Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

The term of office of each of the Trustees/Directors will expire, as noted in the above table, on the final adjournment of the Annual Meeting (or special meeting in lieu thereof) in the specified year.

During 2003, the full Board of Trustees/Directors of the Funds and the Audit Committee each held four meetings. All Trustees/Directors were present at all meetings. The Funds do not have a formal policy on Trustee/Director attendance at the annual meeting of shareholders, but encourage such attendance. None of the Trustees/Directors attended the Funds' 2003 annual meetings.

Shareholders may communicate with the Trustees/Directors as a group or individually. Any such communications should be sent to a Fund's Board or an individual Trustee/Director in writing, c/o the Secretary of the Funds, One Financial Center, Boston, MA 02111-2621. The Secretary may determine not to forward any letter to the Board or a Trustee/Director that does not relate to the business of a Fund.

Audit Committee

Each Fund has an Audit Committee comprised of only "Independent Trustees/Directors" (as defined in the New York Stock Exchange (NYSE) Listing Standards) of the Funds, who are also not "interested persons" (as defined in the Investment Company Act of 1940 ("1940 Act")) of the Fund. Each member of the Audit Committees must be financially literate and at least one member must have prior accounting experience or related financial management expertise. Each Board of Trustees/Directors has determined, in accordance with NYSE Listing Standards, that each member of the Audit Committees is financially literate and has prior accounting experience or related financial management expertise.

On February 10, 2004, each Audit Committee adopted revisions to its written charter which sets forth the Audit Committee's structure, duties and powers, and methods of operation. A copy of the revised Audit Committee Charter is attached to this Proxy Statement as Appendix A. The principal functions of each Audit Committee are to assist Board oversight of: (1) the integrity of the Fund's financial statements, (2) the Fund's compliance with legal and regulatory requirements, (3) the independent accountants' qualifications and independence, (4) the performance of the Adviser's internal audit function, and (5) the independent accountants. Each Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent accountants (including the resolution of disagreements between management and the independent accountants regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other review or attest services for the Fund.

Audit Committee Report

At a meeting of the Audit Committees on February 10, 2004, the Audit Committees: (i) reviewed and discussed with management the Funds' audited financial statements for the most recently completed fiscal year; (ii) discussed with PricewaterhouseCoopers LLP (PwC), the Funds' independent accountants, the matters required to be discussed by Statement on Auditing Standards No. 61; and (iii) obtained from PwC a formal written statement consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," describing all relationships between the independent accountants and the Funds that might bear on the independent accountants' independence and discussed with PwC any relationships that may impact its objectivity and independence and satisfied itself as to the independent accountants' independence. Based on its review and discussion, the Audit Committees recommended to the Boards of Trustees/Directors that the audited financial statements for each Fund be included in that Fund's Annual Report to shareholders. The Funds' Audit Committee members for 2003 were Messrs. Benning,

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Grinnell, Lowry and Neuhauser.

Nomination Information

Neither Fund has a nominating or compensation committee. The Fund Boards do not believe that a nominating committee is necessary because there has been minimal turnover in the Trustees/Directors serving on

6

the Board of each Fund. Only once in the past three years has a new Trustee/Director been elected to replace a retiring Trustee/Director.

When necessary or appropriate, the Independent Trustees/Directors of each Fund serve as an ad hoc committee for the consideration of Trustee/Director nominations. No ad hoc nominating committee of either Fund has adopted a charter. Independent Trustees/Directors are nominated only by an ad hoc nominating committee. No ad hoc nominating committee of either Fund met during the fiscal year ended December 31, 2003. Each Fund's Independent Trustees/Directors are "independent" under NYSE Listing Standards, and are not "interested persons" of the Fund under the 1940 Act.

The Independent Trustees/Directors consider prospective Trustee/Director candidates from any reasonable source, including current Independent Trustees/Directors, Fund management, Fund shareholders and other persons or entities. Although the Funds do not have a formal policy, shareholders of a Fund who wish to nominate a candidate to a Fund's Board may send information regarding prospective candidates to the Funds' Secretary at One Financial Center, Boston, MA 02111-2621. The information should include evidence of the shareholders' Fund ownership, a full listing of the proposed candidate's education, experience, current employment, date of birth, names and addresses of at least three professional references, information as to whether the candidate is not an "interested person" under the 1940 Act and "independent" under NYSE Listing Standards in relation to the Fund, and such other information as may be helpful to the Independent Trustees/Directors in evaluating the candidate. All satisfactorily completed information packages regarding a candidate will be forwarded to an Independent Trustee/Director for consideration. Recommendations for candidates will be evaluated in light of whether the number of Trustees/Directors of a Fund is expected to be increased and anticipated vacancies. All nominations from Fund shareholders will be acknowledged. There may be times when the Independent Trustees/Directors are not recruiting new Board members. In that case, nominations will be maintained on file pending the active recruitment of Trustee/Directors. No nominee recommendation has been received from a shareholder within the past 120 days.

The Independent Trustees/Directors have no formal list of qualifications for Trustee/Director nominees. However, the Independent Trustees/Directors consider, among other things, whether prospective nominees have distinguished records in their primary careers, unimpeachable integrity, and substantive knowledge in areas important to the Board's operations, such as background or education in finance, auditing, securities law, the workings of the securities markets, or investment advice. For candidates to serve as Independent Trustees/Directors, independence from the Funds' investment adviser, its affiliates and other principal service providers is critical, as is an independent and questioning mind-set. In each case, the Independent Trustees/Directors will evaluate whether a candidate is an "interested person" under the 1940 Act and "independent" under NYSE Listing Standards. The Independent Trustees/Directors also consider whether a prospective candidate's workload would allow him or her to attend the vast majority of Board meetings, be available for service on Board committees, and devote the additional time and effort necessary to stay apprised of Board matters and the rapidly changing regulatory environment in which the Funds

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

operate. Different substantive areas may assume greater or lesser significance at particular times, in light of a Board's present composition and its perceptions about future issues and needs.

The Independent Trustees/Directors initially evaluate prospective candidates on the basis of their resumes, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of the Boards would be contacted by an Independent Trustee/Director by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more Independent Trustees/Directors would be arranged. If the Independent Trustees/Directors, based on the results of these contacts, believed it had identified a viable candidate, it would air the matter with the full group of Independent Trustees/Directors for input. Any request by Fund management to meet with the prospective candidate would be given appropriate consideration. The Funds have not paid a fee to third parties to assist in finding nominees.

7

Compensation

Beginning January 1, 1999, the aggregate of the fees paid to the Trustees/Directors by the Funds that have the same Board of Trustees/Directors and hold their meetings concurrently, consists of Trustees/Directors fees of \$125,000 per annum, assuming that a minimum of four meetings are held and all meetings are attended. One-third of the retainer and the fees for concurrently held meetings was allocated equally between the Funds, and the remaining two-thirds was allocated between the Funds based on their net assets.

The following table shows, for the calendar year ended December 31, 2003, the compensation paid by each Fund to each Trustee/Director, and the total compensation paid by both Funds to each Trustee/Director for service on the Boards of Trustees/Directors of the Funds. The Funds have no bonus, profit-sharing or retirement plans.

(1) Trustee/Director also serves as a Trustee of Columbia Fund Complex.

As of December 31, 2003, no disinterested Trustee/Director or any of their immediate family members owned beneficially or of record any class of securities of FleetBoston Financial Corporation, LAMCO, another investment advisor, sub-advisor or portfolio manager of any of the Columbia Funds or any person controlling, controlled by or under common control with any such entity.

During the calendar years ended December 31, 2001, December 31, 2002 and December 31, 2003, Mr. Lowry had a material interest in a trust (approximately \$3,634,931 million as of December 31, 2003) which owns units of a limited partnership whose investments are managed by M.A. Weatherbie & Co., Inc. a portfolio manager of the Growth Fund, and whose general partner is Weatherbie Limited Partnership. Mr. Benning also had a material interest in this trust (approximately \$610,866) as of December 31, 2003. During the calendar years

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

ended December 31, 2001, 2002, and 2003, other than Messrs. Benning's and Lowry's interest in this trust, no Independent Trustee/Director (or their immediate family members) had any direct or indirect interest in LAMCO, a portfolio manager or any person controlling, controlled by or under common control with LAMCO or a portfolio manager.

Required Vote

A plurality of votes cast at the Meeting, if a quorum is represented, is required for the election of each Trustee/Director. Currently, the number of Trustees of the Equity Fund is five and since there are three currently serving Trustees who are not subject to election at the Meeting, this means that the two persons who receive the highest number of votes at the Meeting will be elected. Currently, the number of Directors of the Growth Fund is five and since there are four currently serving Directors who are not subject to election at this Meeting, this means that one person who receives the highest number of votes at the Meeting will be elected.

PROPOSAL 2. TO APPROVE PORTFOLIO MANAGEMENT AGREEMENTS FOR THE EQUITY FUND

Background--The Multi-Manager Methodology

The Equity Fund allocates its portfolio assets on an approximately equal basis among a number of independent investment management firms (Portfolio Managers) recommended by LAMCO, currently five in number for the Equity Fund, each of which employs a different investment style and/or strategy, and from time to

9

time LAMCO rebalances the portfolio among the Portfolio Managers so as to maintain an approximately equal allocation of the portfolio among them throughout all market cycles. The Equity Fund's multi-manager methodology is based on the premise that most investment management firms consistently employ a distinct investment style which causes them to emphasize stocks with particular characteristics, and that, because of changing investor preferences, any given investment style will move into and out of market favor and will result in better performance under certain market conditions but poorer performance under other conditions. The Equity Fund's multi-manager methodology seeks to achieve more consistent and less volatile performance over the long term than if a single Portfolio Manager was employed.

The Portfolio Managers recommended by LAMCO represent a blending of different styles which, in LAMCO's opinion, is appropriate for the Equity Fund's investment objective and which is sufficiently broad so that at least one of such styles can reasonably be expected to be in relative market favor in all reasonably foreseeable market conditions. LAMCO continuously analyzes and evaluates the investment performance and portfolios of the Equity Fund's Portfolio Managers and from time to time recommends changes in the Portfolio Managers. Such recommendations could be based on factors such as a change in a Portfolio Manager's investment style or a Portfolio Manager's divergence from the investment style for which it was selected, changes deemed by LAMCO to be potentially adverse in a Portfolio Manager's personnel or ownership or other structural or organizational changes affecting the Portfolio Manager, or a deterioration in a Portfolio Manager's investment performance when compared to that of other investment management firms employing similar investment styles. Portfolio Manager changes may also be made to change the mix of investment styles employed by the Equity Fund's Portfolio Managers. Portfolio Manager changes, as well as rebalancings of the Equity Fund's assets among the Portfolio Managers, may result in portfolio turnover in excess of what would otherwise be the case. Increased portfolio turnover results in increased brokerage commission

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

and transaction costs, and may result in the recognition of additional capital gains.

Under the terms of an exemptive order issued to the Equity Fund and LAMCO by the Securities and Exchange Commission (SEC), the Equity Fund may enter into a portfolio management agreement with a new or additional Portfolio Manager recommended by LAMCO in advance of shareholder approval, provided that the new agreement is at a fee no higher than that provided in, and is on other terms and conditions substantially similar to, the Equity Fund's agreements with its other Portfolio Managers, and that its continuance is subject to approval by shareholders at the Equity Fund's regularly scheduled annual meeting next following the date of the portfolio management agreement with the new or additional Portfolio Manager. The terms of the exemptive order also allow the Equity Fund to enter into a new portfolio management agreement in the event of a sale of assets of a Portfolio Manager. Accordingly, the Equity Fund's portfolio management agreements with Pzena Investment Management, LLC ("Pzena") and Matrix Asset Advisors, Inc. ("Matrix") are being submitted for shareholder approval at the Meeting.

a. New Portfolio Management Agreement - PZENA INVESTMENT MANAGEMENT, LLC

LAMCO continuously monitors and evaluates the Equity Fund's portfolio managers on a quantitative and qualitative basis. The evaluation process focuses on, but is not limited to, the firm's philosophy, investment process, people and performance. After evaluation based on the aforementioned criteria, LAMCO deemed it in the best interest of the Fund to terminate Oppenheimer Capital LLC ("Oppenheimer"), a portfolio manager of the Equity Fund since February 15, 1990. The portfolio management agreement dated November 1, 2001 among Oppenheimer, LAMCO and the Equity Fund had been approved most recently by shareholders on September 26, 2001 in connection with the sale of the asset management business of Liberty Financial Companies, Inc., including LAMCO, to Fleet National Bank. For the fiscal year ended December 31, 2003, the Equity Fund paid Oppenheimer advisory fees equal to \$539,368.

LAMCO, in October, 2003, recommended to the Board that Oppenheimer be replaced with Pzena Investment Management, LLC ("Pzena"). LAMCO first analyzed information regarding the personnel, investment process and performance of a large number of investment management firms. LAMCO then analyzed the candidates in terms of their historic returns, volatility and portfolio characteristics when combined with those of the Equity Fund's four other Portfolio Managers. LAMCO recommended Pzena to the Board because LAMCO believed that Pzena's large cap value philosophy, independent/fundamental research driven process that

10

emphasizes cheap stocks based on normalized earnings and low portfolio turnover management style would be compatible with the philosophies of the Equity Fund's other Portfolio Managers. LAMCO also believed that Pzena's investment management process and performance record would benefit the Equity Fund. Pzena focuses on the bottom quintile of a universe consisting of the 500 largest U.S. publicly traded companies ranked by normalized price to earnings. Its fundamental research determines whether a company's business is good, management's plan to generate earnings recovery appears sound and there is downside protection. Based upon these factors and Pzena's generally favorable performance record of the firm's investment products relative to the S&P 500 Index and the Russell 1000 Value Index, LAMCO recommended that the Board approve a portfolio management agreement between the Equity Fund and Pzena.

In making its recommendation to shareholders, the Board has relied upon and given equal consideration to each of the factors presented to them by LAMCO. Based on the foregoing and on LAMCO's quantitative and qualitative analysis,

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

LAMCO recommended, and the Board of Trustees on October 7, 2003 approved, the termination of the Equity Fund's portfolio management agreement with Oppenheimer and its replacement with Pzena, effective October 15, 2003. For the fiscal year ended December 31, 2003, the Equity Fund paid Pzena advisory fees equal to \$170,837.

Pzena, located at 120 West 45th Street, 34th Floor, New York, NY 10036, is an independently owned firm founded in 1995 by Richard S. Pzena. Terms of Portfolio Management Agreement with Pzena

The portfolio management agreement with Pzena is at the same fee rates and is on other terms and conditions substantially similar to those of the portfolio management agreements with the Equity Fund's four other Portfolio Managers. A copy of the portfolio management agreement with Pzena, which was approved by the Fund's Board of Trustees, is attached to this Proxy Statement as Appendix B.

Under the Equity Fund's portfolio management agreements (including the agreement with Pzena), each Portfolio Manager has discretionary investment authority (including the selection of brokers and dealers for the execution of the Equity Fund's portfolio transactions) with respect to the portion of the Equity Fund's assets allocated to it by LAMCO, subject to the Equity Fund's investment objective and policies, to the supervision and control of the Trustees, and to instructions from LAMCO. The Portfolio Managers are required to use their best professional judgment in making timely investment decisions for the Equity Fund. The Portfolio Managers, however, will not be liable for actions taken or omitted in good faith and believed to be within the authority conferred by their portfolio management agreements and without willful misfeasance, bad faith or gross negligence.

From the management fees LAMCO receives from the Equity Fund (0.80% per annum of the Equity Fund's average weekly net asset value up to \$400 million, 0.72% per annum of such average weekly net asset value exceeding \$400 million up to and including \$800 million, 0.648% of such average weekly net asset value exceeding \$800 million up to and including \$1.2 billion, and 0.584% of such average weekly net asset value in excess of \$1.2 billion), LAMCO pays each of the Equity Fund's Portfolio Managers 0.40% per annum of the average weekly net asset value of the portion of the Equity Fund's assets managed by that Portfolio Manager, with such rate reduced to 0.36% per annum of the Portfolio Managers' allocable portions of the Equity Fund's average weekly net asset value in excess of \$400 million up to and including \$800 million, 0.324% of their allocable portions of such average weekly net asset value exceeding \$800 million up to and including \$1.2 billion, and 0.292% of their allocable portions of such average weekly net asset value exceeding \$1.2 billion. As of December 31, 2003, the Equity Fund's net assets were \$1.15 billion.

If approved by shareholders at the Meeting, the portfolio management agreement with Pzena will remain in effect until July 31, 2005 and will continue

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

thereafter until terminated by LAMCO, the Equity Fund or the Portfolio Manager, provided that such continuance is approved at least annually by the Board of Trustees, including a majority of the Independent Trustees, or by the vote of a "majority of the outstanding voting securities" (as defined under Required Vote below) of the Equity Fund.

Other Funds Managed by Pzena

Pzena is sole subadviser to the John Hancock Classic Value Fund ("JHCVF"), an open-end investment company which is managed in the same large cap classic value style as the portion of the Funds managed by Pzena. At December 31, 2003, the JHCVF had approximately \$290 million in assets under management. At March 1, 2004, the JHCVF had approximately \$448 million in assets under management. The Adviser to the JHCVF pays PIM's subadvisory fee (not the Fund itself). The following is the disclosure from the JHCVF Statement of Information dated March 1, 2003 regarding the subsadvisory fees payable to Pzena. There are no waivers, reductions or agreements to waive or reduce these subadvisory fees.

12

As provided in the Sub-Advisory Agreement, the Adviser (not the Fund) pays the Sub-Adviser quarterly, in arrears, after the end of each quarter, a fee equal on an annual basis to the following percentages of the Fund's average daily net assets: (i) 0.4250% with respect to the first \$500,000,000 of the average daily net asset value of the Fund; (ii) 0.3825% with respect to the average daily net asset value of the Fund in excess of \$500,000,000 up to \$1,000,000,000; (iii) 0.3400% with respect to the average daily net asset value of the Fund in excess of \$1,000,000,000 up to \$1,500,000,000; (iv) 0.2975% of the average daily net asset value of the Fund in excess of \$1,500,000,000 up to \$2,000,000,000; and (v) 0.2550% of the average daily net asset value of the Fund in excess of \$2,000,000,000. During the first year of the Sub-Advisory Agreement, the Adviser has agreed to pay a minimum fee of \$150,000. Required Vote

Approval of the portfolio management agreement with Pzena requires the affirmative vote of a "majority of the outstanding voting securities" of the Equity Fund, which, under the 1940 Act, means the affirmative vote of the lesser of (a) 67% or more of the shares of the Equity Fund present at the Meeting or represented by proxy if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (b) more than 50% of the outstanding shares. See INFORMATION ABOUT THE MEETING below.

In the event that the shareholders of the Equity Fund fail to approve the portfolio management agreement with Pzena, the portfolio management agreement will terminate and LAMCO will cause the portfolio assets under management by Pzena to be reallocated to one or more of the other Portfolio Managers or invested in money market instruments or other cash equivalent holdings pending the appointment of Pzena or the appointment of a new Portfolio Manager.

The Board of Trustees unanimously recommends that the shareholders vote FOR approval of the portfolio management agreement with Pzena.

b. New Portfolio Management Agreement - MATRIX ASSET ADVISORS, INC.

LAMCO continuously monitors and evaluates the Equity Fund's portfolio managers on a quantitative and qualitative basis. The evaluation process focuses on, but is not limited to, the firm's philosophy, investment process, people and performance. After evaluation based on the aforementioned criteria, LAMCO deemed it in the best interest of shareholders to terminate Boston Partners Asset Management, L.P. ("Boston Partners"), a portfolio manager of the Equity Fund since May 11, 1998. The Fund's portfolio management agreement dated September

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

18, 2002 with the Equity Fund had been ratified most recently by shareholders on April 16, 2003 in connection with the purchase of partnership interests in Boston Partners by Robeco USA, which constituted a change in control of Boston Partners. For the fiscal year ended December 31, 2003, the Equity Fund paid Boston Partners advisory fees equal to \$685,328.

LAMCO, in February, 2004, determined to replace Boston Partners with Matrix Asset Advisors, Inc. ("Matrix"). LAMCO first analyzed information regarding the personnel, investment process and performance of a large number of investment management firms. LAMCO then analyzed the candidates in terms of their historic returns, volatility and portfolio characteristics when combined with those of the Equity Fund's four other Portfolio Managers. In making its recommendation, the Board has relied upon and given equal consideration to each of the factors presented to them by LAMCO. LAMCO recommended Matrix to the Board because LAMCO believed that Matrix's large cap value philosophy, independent fundamental research driven process that emphasizes stocks selling below their enterprise value and low portfolio turnover management style would be compatible with the philosophies of the Equity Fund's other Portfolio Managers. LAMCO also believed that Matrix's investment management process and performance record would benefit the Equity Fund. Matrix uses a multi-factor model to identify companies with strong balance sheets that trade at a discount to their enterprise value. Based upon these factors and Matrix's generally favorable performance record relative to the Russell 1000 Value Index and Russell 1000 Index, LAMCO recommended that the Board approve a portfolio management agreement between the Equity Fund and Matrix.

In making its recommendation to shareholders, the Board has relied upon and given equal consideration to each of the factors presented to them by LAMCO. Based on the foregoing and on LAMCO's qualitative analysis,

13

LAMCO recommended, and the Board of Trustees on February 10, 2004 approved, the termination of the Equity Fund's portfolio management agreement with Boston Partners and its replacement with Matrix, effective February 17, 2004.

Matrix, located at 747 Third Avenue, New York, NY 10017, is an independently owned firm founded in 1986 by David A. Katz and John M. Gates. Mr. Katz serves as President and Chief Investment Officer of Matrix and manages that portion of the Equity Fund's portfolio assets. Prior to co-founding Matrix in 1986, Mr. Katz was with Management Asset Corporation. Matrix is 100% employee-owned. As of December 31, 2003, Matrix managed approximately \$1.1 billion in assets.

Other Funds Managed by Matrix

In addition to the management services provided by Matrix to the Equity Fund, Matrix also provides management services to other investment companies. Information with respect to the assets of and management fees payable to Matrix by those funds having investment objectives similar to those of the Fund is set forth below:

affirmative vote of a "majority of the outstanding voting securities" of the Equity Fund, which, under the 1940 Act, means the affirmative vote of the lesser of (a) 67% or more of the shares of the Equity Fund present at the Meeting or represented by proxy if the holders of more than 50% of the outstanding shares are present or represented by proxy, or (b) more than 50% of the outstanding shares. See INFORMATION ABOUT THE MEETING below.

In the event that the shareholders of the Equity Fund fail to approve the portfolio management agreement with Matrix, the portfolio management agreement will terminate and LAMCO will cause the portfolio assets under management by Matrix to be reallocated to one or more of the other Portfolio Managers or invested in

money market instruments or other cash equivalent holdings pending the appointment of Matrix or the appointment of a new Portfolio Manager.

The Board of Trustees unanimously recommends that the shareholders vote FOR approval of the portfolio management agreement with Matrix.

OTHER BUSINESS

The Boards of Trustees/Directors know of no other business to be brought before the Meeting. However, if any other matters properly come before the Meeting, it is the intention of the Boards that proxies that do not contain specific instructions to the contrary will be voted on such matters in accordance with the judgment of the persons designated therein as proxies.

MANAGEMENT

LAMCO, One Financial Center, Boston, MA 02111, is the Funds' manager. LAMCO is a wholly owned subsidiary of Columbia Management Group, Inc., (Columbia), which is a wholly owned subsidiary of Fleet National Bank, a national banking association, which in turn is a wholly owned subsidiary of FleetBoston, a U.S. financial holding company. On October 27, 2003, FleetBoston Financial Corporation ("FleetBoston") announced that Bank of America agreed to acquire FleetBoston. Bank of America is one of the world's largest financial institutions, serving individual consumers, small businesses and large corporations and institutions with a full range of banking, investing, asset management and other financial and risk management products and services. The acquisition, which has been approved by both regulators and shareholders, is expected to be consummated in April, 2004. Columbia is located at One Financial Center, Boston, MA 02111 and each of Fleet National Bank and FleetBoston is located at 100 Federal Street, Boston, MA 02210. Pursuant to its Fund Management Agreements with the Funds, LAMCO implements and operates the Funds' multi-manager methodology as described under PROPOSAL 2 above and has overall supervisory responsibility for the general management and investment of the Funds' assets, subject to the Funds' investment objectives and policies and any directions of the Trustees/Directors. LAMCO recommends to the Boards of Trustees/Directors the independent investment management firms (currently five for the Equity Fund and currently three for the Growth Fund) for appointment as Portfolio Managers of the Funds, each of which employs a different investment style, and from time to time rebalances the Funds' assets among the Portfolio Managers so as to maintain an approximately equal allocation of the portfolio among the investment styles and/or strategies practiced by them throughout all market cycles. LAMCO continuously analyzes and evaluates the investment performance and portfolios of the Fund Portfolio Managers and from time to time recommends changes in the Portfolio Managers.

LAMCO is responsible under its Fund Management Agreements for the provision of administrative services to the Funds, including the provision of office space, shareholder and broker-dealer communications, compensation of all

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

officers and employees of the Funds who are officers or employees of LAMCO or its affiliates, and supervision of transfer agency, dividend disbursing, custodial and other services provided by others. Certain of LAMCO's administrative responsibilities to the Funds have been delegated to their affiliate, Columbia Management Advisors, Inc., One Financial Center, Boston, MA 02111. For the administrative services provided to the Equity Fund, the Fund pays LAMCO an annual fee at the rate of 0.20% of the Equity Fund's average weekly net asset value up to \$400 million, 0.18% of such average weekly net asset value exceeding \$400 million up to and including \$800 million, 0.162% of such average weekly net asset value exceeding \$800 million up to and including \$1.2 billion, and 0.146% of such average weekly net asset value in excess of \$1.2 billion. For the administrative services provided to the Growth Fund, the Fund pays LAMCO an annual fee at the rate of 0.20% of the Growth Fund's average weekly net asset value up to \$300 million and 0.18% of such average weekly net asset value exceeding \$300 million. The fees for administrative services are in addition to the Funds' management fees paid to LAMCO.

Under the Funds' portfolio management agreements, each Portfolio Manager has discretionary investment authority with respect to the portion of the Funds' assets allocated to it by LAMCO from time to time, subject to the Funds' investment objectives and policies, to the supervision and control of the Trustees/Directors, and to

instructions from LAMCO. The Portfolio Managers are required to use their best professional judgment in making timely investment decisions for the Funds. The Portfolio Managers, however, will not be liable for actions taken or omitted in good faith and believed to be within the authority conferred by their portfolio management agreements and without willful misfeasance, bad faith or gross negligence.

Portfolio Transactions and Brokerage

Each of the Funds' Portfolio Managers has discretion to select brokers and dealers to execute portfolio transactions initiated by that Portfolio Manager for the portion of a Fund's portfolio assets allocated to it, and to select the markets in which such transactions are to be executed. The portfolio management agreements with the Funds provide, in substance, that in executing portfolio transactions and selecting brokers or dealers, the primary responsibility of the Portfolio Manager is to seek to obtain best net price and execution for the Funds.

The Portfolio Managers are authorized to cause the Funds to pay a commission to a broker or dealer who provides research products and services to the Portfolio Manager for executing a portfolio transaction which is in excess of the amount of commission another broker or dealer would have charged for effecting the same transaction. The Portfolio Managers must determine in good faith, however, that such commission was reasonable in relation to the value of the research products and services provided to them, viewed in terms of that particular transaction or in terms of all the client accounts (including the Fund) over which the Portfolio Manager exercises

17

investment discretion. It is possible that certain of the services received by a Portfolio Manager attributable to a particular transaction will primarily benefit one or more other accounts for which investment discretion is exercised by the Portfolio Manager.

In addition, under their portfolio management agreements with the Funds and LAMCO, the Portfolio Managers, in selecting brokers or dealers to execute portfolio transactions for the Funds, are authorized to consider (and LAMCO may request them to consider) brokers or dealers that provide to LAMCO, directly or through third parties, research products or services such as research reports; subscriptions to financial publications and research compilations; portfolio analyses; economic reports; compilations of securities prices, earnings, dividends and other data; computer hardware and software, quotation equipment and services used for research; and services of economic or other consultants. The commissions paid on such transactions may exceed the amount of commission another broker would have charged for effecting that transaction. Research products and services made available to LAMCO include performance and other qualitative and quantitative data relating to investment managers in general and the Portfolio Managers in particular; data relating to the historic performance of categories of securities associated with particular investment styles; mutual fund portfolio and performance data; data relating to portfolio manager changes by pension plan fiduciaries; and related computer hardware and software, all of which are used by LAMCO in connection with its selection and monitoring of Portfolio Managers, the assembly of an appropriate mix of investment styles, and the determination of overall portfolio strategies. These research products and services may also be used by LAMCO in connection with its management of the Funds. In instances where LAMCO receives from or through brokers and dealers products or services which are used both for research purposes and for administrative or other non-research purposes, LAMCO makes a good faith effort

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

to determine the relative proportions of such products or services which may be considered as investment research, based primarily on anticipated usage. LAMCO pays for the costs attributable to the non-research usage in cash.

LAMCO from time to time reaches understandings with each of the Funds' Portfolio Managers as to the amounts of the Funds' portfolio transactions initiated by such Portfolio Manager that are to be directed to brokers and dealers which provide or make available research products and services to LAMCO and the commissions to be charged to the Funds in connection therewith. These amounts may differ among the Portfolio Managers based on the nature of the market for the types of securities managed by them and other factors.

Although the Funds do not permit a Portfolio Manager to act or to have a broker-dealer affiliate act as broker for Fund portfolio transactions initiated by it, the Portfolio Managers are permitted to place Fund portfolio transactions initiated by them with another Portfolio Manager or its broker-dealer affiliate for execution on an agency basis, provided that the commission does not exceed the usual and customary broker's commission being paid to other brokers for comparable transactions and is otherwise in accordance with the Funds' procedures adopted pursuant to Rule 17e-1 under the 1940 Act. During 2003, the Funds had no Fund portfolio transactions placed with a Portfolio Manager or its affiliate. For the fiscal year ended December 31, 2003, the Funds paid fees to an affiliated broker in the amount of \$7,740 in commissions to Fleet Securities, Inc. These commissions were equal to 0.34% of the Funds' aggregate commissions paid to all brokers. Each of Fleet Securities, Inc. and LAMCO is a subsidiary of FleetBoston Financial Corporation.

On February 15, 2000, the SEC issued the Funds exemptive relief from Sections 10(f), 17(a) and 17(e) and Rule 17e-1 under the 1940 Act to permit (1) broker-dealers which are, or are affiliated with, Portfolio Managers of the Funds to engage in principal transactions with, and provide brokerage services to, portion(s) of the Funds advised by another Portfolio Manager, and (2) the Funds to purchase securities either directly from a principal underwriter which is an affiliate of a Portfolio Manager or from an underwriting syndicate of which a principal underwriter is affiliated with a Portfolio Manager of the Funds.

INDEPENDENT ACCOUNTANTS

Financial statements for the Funds' fiscal year ended December 31, 2003 were audited by PricewaterhouseCoopers LLP (PwC). PwC serves as independent accountants for each Fund and provides audit services, audit-related services, tax services and other services to the Funds, to LAMCO and to affiliates of LAMCO. The Boards of Trustees/Directors of each Fund have selected PwC as the independent accountants for

18

the Funds for the fiscal year ending December 31, 2004. Representatives of PwC are not expected to be present at the Meeting but have been given the opportunity to make a statement if they so desire and will be available should any matter arise requiring their presence.

Pre-Approval of Audit and Non-Audit Services

Effective May 6, 2003, each Fund's Audit Committee is required to pre-approve the engagement of the Fund's independent accountants to provide audit and non-audit services to the Fund and non-audit services to LAMCO or any entity controlling, controlled by or under common control with LAMCO that provides ongoing services to the Fund ("LAMCO Affiliate"), if the engagement relates directly to the operations or financial reporting of the Fund, including

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

the fees and other compensation to be paid to the independent accountants, unless the engagement is entered into pursuant to pre-approval policies and procedures established by the Audit Committee.

The Funds' Audit Committees have adopted an Audit and Non-Audit Services Pre-Approval Policy ("Policy") for the pre-approval of audit and non-audit services provided to each Fund and non-audit services provided to the Fund, LAMCO, and LAMCO Affiliates, if the engagement relates directly to the operations or financial reporting of the Fund. The Policy sets forth the procedures and conditions pursuant to which services to be performed by the Funds' independent accountants are to be pre-approved. Unless a type of service receives general pre-approval under the Policy, it requires specific pre-approval by the Audit Committee if it is to be provided by the independent accountants.

The Policy provides for the general pre-approval by the Audit Committee of: (i) audit services to the Funds; (ii) audit-related services to the Funds; (iii) tax services to the Funds; (iv) other services to the Funds; (v) Fund-related services to LAMCO Affiliates; and (vi) non-Fund-related services to LAMCO Affiliates. The Policy requires the Fund Treasurer and/or Director of Trustee Administration to submit to the Audit Committee, at least annually, a schedule of the types of services that are subject to general pre-approval. The schedule(s) must provide a description of each type of service that is subject to general pre-approval and, where possible, will provide projected fee caps for each instance of providing each service. The general pre-approval and related fees will cover the period from July 1 through June 30 of the following year. At each June meeting, the Audit Committee will review and approve the types of services and review the projected fees for the next fiscal year, and may add to, or subtract from, the list of pre-approved services from time to time, based on subsequent determinations. The fee amounts listed on the schedules will be updated to the extent necessary at each of the other regularly scheduled meetings of the Audit Committee.

Fees Paid to Independent Accountants

The following table sets forth the aggregate fees billed by PwC for each Fund's last two fiscal years for professional services rendered for (i) audit services, including the audit of each Fund's financial statements; (ii) audit-related services associated with the review of the Funds' financial statements, including assurance, procedures relating to the Funds' semi-annual reports and technical consultation on audit and accounting matters; (iii) tax services, including tax compliance testing and consultation, tax advice and reviews of Fund tax returns; and (iv) other services, including procedures related to outsourcing and systems conversions and training and

19

industry updates. All of the audit fees, audit-related fees, tax fees and other fees billed by PwC for the fiscal year ended December 31, 2003 were pre-approved by the Audit Committees.

If no specification is made on a proxy, it will be voted FOR the election as Trustee of the Equity Fund of the nominees named under PROPOSAL 1, FOR the election as Director of the Growth Fund of the nominee named under PROPOSAL 1 and FOR approval of the Equity Fund's Portfolio Management Agreements with Pzena and Matrix referred to under PROPOSAL 2. Any proxy may be revoked at any time prior to its use by written notification received by the Funds' Secretary, by the execution of a later-dated proxy, or by attending the Meeting and voting in person.

For each Fund, a majority of the shares entitled to vote of the Fund, outstanding on the record date and entitled to vote, present and in person or represented by proxy, constitutes a quorum for the transaction of business by the shareholders of that Fund at the Meeting.

The election of the Trustees/Directors is by plurality of votes cast at the Meeting. Approval of each of the Portfolio Management Agreements with Pzena and Matrix requires the affirmative vote of a "majority of the outstanding voting securities" of the Equity Fund, as defined under PROPOSALS 2a and 2b--Required Vote. Only shareholders of record of a Fund on March 10, 2004 may vote.

Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present. If a proposal must be approved by a percentage of votes cast on the proposal, abstentions and broker non-votes will not be counted as "votes cast" on the proposal and will have no effect on the result of the vote. If the proposal must be approved by a percentage of shares present at the meeting or of the Funds' outstanding shares, abstentions and broker non-votes will have the effect of votes against the proposal. "Broker non-votes" occur where: (i) shares are held by brokers or nominees, typically in "street name"; (ii) instructions have not been received from the beneficial owners or persons entitled to vote the shares; and (iii) the broker or nominee does not have discretionary voting power on a particular matter.

In the event a quorum is present at the Meeting, but sufficient votes to approve any of the above proposals have not been received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. A shareholder vote may be taken on one or more of the proposals referred to above prior to such adjournment if sufficient votes have been received and it is otherwise appropriate. Any such adjournment will require the affirmative vote of a majority of those shares present at the Meeting (including abstentions and broker non-votes) in person or by proxy. If a quorum is present, the persons named as proxies will vote those proxies that they are entitled to vote FOR any such proposal in favor of such adjournment and will vote those proxies required to be voted for rejection of such proposal against any such adjournment.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

All shareholders of record of a Fund on March 10, 2004 are entitled to one vote for each share held. To the knowledge of the Funds, on the record date, no shareholder owned beneficially, as defined by Rule 13d-3 under the Exchange Act, more than 5% of the outstanding shares of the Funds. In addition, the Trustees, Directors and officers of each Fund, in the aggregate, owned less than 1% of each Fund's outstanding shares as of the record date. As of the record date, there were 25,007,328.000 outstanding shares of beneficial interest of Liberty All-Star Equity Fund and 126,212,463.000 outstanding shares of common stock of Liberty All-Star Growth Fund, Inc.

Section 16 reporting persons are required by SEC regulations to furnish the Funds with copies of all Section 16(a) forms they file. To the Funds' knowledge, based solely on a review of the copies of such reports furnished to the Funds and on representations made, all Section 16 reporting persons complied with all Section 16(a) filing requirements applicable to them.

LIBERTY ALL-STAR GROWTH FUND, INC.

Audit Committee Charter
adopted on February 10, 2004

I. PURPOSE

This Charter has been adopted by the Audit Committee of the Board of Directors/ Trustees (the "Board") of each investment company named above (each, a "Fund"). The primary function of the Audit Committee is to assist the Board in

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

fulfilling certain of its responsibilities. This Charter sets forth the duties and responsibilities of the Audit Committee.

The Audit Committee serves as an independent and objective party to monitor the Fund's accounting policies, financial reporting and internal control system, and the work of the Fund's independent auditors. The Audit Committee also serves to provide an open avenue of communication among the independent auditors, the internal accounting staff of the Fund's investment adviser (the "Adviser") and the Board.

- o Management has the primary responsibility to establish and maintain systems for accounting, reporting and internal controls, which functions may be delegated to an accounting service agent, provided management provides adequate oversight.
- o The independent auditors have the primary responsibility to plan and implement proper audits, with proper consideration given to internal controls, of the Fund's accounting and reporting practices.

The Audit Committee shall assist Board oversight of (1) the integrity of the Fund's financial statements, (2) the Fund's compliance with legal and regulatory requirements, (3) the independent auditors' qualifications and independence, and (4) the performance of the Adviser's internal audit function and independent auditors. The Audit Committee may have additional functions and responsibility as deemed appropriate by the Board and the Audit Committee.

Although the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits nor to determine that the Fund's financial statements are complete or accurate or have been prepared in accordance with generally accepted accounting principles. That is the responsibility of management and the independent auditors. Nor is it the duty of the Audit Committee to assure compliance with laws, regulations or any code of ethics approved or adopted by the Board.

II. COMPOSITION

The Audit Committee shall be comprised of three or more independent board members. For purposes of this Charter, a board member shall be deemed to be independent if he or she (1) is not an "interested person" of the Fund, as that term is defined in the Investment Company Act of 1940, (2) has not accepted, directly or indirectly, any consulting, advisory or other compensatory fee from the Fund except for services as a Board member, (3) is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee, and (4) meets the independence requirements set forth in New York Stock Exchange Rule 303.01(B)(3) or the applicable rule of any other exchange on which shares of the Fund are listed.

Each member of the Audit Committee shall be financially literate, or shall become so within a reasonable period of time after his or her appointment to the Audit Committee. At least one member shall have accounting or related financial management expertise.

The members of the Audit Committee shall be appointed by the Board and shall serve at the pleasure of the Board. Unless a Chair is appointed by the Board, the members of the Audit Committee may designate a Chair by majority vote.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Any such delegated pre-approval shall be reported to the Audit Committee by the member or members exercising such delegated authority at the next meeting of the Audit Committee.

APPENDIX B

PORTFOLIO MANAGEMENT AGREEMENT

October 15, 2003

Pzena Investment Management, LLC
120 West 45th Street, 34th Floor
New York, NY 10036

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star Equity Fund (the "Fund") is a diversified closed-end investment company registered under the Investment Company Act of 1940 (the "Act"), and is subject to the rules and regulations promulgated thereunder.

Liberty Asset Management Company (the "Fund Manager") evaluates and recommends portfolio managers for the assets of the Fund, and is responsible for the day-to-day corporate management and Fund administration of the Fund.

1. Employment as a Portfolio Manager. The Fund being duly authorized hereby employs Pzena Investment Management, LLC ("Portfolio Manager") as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the "Portfolio Manager Account"). The Portfolio Manager's responsibility for providing portfolio management services to the Fund shall be limited to the Portfolio Manager Account. The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among the Portfolio Manager and the other portfolio managers of the Fund's assets.

2. Acceptance of Employment; Standard of Performance. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

3. Portfolio Management Services of Portfolio Manager. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the investment objectives, policies and restrictions of the Fund as set forth in its current Registration Statement under the Act, as the same may be modified from time to time (the "Registration Statement"), and the investment restrictions set forth in the Act and the Rules thereunder (as and to the extent set forth in the Registration Statement or in other documentation furnished to the Portfolio Manager by the Fund or the Fund Manager), to the supervision and control of the Board of Trustees of the Fund, and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions which would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or policies. The Portfolio Manager shall not consult with any other portfolio manager of the Fund concerning transactions for the Fund in securities or other assets.

4. Transaction Procedures. All portfolio transactions for the Portfolio Manager Account will be consummated by payment to or delivery by the custodian

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

of the Fund (the "Custodian"), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio Manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the

B-1

Custodian, the Portfolio Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e)(3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account. Notwithstanding any other provision of this Agreement, the Portfolio Manager shall not be responsible under paragraph A above with respect to transactions executed through any such broker or dealer.

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with a broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund. The Fund Manager will provide the Portfolio Manager with a list of brokers and dealers which are "affiliated persons" of the Fund or its Portfolio Managers.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

6. Proxies. The Portfolio Manager will vote all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager Account may be invested from time to time in accordance with such policies as shall be determined by the Fund Manager.

7. Fees for Services. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. Pursuant to the Fund Management Agreement between the Fund and the Fund Manager, the Fund Manager is solely responsible for the payment of fees to the Portfolio Manager, and the Portfolio Manager agrees to seek payment of its fees solely from the Fund Manager.

8. Other Investment Activities of Portfolio Manager. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities ("Client Accounts"), and that the Portfolio Manager, its affiliates or any of its or their directors, officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts ("Affiliated Accounts"). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion, investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated

B-2

Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, co-investment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. Limitation of Liability. The Portfolio Manager shall not be liable for any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence, a violation of the standard of care established by and applicable to the Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however, that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17(i) of the Act).

10. Confidentiality. Subject to the duty of the Portfolio Manager and the Fund to comply with applicable law, including any demand of any regulatory or

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

taxing authority having jurisdiction, the parties hereto shall treat as confidential all information pertaining to the Portfolio Manager Account and the actions of the Portfolio Manager and the Fund in respect thereof.

11. Assignment. This Agreement shall terminate automatically in the event of its assignment, as that term is defined in Section 2(a)(4) of the Act. The Portfolio Manager shall notify the Fund in writing sufficiently in advance of any proposed change of control, as defined in Section 2(a)(9) of the Act, as will enable the Fund to consider whether an assignment as defined in Section 2(a)(4) of the Act will occur, and whether to take the steps necessary to enter into a new contract with the Portfolio Manager.

12. Representations, Warranties and Agreements of the Fund. The Fund represents, warrants and agrees that:

A. The Portfolio Manager has been duly appointed to provide investment services to the Portfolio Manager Account as contemplated hereby.

B. The Fund will deliver to the Portfolio Manager a true and complete copy of its then current registration statement as effective from time to time and such other documents governing the investment of the Fund Account and such other information as is necessary for the Portfolio Manager to carry out its obligations under this Agreement.

13. Representations, Warranties and Agreements of the Portfolio Manager. The Portfolio Manager represents, warrants and agrees that:

A. It is registered as an "Investment Adviser" under the Investment Advisers Act of 1940 ("Advisers Act").

B. It will maintain, keep current and preserve on behalf of the Fund, in the manner required or permitted by the Act and the Rules thereunder, the records identified in Schedule B (as Schedule B may be amended from time to time by the Fund Manager). The Portfolio Manager agrees that such records are the property of the Fund, and will be surrendered to the Fund promptly upon request.

C. It will adopt a written code of ethics complying with the requirements of Rule 17j-1 under the 1940 Act. Within 45 days of the end of each year while this Agreement is in effect, an officer or general partner of the Portfolio Manager shall certify to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 during the previous year and that there has been no violation of its code of ethics or, if such a violation has occurred, that appropriate action was taken in response to such violation.

B-3

D. Upon request, the Portfolio Manager will promptly supply the Fund with any information concerning the Portfolio Manager and its stockholders, employees and affiliates which the Fund may reasonably require in connection with the preparation of its Registration Statement or amendments thereto, proxy material, reports and other documents required to be filed under the Act, the Securities Act of 1933, or other applicable securities laws.

E. Reference is hereby made to the Declaration of Trust dated August 20, 1986 establishing the Fund, a copy of which has been filed with the Secretary of the Commonwealth of Massachusetts and elsewhere as required by law, and to any and all amendments thereto so filed or hereafter filed. The name Liberty All-Star Equity Fund refers to the Trustees under said Declaration of Trust, as Trustees and not personally, and no Trustee, shareholder, officer, agent or employee of the Fund shall be held to any personal liability hereunder or in connection with the affairs of the Fund, but only the trust estate under said

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Declaration of Trust is liable under this Agreement. Without limiting the generality of the foregoing, neither the Portfolio Manager nor any of its officers, directors, partners, shareholders or employees shall, under any circumstances, have recourse or cause or willingly permit recourse to be had directly or indirectly to any personal, statutory, or other liability of any shareholder, Trustee, officer, agent or employee of the Fund or of any successor of the Fund, whether such liability now exists or is hereafter incurred for claims against the trust estate, but shall look for payment solely to said trust estate, or the assets of such successor of the Fund.

14. Amendment. This Agreement may be amended at any time, but only by written agreement among the Portfolio Manager, the Fund Manager and the Fund, which amendment, other than amendments to Schedules A and B, is subject to the approval of the Board of Trustees and the Shareholders of the Fund as and to the extent required by the Act.

15. Effective Date; Term. This Agreement shall continue until July 31, 2005 and from year to year thereafter provided such continuance is specifically approved at least annually by (i) the Fund's Board of Trustees or (ii) a vote of a "majority" (as defined in the Act) of the Fund's outstanding voting securities, provided that in either event such continuance is also approved by a majority of the Board of Trustees who are not "interested persons" (as defined in the Act) of any party to this Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval and provided further that, in accordance with the conditions of the application of the Fund and Fund Manager for an exemption from 15(a) of the Act (Rel. Nos. IC 19436 and 19491), the continuance of this Agreement shall be subject to approval by such "majority" of the Fund's outstanding voting securities at the regularly scheduled annual meeting of shareholders of the Fund next following the date of this Agreement. The aforesaid requirement that continuance of this Agreement be "specifically approved at least annually" shall be construed in a manner consistent with the Act and the Rules and Regulations thereunder.

16. Termination. This Agreement may be terminated by any party, without penalty, immediately upon written notice to the other parties in the event of a breach of any provision thereof by a party so notified, or otherwise upon not less than thirty (30) days' written notice to the Portfolio Manager in the case of termination by the Fund or the Fund Manager, or ninety (90) days' written notice to the Fund and the Fund Manager in the case of termination by the Portfolio Manager, but any such termination shall not affect the status, obligations or liabilities of any party hereto to the other parties.

17. Applicable Law. To the extent that state law is not preempted by the provisions of any law of the United States heretofore or hereafter enacted, as the same may be amended from time to time, this Agreement shall be administered, construed and enforced according to the laws of the Commonwealth of Massachusetts.

B-4

18. Severability. If any term or condition of this Agreement shall be invalid or unenforceable to any extent or in any application, then the remainder of this Agreement, and such term or condition except to such extent or in such application, shall not be affected thereby, and each and every term and condition of this Agreement shall be valid and enforced to the fullest extent and in the broadest application permitted by law.

APPENDIX C

PORTFOLIO MANAGEMENT AGREEMENT

February 17, 2004

Matrix Asset Advisors, Inc.
747 Third Avenue, 31st Floor
New York, NY 10017

Re: Portfolio Management Agreement

Ladies and Gentlemen:

Liberty All-Star Equity Fund (the "Fund") is a diversified closed-end investment company registered under the Investment Company Act of 1940 (the "Act"), and is subject to the rules and regulations promulgated thereunder.

Liberty Asset Management Company (the "Fund Manager") evaluates and recommends portfolio managers for the assets of the Fund, and is responsible for the day-to-day corporate management and Fund administration of the Fund.

1. Employment as a Portfolio Manager. The Fund being duly authorized hereby employs Matrix Asset Advisors, Inc. ("Portfolio Manager") as a discretionary portfolio manager, on the terms and conditions set forth herein, of that portion of the Fund's assets which the Fund Manager determines to assign to the Portfolio Manager (those assets being referred to as the "Portfolio Manager Account"). The Portfolio Manager's responsibility for providing portfolio management services to the Fund shall be limited to the Portfolio Manager Account. The Fund Manager may, from time to time, allocate and reallocate the Fund's assets among the Portfolio Manager and the other portfolio managers of the Fund's assets.

2. Acceptance of Employment; Standard of Performance. The Portfolio Manager accepts its employment as a discretionary portfolio manager and agrees to use its best professional judgment to make timely investment decisions for the Portfolio Manager Account in accordance with the provisions of this Agreement.

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

3. Portfolio Management Services of Portfolio Manager. In providing portfolio management services to the Portfolio Manager Account, the Portfolio Manager shall be subject to the investment objectives, policies and restrictions of the Fund as set forth in its current Registration Statement under the Act, as the same may be modified from time to time (the "Registration Statement"), and the investment restrictions set forth in the Act and the Rules thereunder (as and to the extent set forth in the Registration Statement or in other documentation furnished to the Portfolio Manager by the Fund or the Fund Manager), to the supervision and control of the Board of Trustees of the Fund, and to instructions from the Fund Manager. The Portfolio Manager shall not, without the prior approval of the Fund or the Fund Manager, effect any transactions which would cause the Portfolio Manager Account, treated as a separate fund, to be out of compliance with any of such restrictions or policies. The Portfolio Manager shall not consult with any other portfolio manager of the Fund concerning transactions for the Fund in securities or other assets.

4. Transaction Procedures. All portfolio transactions for the Portfolio Manager Account will be consummated by payment to or delivery by the custodian of the Fund (the "Custodian"), or such depositories or agents as may be designated by the Custodian in writing, as custodian for the Fund, of all cash and/or securities due to or from the Portfolio Manager Account, and the Portfolio Manager shall not have possession or custody thereof or any responsibility or liability with respect to such custody. The Portfolio Manager shall advise and confirm in writing to the Custodian all investment orders for the Portfolio Manager Account placed by it with brokers and dealers at the time and in the manner set forth in Schedule A hereto (as amended from time to time by the Fund Manager). The Fund shall issue to the Custodian such instructions as may be appropriate in connection with the settlement of any transaction initiated by the Portfolio Manager. The Fund shall be responsible for all custodial arrangements and the payment of all custodial charges and fees, and, upon giving proper instructions to the Custodian, the Portfolio Manager shall have no responsibility or liability with respect to custodial arrangements or the acts, omissions or other conduct of the Custodian.

C-1

5. Allocation of Brokerage. The Portfolio Manager shall have authority and discretion to select brokers and dealers to execute portfolio transactions initiated by the Portfolio Manager for the Portfolio Manager Account, and to select the markets on or in which the transaction will be executed.

A. In doing so, the Portfolio Manager's primary responsibility shall be to seek to obtain best net price and execution for the Fund. However, this responsibility shall not obligate the Portfolio Manager to solicit competitive bids for each transaction or to seek the lowest available commission cost to the Fund, so long as the Portfolio Manager reasonably believes that the broker or dealer selected by it can be expected to obtain a "best execution" market price on the particular transaction and determines in good faith that the commission cost is reasonable in relation to the value of the brokerage and research services (as defined in Section 28(e)(3) of the Securities Exchange Act of 1934) provided by such broker or dealer to the Portfolio Manager viewed in terms of either that particular transaction or of the Portfolio Manager's overall responsibilities with respect to its clients, including the Fund, as to which the Portfolio Manager exercises investment discretion, notwithstanding that the Fund may not be the direct or exclusive beneficiary of any such services or that another broker may be willing to charge the Fund a lower commission on the particular transaction.

B. Subject to the requirements of paragraph A above, the Fund Manager shall

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

have the right to request that transactions giving rise to brokerage commissions, in an amount to be agreed upon by the Fund Manager and the Portfolio Manager, shall be executed by brokers and dealers that provide brokerage or research services to the Fund Manager, or as to which an on-going relationship will be of value to the Fund in the management of its assets, which services and relationship may, but need not, be of direct benefit to the Portfolio Manager Account. Notwithstanding any other provision of this Agreement, the Portfolio Manager shall not be responsible under paragraph A above with respect to transactions executed through any such broker or dealer.

C. The Portfolio Manager shall not execute any portfolio transactions for the Portfolio Manager Account with a broker or dealer which is an "affiliated person" (as defined in the Act) of the Fund, the Portfolio Manager or any other Portfolio Manager of the Fund without the prior written approval of the Fund. The Fund Manager will provide the Portfolio Manager with a list of brokers and dealers which are "affiliated persons" of the Fund or its Portfolio Managers.

6. Proxies. The Fund Manager will vote all proxies solicited by or with respect to the issuers of securities in which assets of the Portfolio Manager Account may be invested from time to time in accordance with such policies as shall be determined by the Fund Manager.

7. Fees for Services. The compensation of the Portfolio Manager for its services under this Agreement shall be calculated and paid by the Fund Manager in accordance with the attached Schedule C. Pursuant to the Fund Management Agreement between the Fund and the Fund Manager, the Fund Manager is solely responsible for the payment of fees to the Portfolio Manager, and the Portfolio Manager agrees to seek payment of its fees solely from the Fund Manager.

8. Other Investment Activities of Portfolio Manager. The Fund acknowledges that the Portfolio Manager or one or more of its affiliates has investment responsibilities, renders investment advice to and performs other investment advisory services for other individuals or entities ("Client Accounts"), and that the Portfolio Manager, its affiliates or any of its or their directors, officers, agents or employees may buy, sell or trade in any securities for its or their respective accounts ("Affiliated Accounts"). Subject to the provisions of paragraph 2 hereof, the Fund agrees that the Portfolio Manager or its affiliates may give advice or exercise investment responsibility and take such other action with respect to other Client Accounts and Affiliated Accounts which may differ from the advice given or the timing or nature of action taken with respect to the Portfolio Manager Account, provided that the Portfolio Manager acts in good faith, and provided further, that it is the Portfolio Manager's policy to allocate, within its reasonable discretion, investment opportunities to the Portfolio Manager Account over a period of time on a fair and equitable basis relative to the Client Accounts and the Affiliated Accounts, taking into account the cash position and the investment objectives and policies of the Fund and any specific investment restrictions applicable thereto. The Fund acknowledges that one or more Client Accounts and Affiliated Accounts may at any time hold, acquire, increase, decrease, dispose of or otherwise deal with positions

C-2

in investments in which the Portfolio Manager Account may have an interest from time to time, whether in transactions which involve the Portfolio Manager Account or otherwise. The Portfolio Manager shall have no obligation to acquire for the Portfolio Manager Account a position in any investment which any Client Account or Affiliated Account may acquire, and the Fund shall have no first refusal, co-investment or other rights in respect of any such investment, either for the Portfolio Manager Account or otherwise.

9. Limitation of Liability. The Portfolio Manager shall not be liable for

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

any action taken, omitted or suffered to be taken by it in its reasonable judgment, in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement, or in accordance with (or in the absence of) specific directions or instructions from the Fund, provided, however, that such acts or omissions shall not have resulted from the Portfolio Manager's willful misfeasance, bad faith or gross negligence, a violation of the standard of care established by and applicable to the Portfolio Manager in its actions under this Agreement or breach of its duty or of its obligations hereunder (provided, however, that the foregoing shall not be construed to protect the Portfolio Manager from liability in violation of Section 17(i) of the Act).

10. Confidentiality. Subject to the duty of the Portfolio Manager and the Fund to comply with applicable law, including any demand of any regulatory or taxing authority having jurisdiction, the parties hereto shall treat as confidential all information pertaining to the Portfolio Manager Account and the actions of the Portfolio Manager and the Fund in respect thereof.

11. Assignment. This Agreement shall terminate automatically in the event of its assignment, as that term is defined in Section 2(a)(4) of the Act. The Portfolio Manager shall notify the Fund in writing sufficiently in advance of any proposed change of control, as defined in Section 2(a)(9) of the Act, as will enable the Fund to consider whether an assignment as defined in Section 2(a)(4) of the Act will occur, and whether to take the steps necessary to enter into a new contract with the Portfolio Manager.

12. Representations, Warranties and Agreements of the Fund. The Fund represents, warrants and agrees that:

A. The Portfolio Manager has been duly appointed to provide investment services to the Portfolio Manager Account as contemplated hereby.

B. The Fund will deliver to the Portfolio Manager a true and complete copy of its then current registration statement as effective from time to time and such other documents governing the investment of the Fund Account and such other information as is necessary for the Portfolio Manager to carry out its obligations under this Agreement.

13. Representations, Warranties and Agreements of the Portfolio Manager. The Portfolio Manager represents, warrants and agrees that:

A. It is registered as an "Investment Adviser" under the Investment Advisers Act of 1940 ("Advisers Act").

B. It will maintain, keep current and preserve on behalf of the Fund, in the manner required or permitted by the Act and the Rules thereunder, the records identified in Schedule B (as Schedule B may be amended from time to time by the Fund Manager). The Portfolio Manager agrees that such records are the property of the Fund, and will be surrendered to the Fund promptly upon request.

C. It will adopt a written code of ethics complying with the requirements of Rule 17j-1 under the 1940 Act. Within 45 days of the end of each year while this Agreement is in effect, an officer or general partner of the Portfolio Manager shall certify to the Fund that the Portfolio Manager has complied with the requirements of Rule 17j-1 during the previous year and that there has been no violation of its code of ethics or, if such a violation has occurred, that appropriate action was taken in response to such violation.

D. Upon request, the Portfolio Manager will promptly supply the Fund with any information concerning the Portfolio Manager and its stockholders, employees and affiliates which the Fund may reasonably require in connection

with the preparation of its Registration Statement or amendments thereto,

C-3

proxy material, reports and other documents required to be filed under the Act, the Securities Act of 1933, or other applicable securities laws.

E. Reference is hereby made to the Declaration of Trust dated August 20, 1986 establishing the Fund, a copy of which has been filed with the Secretary of the Commonwealth of Massachusetts and elsewhere as required by law, and to any and all amendments thereto so filed or hereafter filed. The name Liberty All-Star Equity Fund refers to the Trustees under said Declaration of Trust, as Trustees and not personally, and no Trustee, shareholder, officer, agent or employee of the Fund shall be held to any personal liability hereunder or in connection with the affairs of the Fund, but only the trust estate under said Declaration of Trust is liable under this Agreement. Without limiting the generality of the foregoing, neither the Portfolio Manager nor any of its officers, directors, partners, shareholders or employees shall, under any circumstances, have recourse or cause or willingly permit recourse to be had directly or indirectly to any personal, statutory, or other liability of any shareholder, Trustee, officer, agent or employee of the Fund or of any successor of the Fund, whether such liability now exists or is hereafter incurred for claims against the trust estate, but shall look for payment solely to said trust estate, or the assets of such successor of the Fund.

14. Amendment. This Agreement may be amended at any time, but only by written agreement among the Portfolio Manager, the Fund Manager and the Fund, which amendment, other than amendments to Schedules A and B, is subject to the approval of the Board of Trustees and the Shareholders of the Fund as and to the extent required by the Act.

15. Effective Date; Term. This Agreement shall continue until July 31, 2005 and from year to year thereafter provided such continuance is specifically approved at least annually by (i) the Fund's Board of Trustees or (ii) a vote of a "majority" (as defined in the Act) of the Fund's outstanding voting securities, provided that in either event such continuance is also approved by a majority of the Board of Trustees who are not "interested persons" (as defined in the Act) of any party to this Agreement, by vote cast in person at a meeting called for the purpose of voting on such approval and provided further that, in accordance with the conditions of the application of the Fund and Fund Manager for an exemption from 15(a) of the Act (Rel. Nos. IC 19436 and 19491), the continuance of this Agreement shall be subject to approval by such "majority" of the Fund's outstanding voting securities at the regularly scheduled annual meeting of shareholders of the Fund next following the date of this Agreement. The aforesaid requirement that continuance of this Agreement be "specifically approved at least annually" shall be construed in a manner consistent with the Act and the Rules and Regulations thereunder.

16. Termination. This Agreement may be terminated by any party, without penalty, immediately upon written notice to the other parties in the event of a breach of any provision thereof by a party so notified, or otherwise upon not less than thirty (30) days' written notice to the Portfolio Manager in the case of termination by the Fund or the Fund Manager, or ninety (90) days' written notice to the Fund and the Fund Manager in the case of termination by the Portfolio Manager, but any such termination shall not affect the status, obligations or liabilities of any party hereto to the other parties.

17. Applicable Law. To the extent that state law is not preempted by the provisions of any law of the United States heretofore or hereafter enacted, as the same may be amended from time to time, this Agreement shall be administered, construed and enforced according to the laws of the Commonwealth of

Edgar Filing: LIBERTY ALL STAR EQUITY FUND - Form DEF 14A

Massachusetts.

18. Severability. If any term or condition of this Agreement shall be invalid or unenforceable to any extent or in any application, then the remainder of this Agreement, and such term or condition except to such extent or in such application, shall not be affected thereby, and each and every term and condition of this Agreement shall be valid and enforced to the fullest extent and in the broadest application permitted by law.
