voting. "Broker non-votes" are shares held by brokers or nominees as to which (i) the broker or nominee does not have discretionary voting power, and (ii) the broker or nominee has not received instructions from the beneficial owner or other person who is entitled to instruct how the shares will be voted.

ADJOURNMENTS

In the event that a quorum is present at the Meeting but sufficient votes to approve any of the proposals have not been received, the persons named as proxies may propose one or more adjournments of the Meeting to permit

18

further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting (including abstentions and broker non-votes) in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies that entitle them to vote for any such proposal in favor of such adjournment and will vote those proxies that require them to vote for rejection of any such proposal against any such adjournment.

SUBMISSION OF PROPOSALS FROM SHAREHOLDERS AT FUTURE MEETINGS

Under the proxy rules of the SEC, shareholder proposals that meet tests contained in those rules may, under certain conditions, be included in a Fund's

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form DEF 14A

proxy materials for an annual shareholders' meeting. Under the proxy rules, proposals submitted for inclusion in the proxy materials for the 2006 Annual Meeting must be received by the relevant Fund on or before December 23, 2005. The fact that a Fund receives a shareholder proposal in a timely manner does not ensure inclusion of the proposal in the proxy materials since there are other requirements in the proxy rules relating to such inclusion.

Shareholders who wish to make a proposal at the 2006 Annual Meeting that will not be included in the Funds' proxy materials must notify the relevant Fund on or before March 8, 2006. If a shareholder who wishes to submit a proposal fails to timely notify the relevant Fund, the proxies solicited for the meeting will have discretionary authority to vote on the shareholder's proposal if it is properly brought before the meeting. If a shareholder makes a timely notification, the proxies may still exercise discretionary voting authority under circumstances consistent with the SEC's proxy rules.

You may submit shareholder proposals c/o the Secretary of the Funds, One Financial Center, Boston, Massachusetts 02111-2621.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Funds' Trustees and officers, persons who own more than ten percent of a Fund's outstanding shares and certain officers and directors of the Fund's adviser (collectively, "Section 16 reporting persons"), to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of Fund shares. Section 16 reporting persons are required by SEC regulations to furnish the Funds with copies of all Section 16 (a) forms that they file. To the Funds' knowledge, based solely on a review

19

of the copies of such reports furnished to the Funds, and on representations made, all Section 16 reporting persons complied with all Section 16(a) filing requirements applicable to them.

AUDIT COMMITTEE CHARTER adopted on February 10, 2004

I. PURPOSE

This Charter has been adopted by the Audit Committee of the Board of Directors/Trustees (the "Board") of each investment company in the Columbia Family of Fund Complex. The portfolio(s) of any such investment company are referred to as the "Fund(s)." The primary function of the Audit Committee is to assist the Board in fulfilling certain of its responsibilities. This Charter sets forth the duties and responsibilities of the Audit Committee.

The Audit Committee serves as an independent and objective party to monitor the Funds' accounting policies, financial reporting and internal control system, and the work of the Funds' registered public accountant. The Audit Committee also serves to provide an open avenue of communication among the registered public accountant, the internal accounting staff of the Funds' investment adviser (the "Adviser") and the Board.

- Management has the primary responsibility to establish and maintain systems for accounting, reporting and internal controls, which functions may be delegated to an accounting service agent, provided management provides adequate oversight.
- The registered public accountant has the primary responsibility to plan and implement proper audits, with proper consideration given to internal controls, of the Funds' accounting and reporting practices.

The Audit Committee shall assist Board oversight of (1) the integrity of the Funds' financial statements, (2) the Funds' compliance with legal and regulatory requirements, (3) the registered public accountant' qualifications and independence, and (4) the performance

34

of the Adviser's internal audit function and registered public accountant. The Audit Committee may have additional functions and responsibility as deemed appropriate by the Board and the Audit Committee.

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits nor to determine that the Funds' financial statements are complete or accurate or have been prepared in accordance with generally accepted accounting principles. That is the responsibility of management and the independent registered public accountant. Nor is it the duty of the Audit Committee to conduct investigations or to assure compliance with laws, regulations or any code of ethics approved or adopted by the Board.

II. COMPOSITION

The Audit Committee shall be comprised of three or more independent Board members. For purposes of this Charter, a Board member shall be deemed to be independent if he or she (1) is not an "interested person" of the Funds, as that term is defined in the Investment Company Act of 1940, (2) has not accepted, directly or indirectly, any consulting, advisory or other

Edgar Filing: COLONIAL HIGH INCOME MUNICIPAL TRUST - Form DEF 14A

compensatory fee from the Funds except for services as a Board member, (3) is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee, and (4) in the case of a Fund whose shares are listed on the New York Stock Exchange, Inc. (the "NYSE") or another stock exchange, meets the independence requirements set forth in NYSE Rule 303.01 (B) (3) or the applicable rule of such exchange.

Each member of the Audit Committee shall be financially literate, or shall become so within a reasonable period of time after his or her appointment to the Audit Committee. At least one member shall have accounting or related financial management expertise.

The members of the Audit Committee shall be appointed by the Board and shall serve at the pleasure of the Board. Unless a Chair is appointed by the Board, the members of the Audit Committee may designate a Chair by majority vote.

III. MEETINGS

The Audit Committee shall meet as frequently and at such times as circumstances dictate. Special meetings (including telephonic meetings) may be called by the Chair or a majority of the members of

35

the Audit Committee upon reasonable notice to the other members of the Audit Committee.

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties, the Audit Committee shall:

- A. CHARTER. Review this Charter annually and recommend any proposed changes to the Board.
- B. INTERNAL CONTROLS.
